INFORMATION STATEMENT

WE ARE NOT ASKING YOU FOR A PROXY AND
YOU ARE REQUESTED NOT TO SEND US A PROXY

GENERAL

This Information Statement is being furnished to the shareholders of EACO Corporation, a Florida corporation (the "Company") in lieu of a Special Meeting of Shareholders to:

(a) approve the proposed sale of substantially all of our ongoing restaurant assets to Banner Buffets, LLC (the "Asset Sale") pursuant to an Asset Purchase Agreement dated as of February 22, 2005 (the "Agreement") that is described in more detail in the accompanying Information Statement.

This Information Statement is being sent in lieu of a special meeting. The Company has adopted the Asset Sale by the unanimous approval of its Board of Directors and by the written consent of shareholders holding a majority of the voting power of the Company.

At a meeting of the Board of Directors held on February 22, 2005, all of the members of the Company's Board of Directors approved and recommended that the Asset Sale be accepted. The Board reaffirmed its approval and recommendations immediately prior to the mailing of this Information Statement. The Company's shareholders holding a majority of the voting power of the Company approved the Asset Sale, pursuant to a written consent dated May 25, 2005. The Company anticipates that the effective date of the Asset Sale will occur on or about June 27, 2005 (the "Effective Date"). If the Asset Sale were not adopted by written consent, it would have been required to be considered by Company's shareholders at a special or annual shareholders' meeting convened for the specific purpose of approving the Asset Sale.

The elimination of the need for a special or annual meeting

Edgar Filing: EACO CORP - Form DEF 14C

of the shareholders to ratify or approve the Asset Sale is authorized by Section 607.0704 of the Florida Business Corporation Act (the "FBCA") and the Company's Articles of Incorporation and Bylaws which provide that the written consent of shareholders holding at least a majority of the voting power may be substituted for such a special or annual meeting. To eliminate the costs and management time involved in holding a special meeting and in order to effect or ratify the Asset Sale as early as possible in order to accomplish the purposes of the Company as hereafter described, the Board of Directors of the Company voted to utilize the written consent of shareholders holding a majority of the voting power of the Company.

Shareholders of the Company who beneficially own in the aggregate 2,410,985 shares of common stock of the Company, representing approximately 62.1% of the voting power of the Company, gave their written consent to Asset Sale described in this Information Statement on May 25, 2005. The record date established by the Company for purposes of determining the number of outstanding shares of common stock of the Company, and thus the voting power, is

March 16, 2005 (the "Record Date"). It is expected that this Information Statement will be first sent to shareholders on or about June 1, 2005.

The Company is distributing this Information Statement to its shareholders in full satisfaction of any notice requirements it may have under the FBCA. No additional action will be undertaken by the Company with respect to the receipt of the written consents. Appraisal rights under the FBCA are afforded to the Company's shareholders as a result of the adoption of the Asset Sale as more particularly detailed in this Information Statement.

The Asset Sale (see page 8)

The Parties

EACO Corporation (formerly known as Family Steak Houses of

Edgar Filing: EACO CORP - Form DEF 14C

Florida, Inc.)

EACO Corporation is a Florida corporation which operates 16 restaurants in the State of Florida under the names of "Ryan's," "Whistle Junction" and "Florida Buffet."

As a result of the Asset Sale, the Company will have conveyed 16 restaurants (the "Restaurants") constituting substantially all of its ongoing restaurant assets to Banner Buffets, LLC. It will retain 2 restaurant properties as well as 2 properties which it leases and then subleases to others for restaurant operations.

The Company maintains its principal place of business at 2113 Florida Boulevard, Neptune Beach Florida 32266. Its telephone number there is 904-249-4197.

Banner Buffets, LLC

Banner Buffets, LLC (the "Buyer") is a Delaware limited liability company that was established specifically to acquire the restaurant operations of the Company described in the Asset Sale. Banner Buffets, LLC currently has no operations and, following the Asset Sale, its principal business will be to engage in the operation of the 16 restaurant operations acquired from the Company.

Description of the Asset Sale

The parties entered into an Asset Purchase Agreement on February 22, 2005 which has subsequently been amended two times (the "Agreement"). The Asset Sale principally consists of the sale of (a) the Restaurants, including all fixtures, equipment, and machinery located at the Restaurants, (b) all intangible property and goodwill of the Restaurants, (c) all real property owned by the Company associated with the Restaurants, (d) all real property leases associated with the Restaurants, and (e) in general, all Company assets used or useful in connection with the Restaurants. A copy of the Agreement is attached to this Information Statement as Exhibit A and is described in further detail herein.

Purchase Price

At Closing, the Buyer will pay to the Company (i) \$25,950,000 in cash, plus (ii) one-half of the aggregate sum of certain prepaid expenses, plus (iii) an additional cash payment of up to \$250,000 for each Ryan's restaurant converted to a Whistle Junction restaurant from

February 1, 2005 through the Closing (but not to exceed the actual conversion costs), plus (iv) a promissory note in the amount of \$4,000,000 secured by certain Restaurant equipment which is estimated to have a value of less than \$1,000,000.

Closing

The Closing is estimated to occur on or about June 27, 2005.

Edgar Filing: EACO CORP - Form DEF 14C

Escrow Deposit

The Buyer has placed in escrow a cash deposit in the amount of \$500,000 to secure its obligations under the Agreement.

