## EXPLANATORY NOTE

Delta Air Lines, Inc., a Delaware corporation (“Delta” or the “Registrant”), hereby amends its Registration Statement on Form S-4 (File No. 333-151060), which was declared effective on August 7, 2008 (the “Form S-4”), by filing this Post-Effective Amendment No. 2 on Form S-8 relating to shares of common stock, par value \$0.0001 per share, that are issuable by Delta pursuant to awards granted under the Northwest Airlines Corporation 2007 Stock Incentive Plan (the “NWA Plan”). All such shares of Delta common stock were originally registered on the Form S-4. Unless otherwise indicated, the terms “Delta,” the “Company,” “we,” “us,” and “our” refer to Delta Air Lines, Inc. and its subsidiaries.

On October 29, 2008, Nautilus Merger Corporation, a Delaware corporation and wholly-owned subsidiary of Delta (“Merger Sub”), merged with and into Northwest Airlines Corporation (“Northwest”) pursuant to the Agreement and Plan of Merger dated as of April 14, 2008, by and among Delta, Merger Sub and Northwest. Pursuant to the Merger Agreement, at the effective time of the merger, each share of common stock of Northwest issued and outstanding (including those shares issuable pursuant to Northwest’s plan of reorganization under Chapter 11) immediately prior to the effective time of the merger, subject to certain exceptions, was converted into the right to receive 1.25 shares of Delta common stock (the “Exchange Ratio”).

In addition, pursuant to the Merger Agreement, at the effective time of the merger, the NWA Plan was assumed by Delta. Any award outstanding under the NWA Plan at the effective time of the merger that was not otherwise settled upon the merger was assumed by Delta and converted into an award referenced by Delta common stock subject to, and in accordance with, the same terms and conditions applicable to the corresponding Northwest award, except that the number of shares of Delta common stock subject to each such converted award is equal to the product, rounded down to the nearest whole number of shares of Delta common stock, of (x) the number of shares of Northwest common stock subject to the corresponding Northwest stock option or in respect of the corresponding Northwest stock appreciation right and (y) 1.25. The exercise price for converted options and stock appreciation rights is equal the applicable per share exercise price for the shares of Northwest common stock divided by 1.25 (rounded up to the nearest whole cent).

#### ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

#### ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Certain matters relating to the validity of the shares of the Company's Common Stock (the "Common Stock") being registered hereby have been passed upon for the Company by Kenneth F. Khoury, Esq., former Executive Vice President and General Counsel of the Company. Mr. Khoury participated in Delta's 2007 Performance Compensation Plan and received 166,140 shares of restricted Common Stock, options to purchase 130,780 shares of Common Stock and 79,340 performance shares under that plan. Mr. Khoury is also eligible for benefits under Delta's 2007 Officer and Director Severance Plan.

#### ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed actions, suits or proceedings in which such person is made a party by reason of such person being or having been a director, officer, employee or agent of Delta. The Delaware General Corporation Law provides that Section 145 is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise. Delta's Amended and Restated Certificate of Incorporation provides for indemnification by Delta of any of its directors, officers or employees to the fullest extent permitted by the Delaware General Corporation Law against all expenses, liability and loss incurred in connection with any action, suit or proceeding in which any such person may be involved by reason of the fact that he or she is or was a director, officer or employee.

Section 102(b)(7) of the Delaware General Corporation Law permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for unlawful payments of dividends or unlawful stock repurchases, redemptions or other distributions, or (iv) for any transaction from which the director derived an improper personal benefit. Delta's Amended and Restated Certificate of Incorporation provides for such limitation of liability.

Delta maintains standard policies of insurance under which coverage is provided (a) to its directors and officers against loss rising from claims made by reason of breach of duty or other wrongful act, and (b) to Delta with respect to payments which may be made by Delta to such officers and directors pursuant to the above indemnification provision or otherwise as a matter of law.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of Delta pursuant to the foregoing provisions, or otherwise, Delta has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by Delta of expenses incurred or paid by a director, officer or controlling person of Delta in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered Delta will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED.

Not applicable.

ITEM 8. EXHIBITS.

See Exhibit Index.

ITEM 9. UNDERTAKINGS.

(a) The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to the Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement;

(2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
