Notes to the Consolidated Financial Statements

December 31, 2010

(unaudited)

NOTE 1 - ORGANIZATION AND DESCRIPTION OF BUSINESS

The consolidated financial statements presented are those of PCS Edventures!.com, Inc., an Idaho corporation, and its wholly owned subsidiary, PCS LabMentors, Ltd., a Canadian company (collectively, the Company).

On August 3, 1994, PCS Education Systems, Inc. was incorporated under the laws of Idaho to develop and operate standalone learning labs.

In October 1994, PCS exchanged, on a one-for-one basis, common stock for stock of PCS Schools, Inc. As a result of this exchange, PCS Schools, Inc. became a wholly owned subsidiary of PCS. In the late 1990s, the Company divested its standalone learning labs to focus more on a hands-on module coupled with web-based technology for use in the classroom.

On March 27, 2000, PCS changed its name from PCS Education Systems, Inc. to PCS Edventures!.com, Inc.

On November 30, 2005, PCS entered into an agreement with 511092 N.B. LTD., a Canadian corporation (LabMentors) to exchange PCS stock for stock of 511092 N.B. LTD. as disclosed in the 8-K as filed with the SEC on December 9, 2005 and amended on February 15, 2006. As a result of the Share Exchange Agreement, 511092 N.B. LTD. became a wholly owned subsidiary of PCS. In December 2005, the name of this subsidiary was formally changed to PCS LabMentors, Ltd. It remains a Canadian corporation.

NOTE 2 - UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS

The December 31, 2010 consolidated financial statements presented herein are unaudited and, in the opinion of management, include all adjustments (consisting of only normal recurring accruals) necessary for a fair presentation of

financial position, results of operations and cash flows. Such financial statements do not include all of the information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America. This Quarterly Report on Form 10-Q should be read in conjunction with the Annual Report on Form 10-K for PCS Edventures!.com for the year ended March 31, 2010. The December 31, 2010, consolidated balance sheet is derived from the audited balance sheet included therein.

The operating results for the three-month and nine-month period ended December 31, 2010, are not necessarily indicative of the results that may be expected for the year ending March 31, 2011.

NOTE 3 - GOING CONCERN

The Company's consolidated financial statements are prepared using accounting principles generally accepted in the United States of America applicable to a going concern that contemplates the realization of assets and liquidation of liabilities in the normal course of business. The established sources of revenues are not sufficient to cover the Company's operating costs. Although the Company has positive working capital, it has accumulated significant losses and payables. The combination of these items raises substantial doubt about its ability to continue as a going concern. Management's plans with respect to alleviating this adverse position are as follows:

During the fiscal quarter ended December 31, 2010, the Company continued to develop and enhance the Strategic Business Units (SBUs) that were established during the fourth quarter of fiscal year 2010. The SBU strategy has allowed for increased penetration of our professional development, robotics and engineering programs throughout the state of Idaho in addition to other Technical Education programs within the United States. The Afterschool SBU established a national level pilot program with the YMCA as well as gained momentum with our newest product, the Discovery STEM lab. The domestic market strategy is to continue building upon and adding to our strengths through product development along with the continuance and addition of partnership alliances that will allow for the advancement of market share and to increasingly work with current and future customers in fulfilling needs within the domestic market segment.

PCS EDVENTURES!.COM, INC

Notes to the Consolidated Financial Statements

December 31, 2010

(unaudited)

NOTE 3 - GOING CONCERN (Continued)

The Company also continues to focus efforts on the Middle East and is actively working towards expansion into

Central and South America. The Company has developed a relationship with the Al Khaymah Establishment, an organization with a diverse network of affiliates and associations across the Middle East-North African Region (MENA) as well as Africa and Central Asia. With the Al Khaymah Establishment as facilitator, the Company plans to continue its relationship building efforts. A recent trip to the Middle East has produced what we feel are three or four possible business relationships in the area on which we hope to capitalize in order to grow in market share in the International Market.

