ITEM 5. OTHER EVENTS

Blue Dolphin Energy Company ("Company") previously announced that it received a notice from the NASDAQ on July 15, 2002, stating that because the Company's common stock traded below the minimum bid requirement of \$1.00 for 30 consecutive trading days the common stock would be delisted if its bid price did not close above \$1.00 for 10 consecutive trading days by January 13, 2003. This initial deadline was extended until July 14, 2003. On July 16, 2003, the Company received a notice from NASDAQ that the initial deadline to regain compliance

with NASDAQ's listing requirements would be extended to October 8, 2003. As of July 16, 2003, the bid price for the Company's common stock had not closed above \$1.00 for 10 consecutive trading days. If the Company's common stock is delisted from NASDAQ it would then trade on the OTC Bulletin Board or "pink sheets". This could materially decrease the liquidity of the Company's common stock and further limit the Company's ability to raise capital.
