State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

In order to fully evaluate the impact of the events described below and ensure a complete and accurate filing, we are filing this request for an automatic 15 day extension for the filing of our Form 10-K for the year ended December 31, 2005.

Subsequent to December 31, 2005, the company became aware of operating results and related events at an organization in which we had a working capital investment that have caused us to reevaluate the realizability of that investment and to record a pre-tax charge to fourth quarter 2005 earnings of approximately \$7.2 million, representing the full amount of that investment. We are evaluating the accounting treatment of this organization as a Variable Interest Entity ("VIE") as defined in FIN46(R), as well as the impact of this matter, if any, on Management's Report on Internal Control Over Financial Reporting.

Including this adjustment, our pre-tax earnings for the fourth quarter and full year 2005 were approximately \$2.5 million and \$20.9 million, respectively, as compared to \$2.0 million and \$25.4 million for the fourth quarter and full year 2004.