The ability of the Company to continue as a going concern is dependent upon its ability to successfully accomplish the plans described in the preceding paragraphs, to raise capital as needed, to continue to monitor and reduce overhead costs, and to attain profitable operations. The accompanying consolidated financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

NOTE 5 - EDUCATIONAL SOFTWARE

Educational software was purchased by the Company as a part of its acquisition of 511092 N.B. LTD. and consists of internally developed education computer programs and exercises to be accessed on the Internet. In accordance with financial accounting standards pertaining to internally developed software, the costs associated with research and initial feasibility of the programs and exercises are expensed as incurred. Once economic feasibility has been determined, the costs to develop the programs and exercises are capitalized until the software is ready for sale and customer access, at which point the development costs are reported at the lower of unamortized cost or net realizable value. Capitalized program and exercise inventory items are amortized on a straight-line basis over the estimated useful life of the program or exercise, generally 24 to 48 months.

NOTE 6 - GOODWILL

The entire goodwill balance of \$202,688 at December 31, 2010 and March 31, 2010, which is not deductible for tax purposes due to the purchase being completed through the exchange of stock, is related to the Company's acquisition of PCS LabMentors in November 2005. Included within this amount of goodwill are capital costs associated with the acquisition. The capitalized costs were incurred for accounting, consulting and legal fees associated with the transaction. With the acquisition of PCS LabMentors, the Company gained LabMentors' significant interest in the technical college market and increased the Company's products available for sale to educational outlets. The Company also obtained the information technology and programming expertise of LabMentors' workforce, gained additional cost optimization and gained greater market flexibility in optimizing market information and access to collegiate level sales.

Generally accepted accounting standards require that a two-step impairment test be performed annually or whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. The first step of the test for impairment compares the book value of the Company to its estimated fair value. We undertook a Goodwill impairment review during fiscal year 2010. After reviewing current operating losses and future growth potential of the subsidiary, the Company determined that impairment was not necessary.

Maher, and its former Chief Financial Officer Shannon Stith (Parties). The complaint (Case 1:10-cv-00433-CWD) was filed in the United States District Court For The District Of Idaho. The lawsuit involves disclosures made by the Company concerning its March 26, 2007 License Agreement with Global Techniques dba PCS Middle East (PCS ME). The complaint alleges: 1) the Parties violated Section 10(b) of the Exchange Act [15 U.S.C. § 78j(b)] and Rule 10b-5 thereunder [17 C.F.R. § 240.10b-5], and, in doing so, the Parties are alleged to have committed fraud in connection with the purchase and sale of securities; 2) the Parties violated of Section 13(a) of the Exchange Act [15 U.S.C. § 78m(a)] and Rules 12b-20, 13a-1, and 13a-11 thereunder [17 C.F.R. 240.12b-20, 240.13a-1, and 240.13a-11] by making alleged false filings with the SEC and aiding and abetting false filings with the SEC; and 3) Mr. Maher and Ms. Stith violated Section 13(a) of the Exchange Act [15 U.S.C. § 78m(a)] and Rule 13a-14 thereunder [17 C.F.R. § 240.13a-14] in making false certifications of an annual report. The complaint seeks a permanent injunction, civil money penalties pursuant to Section 21(d)(3) of the Exchange Act, and a bar against Mr. Maher and Mrs. Stith from serving as an officer or director of any issuer that has a class of securities registered pursuant to Section 12 of the Exchange Act, as amended, or that is required to file reports pursuant to Section 15(d) of the Exchange Act. On November 9, 2010, the Company filed a Motion to Dismiss (and/or for Summary Judgment), and a Motion to Strike the SEC s Amended Complaint which were denied by the Court on January 28, 2011.

Under its bylaws, PCS is obligated, subject to certain exceptions and conditions, to indemnify and advance expenses to current and former officers and directors in connection with the SEC suit. The costs incurred by PCS in addressing the SEC suit may have a material adverse effect on PCS business, financial position, results of operations and cash flows (including its liquidity and its plan of operation as outlined in management s discussion and analysis in PCS most recent 10-K and 10-Q reports).

