The amendment increased the number of shares of common stock, par value \$.001 per share, that we are authorized to issue from 100,000,000 to 150,000,000 shares. The amendment did not change the number of shares of preferred stock that are authorized, and the total authorized shares will be increased from 125,000,000 to 175,000,000. The amendment was adopted unanimously by our board of directors and subsequently approved and adopted by our stockholders who hold a majority of the shares of our common stock that were entitled to vote on the amendment at a Special Meeting of Stockholders held on January 7, 2010.
