PROXY STATEMENT

GENERAL INFORMATION

The enclosed proxy is solicited by and on behalf of the Board of Directors of

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

iLinc Communications, Inc., (the "Company"), for use at the Company's 2004 Annual Meeting of Stockholders (the "Meeting" or the "Annual Meeting") to be held at 9:00 a.m., local time, on August 20, 2004, at 2999 North 44th Street, Suite 650, Phoenix, Arizona 85018, and at any and all adjournments thereof. This Proxy Statement and the accompanying form of proxy are first being mailed or given to the stockholders of the Company on or about July 20, 2004.

The Company is mailing its 2004 Annual Report to Stockholders, including consolidated financial statements, simultaneously with this Proxy Statement to all stockholders of record as of the close of business on July 5, 2004. That report does not constitute a part of this proxy solicitation material.

INFORMATION CONCERNING SOLICITATION AND VOTING

All voting rights are vested exclusively in the holders of the Company's common stock, par value \$0.001 per share. Each share of the Company's common stock is entitled to one vote. Cumulative voting in the election of directors is not permitted. Holders of a majority of shares entitled to vote at the Meeting, when present in person or by proxy constitute a quorum. On July 5, 2004, the record date for stockholders entitled to vote at the Meeting, 24,827,434 shares of the Company's common stock were issued and outstanding.

Proxies in the enclosed form will be effective if properly executed and returned prior to the Meeting in the enclosed envelope either to Continental Stock Transfer & Trust Company, Proxy Department, 17 Battery Place FL 8, New York, New York 10004 or the Company at 2999 N. 44th Street, Suite 650, Phoenix, Arizona 85018. The Company's common stock represented by each effective proxy will be voted at the Meeting in accordance with the instruction on the proxy. If no instructions are indicated on a proxy, all common stock represented by such proxy will be voted (a) FOR election of the nominee named in the proxy as a Class C director; (b) FOR approval and ratification of the appointment of BDO Seidman, LLP as the Company's independent accountants for the fiscal year 2005; and (c) as to any other matters of business which properly come before the Meeting, by the named proxies at their discretion.

Any stockholder signing and mailing the enclosed proxy may revoke it at any time before it is voted by giving written notice of the revocation to the Company, by voting in person at the Meeting or by filing at the Meeting a later executed proxy.

When a quorum is present, in the election of directors, the nominee having the highest number of votes cast in favor of his election will be elected to the Company's Board of Directors. With respect to the proposal to ratify the appointment of BDO Seidman, LLP as the Company's independent accountants for the fiscal year 2005, the affirmative vote of a majority of the shares present or represented by proxy at the meeting is required. With respect to any other matter which may properly come before the Meeting, unless a greater number of votes is required by law or by the Company's restated certificate of incorporation, a matter will be approved by the stockholders if the votes cast in favor of the matter exceed the votes cast in opposition.

Abstentions, broker non-votes (i.e., shares held by brokers or nominees as to which the broker or nominee indicates on a proxy that it does not have discretionary authority to vote) and any other shares not voted will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Broker non-votes and abstentions which may be specified on the proposal to ratify the appointment of BDO Seidman, LLP as the Company's independent accountants for the fiscal year 2005, will have the same effect as a vote against that proposal. For purposes of determining the outcome of the election of the directors, or of any other matter which properly may come before the Meeting, abstentions, broker non-votes will not be considered as votes cast for the matter. Thus, abstentions and broker non-votes will have no impact in

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

the election of the nominee director, or any other matter which properly may come before the Meeting so long as a quorum is present.

-4-

The Company will pay the cost of soliciting proxies in the accompanying form. The Company has retained the services of Continental Stock Transfer & Trust Company to assist in distributing proxy materials to brokerage houses, banks, custodians and other nominee holders. The estimated cost of such services is approximately \$2,500 plus out-of-pocket expenses. Although there are no formal agreements to do so, proxies may be solicited by officers and other regular employees of the Company by telephone, telegraph or by personal interview for which employees will not receive additional compensation. Arrangements also may be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of the shares held of record by such persons, and the Company may reimburse such persons for reasonable out-of-pocket expenses incurred by them in so doing.