Termination Fees

If the Buyer terminates the Agreement and does not close on the Asset Sale because it has been unable to find suitable financing, the Company will be entitled to receive \$250,000 from the \$500,000 Deposit that the Buyer has placed in escrow.

Due Diligence

The Buyer had until March 24, 2005 to complete its due diligence review of the assets to be acquired. Until that date, it could have terminated the Agreement and received its deposit in return if it discovered material adverse information about the Restaurants or the assets which could not have been cured prior to the Closing.

Conditions to Completing the Asset Sale

The obligations of the parties to complete the Asset Sale are subject to a number of conditions that must be satisfied or waived before the transaction can be completed. Those Closing conditions include the following:

- (a) our receipt of a "fairness opinion";
- (b) the approval of the Asset Sale by the Company's shareholders holding more than 50% of the common stock of the Company outstanding as of the Record Date which has been received;
- (c) the accuracy, in all material respects, of each party's representations or warranties both as of February 22, 2005 and as of the Closing;
- (d) the performance, in all material respects, of each party's obligations under the Agreement; and
- (e) the absence of any material adverse changes in the condition of the assets being sold.

Indemnification

We agree to indemnify the Buyer from and against losses, damages, costs or expenses incurred prior to the Closing of the Asset Sale. The Buyer agrees to similarly indemnify us for liabilities occurring after the closing of the Asset Sale. In addition, we agree to specially

indemnify the Buyer with respect to a breach of our warranty on the condition of the Restaurant equipment being sold with a cap of \$100,000 on that liability.

Recommendations of the Board of Directors

Edgar Filing: EACO CORP - Form DEF 14C

After careful consideration, based on the factors and other matters described elsewhere in this Information Statement, the Company's Board of Directors believes that the Asset Sale, consisting of the sale of substantially all the Company's ongoing restaurant assets, subject to certain liabilities and the release of others, is advisable and fair to and in the best interests of the Company and our shareholders. The Board of Directors has unanimously recommended that our shareholders vote in favor of the Asset Sale.

Financial Advisors (see page 15)

In connection with the Asset Sale, our Board of Directors received a written opinion from Allen C. Ewing & Co. ("Ewing") as to the fairness of the Asset Sale to our shareholders from a financial point of view. The full text of Ewing's written opinion is attached to this Information Statement as Exhibit B. We encourage you to read this opinion carefully in its entirety for a description of the assumptions made, procedures followed, matters considered, and limitations on the review undertaken.

Material U.S. Federal Income Tax Consequences

The Asset Sale will be a taxable transaction for the Company, but not for our shareholders. Net operating losses will shelter some of the gain but there is expected to be some income tax liability generated for the Company.

Regulatory Approvals

No United States federal or state regulatory requirements must be complied with or approvals obtained in connection with the Asset Sale.

Appraisal Rights (see page 22)

Under Chapter XIII of the FBCA, our shareholders are entitled to appraisal rights in connection with the Asset Sale. If you follow the strict requirements of the FBCA as described on page 24, you will be entitled to receive the fair value of your shares in cash if the Asset Sale closes. Of great importance is the requirement that you notify the Company in writing within twenty (20) days of the date of this Information Statement of your intent to dissent from the transaction and seek appraisal rights. If any shareholder does not strictly comply with the requirements of Chapter XIII of the FBCA, entitlement to appraisal rights will be lost for that shareholder.

Interest of Directors and Management in the Asset Sale

None of our officers or directors has a personal or business relationship with the Buyer or any of its affiliates. In addition, none of our officers or directors has any interest in the Asset Sale other than as shareholders of the Company.

Stock Ownership as Directors and Executive Officers

On March 16, 2005, directors and executive officers of the

Edgar Filing: EACO CORP - Form DEF 14C

Company beneficially owned and had the right to vote 2,462,324 shares of our common stock constituting 63.4% of our issued and outstanding shares of common stock.

Operations of the Company Following the Asset Sale

Following the closing of the Asset Sale, the Company will continue to own two restaurant properties, and lease two additional properties which it in turn subleases to restaurant operations. It will take the net proceeds from the Asset Sale and invest them in short term investments while it seeks other operating lines of business or other longer term investments. Under the terms of the Asset Sale, the Company may not compete in the restaurant business within a 30-mile radius of any of the purchased Restaurants. The Company has not identified any operating lines of business or proposed investments at this time.

The following summary is qualified in its entirety by reference to the complete text of the Agreement which is attached as Exhibit A to this Information Statement and incorporated herein by reference. We urge you to read the full text of the Agreement because it is a legal document that governs the Asset Sale.

The Company is also required to indemnify Buyer to the extent of the equipment is not as warranted: "good condition and repair, ordinary wear and tear excepted." However, this indemnity is limited to individual claims that must exceed \$1,000 each and is capped at a total of \$100,000.

ADDITIONAL INFORMATION RESPECTING THE ASSET SALE

Background of the Asset Sale

The Company's business is the operation of family oriented, buffet style restaurants serving high quality, reasonably priced food in a casual atmosphere with server-assisted service. Since its inception, the Company has operated these restaurants under the "Ryan's" trademark as the sole franchisee of Ryan's Properties, Inc. The last year in which the Company showed a net profit was 1996. The number of restaurants the Company is operating has decreased from a high of 27 in 1994 to the current number of 16.

The Company has long realized that it must change its business model to achieve profitability and increased shareholder value. One large drain on the Company's resources was the 4% franchise fee that it had to pay to its franchisor which totaled up to \$1.5 million per year. In 2003, the Company agreed with the franchisor that the Company would convert, sell or close all of its Ryan's restaurants by June 30, 2005. As each restaurant stopped using the Ryan's brand, franchise fees for that restaurant also ceased.

