Dear Fellow Stockholder:

On behalf of the Board of Directors and management, we cordially invite you to attend the Annual Meeting of Stockholders of RadNet, Inc. to be held at our principal executive office at 1510 Cotner Avenue, Los Angeles, CA 90025, on Thursday, June 11, 2015, at 10:00 a.m. (Pacific time). At this meeting, stockholders will vote on matters set forth in the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement.

We have also enclosed a copy of our annual report on Form 10-K for our fiscal year ended December 31, 2014, as amended (the "2014 Annual Report"). We encourage you to read our 2014 Annual Report, which includes information on our business, as well as our audited financial statements for the fiscal year ended December 31, 2014.

This year we are taking advantage of the Securities and Exchange Commission rule that permits us to furnish proxy materials to our stockholders via the internet. This allows us to provide you with information about our annual meeting in an efficient manner, while reducing the environmental impact of our annual meeting. As a result, on or about April 30, 2015, we will mail a short Notice of Internet Availability of Proxy Materials (the "Notice") to most of our stockholders instead of a paper copy of our full proxy materials. The Notice contains instructions on how to cast your vote online and how to access our proxy materials, including the Notice of Annual Meeting of Stockholders, Proxy Statement, 2014 Annual Report and a proxy card or voting instruction form. The Notice also contains instructions on how to request a paper copy of our proxy materials. All stockholders who do not receive the Notice will receive a paper copy of the proxy materials.

Your vote is very important. Regardless of the number of shares you own, please vote. Whether or not you plan to attend the Annual Meeting, we hope you will vote as soon as possible. You may vote by submitting your proxy via the internet, by phone, or if you have elected to receive printed proxy materials by completing, signing, dating and returning the proxy card enclosed with your printed proxy materials.

Thank you for your continued support and ownership of RadNet, Inc. We look forward to seeing you at the Annual Meeting.

Sincerely,

Norman R. Hames

Corporate Secretary

PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD JUNE 11, 2015

The Board of Directors of RadNet, Inc., a Delaware corporation, is providing these proxy materials to you in connection with the solicitation of the accompanying proxy for use at our 2015 Annual Meeting of Stockholders (the “Annual Meeting”). The meeting will be held at our principal executive office at 1510 Cotner Avenue, Los Angeles, CA 90025, on Thursday, June 11, 2015, at 10:00 a.m. (Pacific time) or at any adjournment or postponement thereof, for the purposes stated herein. This proxy statement summarizes the information that you will need to know to vote in an informed manner. Our telephone number is (310) 445-2800.

All stockholders are cordially invited to attend the Annual Meeting of Stockholders in person. In any event, please vote as soon as possible. On or about April 30, 2015 we intend to mail a Notice of Internet Availability of Proxy Materials (the “Notice”) containing instructions on how to access our proxy statement and our annual report on Form 10-K for our fiscal year ended December 31, 2014, as amended (the “2014 Annual Report”), via the internet and how to vote online. The Notice also contains instructions on how you can receive a paper copy of the proxy materials.

ABOUT THE PROXY PROCESS AND THE ANNUAL MEETING

Q: Why did I receive these materials?

Our board of directors has made these materials available to you on the internet or, upon your request, has delivered printed versions of these materials to you by mail, in connection with the board’s solicitation of proxies for use at our Annual Meeting, which will take place on June 11, 2015, or any adjournment or postponement thereof. Our stockholders are invited to attend the Annual Meeting and are requested to vote on the proposals described in this proxy statement.

Q: What is a proxy?

A: Our board of directors is asking for your proxy, which is a legal designation of another person to vote the shares you own. We have designated two officers of the Company, Jeffrey Linden and Mark Stolper, to vote your shares at the meeting in the way you instruct and, with regard to any other business that may properly come before the

meeting, as they think best.

Q: Why haven't I received a printed copy of the proxy materials and the 2014 Annual Report?

On or about April 30, 2015, we will mail a Notice of Internet Availability of Proxy Materials to our stockholders who have not previously requested the receipt of paper proxy materials advising them that they can access this proxy statement, the 2014 Annual Report and voting instructions over the internet at www.proxyvote.com. You may then access these materials and vote your shares over the internet or by telephone. Please keep the Notice for your reference through the meeting date.

A:

Alternatively, you may request that a printed copy of the proxy materials be mailed to you. If you want to receive a paper copy of the proxy materials, you may request one over the internet at www.proxyvote.com, by calling toll-free 1-800-579-1639, or by sending an email to sendmaterial@proxyvote.com. There is no charge to you for requesting a copy. Please make your request for a copy on or before May 28, 2015 to facilitate timely delivery.

1

Q: What does it mean if I receive more than one Notice of Internet Availability of Proxy Materials or set of proxy materials?

A: This means you hold shares of RadNet, Inc. in more than one way. For example, you may own some shares directly as a “registered holder” and other shares through a broker or you may own shares through more than one broker. In these situations, you may receive multiple Notices of Internet Availability of Proxy Materials or, if you request proxy materials to be delivered to you by mail, multiple proxy cards. It is necessary for you to follow the instructions on how to vote on each of the Notices of Internet Availability of Proxy Materials you receive in order to vote all of the shares you own. If you request proxy materials to be delivered to you by mail, each proxy card you receive will come with its own prepaid return envelope; if you vote by mail, make sure you complete and sign each proxy card and return each in the return envelope which accompanied that particular proxy card.

Q: What is the purpose of the Annual Meeting?

A: At the Annual Meeting, our stockholders will vote to:

- (i) elect seven directors to serve until our next annual meeting and until their successors are elected;
- (ii) ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015;
- (iii) approve (on a non-binding, advisory basis) the compensation of our Named Executive Officers;
- (iv) approve the amendment and restatement of the 2006 Equity Incentive Plan and the material terms of the performance goals under the 2006 Equity Incentive Plan; and
- (v) any other business that may properly come before the Annual Meeting (including adjournments and postponements).

Q: Who is entitled to vote at the Annual Meeting?

A: Only stockholders of record at the close of business on April 21, 2015, the record date for the Annual Meeting, are entitled to receive notice of and to participate in the Annual Meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the Annual Meeting and at any postponements or adjournments thereof. Stockholders who hold shares of our common stock in “street name”, that is,

through an account with a bank, broker or other holder of record, as of the record date, may direct the holder of record how to vote their shares at the meeting by following the instructions that the street name holders will receive from the holder of record.

Q: What are the voting rights of the holders of common stock?

A: Each outstanding share of our common stock outstanding as of the close of business on April 21, 2015, is entitled to one vote on each matter considered at the Annual Meeting.

Q: How is a quorum determined?

We will have a quorum to conduct the business of the Annual Meeting if holders of a majority of the shares of our common stock outstanding as of the record date are present in person or represented by proxy. On the record date 44,024,563 shares of our common stock were issued and outstanding. Consequently, we will need to have 22,012,282 shares present in person or represented by proxy at the Annual Meeting in order to establish a quorum. Abstentions and broker non-votes (i.e., shares of common stock held by a broker, bank or other nominee that are represented at the meeting, but that the broker, bank or other nominee is not empowered to vote on a particular proposal) will be counted in determining whether a quorum is present at the meeting.

Q: Who will count the votes?

An officer of the company will count the votes and act as the inspector of elections. The inspector of elections will separately tabulate affirmative and negative votes, abstentions and broker non-votes. The company has also engaged Broadridge Financial Solutions as its proxy distribution agent and tabulation service provider and they will also be calculating the votes received prior to the Annual Meeting.

The shares of our common stock represented by proxy will be voted in accordance with the instructions given on the proxy so long as the proxy is properly completed and received prior to the deadline.

Q: What is the deadline for voting my shares?

If you are a stockholder of record, your proxy must be received by telephone (1-800-690-6903) or the internet (www.proxyvote.com) by 11:59 p.m. Eastern time on June 10, 2015 in order for your shares to be voted at the Annual Meeting. However, if you are a stockholder of record and you received a copy of the proxy materials by mail, you may instead mark, sign, date and return the proxy card enclosed with your proxy materials, which must be received before the polls close at the Annual Meeting, in order for your shares to be voted at the meeting. If you are a beneficial stockholder, please follow the voting instructions provided by the bank, broker, trustee or other nominee who holds your shares.

Q: What is a “broker non-vote”?

A “broker non-vote” occurs when a nominee (typically a broker or bank) holding shares for a beneficial owner (typically referred to as shares being held in “street name”) submits a proxy for the Annual Meeting, but does not vote on a particular proposal because the nominee has not received voting instructions from the beneficial owner and does not have discretionary authority to vote the shares with respect to that particular proposal. Shares that constitute broker non-votes will be counted as present for purposes of establishing a quorum, but will not be counted as having voting power to vote on the proposal in question. Under the applicable rules of the exchanges and other self-regulatory organizations, brokers will generally have discretionary authority to vote on routine matters. We believe that the ratification of the appointment of Ernst & Young, as our independent registered public accounting firm (Proposal 2) is considered a routine matter, and thus, we do not expect to receive any broker non-votes on such proposal. We believe for all other proposals, brokers do not have discretionary authority to vote on those proposals. You must instruct your bank, broker or nominee on how to vote your shares for all of the proposals other than Proposal 2 in order for your vote to count.

Q: What do I need to bring with me in order to attend the Annual Meeting?

A: A “broker non-vote” occurs when a nominee (typically a broker or bank) holding shares for a beneficial owner (typically referred to as shares being held in “street name”) submits a proxy for the Annual Meeting, but does not vote

on a particular proposal because the nominee has not received voting instructions from the beneficial owner and does not have discretionary authority to vote the shares with respect to that particular proposal. Shares that constitute broker non-votes will be counted as present for purposes of establishing a quorum, but will not be counted as having voting power to vote on the proposal in question. Under the applicable rules of the exchanges and other self-regulatory organizations, brokers will generally have discretionary authority to vote on routine matters. We believe that the ratification of the appointment of Ernst & Young, as our independent registered public accounting firm (Proposal 2) is considered a routine matter, and thus, we do not expect to receive any broker non-votes on such proposal. We believe for all other proposals, brokers do not have discretionary authority to vote on those proposals. You must instruct your bank, broker or nominee on how to vote your shares for all of the proposals other than Proposal 2 in order for your vote to count.

If you are a stockholder of record, you will need to bring with you to the meeting either the Notice of Internet Availability of Proxy Materials or any proxy card that is sent to you. Otherwise, you will be admitted only upon other verification of record ownership. If you own shares held in street name, bring with you to the meeting either the Notice of Internet Availability of Proxy Materials or any voting instruction form that is sent to you, or your most recent brokerage statement or a letter from your bank, broker or other record holder indicating that you beneficially owned shares of our common stock on the Record Date. We can use that to verify your beneficial ownership of common stock and admit you to the meeting. Additionally, all persons will need to bring a valid government-issued photo ID to gain admission to the meeting.

Q: How do I vote my shares in person at the Annual Meeting?

A: If you are a stockholder of record, you have the right to vote in person at the Annual Meeting. If you choose to do so, you can vote using the ballot provided at the Annual Meeting, or, if you requested and received printed copies of the proxy materials by mail, you can complete, sign and date the proxy card enclosed with the proxy materials you received and submit it at the Annual Meeting. If you are a beneficial stockholder, you may not vote your shares in person at the Annual Meeting unless you obtain a “legal proxy” from the bank, broker, trustee or other nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting. Even if you plan to attend the Annual Meeting, we recommend that you submit your proxy or voting instructions in advance of the meeting as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

Q: How do I vote my shares without attending the Annual Meeting?