PROPOSAL ONE: ELECTION OF DIRECTORS

GENERAL

The Company's restated certificate of incorporation provides for the classification of the Company's Board of Directors into three classes. The term of office of the Class A directors expires at the Company's 2005 Annual Meeting of Stockholders, the term of office of the Class B directors expires at the Company's 2006 Annual Meeting of Stockholders and the term of office of the Class C directors expires at this Annual Meeting of Stockholders. One Class C nominee is proposed to be re-elected at this Annual Meeting to serve for a three-year term to last until the 2007 Annual Meeting of Stockholders or until his successor is duly elected and has been qualified. The nominee for Class C director will be elected by a plurality of the votes cast, assuming a quorum is present at the Annual Meeting. Accordingly, abstentions and broker non-votes will have no effect on the election of the nominee director.

Proxies cannot be voted for a greater number of persons than the number of nominees named therein. Unless authority to vote is withheld, the persons named in the enclosed form of proxy will vote the shares represented by such proxy for the election of the nominee for director named below. If, at the time of the Meeting, the nominee shall have become unavailable for any reason for election as a director, the persons entitled to vote the proxy will vote for such substitute nominee, if any, as they determine in their discretion. Management is currently unaware of any circumstances likely to render the nominee unavailable for election or unable to serve.

The Board of Directors unanimously recommends that the stockholders vote FOR election of the following nominee as a Class C director of the Company.

PROPOSAL TWO: APPROVAL AND RATIFICATION OF INDEPENDENT ACCOUNTANTS

CHANGE IN INDEPENDENT ACCOUNTANTS: On April 3, 2003, the Company dismissed PricewaterhouseCoopers LLP as its independent accountants and engaged BDO Seidman, LLP. The Company's Audit Committee and Board of Directors participated in and approved the decision to change independent accountants. BDO Seidman, LLP audited the consolidated financial statements of the Company for the fiscal year ending March 31, 2003.

The reports of PricewaterhouseCoopers LLP on the consolidated financial statements for the fiscal years ended March 31, 2002 and 2001, respectively, contained no adverse opinion or disclaimer of opinion and were not qualified as

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

to audit scope or accounting principle except that the report for the fiscal year ended March 31, 2002 contained an explanatory paragraph expressing substantial doubt regarding the Company's ability to continue as a going concern.

In connection with its audits for the fiscal years ended March 31, 2002 and 2001, respectively, and through April 3, 2003, there have been no disagreements with PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements if not resolved to the satisfaction of PricewaterhouseCoopers LLP would have caused them to make reference thereto in their report on the consolidated financial statements for such years.

During the fiscal years ended March 31, 2002 and 2001, respectively, and through April 3, 2003, there have been no reportable events (as defined in Regulation S-K Item 304(a)(1)(v)).

For the two most recent fiscal years of the Company ended March 31, 2002 and 2001 and the subsequent interim period through April 3, 2003, the Company did not consult with BDO Seidman, LLP regarding the application of accounting principles to a specified transaction, type of audit opinion that might be rendered on the Registrant's financial statements, or any other accounting, auditing or reporting matters.

THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE SHARES PRESENT OR REPRESENTED AT THE MEETING AND ENTITLED TO VOTE IS NEEDED TO RATIFY THE APPOINTMENT OF BDO SEIDMAN, LLP AS INDEPENDENT ACCOUNTANTS OF THE COMPANY FOR THE FISCAL YEAR 2005. IF THE APPOINTMENT IS NOT APPROVED, THE MATTER WILL BE REFERRED TO THE AUDIT COMMITTEE FOR FURTHER REVIEW. THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF BDO SEIDMAN, LLP AS THE COMPANY'S INDEPENDENT ACCOUNTANTS FOR THE FISCAL YEAR 2005.

BDO Seidman, LLP audited our consolidated financial statements for the years ended March 31, 2004 and 2003.

AUDIT AND NON-AUDIT FEES

Aggregate fees for professional services rendered to the Company by BDO Seidman, LLP for the years ended March 31, 2004 and 2003, were as follows:

SERVICES PROVIDED	2004	2003
Audit Fees	\$ 190,293	\$ 98,000
Audit Related Fees	26,025	--
Tax Fees	1,050	--
All Other Fees	--	--
Total	\$ 217,368	\$ 98,000

AUDIT FEES. The aggregate fees billed for the years ended March 31, 2004 and 2003 were for the audits of the Company's consolidated financial statements and reviews of the Company's interim consolidated financial statements included in the Company's annual and quarterly reports, and for services provided with respect to the Company's other regulatory filings.