In order to effect this plan, the Company developed two new themes: Whistle Junction and Florida Buffet. Whistle Junction would be the theme for all the Company's new restaurants and the conversion theme for its more successful existing restaurants. Florida Buffet is a much less dramatic change and could be accomplished more quickly and less expensively than Whistle Junction conversions. Florida Buffet would be the conversion vehicle for all restaurants that were not converted to Whistle Junction. In addition to conversions, the Company intends to sell underperforming restaurants.

Once the Company completes the remaining four conversions, it will then no longer be required to pay any franchise fees. The Company believes that the Whistle Junction concept has proved its worth. With the elimination of the franchise fees and expected increases in revenues from the new restaurants, the Company believes that it could possibly become profitable in 2005 or 2006.

The Company does not currently have a financing commitment to build new restaurants. The Company estimates that each new Whistle Junction restaurant will cost about \$2.9 million to

Edgar Filing: EACO CORP - Form DEF 14C

acquire the land and build the restaurant. Once the site is acquired it usually takes about 5 months to construct and build each new restaurant. The point at which the restaurant becomes profitable is never certain.

So, even though the Company believes that it has found a format that can bring it to profitability, there are risks involved in building shareholder value with the plan. The Company believes that the Asset Sale will build shareholder value more quickly without these risks.

Recognizing this, the Company has considered selling all of its restaurants at an advantageous price to give it the financial wherewithal to enter into a new line of business or make investments where shareholder value could be created more quickly than in its current restaurant business. Although it has been able to sell individual restaurants from time to time, the Company has never had a credible opportunity to sell substantially all of its restaurants until now.

In late 2004, the Company was contacted by the principals of Banner Buffets, LLC.; a group experienced in other restaurant ventures. The Company's Chairman and the Buyer

began negotiations in late 2004 and negotiated the Asset Purchase Agreement from then until February 22, 2005 when it was signed. Those negotiations were extensive and covered most aspects of the Agreement. Since then, negotiations have continued, mostly in response to the Buyer's efforts to obtain satisfactory financing.

The Board of Directors believes that the net proceeds from the Asset Sale can be used productively in other lines of business or in other investments to generate shareholder value more quickly than could occur if the Company remains in the restaurant business. However, no lines of business or investments have been identified at this time.

Buyer's Financing

The Buyer has entered into an agreement with Sovereign Investment Company to provide financing for its acquisition of the Restaurants. Sovereign is experienced in financing restaurant acquisitions. The financing will take the form of a sale/leaseback under which Sovereign will acquire title to the Restaurants now owned by us and will lease them to the Buyer on agreed upon lease terms. We now lease four of our Restaurants and, at closing, the Buyer will assume those leases. The Company is not a party to the agreement between the Buyer and Sovereign.

The obligation of Sovereign to provide financing is subject to a number of contingencies which have not yet been satisfied and which are not within our control. Accordingly, no assurances can be given by the Company that the Buyer will be able to eliminate the contingencies or obtain a waiver of them so as to allow the Asset Sale to close.

Sovereign has informed the Buyer that it will not fund the acquisition of our Restaurant No. 122 in Orlando, Florida. The Buyer has told us that it is confident that it will be able to

Edgar Filing: EACO CORP - Form DEF 14C

obtain alternate financing. If the Buyer is unable to obtain financing and does not close on that Restaurant, the Company could declare a default under the Agreement or, alternatively, lease the Restaurant to the Buyer on terms satisfactory to the Company.

Opinion of the Company's Financial Advisors

Allen C. Ewing & Co. ("Ewing") has been retained by us to evaluate the fairness of the Asset Sale to our shareholders from a financial point of view. Ewing has delivered to the Board of Directors a written opinion to the effect that, based on and in reliance on the matters described in its opinion, the Asset Sale is fair to our shareholders from a financial point of view. The full text of Ewing's written opinion dated May 25, 2005 which describes the assumptions made, procedures followed, matters considered, and limitations on the review undertaken, is attached to this Information Statement as Exhibit B and is incorporated herein by reference.

Ewing's opinion and financial analyses were only one of many factors considered by our Board of Directors in its evaluation of the transaction and should not be viewed as determinative of the views of the Board or management with respect to the Asset Sale or the consideration provided for in the Asset Sale.

The description of Ewing's fairness opinion set forth below does not purport to be complete, and is qualified in its entirety by reference to the text of such opinion, attached as Exhibit B to this Information Statement.

Ewing has rendered its opinion of the Asset Sale as fair to the shareholders of the Company from a financial point of view. The terms of the Asset Sale were determined based on negotiations between the Company and the Buyer and were not based on any recommendations by Ewing. For purposes of its opinion, Ewing reviewed the Agreement and certain financial information of the Company.

The Company engaged Ewing after the signing of the Agreement but conditioned its obligation to consummate the Asset Sale upon receipt of the fairness opinion. Ewing had been previously engaged by the Company to render fairness opinions in connection with the sale of preferred stock to the Company's majority shareholder. For its services in rendering the opinion in connection with the Asset Sale, Ewing will receive a fee of \$20,000 and will be reimbursed for reasonable out-of-pocket expenses, whether or not the Asset Sale is closed. Ewing is engaged in the valuation of businesses and their securities and assets in connection with mergers and acquisitions, corporate restructurings, and other purposes. Our Board of Directors selected Ewing on the basis of such experience. Additionally, Ewing had some familiarity with the Company by virtue of its prior retention by the Company.

