PROXY STATEMENT

This proxy statement and the accompanying proxy card are being furnished to the shareholders of Simtek Corporation in connection with the solicitation of proxies by its board of directors (the "Board"). The proxies are to be voted at our 2007 annual meeting of shareholders, including any adjournment thereof (the "Annual Meeting").

Time and Place; Purpose

The Annual Meeting will be held at 2:00 p.m., local time, Thursday, June 14, 2007, at the Hotel Crescent Court, 400 Crescent Court, Dallas, Texas 75201. At the Annual Meeting, our shareholders will be asked to consider and vote upon the following proposals (the "Proposals"):

- (i) to consider and vote on a proposal to elect six directors to Simtek's board of directors, each to serve until the 2008 annual meeting of shareholders and until their successors have been duly elected and qualified;
- (ii) to consider and vote on a proposal to adopt the Simtek Corporation Employee Stock Purchase Plan;
- (iii) to consider and vote on a proposal to adopt the Simtek Corporation 2007 Equity Incentive Plan;
- (iv) to consider and vote on a proposal to ratify the selection of Hein & Associates LLP as Simtek's independent registered public accounting firm for the year ending December 31, 2007; and
- (v) to transact such other business as may properly come before the meeting.

The Board has determined that the Proposals are in the best interests of our company and shareholders. The Board recommends that you vote in favor of each Proposal.

Voting Rights; Record Date

The Board has fixed the close of business on April 25, 2007 as the record date (the "Record Date") for the determination of holders of common stock entitled to receive notice of and to vote at the Annual Meeting. Accordingly, only holders of record of shares of common stock at the close of business on the Record Date are entitled to receive notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, we had 16,229,179 shares of common stock, par value \$0.0001 per share, outstanding (the "Common Stock").

Edgar Filing: SIMTEK CORP - Form DEF 14A

The holders of shares of Common Stock are entitled to one vote per share on each matter that properly comes before the Annual Meeting. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum.

Votes Required

In the election of directors, the six candidates receiving the highest number of votes cast (in person or by proxy) in favor of their election are elected to the Board. Shares which are not voted (whether by withholding the vote, broker non-vote or otherwise) will have no impact in the election of directors. With respect to each other Proposal, the affirmative vote of a majority of the shares of Common Stock represented in person or by proxy, and entitled to vote, at the Annual Meeting will be required to approve such Proposal. Consequently, abstentions and broker non-votes with respect to these remaining Proposals will be treated as votes against for purposes of approving such Proposal.

1

Proxies

Unless otherwise specified, the shares of Common Stock represented by the accompanying form of proxy, properly executed and returned, will be voted FOR the Proposals as described below. As to any other matters that may properly come before the Annual Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with their best judgment. Votes will be tabulated by Continental Stock Transfer & Trust Company, our transfer agent.

Proxies marked "Abstain" with respect to a particular Proposal, shares represented by "broker non-votes" (i.e., shares held by brokers or nominees which are represented at the Annual Meeting but with respect to which the broker or nominee is not empowered to vote on a particular Proposal) and proxies marked "Withhold" as to nominee(s) for the Board will be counted for purposes of determining whether there is a quorum at the Annual Meeting, but will not be included in determining the number of votes cast with respect to such matter.

Any person giving a proxy has the right to revoke the proxy at any time before it is voted by giving written notice to the Secretary of our company. We will bear the cost of preparing and mailing proxy materials as well as the cost of soliciting proxies. In addition to solicitation by mail, certain of our employees or representatives may personally solicit proxies. Such persons will receive no additional compensation for such work.

This proxy statement and accompanying form of proxy and annual report are first being mailed to shareholders on or about May 14, 2007.

Annual Report

Our annual report to shareholders for the year ended December 31, 2006 is being mailed to you with this proxy statement.

Common Questions and Answers

Q: WHY AM I RECEIVING THIS PROXY STATEMENT AND PROXY CARD?

A: You are receiving this proxy statement and proxy card from us because you own shares of Common Stock. This proxy statement describes issues on which we

Edgar Filing: SIMTEK CORP - Form DEF 14A

would like you and that you are entitled, as a shareholder, to vote. It also gives you information on these issues so that you can make an informed decision.

When you sign the proxy card, you appoint Harold A. Blomquist, Chief Executive Officer, and Brian P. Alleman, Chief Financial Officer, as your representatives at the annual meeting of shareholders. Harold A. Blomquist and Brian P. Alleman will vote your shares, as you have instructed them in the proxy card, at the meeting. This way, your shares will be voted whether or not you attend the annual meeting. Even if you plan to attend the meeting, it is a good idea to complete, sign and return your proxy card in advance of the meeting just in case your plans change. If you have signed and returned the proxy card and an issue comes up for a vote at the meeting that is not identified in this proxy statement, Harold A. Blomquist and Brian P. Alleman will vote your shares on such issue in accordance with their best judgment.

Q: DOES THE BOARD RECOMMEND VOTING IN FAVOR OF THE PROPOSALS?

A: Yes, the Board recommends that the shareholders vote "FOR" all the Proposals.

Election of Directors. The Board recommends that you vote "FOR" all nominees to the Board, Messrs. Harold A. Blomquist, Robert Keeley, Robert Pearson, Ronald Sartore, Alfred J. Stein and John Hillyard, whose terms of office will expire at the Annual Meeting.

Employee Stock Purchase Plan. The Board recommends that you vote "FOR" the adoption of the Simtek Corporation Employee Stock Purchase Plan.

2007 Equity Incentive Plan. The Board recommends that you vote "FOR" the adoption of the Simtek Corporation 2007 Equity Incentive Plan.

Ratification of Auditors. The Board recommends that you vote "FOR" the ratification of the selection of Hein & Associates LLP as our independent registered public accounting firm for the year ending December 31, 2007.

2

Q: WHAT IS THE PROCEDURE FOR VOTING?

A: You may vote either by mail or in person at the annual meeting. To vote by mail, please complete, date, sign, and promptly return the accompanying proxy card in the enclosed envelope, which requires no postage if mailed in the United States. If you mark your proxy card to indicate how you want your shares voted on each Proposal, your shares will be voted as you instruct. If you sign and return your proxy card but do not mark the card to provide voting instructions, the shares represented by your proxy card will be voted "FOR" each of the Proposals.

If you want to vote in person, please come to the annual meeting. We will be passing out written ballots to anyone who wants to vote at the meeting. Please note, however, that if your shares are held in the name of your broker (or in what is usually referred to as "street name"), you will need to arrange to obtain a proxy from your broker in order to vote in person at the meeting.

Q. WHAT IS THE DIFFERENCE BETWEEN A SHAREHOLDER OF RECORD AND A SHAREHOLDER WHO HOLDS SHARES IN STREET NAME?

A. Many shareholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some

Edgar Filing: SIMTEK CORP - Form DEF 14A

distinctions between shares held of record and those owned in street name.

Shareholder of Record. If your shares are registered directly in your name with our transfer agent, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by us. As the shareholder of record, you have the right to grant your voting proxy directly or to vote in person at the Annual Meeting. We have enclosed a proxy card for you to use.

Street Name. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name," and these proxy materials are being forwarded to you by your broker or nominee, which is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker how to vote and are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the Annual Meeting unless you obtained a signed proxy from the record holder giving you the right to vote the shares. Your broker or nominee has enclosed or provided a voting instruction card for you to use in directing the broker or nominee how to vote your shares.

Q. WHAT IF I DON'T SPECIFY A CHOICE FOR A MATTER WHEN RETURNING MY PROXY?

A. You should specify your choice for each matter on the enclosed proxy. If you sign and return your proxy but do not give specific instructions, your proxy will be voted FOR the election of all director nominees, FOR the adoption of the Simtek Corporation Employee Stock Purchase Plan, FOR the adoption of the Simtek Corporation 2007 Equity Incentive Plan, and FOR the proposal to ratify the appointment of Hein & Associates LLP.

Q. CAN I CHANGE MY VOTE AFTER SUBMITTING MY PROXY?

A. If you are a shareholder of record, you may revoke a previously submitted proxy at any time before the polls close at the Annual Meeting by:

- o submitting another proxy card with a later date;
- o giving written notice to our Corporate Secretary that you are revoking your proxy; or
- o attending the Annual Meeting and voting in person.

Attending the Annual Meeting will not by itself have the effect of revoking a previously submitted proxy.

If you are a street name holder, you must follow the instructions on revoking your proxy, if any, provided by your bank or broker.

3

Q. WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

A. It means that you have multiple accounts with brokers and/or our transfer agent, Continental Stock Transfer & Trust Company. Please vote all of these shares. We recommend that you contact your broker and/or Continental Stock Transfer & Trust Company to consolidate as many accounts as possible under the same name and address. Please submit your request by mail to Continental Stock

Edgar Filing: SIMTEK CORP - Form DEF 14A

Transfer & Trust Company, Shareholder Relations, 17 Battery Place, New York, New York 10004, or by telephone at 212.509.4000. Continental Stock Transfer & Trust Company may also be reached through its website at www.continentalstock.com.

Q. WHAT IS "HOUSEHOLDING"?

A. We may send a single set of proxy materials and other shareholder communications to any household at which two or more shareholders reside. This process is called "householding." This reduces duplicate mailings and saves printing and postage costs as well as natural resources. Proxy materials and other shareholder communications to you may be householded based on your prior express or implied consent. If you wish to receive a separate copy of the proxy statement or annual report for each shareholder sharing your address in the future, please contact us by mail in care of Continental Stock Transfer & Trust Company, Shareholder Relations, 17 Battery Place, New York, New York 10004, or by telephone at 212.509.4000, and we will promptly deliver to you the requested material. If you are receiving multiple copies and would like to receive a single copy, or if you would like to opt out of this householding practice for future mailings, please submit your request by mail to our transfer agent, Continental Stock Transfer & Trust Company, Shareholder Relations, 17 Battery Place, New York, New York 10004, or by telephone at 212.509.4000. Continental Stock Transfer & Trust Company may also be reached through its website at www.continentalstock.com.

PROPOSAL 1 - ELECTION OF DIRECTORS

Our Certificate of Incorporation and Bylaws provide that the Board will be elected annually. Consequently, each of our directors is subject to re-election at the Annual Meeting, to serve until our next annual meeting or upon a successor being elected or appointed and qualified.

Directors are elected by a plurality of the votes present in person or represented by proxy, and entitled to vote, at the meeting. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of Messrs. Blomquist, Keeley, Pearson, Sartore, Stein and Hillyard. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as management may propose. Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve.

PROPOSAL 2 - ADOPTION OF THE SIMTEK CORPORATION EMPLOYEE STOCK PURCHASE PLAN

Introduction. You are being asked to approve our new Simtek Corporation Employee Stock Purchase Plan ("Employee Stock Purchase Plan"), which was adopted by the Board on March 16, 2007. In order to receive favorable tax treatment under Section 423 of the Internal Revenue Code of 1986, as amended (the "Code"), shareholder approval of the Employee Stock Purchase Plan is required. If approved by our shareholders, the Employee Stock Purchase Plan will become effective July 1, 2007. A summary of the material features of the Employee Stock Purchase Plan follows. The summary is qualified in its entirety by reference to the full text of the Employee Stock Purchase Plan, which is set forth as Appendix A hereto and incorporated by reference herein.

Purpose of the Employee Stock Purchase Plan. The Employee Stock Purchase Plan provides a broad-based group of eligible employees of our company and subsidiaries with an opportunity to acquire shares of our Common Stock and thereby acquire an interest in our future.

Administration of the Employee Stock Purchase Plan. The Board or a committee designated by the Board will administer the Employee Stock Purchase Plan. The administrator has the exclusive right to interpret the provisions of the Employee Stock Purchase Plan and to determine any questions arising under the Employee Stock Purchase Plan. If the Board has designated a committee to administer the Employee Stock Purchase Plan, the Board shall continue to have the final power to determine questions of policy and expediency that may arise in connection with the administration of the Employee Stock Purchase Plan.

Shares Reserved for the Employee Stock Purchase Plan.

General. The maximum number of shares of Common Stock that may be purchased under the Employee Stock Purchase Plan, in the aggregate, is 500,000. The shares issuable under the Employee Stock Purchase Plan are drawn from authorized but unissued shares.

6

Changes in Capitalization. If there is a change to the Common Stock as a result of a recapitalization, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure, or other transaction not involving the receipt of consideration by our company, then the Board or the committee shall appropriately adjust the outstanding rights to purchase Common Stock and the Common Stock then subject to the Employee Stock Purchase Plan with respect to the number of shares, kind and price of shares available for purchase under the Employee Stock Purchase Plan and in the minimum and maximum number of shares that an individual employee is entitled to purchase.

Edgar Filing: SIMTEK CORP - Form DEF 14A

Offering Periods. Shares of Common Stock are offered (the "Offer") for purchase to eligible employees through a series of successive quarterly offering periods. A quarterly offering period begins on the first day of each calendar quarter. A right to purchase Common Stock will be granted on the first day of each calendar quarter during the term of the Plan, commencing with the calendar quarter beginning July 1, 2007.

Eligibility and Participation. Employees eligible to participate in the Employee Stock Purchase Plan include each employee of Simtek and of each subsidiary that has been designated by the Board if the employee customarily works for Simtek or the designated subsidiary at least 20 hours per week and 5 months in any calendar year. Nonemployee directors, leased employees, independent contractors and employees who own stock possessing 5% or more of the total combined voting power or value of all classes of our or any our designated subsidiary's capital stock are not eligible to participate in the Employee Stock Purchase Plan. In addition, the Board may provide from time to time in its discretion that highly compensated employees are not eligible to participate.

An individual who is an eligible employee on the first day of the calendar quarter may participate in the Offer by authorizing payroll deductions in whole percentages from 1% up to 10% of regular salary or wages plus overtime, commissions and bonuses per pay period. Amounts withheld will be held for the credit of the participant as part of our general funds and will not accrue any interest. Individuals who become eligible employees during the calendar quarter may not enroll until the first day of the next calendar quarter.

As of April 30, 2007, there were approximately 60 eligible employees, of whom 3 were executive officers.

Purchase Price. The purchase price is equal to the lesser of (1) 85% of the fair market value of the Common Stock on the first trading day of the calendar quarter or (2) 85% of the fair market value of the Common Stock on the last trading day of the calendar quarter (the "Purchase Price"). The fair market value of the Common Stock is the last reported sale price of the Common Stock reported by the NASD through the NASD Automated Quotation System ("NASDAQ") or the principal securities exchange on which the Common Stock is listed or admitted to trading, or, if the Common Stock is not admitted to trading or listed on NASDAQ or on any national securities exchange, the average closing bid price if available. If the Common Stock is not reported by NASDAQ or traded on an exchange and the average closing bid price is not available, then fair market value is determined in good faith by the Board or the committee appointed by the Board to administer the Employee Stock Purchase Plan, using all relevant data and information reasonably available to it.

On April 30, 2007, the last reported sale price of the Common Stock reported on NASDAQ was \$5.40.