Whether you are a stockholder of record or a beneficial stockholder, you may direct how your shares are voted without attending the Annual Meeting. If you are a stockholder of record, you may submit a proxy to authorize how your shares are voted at the Annual Meeting. You can submit a proxy over the internet or by telephone by following the instructions provided in the Notice, or, if you requested and received printed copies of the proxy materials, you can also submit a proxy by mail pursuant to the instructions provided in the proxy card enclosed with the printed proxy materials.

A: If you are a stockholder who holds stock in “street name” you will likely receive instructions for voting your shares from your broker, bank, or other nominee rather than through our voting system. A number of brokers and banks participate in a program that allows stockholders to grant their proxy to vote shares by means of the telephone or the internet. If your shares are held in an account with a broker or bank participating in such a program, then you may vote your shares via the internet or telephonically by following the instructions on the form received from your broker or bank.

Stockholders who submit a proxy through the internet should be aware that they may incur costs to access the internet, such as usage charges from telephone companies or internet service providers and that these costs must be borne by the stockholder. Stockholders who submit a proxy by internet or telephone need not return a proxy card or the form forwarded by your broker, bank, trust or other holder of record by mail.

Q: Can I revoke my proxy or voting instructions later?

A: If you are a stockholder of record or a beneficial stockholder, then once you have submitted your proxy you may revoke it at any time before it is voted at the Annual Meeting. You may revoke your proxy in one of three ways:

- (1) You may submit a duly executed written proxy bearing a date that is later than the date of your original proxy or you can submit a later dated proxy electronically via the internet or by telephone;
- (2) You may notify our Corporate Secretary in writing that you wish to revoke your proxy before it is voted at the Annual Meeting; or

You may vote in person at the Annual Meeting. However, if your shares are held in “street name” and you wish to (3) vote at the Annual Meeting, you must first obtain from the broker, bank or other nominee record holder a proxy issued in your name.

Q: What is the purpose of the amendment and restatement of the 2006 Equity Incentive Plan?

A: The purpose of the amendment and restatement of the 2006 Equity Incentive Plan is to (i) extend the expiration date of our equity compensation plan, which expiration date would otherwise occur in October 2016, until April 20, 2025, (ii) increase the number of shares available to be issued as equity compensation awards by one million additional shares and (iii) amend the material terms of the performance goals under the 2006 Equity Incentive Plan. Having an incentive compensation plan with an adequate number of shares available for future equity grants is necessary to promote our long-term success and the enhancement of stockholder value.

Q: What vote is required to approve the proposals?

The election of directors requires a plurality of votes cast by shares present or represented at the Annual Meeting. Accordingly, if a quorum exists, the directorships to be filled at the Annual Meeting will be filled by the nominees receiving the highest number of votes in favor of their election. Shares not present at the Annual Meeting and broker non-votes will have no impact on the election of directors.

The ratification of the appointment of our independent registered public accounting firm must be approved by a majority of the shares present in person or represented by proxy and entitled to vote on such matter at the Annual Meeting. With respect to such proposal, abstentions will be included in the number of shares present and entitled to vote and, accordingly, will have the effect of a vote "AGAINST" the proposal.

The advisory vote to approve the compensation of our Named Executive Officers must be approved by a majority of the shares present in person or represented by proxy and entitled to vote on such matter at the Annual Meeting. A: With respect to such proposal, abstentions will be included in the number of shares present and entitled to vote and, accordingly, will have the effect of a vote "AGAINST" the proposal. However, broker non-votes with respect to such proposal will not be counted as shares present and entitled to vote and, accordingly, will not have any effect with respect to the approval of such proposal (other than to reduce the number of affirmative votes required to approve the proposal). Although the vote to approve the compensation of our Named Executive Officers is advisory only, meaning that it is not binding on the Company, our Board of Directors will consider the results of the vote in its future consideration of the compensation of our Named Executive Officers.

The amended and restated 2006 Equity Incentive Plan must be approved by a majority of the shares present in person or represented by proxy and entitled to vote on such matter at the Annual Meeting. With respect to such proposal, abstentions will be included in the number of shares present and entitled to vote and, accordingly, will have the effect of a vote "AGAINST" the proposal. However, broker non-votes with respect to such proposal will not be counted as shares present and entitled to vote and, accordingly, will not have any effect with respect to the approval of such proposal (other than to reduce the number of affirmative votes required to approve the proposal).

Q: What are my voting choices for each proposal?

A: With respect to the election of directors, stockholders may vote for all nominees, withhold authority for all nominees or vote for all except for those individual nominees for director for which the stockholder indicates it is withholding authority. With respect to each other proposal, stockholders may vote for the proposal, against the proposal or abstain from voting.

Q: How does the Board of Directors recommend I vote on the proposals?

A: Our Board of Directors **unanimously recommends** a vote FOR all seven director nominees set forth in this proxy statement, FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015, FOR the approval of the compensation of our Named Executive Officers, on an advisory basis, and FOR the amended and restated 2006 Equity Incentive Plan.

Q: How will my shares be voted if I return a blank proxy card?

A: If you are a record holder and submit a valid proxy or voting instruction form but do not indicate your specific voting instructions on one or more of the proposals listed in the Notice, your shares will be voted as recommended by our Board of Directors on those proposals and as the proxyholders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Q: Is my vote confidential?

A: Proxy instructions, ballots, and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within RadNet or to third parties, except: (1) as necessary to meet applicable legal requirements and (2) to allow for the tabulation of votes and certification of the vote. Occasionally, stockholders include additional comments on their proxy card or with their voting instruction, which are then forwarded to RadNet management.

Q: How will voting on any other business be conducted?

A: Although we do not know of any business to be conducted at the Annual Meeting other than the proposals discussed in this proxy statement, if any other business comes before the Annual Meeting, the individuals that we have designated as proxies for the Annual Meeting, Jeffrey Linden and Mark Stolper, will have the discretionary authority to vote for or against any other matter that is properly presented at the Annual Meeting.

Q: Who will bear the costs of this solicitation?

A: This solicitation is made by our Board of Directors on behalf of the Company, and we will bear the entire cost of soliciting proxies, including preparation, assembly, posting of this proxy statement online, printing and mailing of Notice and the proxy materials for the Annual Meeting. We will also make available solicitation materials to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock that are beneficially owned by others for forwarding to the beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to the beneficial owners. Solicitations will be made primarily through the mail, but may be supplemented by telephone, facsimile, internet or personal solicitation by our directors, executive officers and employees. No additional compensation will be paid to these individuals for these services.

Q: How can I find out the results of the voting at the Annual Meeting?

A: Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a report on Form 8-K within four business days after the Annual Meeting.

Q: When are stockholder proposals due for next year's annual meeting?

A: *Requirements for Stockholder Proposals to be Considered for Inclusion in RadNet, Inc.'s Proxy Materials.* Stockholder proposals submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and intended to be presented at the 2016 Annual Meeting must be received by us not later than January 2, 2016, in order to be considered for inclusion in our proxy materials for that meeting.

Requirements for Stockholder Proposals to be Brought Before an Annual Meeting. Our bylaws provide that, for stockholder nominations to the Board of Directors or other proposals to be considered from the floor at an annual meeting, the stockholder must have given timely notice of the proposal or nomination in writing to our Corporate Secretary. To be timely for the 2016 Annual Meeting, a stockholder's notice must be delivered to or mailed and received by our Corporate Secretary at our principal executive offices between February 12, 2016 and March 13, 2016. A stockholder's notice to the Corporate Secretary must set forth, as to each matter the stockholder proposes to bring before the annual meeting, the information required by our bylaws.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table presents information concerning the beneficial ownership of the shares of our common stock as of March 31, 2015, by:

- each person we know to be the beneficial owner of 5% or more of our outstanding shares of common stock;

our principal executive officer, principal financial officer and each of our three other most highly compensated executive officers as of December 31, 2014 (collectively, the “Named Executive Officers”);

- each director; and

- all of our current executive officers and directors as a group.

Unless otherwise noted below, the address of each beneficial owner listed in the table is c/o RadNet, Inc., 1510 Cotner Ave., Los Angeles, CA 90025.

Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the table below have sole voting and investment power with respect to all shares of common stock that they beneficially own, subject to applicable community property laws.

Applicable percentage ownership is based on 43,810,280 shares of common stock outstanding on March 31, 2015. We have determined beneficial ownership in accordance with the rules of the Securities and Exchange Commission (the “SEC”). In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed as outstanding shares of common stock subject to options held by that person that are currently exercisable or exercisable within 60 days of March 31, 2015. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person.

The nominees who receive the highest number of votes represented by shares of common stock present or represented by proxy and entitled to vote at the Annual Meeting will be elected.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE ELECTION TO THE BOARD OF ALL OF THESE NOMINEES

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Our business is managed under the direction of our Board of Directors. Our Board of Directors provides oversight, strategic direction and counsel to our management. In addition, our Board of Directors elects our officers, delegates responsibilities for the conduct of our operations to those officers, and evaluates their performance.

Meetings of the Board of Directors and Board Committees

Our Board of Directors meets at least quarterly and during calendar year 2014, held six meetings and took action by written consent on three occasions. Each of the current directors serving in 2014 attended at least 75% of the total number of meetings of the Board of Directors and applicable committees that each director was eligible to attend. We, as a matter of policy, encourage our directors to attend meetings of stockholders but we do not require attendance. Three of the seven directors attended the 2014 Annual Meeting of Stockholders.

Board Leadership Structure

The Chairman of the Board also serves as our Chief Executive Officer. Our Board of Directors has determined that this leadership structure is appropriate and effective for our Company. Our Board of Directors believes that having a single individual serve as both chairman of the Board and chief executive officer fosters an important unity of leadership between our Board of Directors and our management team, provides clear accountability and promotes strategic development and execution. Our Board of Directors further believes that the combination of the offices facilitates the organization and efficiency of Board meetings during the calendar year by permitting the Chief Executive Officer to develop a thoughtful and comprehensive agenda for review by our Board of Directors of the issues and matters most critical to the Company and to guide the review process in a manner that will assure efficient use of the time available to our Board of Directors. This structure effectively utilizes the Chief Executive Officer's knowledge of our Company and the industry in which we operate, as well as fostering greater communication and producing a greater degree of transparency between management and our directors. Dr. Berger co-founded RadNet in 1980 and has served as Chairman of the Board and Chief Executive Officer for over twenty years.

Mr. Swartz serves as Lead Independent Director of the Board. In this capacity, Mr. Swartz serves as chairman of meetings of the Board of Directors in the absence of the Chairman of the Board, calls, sets the agenda and chairs the executive sessions of the independent directors, works collaboratively with the chairman of the Compensation and Management Development Committee to oversee the evaluation of our Chief Executive Officer and serves as the liaison between the independent directors and the Chairman of the Board.

Four of the seven members of our Board of Directors are independent directors and only those individuals serve on the committees of our Board of Directors. Our Chairman and Chief Executive Officer does not serve on any committee. Our Board of Directors holds regular executive sessions outside the presence of the Chief Executive Officer and other management, which our Board of Directors believes promotes appropriate independent leadership.