Ewing's engagement was not in any way limited in the scope of its investigation. A summary of materials reviewed by Ewing follows:

APPRAISAL RIGHTS OF COMPANY SHAREHOLDERS

Under Chapter XIII of the Florida Business Corporation Act, Company shareholders have the right to object to the Asset Sale and demand in writing that the Company pay the fair value of their shares. Fair value means the value of the Company's shares determined (a) immediately before the effectuation of the corporate action to which the shareholder objects; (b) using customary and current valuation concepts and techniques generally employed for similar business, excluding any appreciation or depreciation in anticipation of the corporate action unless exclusion would be inequitable to the corporation and its remaining shareholders. Shareholders who elect to exercise appraisal rights must comply with all of the procedures set in Chapter XIII to preserve those rights. These procedures are complicated and must be followed completely. Failure to comply with Chapter XIII may cause a termination of your appraisal rights. The following information is only a summary of the required procedures and is qualified in its entirety by reference to the provisions of Chapter XIII. Please review Chapter XIII, a copy of which is attached to this Information Statement as Exhibit C for the complete procedures. Neither the Company nor the Buyer will give you any notice other than as described in this document and is required by the Florida Business Corporation Act.

Notice of Appraisal Rights

Chapter XIII requires that we notify our shareholders that appraisal rights will be available not less than 20 days before the action is taken that requires shareholder approval. This Information Statement constitutes the Company's notice to our shareholders of the availability of appraisal rights.

Written Demand for Appraisal

You must deliver a written demand for appraisal to the Company within 20 days from the date of mailing of this Information Statement. A shareholder who does not timely submit this notice is not entitled to receive payment under Chapter XIII.

Continuous Ownership of Shares

You must continuously hold your shares of Company stock from the date you make the demand for appraisal through the closing of the Asset Sale.

Requirements for Written Demand for Appraisal

Edgar Filing: EACO CORP - Form DEF 14C

A written demand for appraisal must be signed by, or in the name of, the shareholder of record who owns the shares at the time the demand is made. If you are the beneficial owner of stock but not the shareholder of record, you must have the shareholder of record submit the demand for appraisal. If you are a record owner, such as a broker, who owns Company stock as nominee for others, you may exercise appraisal rights with respect to shares held for one or more beneficial owners while not exercising appraisal rights for other beneficial owners. In this case, you should specify in the written demand for appraisal the number of shares as to which you wish to demand appraisal and the names and addresses of each beneficial owner on whose behalf appraisal rights are being asserted.

Address

If you elect to exercise your appraisal rights, you should address the written demand to EACO Corporation, Attention: Edward Alexander, 2113 Florida Boulevard, Neptune Beach, Florida 32266. As noted above, we must receive this demand within 20 days after the mailing of this Information Statement.

Appraisal Notice and Form

If the Asset Sale closes, the Company will send a written appraisal notice to each shareholder who timely sends the required demand to the Company. The notice will contain the Company's estimation of the fair value of the shareholder's shares immediately prior to the sale and its offer to pay that estimated value in cash. That notice will be sent no later than 10 days from the effective date of the Asset Sale and will include a form that provides for the shareholder to state:

- (a) The shareholder's name and address.
- (b) The number, classes and series of shares as to which the shareholder asserts the appraisal rights.
- (c) That the shareholder did not vote for the transaction.
- (d) Whether the shareholder accepts the Company's offer to pay its estimation of the fair value of the shares.
- (e) If that offer is not accepted, the shareholder's estimated fair value of the shares and a demand for payment of the shareholder's estimated value plus interest.

The appraisal notice will say where the form must be sent and where certificates for certificated shares must be deposited and the date by which those certificates must be deposited. It will include a date by which the Company must receive the form, which date may be not fewer than 40 days nor more than 60 days after the date that the appraisal notice and form are sent. The notice will also give information on the shareholder's rights to withdraw the demand for appraisal. The notice will be accompanied by financial statements of the Company including a

Edgar Filing: EACO CORP - Form DEF 14C

balance sheet, an income statement, and a cash flow statement for the last fiscal year together with interim financial information, if any.

Perfection of Rights

A shareholder who wishes to exercise appraisal rights must execute and return the form together with certificated shares in accordance with the terms of the notice or the demand for appraisal is void. Once the shareholder returns the executed form and the certificated shares, that shareholder loses all rights as a shareholder unless the shareholder withdraws the demand. The shareholder who has timely filed the form and the certificated shares may nevertheless decline to exercise appraisal rights and withdraw from the appraisal proceedings by notifying the Company in writing by date set forth in the appraisal notice.

Shareholder's Acceptance

If the shareholder states on the appraisal form that the shareholder accepts the offer of the Company to pay its estimated fair value of the shares, the Company will make the payment to the shareholder within 90 days after the Company's receipt of the form. Upon payment of the agreed value, the shareholder shall cease to have any interest in the shares.

Procedure if Shareholder is Dissatisfied with Offer

A shareholder who is dissatisfied with the Company's offer to pay its estimated value of the shares must notify the Company on the appraisal form and give that shareholder's estimate of the fair value of the shares and demand payment of that estimate plus interest. The shareholder who fails to notify the Company in writing of the shareholder's demand to be paid the shareholder's stated estimate of the fair value waives the right to demand payment and is entitled only to the payment offered by the Company.

