Chief Financial Officer

On June 29, 2018, Sprint Corporation (the “Company”) announced that Andrew M. Davies, 52, has agreed to become Chief Financial Officer (“CFO”) of the Company effective on July 2, 2018 (the “Effective Date”).

Mr. Davies was Group Chief Financial Officer of Veon Ltd. (formerly VimpelCom Ltd.), a NASDAQ and Euronext Amsterdam-listed international communications and technology company, where he was responsible for all external communications, procurement, accounting and financial aspects of the company from November 2013 until November 2017. Previously, Mr. Davies was the Chief Financial Officer of Verizon Wireless from October 2010 to October 2013. Prior to his appointment at Verizon Wireless, Mr. Davies held several senior financial roles within Vodafone Group Plc, including Chief Financial Officer of Vodafone India and Vodafone Turkey as well as positions in Vodafone UK and Vodafone Japan, from 2003 until 2010. Prior to joining Vodafone in 2003, Mr. Davies was Chief Financial Officer of Singlepoint (4U), which was acquired by Vodafone in 2003 and also held positions with Honeywell Inc. and General Electric after starting his career with KPMG. Mr. Davies earned a Bachelor of Science degree in mathematics from Imperial College in London, is an Associate of the Royal College of Science and is a Fellow of the Institute of Chartered Accountants in England and Wales.

On July 2, 2018, the Company entered into an employment offer letter with Mr. Davies (the “Davies Offer Letter”). The Davies Offer Letter provides for the following compensation:

- an annual base salary of \$750,000;
- short-term cash bonus plan (“STIC plan”) participation as follows:
 - for the Company’s bonus performance period that commenced on April 1, 2018 and will end on March 31, 2019, a target bonus opportunity of 100% of Mr. Davies’s annual base salary, up to a maximum bonus of 200% of his target bonus, pro-rated from the Effective Date;
 - beginning with fiscal year 2019, an annual target bonus opportunity of 100% of Mr. Davies’s base salary up to a maximum annual bonus of 200% of his target bonus;
- long-term incentive compensation plan (“LTIC plan”) participation as follows:
 - an initial target award opportunity with a total aggregate value of \$1.5 million on the grant date, with 50% of such value granted as a time-vesting restricted stock unit award, and 50% of such value granted as a performance-vesting restricted stock unit award;
 - beginning with fiscal year 2019, a target award opportunity that will be no less than \$1.5 million on the grant date;
 - a one-time cash payment of \$100,000, which is intended to provide financial assistance for certain housing and travel expenses in lieu of relocation benefits, provided that if Mr. Davies resigns or is terminated by the Company for cause, within one year of the Effective Date, Mr. Davies must repay such amount to the Company;
- eligibility to participate in such other equity incentive compensation plans and employee benefit programs as the Company generally provides to its senior executives under such plans and programs;
- certain benefits and perquisites, including indemnification and directors’ and officers’ liability insurance;
- payment or reimbursement of certain business expenses; and
 - participation in the Company’s vacation policy.

Mr. Davies will not be eligible to receive severance compensation and other benefits upon termination of his employment for any reason, including in connection with a transaction that results in a change in control. The Davies Offer Letter has no specified term, and Mr. Davies's employment with the Company will be on an at-will basis. Further, the Davies Offer Letter provides that Mr. Davies's job location will be in Overland Park, Kansas.

Certain Relationships and Related Party Transactions

Indemnification Agreement

The Company expects to enter into its standard indemnification agreement with Mr. Davies, as it has with its other executive officers. The indemnification agreement provides, among other things, that the Company will provide to Mr. Davies indemnification under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines and settlements that Mr. Davies may be required to pay in actions or proceedings in which he is or may be made a party by reason of his position as a director, officer or other agent of the Company or its subsidiaries.

Amended and Restated Employment Agreements

As previously disclosed, Marcelo Claire was appointed Executive Chairman of the Board of Directors of the Company and ceased to serve as the Company's Chief Executive Officer ("CEO"), and Michel Combes, the Company's President, was appointed CEO, in each case effective as of May 31, 2018.

Marcelo Claire

On July 2, 2018, the Company and Mr. Claire entered into an Amended and Restated Employment Agreement, effective as of May 31, 2018 (the "Claire Agreement"). The Claire Agreement provides that Mr. Claire will receive an annual base salary of \$1,000,000 for serving as Executive Chairman. In addition, the Claire Agreement provides that Mr. Claire will no longer be eligible to participate in any short-term or long-term incentive compensation plans (including the Company's STIC and LTIC plans), except that (1) outstanding awards previously granted under prior plans will continue to vest and be paid pursuant to their terms, and (2) he will be eligible to participate in the Company's 2018 STIC plan and will receive a prorated target award opportunity based on the number of days that he served as CEO in fiscal year 2018.

If Mr. Claire's employment under the Claire Agreement terminates, regardless of the reason, Mr. Claire will not be entitled to receive severance compensation and other benefits, except that Mr. Claire will be entitled to receive:

- any accrued but unpaid cash compensation;
- payment of a bonus award under the 2018 STIC plan, if the 2018 STIC plan award has not been paid as of his termination date; and
- any vested, accrued or earned benefits under the Company's employee benefit plans and programs ("Employee Plans") or any outstanding equity, or equity-based, awards in accordance with the terms of such Employee Plans or outstanding awards, including any vested, accrued or earned benefits under his outstanding Turnaround Incentive Award and any outstanding option awards, as further described below.

The Claire Agreement also provides that if Mr. Claire remains employed through the closing of the Company's proposed merger with T-Mobile US, Inc. ("T-Mobile"), then Mr. Claire's employment with the Company will terminate immediately after closing and, subject to Mr. Claire's execution and delivery to the Company of a release in accordance with the terms of the Claire Agreement, such termination will be treated as a termination by the Company (1) without cause, for purposes of any outstanding option awards, and (2) without cause during the CIC Severance Protection Period, for purposes of his outstanding Turnaround Incentive Award.

In addition, Mr. Claire will continue to receive (1) certain health and welfare benefits from the Company, except to the extent comparable benefits are provided by SoftBank Group Corp. or one of its affiliates ("SoftBank"), and (2) certain perquisites, including indemnification and directors' and officers' liability insurance. Because the overall

security program implemented for Mr. Claire substantially restricts him from flying commercially, the Claire Agreement now permits unlimited personal usage of Company aircraft. Finally, the Claire Agreement makes conforming changes to the terms of Mr. Claire's employment to reflect his new role as Executive Chairman and his dual employment with SoftBank, as previously disclosed.

Michel Combes

On July 2, 2018, the Company and Michel Combes, currently President and CEO, entered into an Amended and Restated Employment Agreement, effective as of May 31, 2018 (the "Combes Agreement"). In connection with his appointment as CEO, Mr. Combes's compensation will generally remain unchanged. The Combes Agreement provides, however, that in the event that Mr. Combes's employment with the Company terminates and he (1) subsequently commences employment with SoftBank, or (2) is

offered, but refuses to accept, a comparable employment position with SoftBank following the closing of the Company's proposed merger with T-Mobile, then in each case he will not be entitled to receive certain severance compensation and other benefits under certain conditions as specified in the Combes Agreement. The Combes Agreement also makes conforming changes to the terms of Mr. Combes's employment to reflect his new role as CEO.

The foregoing summaries of the material terms of the Davies Offer Letter, the Claure Agreement and the Combes Agreement are qualified in their entirety by the full terms and conditions of the Davies Offer Letter, the Claure Agreement and the Combes Agreement, copies of which are filed hereto as Exhibits 10.1, 10.2 and 10.3, respectively, and are incorporated herein by reference.