Board Role in Risk Oversight

While risk management is primarily the responsibility of our management, the Board of Directors also assumes an oversight role in managing the Company's risk. A fundamental part of risk management is not only understanding the risks we face and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for our Company. In reviewing our strategy, business plan, budgets and historical and anticipated future major transactions, the Board of Directors considers, among other factors, the risks our Company faces, and how such risks can be appropriately managed. Our senior management regularly reports to the Board of Directors on areas of material risk, including operational, financial, legal and strategic risks, which enables the Board of Directors to understand management's views and strategies regarding risk identification, risk management and risk mitigation. In addition to the oversight role assumed by the full Board of Directors, various committees of the Board of Directors also have responsibility for risk management. The Director of Internal Audit reports directly to our Audit Committee on areas of material financial risk, including internal controls, and the Audit Committee reports to the full Board of Directors on risks identified by the Director of Internal Audit that the Audit Committee believes to be material. In addition, the Compensation Committee oversees the risks associated with our compensation policies and practices.

Director Independence

Our Board of Directors annually determines the independence of our directors in accordance with the independence requirements under the NASDAQ and the SEC rules which require at least a majority of the directors to be independent. As a result of this review, our Board of Directors has determined that Marvin S. Cadwell, Lawrence L. Levitt, Michael L. Sherman, M.D. and David Swartz each qualifies as independent directors in accordance with the NASDAQ and the SEC rules. Each of Howard G. Berger, M.D., John V. Crues, III, M.D., and Norman R. Hames is an executive officer of our Company and therefore does not qualify as an independent director under the NASDAQ and the SEC rules.

Director Nomination Process

The Nominating and Governance Committee is responsible for identifying and evaluating director candidates and has the authority to employ a third party search firm to assist in this process if the Nominating and Governance Committee determines that such assistance is needed. The Nominating and Governance Committee considers stockholder nominees if such nominations have been made in accordance with our bylaws and will evaluate candidates recommended by stockholders in the same manner as all other candidates brought to the attention of the Nominating and Governance Committee. Stockholder recommendations may be submitted to the Nominating and Governance Committee in care of the Corporate Secretary at the address set forth below under “Communication with Our Board of Directors.” No director candidates have been put forward by a stockholder or group of stockholders who beneficially owned more than five percent of our stock.

The Nominating and Governance Committee recommends nominees to the Board of Directors for election after carefully considering all candidates, taking into account all factors the Committee considers appropriate, which may include career specialization, relevant technical skills or financial acumen, diversity of viewpoint, industry knowledge and the qualifications set forth in the Nominating and Governance Committee Charter.

Our Board of Directors does not have a formal policy with regard to the consideration of diversity in the identification of director nominees. However, as part of its evaluation of Board composition, the Nominating and Governance Committee considers the diversity of candidates to ensure that our Board of Directors is comprised of individuals with a broad range of experiences and backgrounds (including, among other things, career specialization, relevant technical skills or financial acumen, diversity of viewpoint and industry knowledge) who can contribute to the Board’s overall effectiveness in carrying out its responsibilities and can represent diverse viewpoints on our Board of Directors. The Nominating and Governance Committee assesses the effectiveness of these efforts when annually evaluating the composition of the Board of Directors as part of the annual nomination process.

Code of Financial Ethics

We have adopted a written code of financial ethics applicable to our directors, officers and employees which was recently updated as of April 2015 and is designed to deter wrongdoing and to promote:

honest and ethical conduct;

full, fair, accurate, timely and understandable disclosure in reports and documents that we file with the SEC and in other public communications;

compliance with applicable laws, rules and regulations, including insider trading compliance; and

accountability for adherence to the code and prompt internal reporting of violations of the code, including illegal or unethical behavior regarding accounting or auditing practices.

You may obtain a copy of our Code of Financial Ethics on our website at www.radnet.com under Investor Relations – Corporate Governance. The Board of Directors has designated the Audit Committee to be responsible for reviewing the Code of Financial Ethics and making any appropriate updates or amendments. Any such updates or amendments will be publicly disclosed on our website.

The Audit Committee meets periodically, and at least quarterly, to review the Company’s financial statements and the adequacy of and compliance with the Company’s internal and external financial reporting processes. The Audit Committee held five meetings in 2014.

The responsibilities of the Audit Committee are more fully described in the Audit Committee Charter. The Audit Committee is required to review the charter at least annually and modify it as needed. The Audit Committee Charter can be found on our website at www.radnet.com under Investors – Corporate Governance.

The Board of Directors has determined that all members of the Audit Committee are independent and financially literate. Further, the Board of Directors has determined that each of Mr. Swartz and Mr. Levitt possesses the requisite accounting and financial management expertise required under the NASDAQ Marketplace Rules and qualifies as an “audit committee financial expert” as defined under the applicable SEC rules.

Compensation and Management Development Committee

The Compensation and Management Development Committee meets at least annually and is responsible for approving the compensation of executive officers and certain senior management and overseeing the Company’s management development programs, performance assessment of senior executives and succession planning. The Compensation and Management Development Committee held three meetings in 2014 and took action by written consent on one occasion.

The Compensation and Management Development Committee's responsibilities include, among other things:

reviewing and determining the base salary of executive officers and certain other senior management and setting the maximum bonus amount that each executive officer (other than the Chief Executive Officer) and certain other senior management is entitled to receive, which may be in the form of cash or equity incentive awards, as ultimately determined by our Chief Executive Officer;

· reviewing and administering our equity incentive plans, including any amendments thereto;

· overseeing the compensation philosophy and strategy of the Company;

· monitoring the Company's compliance with rules and regulations relating to compensation arrangements for directors and executive officers; and

· reviewing and approving our Company's corporate goals and objectives relevant to CEO compensation and evaluating the CEO's performance in light of those goals and determining the CEO's compensation levels and bonus based on such evaluation.

As noted in the Compensation Discussion and Analysis section below, certain executive officers receive compensation from an affiliate of BRMG. Our relationship with BRMG is described in further detail under "Certain Relationships and Related Party Transactions – Related Party Transactions" below. The process employed by the Compensation and Management Development Committee in determining the appropriate compensation of executive officers is the same regardless of whether payments are made by the Company or an affiliate of BRMG.

The responsibilities of the Compensation and Management Development Committee are more fully described in the Compensation and Management Development Committee Charter. The Compensation and Management Development Committee is required to review the charter annually and, as it deems appropriate, make recommendations of any proposed changes to the Board of Directors for approval. The Compensation and Management Development Committee Charter can be found on our website at www.radnet.com under Investors — Corporate Governance.

Nominating and Governance Committee

The Nominating and Governance Committee meets as frequently as circumstances dictate, but not less than once a year, and is responsible for identifying, evaluating and recommending qualified potential candidates to serve on the Board of Directors and its committees, coordinating the process for the Board of Directors to evaluate its performance

and overseeing matters of corporate governance. The Nominating and Governance Committee held one meeting in 2014.

The Nominating and Governance Committee's responsibilities include, among other things:

developing and recommending the criteria to be used in screening and evaluating potential candidates or nominees for election or appointment as director;

establishing and overseeing a policy for considering stockholder nominees for directors, and developing the procedures that must be followed by stockholders in submitting recommendations;

monitoring and reviewing any issues regarding the independence of directors or involving potential conflicts of interest and evaluating any change of status or circumstances with respect to a director;

evaluating all nominees for election of directors;

developing and recommending to the Board of Directors, as necessary, corporate governance policies to be adopted and maintained;

identifying committee member qualifications and recommending appropriate committee member appointments to the Board of Directors; and

The responsibilities of the Nominating and Governance Committee are more fully described in the Nominating and Governance Committee Charter. The Nominating and Governance Committee is required to regularly review the charter and recommend changes as it deems appropriate. The Nominating and Governance Committee Charter can be found on our website at www.radnet.com under Investors — Corporate Governance.

Related Party Transactions

Howard G. Berger, M.D., is our President and Chief Executive Officer, Chairman of our Board of Directors and is deemed to be the beneficial owner, directly and indirectly, of approximately 12.32% of our outstanding common stock as of March 31, 2015. Dr. Berger also owns, indirectly, 99% of the equity interests in BRMG. BRMG provides all of the professional medical services at the majority of our facilities located in California under a management agreement with us, and employs physicians or contracts with various other independent physicians and physician groups to provide the professional medical services at most of our other California facilities. We generally obtain professional medical services from BRMG in California, rather than provide such services directly or through subsidiaries, in order to comply with California's prohibition against the corporate practice of medicine. However, as a result of our close relationship with Dr. Berger and BRMG, we believe that we are able to better ensure that medical service is provided at our California facilities in a manner consistent with our needs and expectations and those of our referring physicians, patients and payors than if we obtained these services from unaffiliated physician groups. BRMG is a partnership of ProNet Imaging Medical Group, Inc., Breastlink Medical Group, Inc. and Beverly Radiology Medical Group, Inc., each of which is 99% or 100% owned by Dr. Berger. In 2014, Dr. Berger received \$500,000 of his salary and his entire bonus payment from an affiliate of BRMG. Dr. Berger also owns a controlling interest in two medical groups that provide professional medical services to one of our imaging facilities located in New York.

We have a management agreement with BRMG that expires on January 1, 2024 but includes an automatic renewal for consecutive 10-year periods. Under our management agreement, BRMG pays us, as compensation for the use of our facilities and equipment and for our services, a percentage of the gross amounts collected for the professional services it renders. The percentage, which was 79% at December 31, 2014, is adjusted annually, if necessary, to ensure that the parties receive fair value for the services they render. In operation and historically, the annual revenue of BRMG from all sources closely approximates its expenses, including Dr. Berger's compensation, fees payable to us and amounts payable to third parties. For administrative convenience and in order to avoid inconveniencing and confusing our payors, a single bill is prepared for both the professional medical services provided by the radiologists and our non-medical, or technical, services, generating a receivable for BRMG. BRMG is a guarantor under our first and second lien term loan facilities, as amended, and revolving credit facility.

John V. Crues III, M.D. is our Medical Director, a member of our Board of Directors and a 1% owner of BRMG. Dr. Crues receives all of his salary from BRMG. In 2014, Dr. Crues received a fixed base salary of \$500,000 and was also entitled to 12% of the revenues from certain programs Dr. Crues administers for BRMG, for a total salary of \$588,071.82. Dr. Crues also owns a controlling interest in two medical groups that provide professional medical services to some of our imaging facilities located in Manhattan and Brooklyn, New York.

Cohen & Lord, a professional corporation, a law firm with which Mr. Linden is associated, received \$161,544 in fees for the year ended December 31, 2014. Mr. Linden has specifically waived any interest in the fees paid to Cohen & Lord by RadNet since becoming an officer of RadNet in 2001.

We use World Wide Express, a package delivery company owned by Mr. Hames, a director and our Western Operations chief operating officer, to provide delivery services for us. The rates charged by World Wide Express are very competitive with those charged by other third-party package delivery companies. During the year ended December 31, 2014, we paid approximately \$833,000 to World Wide Express for those services. At December 31, 2014 we had outstanding amounts due to World Wide Express of \$61,000.

On June 1, 2009, we entered into a 10-year operating lease for a building at one of our imaging centers located in Wilmington, Delaware in which Mr. Bomar, our Senior Vice President and Director of Materials and Asset Management, is a 50% owner. The monthly rent under this operating lease is approximately \$26,000. We believe that the monthly lease amount is in line with similar 10-year lease contracts available for comparable buildings in the area.