(ii) Insurance Lawsuit: PCS previously announced that its directors and officers insurance carrier had denied coverage of any claims relating to the SEC investigation, and, as a result, the Company initiated suit against the insurer (PCS Edventures!.com Inc. v. Navigators Insurance Company in the District Court of the Fourth Judicial District of the State of Idaho, in and for the county of Ada, Case No. CV-OC 1012105) for among other things, breach of contract and bad faith. On December 21, 2010, the Company reached a settlement of that lawsuit, as reported on Form 8-K, filed with the SEC on December 28, 2010, and while the terms are confidential, the Company was reimbursed for a significant portion of its past legal fees, and a substantial part of the legal costs going forward will be paid by the

insurer, even though the overall coverage was reduced under the negotiated settlement.

(iii) Class Action Lawsuit: The Company, along with its current CEO and former CFO have been named in a class action lawsuit--Niederklein v. PCS Edventures!.com, Inc., et al., U.S. District Court for the District of Idaho, Case 1:10-cv-00479-CWD). The class action was brought on behalf of shareholders who purchased shares of the Company's common stock during the period between March 28, 2007 and August 15, 2007. On January 14, 2011, the court heard argument on a motion relating to the appointment of a lead plaintiff. No response to the class action by the Company or any of the other defendants is due until after resolution of the lead plaintiff issue and the filing of an amended complaint. Under its bylaws, PCS is obligated, subject to certain exceptions and conditions, to indemnify and advance expenses to current and former officers and directors in connection with this suit. The costs incurred by PCS in addressing this suit may have a material adverse effect on PCS' business, financial position, results of operations and cash flows (including its liquidity and its plan of operation as outlined in management's discussion and analysis in PCS' most recent 10-K and 10-Q reports).

Application of this standard requires significant judgment regarding the assumptions used in the selected option pricing model, including stock price volatility and employee exercise behavior. You should not place undue reliance on these forward-looking statements. Actual results may differ materially from those indicated in such

Potential risks and uncertainties include, but are not limited to, competitive pressures from other companies within the Educational Industries, economic conditions in the Company's primary markets, exchange rate fluctuation, reduced product demand, increased competition, inability to produce required capacity, unavailability of financing, government action including (but not limited to) the SEC's lawsuit, and the class action lawsuit, weather conditions and other uncertainties, including those detailed in the Company's SEC filings. The Company assumes no duty to update forward-looking statements to reflect events or circumstances after the date of such statements.

The following discussion should be read in conjunction with our audited consolidated financial statements and Management's Discussion and Analysis of Financial Condition and Results of Operations (MD&A) contained in our Form 10-K for the year ended March 31, 2010.

Plan of Operation

The Company continues to evaluate and re-evaluate various means of operations. In an effort to continue the development and support of its strategic business units (SBUs), initiated in the fourth quarter of fiscal year 2010, the Company reorganized its development department during the second quarter of fiscal year 2011 to formally implement the Agile management processes and to align team functions. In addition, the accounting department has reorganized in order to improve efficiency and effectiveness.

The Technical Education SBU expanded its reach throughout the state of Idaho through direct sales efforts and saw deployments of PCS robotics and engineering programs expand to a total of six school districts. PCS has been selected as one of four approved vendors to provide comprehensive professional technical education solutions for Idaho schools. Outside the state of Idaho, PCS Tech Ed programs were established and expanded in Iowa, Oklahoma, and Kentucky. Tech Ed also established its first university implementation of its Minds-i solution into Philadelphia University for use in an advanced mechatronics course, and also held its first International Robotics Invitational, hosting visiting teams from King Saud University and Al Riyadh Schools in Saudi Arabia, as well as a number of local Idaho teams.

The Afterschool SBU established a national level pilot program in the YMCA, sold into multiple new Kentucky 21st Century Community Learning Center sites, completed and launched the first module of the Discover STEM lab, a new program that was specifically designed by PCS to address critical science, technology, engineering, and math (STEM) needs in the afterschool marketplace. As of December 31, 2010, the program has sold multiple units confirming its strong appeal to the market. Additional modules to further expand the program are under development. The SBU has continued to develop a strong relationship with the US military, delivering and managing hands-on summer programs to students at seven bases within the USAF PACAF and cultivating a relationship with various US Army programs to support youth service initiatives around the world.