Purchase of Common Stock. On the first day on which the NASDAQ is open for trading after the close of the calendar quarter (the "Purchase Date"), the entire account balance of a participating employee who has not terminated employment or withdrawn from the Employee Stock Purchase Plan, as described below, is applied to purchase whole shares of our Common Stock at the Purchase Price. Any amount attributable to a fractional share will be carried forward to the next Offer. In no event, however, is an employee permitted to purchase Common Stock having a value of more than \$25,000 during each calendar year, or 4,000 shares per Offer, whichever is less.

Termination of Employment. If a participating employee terminates employment with our company and all participating subsidiaries during the term of an Offer for any reason, the employee shall cease participating in the Employee Stock Purchase Plan immediately. No deduction will be taken from the employee's final paycheck, and all payroll deductions accumulated during the

Edgar Filing: SIMTEK CORP - Form DEF 14A

Offer will be paid to the terminated employee without interest.

Withdrawal From the Employee Stock Purchase Plan. A participating employee can withdraw at any time during an Offer and before the Purchase Date for the Offer by giving written notice to us. Upon the employee's withdrawal, all payroll deductions will stop. The payroll deductions accumulated during the Offer are returned to the employee without interest. An employee who withdraws from an Offer may not participate in the next Offer, but may participate in future Offers by authorizing payroll deductions.

7

Leave of Absence; Inactive Employment. If a participating employee continues to receive salary or wages during a leave of absence or period of inactive employment, the employee may continue to participate for the first 90 days of the leave or period of inactive employment. If the participating employee chooses to stop payroll deductions, the employee will be treated as having terminated employment and withdrawn from the Employee Stock Purchase Plan. The employee's accumulated payroll deductions will be returned to the employee without interest on the first business day following the Purchase Date for the Offer in which the leave of absence or period of inactive employment commenced.

If a participating employee does not receive salary or wages, payroll deductions will stop but will resume automatically if the employee returns to active employment within 90 days after the leave or period of inactive employment commenced.

In all events, a participating employee will be treated as having terminated employment and withdrawn from the Employee Stock Purchase Plan on the 91st day of any period of leave of absence or inactive employment. We will refund to the employee, without interest, the payroll deductions accumulated during the Offer in which he or she is treated as having terminated employment and withdrawn from the Employee Stock Purchase Plan.

Merger; Change in Control. Upon a "change in control event," in the sole discretion of the Board, (1) the surviving or continuing corporation may assume any outstanding purchase rights or substitute rights to purchase its stock, (2) the purchase rights may continue in full force and effect, or (3) the accumulated payroll deductions may be used to purchase Common Stock immediately prior to the closing of the "change in control" event and the Employee Stock Purchase Plan will be terminated.

A "change in control event" includes our liquidation or dissolution, a merger or consolidation in which we are not the surviving corporation, a merger in which we are the surviving corporation but our shares are converted into other property (whether in the form of securities, cash or otherwise), or an acquisition by an unrelated party of our stock having 50% or more of the voting power in the election of directors.

Purchase Rights Not Transferable. Rights to purchase Common Stock under the Employee Stock Purchase Plan are not transferable by an employee other than by will or the laws of descent and distribution. The rights to purchase may be exercised, during an employee's lifetime, only by the employee and may not be sold, pledged, assigned or otherwise transferred.

Amendment and Termination. We have the right to terminate or amend the Employee Stock Purchase Plan at any time. However, we may not, without shareholder approval, (1) increase the number of authorized shares, (2) modify the requirements for participation in the Employee Stock Purchase Plan, (3) make

Edgar Filing: SIMTEK CORP - Form DEF 14A

any other change for which shareholder approval is required by Section 423 of the Code or another law or regulation. Furthermore, we may not amend the Employee Stock Purchase Plan in a manner that impairs outstanding rights without the consent of the eligible employees holding the rights, unless it is necessary to amend the rights to comply with law or regulations. The Employee Stock Purchase Plan will terminate on the date determined by the Board.

Certain Federal Income Tax Consequences. A participant's contributions through payroll deductions are not tax deductible but will constitute a part of the cost basis of the Common Stock purchased under the Employee Stock Purchase Plan.

No tax liability results on the grant of right to purchase Common Stock or the purchase of Common Stock. The employee becomes liable for Federal income tax on the disposition of the Common Stock. In order to receive the favorable federal income tax treatment provided under Section 423 of the Code, a participant must hold the Common Stock for two years from the Offer Date, or one year from the Purchase Date, whichever is later (the "Holding Period").

If an employee disposes of shares acquired under the Employee Stock Purchase Plan after the expiration of the Holding Period, or if an employee dies while holding any shares acquired under the Employee Stock Purchase Plan, the employee must include in gross income, as compensation, in the taxable year of disposition or death, an amount with respect to each share equal to the lesser of (i) the excess of the fair market value of the share at the time of the disposition or death over the amount paid for the share, or (ii) the excess of the fair market value of the share on the first day of the Offer over the Purchase Price. We will not be allowed a corresponding deduction for the amount treated as ordinary income.

Except in the case of death, the basis of the shares in the employee's hands at the time of the disposition will equal the price paid for the shares increased by the amount, if any, included in the employee's gross income as

8

compensation. Any additional gain recognized will be treated as short-term or long-term capital gain depending on the holding period of such shares. In the case of death of the employee, the basis of the shares to the employee's estate or heirs will be determined under Section 1014 of the Code.

If an employee disposes of any of the shares purchased under the Employee Stock Purchase Plan before the expiration of the Holding Period, the employee must include in gross income, as compensation, an amount with respect to each share equal to the excess of the fair market value of the shares on the Purchase Date over the price paid for such shares pursuant to the Employee Stock Purchase Plan. Such amount will be includible in the gross income of the employee for the employee's taxable year in which the disposition occurs. We will be allowed a corresponding deduction in the same year and in the same amount required to be included in gross income by the employee if and to the extent such amount is an ordinary and necessary business expense and satisfies the test of reasonable compensation, provided that our deduction with respect to certain officers may be limited by Section 162(m) of the Code. Any additional gain will be treated as short- or long-term capital gain depending on the Holding Period of the shares.

The basis of the shares in the hands of the employee will be the amount paid for the shares plus the amount, if any, included in the employee's gross income as compensation. Any gain or loss will be short-term or long-term capital gain or loss depending on the holding period for the shares. The holding period for the shares will commence on the date the shares are purchased.

Edgar Filing: SIMTEK CORP - Form DEF 14A

The foregoing is intended as a summary of certain Federal income tax consequences associated with the Employee Stock Purchase Plan and it does not purport to be a complete statement of such consequences. It is recommended that employees eligible to participate in the Employee Stock Purchase Plan consult their own tax advisors for counseling. Tax treatment under foreign, state, local or other law, including estate tax law, is not covered in this summary.

Accounting Treatment. Under the accounting principles currently applicable to employee stock purchase plans the fair value of each purchase right granted under the Employee Stock Purchase Plan will be charged as a direct compensation cost to our reported earnings over the term of the Offer to which the purchase right pertains. The fair value of each purchase right will be determined at its grant date.

We must have a sufficient number of shares of Common Stock approved for issuance under the Employee Stock Purchase Plan at the beginning of each Offer for all purchases made during the Offer. If additional shares need to be authorized during an Offer, this may result in a delayed measurement date for the compensation cost of the purchase rights granted at the beginning of the Offer and may result in a greater charge to our reported earnings for the Offer. The measurement date for the compensation cost associated with such purchase rights will be delayed until the share increase is approved.

New Plan Benefits. Because enrollment in the Employee Stock Purchase Plan is voluntary, we cannot determine the number of Rights that may be awarded and shares of Common Stock that may be purchased under the Employee Stock Purchase Plan in the future.

Shareholder Approval; Board Recommendation. The affirmative vote of the holders of a majority of the shares of Common Stock present, in person or represented by proxy, and entitled to vote at the Annual Meeting is required to approve the Employee Stock Purchase Plan.

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" PROPOSAL 2,
APPROVING THE EMPLOYEE STOCK PURCHASE PLAN.

PROPOSAL 3 - ADOPTION OF SIMTEK CORPORATION 2007 EQUITY INCENTIVE PLAN

Proposal. On May 6, 2007, the Board adopted the Simtek Corporation 2007 Equity Incentive Plan, or the "2007 EIP." You are being asked to approve the 2007 EIP at the Annual Meeting. If approved by our shareholders, the 2007 EIP will become effective on June 15, 2007 and will terminate on June 14, 2017.

The Board is also seeking the shareholders' authorization of 2,800,000 shares to be issued under the 2007 EIP pursuant to grants of non-qualified stock options, incentive stock options, restricted stock awards and other stock awards.

The purpose of the 2007 EIP is to provide the employees, non-employee directors, and consultants who are selected for participation in the 2007 EIP with added incentives to continue in the long-term service of our company and to create in such persons a more direct interest in the future success of our

operations by relating increases in compensation to increases in shareholder value, so that the income of the participants in the 2007 EIP is more closely aligned with the income of our shareholders. The 2007 EIP is also intended to provide a financial incentive that will enable us to attract, retain and

Edgar Filing: SIMTEK CORP - Form DEF 14A

motivate the most qualified directors, employees, and consultants.

As of April 30, 2007, there were approximately 60 employees and 4 non-employee directors eligible to receive grants under the 2007 EIP. On April 30, 2007, the last report sale price of the Common Stock reported on NASDAQ was \$5.40.

By unanimous vote, the Board has recommended that our shareholders vote "FOR" approval of the 2007 EIP.

The following summarizes the 2007 EIP and is qualified in its entirety by the full text of the 2007 EIP, which is included as Appendix B to this proxy statement and incorporated herein by this reference. The 2007 EIP, if approved by our shareholders, will replace our 1994 Stock Option Plan. We have not made any grants under the 1994 Stock Option Plan since February 13, 2007 and, if the 2007 EIP is approved by our shareholders, we do not expect to make any further grants under the 1994 Stock Option Plan. However, options outstanding under the 1994 Stock Option Plan will remain outstanding until they are exercised or expire by their terms.

Administration of the 2007 EIP. The Compensation Committee of the Board administers the 2007 EIP with respect to grants to employees, consultants, and non-employee directors. The Committee has sole discretion to establish rules and procedures for the administration of the 2007 EIP, select the participants from among the eligible employees, non-employee directors, and consultants, determine the types of awards to be granted and the number of shares of common stock subject to each award, and set the terms and conditions of the awards. However, with respect to grants to officers and directors, the Committee is constituted in a manner that satisfies applicable laws and regulations, including Rule 16b-3 promulgated under the Securities Exchange Act of 1934 (the "Exchange Act") and Code section 162(m). The 2007 EIP also provides that the full board of directors can perform any function of the Committee, subject to the requirements of the NASDAQ rules and Code section 162(m).

The 2007 EIP provides that the Committee may delegate authority to grant stock options and other awards to specified officers of our company, subject to the restrictions and conditions that the Committee, in its sole discretion, determines and subject to the requirement that, among other things, the grant or award satisfies the requirements of Rule 16b-3 and Code section 162(m). At this time, the Committee has not made a delegation.

Shares Subject to the Option Plan. There are 2,800,000 shares of Common Stock reserved for the grant of awards under the 2007 EIP. The maximum number of shares of Common Stock available for grants of incentive stock options is 2,800,000. The maximum number of shares subject to one or more options that may be granted during any calendar year to any one participant is 500,000.

Adjustment of Shares. The number of shares available under and subject to the 2007 EIP, the number of shares subject to each award outstanding under the 2007 EIP, the maximum number of shares that may be subject to incentive stock options, the maximum number of shares that may be subject to options granted to an individual in a calendar year, and the number of shares subject to a delegation of authority by the Committee, are subject to adjustment on account of stock splits, stock dividends, recapitalizations and other dilutive changes in our Common Stock. Any shares of our Common Stock related to awards that terminate by expiration, forfeiture, cancellation or otherwise and any shares withheld for the payment of taxes will be available again for grant under the 2007 EIP.

Stock Options. The Committee may grant either non-qualified stock options or incentive stock options; provided however that incentive stock options may be granted only to employees. The Committee determines the exercise price for each

Edgar Filing: SIMTEK CORP - Form DEF 14A

option, but no option may be granted at an exercise price that is less than the fair market value of the Common Stock on the date of grant. However, the exercise price of an incentive stock option that is granted to an employee who owns more than 10% of the combined voting power of the common stock must be at least 110% of the fair market value of the Common Stock on the date of grant of the incentive stock option.

Exercise of Options. An option holder may exercise an option by written notice and payment of the exercise price in cash, or by wire transfer or check order payable to our order, by delivering unrestricted shares of Common Stock having a fair market value on the date of payment equal to the amount of the exercise price (but only to the extent the delivery of shares would not result in an accounting compensation charge), or a combination of the foregoing. In addition, an option may be exercised by giving notice to us to withhold from the purchased shares a number of shares having a fair market value equal to the exercise price. Option holders may elect to satisfy the minimum required income tax withholding obligation through the withholding of a portion of the Common Stock to be received upon exercise of the option.

10

Exercisability of Options. The Committee determines the period and the conditions of exercisability, the minimum periods during which participants must be employed by, render services as a consultant to, or serve on the Board of, our company or must hold options before they may be exercised, the minimum periods during which shares acquired upon exercise must be held before sale, conditions under which the options or shares may be subject to forfeiture, the frequency of exercise or the minimum or maximum number of shares that may be acquired at any one time. The fair market value (determined at the time the incentive option is granted) of shares subject to an incentive option that become exercisable in a calendar year cannot exceed \$100,000.

Option Term. Options must expire no later than 10 years from the date of grant. However, an incentive stock option granted to an employee who owns more than 10% of the combined voting power of the common stock must expire no later than 5 years from the date of grant. If an option holder terminates service after becoming disabled during the term of the option while performing services for our company or while serving on the Board, the option holder or the option holder's representative may exercise the option, to the extent that it was vested on the date of termination of service on account of disability, within one year after the option holder's termination of service on account of disability so long as it is within the term of the option. If the option holder dies while performing services for our company or while serving on the Board, during the one-year period following termination of service on account of disability, or during the 3-month period following other terminations of service, the option holder's representative may exercise the option, to the extent that it was vested on the date of the option holder's death, within one year after the date of the option holder's death, so long as it is within the term of the option. If the option holder's services to our company or service as a member of the Board terminates for any reason other than death or disability, the option holder may exercise the option, to the extent that it was vested on the date of termination, for 3 months after the date of termination so long as it is within the term of the option.

Restricted Stock. The Committee may grant a participant a number of shares of restricted stock as determined by the Committee in its sole discretion. Grants of restricted stock may be subject to such restrictions, including for example, continuous employment with our company for a stated period of time or the attainment of performance goals and objectives, as determined by the Committee in its sole discretion. The restrictions may vary among awards and

Edgar Filing: SIMTEK CORP - Form DEF 14A

participants. If a participant dies or terminates service on account of disability or retires pursuant to our retirement policy, the restricted stock will become fully vested as to a pro rata portion of each award based on the ratio of the number of full months of employment completed at termination of employment from the date of the award to the total number of full months of employment required for each award to become fully vested. The remaining portion of the restricted stock will be forfeited. If a participant terminates service for any other reason, all unvested shares of restricted stock will be forfeited.