PricewaterhouseCoopers LLP, billed the Company and its subsidiaries approximately \$8,600 for the issuance of their consent to include their previously issued audit report on the Company's consolidated financial

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

statements for the fiscal year ended March 31, 2002 in the Company's Form 10-K for fiscal year 2003.

AUDIT RELATED FEES. The aggregate fees billed for the years ended March 31, 2004 and 2003 were primarily for services provided for review and consultation on acquisition and capital raising transactions.

TAX FEES. The aggregate fees billed for the years ended March 31, 2004 and 2003 were for miscellaneous tax consulting services related to acquisition accounting.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

The Company did not engage BDO Seidman, LLP or PricewaterhouseCoopers LLP to provide services to the Company regarding financial information systems design and implementation during the fiscal year ended March 31, 2004.

ALL OTHER FEES

PricewaterhouseCoopers LLP billed the Company and its subsidiaries approximately \$13,400 for other services for the fiscal year ended March 31, 2004, primarily for issuance of their consent to incorporate by reference their report dated July 11, 2002 relating to the consolidated financial statements which appear in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2003 in the Company's Registration Statement on Form S-3 and charges associates with the change in independent accounts.

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

The Audit Committee has implemented pre-approval policies and procedures related to the provision of audit and non-audit services. Under these procedures, the Audit Committee pre-approves both the type of services to be provided by its auditor and the estimated fees related to these services.

During the approval process, the Audit Committee considers the impact of the types of services and the related fees on the independence of the auditor. The services and fees must be deemed compatible with the maintenance of the auditor's independence, including compliance with SEC rules and regulations.

ANNUAL MEETING

A representative of BDO Seidman, LLP will be present at the annual meeting, they will not make a formal statement at the meeting, but they are expected to be available to respond to any questions posed at the annual meeting.

BOARD ORGANIZATION AND MEETINGS

During the fiscal year 2004, the Board of Directors of the Company (the "Board") held four (4) regular meetings and one (1) special called meeting and acted by unanimous written consent on eleven (11) occasions.

The Board has an Audit Committee, a Compensation Committee and a Nominating Committee each of which was initially constituted on March 30, 1998. During the fiscal year 2004, each director attended 100 percent (100%) of the aggregate of the total number of Board meetings and 100 percent (100%) of meetings of committees of the Board on which he served. The members of the Audit and Compensation Committees are not employees of the Company.

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

AUDIT COMMITTEE

The Audit Committee recommends the independent public accountants to be selected by the Board for stockholder approval each year and acts on behalf of the Board in reviewing with the independent public accountants, the chief financial officer and other corporate officers, various matters relating to the adequacy of the Company's accounting policies and procedures and financial controls and the scope of the annual audits by the independent public accountants. The Audit Committee consists of Mr. Collins (Chairman), Mr. Siegel and Mr. Robinson. During the fiscal year 2004, the Audit Committee held four (4) meetings. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is attached as Appendix A. The members of the Audit Committee are independent within the meaning of Section 803 of the American Stock Exchange's listing standards and the Sarbanes-Oxley Act. The Board has determined that Mr. James Collins is an independent financial expert as required by Item 401(h) of Regulation S-K.

COMPENSATION COMMITTEE

NOMINATING COMMITTEE

The Nominating Committee is authorized to develop policies on the size and composition of the Board and criteria relating to candidate selection, propose to the Board a slate of director nominees for election at annual meetings of stockholders, propose candidates to fill vacancies on the Board and recommend board members to serve on the various committees of the Board. The Charter of the Nominating Committee is attached here to as Appendix B. The members of the Nominating Committee are Mr. Powers (Chairman) and Mr. Robinson. Since Mr. Powers is an employee, at the date of this proxy statement, the membership of the Nominating Committee does not comply with the director independence standards of Section 804 of the American Stock Exchange's listing standards. However, at the Board Meeting to be held on August 20, 2004 a non-employee, independent director will be appointed to serve on the Nominating Committee in compliance with the director independence standards of Section 804 of the American Stock Exchange Listing Standards. During the fiscal year 2004, the Nominating Committee held one (1) meeting.