Indemnification Agreements

We have indemnification agreements with each of our directors and certain of our officers in addition to provisions which are reflected in our certificate of incorporation and bylaws that require us to indemnify our directors and

officers to the fullest extent permitted by Delaware law.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS*

The Audit Committee of the Board of Directors is comprised entirely of independent directors who meet the independence requirements of NASDAQ and the SEC. The Audit Committee operates pursuant to a charter that is available on our website at www.radnet.com under Investors – Corporate Governance.

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. Management is responsible for the preparation, presentation and integrity of the financial statements, including establishing accounting and financial reporting principles and designing systems of internal control over financial reporting. Our independent registered public accounting firm, Ernst & Young LLP (“Ernst & Young”), is responsible for expressing an opinion as to the conformity of our consolidated financial statements with generally accepted accounting principles.

In performing its responsibilities, the Audit Committee has reviewed and discussed with management and Ernst & Young, the audited consolidated financial statements in our annual report on Form 10-K for the year ended December 31, 2014. The Audit Committee has also discussed with Ernst & Young matters required to be discussed by Statement on Auditing Standards 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee has received the written disclosures and the letter from Ernst & Young required by applicable requirements of the Public Company Accounting Oversight Board regarding Ernst & Young’s communications with the Audit Committee concerning independence, and has discussed Ernst & Young’s independence with Ernst & Young.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements of RadNet, Inc. be included in the Company’s annual report on Form 10-K for the year ended December 31, 2014 for filing with the SEC. The Audit Committee has also reappointed Ernst & Young to serve as independent auditors for the fiscal year ending December 31, 2015, and requested that this appointment be submitted to our stockholders for ratification at their annual meeting.

Executive Summary

We compensate our executive officers generally through a mix of base salary, cash bonus and equity compensation. Our executive compensation program is designed to attract, retain and motivate talented executive officers who are capable of providing leadership, vision and execution necessary to achieve our business objectives. We actively seek to foster an environment that aligns the interests of our executive officers with the creation of stockholder value through our equity compensation program. A cash bonus may also be paid to a Named Executive Officer.

The base salary and maximum discretionary bonus amount (which may be issued in cash, equity compensation or a mix thereof) for each Named Executive Officer is determined by our Compensation and Management Development Committee and is not based on benchmarking against specific peer companies. For the year ended December 31, 2014, the Compensation and Management Development Committee did not retain any outside advisors or compensation consultants. The Compensation and Management Development Committee actively engages in dialogue with the Chief Executive Officer (who is also a member of our Board) concerning executive performance, retention and compensation. Generally, salary adjustments for all Named Executive Officers, except for the Chief Executive Officer, are based upon the recommendation of our Chief Executive Officer, with the Compensation and Management Development Committee retaining ultimate authority to accept, reject or modify such recommendation. With respect to discretionary bonuses (cash and equity compensation) for all Named Executive Officers, except for the Chief Executive Officer, the Compensation and Management Development Committee annually determines a maximum dollar value for a discretionary cash bonus and a discretionary equity bonus and the Chief Executive Officer has the ultimate authority to determine the value of the discretionary cash bonus and the discretionary equity bonus to be paid to each Named Executive Officer (subject to the maximum limitations set by the Compensation and Management Development Committee).

The Named Executive Officers for fiscal year 2014 were: Howard G. Berger, M.D.; Mark D. Stolper; Jeffrey L. Linden; Norman R. Hames; and Stephen M. Forthuber.

The Compensation and Management Development Committee elected not to increase base salary for the Named Executive Officers in 2014, and in lieu thereof, elected to set the maximum amount for any discretionary cash bonus and equity bonus to be paid to each of the Named Executive Officers. Subject to the guidelines set by the Compensation and Management Development Committee, Dr. Berger, as the Chief Executive Officer, elected to award discretionary equity bonuses to each of Messrs. Hames, Forthuber and Stolper with a value of \$125,000 in the form of a restricted stock grant of 77,160 shares of our common stock (the value of which was based on the per share closing price of the Company's common stock on January 2, 2014) and Mr. Linden with a value of \$137,500 in the form of a restricted stock grant of 84,876 shares of our common stock (the value of which was based on the per share closing price of the Company's common stock on January 2, 2014). Each restricted stock grant vests in three equal annual increments with the first installment vesting on the grant date. Additionally in January 2014 and subject to the Compensation and Management Development Committee guidelines, Dr. Berger elected to award each of Messrs. Hames and Forthuber a discretionary cash bonus of \$118,750 and Mr. Linden a cash bonus of \$131,250. In January 2014, the Compensation and Management Development Committee awarded Dr. Berger a discretionary cash bonus of \$375,000.

The Company also pays the premiums for our executive officers' coverage under our health insurance plans and our Named Executive Officers other than the Chief Executive Officer are provided a monthly car allowance. Perquisites are not a material element of the executive compensation program.

Compensation Philosophy

The following principles influence and guide the compensation decisions of the Compensation and Management Development Committee:

The Compensation and Management Development Committee Believes it is Important to Retain the Management Team

At the core of our compensation philosophy is the guiding belief that our management team is an integral component to the company's continued success. Equity compensation and cash bonuses are determined and paid at the beginning of the fiscal year with the goal of continuing to retain and incentivize our executive officers to achieve or exceed the strategic initiatives set for the year.

Compensation Decisions Should Promote the Interests of Stockholders

Compensation should focus management on achieving strong short-term (annual) performance in a manner that supports and ensures our long-term success and profitability. The Compensation and Management Development Committee believes that stock options and restricted stock create long-term incentives that align the interests of management with the long-term interests of stockholders.

Compensation Should Reflect Position and Responsibility

Total compensation and accountability should generally increase with position and responsibility. Consistent with this philosophy:

total compensation is higher for individuals with greater responsibility and greater ability to influence the Company's achievement of targeted results and strategic initiatives; and

equity-based compensation is higher for persons with higher levels of responsibility, making a significant portion of their total compensation dependent on long-term stock appreciation.

Internal Pay Equity

The Compensation and Management Development Committee believes that internal pay equity is an important factor to be considered in establishing compensation for our executive officers. A formal policy regarding the ratio of total compensation of the Chief Executive Officer to that of the other officers has not been established, but the Compensation and Management Development Committee does review compensation levels to ensure that appropriate equity exists. The Compensation and Management Development Committee intends to continue to review internal compensation equity and may adopt a formal policy in the future, if it is determined that such a policy would be appropriate.

Compensation Should be Reasonable and Responsible

It is essential that our overall compensation levels be sufficiently competitive to attract and retain talented leaders and motivate those leaders to achieve superior results. At the same time, we believe that compensation should be set at responsible levels. Our executive compensation programs are intended to be consistent with our focus on controlling costs.

Compensation Disclosures Should be Clear and Complete

The Compensation and Management Development Committee and management believe that all aspects of executive compensation should be clear, comprehensible and promptly disclosed in plain English. The Compensation and Management Development Committee and management believe that compensation disclosures should provide all of the information necessary to permit stockholders to understand our compensation philosophy, our compensation-setting process and how and how much our executives are paid.

Board Process

Compensation and Management Development Committee

The Compensation and Management Development Committee has been delegated the authority by our Board of Directors to approve all compensation and awards to executive officers. With respect to equity compensation awarded to the executive officers and others, the Compensation and Management Development Committee acts as the administrator under our stockholder-approved 2006 Equity Incentive Plan, as amended (the “2006 Plan”), and has the authority under that plan to grant restricted stock or stock options.

The Compensation and Management Development Committee has adopted an informal policy pursuant to which each year the committee determines, based on a number of factors, the aggregate maximum value of equity awards and cash bonus that may be awarded to each named executive officer and has delegated to the Chief Executive Officer the authority to determine the exact amount of such awards and the combination of cash and equity. The Compensation and Management Development Committee has ultimate authority over the base salary for each executive officer and the overall compensation of the Chief Executive Officer.

Our Compensation and Management Development Committee meets as often as necessary to perform its duties and responsibilities. The Committee meets with executive management, including our Chief Executive Officer, and conducts meetings in executive session.

The Compensation and Management Development Committee meets in executive session each year to: (i) evaluate the performance of the Named Executive Officers, (ii) set the annual compensation of the Named Executive Officers, and (iii) consider and approve any grants of equity incentive compensation to the Named Executive Officers.

Management's Role in the Compensation-Setting Process

Management plays a significant role in the compensation-setting process. The most significant aspects of which are:

- to establish the operating budget, which forms the basis for evaluating corporate achievements and the achievements of the divisions our senior executive officers manage that are taken into consideration when evaluating compensation levels for senior executives;

- to make recommendations to the Compensation and Management Development Committee on salary levels and option and restricted stock awards; and

- our Chief Executive Officer determines the amount of equity compensation and cash bonus amounts to be awarded to our senior executive officers (other than himself), subject to the guidelines and limitations placed by the Compensation and Management Development Committee.

Our Chief Executive Officer works with the Compensation and Management Development Committee in establishing the agenda for committee meetings. Management also prepares meeting information for each Compensation and Management Development Committee meeting.

Our Chief Executive Officer also participates in committee meetings at the request of the Compensation and Management Development Committee to provide, among other things:

background information regarding the Company's strategic objectives; and

his evaluation of the performance of the senior executive officers, including accomplishments, and areas of strength and weakness.

Committee Advisors

Under its charter, the Compensation and Management Development Committee is granted, where appropriate, the authority to retain outside advisors and compensation consultants. The Company is obligated to pay for the advisors and consultants. These advisors will report directly to the Compensation and Management Development Committee. For the year ended December 31, 2014, the Compensation and Management Development Committee did not retain any outside advisors or compensation consultants.

Benchmarking

Our Compensation and Management Development Committee and our Chief Executive Officer do not base their compensation decisions on benchmarking against a specific peer group of companies. However, the Compensation and Management Development Committee recognizes that our compensation practices must be competitive in the marketplace. The Compensation and Management Development Committee and the Chief Executive Officer are generally aware of pay practices at other companies in our industry. This marketplace information is only one of the many factors that is considered in assessing the reasonableness of compensation.

Elements of Executive Compensation

Base Salary

Base pay is a critical element of executive compensation. We seek to establish a compensation level that is appropriate recognizing the executive officer's achievements and contributions. Base pay also provides executives with a secure level of monthly income that is not at risk, and our Compensation and Management Development Committee believes

that this gives our executive officers the ability to focus on the longer term and avoid the urgency that could otherwise encourage an executive officer to take unnecessary risks. In determining base salaries our Compensation and Management Development Committee considers the executive officer's qualifications and experience, scope of responsibilities and future potential, the executive's ability to influence the Company's achievements of targeted results and strategic initiatives, the goals and objectives established for the executive officer, the executive officer's past performance, the general pay practices at other companies in our industry, internal pay equity and the tax deductibility of base salary.

Equity Based Compensation

We believe that equity compensation is the most effective means of creating a long-term link between the compensation provided to officers and other key management personnel with gains realized by our stockholders.

Our equity compensation plan has been established to provide certain of our employees, including our Named Executive Officers (other than our Chief Executive Officer), with incentives to help align those employees' interests with the interests of our stockholders. Our equity compensation plan has provided the principal method for our Named Executive Officers to acquire equity or equity linked interests in our Company.

Beginning in 2012, the Compensation and Management Development Committee elected to use restricted stock awards as the primary equity compensation vehicle for our Named Executive Officers. In connection with this decision, the Compensation and Management Development Committee reviewed the type of equity awards other companies were granting to executive officers and also took into account the various costs associated with differing equity awards and determined that granting restricted stock would serve as a better inducement to retaining our Named Executive Officers. The restricted stock grants generally vest in three equal annual increments, with the first installment vesting on the grant date.