Other Awards. From time to time, in its sole discretion, the Committee may grant awards under the 2007 EIP in connection with one or more incentive compensation arrangements under which participants may acquire shares of Common Stock by purchase, grant, or otherwise. All such awards are subject to the terms of the 2007 EIP.

Nontransferability. Except as may otherwise be provided by the Committee at the time of grant, options and shares of restricted Common Stock are not transferable except by will or pursuant to the laws of descent and distribution or pursuant to a domestic relations order issued pursuant to state domestic relations law.

Amendment and Termination. The Board may alter, suspend or terminate the 2007 EIP at any time and may, from time to time, amend the 2007 EIP in any manner, but may not without shareholder approval adopt any amendment for which shareholder approval is necessary to satisfy any applicable statutory or regulatory requirements. In addition, the Board may not modify the 2007 EIP or any outstanding award in manner that would adversely affect the award without the consent of the award holder. Unless terminated sooner, the 2007 EIP will terminate on June 14, 2017.

Federal Income Tax Consequences. The following is intended as a brief summary of the material United States federal income tax consequences of the 2007 EIP. The tax consequences to a participant will generally depend upon the type of award issued to the participant. In general, if a participant recognizes ordinary income compensation in connection with the grant, vesting or exercise of an award, we will be entitled to a corresponding deduction equal to the amount of income recognized by the participant subject to the limits of Code section 162(m) (see the discussion below). This summary does not address the effects of other federal taxes or taxes imposed under state, local or foreign laws.

Non-Qualified Options. There are no income tax consequences to the participant or to us when a non-qualified option is granted or when it vests, subject to Code section 409A, discussed below. When a non-qualified stock option is exercised, in general, the participant recognizes compensation, subject to wage withholding in the case of an employee, equal to the excess of the fair market value of the Common Stock on the date of exercise over the exercise price. We are generally entitled to a deduction equal to the compensation recognized by the participant, assuming that the compensation satisfies the

11

ordinary and necessary and reasonable compensation requirements for deductibility and that the deduction is not limited by Code section 162(m) (discussed below).

Incentive Options. There are no income tax consequences to the participant or to us when an incentive option is granted. A participant will generally have no taxable income on the exercise of an incentive option, except that the alternative minimum tax may apply. Upon a disposition of shares

Edgar Filing: SIMTEK CORP - Form DEF 14A

acquired by exercise of an incentive option before the end of the applicable incentive option holding periods, the participant generally must recognize compensation equal to the lesser of (1) the fair market of the shares at the date of exercise minus the exercise price or (2) the amount realized on the disposition of the shares minus the exercise price. Any additional amount is treated as capital gain. We are generally entitled to a deduction equal to the compensation recognized by the participant, assuming that the compensation satisfies the ordinary and necessary and reasonable compensation requirements for deductibility and that the deduction is not limited by Code section 162(m) (discussed below). We are not entitled to a deduction for the amount treated as capital gain. If the participant holds the shares acquired by exercise of an incentive option for the applicable incentive option holding periods, the participant's disposition of shares acquired upon exercise of the incentive option will result in capital gain or loss and we would not be entitled to a deduction of such amount.

Restricted Stock. Generally, the participant will recognize compensation equal to the fair market value of the stock when the restrictions lapse or the stock is transferable, whichever occurs first. However, the participant may make an election under Code section 83(b) to recognize compensation at the time the restricted stock is granted in an amount equal to the fair market value of the stock on the date of grant. We are entitled to a deduction equal to the amount of compensation recognized by the participant, provided that the income is reasonable compensation and the deduction is not limited by Code section 162(m) (discussed below).

Other Stock Grants. If the stock is not subject to restrictions or is transferable, the participant will have compensation equal to the fair market value of the stock on the date of grant. We are entitled to a deduction equal to the amount of compensation, provided that the compensation is reasonable compensation and the deduction is not limited by Code section 162(m) (discussed below). If the stock is not transferable or if it is subject to restrictions, then the tax consequences are the same as described under "Restricted Stock" above.

Code section 409A. Section 409A provides that all amounts deferred under a nonqualified deferred compensation plan are currently includible in gross income to the extent they are not subject to a substantial risk of forfeiture and have not been taxed previously unless the plan satisfies both the plan document and operational requirements specified in Section 409A. If the deferred compensation plan fails to satisfy the requirements of Section 409A, all amounts deferred for the year of the failure and all preceding years (to the extent they are not subject to a substantial risk of forfeiture) are included in the gross income of the participant(s) affected by the failure. The amount included in gross income is also subject to an additional tax equal to 20% of that amount and to interest. Incentive options and restricted stock are not subject to Section 409A. We have structured the 2007 EIP and expect to administer the 2007 EIP with the intention that non-qualified options will qualify for an exemption from Section 409A. Certain other awards that may be issued under the 2007 EIP may constitute a "deferral of compensation" subject to the requirements of Section 409A.

Code section 162(m). Under Section 162(m) of the Code, we may be limited as to federal income tax deductions to the extent that total annual compensation in excess of \$1 million is paid to our chief executive officer or any one of the four highest paid executive officers who we employed on the last day of the taxable year. However, certain "performance-based compensation," the material terms of which are disclosed to and approved by our shareholders, is not subject to this limitation on deductibility. We have structured the 2007 EIP with the intention that compensation resulting from options granted under the plan would be deductible without regard to the limitations otherwise imposed by Section 162(m) of the Code. However, compensation resulting from restricted

Edgar Filing: SIMTEK CORP - Form DEF 14A

stock or other awards granted to officers subject to Section 162(m) will be treated as "performance based compensation" only if we meet a number of requirements. There are no assurances that each grant of restricted stock or other awards will satisfy all of these requirements and, as a result, some of the compensation resulting from grants of restricted stock or other awards may not be fully deductible.

New Plan Benefits. Because awards under the 2007 EIP will be discretionary, future awards are generally not determinable at this time.

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" PROPOSAL 3,
ADOPTION OF THE 2007 EQUITY INCENTIVE PLAN

12

PROPOSAL 4 - RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITOR

The Audit Committee of the Board has appointed Hein & Associates LLP ("Hein & Associates") to serve as our independent registered public accounting firm and to audit our consolidated financial statements for 2007. The Audit Committee has been advised by Hein & Associates that neither the firm, nor any member of the firm, has any financial interest, direct or indirect, in any capacity in us or our subsidiaries. As a matter of good corporate governance, the Audit Committee has determined to submit its selection of Hein & Associates to our shareholders for ratification.

Ratification of the appointment of the independent registered public accounting firm requires the affirmative vote of a majority of the shares of our common stock represented in person or by proxy and entitled to vote at the Annual Meeting. Accordingly under Delaware law, our Certificate of Incorporation and our Bylaws, abstentions have the same legal effect as a vote against this proposal, but a broker non-vote is not counted for purposes of determining the number of shares represented in person or by proxy and entitled to vote at the Annual Meeting.

If the selection of the independent registered public accounting firm is not ratified, the Audit Committee will reconsider its selection. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time if the Audit Committee believes that such a change would be in the best interest of our company and our shareholders.

We do not expect representatives of Hein & Associates to be present at the Annual Meeting.

Fees Billed by Hein & Associates

The following table shows the aggregate fees billed by Hein & Associates in each of the last two fiscal years for the services indicated:

The Audit Committee concluded that such services by Hein & Associates were compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

THE BOARD RECOMMENDS A VOTE FOR THE RATIFICATION

INFORMATION REGARDING THE BOARD AND ITS COMMITTEES

Meetings and Committees of the Board

Members of the Board keep informed about our business through discussions with our Chairman and our Chief Executive Officer and other officers and employees, by reviewing materials provided to them, by visiting our offices and by participating in meetings of the Board and its committees.

Our Board and its committees meet throughout the year on a set schedule, and also hold special meetings and act by written consent from time to time as appropriate. During the fiscal year ended December 31, 2006, the Board held ten meetings. During that same period, the Board acted by written consent four times. During 2006, each director attended at least 75% of the total number of meetings of the Board, and with respect to Mr. Hillyard, at least 75% of the total number of meetings of the Board held during the period for which he has been a director.

The Board has an Audit Committee, a Compensation Committee and a Governance Committee, each of which has authority to engage legal counsel or other experts or consultants as it deems appropriate to carry out its respective responsibilities. In 2006, each committee member attended 100% of the meetings of such committee held after becoming a member of that committee. The following information provides membership and meeting information for each of the Board committees.

Audit Committee. The Board has established an Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The Audit Committee consists of Dr. Keeley, who serves as the committee's chairperson, and Messrs. Hillyard and Stein. The Audit Committee assists the Board in its oversight of the integrity of our accounting, auditing, and reporting practices. The Board has determined that Dr. Keeley and Mr. Hillyard have the requisite education, background or experience to be considered an "audit committee financial expert" as that term is defined by applicable SEC rules. All members of the Audit Committee are "independent" under current NASDAQ Stock Market listing standards. The Audit Committee held one meeting during 2006.

Compensation Committee. The primary responsibilities of the Compensation Committee are to review and recommend to the Board the compensation of our Chief Executive Officer, determine the amounts and recipients of stock options and perform such other functions regarding compensation as the Board may delegate. The Compensation Committee consists of Messrs. Hillyard, Stein and Pearson. Each member of the Compensation Committee is independent according to standards for independence under current NASDAQ Stock Market listing standards. The Compensation Committee held four meetings during 2006. During that same period, the Compensation Committee acted by unanimous consent one time.

Governance Committee. The primary responsibilities of the Governance Committee are to assist us in complying with SEC and other government regulations. The Governance Committee does not have a written charter. The Governance Committee consists of Messrs. Stein, Blomquist, and Keeley. Messrs. Stein and Keeley are independent, and Mr. Blomquist is not independent, in each case according to standards for independence under current NASDAQ Stock Market listing standards.

The Governance Committee's responsibilities also include identifying

Edgar Filing: SIMTEK CORP - Form DEF 14A

qualified candidates for nomination to the Board, including those recommended by shareholders. The Governance Committee conducts informal self-evaluations of the composition and size of the Board on a periodic basis. As a need is observed, the Governance Committee will recommend to the Board that it consider new directors and seek input from the Board regarding desired skills in new candidates. The Governance Committee has, in the past, used formal and informal networking to identify and evaluate potential candidates. Similar to any nominee identified by the Governance Committee, any potential nominee submitted for consideration by a shareholder would first be vetted against a perceived need existing on the Board, and would then be evaluated against other candidates for the position based on the merits of his/her background in comparison to other candidates. We have not, in the past, used a third party to identify or evaluate potential nominees.

Shareholder Communications.

The Board has not established a formal process for shareholders to follow to send communications to the Board or its members. Our policy is to forward to the Board any shareholder correspondence we receive that is addressed to the Board. Shareholders who wish to communicate with the Board or any of our

16

directors may do so by sending their correspondence addressed to the Board at our headquarters at 4250 Buckingham Drive, Suite 100, Colorado Springs, CO 80907 or via an email weblink "information@simtek.com" on our website at www.simtek.com.

Statement on Corporate Governance.

We regularly monitor developments in the area of corporate governance by reviewing new federal laws affecting corporate governance, such as the Sarbanes-Oxley Act of 2002, as well as rules adopted by the SEC. In response to those developments, we review our processes and procedures and implement corporate governance practices which we believe are in the best interest of our company and shareholders.

The Board has approved a Code of Business Conduct and Ethics (collectively, the "Code of Conduct"), posted on our website at www.simtek.com. The Code of Conduct applies to our chief executive officer, chief financial officer and all of our other employees and directors. Our chief executive officer, chief financial officer, employees and directors are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Conduct.

Director's Attendance at Annual Shareholder Meetings.

We believe that there are benefits to having members of the Board attend our annual meetings of shareholders. In 2006, all of the then-current directors attended our annual meeting in person. From time to time, however, a member of the Board might have a compelling and legitimate reason for not attending an annual meeting. As a result, the Board has decided that director attendance at our annual meetings should be strongly encouraged, but is not required.

Compensation Committee Interlocks and Insider Participation

During 2006, the Compensation Committee consisted of Messrs. Sartore, Pearson, and Blomquist. In October 2006, Messrs. Sartore and Blomquist resigned from the Compensation Committee and Messrs. Hillyard and Stein were both nominated to join Mr. Pearson on the Compensation Committee. Mr. Hillyard was appointed Chairman of the Compensation Committee. Mr. Blomquist is our Chief

Edgar Filing: SIMTEK CORP - Form DEF 14A

Executive Officer and President, a position he has held throughout all of 2006. Mr. Sartore served as a consultant to Simtek from May 23, 2006 until November 3, 2006. He became an employee and executive officer of Simtek on November 13, 2006.

On May 26, 2006, we issued to certain affiliates managed by RENN Capital Group, for which Mr. Pearson serves as Senior Vice President, warrants to purchase 25,000 shares of our common stock at \$3.30 per share with an exercise period of 5 years. We issued 5,000 of these warrants in consideration for a waiver letter from the RENN Capital Group affiliates and the remaining 20,000 warrants were issued in consideration for the affiliates managed by RENN Capital Group entering into a subordination agreement with Wells Fargo on our behalf.

On September 21, 2006, we completed a private placement whereby the participants were issued common stock at a per share price of \$3.95 and warrants to purchase our common stock at a per share exercise price of \$5.40 and a five year term. The affiliates managed by the RENN Capital Group invested a combined total of \$2,000,000 and received a combined total of 506,332 shares of our common stock and 75,952 warrants. Mr. Stein invested \$200,000 and received 50,633 shares of our common stock and 7,595 warrants.

Review and Approval of Transactions with Related Persons

We have not adopted a written Related-Person Transactions Policy that sets forth our policies and procedures regarding the identification, review, consideration and approval or ratification of "related-persons transactions." The Audit Committee approves any transaction between our company and a related person. A related person is any executive officer, director, or more than 5% shareholder of our stock, including any of their immediate family members, and any entity owned or controlled by such persons. Please review the related person transactions described in this proxy statement under the heading "Certain Relationships and Related Transactions."

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy and Objectives

Our executive compensation programs are designed to attract, motivate and retain executives critical to our long-term success and the creation of shareholder value. Our fundamental compensation philosophy is to closely link executive officers' total compensation with the achievement of annual and long-term performance goals and that performance should have a significant impact on compensation. Management and the Compensation Committee believe that compensation decisions are complex and best made after a careful review of individual and company performance, semiconductor industry, and general industry compensation levels. The Committee awards compensation to our executive officers that is based upon overall business and individual performance and that is designed to motivate them to achieve strategic objectives and to continue to perform at the highest levels in the future.

Based on the objectives described above, we strive to set a total compensation opportunity within a reasonable range of total direct compensation paid to similarly situated executives at comparable companies, against whom we may compete in the semiconductor industry marketplace and in the broader market for executive, key employee, and outside director talent. Actual compensation may be above or below the mid-range of industry norms based on the actual performance of our company and the individual, with the opportunity to achieve superior compensation based on superior performance. This approach is intended to ensure that a significant portion of executive compensation is based on our financial and strategic performance.