The Nominating Committee would consider nominees proposed by stockholders, but, with the exception of nomination procedures, has not specified any guidelines or policies for such consideration. Article II, Section 12 of the Company's Bylaws provides that persons nominated by stockholders shall be eligible for election as directors only if nominated in accordance with the following procedures. Such nominations shall be made pursuant to timely notice in writing to the Secretary of the Company. To be timely, a stockholder's notice shall be delivered to or mailed and received at the principal executive offices of the Company (2999 N. 44th Street, Suite 650, Phoenix, AZ 85018) not less than ninety (90) days nor more than one hundred eighty (180) days prior to the meeting. The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as a director of the Company.

DIRECTOR COMPENSATION

Each director who is not an employee of the Company receives a fee of \$3,000 for attendance at each Board meeting and \$1,000 for each committee meeting (unless held on the same day as a Board meeting). All directors of the Company are reimbursed for out-of-pocket expenses incurred in attending meetings of the Board or committees thereof, and for other expenses incurred in their capacity as directors of the Company Under the Company's 1997 Stock Compensation Plan (the "Stock Plan"), each non-employee director is eligible to receive non-qualified options to purchase shares of the Company common stock. Each option will have an exercise price per share equal to the fair market value of the Company's common stock on the date of grant. All the options granted to the non-employee directors have a term of ten years and options granted after the initial grant are fully exercisable on the date of grant.

CODE OF ETHICS

Our Board has adopted a code of ethics for the Company. While no code of conduct can replace the thoughtful behavior of an ethical director, officer or employee, we feel the code of ethics will, among other things, focus our board and management on areas of ethical risk, provide guidance in recognizing and dealing with ethical issues, provide mechanisms to report unethical conduct and generally help foster a culture of honesty and accountability. Any amendment or waiver of the code of ethics may only be made by the Board or a committee of the Board. A current copy of the code of ethics is attached hereto as Appendix C. In addition, copies of the code of ethics are available to all stockholders upon written request to the Secretary of the Company at the principal executive offices of the Company (2999 N. 44th Street, Suite 650, Phoenix, AZ 85018).

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

OVERVIEW

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

The Compensation Committee is responsible for establishing a general compensation policy for officers and employees of the Company, preparing any reports that may be required relating to officer compensation and approving any increases in director's fees. The Compensation Committee consists of Mr. Siegel, Chairman, and Mr. Collins. In the fiscal year 2004, the Compensation Committee approved, or in some cases recommended to the Board for the Board's approval, remuneration arrangements and compensation plans involving the Company's directors, executive officers and certain other employees whose compensation exceeds specified levels. The Compensation Committee also acts on the granting of stock options to executive officers under the Stock Plan.

The Company's executive compensation program has been designed to assist the Company in attracting, motivating and retaining the executive talent necessary for the Company to maximize its return to stockholders. To this end, this program provides competitive compensation levels and incentive pay levels that vary based on corporate and individual performance.

The Company's compensation program for executives consists of three key elements: a base salary; a performance-based annual bonus; and periodic grants of stock options.

The Compensation Committee believes that this three-part approach best serves the interests of the Company and its stockholders. It enables the Company to meet the requirements of the highly competitive environment in which the Company operates while ensuring that executive officers are compensated in a way that advances both the short-term and long-term interests of its stockholders. Under this approach, compensation for these officers involves a high proportion of pay that is dependent on maximizing returns to stockholders. The annual bonus payable for the fiscal year 2004 had not yet been determined or accrued as of March 31, 2004, but will depend on the Company's operational performance in the fiscal year 2004 and other individual factors including certain revenue targets.

BASE SALARY

Base pay is designed to be competitive with salary levels for comparable executive positions at other companies and the Compensation Committee reviews such comparable salary information as one factor to be considered in determining the base pay for the Company's executive officers. Other factors the Compensation Committee considers in determining base pay for each of the executive officers are that officer's responsibilities, experience, leadership, potential future contribution and demonstrated individual performance. The Company has employment agreements with its Chief Executive Officer and certain of the other Named Executive Officers. These agreements provide for a minimum annual base salary the Company may increase, but cannot decrease. Any increase in these base salaries of the Company's executive officers will be based on recommendations by the Company's Chief Executive Officer, taking into account such factors as competitive industry salaries, a subjective assessment of the nature of the position and the contribution and experience of the executive officer. Performance for base salary purposes will be assessed on a qualitative, rather than a quantitative, basis. No specific performance formula or weighting of factors will be used in determining base salary levels.