The Compensation and Management Development Committee uses equity awards, including restricted stock and stock options, as a long-term incentive vehicle because:

restricted stock and stock options align the interests of executives with those of our stockholders, support a pay-for-performance culture, foster employee stock ownership and focus the management team on increasing value for our stockholders; and

the vesting period encourages executive retention and the creation of stockholder value.

In determining the maximum number of options or shares of restricted stock to be granted to senior executive officers, the Compensation and Management Development Committee takes into account the individual's position, scope of responsibility, ability to affect profits and stockholder value and the individual's historic and recent performance, the value of the equity awards in relation to other elements of total compensation, internal pay equity and market competitiveness. The Chief Executive Officer takes into account similar factors as the Compensation and Management Development Committee when determining the number of options or shares of restricted stock to be granted to the senior executive officers, within the limitations set by the Compensation and Management Development Committee. The Company has adopted a general policy of issuing equity awards to senior executive officers on the first business day of January and such equity awards are intended to incentivize those individuals to strive for the Company's continued success.

Discretionary Cash Bonuses

In recent years, in lieu of increasing base salary compensation, we have elected to supplement base salary and equity based compensation with discretionary cash bonus awards generally paid in the beginning of the fiscal year. These discretionary cash bonuses are utilized to assist in retaining our named executive officers and to provide a greater incentive for each to continue to contribute to the long-term success of the Company.

Additional Benefits

Our executive officers, including our Named Executive Officers, participate in other employee benefit plans generally available to all employees on the same terms as similarly situated employees.

Perquisites to our Named Executive Officers are not a material element of our compensation program. We pay the premiums for our Named Executive Officers' coverage under our health insurance plans and all of our Named

Executive Officers other than our chief executive officer are provided a monthly car allowance.

Change in Control and Severance Arrangements

The employment arrangements of our Named Executive Officers provide them with benefits if their employment is terminated under certain circumstances, including termination following a change in control of the Company. The details and amount of these benefits are set forth below under “Compensation of Executive Officers – Potential Payments Upon Termination or Change in Control – Severance Arrangements”; “Compensation of Executive Officers – Potential Payments Upon Termination or Change in Control – Change-in-Control Arrangements” and “Compensation of Executive Officers – Pension Benefits, Nonqualified Defined Contribution and Other Deferred Compensation Plans.” The employment agreements, including the change in control provisions and the right to receive severance, were initially used to attract qualified executive officers and have continued to be used as a way to retain such qualified executive officers.

Deductibility of Executive Compensation

Our Compensation and Management Development Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that we may not deduct compensation of more than \$1,000,000 that is paid to certain Named Executive Officers. This limitation does not apply to compensation that meets the requirements under Section 162(m) of the Internal Revenue Code for “qualifying performance based” compensation. In this regard, we do intend that stock options granted under our 2006 Plan qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code and therefore are exempt from the \$1,000,000 limit. However, our Compensation and Management Development Committee may approve compensation that will not meet these requirements in order to, among other things, ensure competitive levels of total compensation of our Named Executive Officers.

2014 Stockholder Advisory Vote on Executive Compensation

In July 2014, over 98% of the stockholder votes which were cast (including those that abstained and excluding broker non-votes) on the stockholder advisory vote regarding our Named Executive Officers' compensation were in favor of approving such compensation, reflecting very strong stockholder support for our executive compensation programs. The Compensation and Management Development Committee carefully considered these results and a variety of other information in determining compensation structure and amounts for 2015. Moreover, the Compensation and Management Development Committee, along with the Chief Executive Officer, did determine to continue to use restricted stock, in lieu of stock options, with respect to equity compensation awards that it issued in 2015 as noted below under the heading "2015 Compensation Determinations."

2014 Compensation Determinations

The Compensation and Management Development Committee uses its judgment and discretion in determining the amount of base salary for each Named Executive Officer, which is reviewed on an annual basis.

The Compensation and Management Development Committee elected not to increase base salary for the Named Executive Officers in 2014, and in lieu thereof, elected to set the maximum amount for any discretionary cash bonus and equity compensation to be awarded to each of the Named Executive Officer (other than the Chief Executive Officer) to equal in the aggregate approximately 50% of such Named Executive Officer's base salary, the same maximum amounts that were set in fiscal year 2013. The maximum amounts for any discretionary bonus and equity compensation were set as follows:

	Cash Bonus	Equity Compensation
Mark Stolper	\$118,750	\$125,000
Norman Hames	\$118,750	\$125,000
Stephen Forthuber	\$118,750	\$125,000
Jeffrey Linden	\$131,250	\$137,500

In January 2014, subject to the guidelines set by the Compensation and Management Development Committee, Dr. Berger, as the Chief Executive Officer, elected to award each of the maximum cash bonus and equity compensation amounts to Messrs. Stolper, Hames, Forthuber and Linden. As a result, each of Messrs. Hames, Forthuber and Stolper received a restricted stock grant of 77,160 shares of our common stock (\$125,000 approximate value based on the per share closing price of the Company's common stock on January 2, 2014) and Mr. Linden received a restricted stock grant of 84,876 shares of our common stock (\$137,500 approximate value based on the per share closing price of the Company's common stock on January 2, 2014). Each restricted stock grant vests in three equal annual increments with the first installment vesting on the grant date. Additionally in January 2014 and subject to the Compensation and

Management Development Committee guidelines, Dr. Berger elected to award each of Messrs. Hames and Forthuber a discretionary cash bonus of \$118,750 and Mr. Linden a discretionary cash bonus of \$131,250. In December 2013, Dr. Berger, subject to the Compensation and Management Development Committee guidelines, elected to award Mr. Stolper a discretionary cash bonus of \$118,750. The restricted stock awards and cash bonuses are reflected in Summary Compensation Table for 2014 (except for the cash bonus for Mr. Stolper which is reflected in the table for 2013 since it was paid in December 2013), which table can be found later in this proxy statement under the heading "Compensation of Executive Officers." The Compensation and Management Development Committee and Dr. Berger made these awards in order to continue to retain each of these Named Executive Officers, to provide them with a more significant equity stake in the Company and to offer a greater incentive to contribute to our long-term success.

The base salary paid to Dr. Berger from an affiliate of BRMG in 2014 remained at \$500,000, which was the amount of base salary paid by such affiliate in fiscal year 2013. The base salary paid by RadNet Management, Inc. in 2014 remained at \$200,000, which was the amount of base salary paid by RadNet Management, Inc. to Dr. Berger in fiscal year 2013. The Compensation and Management Development Committee elected not to grant any equity awards to Dr. Berger who was then already the beneficial owner, directly and indirectly, of greater than 10% of our outstanding common stock. The Compensation and Management Development Committee determined that he has a sufficient equity interest in the Company to align his interest with other stockholders. In January 2014, the Compensation and Management Development Committee awarded Dr. Berger a discretionary cash bonus in the amount of \$375,000, the same amount that was awarded to him in fiscal year 2013. The cash bonus amount was intended to incentivize him to continue to contribute to the long-term success of the Company. The discretionary cash bonus for Dr. Berger was paid by an affiliate of BRMG.

2015 Compensation Determinations

The Compensation and Management Development Committee elected not to increase base salary for the Named Executive Officers in 2015, and in lieu thereof, elected to set the maximum amount for any discretionary cash bonus and equity compensation to be awarded to each of the Named Executive Officers (other than the Chief Executive Officer) to equal in the aggregate approximately 100% of such Named Executive Officer's base salary. The maximum amount for discretionary cash bonuses and equity compensation was increased to support retention and to continue to align the interests of our executive officers with the creation of stockholder value. The maximum amounts for any discretionary bonus and equity compensation were set as follows:

	Cash Bonus	Equity Compensation
Mark Stolper	\$237,500	\$237,500
Norman Hames	\$237,500	\$237,500
Stephen Forthuber	\$237,500	\$237,500
Jeffrey Linden	\$262,500	\$262,500

In January 2015, subject to the guidelines set by the Compensation and Management Development Committee, Dr. Berger, as the Chief Executive Officer, elected to award each of the maximum cash bonus and equity compensation amounts to Messrs. Stolper, Hames, Forthuber and Linden. As a result, each of Messrs. Hames, Forthuber and Stolper received a restricted stock grant of 27,425 shares of our common stock (\$237,500 approximate value based on the per share closing price of the Company's common stock on January 2, 2015) and Mr. Linden received a restricted stock grant of 30,312 shares of our common stock (\$262,500 approximate value based on the per share closing price of the Company's common stock on January 2, 2015). Each restricted stock grant vests in three equal annual increments with the first installment vesting on the grant date. Additionally in January 2015 and subject to the Compensation and Management Development Committee guidelines, Dr. Berger elected to award each of Messrs. Stolper, Hames and Forthuber a discretionary cash bonus of \$237,500 and Mr. Linden a cash bonus of \$262,500. As a result, for each executive officer, the sum of the executive's cash bonus and equity compensation was approximately equal to the base compensation paid to such executive officer in fiscal 2014. The Compensation and Management Development Committee and Dr. Berger made these awards in order to continue to retain each of these Named Executive Officers, to provide them with a more significant equity stake in the Company, to offer a greater incentive to contribute to our long-term success and to reward them for their continuing contributions to the increase in our stock price.

The Compensation and Management Development Committee elected not to grant any equity awards to Dr. Berger in January 2015, who was then already the beneficial owner, directly and indirectly, of greater than 10% of our outstanding common stock. The Compensation and Management Development Committee determined that he has a sufficient equity interest in the Company to align his interest with other stockholders. As an alternative to an equity award, the Compensation and Management Development Committee awarded Dr. Berger a discretionary cash bonus in January 2015 of \$1,000,000, approximately 100% of the total compensation paid to Dr. Berger in fiscal year 2014. The cash bonus amount was intended to incentivize him to continue to contribute to the long-term success of the Company.

Risk Consideration in Our Compensation Programs

Our Compensation and Management Development Committee reviewed the concept of risk as it relates to our compensation program and does not believe our compensation program encourages excessive or inappropriate risk taking. We structure our pay to consist of primarily fixed compensation with base salary in cash and non-cash long-term incentive programs. The base salary portion of compensation, and in recent years, the cash bonuses, are designed to provide a steady income regardless of our stock price performance, so that our executive officers do not feel pressured to focus exclusively on stock price performance to the detriment of other important aspects of our business. Our equity incentive grants have traditionally been structured to provide longer term incentives. Our Compensation and Management Development Committee believes our compensation programs strike a balance between providing secure compensation and appropriate long-term incentives, such that our executive officers are not encouraged to take unnecessary or excessive risks.

COMPENSATION COMMITTEE REPORT*

The Compensation and Management Development Committee of the Board of Directors is comprised of independent non-employee directors and operates pursuant to a written charter. A copy of the charter can be viewed by visiting our website at www.radnet.com and clicking on “Investors” and then on “Corporate Governance.” The Compensation and Management Development Committee is responsible for setting and overseeing the administration of the policies governing annual compensation of the Company’s executive officers. The Compensation and Management Development Committee reviews the performance and compensation levels for executive officers, including the Chief Executive Officer, and sets salary levels.

The Compensation and Management Development Committee has reviewed and discussed with RadNet’s management the “Compensation Discussion and Analysis” included in this proxy statement. Based upon that review and analysis, the Compensation and Management Development Committee unanimously recommended to the Board of Directors that the “Compensation Discussion and Analysis” be included in this proxy statement.