Roles and Responsibilities

Each of the Compensation Committee and management is involved in the development, review and evaluation, and approval of our executive compensation programs. In general, the roles are discussed below; additional details regarding the roles of each are addressed in the discussion of the "Annual Review of Executive Compensation."

Management. Our management sets our strategic direction and tactical objectives and strives to design and develop compensation programs that motivate executives' behaviors consistent with these tactical and strategic objectives. In collaboration with the Compensation Committee, management coordinates the annual review of the compensation program for the executive officers. This includes an evaluation of individual and overall company performance, competitive practices and trends, and various compensation issues. Based on the outcome of this review, management makes recommendations to the Compensation Committee regarding the compensation of each of the executive officers, other than the Chief Executive Officer.

Compensation Committee. The Compensation Committee of the Board has overall responsibility for the approval of programs that are reasonable, consistent with

Edgar Filing: SIMTEK CORP - Form DEF 14A

our compensation philosophy, and support our business goals and objectives. The Board established the Compensation Committee in 2004. The current members of the Committee were appointed in October 2006. The Committee consists of three directors, all of whom are deemed independent within the meaning of the current rules of the NASDAQ: Messrs. John Hillyard (Chairman), Alfred Stein and Robert Pearson.

18

The Committee has authority and responsibility for the review, evaluation and approval of the compensation structure and level for all of our executive officers. This includes the articulation of our compensation philosophy, and policies and plans covering our executive officers. The Committee also conducts an annual review and approval of the Chief Executive Officer's annual compensation, including an evaluation of his performance to corporate goals and objectives relevant to his compensation.

The Committee operates pursuant to a charter, which is available on the Company's website at www.simtek.com. Under its charter, the stated purposes of the Compensation Committee are: (1) to assist the Board in discharging its responsibilities relating to compensation of the Corporation's executives, (2) to administer the Corporation's equity incentive plans and (3) to produce a report on executive compensation for inclusion in the Corporation's proxy statement in accordance with applicable rules and regulations.

The Compensation Committee typically meets several times each year as needed to address various compensation issues. Compensation Committee meetings may include an executive session without members of management present. The Compensation Committee met more than four times during 2006 as it was developing the incentive compensation plan currently in use, and also met several times in executive session. The Compensation Committee regularly reports to the full Board regarding executive compensation matters.

Annual Review of Executive Compensation

Our management and the Compensation Committee strive to maintain an executive compensation program that is structured to provide executive officers with a total compensation package that, at expected levels of performance, is competitive with those provided to other executives holding comparable positions or having similar qualifications in other similarly situated organizations in the semiconductor industry and the general market. This is achieved by the preparation of an annual review of the compensation of each of the Company's executive officers.

In making its decisions on each executive officer's compensation, the Compensation Committee considers the nature and scope of all elements of the executive's total compensation package, the executive's responsibilities, and his or her effectiveness in supporting our key strategic, operational and financial goals. The Compensation Committee also considers recommendations from the Chief Executive Officer regarding total compensation for those executive officers reporting directly to him.

The Compensation Committee believes that input from management provides useful information and points of view to assist the Compensation Committee to determine its own views on compensation. Although the Compensation Committee receives information and recommendations regarding the design and level of compensation of our executive officers from management, the Compensation Committee makes the final decisions as to the plan design and compensation levels for these executives.

Edgar Filing: SIMTEK CORP - Form DEF 14A

Compensation Peer Group

In determining the appropriate amount for each element of the total direct compensation (base salary, annual incentives, and long-term incentives), the Compensation Committee considers the compensation paid for similar positions at other corporations within a reasonable peer group of companies prior to determining the executive officers' base salary and total cash compensation potential. The peer group is comprised of companies against which we compete in the global semiconductor industry for executive, key employee, and outside director talent. Peer companies fall within a range (both above and below us) of comparison factors such as revenue, market capitalization, net income, and relevant similarities to our fabless business model. Our peer group is comprised of (but not limited to) the following companies:

Ramtron	Quicklogic
Microsemi	Cypress
Virage Logic	Sipex
Catalyst Semiconductor	AMCC
ZMD	Tower Semiconductor

This competitive market data provides a frame of reference for the Compensation Committee when evaluating executive compensation.

19

Mix of Compensation

Our executive compensation program is composed of three key elements - base salary, an annual cash incentive bonus, and equity-based compensation - which represent an executive officer's total direct compensation (excluding benefits and perquisites). The Compensation Committee strives to align the relative proportion of each element of total direct compensation with the competitive market and our objectives, as well as preserve the flexibility to respond to the continually changing global environment in which we operate. The Compensation Committee's goal is to strike the appropriate balance between annual and long-term incentives, and it may adjust the allocation of pay to best support our objectives. For 2006, the mix of these three elements for each of the named executive officers is illustrated in the following chart:

Percent of Total Direct Compensation

Officer	Base Salary	Annual Cash Incentive Compensation	Equity Incentive Awards(1)
-----	-----	-----	-----
Harold A. Blomquist	53%	16%	31%
Ronald Sartore	7%	0%	93%(2)
Brian P. Alleman	45%	10%	45%

(1) Based on the FAS 123(R) grant date fair value of restricted stock and stock options granted in 2006.

(2) Includes the value of options granted to Mr. Sartore in his capacity as a director.

The mixture of pay elements noted above represents the belief that executive officers should have elements of their compensation tied to both short and long term objectives. This pay mixture is the result of our historical pay practices,

Edgar Filing: SIMTEK CORP - Form DEF 14A

management recommendations, and Compensation Committee determinations.

Elements of Executive Compensation

The key elements of direct compensation for the executive officers are base salary, an annual cash incentive bonus, and equity-based compensation, typically delivered through stock options. Executive officers also are eligible for other elements of indirect compensation, comprised of health and welfare benefits, retirement and savings plans, and certain perquisites. The Compensation Committee considers each of these elements when evaluating the overall compensation program design.

Annual Base Salary. Management, with the assistance of the Compensation Committee, establishes base salaries that are intended to be sufficient to attract and retain individuals with the qualities they believe are necessary for our long-term financial success and that are competitive in the marketplace.

An executive officer's base salary generally reflects the officer's responsibilities, tenure, job performance, special circumstances such as relocation, and direct competition for the executive's services. The Compensation Committee reviews the base salaries of each executive officer, including the Chief Executive Officer, on an annual basis. In addition to these annual reviews, the Committee may at any time review the salary of an executive who has received a significant promotion, whose responsibilities have been increased significantly, or who is the object of competitive pressure. Any adjustments are based on the results of a review of relevant market salary data, increases in the cost of living, job performance of the executive officer over time, and the expansion of duties and responsibilities, if any. No pre-determined weight or emphasis is placed on any one of these factors.

In general, the Committee targets the base salary levels of the Chief Executive Officer and other executive officers within the mid-range of base salaries for comparable executive positions at key competitors. Adjustment of an individual executive officer's actual base salary above the mid-range of this reference group would generally be based upon:

- o Achieving or exceeding key business objectives;
- o Highly developed individual skills critical to the Company;
- o Demonstrating an ability to positively impact shareholder value;
- o Consistently superior levels of performance; and
- o Experience and level of responsibility.

20

During 2006, the Committee approved no increases to the base salaries of the named executive officers.

Annual Cash Incentive Awards. Annual cash incentive compensation enables executive officers and other key employees of the Company to earn annual cash bonuses for meeting or exceeding our financial goals as well as for individual performance.

The potential payments available under the annual cash incentive program for the executive officers depend on the attainment of performance goals recommended by management and approved by the Compensation Committee early in

Edgar Filing: SIMTEK CORP - Form DEF 14A

each calendar year. In addition to these awards, the Compensation Committee may approve additional bonuses following a subjective evaluation of an executive officer's performance and success in areas deemed to be significant to us.

For executive officers, our annual cash incentive compensation program provides for target earning generally in the range of 50% to 100% of base salary. Individual awards reflect both group performance and individual contributions to our success.

The following table summarizes, for 2006, the bonus targets, performance components, and corresponding weightings for each of our named executive officers. Weighting factors represent the percentage of each executive's target cash incentive that is attached to performance of the specific metric. For example, Mr. Alleman has 50% of his target earnings potential that is attached to performance to our ex-item net income goal from our annual operating plan. Mr. Sartore was not eligible for the incentive compensation program during 2006.

Name	Annual Operating Plan Revenue	Annual Operating Plan Ex-Item Income	New Product Research and Development	Cash Ba
Harold Blomquist	25%	50%	25%	
Brian Alleman		50%		25%

We selected these performance measures for use in the annual cash incentive because of their importance to the value of our operations. In particular, the Compensation Committee believes that Ex-item Net Income is an appropriate measure for the primary financial goal to align the interests of management with the interests of our stockholders. Because Ex-item Net Income excludes non-cash charges for stock options and amortization of the non-compete agreement with ZMD and other expenses related to the joint development agreement with Cypress Semiconductor or other strategic initiatives, Ex-item Net Income provides an indicator of general economic performance that is not affected by significant non-cash or restricted-cash expenses. Accordingly, our management believes this type of measurement is useful for comparing general operating performance of our baseline nvSRAM business from period to period.

In 2006, the Compensation Committee established threshold, target, and accelerated performance goals for the performance measures to be achieved during 2006. For the purposes of Ex-item Net Income, the target was established as \$841 thousand with a minimum threshold set at break-even and an accelerated payout (1.2x multiplier) possible for Ex-item Net Income between \$841 thousand and \$1.0 million with a maximum acceleration factor at Ex-item Net Income greater than \$1.0 million (1.5x multiplier).

During 2006, achievement against our Ex-item Net Income was approximately 114% of target. Performance to our revenue goal was \$30.6 million on a plan of \$28.4 million, or 108% of plan. Cash at year end was 119% of plan. The strategic initiatives were based on successfully integrating the acquisition of the nvSRAM assets from ZMD which was deemed to have been completed in a superior manner to our benefit. This resulted in cash bonuses for the named executive officers in the range of 67% to 81% of base salary.

For additional information regarding the metrics applicable to our Chief Executive Officer, see "Compensation of the Chief Executive Officer" below.

The 2006 bonuses for the Chief Executive Officer and other named executive

Edgar Filing: SIMTEK CORP - Form DEF 14A

officers are disclosed in the "Bonus" column of the Summary Compensation Table.

Long-Term (Equity) Compensation. We provide executives with long-term compensation through the 1994 Simtek Corporation Stock Option Plan (the "SOP").

21

The SOP has been in effect continually from 1994 through 2006 and has been amended from time to time to allow for the replenishment of the stock option pool in order to provide long-term equity compensation to executive officers. The general objective of the SOP is to encourage employees and directors to acquire or increase their equity interest in our company and to provide a means whereby they may develop a sense of proprietorship and personal involvement in our development and financial success. The SOP also encourages this group to remain with and devote their best efforts to our business, thereby advancing our interests and the interests of our stockholders. The SOP also enhances our ability to attract and retain the services of individuals who are essential for our growth and profitability.

The SOP permits granting stock options which are granted according to a plan developed by management and the Committee and approved by the Committee during the first six months of each year. Pursuant to this schedule, grants of equity-based awards are typically made during the second quarter. Management and the Compensation Committee reserve the right to make other grants as determined to be appropriate after careful review of such things as significant achievements, the risk of losing key executives, and periodic changes in the external environment around our company.

All options granted prior to March 24, 2006 began vesting six months after the date of grant, become fully vested after three years and expire seven years from date of grant. On March 24, 2006, the Board of Directors changed the vesting schedule of stock options granted after March 24, 2006 to be as follows:

- o If an officer or employee has been employed for 12 months or more, stock options will vest over 48 months at 1/48th per month, and vesting will begin immediately at 1/48th per month for the four year period.
- o If an officer or employee has been employed for less than 12 months, no vesting will occur until the officer or employee has been employed for 12 months at which time the officer or employee will be caught up at 1/48th per month for each month since the option grant date and then the options will continue to vest at 1/48th per month for the remaining portion of the four year period.
- o If an officer or employee is a new hire, no vesting will occur until the officer or employee has been employed for 12 months at which time the officer or employee will receive 12/48th of the vesting after which the options will continue to vest at 1/48th per month for the remaining portion of the four year period.
- o All options granted to outside directors of the Company will be 100% vested after six months from the grant date.

All options will expire seven years from date of grant.

During 2006, the Compensation Committee approved the following equity awards to the CEO and other named executive officers:

Edgar Filing: SIMTEK CORP - Form DEF 14A

Officer -----	Stock Options(1) -----
Harold A. Blomquist	58,300
Ronald Sartore	118,500(1)
Brian P. Alleman	81,700

(1) Includes 18,500 options granted to Mr. Sartore in his capacity as a director.

The named executive officers were granted a total of 258,500 stock options. Additional details regarding the terms of these grants are provided in the tables below.

Health and Welfare Benefits. We provide our executive officers with benefits that are intended to be a part of a competitive total compensation package that provides health and welfare programs comparable to those provided to employees and executives at other companies in the semiconductors industry. Executive officers participate in our health and welfare programs on the same relative basis as our other employees.

We sponsor the Simtek Corporation 401K Plan, a tax-qualified defined contribution retirement plan. This contribution plan is a tax-qualified broad-based employee savings plan in which employee contributions are calculated on gross payroll and employees are permitted to contribute up to dollar limits and percentages established annually by the Internal Revenue Service. In 2006, we did not provide any matching contributions.

22

Employment Agreements. We currently have employment agreements with two of our named executive officers. Generally, we do not maintain employment agreements with executive officers. The primary purpose of these employment agreements is to provide certain executive officers with a personal assurance of their treatment following a change in control of our company or under terms of termination of their employment.

The employment agreement with Mr. Blomquist provides for a base salary of \$325,000 per year and he will be eligible to receive a yearly cash bonus, based on performance, of up to 100% of his salary. In addition, Mr. Blomquist may receive a yearly bonus of options to purchase between 10,000 and 40,000 shares of our Common Stock; the exact amount will be based on performance. Upon beginning employment, Mr. Blomquist received options to purchase 250,000 shares of our Common Stock and a \$50,000 bonus. Within four months of beginning employment, Mr. Blomquist was required to purchase 20,000 shares of common stock from us. For each share of Common Stock Mr. Blomquist purchased from us within six months of beginning employment, including the 20,000 shares he was required to purchase, we granted him an additional share, up to a maximum of 50,000 matching shares. Upon termination, Mr. Blomquist will be restricted from competing against us for a period of 18 months. If Mr. Blomquist is terminated by us without cause, all of Mr. Blomquist's unvested stock options will immediately vest and he will continue to receive his base salary, benefits, and cash and stock bonuses for 18 months. If Mr. Blomquist terminates employment due to good cause or as a result of constructive termination relating to a change of control of the Company, all of Mr. Blomquist's unvested stock options will immediately vest and he will continue to receive his base salary, benefits and cash and stock bonuses for 18 months.