The International SBU has focused its efforts on two primary areas, expanding Middle East capacity and laying groundwork for expansion into Central and South America. To expand Middle East capacity, PCS retained Al Khamayh Establishment on September 8, 2010. With offices in Saudi Arabia, Egypt, and the United States, Al Khaymah Establishment USA maintains a diverse network of affiliates and associates across the Middle East-North African region (MENA), with a reach into Africa and Central Asia. Al Khaymah provides discrete services for clients and affiliated firms based on diverse experience, practical analysis, atmospheric, and personalized interaction. PCS began the development of a business plan and funding solution for increasing resources and support for IntelTech, the Company's distributor in Mexico, and a similar plan for expanding operations into South America.

The quarter ended December 31, 2010 resulted in a net loss of (\$139,056) as compared to the net loss during the quarter ended December 31, 2009 of (\$560,835). The Company's losses decreased from the prior fiscal year, same three-month period by \$421,779, or approximately seventy-five percent (75%). The decrease can be attributed in part to a more concentrative and focused effort in sales due to the implementation of the SBU's. In addition, the Company reached a settlement in the insurance lawsuit, disclosed in Note 8. While the settlement terms are confidential, the Company has been reimbursed for a significant portion of its past legal fees. The Basic Loss per Share for the quarter ended December 31, 2010, is \$0.00, which is a \$0.01 decrease in loss per share from the three-month period ended December 31, 2009, of (\$0.01) per share.

The Company's net loss decreased from the prior fiscal year, same nine-month period by \$159,852, or approximately ten percent (10%), primarily for the same reasons cited

above relating to the three month year-over-year change. The Basic Loss per Share for the nine-month period ended December 31, 2010, is (\$0.03), which is a \$0.01 decrease in the net loss as compared to the nine-month period ended December 31, 2009 net loss per share of (\$0.04).

This decrease is attributable to the hesitation surrounding the general economy, a change in federal and state education funding schedules, as well as a decrease in the expenditure of grant monies by some school districts.

Operating expenses for the three-month period ended December 31, 2010, decreased by approximately \$293,817 or thirty-one percent (31%) to \$630,883 as compared to operating expenses of \$924,700 for the three-month period ended December 31, 2009. This decrease is attributable to continued increased efficiencies and cost cutting measures as well as the settlement in the insurance lawsuit, disclosed in Note 8. While the settlement terms are confidential, the Company has been reimbursed for a significant portion of its past legal fees.

Nine-month period ended December 31, 2010, compared to nine-month period ended December 31, 2009.

This decrease is attributable to the hesitation surrounding the general economy, a change in federal and state education funding schedules, as well as a decrease in the expenditure of grant monies by some school districts.

Operating expenses for the nine-month period ended December 31, 2010, decreased by approximately \$161,270 or six percent (6%) to \$2,364,621 as compared to operating expenses of \$2,525,891 for the nine-month period ended December 31, 2009. This decrease is attributable to continued increased efficiencies and cost cutting measures as well as the settlement in the insurance lawsuit, disclosed in Note 8. While the settlement terms are confidential, the Company has been reimbursed for a significant portion of its past legal fees.

Liquidity

As of December 31, 2010, we had \$376,568 in cash, with total current assets of \$847,853 and total current liabilities of \$488,896. We have an accumulated deficit of (\$33,974,502) and stockholders' equity of \$908,518.

The Company has a current ratio of 1.73. The ratio indicates that we have worked hard managing debt, and have utilized available resources well in an effort to stimulate Company growth through internal and external means. We have utilized the current ratio rather than the quick ratio due to the fact that most items in inventory are easily saleable should the need to liquidate arise.

The Company has working capital of \$358,957 at December 31, 2010. The working capital indicates that our ability to pay current debt obligations through our current assets is favorable.

Item 3. Quantitative and Qualitative Disclosures About Market Risk.

Item 4. Controls and Procedures

Changes in Internal Control Over Financial Reporting.

Our management, with the participation of the chief executive officer/acting CFO, has concluded there were no significant changes in our internal control over financial reporting that occurred during our most recent fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Management's Report on Internal Control Over Financial Reporting.

Our management is responsible for establishing and maintaining adequate internal control over financial reporting as defined in Rule 13a-15(f) under the Exchange Act. Our management assessed the effectiveness of our internal control over financial reporting as of March 31, 2010. In making this assessment, our management used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) in Internal Control-Integrated Framework.