The employment agreement provides that Mr. Linden's base salary is \$350,000, which was subsequently amended to \$475,000 for the fiscal year 2010 and has since been amended to \$525,000, effective as of January 1, 2012. The employment agreement also provides that Mr. Linden is eligible for severance benefits as described below under the heading "Potential Payments Upon Termination or Change in Control – Severance Arrangements" and as described above under the heading "Pension Benefits, Nonqualified Defined Contribution and Other Deferred Compensation Plans." Mr. Linden currently serves as Executive Vice President and General Counsel.

We entered into an employment agreement with Mr. Hames on May 1, 2001, as amended on January 30, 2004 for an initial three-year term that renews automatically for successive one year terms unless otherwise terminated by either party. The employment agreement provides that Mr. Hames' base salary is \$225,000, which was subsequently amended to \$425,000 for the fiscal year 2011 and has since been amended to \$475,000, effective as of January 1, 2012. The employment agreement also provides that Mr. Hames is eligible for severance benefits as described below under the heading "Potential Payments Upon Termination or Change in Control – Severance Arrangements" and as described above under the heading "Pension Benefits, Nonqualified Defined Contribution and Other Deferred Compensation Plans." Mr. Hames currently serves as Executive Vice President and Chief Operating Officer – Western Operations.

We entered into an employment agreement with Mr. Stolper effective as of January 1, 2009, under which he serves as our Executive Vice President and Chief Financial Officer until the agreement is terminated by either party. The employment agreement provides that Mr. Stolper's initial base salary was \$350,000, which was subsequently amended to \$425,000 for the fiscal year 2011 and has since been amended to \$475,000, effective as of January 1, 2012. The employment agreement also provides that he is eligible to participate in all of our bonus or incentive compensation plans generally available to our corporate officers and that he is entitled to certain benefits upon a change-in-control as described below under the heading "Potential Payments Upon Termination or Change in Control – Change-in-Control Arrangements."

Potential Payments Upon Termination or Change in Control

Payments Made Upon Termination and Retirement

Regardless of the manner in which the employment of a Named Executive Officer is terminated, he is entitled to receive amounts earned during his term of employment. Such amounts include:

- non-equity incentive compensation earned, to the extent vested;
- equity awarded pursuant to our 2006 Plan, to the extent vested; and
- unused vacation pay.

Payments Made Upon Death or Disability

In the event of the death or disability of a Named Executive Officer, no additional benefits other than those listed under the heading “Payments Made Upon Termination and Retirement” above, will be paid to our Named Executive Officers.

Severance Arrangements

Under each employment agreement discussed above under the heading “Employment Agreements,” we may terminate such Named Executive Officer’s employment at any time and for any reason upon notice, as specified in each Named Executive Officer’s employment agreement and each Named Executive Officer may resign at any time and for any reason.

The severance payments described below shall each be paid within fifteen business days of the effective date of such termination; provided, that, if the payments are subject to Section 409A of the Code and such Named Executive Officer is deemed a “specified employee” (as defined in Section 409A of the Code), then, such payment shall not be required to be paid until the first day of the seventh month following the effective date of such termination.

Dr. Berger

Dr. Berger has a severance arrangement with BRMG pursuant to a consulting agreement. Under this arrangement, in the event of termination “without cause,” Dr. Berger is entitled to receive a severance payment in an amount equal to five times his 2010 BRMG annual compensation, or \$2,500,000. Additionally, in the event of termination “for cause” by BRMG, Dr. Berger is entitled to receive a payment in an amount equal to his 2010 annual base compensation from an affiliate of BRMG, or \$500,000.

BRMG may terminate Dr. Berger’s consulting services “for cause” if (i) there is a material breach by Dr. Berger of the agreement which persists for more than thirty (30) days after notice of such breach has been provided, (ii) Dr. Berger willfully breaches or habitually neglects his duties, (iii) Dr. Berger commits any acts of a criminal nature, fraud, dishonest misrepresentations or any acts of moral turpitude, (iv) Dr. Berger’s professional license is suspended, revoked or terminated or (v) Dr. Berger is convicted of a felony or of fraud involving payments or charges for professional medical services.

Mr. Stolper

If we terminate Mr. Stolper's employment "without cause" or he voluntarily terminates his employment for good reason, Mr. Stolper is entitled to receive a lump sum severance payment in an amount equal to two times his then annual base salary, or a total of \$950,000 if hypothetically terminated on December 31, 2014 based upon his 2014 base salary. Such payments are subject to post-termination covenants intended to protect the Company's business. In addition, all options, warrants or other deferred equity compensation then granted to Mr. Stolper which is unvested at the time of such termination shall immediately vest and if hypothetically terminated on December 31, 2014, the unamortized intrinsic value of such newly vested options, warrants, restricted stock and other deferred equity compensation would be approximately \$581,634 based on our December 31, 2014 closing per share price of \$8.54.

We may terminate Mr. Stolper's employment "for cause" (i) if Mr. Stolper is convicted (or pleads guilty or nolo contendere) of a felony or a misdemeanor involving fraud or dishonesty in connection with the performance of his duties under the employment agreement or moral turpitude, (ii) based on the willful and continued failure of Mr. Stolper to perform his duties for a period of 10 days within one fiscal year or (iii) based on Mr. Stolper's willingness to engage in misconduct which has, or can reasonably be expected to have, a direct and material adverse monetary effect on the Company.

Mr. Stolper may terminate his employment for "good reason" (i) if the Company is in material default of its obligations under the employment agreement or (ii) if without his consent, his title, duties or job functions are materially diminished, he is assigned duties or responsibilities materially inconsistent with his current position, or he is relocated, and such changes remain unremedied for a period of ten days following notice from Mr. Stolper.

Mr. Linden

If we terminate Mr. Linden's employment "without cause" or Mr. Linden elects to terminate his employment for any reason, Mr. Linden will be entitled to receive a severance payment in an amount equal to five times his 2010 base salary, or \$2,000,000. Such payments are subject to post-termination covenants intended to protect the Company's business.

We may terminate Mr. Linden's employment "for cause" if (i) there is a material breach of the agreement which persists for more than thirty (30) days after notice of such breach has been provided, (ii) Mr. Linden willfully breaches or habitually neglects his duties or (iii) Mr. Linden commits any acts of a criminal nature, fraud, dishonest misrepresentations or any acts of moral turpitude.

Mr. Hames

If we terminate Mr. Hames' employment "without cause" or Mr. Hames elects to terminate his employment for any reason, Mr. Hames will be entitled to receive a severance payment in an amount equal to three times his 2010 base salary, or \$1,050,000. Such payments are subject to post-termination covenants intended to protect the Company's business.

We may terminate Mr. Hames' employment "for cause" if (i) there is a material breach of the agreement which persists for more than thirty (30) days after notice of such breach has been provided, (ii) Mr. Hames willfully breaches or habitually neglects his duties or (iii) Mr. Hames commits any acts of a criminal nature, fraud, dishonest misrepresentations or any acts of moral turpitude.

Mr. Forthuber

We entered into a retention agreement with Mr. Forthuber on November 15, 2006. If we terminate Mr. Forthuber's employment for any reason other than for "disability" or "cause", Mr. Forthuber will be entitled to receive a lump sum severance payment in an amount equal to his then annual salary, or a total of \$475,000 if hypothetically terminated on December 31, 2014, based upon his 2014 base salary. Mr. Forthuber is also subject to post-termination covenants for twelve months from the effective date of termination intended to protect the Company's business.

Under the retention agreement, "disability" means that for a period of at least 120 days during any twelve consecutive month period on account of a mental or physical condition, Mr. Forthuber is unable to perform the essential functions of his job, even with reasonable accommodation. The determination of Mr. Forthuber's disability is required to be made by a medical physician selected or agreed to by the Company or upon mutual agreement between the Company and Mr. Forthuber or his personal representative.

We may terminate Mr. Forthuber's employment for "cause" (i) if Mr. Forthuber was convicted (or pleads guilty or nolo contendere) of a felony or a misdemeanor involving fraud or dishonesty in connection with the performance of his duties under the retention agreement or moral turpitude, (ii) based on the willful and continued failure of Mr. Forthuber for a total of 10 days (which need not be consecutive days) within any fiscal year to substantially perform his duties (other than any such failure resulting from illness or "disability") after a written demand for substantial performance from us has been delivered to Mr. Forthuber, which demand specifically identifies the manner in which it claims Mr. Forthuber has not substantially performed his duties or (iii) Mr. Forthuber has willfully engaged in misconduct which has, or can reasonably be expected to have, a direct and material adverse monetary effect on the Company.

Change-in-Control Arrangements

None of our Named Executive Officers is generally entitled to payment of any special benefits upon a change-in-control of the Company; however all options, warrants and any other deferred equity compensation then granted to Mr. Stolper which is unvested at the time of such change-in-control shall immediately vest. Hypothetically assuming a change-in-control occurred on December 31, 2014, the unamortized intrinsic value of such newly vested options, warrants, restricted stock and other deferred equity compensation would be approximately \$2,384,693 based on our December 31, 2014 closing per share price of \$8.54.

Under the 2006 Plan, the Board of Directors of the Company, a committee thereof, or the board of directors of any surviving entity or acquiring entity, may in its discretion, in connection with a "change-in-control", accelerate the vesting of all or any part of the options that are then outstanding and terminate any restrictions on all or any part of the

restricted stock awards. A “change-in-control” under the 2006 Plan shall mean: (i) a merger or consolidation in which the Company is not the surviving entity (or survives only as a subsidiary of another entity whose stockholder did not own all or substantially all of our common stock immediately before such transaction); (ii) a sale of all or substantially all of our assets to another person or entity (other than a wholly-owned subsidiary of the Company); (iii) an acquisition of beneficial ownership of a controlling interest in the outstanding shares of our common stock by any person or entity (including a “group”) as defined under Section 13(d)(3) of the Exchange Act); (iv) the dissolution or liquidation of the Company; (v) a contested director election that results in the persons who were directors before such election or their nominees ceasing to constitute a majority of the board or (vi) any other event that may be specified in the specific awards granted by the Board of Directors or a committee thereof pursuant to the 2006 Plan.

COMPENSATION OF DIRECTORS

Overview of Director Compensation

We use cash and stock based incentive compensation to attract and retain qualified candidates to serve on our board. In setting director compensation, we consider the significant amount of time that our directors expend in fulfilling their duties to our Company as well as the skill level required by the members of our board. In addition, our certificate of incorporation and bylaws include indemnification provisions for our directors and executive officers and we maintain liability insurance for our directors and officers.

Cash Compensation Paid to Non-Employee Board Members

The current cash compensation structure for non-employee directors is set forth below:

Annual cash compensation	\$35,000
Audit Committee Chair annual cash compensation	\$15,000
Compensation and Management Development Committee Chair annual cash compensation	\$7,500
Nominating and Governance Committee Chair annual cash compensation	\$7,500
Committee Meeting Attendance (per meeting)	\$1,500
Board Meeting Attendance (per meeting)	\$2,000

Employee directors do not receive any additional compensation for their service as a director.

Equity Compensation

Non-employee directors each received a restricted stock grant equal to \$125,000 based on the closing price of the Company's common stock on January 2, 2014. Each non-employee director therefore received a restricted stock grant of 77,160 shares on January 2, 2014, with one-third vested as of the grant date and the remaining portion vesting in two equal annual installments on January 2, 2015 and 2016, respectively, subject to continued service.