-15-

ANNUAL BONUS

For the fiscal year 2004, the Company determined that it was their preference to compensate the executive officers both with cash bonuses and in the form of long-term, equity-based compensation through the award of stock options. Cash bonus payments related to fiscal 2004 performance had not yet been determined or accrued as of March 31, 2004. The Compensation Committee expects to base future

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

annual bonuses on the Company's financial performance and the individual performance of the employees, and intends to use qualitative, rather than quantitative, factors for this purpose.

STOCK PLAN

The objectives of the Stock Plan are to (i) attract and retain superior personnel for positions of substantial responsibility and (ii) provide employees, non-employee directors and advisors with an additional incentive to contribute to the success of the Company.

Stock options align the interests of employees and stockholders by providing value to option holders through stock price appreciation only. The Compensation Committee expects that it will make future stock option or other long-term equity-based incentive awards periodically at its discretion based on recommendations of the Chief Executive Officer. Stock option grant sizes, in general, will be evaluated by regularly assessing competitive market practices, the overall performance of the Company the, size of previous grants and the number of options held. In addition, the Compensation Committee may consider factors including that executive's current ownership stake in the Company, the degree to which increasing that ownership stake would provide the executive with additional incentives for future performance, the likelihood that the grant of those options would encourage the executive to remain with the Company and the value of the executive's service to the Company. This posture with regard to stock options is intended to focus management's efforts on maximizing stockholder returns. The number of options granted to a particular participant will also be based on the Company's historical financial success, its future business plans and the individual's position and level of responsibility within the Company, but these factors will be assessed subjectively and not weighted.

During fiscal year 2004 the Company issued 517,500 incentive stock options to employees under the Stock Plan providing for the purchase of shares of the Company's common stock, par value per share of \$0.001 as follows: 277,500 shares were issued at an exercise price of \$0.50 per share; 7,500 were issued at an exercise price of \$0.75 per share; 200,000 were issued at an exercise price of \$0.82 per share; 10,000 were issued at an exercise price of \$0.92 per share; 12,500 were issued at an exercise price of \$0.95 per share; and 10,000 were issued at an exercise price of \$0.96 per share. All the options granted vest as follows: twenty-five percent (25.000%) of the options shall be vested six (6) months from Date of Grant; and thereafter beginning on the first day of the following month one thirty-sixth (1/36) of the remaining portion shall vest on the first day of each month, from month to month, until fully vested.

FISCAL YEAR 2004 CHIEF EXECUTIVE OFFICER PAY

As described above, the Compensation Committee considers several factors in developing an executive compensation package. For the Chief Executive Officer, these factors will include competitive market pay practices, performance level, experience, contributions toward achievement of strategic goals and the overall financial and operations success of the Company.

The Company entered into an initial employment agreement with Mr. Powers, the Company's Chief Executive Officer, in November 1998. The Company entered into a subsequent employment agreement with Mr. Powers in November 2000 upon expiration of the initial agreement. That agreement has a continuous two-year term at an initial base compensation rate of \$225,000 per annum. Mr. Powers is eligible to receive an annual cash bonus in an amount up to 35% of his base salary upon achievement of certain performance targets. The Compensation Committee monitors trends in this area, as well as changes in law, regulation and accounting practices, that may affect either its compensation practices or its philosophy. Accordingly, the Committee reserves the right to alter its approach in response to changing conditions.

APPENDIX C

CODE OF ETHICS AND BUSINESS CONDUCT FOR OFFICERS, DIRECTORS AND EMPLOYEES OF ILINC COMMUNICATIONS, INC.

1. OUR COMMITMENT

The officers, directors and employees of iLinc Communications, Inc. (the "Company") are committed to honesty, just management, fairness, providing a safe and healthy environment free from the fear of retribution, and respecting the dignity due everyone. For the communities in which we live and work we are committed to observe sound environmental business practices and to act as concerned and responsible neighbors, reflecting all aspects of good citizenship. The term "Company" includes iLinc Communications, Inc. and its subsidiaries.