PART II - OTHER INFORMATION

Item 1 .Legal Proceedings

(i) SEC Proceedings: The Company announced that on August 27, 2010, it obtained a copy of a complaint filed by the U.S. Securities and Exchange Commission (SEC) commencing a civil lawsuit against PCS, its Chief Executive Officer Anthony A. Maher, and its former Chief Financial Officer Shannon Stith (Parties). The complaint (Case 1:10-cv-00433-CWD) was filed in the United States District Court For The District Of Idaho. The lawsuit involves disclosures made by the Company concerning its March 26, 2007 License Agreement with Global Techniques dba PCS Middle East (PCS ME). The complaint alleges: 1) the Parties violated Section 10(b) of the Exchange Act [15 U.S.C. § 78j(b)] and Rule 10b-5 thereunder [17 C.F.R. § 240.10b-5], and, in doing so, the Parties are alleged to have committed fraud in connection with the purchase and sale of securities; 2) the Parties violated of Section 13(a) of the Exchange Act [15 U.S.C. § 78m(a)] and Rules 12b-20, 13a-1, and 13a-11 thereunder [17 C.F.R. 240.12b-20, 240.13a-1, and 240.13a-11] by making alleged false filings with the SEC and aiding and abetting false filings with the SEC; and 3) Mr. Maher and Ms. Stith violated Section 13(a) of the Exchange Act [15 U.S.C. § 78m(a)] and Rule 13a-14 thereunder [17 C.F.R. § 240.13a-14] in making false certifications of an annual report. The complaint seeks a permanent injunction, civil money penalties pursuant to Section 21(d)(3) of the Exchange Act, and a bar against Mr. Maher and Mrs. Stith from serving as an officer or director of any issuer that has a class of securities registered pursuant to Section 12 of the Exchange Act, as amended, or that is required to file reports pursuant to Section 15(d) of the Exchange Act. On November 9, 2010, the Company filed a Motion to Dismiss (and/or for Summary Judgment), and a Motion to Strike the SEC's Amended Complaint which were denied by the Court on January 28, 2011.

Under its bylaws, PCS is obligated, subject to certain exceptions and conditions, to indemnify and advance expenses to current and former officers and directors in connection with the SEC suit. The costs incurred by PCS in addressing the SEC suit may have a material adverse effect on PCS's business, financial position, results of operations and cash flows (including its liquidity and its plan of operation as outlined in management's discussion and analysis in PCS

most recent 10-K and 10-Q reports).

(ii) Insurance Lawsuit: PCS previously announced that its directors and officers insurance carrier had denied coverage of any claims relating to the SEC investigation, and, as a result, the Company initiated suit against the insurer (PCS Edventures!.com Inc. v. Navigators Insurance Company in the District Court of the Fourth Judicial District of the State of Idaho, in and for the county of Ada, Case No. CV-OC 1012105) for among other things, breach of contract and bad faith. On December 21, 2010, the Company reached a settlement of that lawsuit, as reported on Form 8-K, filed with the SEC on December 28, 2010, and, while the terms are confidential, the Company was reimbursed for a significant portion of its past legal fees, and a substantial part of the legal costs going forward will be paid by the insurer, even though the overall coverage was reduced under the negotiated settlement.

(iii) Class Action Lawsuit: The Company, along with its current CEO and former CFO have been named in a class action lawsuit--Niederklein v. PCS Edventures!.com, Inc., et al., U.S. District Court for the District of Idaho, Case 1:10-cv-00479-CWD). The class action was brought on behalf of shareholders who purchased shares of the Company's common stock during the period between March 28, 2007 and August 15, 2007. On January 14, 2011, the court heard argument on a motion relating to the appointment of a lead plaintiff. No response to the class action by the Company or any of the other defendants is due until after resolution of the lead plaintiff issue and the filing of an amended complaint. Under its bylaws, PCS is obligated, subject to certain exceptions and conditions, to indemnify and advance expenses to current and former officers and directors in connection with this suit. The costs incurred by PCS in addressing this suit may have a material adverse effect on PCS's business, financial position, results of operations and cash flows (including its liquidity and its plan of operation as outlined in management's discussion and analysis in PCS's most recent 10-K and 10-Q reports).