Non-Employee Director Compensation - 2014

The table below summarizes the cash and non-cash non-employee director fees received for the fiscal year ended December 31, 2014 by each of our non-employee directors.

Name	Fees		Total (\$)
	Earned or Paid in Cash (\$)	Stock Award (\$) ^{(1) (2)}	
Marvin S. Cadwell ⁽³⁾	56,000	125,000	181,000
Lawrence L. Levitt ⁽³⁾	71,250	125,000	196,250
Michael L. Sherman, M.D. ⁽³⁾	56,875	125,000	181,875
David L. Swartz ⁽³⁾	71,250	125,000	196,250

Amounts reflect the aggregate grant date fair value of stock options and stock awards granted in the year computed in accordance with FASB ASC Topic 718. These are not amounts paid to or realized by the non-employee director.

⁽¹⁾ Assumptions used in the calculation of these values are included in Note 12 to our audited financial statements included in our 2014 Annual Report on Form 10-K for the year ended December 31, 2014 which was filed with the SEC on March 16, 2015, as amended on March 31, 2015.

Each non-employee director received a restricted stock award for 77,160 shares on January 2, 2014 under the 2006 Plan which vests in three equal annual increments beginning on the grant date, subject to the director's continued ⁽²⁾ service. The value realized by each director for such grant equals \$125,000, the aggregate fair market value of the common stock based on our closing price of \$1.62 per share on January 2, 2014.

⁽³⁾ As of December 31, 2014, each of Messrs. Cadwell, Levitt, Sherman and Swartz had 25,720 shares of unvested restricted stock and 35,000 shares subject to vested stock options.

Non-Employee Director Compensation - 2015

In 2015, the Board of Directors determined that the cash compensation structure for non-employee directors and the value of the shares subject to the restricted stock grant for 2015 would be the same as provided in 2014. Each non-employee director therefore received a restricted stock grant equal to \$125,000 based on the closing price of the Company's common stock on January 2, 2015, resulting in a restricted stock grant of 14,434 shares on January 2, 2015, with one-third vested as of the grant date and the remaining portion vesting in two equal annual installments on January 2, 2016 and 2017, respectively, subject to continued service.

EQUITY COMPENSATION PLAN INFORMATION

We have reserved 11,000,000 shares of common stock for issuance under our 2006 Plan. The 2006 Plan provides for the grant of stock options (incentive and non-qualified), stock awards, stock appreciation rights and cash awards. If an award is cancelled, terminates, expires, or lapses for any reason without having been fully exercised or vested, or is settled for less than the full number of shares of common stock represented by such award actually being issued, the unvested, cancelled, or unissued shares of common stock generally will be returned to the available pool of shares reserved for issuance under the 2006 Plan. Notwithstanding the foregoing, the aggregate number of shares of common stock that may be issued under the 2006 Plan upon the exercise of incentive stock options shall not be increased for restricted shares that are forfeited or repurchased. Notwithstanding anything in the 2006 Plan, or any award agreement to the contrary, shares attributable to awards transferred under any award transfer program shall not be again available for grant under the 2006 Plan. In addition, if we experience a stock dividend, reorganization, or other change in our capital structure, the administrator may, in its discretion, adjust the number of shares available for issuance under the 2006 Plan and any outstanding awards as appropriate to reflect the stock dividend or other change. The share number limitations included in the 2006 Plan will also adjust appropriately upon such event. As of December 31, 2014, 2,049,176 shares of common stock were subject to exercisable outstanding stock options granted under the 2006 Plan and the Company had issued a total of 2,716,785 shares of restricted stock of which 942,023 were unvested at December 31, 2014. As of December 31, 2014, 3,754,465 shares of common stock were available for future awards under the 2006 Plan.

The following table sets forth the number of shares of common stock subject to outstanding options and stock awards, the weighted-average exercise price of outstanding options, and the number of shares remaining available for future award grants as of December 31, 2014.

Plan Category	(A) Number of Shares to Be Issued Upon Exercise of	(B) Weighted Average Exercise Price of	(C) Number of Shares Remaining Available
---------------	--	--	--

Equity incentive plans approved by stockholders	2,092,509	3.58	3,754,465
Equity incentive plans not approved by stockholders	–	–	–
TOTAL	2,092,509		

The 2006 Plan is administered by the Compensation and Management Development Committee, which has the power to determine matters related to outstanding option awards under the Plan, including conditions of vesting and exercisability. Options granted under the Plan expire no later than 10 years from the grant date. Options generally vest in increments over three or five years from the date of grant. Options granted to non-employee directors however are fully vested upon issuance. Restricted stock grants issued to employees and non-employee directors generally vest in equal annual increments over two years from the date of grant with one-third vested as of the date of grant.

Ernst & Young LLP has audited our financial statements annually since January 1, 2007. Representatives of Ernst & Young LLP are expected to be at the Annual Meeting to answer any questions and make a statement should they choose to do so.

Although our bylaws do not require that our stockholders approve the appointment of our independent registered public accounting firm, the Audit Committee is submitting the selection of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate practice. If our stockholders vote against the ratification of Ernst & Young LLP, the Audit Committee will consider this in its selection of auditors for the following year. Even if our stockholders ratify the appointment, the Audit Committee may choose to appoint a different independent registered public accounting firm at any time during the year if it is determined that such a change would be in the best interests of our Company and our stockholders.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of the Independent Registered Public Accounting Firm

As a matter of policy, all audit and non-audit services provided by our independent registered public accounting firm are approved in advance by the Audit Committee, which considers whether the provision of non-audit services is compatible with maintaining such firm's independence. All services provided by Ernst & Young LLP during the fiscal year ended December 31, 2014 and the fiscal year ended December 31, 2013 were pre-approved by the Audit Committee. The Audit Committee has considered the role of Ernst & Young LLP in providing services to us for the fiscal year ended December 31, 2014 and has concluded that such services are compatible with their independence as our auditors.

Vote Required

Ratification of Ernst & Young LLP as our independent registered public accounting firm requires the affirmative vote of the holders of a majority of the shares present in person or represented by proxy on this proposal at the Annual Meeting.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" RATIFICATION OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

PROPOSAL NO. 3

ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

In accordance with the requirements of Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act enacted in July 2010) and the related rules of the SEC, we are providing our stockholders with the opportunity to cast a non-binding, advisory vote to approve the compensation of our Named Executive Officers as disclosed pursuant to the SEC's executive compensation disclosure rules and set forth in this proxy statement (including the Compensation Discussion and Analysis, the summary compensation and other related tables and narratives accompanying those tables).

As described in detail under the "Compensation Discussion and Analysis" section above, our compensation policies are designed to be competitive with comparable employers and to align management's incentives with both near term and long-term interests of our stockholders. We compensate our executive officers through a mix of base salary, bonus and equity compensation. We intend that our compensation decisions will attract and retain our Named Executive Officers and reward them for achieving the Company's strategic initiatives and objective measures of success. Our Compensation and Management Development Committee and Board of Directors believe that our executive compensation program is effective in implementing our principles and is strongly aligned with the long-term interests of our stockholders and that our stockholders should approve our compensation program.

The vote on this resolution, commonly known as the "say-on-pay" proposal, is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our Named Executive Officers, as described in this proxy statement in accordance with the compensation disclosure rules of the SEC. The vote is advisory and its outcome will not be binding on our Board of Directors or the Company nor require our Board of Directors or Compensation and Management Development Committee to take any action. However, our Board of Directors and Compensation and Management Development Committee values the opinion expressed by our stockholders in their vote on this proposal and expect to take into account the outcome of this vote when evaluating future executive compensation arrangements for our Named Executive Officers.

Accordingly, we ask our stockholders to vote on the following resolution at the Annual Meeting:

"RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K, including Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED."

Vote Required

Approval of the compensation of our Named Executive Officers for the stockholder advisory vote requires the affirmative vote of the holders of a majority of the shares present in person or represented by proxy on this proposal at the Annual Meeting.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE RULES OF THE SEC

PROPOSAL NO. 4

APPROVAL OF THE AMENDMENT AND RESTATEMENT OF THE 2006 EQUITY INCENTIVE PLAN AND THE MATERIAL TERMS OF THE PERFORMANCE GOALS UNDER THE 2006 EQUITY INCENTIVE PLAN

Summary

At the Annual Meeting, the Board of Directors is asking our stockholders to approve an amendment and restatement of the RadNet, Inc. 2006 Equity Incentive Plan (“Restated Plan”). For purposes of this Proposal No. 4, the existing version of the 2006 Equity Incentive Plan before its restatement is referred to as the “Current Plan”. The restatement of the Current Plan into the Restated Plan was approved by the Board on April 20, 2015 (the “Restatement Date”), conditioned on and subject to obtaining stockholder approval of the Restated Plan at the Annual Meeting. The Current Plan was last amended by the Board in April 2011 and Company stockholders last approved an increase in shares reserved for grant under the Current Plan in June 2011. The Board is requesting stockholder approval of the Restated Plan in order to (i) extend the expiration date of our equity compensation plan, which expiration date would otherwise occur in October 2016, until April 20, 2025 and (ii) increase the number of shares available to be issued as equity compensation awards by one million additional shares. Having an incentive compensation plan with an adequate number of shares available for future equity grants is necessary to promote our long-term success and the enhancement of stockholder value.

Additionally, Internal Revenue Code (“Code”) Section 162(m) (“Section 162(m)”) generally does not allow a publicly-held corporation to claim a federal income tax deduction for compensation that exceeds \$1 million paid in any tax year to a “Covered Employee” (defined under Section 162(m) as our principal executive officer and each of the other three most highly compensated officers, other than the principal financial officer). However, “performance-based compensation” is specifically exempt from the Section 162(m) \$1 million annual tax deduction limit, provided that certain requirements are satisfied. One such requirement is that the corporation’s stockholders approve the “Material Terms” (defined below). Accordingly, under this Proposal 4, the Board is also asking our stockholders to approve the Material Terms of the Restated Plan at the Annual Meeting in order to enable the future issuance of certain qualified performance-based compensation awards.

The Current Plan will remain in place for the issuance of equity compensation awards unless and until Company stockholders approve the Restated Plan. If stockholders approve the Restated Plan at the Annual Meeting, then the Restated Plan, and not the Current Plan, will be used to govern equity compensation awards that are granted after the Annual Meeting. If stockholders do not approve the Restated Plan at the Annual Meeting, then the Restated Plan will not become operative and instead the Current Plan will remain in place as is and awards will continue to be granted under the Current Plan subject to its maximum share limit and expiration date. Regardless of whether the Restated Plan is approved, awards that were granted under the Current Plan shall continue to remain outstanding pursuant to the terms and conditions of the Current Plan and the applicable award agreement.

As was the case with the Current Plan, the Restated Plan will continue to permit the discretionary award of incentive stock options (“ISOs”), nonstatutory stock options (“NQSOs”), restricted stock, stock units, stock appreciation rights (“SARs”), and/or performance-based cash awards to employees, non-employee directors, and consultants (collectively, “Awardees”). Such awards may be granted under the Restated Plan beginning on the date of stockholder approval of the Restated Plan and continuing through the day before the tenth anniversary of the Restatement Date, or the earlier termination of the Restated Plan, and in any event subject to the maximum share limit of the Restated Plan.