On November 3, 2006, we entered into a letter agreement with Mr. Sartore

Edgar Filing: SIMTEK CORP - Form DEF 14A

whereby Mr. Sartore is employed as our Executive Vice-President focusing on new product development. Mr. Sartore's base annual salary is \$225,000 and he is eligible to receive a bonus, based on performance, in accordance with our Executive Incentive Compensation Plan. We also issued to Mr. Sartore an option to purchase 100,000 shares of our Common Stock, which vests monthly over a four year period. In exchange for transferring ownership to us of certain inventions he initiated prior to becoming an employee, Mr. Sartore will receive 1,500 shares of our Common Stock upon the filing of a patent application for each such invention and 2,500 shares upon a patent being issued for each such invention.

The employment agreement with Mr. Alleman provides for a base annual salary of \$225,000 and he will be eligible to receive a bonus, based on 100% performance to agreed upon company and individual goals, of 50% of his base salary. Mr. Alleman received options to purchase 75,000 shares of our common stock upon commencement of his employment. In addition, Mr. Alleman will be eligible to participate in our standard benefits plans. Mr. Alleman will remain a partner of, and retain an interest in, Tatum LLC ("Tatum"), the executive services firm through which his services were initially engaged by us, and Tatum also will be paid a fee based on Mr. Alleman's compensation, with the first year's fee to be no more than 20% of the amount paid to, or realized by, Mr. Alleman. This fee percent will decrease in subsequent years. If we terminate Mr. Alleman's employment without good cause, or if Mr. Alleman terminates his employment for good cause, Mr. Alleman will be provided with separation pay equal to three months, from date of notice, of full base salary and three additional months at 50% of full base salary. If Mr. Alleman terminates his employment without good cause or we terminate Mr. Alleman for good cause, all separation pay will be forfeited.

Compensation of the Chief Executive Officer

In connection with the review of the then Chief Executive Officer's performance in April 2005, the Compensation Committee performed a competitive analysis of the total direct compensation program for the replacement for Simtek's then Chief Executive Officer. The Compensation Committee used the information in this study as it negotiated the terms of compensation of Mr. Blomquist's total direct compensation. Mr. Blomquist's total direct compensation was deemed to be reasonable when compared to the corresponding opportunities extended to chief executive officers within other semiconductor companies as well as the specific circumstances of our company at the time.

For 2006, Mr. Blomquist's base salary was \$325,000. His award under the annual incentive compensation program related to 2005 was \$100,238, which was paid in 2006. His award under the annual incentive compensation program related to 2006 was \$261,383, which was paid in February 2007. For 2006, Mr. Blomquist's bonus eligibility was targeted at 50% of his base salary up to a maximum of 100% of his base salary. For 2006, Mr. Blomquist's bonus metrics and weightings were Company ex-item net income (50%), Company net revenue (25%), new product research and development (25%), and an amount at the discretion of the Committee related to strategic initiatives (50%). In addition, we granted Mr. Blomquist 58,300 stock options.

The Compensation Committee considers the potential impact of IRC Section 162(m) on compensation decisions. Section 162(m) disallows a tax deduction by us

for individual executive compensation exceeding \$1 million in any taxable year for our Chief Executive Officer and the other four highest compensated senior executive officers, other than compensation that is performance-based under a plan that is approved by our stockholders and that meets certain other technical requirements. The Committee's approach with respect to qualifying compensation paid to executive officers for tax deductibility purposes is that executive compensation plans will generally be designed considering a number of factors, including tax deductibility. However, non-deductible compensation may still be paid to executive officers when necessary for competitive reasons, to attract or retain a key executive, to enable us to retain flexibility in maximizing our pay for performance philosophy, or where achieving maximum tax deductibility would not be in our best interest.

Post-Employment Compensation

The employment agreement with Mr. Blomquist provides for immediate vesting of 100% of Mr. Blomquist's currently held and non-vested stock options in the event of a change in control of our company or termination without cause. See Potential payments upon termination or change of control for further information.

- (1) This column shows the number of shares of common stock granted to the named executive officers in 2006. Shares issued to Mr. Blomquist and Mr. Sartore were as granted as compensation for their service as directors prior to becoming executive officers. Mr. Blomquist's shares covered compensation for the period January 1, 2005 through March 31, 2005 and Mr. Sartore's shares covered compensation for the period January 1, 2005 through March 31, 2006.
- (2) This column show the number of stock options granted to the named executive officers in 2006. These options vest and become exercisable based on the vesting terms of the SOP. 18,500 of the options granted to Mr. Sartore were granted to him as a director with respect to periods prior to becoming an executive officer.
- (3) The exercise price of each option granted was equivalent to the closing price of a share of our common stock on the grant date. Generally, the full grant date fair value is the amount that we would expense in our financial statements over the award's vesting schedule and has been calculated using the Black-Scholes valuation mode. The valuations were based upon the following assumptions estimated holding period of 4.87 years, expected volatility of 79.81% and a risk free interest rate of 5.11%. It should be noted that this model is only one of the methods available for valuing options. These amounts reflect our accounting expense and do not correspond to the actual value that may or will be recognized by the named executive officers.

- (1) This column represents the dollar amount recognized for financial statement reporting purposes with respect to the 2006 fiscal year for the fair value of shares of restricted stock granted to each independent director in lieu of payment for their annual stipend from January 1, 2005 through March 31, 2006. For purposes of the restricted stock awards, fair value is calculated using the closing price of our stock on the date of grant. For additional information, refer to note 6 of our financial statements in the Form 10-K for the year ended December 31, 2006, as filed with the SEC. These amounts reflect our accounting expense for these awards, and do not correspond to the actual value that may or will be recognized by the directors.
- (2) This column represents the dollar amount recognized for financial statement reporting purposes with respect to the 2006 fiscal year for the fair value of stock options granted to each independent director. For purposes of the stock options, the fair value was estimated using the Black-Scholes valuation model in accordance with SFAS 123R.

The Board believes that compensation for independent directors should be competitive and should fairly compensate directors for the time and skills devoted to serving us but should not be so great as to compromise independence. With the assistance of outside compensation consultants and information, the Compensation Committee periodically reviews our director compensation practices and compares them against the practices of public company boards generally.

Beginning March 2004, each director who was not an employee received \$1,500 for each meeting of the Board, attended in person and 50% of the in person fee for telephonic participation and \$500 for each meeting of a committee of the Board. Beginning January 1, 2005, each director of the Board also received a \$10,000 annual stipend, which is paid quarterly.

Through March 31, 2006, the stipend was paid in equivalent shares of common stock. Upon initial appointment or election to the Board, each newly appointed or elected member receives options to purchase 15,000 shares of our Common Stock. Beginning in September 2006, each committee chair received options to purchase 15,000 shares of our Common Stock. Each member of the Board receives, within the first month of each calendar year while serving as a member of the Board, a grant of options to purchase 3,750 shares of our Common Stock. Along with the above compensation, the Chairman of the Board receives \$4,000 per calendar quarter, as long as the Chairman is not an employee. Directors are also reimbursed for their reasonable out-of-pocket expenses incurred in connection with their duties to us.

The Board believes that our total director compensation package is competitive with the compensation offered by other companies and is fair and appropriate in light of the responsibilities and obligations of our independent directors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On May 26, 2006, we issued to certain affiliates managed by RENN Capital Group, for which Mr. Pearson serves as Senior Vice President, warrants to purchase 25,000 shares of our common stock at \$3.30 per share with an exercise period of 5 years. We issued 5,000 of these warrants in consideration for a waiver letter from the RENN Capital Group affiliates and the remaining 20,000 warrants were issued in consideration for the affiliates managed by RENN Capital Group entering into a subordination agreement with Wells Fargo on our behalf.

Edgar Filing: SIMTEK CORP - Form DEF 14A

On September 21, 2006, we completed a private placement whereby the participants were issued common stock at a per share price of \$3.95 and warrants to purchase our common stock at a per share exercise price of \$5.40 and a five year term. The affiliates managed by the RENN Capital Group invested a combined total of \$2,000,000 and received a combined total of 506,332 shares of our common stock and 75,952 warrants. One of our directors, Mr. Stein, invested \$200,000 and received 50,633 shares of our common stock and 7,595 warrants (which securities are held by his family trust and family partnership), and two members of his family invested an aggregate of \$150,000 and received 37,976 shares of our common stock and 5,696 warrants. Our chief financial officer, Brian Alleman, invested \$125,000 and received 31,646 shares of our common stock and 4,747 warrants.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD

The Audit Committee of the Board (the "Committee") assists the Board in fulfilling its oversight responsibilities with respect to the external reporting process and the adequacy of Simtek's internal controls. Specific responsibilities of the Committee are set forth in the Audit Committee Charter, a copy of which can be found on the Company's website at www.simtek.com. The members of the Committee are Messrs. Keeley, Hillyard and Stein, each of whom meets the independence requirements of Rule 10A-3 of the Exchange Act and applicable NASDAQ independence rules.

The Committee has reviewed and discussed Simtek's audited financial statements for the year ended December 31, 2006 with Simtek's management. Section 16(a) of the Exchange Act requires our directors and executive officers, among others, to file with the SEC and the NASDAQ an initial report of ownership of our common stock on Form 3 and reports of changes in ownership on Form 4 or Form 5. Under SEC rules, certain forms of indirect ownership and ownership of our common stock by certain family members are covered by these reporting requirements. As a matter of practice, our administrative staff assists our directors and executive officers in preparing initial ownership reports and reporting ownership changes and typically files these reports on their behalf.

Based on a review of the copies of forms filed in 2006, we believe that

Edgar Filing: SIMTEK CORP - Form DEF 14A

during 2006, all of our executive officers and directors filed the required reports on a timely basis under Section 16(a), except that Mr. Blomquist was late with one Form 4 filing with respect to one transaction.

APPENDIX A

SIMTEK CORPORATION
EMPLOYEE STOCK PURCHASE PLAN
ADOPTED MARCH 16, 2007
EFFECTIVE JULY 1, 2007

1. PURPOSE.

(a) The purpose of the Employee Stock Purchase Plan (the "Plan") is to provide a means by which employees of Simtek Corporation, a Delaware corporation (the "Company"), and its Affiliates, as defined in subparagraph 1(b), which are designated as provided in subparagraph 2(b), may be given an opportunity to purchase common stock of the Company.

(b) The word "Affiliate" as used in the Plan means any parent corporation or subsidiary corporation of the Company, as those terms are defined in Sections 424(e) and (f), respectively, of the Internal Revenue Code of 1986, as amended (the "Code").

(c) The Company, by means of the Plan, seeks to retain the services of its

Edgar Filing: SIMTEK CORP - Form DEF 14A

employees, to secure and retain the services of new employees, and to provide incentives for such persons to exert maximum efforts for the success of the Company.

(d) The Company intends that the rights to purchase stock of the Company granted under the Plan be considered options issued under an "employee stock purchase plan" as that term is defined in Section 423(b) of the Code. The Plan shall be interpreted and administered to effect that intent.

2. ADMINISTRATION.

(a) The Plan shall be administered by the Board of Directors (the "Board") of the Company unless and until the Board delegates administration to a Committee, as provided in subparagraph 2(c). Whether or not the Board has delegated administration, the Board shall have the final power to determine all questions of policy and expediency that may arise in the administration of the Plan.

(b) The Board shall have the power, subject to, and within the limitations of, the express provisions of the Plan:

(i) To determine when and how rights to purchase stock of the Company shall be granted and the provisions of each offering of such rights (which need not be identical).

(ii) To designate from time to time which Affiliates of the Company shall be eligible to participate in the Plan. An Affiliate that has been designated by the Company as eligible to participate in the Plan shall be referred to as a "Participating Affiliate."

(iii) To construe and interpret the Plan and rights granted under it, and to establish, amend and revoke rules and regulations for its administration. The Board, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan, in a manner and to the extent it shall deem necessary or expedient to make the Plan fully effective.

(iv) To amend the Plan as provided in paragraph 15.

(v) Generally, to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company and its Affiliates and to carry out the intent and purpose of the Plan.

(c) The Board may delegate administration of the Plan to a Committee composed of not fewer than two (2) members of the Board (the "Committee"). If

A-1

administration is delegated to a Committee, the Committee shall have, in connection with the administration of the Plan, the powers theretofore possessed by the Board, subject, however, to such conditions and limitations, not inconsistent with the provisions of the Plan, as may be established from time to time by the Board by resolutions duly adopted. The Board may abolish the Committee at any time and revest in the Board the administration of the Plan.

3. SHARES SUBJECT TO THE PLAN.

(a) Subject to the provisions of paragraph 14 relating to adjustments upon

Edgar Filing: SIMTEK CORP - Form DEF 14A

changes in stock, the stock that may be sold pursuant to rights granted under the Plan shall not exceed in the aggregate five hundred thousand (500,000) shares of the Company's common stock (the "Common Stock"). If any right granted under the Plan shall for any reason terminate without having been exercised, the Common Stock not purchased under such right shall again become available for the Plan.

(b) The stock subject to the Plan shall in all events be unissued shares of the Company.

4. OFFERS.

(a) The Board or the Committee shall make an offer or offers (an "Offer" or "Offers") to Eligible Employees (as defined in paragraph 5 below) to purchase Common Stock. Each Offer shall commence on the first day of each calendar quarter during the term of the Plan and shall end on the last day of such calendar quarter. The first Offer shall commence on July 1, 2007 and end on September 30, 2007. Each subsequent Offer shall commence on the first day of each calendar quarter thereafter. The Board or the Committee may, at any time, determine that an Offer may be longer than one calendar quarter (but not longer than twenty-seven (27) months beginning with the Offering Date) and shall determine the date or dates upon which one or more subsequent Offers, if any, may be made under the Plan. The first day of an Offer is that Offer's "Offering Date."

(b) Prior to the commencement and first day of an Offer, the Board or the Committee, if any, may change any or all terms of the Offer and any subsequent Offers. The grant of rights pursuant to each Offer hereunder shall occur on each respective Offering Date unless, prior to such date (a) the Board or the Committee determines that such Offer shall not occur, or (b) no shares of Common Stock remain available for issuance under the Plan in connection with the Offer.

5. ELIGIBILITY.

(a) All Employees of the Company and each Participating Affiliate shall be eligible to be granted rights under the Plan on the first Offering Date after such Employee has commenced employment with the Company or the Participating Affiliate.

(b) No Employee of the Company or a Participating Affiliate shall be eligible to be granted rights under the Plan, unless, on the Offering Date, such Employee's customary employment with the Company or such Participating Affiliate is for at least twenty (20) hours per week and at least five (5) months per calendar year.

(c) No Employee shall be eligible for the grant of any rights under the Plan if, immediately after such rights are granted, such Employee owns stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or of any Affiliate. For purposes of this subparagraph 5(c), the rules of Section 424(d) of the Code shall apply in determining stock ownership of any Employee, and stock that such Employee may purchase under all outstanding rights and stock options shall be treated as stock owned by such Employee.

(d) An Eligible Employee may be granted rights under the Plan only if such rights, together with any other rights granted under "employee stock purchase plans" of the Company and any Affiliates, as specified in Section 423(b)(8) of the Code, do not permit such Employee's rights to purchase stock of the Company or any Affiliate to accrue at a rate that exceeds twenty-five dollars (\$25,000) of the fair market value of such stock (determined at the time such rights are granted) for each calendar year in which such rights are outstanding at any time.

