Item 1.01 Entry into a Material Definitive Agreement.

On February 28, 2013, Sprint Nextel Corporation (the “Company”) entered into a new \$2.8 billion unsecured revolving credit facility with JPMorgan Chase Bank, N.A. (“JPMorgan”), as administrative agent, CitiBank, N.A., as syndication agent, and the lenders named therein (the “Credit Facility”). The Credit Facility expires in February 2018 and replaces the Company's \$2.2 billion revolving credit facility that was due to expire in October 2013. The Credit Facility will provide supplemental liquidity for general corporate purposes and will be used to support the letter of credit required by the Federal Communications Commission's Report and Order to reconfigure the 800 MHz band.

The Credit Facility requires that the ratio (“Leverage Ratio”) of total indebtedness to trailing four quarters earnings before interest, taxes, depreciation and amortization and other non-recurring items, as defined in the Credit Facility (adjusted EBITDA), not exceed 6.25 to 1.0 through June 30, 2014. Subsequent to June 30, 2014, the maximum allowed Leverage Ratio declines on a scheduled basis, as set forth in the Credit Facility, until the ratio becomes fixed at 4.0 to 1.0 for the fiscal quarter ended December 31, 2016 and each fiscal quarter ending thereafter. Equipment net subsidy is no longer included in the calculation of adjusted EBITDA under the Credit Facility.

The Credit Facility provides an exception to the definition of “Change of Control” as defined therein for transactions involving one or more “Permitted Holders,” which is defined in the Credit Facility to include SOFTBANK CORP. and its affiliates.

The foregoing description of the Credit Facility does not purport to be complete and is qualified in its entirety by reference to the Credit Facility, which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.03.

Item 9.01 Financial Statements and Exhibits.