Court Action

If the shareholder makes demand for payment which remains unsettled, the Company shall commence a proceeding within 60 days in the Circuit Court in Duval County, Florida and petition the court to determine the fair value of the shares immediately prior to the sale and accrued interest. If the Company does not commence the proceeding within the 60 day period, any shareholder who has made a demand may do so in the name of the Company. All shareholders whose demand remains unsettled shall be made parties to the proceeding.

Court Costs and Counsel Fees

The court in an appraisal proceeding determines all costs of the proceeding including reasonable compensation and expenses of appraisers appointed by the court. The court will assess the costs against the Company except that the court may assess costs against all or some of the shareholders demanding appraisal in

Edgar Filing: EACO CORP - Form DEF 14C

amounts that the court finds equitable to the extent the court finds such shareholders acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by Chapter XIII. The court may also assess fees and expenses of counsel and experts for the respective parties in amounts the court finds equitable. In making its determination as to the fair value of the Company's shares, the court may find that the value is more than, the same as or less than the estimate of fair value offered by the Company.

Dear Board of Directors:

You have requested the opinion of Allen C. Ewing & Co. In arriving at our opinion, we have conducted discussions with members of senior management of the Company concerning the Company's business and the prospects of such business. We have visited the Company's Whistle Junction restaurant in Jacksonville, Florida, and we have reviewed and analyzed certain publicly available business and financial information and certain other information prepared by, or provided to, us in connection with the Transaction, including, among other things, the following:

- (h) the financial terms of recent sales of restaurant properties considered by us to be reasonably similar to the Company's restaurant properties;

1. the current market environment generally and the restaurant industry environment in particular; and
2. such other information, financial studies, analyses, inquiries and other matters that we deemed relevant.

Ewing has relied upon the accuracy and completeness of the information provided by the Company, including the terms of the Transaction, and has not conducted an independent verification of such information. Ewing based its opinion on the terms of the Transaction and the current financial condition of and outlook for the Company.

Based upon Ewing's knowledge of and experience in the valuation of companies and their securities, it is Ewing's opinion that the proposed terms of the Transaction are fair, from

Edgar Filing: EACO CORP - Form DEF 14C

a financial point of view, to the shareholders of the Company.

Ewing's opinion is directed to the Board and does not constitute a recommendation to the Company's shareholders. Ewing has not been requested to opine as to, and the opinion does not address, the Board's business decision to effect the Transaction.

The preparation of this fairness opinion involves various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. Furthermore, in arriving at its opinion of fairness, Ewing did not attribute any particular weight to any one factor considered by it, but made qualitative judgments as to the significance and relevance of the analysis of all factors. Ewing believes that its analysis must be considered as a whole and that considering any portions of such analysis and the factors considered without considering all analyses and factors could create a misleading or incomplete view of the process underlying its fairness opinion.

Very truly yours,
ALLEN C. EWING & CO.

(a) Consummation of a merger to which the corporation is a party if shareholder approval is required for the merger by 607.1103 and the shareholder is entitled to vote on the merger or if the corporation is a subsidiary and the merger is governed by 607.1104;

(b) Consummation of a share exchange to which the corporation is a party as the corporation whose shares will be acquired if the shareholder is entitled to vote on the exchange, except that appraisal rights shall not be available to any shareholder of the corporation with respect to any class or series of shares of the corporation that is not exchanged;

(c) Consummation of a disposition of assets pursuant to 607.1202 if the shareholder is entitled to vote on the disposition, including a sale in dissolution but not including a sale pursuant to court order or a sale for cash pursuant to a plan by which all or substantially all of the net proceeds of the sale will be distributed to the shareholders within 1 year after the date of sale;

(e) With regard to a class of shares prescribed in the articles of incorporation prior to October 1, 2003, including any shares within that class subsequently authorized by amendment, any amendment of the articles of incorporation if the shareholder is entitled to vote on the amendment and if such amendment would adversely affect such shareholder by:

1. Altering or abolishing any preemptive rights attached to any of his or her shares;

2. Altering or abolishing the voting rights pertaining to any of his or her shares, except as such rights may be affected by the voting rights of new shares then being authorized of any existing or new class or series of shares;

3. 4. Reducing the stated redemption price of any of the shareholder's redeemable shares, altering or abolishing any provision relating to any sinking fund for the redemption or purchase of any of his or her shares, or making any of his or her shares subject to redemption when they are not otherwise redeemable;

5. Making noncumulative, in whole or in part, dividends of any of the shareholder's preferred shares which had theretofore been cumulative;

6. Reducing the stated dividend preference of any of the shareholder's preferred shares; or

7. Reducing any stated preferential amount payable on any of the shareholder's preferred shares upon voluntary or involuntary liquidation.

(2) Notwithstanding subsection (1), the availability of appraisal rights under paragraphs (1)(a), (b), (c), and (d) shall be limited in accordance with the following provisions:

(a) Appraisal rights shall not be available for the holders of shares of any class or series of shares which is:

Edgar Filing: EACO CORP - Form DEF 14C

(b) The applicability of paragraph (a) shall be determined as of:

1. The record date fixed to determine the shareholders entitled to receive notice of, and to vote at, the meeting of shareholders to act upon the corporate action requiring appraisal rights; or
2. If there will be no meeting of shareholders, the close of business on the day on which the board of directors adopts the resolution recommending such corporate action.