A-2

(e) Officers of the Company and any Participating Affiliate shall be eligible to participate in Offerings under the Plan, provided, however, that the Board or the Committee may provide in an Offering that certain Employees who are highly compensated employees within the meaning of Section 423(b)(4)(D) of the Code shall not be eligible to participate.

(f) An "Employee" is any individual who performs services for the Company or a Participating Affiliate as a common-law employee.

(g) Each Employee who satisfies the conditions of this paragraph 5 shall be referred to as an "Eligible Employee."

6. GRANT OF RIGHTS; PURCHASE PRICE; PURCHASE DATE.

(a) On each Offering Date, each Eligible Employee, pursuant to an Offer made under the Plan, shall be granted the right to purchase up to the number of shares of Common Stock of the Company purchasable with up to ten percent (10%) of such employee's Earnings (as defined in subparagraph 7(b)) during the period which begins on the Offering Date and ends on the last day of the Offer, which is the last day of the calendar quarter. Provided, however, that the maximum number of shares that may be purchased pursuant to the Offer shall not be greater than the lesser of 4,000 shares or the number of shares permitted under Section 423(b)(8) of the Code.

(b) In connection with each Offer made under the Plan, the Board or the Committee may specify a maximum number of shares that may be purchased by any Employee as well as a maximum aggregate number of shares that may be purchased by all Eligible Employees pursuant to such Offer. If the aggregate purchase of shares upon exercise of rights granted under the Offer would exceed any such maximum aggregate number, the Board or the Committee shall make a pro rata allocation of the shares available in as nearly a uniform manner as shall be practicable and as it shall deem to be equitable.

(c) The purchase price of Common Stock acquired pursuant to rights granted under the Plan shall be not less than an amount equal to eighty-five percent (85%) of the lesser of (1) the "fair market value" of the stock on the Offering Date or, if the exchange on which the Common Stock is traded or the NASDAQ is not open for trading on the Offering Date, the first trading date thereafter, or (2) the "fair market value" of the stock on the last trading day of the calendar quarter.

(d) "Fair market value" means the closing price of the Common Stock as reported by the principal securities exchange on which the Stock is listed or admitted to trading or by the NASD through the NASD Automated Quotation System ("NASDAQ") or such successor quotation system, or, if the Stock is not listed or admitted to trading on any national securities exchange or on NASDAQ, the average closing bid price if available. If the Stock is not traded on an exchange or reported by NASDAQ and the average closing bid price is not available, then "Fair Market Value" shall be determined in good faith by the Committee using all relevant data and information reasonably available to the Committee.

(e) The Purchase Date with respect to each Offer shall be the first day on which the NASDAQ is open for trading after the last day of the Offer.

7. PARTICIPATION; WITHDRAWAL.

Edgar Filing: SIMTEK CORP - Form DEF 14A

(a) An Eligible Employee may become a participant in the Plan pursuant to an Offer by delivering a participation agreement to the Company in such form as the Company provides no later than five (5) days prior to the Offering Date. Each such agreement shall authorize payroll deductions in whole percentages from one percent (1%) to ten percent (10%) of such Employee's Earnings during the Offer. Once an Eligible Employee has elected to participate in an Offer, the Eligible Employee's election with respect to participation shall continue in effect with respect to subsequent Offers unless and until changed in accordance with paragraph 7(c) below. The payroll deductions made for each participant shall be credited to an account for such participant under the Plan, shall be deposited with the general funds of the Company, and shall not be credited with interest.

A-3

(b) "Earnings" means the Eligible Employee's regular salary or wages (including salary deferrals under Code sections 125, 132(f)(4), and 401(k) and under any nonqualified deferred compensation plan established by the Company or an Affiliate). Earnings includes overtime, commissions, and bonuses. Earnings does not include the cost of employee benefits paid for by the Company or an Affiliate, education or tuition reimbursements, imputed income arising under any group insurance or benefit program, traveling expenses, business and moving expense reimbursements, awards and prizes, income received in connection with equity compensation, contributions by the Company or an Affiliate to a qualified retirement plan or to a nonqualified deferred compensation plan, and similar items of compensation.

(c) At any time during an Offer, a participant may terminate his or her payroll deductions and withdraw from the Offer by delivering to the Company a notice of withdrawal in such form as the Company provides. Such withdrawal may be elected at any time prior to the end of the Offer except as provided by the Board or Committee in the Offer. Upon such withdrawal from the Offer by a participant, the Company shall terminate the participant's payroll deductions for that Offer and all future Offers until the participant again elects to participate in the Plan as described below. Upon such withdrawal from an Offer by a participant, the Company shall distribute to such participant all of his or her accumulated payroll deductions (reduced to the extent, if any, such deductions have been used to acquire Common Stock for the participant) under the Offer without interest, and such participant's participation in the Offer shall be automatically terminated. A participant who withdraws from an Offer shall not be eligible to participate in the next Offer, but shall be eligible to participate in future Offers. By way of example, a participant who withdraws from an Offer that commences April 1, 2008 shall not be eligible to participate in the Offer that commences July 1, 2008, but shall be eligible to participate in Offers commencing on or after October 1, 2008 and thereafter until the participant again withdraws from an Offer. A participant who wishes to participate in future Offers shall be required to deliver a new participation agreement. The new participation agreement shall be delivered to the Company no later than five (5) days prior to the Offer Date of the Offer for which the new election is to take effect. A participant may increase or decrease the percentage deducted from the participant's Earnings by delivering a new participation agreement to the Company no later than five (5) days prior to the Offer Date of the Offer for which the new election is to take effect.

(d) Rights granted under the Plan shall not be transferable by a participant otherwise than by will or the laws of descent and distribution, or by a beneficiary designation as provided in paragraph 16 and, otherwise during his or her lifetime, shall be exercisable only by the person to whom such rights

Edgar Filing: SIMTEK CORP - Form DEF 14A

are granted.

8. TERMINATION OF EMPLOYMENT.

Rights granted pursuant to any Offer under the Plan shall terminate immediately upon cessation of any participating employee's employment with the Company and any designated Affiliate, for any reason, during the term of an Offer. No deduction shall be taken from the participant's final paycheck. The Company shall distribute to such terminated participant all of his or her accumulated payroll deductions under the Offer, without interest.

9. LEAVES OF ABSENCE AND PERIODS OF INACTIVE EMPLOYMENT.

A participant may elect to continue to make payroll deductions under the Plan for the first ninety (90) days of any period of inactive employment or leave of absence if the participant continues to receive Earnings from the Company as defined in paragraph 7(b) hereof. If a participant does not receive Earnings from the Company during a period of inactive employment or leave of absence, the participant's payroll deductions shall immediately cease; however, such deductions shall resume automatically if the participant returns to active employment from inactive status within ninety (90) days. If a participant elects to discontinue payroll deductions, such participant shall be treated as having terminated employment and withdrawn from the Plan and the amount accumulated in the participant's account shall be refunded without interest on the first business day following the Purchase Date for the Offer in which the period of inactive employment or leave of absence commenced. In all events, a participant shall be treated as having terminated employment and terminated participation in the Plan on the ninety-first (91st) day of any period of inactive employment or leave of absence. In such case, the Company shall distribute to such Employee all of his or her accumulated payroll deductions accumulated during the Offer in which he or she is treated as having terminated employment, without interest.

A-4

10. EXERCISE.

(a) On the Purchase Date for the Offer, each participant's accumulated payroll deductions (without any increase for interest) shall be applied to the purchase of whole shares of Common Stock, up to the maximum number of shares permitted pursuant to the terms of the Plan and the applicable Offer, at the purchase price specified in the Offer. If the aggregate number of shares to be purchased on the Purchase Date for an Offer would exceed the number of shares then remaining for purchase under the Plan, the Board or the Committee shall make a pro rata allocation of such remaining shares. No fractional shares shall be issued upon the exercise of rights granted under the Plan. The amount, if any, of accumulated payroll deductions remaining in each participant's account after the purchase of shares which is less than the amount required to purchase one share of Common Stock on the Purchase Date for the Offer shall be held in each such participant's account for the purchase of shares under the next Offer under the Plan, unless such participant makes a timely election not to participate in such next Offer, as provided in subparagraph 7(b), or is no longer eligible to be granted rights under the Plan, as provided in paragraph 5, in which case such amount shall be distributed to the participant on the next business day following the Purchase Date, without interest.

(b) No rights granted under the Plan may be exercised to any extent unless the shares to be issued upon such exercise under the Plan (including rights granted thereunder) are covered by an effective registration statement pursuant to the Securities Act of 1933, as amended (the "Securities Act") and the Plan is in material compliance with all applicable state, foreign and other securities

Edgar Filing: SIMTEK CORP - Form DEF 14A

and other laws applicable to the Plan. If on a Purchase Date with respect to any Offer hereunder the Plan is not so registered or in such compliance, no rights granted under the Plan or any Offer shall be exercised on such Purchase Date and all payroll deductions accumulated during the Offer shall be distributed to the participants, without interest on the first business day after the Purchase Date.

(c) Participants shall have no right to sell, encumber, or otherwise transfer Common Stock purchased under the Plan at any time when such transactions are prohibited by applicable federal or state law or by the Company's policies governing the trading of Common Stock.

11. COVENANTS OF THE COMPANY.

(a) During the terms of the rights granted under the Plan, the Company shall keep available at all times the number of shares of Common stock required to satisfy such rights.

(b) The Company shall seek to obtain from each federal, state, foreign or other regulatory commission or agency having jurisdiction over the Plan such authority as may be required to issue and sell shares of Common stock upon exercise of the rights granted under the Plan. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority which counsel for the Company deems necessary for the lawful issuance and sale of stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock upon exercise of such rights unless and until such authority is obtained.

12. USE OF PROCEEDS FROM STOCK.

Proceeds from the sale of Common Stock pursuant to rights granted under the Plan shall constitute general funds of the Company.

13. RIGHTS AS A SHAREHOLDER.

A participant shall not be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares subject to rights granted under the Plan unless and until the participant's shareholdings acquired upon exercise of rights hereunder are recorded in the books of the Company.

14. ADJUSTMENTS UPON CHANGES IN STOCK.

(a) If any change is made in the stock subject to the Plan, or subject to any rights granted under the Plan (through recapitalization, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or other transaction not involving the receipt of consideration by the Company), the Plan and outstanding rights shall be appropriately adjusted in the class(es) and maximum number of shares subject to the Plan and the class(es) and number of shares and price per share of stock subject to outstanding rights. Such adjustments shall be made by the Board or the Committee, the determination of

A-5

which shall be final, binding and conclusive. (The conversion of any convertible securities of the Company shall not be treated as a "transaction not involving the receipt of consideration by the Company.")

(b) In the event of: (1) a dissolution or liquidation of the Company; (2) a merger or consolidation in which the Company is not the surviving corporation;

Edgar Filing: SIMTEK CORP - Form DEF 14A

(3) a reverse merger in which the Company is the surviving corporation but the shares of the Company's Common Stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, whether in the form of securities, cash or otherwise; or (4) the acquisition by any person, entity or group within the meaning of Section 13(d) or 14(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") or any comparable successor provisions (excluding any employee benefit plan, or related trust, sponsored or maintained by the Company or any Affiliate of the Company) of the beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act, or comparable successor rule) of securities of the Company representing at least fifty percent (50%) of the combined voting power entitled to vote in the election of directors, then, as determined by the Board in its sole discretion (i) any surviving or acquiring corporation may assume outstanding rights or substitute similar rights for those under the Plan, (ii) such rights may continue in full force and effect, or (iii) participants' accumulated payroll deductions may be used to purchase Common Stock immediately prior to the transaction described above and the participants' rights under the ongoing Offer terminated.

15. AMENDMENT OF THE PLAN.

(a) The Board at any time, and from time to time, may amend the Plan. However, except as provided in paragraph 14 relating to adjustments upon changes in stock, no amendment shall be effective unless approved by the shareholders of the Company within twelve (12) months before or after the adoption of the amendment, where the amendment will:

(i) Increase the number of shares reserved for rights under the Plan;

(ii) Modify the provisions as to eligibility for participation in the Plan (to the extent such modification requires shareholder approval in order for the Plan to receive employee stock purchase plan treatment under Section 423 of the Code or to comply with the requirements of Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended ("Rule 16b-3")); or

(iii) Modify the Plan in any other way if such modification requires shareholder approval in order for the Plan to receive employee stock purchase plan treatment under Section 423 of the Code or to comply with the requirements of Rule 16b-3. It is expressly contemplated that the Board may amend the Plan in any respect the Board deems necessary or advisable to provide Eligible Employees with the maximum benefits provided or to be provided under the provisions of the Code and the regulations promulgated thereunder relating to employee stock purchase plans and/or to bring the Plan and/or rights granted under it into compliance therewith.

(b) Rights and obligations under any rights granted before amendment of the Plan shall not be altered or impaired by any amendment of the Plan, except with the consent of the person to whom such rights were granted, or except as necessary to comply with any laws or governmental regulations.

16. DESIGNATION OF BENEFICIARY.

(a) A participant may file a written designation of a beneficiary who is to receive any shares and cash, if any, from the participant's account under the Plan in the event of such participant's death subsequent to the end of an Offering but prior to delivery to the participant of such shares and cash. In addition, a participant may file a written designation of a beneficiary who is to receive any cash from the participant's account under the Plan in the event of such participant's death during an Offering.

(b) Such designation of beneficiary may be changed by the participant at

Edgar Filing: SIMTEK CORP - Form DEF 14A

any time by written notice. In the event of the death of a participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such participant's death, the Company shall deliver such shares and/or cash to the executor or administrator of the estate of the participant, or if no such executor or administrator has been appointed (to the knowledge of

A-6

the Company), the Company, in its sole discretion, may deliver such shares and/or cash to the spouse or to any one or more dependents or relatives of the participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

17. TERMINATION OR SUSPENSION OF THE PLAN.

(a) The Board in its discretion, may suspend or terminate the Plan at any time. No rights may be granted under the Plan while the Plan is suspended or after it is terminated.

(b) Rights and obligations under any rights granted while the Plan is in effect shall not be altered or impaired by suspension or termination of the Plan, except as expressly provided in the Plan or with the consent of the person to whom such rights were granted, or except as necessary to comply with any laws or governmental regulation.

(c) Upon termination of the Plan, all payroll deductions shall cease and all amounts credited to Participants' accounts shall be applied to the purchase of full shares of Common Stock then available under the Plan. Any amounts remaining in participant accounts shall be refunded.

18. NO EMPLOYMENT RIGHTS.

The Plan does not, directly or indirectly, create in any Employee or class of Employees any right with respect to continuation of employment by the Company or Affiliate, and it shall not be deemed to interfere in any way with the Company's or any Affiliate's right to terminate, or otherwise modify, an Employee's employment at any time with or without cause.

