On January 11, 2013, we entered into an 8% Convertible Promissory Note with an accredited investor, in the amount of \$21,500, convertible into shares of common stock of the Company, at the market price of \$0.065. The note is due thirty six months from the date of note. The note is secured by a secondary security interest in all of the Company's intellectual property. The proceeds received by the Company from the sale of this note will be used by the Company for prepaying the Promissory Note dated June 5, 2012 (Tranche 3) issued to Asher Enterprises, Inc., as well as any administrative costs associated with the payment. This final payment competes and pays off all outstanding notes with Asher Enterprises.
