In accordance with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission, certain unaudited financial information for the communities acquired during the nine months ended September 30, 2004, the community acquired on October 14, 2004 and the community expected to be acquired on November 29, 2004 that are not individually significant has also been presented. INDEPENDENT AUDITORS REPORT

To the Board of Directors and Stockholders of Summit Properties Inc:

We have audited the accompanying statement of revenues and certain expenses (the Statement) of Summit Stonecrest (formerly Alta Haven Apartments) (the Property) for the year ended December 31, 2003. The Statement is the responsibility of the Property s management. Our responsibility is to express an opinion on the Statement based on our audit.

We conducted our audit in accordance with the auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Statement. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Statement was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in Form 8-K of Summit Properties Inc.). Material amounts, as described in note 1 to the Statement that would not be directly attributable to those resulting from future operations of the property are excluded and the Statement is not intended to be a complete presentation of the Property s revenues and expenses.

In our opinion, the Statement presents fairly, in all material respects, the revenues and certain expenses, as described in note 1 to the Statement, of Summit Stonecrest for the year ended December 31, 2003, in conformity with accounting principles generally accepted in the United States of America.

FOR THE YEAR ENDED DECEMBER 31, 2003 AND THE PERIOD FROM
JANUARY 1, 2004 THROUGH MAY 26, 2004 (UNAUDITED)**

NOTE 1. ORGANIZATION AND BASIS FOR PRESENTATION

The accompanying statements of revenues and certain expenses (the Statements) relate to Summit Stonecrest (formerly Alta Haven Apartments), a 306 unit apartment community located in Charlotte, NC.

These Statements are prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (SEC) as a result of the acquisition of Summit Stonecrest by Summit Properties Inc. (the Company) on May 27, 2004. Rule 3-14 requires certain information with respect to the operations of real estate assets acquired to be included in certain filings with the SEC. The Statements include the historical revenues of Summit Stonecrest and certain operating expenses, excluding items not comparable to the operations of the property under the Company s ownership, including depreciation, amortization, interest expense, and management fees. The Company is a real estate investment trust that operates, develops and acquires luxury apartment communities in select neighborhoods throughout the Southeast and Mid-Atlantic United States.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue recognition - Summit Stonecrest leases its apartment homes under operating leases with terms of generally one year or less. Rental revenue is recognized on the accrual basis of accounting as earned, which is not materially different from revenue recognition on a straight-line basis.

Advertising costs - Summit Stonecrest expenses advertising costs as incurred and expensed \$58,600 and \$22,300 for the year ended December 31, 2003 and the period from January 1, 2004 through May 26, 2004, respectively.

Repairs and maintenance - The cost of items such as landscaping maintenance, interior painting and cleaning and supplies used in such activities as well as the cost of all major maintenance activities are expensed as incurred and are not accrued for in advance.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Interim information - The accompanying Statement for the period from January 1, 2004 through May 26, 2004 is unaudited; however it has been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information and in conjunction with the rules and regulations of the U.S. Securities and Exchange Commission. Accordingly, it does not include all of the disclosures required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments (consisting solely of normal recurring matters) necessary for a fair presentation for the interim period have been included. The results for the interim period from January 1, 2004 through May 26, 2004 are not necessarily indicative of the results that may be expected for the full year.

**NOTES TO STATEMENTS OF REVENUES AND CERTAIN EXPENSES
FOR THE YEAR ENDED DECEMBER 31, 2003 AND THE PERIOD FROM JANUARY 1, 2004
THROUGH SEPTEMBER 30, 2004 (UNAUDITED)**

NOTE 1. ORGANIZATION AND BASIS FOR PRESENTATION

The accompanying statements of revenues and certain expenses (the Statements) relate to Charlotte Cotton Mills Apartment Building (Cotton Mills), a 180 unit apartment community located in Charlotte, NC.

These Statements are prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (SEC) as a result of the anticipated acquisition of Cotton Mills by Summit Properties Inc. (the Company) on November 29, 2004. Rule 3-14 requires certain information with respect to the operations of real estate assets acquired to be included in certain filings with the SEC. The Statements include the historical revenues of Cotton Mills and certain operating expenses, excluding items not comparable to the future operations of the property under the Company s ownership, including depreciation, amortization, interest expense, and management fees. The Company is a real estate investment trust that operates, develops and acquires luxury apartment communities in select neighborhoods throughout the Southeast and Mid-Atlantic United States.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue recognition -Cotton Mills leases its apartment homes under operating leases with terms of generally one year or less. Rental revenue is recognized on the accrual basis of accounting as earned, which is not materially different from revenue recognition on a straight-line basis.

Advertising costs -Cotton Mills expenses advertising costs as incurred and expensed \$67,000 and \$28,100 during the year ended December 31, 2003 and the period from January 1, 2004 through September 30, 2004, respectively.

Repairs and maintenance - The cost of items such as landscaping maintenance, interior painting and cleaning and supplies used in such activities as well as the cost of all major maintenance activities are expensed as incurred and are not accrued for in advance.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Interim information - The accompanying Statement for the period from January 1, 2004 through September 30, 2004 is unaudited; however it has been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information and in conjunction with the rules and regulations of the U.S. Securities and Exchange Commission. Accordingly, it does not include all of the disclosures required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments (consisting solely of normal recurring matters) necessary for a fair presentation for the interim period have been included. The results for the interim period from January 1, 2004 through September 30, 2004 are not necessarily indicative of the results that may be expected for the full year.