19. EXPENSES.

Expenses of administering the Plan, including any expenses incurred in connection with the purchase by the Company of shares of Common Stock for sale to participants, shall be paid by the Company and Participating Affiliates. Each participant shall be responsible for all expenses associated with certificating and selling shares purchased by the participant under the Plan.

The Committee shall determine the form or forms of the agreements with Participants that shall evidence the particular provisions, terms, conditions, rights and duties of the Company and the Participants with respect to Awards granted pursuant to the Plan, which provisions need not be identical except as may be provided herein; provided, however, that Eligible Consultants and Eligible Non-Employee Directors shall not be eligible to receive Incentive Options. The Committee may from time to time adopt such rules and regulations for carrying out the purposes of the Plan as it may deem proper and in the best interests of the Company. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any agreement entered into hereunder in the manner and to the extent it shall deem expedient and it shall be the sole and final judge of such expediency. The delegation shall be as broad or as narrow as the Committee shall determine. To the extent that the Committee has delegated the authority to determine certain terms and conditions of an Award, all references in the Plan to the Committee's exercise of authority in determining such terms and conditions shall be construed to include the officer or officers to whom the Committee has delegated the power and authority to make such determination. However, any delegation (a) shall not result in the loss of an exemption under Rule 16b-3(d) for Awards granted to Participants subject to Section 16 of the Exchange Act in respect of the Company, (b) will not cause Awards intended to qualify as "performance-based" compensation under Code Section 162(m) to fail to so qualify, (c) will not result in a related-person transaction with an executive officer required to be disclosed under Item 404(a) of Regulation S-K (in

B-6

accordance with Instruction 5.a.ii thereunder) under the Exchange Act and (d) is permitted under Section 157 and other applicable provisions of the Delaware General Corporation Law.

3.3 Contractual Limitations. The Committee shall in exercising its discretion under the Plan comply with all contractual obligations of the Company in effect from time to time, whether contained in the Company's Certificate of Incorporation, bylaws, or other binding contract.

ARTICLE 4. STOCK SUBJECT TO THE PLAN

4.1 Number of Shares. The maximum aggregate number of Shares that may be

Edgar Filing: SIMTEK CORP - Form DEF 14A

issued under the Plan pursuant to Awards is 2,800,000 Shares. Upon exercise of an option, the Shares issued upon exercise of such option shall no longer be considered to be subject to an outstanding Award or option for purposes of the immediately preceding sentence. Notwithstanding anything to the contrary contained herein, no Award granted hereunder shall become void or otherwise be adversely affected solely because of a change in the number of Shares of the Company that are issued and outstanding from time to time, provided that changes to the issued and outstanding Shares may result in adjustments to outstanding Awards in accordance with the provisions of this ARTICLE 4. The maximum number of Shares that may be issued under Incentive Options is 2,800,000 Shares. The Shares may be either authorized and unissued Shares or previously issued Shares acquired by the Company. The maximum numbers may be increased from time to time by approval of the Board and by the stockholders of the Company if, in the opinion of counsel for the Company, stockholder approval is required. The Company shall at all times during the term of the Plan and while any Options are outstanding retain as authorized and unissued Stock at least the number of Shares from time to time required under the provisions of the Plan, or otherwise assure itself of its ability to perform its obligations hereunder.

4.2 Limit on Options. The maximum number of Shares with respect to which a Participant may receive Options under the Plan during any calendar year is 500,000 Shares. The maximum number may be increased from time to time by approval of the Board and by the stockholders of the Company if, in the opinion of counsel for the Company, stockholder approval is required. Stockholder approval shall not be required for increases solely pursuant to Section 4.4 below.

4.3 Other Shares of Stock. Shares that are subject to an Option that expires or for any reason is terminated unexercised, any Shares that are subject to an Award (other than an Option) and that are forfeited, and any Shares withheld for the payment of taxes or received by the Company as payment of the exercise price of an Option shall automatically become available for use under the Plan.

4.4 Adjustments for Stock Split, Stock Dividend, Etc.. If the Company shall at any time increase or decrease the number of its outstanding Shares or change in any way the rights and privileges of such Shares by means of the payment of a stock dividend or any other distribution upon such Shares payable in Stock, or through a stock split, subdivision, consolidation, combination, reclassification or recapitalization involving the Stock, then in relation to the Stock that is affected by one or more of the above events, the numbers, exercise price, rights and privileges of the following shall be increased, decreased or changed in like manner as if they had been issued and outstanding, fully paid and nonassessable at the time of such occurrence: (i) the Shares as to which Awards may be granted under the Plan, (ii) the Shares then included in each outstanding Award granted hereunder, (iii) the maximum number of Shares available for grant to any one person pursuant to Section 4.2, (iv) the maximum number of Shares available for grant pursuant to Incentive Options, and (v) the number of Shares subject to a delegation of authority under Section 3.2 of this Plan.

4.5 Other Distributions and Changes in the Stock. If:

(a) The Company shall at any time distribute with respect to the Stock assets or securities of persons other than the Company (excluding (i) cash or (ii) distributions referred to in Section 4.4), or

(b) The Company shall at any time grant to the holders of its Stock rights to subscribe pro rata for additional shares thereof or for any other securities of the Company, or

(c) There shall be any other change (except as described in Section 4.4) in the number or kind of outstanding Shares or of any stock or other securities

into which the Stock shall be changed or for which it shall have been exchanged,

B-7

and if the Committee shall in its discretion determine that the event described in subsection (a), (b) or (c) above equitably requires an adjustment in the number or kind of Shares subject to an Option or other Award, an adjustment in the Option Price, or the taking of any other action by the Committee, including without limitation, the setting aside of any property for delivery to the Participant upon the exercise of an Option or the full vesting of an Award, then such adjustments shall be made, or other action shall be taken, by the Committee and shall be effective for all purposes of the Plan and on each outstanding Option or Award that involves the particular type of stock for which a change was effected. All adjustments to Options under this Section 4.5 shall be made in conformity with Code Sections 409A and 424 and the regulations and other guidance promulgated under such Code sections. Notwithstanding the foregoing provisions of this Section 4.5, pursuant to Section 8.3 below, a Participant holding Stock received as a Restricted Stock Award shall have the right to receive all amounts, including cash and property of any kind, distributed with respect to the Stock after such Restricted Stock Award was granted.

4.6 General Adjustment Rules. No adjustment or substitution provided for in this ARTICLE 4 shall require the Company to sell a fractional Share under any Option, or otherwise issue a fractional Share, and the total substitution or adjustment with respect to each Option and other Award shall be limited by deleting any fractional Share. In the case of any substitution or adjustment with regards to an Option, the aggregate Option Price for the total number of Shares then subject to an Option shall remain unchanged but the Option Price per Share under each such Option shall be equitably adjusted by the Committee to reflect the greater or lesser number of Shares or other securities into which the Stock subject to the Option may have been changed, and appropriate adjustments shall be made to other Awards to reflect any such substitution or adjustment.

4.7 Determination by the Committee, Etc. Adjustments under this ARTICLE 4 shall be made by the Committee, whose determinations with regard thereto shall be final and binding upon all parties thereto.

ARTICLE 5.
CORPORATE REORGANIZATION; CHANGE IN CONTROL

5.1 General Provisions. Unless explicitly provided otherwise in an Award Agreement:

(a) The Shares subject to each Option outstanding under the Plan at the time of a Change in Control shall automatically vest in full so that each such Option shall, immediately prior to the Change in Control, become exercisable for all of the Shares at the time subject to that Option and may be exercised for any or all of those Shares as fully-vested Shares of Stock.

(b) All outstanding Forfeiture Restrictions with respect to Restricted Stock Awards shall also automatically terminate, and the Shares of Stock subject to those terminated Forfeiture Restrictions shall immediately vest in full, immediately prior to the Change in Control.

(c) Immediately following the consummation of the Change in Control, all outstanding Options shall terminate and cease to be outstanding.

5.2 Company Actions. The grant of Awards under the Plan shall in no way

Edgar Filing: SIMTEK CORP - Form DEF 14A

affect the right of the Company to adjust, reclassify, reorganize or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

ARTICLE 6. PARTICIPATION

Participants in the Plan shall be those Eligible Employees who, in the judgment of the Committee, are performing, or during the term of their incentive arrangement will perform, vital services in the management, operation and development of the Company, and significantly contribute, or are expected to significantly contribute, to the achievement of long-term corporate economic objectives. Eligible Consultants shall be selected from those non-employee consultants to the Company who are performing services important to the operation and growth of the Company. All Eligible Non-Employee Directors selected by the Board may participate in the Plan. Participants may be granted from time to time one or more Awards; provided, however, that the grant of each such Award shall be separately approved by the Committee and receipt of one such Award shall not result in automatic receipt of any other Award. Upon determination by the Committee that an Award is to be granted to a Participant, written notice shall be given to such person, specifying the terms, conditions, rights and duties related thereto. Each Participant shall, if required by the Committee, enter into an agreement with the Company, in such form as the

B-8

Committee shall determine and which is consistent with the provisions of the Plan, specifying such terms, conditions, rights and duties. Awards shall be deemed to be granted as of the date specified in the grant resolution of the Committee, which date shall be the date of any related agreement with the Participant. In the event of any inconsistency between the provisions of the Plan and any such agreement entered into hereunder, the provisions of the Plan shall govern.

ARTICLE 7. OPTIONS

7.1 Grant of Options. Coincident with or following designation for participation in the Plan, a Participant may be granted one or more Options. The Committee in its sole discretion shall designate whether an Option is an Incentive Option or a Non-Qualified Option; provided, however, that only Non-Qualified Options may be granted to Eligible Consultants and Eligible Non-Employee Directors. The Committee may grant both an Incentive Option and a Non-Qualified Option to an Eligible Employee at the same time or at different times. Incentive Options and Non-Qualified Options, whether granted at the same time or at different times, shall be deemed to have been awarded in separate grants and shall be clearly identified, and in no event shall the exercise of one Option affect the right to exercise any other Option or affect the number of Shares for which any other Option may be exercised. An Option shall be considered as having been granted on the date specified in the grant resolution of the Committee.

7.2 Stock Option Agreements. Each Option granted under the Plan shall be evidenced by a written stock option agreement (an "Option Agreement"). An Option Agreement shall be issued by the Company in the name of the Participant to whom the Option is granted (the "Option Holder") and in such form as may be approved by the Committee. The Option Agreement shall incorporate and conform to the conditions set forth in this Section 7.2 as well as such other terms and conditions that are not inconsistent as the Committee may consider appropriate

Edgar Filing: SIMTEK CORP - Form DEF 14A

in each case.

(a) Number of Shares. Each Option Agreement shall state that it covers a specified number of Shares, as determined by the Committee.

(b) Price. The price at which each Share covered by an Option may be purchased (the "Option Price") shall be determined in each case by the Committee and set forth in the Option Agreement, but in no event shall the price be less than 100 percent of the Fair Market Value of one Share of Stock on the date the Option is granted.

(c) Duration of Options; Vesting. Each Option Agreement shall state the Option Period applicable to the Option, which must end, in all cases, not more than ten years from the date the Option is granted. Each Option Holder shall become vested in the Shares underlying the Option in such installments and over such period or periods of time, if any, or upon such events, as are determined by the Committee in its discretion and set forth in the Option Agreement.

(d) Termination of Services, Death, Disability, Etc. The Committee may specify the period, if any, during which an Option may be exercised following termination of the Option Holder's Service. The effect of this subsection 7.2(d) shall be limited to determining the consequences of a termination and nothing in this subsection 7.2(d) shall restrict or otherwise interfere with the Company's discretion with respect to the termination of any individual's Service. If the Committee does not otherwise specify, the following shall apply:

(i) If the Option Holder becomes Disabled, the Option may be exercised by the Option Holder within one year following the Option Holder's termination of Service on account of Disability (provided that such exercise must occur within the Option Period), but not thereafter. In any such case, the Option may be exercised only as to the Shares that had become vested on or before the date of the Option Holder's termination of Service because of Disability.

(ii) If the Option Holder dies during the Option Period while still in Service of the Company or within the one-year period referred to in (i) above

B-9

or the three-month period referred to in (iii) below, the Option may be exercised by those entitled to do so under the Option Holder's will or by the laws of descent and distribution within one year following the Option Holder's death (provided that such exercise must occur within the Option Period), but not thereafter. In any such case, the Option may be exercised only as to the Shares that had become vested on or before the date of the Option Holder's death.

(iii) If the Service of the Option Holder is terminated by either the Company or the Option Holder within the Option Period for any reason other than Disability or death, the Option may be exercised by the Option Holder within three (3) months following the date of such termination (provided that such exercise must occur within the Option Period), but not thereafter. In any such case, the Option may be exercised only as to the Shares that had become vested on or before the date of termination of Service.

(e) No Employment Right. Nothing in this paragraph shall limit or impair the Company's right to terminate the employment of any employee or to terminate the consulting services of any consultant.

(f) Exercise, Payments, Etc.

Edgar Filing: SIMTEK CORP - Form DEF 14A

(i) Manner of Exercise. The method for exercising each Option granted hereunder shall be by delivery to the Company of written notice specifying the number of Shares with respect to which such Option is exercised. The purchase of such Shares shall take place at the principal offices of the Company within thirty (30) days following delivery of such notice, at which time the Option Price of the Shares shall be paid in full by any of the methods set forth below or a combination thereof. The Option shall be exercised when the Option Price for the number of Shares as to which the Option is exercised is paid to the Company in full. A properly executed certificate or certificates representing the Shares shall be delivered to or at the direction of the Option Holder upon payment therefor. If Options on less than all Shares evidenced by an Option Agreement are exercised, the Company shall deliver a new Option Agreement evidencing the Option on the remaining Shares upon delivery of the Option Agreement for the Option being exercised.

(ii) The exercise price shall be paid by any of the following methods, or any combination of the following methods, at the election of the Option Holder, or by any other method approved by the Committee:

(1) in cash or by wire transfer of immediately available funds;

(2) by certified check, cashier's check, or other check acceptable to the Company, payable to the order of the Company;

(3) if expressly permitted by a resolution of the Committee applicable to the Option at the time of exercise (whether such resolution is applicable solely to the Option being exercised or is generally applicable to some or all Options outstanding under the Plan), by delivery to the Company of certificates representing the number of Shares then owned by the Option Holder, the Fair Market Value of which equals the purchase price of the Shares purchased pursuant to the Option, properly endorsed for transfer to the Company; provided however, that no Option may be exercised by delivery to the Company of certificates representing Shares, unless such Shares have been held by the Option Holder for more than six (6) months (or such other period of time as the Committee determines is necessary to avoid adverse financial accounting treatment to the Company); for purposes of this Plan, the Fair Market Value of any Shares delivered in payment of the purchase price upon exercise of the Option shall be the Fair Market Value as of the exercise date; the exercise date shall be the day of delivery of the certificates for the Shares used as payment of the Option Price; or

(4) by delivery to the Company of irrevocable instructions directing the Company to withhold from the purchased Shares a number of Shares having a Fair Market Value as of the exercise date equal to the aggregate Option Price of the purchased Shares.