For our shareholders we are committed to pursuing sound growth and earnings objectives and to exercising prudence in the use of our assets and resources.

2. PROMOTE A POSITIVE WORK ENVIRONMENT

All employees want and deserve a workplace where they feel respected, satisfied, and appreciated. We respect cultural diversity and will not tolerate harassment or discrimination of any kind -- especially involving race, color, religion, gender, age, national origin, disability, and veteran or marital status.

Providing an environment that supports honesty, integrity, respect, trust, responsibility, and citizenship permits us the opportunity to achieve excellence in our workplace. While everyone who works for the Company must contribute to the creation and maintenance of such an environment, our executives and management personnel assume special responsibility for fostering a work environment that is free from the fear of retribution and will bring out the best in all of us. Supervisors and managers must be careful in words and conduct to avoid placing, or seeming to place, pressure on subordinates that could cause them to deviate from acceptable ethical behavior.

3. KEEP ACCURATE AND COMPLETE RECORDS

We must maintain accurate and complete Company records. Transactions between the Company and outside individuals and organizations must be promptly and accurately entered in our books in accordance with generally accepted accounting

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

practices and principles. No one should rationalize or even consider misrepresenting facts or falsifying records. It will not be tolerated and will result in disciplinary action.

4. OBEY THE LAW

We will conduct our business in accordance with all applicable laws and regulations. Compliance with the law does not comprise our entire ethical responsibility. Rather, it is a minimum, essential condition for performance of our duties.

C-1

(a) DO NOT ENGAGE IN SPECULATIVE OR INSIDER TRADING

Federal law and Company policy prohibits officers, directors and employees, directly or indirectly through their families or others, from purchasing or selling company stock while in the possession of material, non-public information concerning the Company. Material, non-public information is any information that could reasonably be expected to affect the price of a stock. If an officer, director or employee is considering buying or selling a stock because of inside information they possess, they should assume that such information is material. It is also important for the officer, director or employee to keep in mind that if any trade they make becomes the subject of an investigation by the government, the trade will be viewed after-the-fact with the benefit of hindsight. Consequently, officers, directors and employees should always carefully consider how their trades would look from this perspective. Two simple rules can help protect you in this area: (1) Do not use non-public information for personal gain. (2) Do not pass along such information to someone else who has no need to know. This guidance also applies to the securities of other companies for which you receive information in the course of your employment at the Company. Before engaging in any transaction involving the Company's securities, you should contact the Company's General Counsel or Chief Executive Officer if you have any questions or concerns about the transaction.

(b) BE TIMELY AND ACCURATE IN ALL PUBLIC REPORTS

As a public company, the Company must be fair and accurate in all reports filed with the United States Securities and Exchange Commission. Officers, directors and management of the Company are responsible for ensuring that all reports are filed in a timely manner and that they fairly present the financial condition and operating results of the Company. Securities laws are vigorously enforced. Violations may result in severe penalties including significant fines against the Company. There may also be sanctions against individual employees including substantial fines and criminal penalties. The principal executive officer and principal financial officer will certify to the accuracy of reports filed with the SEC in accordance with the Sarbanes-Oxley Act of 2002. Officers and directors who knowingly or willingly make false certifications may be subject to criminal penalties or sanctions including fines and imprisonment.

5. AVOID CONFLICTS OF INTEREST

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

Our officers, directors and employees have an obligation to give their complete loyalty to the best interests of the Company. They should avoid any action that may involve, or may appear to involve, a conflict of interest with the Company. Officers, directors and employees should not have any material financial or other business relationships with suppliers, customers or competitors that might impair the independence of any judgment they may need to make on behalf of the Company.

Here are some ways a conflict of interest could arise:

- o Employment by a competitor, or potential competitor, regardless of the nature of the employment, while employed by the Company.
- o Acceptance of material gifts, payment, or services from those seeking to do business with the Company.
- o Placement of business with a firm owned or controlled by an officer, director or employee or his/her family.

C-2

- o Ownership of, or substantial interest in, a company that is a competitor, customer or supplier.
- o Acting as a consultant to a Company customer, competitor or supplier.
- o Seeking the services or advice of an accountant or attorney who has provided services to the Company.