(c) Paragraph (a) shall not be applicable and appraisal rights shall be available pursuant to subsection (1) for the holders of any class or series of shares who are required by the terms of the corporate action requiring appraisal rights to accept for such shares anything other than cash or shares of any class or any series of shares of any corporation, or any other proprietary interest of any other entity, that satisfies the standards set forth in paragraph (a) at the time the corporate action becomes effective.

(d) Paragraph (a) shall not be applicable and appraisal rights shall be available pursuant to subsection (1) for the holders of any class or series of shares if:

1. Any of the shares or assets of the corporation are being acquired or converted, whether by merger, share exchange, or otherwise, pursuant to the corporate action by a person, or by an affiliate of a person, who:

- a. Is, or at any time in the 1-year period immediately preceding approval by the board of directors of the corporate action requiring appraisal rights was, the beneficial owner of 20 percent or more of the voting power of the corporation, excluding any shares acquired pursuant to an offer for all shares having voting power if such offer was made within 1 year prior to the corporate action requiring appraisal rights for consideration of the same kind and of a value equal to or less than that paid in connection with the corporate action; or

- b. Directly or indirectly has, or at any time in the 1-year period immediately preceding approval by the board of directors of the corporation of the corporate action requiring appraisal

rights had, the power, contractually or otherwise, to cause the appointment or election of 25 percent or more of the directors to the board of directors of the corporation; or

2. Any of the shares or assets of the corporation are being acquired or converted, whether by merger, share exchange, or otherwise, pursuant to such corporate action by a person, or by an affiliate of a person, who is, or at any time in the 1-year period immediately preceding approval by the board of directors of the corporate action requiring appraisal rights was, a senior executive or director of the corporation or a senior executive of any affiliate thereof, and that senior executive or director will receive, as a result of the corporate action, a financial benefit not generally available to other shareholders as such, other than:

Edgar Filing: EACO CORP - Form DEF 14C

- a. Employment, consulting, retirement, or similar benefits established separately and not as part of or in contemplation of the corporate action;
- b. Employment, consulting, retirement, or similar benefits established in contemplation of, or as part of, the corporate action that are not more favorable than those existing before the corporate action or, if more favorable, that have been approved on behalf of the corporation in the same manner as is provided in 5 607.0832; or
- c. In the case of a director of the corporation who will, in the corporate action, become a director of the acquiring entity in the corporate action or one of its affiliates, rights and benefits as a director that are provided on the same basis as those afforded by the acquiring entity generally to other directors of such entity or such affiliate.
- (e) For the purposes of paragraph (d) only, the term "beneficial owner" means any person who, directly or indirectly, through any contract, arrangement, or understanding, other than a revocable proxy, has or shares the power to vote, or to direct the voting of, shares, provided that a member of a national securities exchange shall not be deemed to be a beneficial owner of securities held directly or indirectly by it on behalf of another person solely because such member is the recordholder of such securities if the member is precluded by the rules of such exchange from voting without instruction on contested matters or matters that may affect substantially the rights or privileges of the holders of the securities to be voted. When two or more persons agree to act together for the purpose of voting their shares of the corporation, each member of the group formed thereby shall be deemed to have acquired beneficial ownership, as of the date of such agreement, of all voting shares of the corporation beneficially owned by any member of the group.
- (3) Notwithstanding any other provision of this section, the articles of incorporation as originally filed or any amendment thereto may limit or eliminate appraisal rights for any class or series of preferred shares, but any such limitation or elimination contained in an amendment to the articles of incorporation that limits or eliminates appraisal rights for any of such shares that are outstanding immediately prior to the effective date of such amendment or that the corporation is or may be required to issue or sell thereafter pursuant to any conversion, exchange, or other right existing immediately before the effective date of such amendment shall not apply to any corporate action that becomes effective within 1 year of that date if such action would otherwise afford appraisal rights.
- (4) A shareholder entitled to appraisal rights under this chapter may not challenge a completed corporate action for which appraisal rights are available unless such corporate action:
- (a) Was not effectuated in accordance with the applicable provisions of this section or the corporation's articles of incorporation, bylaws, or board of directors' resolution authorizing the corporate action; or

Edgar Filing: EACO CORP - Form DEF 14C

(b) Was procured as a result of fraud or material misrepresentation.

607.1303 Assertion of rights by nominees and beneficial owners.

(1) A record shareholder may assert appraisal rights as to fewer than all the shares registered in the record shareholder's name but owned by a beneficial shareholder only if the record shareholder objects with respect to all shares of the class or series owned by the beneficial shareholder and notifies the corporation in writing of the name and address of each beneficial shareholder on whose behalf appraisal rights are being asserted. The rights of a record shareholder who asserts appraisal rights for only part of the shares held of record in the record shareholder's name under this subsection shall be determined as if the shares as to which the record shareholder objects and the record shareholder's other shares were registered in the names of different record shareholders.

(2) A beneficial shareholder may assert appraisal rights as to shares of any class or series held on behalf of the shareholder only if such shareholder:

(a) Submits to the corporation the record shareholder's written consent to the assertion of such rights no later than the date referred to in 607.1322(2)(b)2.

(b) Does so with respect to all shares of the class or series that are beneficially owned by the beneficial shareholder.