(g) Date of Grant. An Option shall be considered as having been granted on the date specified in the grant resolution of the Committee.

B-10

(h) Withholding.

(i) Non-Qualified Options. Upon exercise of an Option, the Option Holder shall make appropriate arrangements with the Company to provide for the amount of additional withholding required by Sections 3102 and 3402 of the Code and applicable state income tax laws, including payment of such taxes through delivery of Shares of Stock or by withholding Shares to be issued under the Option, as provided in ARTICLE 13.

Edgar Filing: SIMTEK CORP - Form DEF 14A

(ii) Incentive Options. If an Option Holder makes a disposition (as defined in Section 424(c) of the Code) of any Shares acquired pursuant to the exercise of an Incentive Option prior to the expiration of two years from the date on which the Incentive Option was granted or prior to the expiration of one year from the date on which the Option was exercised, the Option Holder shall send written notice to the Company at the Company's principal place of business of the date of such disposition, the number of Shares disposed of, the amount of proceeds received from such disposition and any other information relating to such disposition as the Company may reasonably request. The Option Holder shall, in the event of such a disposition, make appropriate arrangements with the Company to provide for the amount of additional withholding, if any, required by Sections 3102 and 3402 of the Code and applicable state income tax laws.

7.3 Restrictions on Incentive Options.

(a) \$100,000 Per Year Limitation. The aggregate Fair Market Value of the Shares with respect to which Incentive Options are exercisable for the first time by an Option Holder in any calendar year, under the Plan or otherwise, shall not exceed \$100,000. For this purpose, the Fair Market Value of the Shares shall be determined as of the date of grant of the Option and Incentive Options shall be taken into account in the order granted. The portion of any Incentive Option accelerated in connection with a Change in Control shall remain exercisable as an Incentive Option only to the extent the above limitation is not exceeded. To the extent such dollar limitation is exceeded, the accelerated portion of such Incentive Option shall thereafter be exercisable as a Non-Qualified Option.

(b) Ten Percent Stockholders. Incentive Options granted to an Option Holder who is the holder of record of 10% or more of the outstanding stock of the Company shall have an Option Price equal to 110% of the Fair Market Value of the Shares on the date of grant of the Option and the Option Period for any such Option shall not exceed five years.

7.4 Transferability.

(a) General Rule: No Lifetime Transfers. An Option shall not be transferable by the Option Holder except (i) by will or pursuant to the laws of descent and distribution or (ii) to the Option Holder's former spouse, to the extent such assignment is pursuant to a Domestic Relations Order (provided that if the Option being assigned pursuant to a Domestic Relations Order is an Incentive Option, such Incentive Option shall cease being an Incentive Option, and shall automatically convert to a Non-Qualified Option, upon such assignment). Except as otherwise provided by the terms of a Domestic Relations Order, an Option shall be exercisable during the Option Holder's lifetime only by him or her, or in the event of Disability or incapacity, by his or her guardian or legal representative. The Option Holder's guardian or legal representative shall have all of the rights of the Option Holder under this Plan.

(b) No Assignment. No right or interest of any Option Holder in an Option granted pursuant to the Plan shall be assignable or transferable during the lifetime of the Option Holder, either voluntarily or involuntarily, or be subjected to any lien, directly or indirectly, by operation of law, or otherwise, including execution, levy, garnishment, attachment, pledge or bankruptcy, except as set forth above. In the event the Option is assigned or transferred in any manner contrary to terms of this Plan, then all Options transferred or assigned shall immediately terminate.

7.5 Stockholder Privileges. No Option Holder shall have any rights as a stockholder with respect to any Shares covered by an Option until the Option Holder becomes the holder of record of such Shares, and no adjustments shall be

Edgar Filing: SIMTEK CORP - Form DEF 14A

made for dividends or other distributions or other rights as to which there is a record date preceding the date such Option Holder becomes the holder of record of such Shares, except as provided in ARTICLE 4.

B-11

ARTICLE 8. RESTRICTED STOCK AWARDS

8.1 Grant of Restricted Stock Awards. Coincident with or following designation for participation in the Plan, the Committee may grant a Participant one or more Restricted Stock Awards consisting of Shares of Stock. The number of Shares granted as a Restricted Stock Award shall be determined by the Committee. Each Restricted Stock Award granted under the Plan shall be evidenced by a written restricted stock agreement (a "Restricted Stock Agreement"). The Restricted Stock Agreement shall incorporate and conform to the conditions set forth in this ARTICLE 8 as well as such other terms and conditions that are not inconsistent as the Committee may consider appropriate in each case.

8.2 Restrictions. A Participant's right to retain a Restricted Stock Award granted to him or her under Section 8.1 shall be subject to such restrictions, including, but not limited to, his or her continuous Service for the Company for a restriction period specified by the Committee or the attainment of specified performance goals and objectives, as may be established by the Committee with respect to such Award (the restrictions established by the Committee under this Section shall be known as the "Forfeiture Restrictions"). The Committee may in its sole discretion provide for different Forfeiture Restrictions with respect to different Participants, to different Restricted Stock Awards, or to separate, designated portions of the Shares constituting a Restricted Stock Award. In the event of the death or Disability of a Participant (except as otherwise provided in the Restricted Stock Agreement), or the retirement of a Participant in accordance with the Company's established retirement policy, all Forfeiture Restrictions then held by him or her shall lapse with respect to a pro rata part of each such Award based on the ratio between the number of full months of Service completed at the time of termination of Service from the grant of each Award to the total number of months of Service required for such Award to be fully nonforfeitable, and such portion of each such Award shall become fully nonforfeitable. The remaining portion of each such Award shall be forfeited and shall be immediately returned to the Company. If a Participant's Service terminates for any other reason, any Shares as to which the Forfeiture Restrictions have not been satisfied (or waived or accelerated as provided herein) shall be forfeited, and all Shares related thereto shall be immediately returned to the Company.

8.3 Privileges of a Stockholder, Transferability. A Participant shall have all voting, dividend, liquidation and other rights with respect to Stock (in accordance with its terms) received by him as a Restricted Stock Award under this ARTICLE 8; provided, however, that the Participant's right to sell, encumber, or otherwise transfer such Stock shall be subject to the limitations of Sections 10.2 and 13.2 and ARTICLE 11.

8.4 Enforcement of Restrictions. The Committee shall cause a legend to be placed on the Stock certificates issued pursuant to each Restricted Stock Award referring to the restrictions provided by Sections 8.2 and 8.3 and, in addition, may in its sole discretion require one or more of the following methods of enforcing the restrictions referred to in Sections 8.2 and 8.3:

(a) Requiring the Participant to keep the Stock certificates, duly endorsed, in the custody of the Company while the restrictions remain in effect; or

Edgar Filing: SIMTEK CORP - Form DEF 14A

(b) Requiring that the Stock certificates, duly endorsed, be held in the custody of a third-party while the restrictions remain in effect.

ARTICLE 9. OTHER GRANTS

From time to time during the duration of this Plan, the Board may, in its sole discretion, adopt one or more incentive compensation arrangements for Participants pursuant to which the Participants may acquire Shares, whether by purchase, outright grant, or otherwise. Any arrangement shall be subject to the general provisions of this Plan and all Shares issued pursuant to such arrangements shall be issued under this Plan.

ARTICLE 10. RIGHTS OF PARTICIPANTS

10.1 Service. Nothing contained in the Plan or in any Option, or other Award granted under the Plan shall confer upon any Participant any right with respect to the continuation of his employment by, or consulting relationship

B-12

with, the Company, or interfere in any way with the right of the Company, subject to the terms of any separate employment agreement or other contract to the contrary, at any time to terminate such services or to increase or decrease the compensation of the Participant from the rate in existence at the time of the grant of an Award. Whether an authorized leave of absence, or absence in military or government service, shall constitute a termination of service shall be determined by the Committee at that time.

10.2 Nontransferability of Awards. Except as provided otherwise at the time of grant or thereafter, or except as otherwise provided in a Domestic Relations Order, no right or interest of any Participant in a Restricted Stock Award (prior to the completion of the restriction period applicable thereto), or other Award (excluding Options) granted pursuant to the Plan, shall be assignable or transferable during the lifetime of the Participant, either voluntarily or involuntarily, or subjected to any lien, directly or indirectly, by operation of law, or otherwise, including execution, levy, garnishment, attachment, pledge or bankruptcy. In the event of a Participant's death, a Participant's rights and interests in Options, Restricted Stock Awards, and other Awards, shall, to the extent provided in ARTICLE 7, ARTICLE 8, and ARTICLE 9 be transferable by will or the laws of descent and distribution, and payment of any amounts due under the Plan shall be made to, and exercise of any Options may be made by, the Participant's legal representatives, heirs or legatees. However, a Participant's rights and interests in Options, Restricted Stock Awards, and other Awards shall be transferable to an Option Holder's former spouse, to the extent such assignment is pursuant to a Domestic Relations Order (provided that if the Option being assigned pursuant to a Domestic Relations Order is an Incentive Option, such Incentive Option shall cease being an Incentive Option, and shall automatically convert to a Non-Qualified Option, upon such assignment). If in the opinion of the Committee a person entitled to payments or to exercise rights with respect to the Plan is disabled from caring for his affairs because of mental condition, physical condition or age, payment due such person may be made to, and such rights shall be exercised by, such person's guardian, conservator or other legal personal representative upon furnishing the Committee with evidence satisfactory to the Committee of such status.

10.3 No Plan Funding. Obligations to Participants under the Plan will not

Edgar Filing: SIMTEK CORP - Form DEF 14A

be funded, trustee, insured or secured in any manner. The Participants under the Plan shall have no security interest in any assets of the Company, and shall be only general creditors of the Company.

ARTICLE 11. GENERAL RESTRICTIONS

11.1 Investment Representations. The Company may require any person to whom an Option, Restricted Stock Award, or other Award, is granted, as a condition of exercising such Option, receiving such Restricted Stock Award, or such other Award to give written assurances in substance and form satisfactory to the Company and its counsel to the effect that such person is acquiring the Stock for his own account for investment and not with any present intention of selling or otherwise distributing the same, and to such other effects as the Company deems necessary or appropriate in order to comply with Federal and applicable state securities laws. Legends evidencing such restrictions may be placed on the Stock certificates.

11.2 Compliance with Securities Laws. Each Option, Restricted Stock Award grant, or other Award shall be subject to the requirement that, if at any time counsel to the Company shall determine that the listing, registration or qualification of the shares subject to such Option, Restricted Stock Award, or other Award grant upon any securities exchange or under any state or federal law, or the consent or approval of any governmental or regulatory body, is necessary as a condition of, or in connection with, the issuance or purchase of shares thereunder, such Option, Restricted Stock Award or other Award may not be accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Committee. Nothing herein shall be deemed to require the Company to apply for or to obtain such listing, registration or qualification.

11.3 Changes in Accounting Rules. Except as provided otherwise at the time an Award is granted, notwithstanding any other provision of the Plan to the contrary, if, during the term of the Plan, any changes in the financial or tax accounting rules applicable to Options, Restricted Stock Awards, or other Awards shall occur which, in the sole judgment of the Committee, may have a material adverse effect on the reported earnings, assets or liabilities of the Company, the Committee shall have the right and power to modify as necessary, any then outstanding and unexercised Options, outstanding Restricted Stock Awards, and other outstanding Awards as to which the applicable services or other restrictions have not been satisfied.

B-13

ARTICLE 12. PLAN AMENDMENT, MODIFICATION AND TERMINATION

The Board may at any time terminate, and from time to time may amend or modify the Plan provided, however, that no amendment or modification may become effective without approval of the amendment or modification by the stockholders, if stockholder approval is required to enable the Plan to satisfy any applicable statutory or regulatory requirements, or if the Company, on the advice of counsel, determines that stockholder approval is otherwise necessary or desirable.

No amendment, modification or termination of the Plan shall in any manner adversely affect any Options, Restricted Stock Awards, or other Award theretofore granted under the Plan, without the consent of the Participant holding such Options, Restricted Stock Awards, or other Awards.

Edgar Filing: SIMTEK CORP - Form DEF 14A

ARTICLE 13. WITHHOLDING

13.1 Withholding Requirement. The Company's obligations to deliver shares of Stock upon the exercise of any Option, the vesting of any Restricted Stock Award, or the grant of Stock shall be subject to the Participant's satisfaction of all applicable federal, state, local and foreign income and other tax withholding requirements.

13.2 Withholding With Stock. At the time the Committee grants an Option, Restricted Stock Award, other Award, or Stock or at any time thereafter, it may, in its sole discretion, grant the Participant an election to pay all such amounts of tax withholding, or any part thereof, by electing (a) to have the Company withhold from shares otherwise issuable to the Participant, shares of Stock having a value equal to the amount required to be withheld or such lesser amount as may be elected by the Participant; provided however, that the amount of Stock so withheld shall not exceed the minimum amount required to be withheld under the method of withholding that results in the smallest amount of withholding, or (b) to transfer to the Company a number of shares of Stock that were acquired by the Participant more than six months prior to the transfer to the Company (or such other period of time as the Committee determines is necessary to avoid adverse financial accounting treatment) and that have a value equal to the amount required to be withheld or such lesser amount as may be elected by the Participant. All elections shall be subject to the approval or disapproval of the Committee. The value of shares of Stock to be withheld shall be based on the Fair Market Value of the Stock on the date that the amount of tax to be withheld is to be determined (the "Tax Date"). Any such elections by Participants to have shares of Stock withheld for this purpose will be subject to the following restrictions:

(a) All elections must be made prior to the Tax Date.

(b) All elections shall be irrevocable.

(c) If the Participant is an officer or director of the Company within the meaning of, and subject to, Section 16 of the Exchange Act ("Section 16"), the Participant must satisfy the requirements of such Section 16 and any applicable Rules thereunder with respect to the use of Stock to satisfy such tax withholding obligation.

ARTICLE 14. REQUIREMENTS OF LAW

14.1 Requirements of Law. The issuance of Stock and the payment of cash pursuant to the Plan shall be subject to all applicable laws, rules and regulations.

14.2 Federal Securities Law Requirements. If a Participant is an officer or director of the Company within the meaning of, and subject to, Section 16, Awards granted hereunder shall be subject to all conditions required under Rule 16b-3, or any successor rule promulgated under the Exchange Act, to qualify the Award for any exception from the provisions of Section 16(b) of the Exchange Act available under that Rule. Such conditions shall be set forth in the agreement with the Participant which describes the Award or other document evidencing or accompanying the Award.

Edgar Filing: SIMTEK CORP - Form DEF 14A

14.3 Governing Law. The Plan and all agreements hereunder shall be construed in accordance with and governed by the laws of the State of Delaware.

ARTICLE 15.
DURATION OF THE PLAN

Unless sooner terminated by the Board, the Plan shall terminate at the close of business on the day immediately preceding the tenth anniversary of the Effective Date and no Option, Restricted Stock Award, other Award or Stock shall be granted, or offer to purchase Stock made, after such termination. Options, Restricted Stock Awards, and other Awards outstanding at the time of the Plan termination may continue to be exercised, or become free of restrictions, or paid, in accordance with their terms.