Officers, directors and employees are under a continuing obligation to disclose any situation that presents the possibility of a conflict or disparity of interest between the officer, director or employee and the Company. Disclosure of any potential conflict is the key to remaining in full compliance with this policy.

6. COMPETE ETHICALLY AND FAIRLY FOR BUSINESS OPPORTUNITIES

We must comply with the laws and regulations that pertain to the acquisition and sale of goods and services. We will compete fairly and ethically for all business opportunities. In circumstances where there is reason to believe that the release or receipt of non-public information is unauthorized, do not attempt to obtain and do not accept such information from any source.

If you are involved in Company transactions, you must be certain that all statements, communications, and representations are accurate and truthful.

7. AVOID ILLEGAL AND QUESTIONABLE GIFTS OR FAVORS

The sale and marketing of our products and services should always be free from even the perception that favorable treatment was sought, received, or given in exchange for the furnishing or receipt of business courtesies. Officers, directors and employees of the Company will neither give nor accept business courtesies that constitute, or could be reasonably perceived as constituting, unfair business inducements or that would violate law, regulation or policies of the Company, or could cause embarrassment to or reflect negatively on the Company's reputation.

8. MAINTAIN THE INTEGRITY OF CONSULTANTS, AGENTS, AND REPRESENTATIVES

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

Business integrity is a key standard for the selection and retention of those who represent the Company. Agents, representatives and consultants must certify their willingness to comply with the Company's policies and procedures and must never be retained to circumvent our values and principles. Paying bribes or kickbacks, engaging in industrial espionage, obtaining the proprietary data of a third party without authority, or gaining inside information or influence are just a few examples of what could give us an unfair competitive advantage and could result in violations of law.

9. PROTECT PROPRIETARY INFORMATION

Proprietary Company information may not be disclosed to anyone without proper authorization. Keep proprietary documents protected and secure. In the course of normal business activities, suppliers, customers and competitors may sometimes divulge to you information that is proprietary to their business. Respect these confidences.

10. OBTAIN AND USE COMPANY ASSETS WISELY

Personal use of Company property must always be in accordance with corporate policy. Proper use of Company property, information resources, material, facilities and equipment is your responsibility. Use and maintain these assets with the utmost care and respect, guarding against waste and abuse, and never borrow or remove Company property without management's permission.

11. FOLLOW THE LAW AND USE COMMON SENSE IN POLITICAL CONTRIBUTIONS AND ACTIVITIES

The Company encourages its employees to become involved in civic affairs and to participate in the political process. Employees must understand, however, that their involvement and participation must be on an individual basis, on their own time and at their own expense. In the United States, federal law prohibits corporations from donating corporate funds, goods, or services, directly or indirectly, to candidates for federal offices -- this includes employees' work time. Local and state laws also govern political contributions and activities as they apply to their respective jurisdictions.

12. BOARD COMMITTEES

The Company has established an Audit Committee empowered to enforce this Code of Ethics. The Audit Committee will report to the Board of Directors at least once each year regarding the general effectiveness of the Company's Code of Ethics, the Company's controls and reporting procedures and the Company's business conduct.

13. DISCIPLINARY MEASURES

The Company shall consistently enforce its Code of Ethics and Business Conduct through appropriate means of discipline. Violations of the Code shall be promptly reported to the Chairman of the Audit Committee or General Counsel of the Company. Pursuant to procedures adopted by it, the Audit Committee shall determine whether violations of the Code have occurred and, if so, shall determine the disciplinary measures to be taken against any employee or agent of the Company who has so violated the Code.

The disciplinary measures, which may be invoked at the discretion of the Audit Committee, and with approval of the Board of Director, include, but are not limited to, counseling, oral or written reprimands, warnings, probation or

suspension without pay, demotions, reductions in salary, termination of employment and restitution.

14. CONCLUSION

No Code of Conduct or Code of Ethics can cover every situation that might arise in a company. This Code is designed to let you know our basic guiding principles and provide explanation on how to handle various situations. If you have questions on any situation, whether or not described in this Code, please ask. The first place to turn is your immediate supervisor or manager. If you are uncomfortable discussing a situation with your immediate supervisor or manager, you may go to anyone in management whom you feel comfortable with, including the General Counsel or CEO of the Company. We cannot stress our final point enough: "When in doubt, ask."