607.1320 Notice of appraisal rights.

(1) If proposed corporate action described in 607.1302(1) is to be submitted to a vote at a shareholders' meeting, the meeting notice must state that the corporation has concluded that shareholders are, are not, or may be entitled to assert appraisal rights under this chapter. If the corporation concludes that appraisal rights are or may be available, a copy of 607.1301-607.1333 must accompany the meeting notice sent to those record shareholders entitled to exercise appraisal rights.

(2) In a merger pursuant to 607.1104, the parent corporation must notify in writing all record shareholders of the subsidiary who are entitled to assert appraisal rights that the corporate action became effective. Such notice must be sent within 10 days after the corporate action became effective and include the materials described in 607.1322.

(3) If the proposed corporate action described in 607.1302(1) is to be approved other than by a shareholders' meeting, the notice referred to in subsection (1) must be sent to all shareholders at the time that consents are first solicited pursuant to 607.0704, whether or not consents are solicited from all shareholders, and include the materials described in 607.1322.

607.1321 Notice of intent to demand payment.

(1) If proposed corporate action requiring appraisal rights under 607.1302 is submitted to a vote at a shareholders' meeting, or is submitted to a shareholder pursuant to a consent

Edgar Filing: EACO CORP - Form DEF 14C

vote

under 607.0704, a shareholder who wishes to assert appraisal rights with respect to any class or series of shares:

(a) Must deliver to the corporation before the vote is taken, or within 20 days after receiving the notice pursuant to 607.1320(3) if action is to be taken without a shareholder meeting, written notice of the shareholder's intent to demand payment if the proposed action is effectuated.

(b) Must not vote, or cause or permit to be voted, any shares of such class or series in favor of the proposed action.

(2) A shareholder who does not satisfy the requirements of subsection (1) is not entitled to payment under this chapter.

607.1322 Appraisal notice and form.

(1) If proposed corporate action requiring appraisal rights under 607.1302(1) becomes effective, the corporation must deliver a written appraisal notice and form required by paragraph (2)(a) to all shareholders who satisfied the requirements of 607.1321. In the case of a merger under 607.1104, the parent must deliver a written appraisal notice and form to all record shareholders who may be entitled to assert appraisal rights.

(2) The appraisal notice must be sent no earlier than the date the corporate action became effective and no later than 10 days after such date and must:

(a) Supply a form that specifies the date that the corporate action became effective and that provides for the shareholder to state:

1. The shareholder's name and address.
2. The number, classes, and series of shares as to which the shareholder asserts appraisal rights.
3. That the shareholder did not vote for the transaction.
4. Whether the shareholder accepts the corporation's offer as stated in subparagraph (b)4.
5. If the offer is not accepted, the shareholder's estimated fair value of the shares and a demand for payment of the shareholder's estimated value plus interest.

(b) State:

1. Where the form must be sent and where certificates for certificated shares must be deposited and the date by which those certificates must be deposited, which date may not be earlier than the date for receiving the required form under subparagraph 2.

2. A date by which the corporation must receive the form, which date may not be fewer than 40 nor more than 60 days after the date the subsection (1) appraisal notice and form are sent, and state that the shareholder shall have waived the right to demand

Edgar Filing: EACO CORP - Form DEF 14C

appraisal with respect to the shares unless the form is received by the corporation by such specified date.

3. The corporation's estimate of the fair value of the shares.

4. An offer to each shareholder who is entitled to appraisal rights to pay the corporation's estimate of fair value set forth in subparagraph 3.

5. That, if requested in writing, the corporation will provide to the shareholder so requesting, within 10 days after the date specified in subparagraph 2., the number of shareholders who return the forms by the specified date and the total number of shares owned by them.

6. The date by which the notice to withdraw under 607.1323 must be received, which date must be within 20 days after the date specified in subparagraph 2.

(c) Be accompanied by:

1. Financial statements of the corporation that issued the shares to be appraised, consisting of a balance sheet as of the end of the fiscal year ending not more than 15 months prior to the date of the corporation's appraisal notice, an income statement for that year, a cash flow statement for that year, and the latest available interim financial statements, if any.

2. A copy of 607.1301-607.1333.

607.1323 Perfection of rights; right to withdraw.

(1) A shareholder who wishes to exercise appraisal rights must execute and return the form received pursuant to 607.1322(1) and, in the case of certificated shares, deposit the shareholder's certificates in accordance with the terms of the notice by the date referred to in the notice pursuant to 607.1322(2)(b)2. Once a shareholder deposits that shareholder's certificates or, in the case of uncertificated shares, returns the executed forms, that shareholder loses all rights as a shareholder, unless the shareholder withdraws pursuant to subsection (2).

(2) A shareholder who has complied with subsection (1) may nevertheless decline to exercise appraisal rights and withdraw from the appraisal process by so notifying the corporation in writing by the date set forth in the appraisal notice pursuant to 607.1322(2)(b)6. A shareholder who fails to so withdraw from the appraisal process may not thereafter withdraw without the corporation's written consent.

(3) A shareholder who does not execute and return the form and, in the case of certificated shares, deposit that shareholder's share certificates if required, each by the date set forth in the notice described in subsection (2), shall not be entitled to payment under this chapter.

607.1324 Shareholder's acceptance of corporation's offer.

Edgar Filing: EACO CORP - Form DEF 14C

(1) If the shareholder states on the form provided in 607.1322(1) that the shareholder accepts the offer of the corporation to pay the corporation's estimated fair value for the shares, the corporation shall make such payment to the shareholder within 90 days after the corporation's receipt of the form from the shareholder.

(2) Upon payment of the agreed value, the shareholder shall cease to have any interest in the shares.

607.1326 Procedure if shareholder is dissatisfied with offer.

(1) A shareholder who is dissatisfied with the corporation's offer as set forth pursuant to 607.1322(2)(b)4. must notify the corporation on the form provided pursuant to 607.1322(1) of that shareholder's estimate of the fair value of the shares and demand payment of that estimate plus interest.

(2) A shareholder who fails to notify the corporation in writing of that shareholder's demand to be paid the shareholder's stated estimate of the fair value plus interest under subsection (1) within the timeframe set forth in 607.1322(2)(b)2. waives the right to demand payment under this section and shall be entitled only to the payment offered by the corporation pursuant to 607.1322(2)(b)4.

607.1330 Court action.

(1) If a shareholder makes demand for payment under 607.1326 which remains unsettled, the corporation shall commence a proceeding within 60 days after receiving the payment demand and petition the court to determine the fair value of the shares and accrued interest. If the corporation does not commence the proceeding within the 60-day period, any shareholder who has made a demand pursuant to 607.1326 may commence the proceeding in the name of the corporation.

(2) The proceeding shall be commenced in the appropriate court of the county in which the corporation's principal office, or, if none, its registered office, in this state is located. If the corporation is a foreign corporation without a registered office in this state, the proceeding shall be commenced in the county in this state in which the principal office or registered office of the domestic corporation merged with the foreign corporation was located at the time of the transaction.

(3) All shareholders, whether or not residents of this state, whose demands remain unsettled shall be made parties to the proceeding as in an action against their shares. The corporation shall serve a copy of the initial pleading in such proceeding upon each shareholder party who is a resident of this state in the manner provided by law for the service of a summons and complaint and upon each nonresident shareholder party by registered or certified mail or by publication as provided by law.

(4) The jurisdiction of the court in which the proceeding is commenced under subsection (2) is plenary and exclusive. If it so

Edgar Filing: EACO CORP - Form DEF 14C

elects, the court may appoint one or more persons as appraisers to receive evidence and recommend a decision on the question of fair value. The appraisers shall have the powers described in the order appointing them or in any amendment to the order. The shareholders demanding appraisal rights are entitled to the same discovery rights as parties in other civil proceedings. There shall be no right to a jury trial.

(5) Each shareholder made a party to the proceeding is entitled to judgment for the amount of the fair value of such shareholder's shares, plus interest, as found by the court.

(6) The corporation shall pay each such shareholder the amount found to be due within 10 days after final determination of the proceedings. Upon payment of the judgment, the shareholder shall cease to have any interest in the shares.

607.1331 Court costs and counsel fees.

(1) The court in an appraisal proceeding shall determine all costs of the proceeding, including the reasonable compensation and expenses of appraisers appointed by the court. The court shall assess the costs against the corporation, except that the court may assess costs against all or some of the shareholders demanding appraisal, in amounts the court finds equitable, to the extent the court finds such shareholders acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by this chapter.

(2) The court in an appraisal proceeding may also assess the fees and expenses of counsel and experts for the respective parties, in amounts the court finds equitable:

(a) Against the corporation and in favor of any or all shareholders demanding appraisal if the court finds the corporation did not substantially comply with 607.1320 and 607.1322; or

(b) Against either the corporation or a shareholder demanding appraisal, in favor of any other party, if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by this chapter.

(3) If the court in an appraisal proceeding finds that the services of counsel for any shareholder were of substantial benefit to other shareholders similarly situated, and that the fees for those services should not be assessed against the corporation, the court may award to such counsel reasonable fees to be paid out of the amounts awarded the shareholders who were benefited.

(4) To the extent the corporation fails to make a required payment pursuant to 607.1324, the shareholder may sue directly for the amount owed and, to the extent successful, shall be entitled to recover from the corporation all costs and expenses of the suit, including counsel fees.

607.1332 Disposition of acquired shares.

Edgar Filing: EACO CORP - Form DEF 14C

Shares acquired by a corporation pursuant to payment of the agreed value thereof or pursuant to payment of the judgment entered therefor, as provided in this chapter, may be held and disposed of by such corporation as authorized but unissued shares of the corporation, except that, in the case of a merger or share exchange, they may be held and disposed of as the plan of merger or share exchange otherwise provides. The shares of the surviving corporation into which the shares of such shareholders demanding appraisal rights would have been converted had they assented to the merger shall have the status of authorized but unissued shares of the surviving corporation.

607.1333 Limitation on corporate payment.

(1) No payment shall be made to a shareholder seeking appraisal rights if, at the time of payment, the corporation is unable to meet the distribution standards of 607.06401. In such event, the shareholder shall, at the shareholder's option:

(a) Withdraw his or her notice of intent to assert appraisal rights, which shall in such event be deemed withdrawn with the consent of the corporation; or

(b) Retain his or her status as a claimant against the corporation and, if it is liquidated, be subordinated to the rights of creditors of the corporation, but have rights superior to the shareholders not asserting appraisal rights, and if it is not liquidated, retain his or her right to be paid for the shares, which right the corporation shall be obliged to satisfy when the restrictions of this section do not apply.

(2) The shareholder shall exercise the option under paragraph (1)(a) or paragraph (b) by written notice filed with the corporation within 30 days after the corporation has given written notice that the payment for shares cannot be made because of the restrictions of this section. If the shareholder fails to exercise the option, the shareholder shall be deemed to have withdrawn his or her notice of intent to assert appraisal rights.