Number of Shares Requested to be Approved for Restated Plan

Management recommended and the Compensation and Management Development Committee of the Board (the “Compensation Committee”) and the Board each approved a share pool reserve increase of an additional one million common shares for future issuance under the Restated Plan. In determining the number of shares to be reserved under the Restated Plan, management considered our historical equity compensation grant rate, as shown in the below table, along with our projected equity grant needs for the next several years.

	Number of Shares Subject to New Awards	Weighted Average of Year-End Outstanding Shares (Basic)	New Award Shares as Percentage of Outstanding Shares
FY14	1,026,785	41,070,077	2.50%
FY13	730,000	39,140,480	1.87%
FY12	1,040,000	37,751,170	2.75%
Average	932,262		

The gross burn rate (shown in the far right column above) is the gross number of equity award shares granted in a given year divided by the weighted average common shares outstanding for the same year. Gross burn rate, unlike net burn rate, excludes the add-back of cancelled or forfeited equity awards in the calculation. Based on these numbers, we believe our three year historical gross burn rate is below the 2015 maximum burn rate limits provided by Institutional Shareholder Services Inc. (“ISS”) for our industry sector. ISS provides corporate governance solutions to the global financial community. ISS’ services include providing, among other things, governance research and analysis, proxy voting recommendations, and governance data and modeling tools.

In January 2015 we granted awards under the Current Plan covering approximately 724,420 shares so that as of April 21, 2015 (the “Record Date”), there were approximately 3.05 million shares available for future grant.

After considering the foregoing, along with our expected future equity grant practices, management recommended, and the Compensation Committee and the Board approved, that an increase of 1 million shares to the share reserve pool would be appropriate in order to satisfy the Company's equity compensation needs for approximately the next four years.

Accordingly, the Restated Plan authorizes a maximum total of twelve million common shares for grants to Awardees reflecting a one million share increase from the Current Plan's limit of eleven million shares. The approximate impact of the requested share reserve increase for the Restated Plan on stockholder dilution is shown in the below table (the below figures represent a percentage of our outstanding basic number of shares as of the Record Date):

Dilutive effect of requested new reserve shares under the Restated Plan	2.22%
Dilutive effect of requested new reserve shares plus unissued shares available for grant	8.43%
Total potential dilution (including currently outstanding awards under Current Plan)	12.95%

With respect to the outstanding awards referenced in the above, the below table provides further details as of the Record Date.

Award Type	Shares	Weighted Average Per Share Exercise Price	Weighted Average Exercise Term
Stock Options	2,092,509	\$3.58	1.19 years
Restricted Stock (unvested)	1,256,032	N/A	N/A
Stock Units	-0-	N/A	N/A
Total	3,348,541		

As of the Record Date, there were 44,024,563 common shares outstanding (including unvested restricted stock that were issued under the Current Plan) and 3,055,042 shares remained available for issuance under the Current Plan (assuming that all outstanding awards are ultimately settled for their full number of shares and are not forfeited or modified). Additional information on our equity compensation plans is available elsewhere in this proxy statement, including in the table under the heading "Equity Compensation Plan Information." As of the Record Date, the fair market value of a share of our common stock (as determined by our closing share price as quoted by NASDAQ on that date) was \$9.24 per share.

Why the Restated Plan is Important for Our Future Success

The following points summarize why the Board strongly believes that the Restated Plan is essential for our future success:

Achieving superior long-term results for our stockholders always has been one of our primary objectives and, therefore, it is essential that employees think and act like owners of the Company. Stock ownership helps enhance the alignment of the long-term economic interests of our employees with those of our stockholders. Accordingly, we have historically granted equity compensation awards to encourage alignment of the interests of our management and our key service providers with the long-term economic interests of our stockholders.

A critical factor in successfully achieving our business objectives and creating long-term value for our stockholders is the ability to provide long-term equity compensation to our key service providers. Participation in our equity compensation plan rewards these service providers for performance by giving them an opportunity to participate in our growth, thereby further aligning their interests with those of our stockholders. Our direct competitors and our peer companies rely on equity compensation to attract and retain top talent in our industry and remain competitive. We believe that any failure by us to offer competitive levels of equity compensation in attracting and retaining important management and key service providers would have an adverse effect on our business.

A balanced approach to executive compensation, using a mix of salaries, discretionary bonuses and long-term equity incentives, helps prevent management from making decisions that favor short-term results over longer-term stability and profitability. Without an incentive compensation plan with a sufficient share pool from which to grant long-term equity awards to Awardees, our ability to promote long-term results over favoring short-term results would be hampered.

The one million additional shares of common stock that would become available for grant under the Restated Plan would only represent approximately 2.22% of the number of shares of common stock that are outstanding as of the Record Date. The total share authorization request is a conservative amount designed to manage our equity compensation needs until approximately sometime in 2019, assuming an annual burn rate of approximately one million shares or so.

Text of Restated Plan

The complete text of the Restated Plan is attached as Appendix A to this proxy statement. Stockholders are urged to review the Restated Plan together with the following information, which is qualified in its entirety by reference to Appendix A. A more detailed summary of the principal provisions of the Restated Plan is set forth below. If there is any inconsistency between this Proposal 4 or the summary set forth below and the Restated Plan terms, or if there is any inaccuracy in this Proposal 4 or the below summary, the terms of the Restated Plan shall nevertheless govern.

Key Features of the Restated Plan

Certain key features of the Restated Plan are summarized as follows:

If approved by Company stockholders, the Restated Plan will become effective upon such approval and no further awards can then be issued under the Current Plan. If not terminated earlier by the Board, the Restated Plan will terminate on April 20, 2025.

Up to a maximum aggregate of 12,000,000 common shares may be issued under the Restated Plan (approximately 4 million shares will be available for issuance).

The Restated Plan will generally be administered by a committee comprised solely of independent members of the Board (the “Restated Plan Administrator”). The Board or Restated Plan Administrator may designate a Company officer to make awards (within parameters established by the Board) to employees who are not officers subject to the reporting requirements of Section 16 of the Exchange Act or are not Section 162(m) Covered Employees.

Employees, consultants and Board members are eligible to receive awards, provided that the Restated Plan Administrator has the discretion to determine (i) who shall receive any awards, and (ii) the terms and conditions of such awards.

Awards may consist of incentive stock options, nonstatutory stock options, restricted stock, stock units, stock appreciation rights, and/or performance-based cash awards.

Stock options and stock appreciation rights may not be granted at a per share exercise price below the fair market value of a share of our common stock on the date of grant.

- Stock options and stock appreciation rights may not be repriced or exchanged without stockholder approval.
- The maximum exercisable term of stock options and stock appreciation rights may not exceed ten years.

Awards can potentially qualify as tax deductible “qualified performance-based compensation” within the meaning of Section 162(m) depending on the terms of the award.

Awards are subject to recoupment of compensation policies (referred to as clawback policies) which may be adopted in the future by the Company.

Description of the Restated Plan

Background and Purpose of the Restated Plan. The purpose of the Restated Plan is to promote our long-term success and the enhancement of stockholder value by:

- Encouraging ownership in the Company by key service providers whose long-term service is essential; and
 - Encouraging Awardees to act in our stockholders’ interests and share in Company success.

The Restated Plan permits the grant of the following types of equity-based incentive awards: (1) stock options (which can be either ISOs or NQSOs), (2) stock appreciation rights, (3) restricted stock, (4) stock units, and/or (5) performance-based cash awards. The vesting of equity awards can be based on either continuous service and/or performance goals. Awards are evidenced by a written agreement between the Awardee and the Company.

Eligibility to Receive Awards. Employees, consultants and Board members of the Company and certain of our affiliated companies are eligible to receive awards under the Restated Plan. The Restated Plan Administrator determines, in its discretion, the Awardees who will be granted awards under the Restated Plan. As of the Record Date, approximately 6,300 employees (including 8 executive officers) and 4 non-employee directors would be eligible to participate in the Restated Plan.

Shares Subject to the Restated Plan. If stockholders approve the Restated Plan pursuant to this Proposal 4, the maximum number of common shares that can be issued under the Restated Plan will be 12,000,000 shares (approximately 4 million shares will be available for issuance). Shares underlying forfeited or terminated awards, or awards which are entirely settled with cash or which are repurchased by the Company for a repurchase price that does not exceed what the Awardee paid for such shares, will become fully available again for issuance under the Restated Plan. The Restated Plan also imposes certain share grant limits that are intended to comply with the legal requirements of Code Sections 162(m) and 422, respectively, and which are discussed further below. No fractional shares may be issued under the Restated Plan. No shares will be issued with respect to a participant's award unless applicable tax withholding obligations have been satisfied by the participant.

Administration of the Restated Plan. The Restated Plan will be administered by the Restated Plan Administrator, which shall typically consist of independent Board members as specified under NASDAQ listing rules. With respect to certain awards issued under the Restated Plan, the members of the Restated Plan Administrator also must be "Non-Employee Directors" under Rule 16b-3 of the Exchange Act, and/or "outside directors" under Section 162(m) of the Code. The Board or Restated Plan Administrator may designate a Company officer(s) to make awards (within parameters established by the Board) to employees who are not officers subject to the reporting requirements of Section 16 of the Exchange Act or are not Section 162(m) Covered Employees. Subject to the terms of the Restated Plan, the Restated Plan Administrator has the sole discretion, among other things, to:

- Select the individuals who will receive awards,
- Determine the terms and conditions of awards (for example, performance conditions, if any, and vesting schedule),
- Correct any defect, supply any omission, or reconcile any inconsistency in the Restated Plan or any award agreement,
- Accelerate the vesting, extend the post-termination exercise term or waive restrictions of any awards at any time and under such terms and conditions as it deems appropriate, subject to the limitations set forth in the Restated Plan, and
- Interpret the provisions of the Restated Plan and outstanding awards.

The Restated Plan Administrator (or the Board) may suspend vesting, settlement, or exercise of awards pending a determination of whether an Awardee's service should be terminated for cause (in which case outstanding awards would be forfeited). Awards may be subject to any policy that the Board may implement on the recoupment of compensation (referred to as a "clawback" policy). The Restated Plan Administrator and delegates shall be indemnified by the Company to the maximum extent permitted by applicable law for actions taken or not taken regarding the Restated Plan. In addition, the Restated Plan Administrator may use the Restated Plan to issue shares under other plans or sub-plans as may be deemed necessary or appropriate, such as to provide for participation by non-U.S. employees and those of any of our subsidiaries and affiliates.

Types of Awards

Stock Options. A stock option is the right to acquire shares at a fixed exercise price over a fixed period of time. The Restated Plan Administrator will determine, among other terms and conditions, the number of shares covered by each stock option and the exercise price of the shares subject to each stock option, but such per share exercise price cannot be less than the fair market value of a share of our common stock on the date of grant of the stock option. The fair market value of a share of our common stock for the purposes of pricing our awards shall be equal to the regular session closing price for our common stock as reported by NASDAQ on the date of determination. Stock options may not be repriced or exchanged without stockholder approval and no re-load options may be granted under the Restated Plan.

Stock options granted under the Restated Plan may be either ISOs or NQSOs. As required by the Code and applicable regulations, ISOs are subject to various limitations not imposed on NQSOs. For example, the exercise price for any ISO granted to any employee owning more than 10% of our common stock may not be less than 110% of the fair market value of the common stock on the date of grant, and such ISO must expire no later than five years after the grant date. The aggregate fair market value (determined at the date of grant) of common stock subject to all ISOs held by a participant that are first exercisable in any single calendar year cannot exceed \$100,000. ISOs may not be transferred other than upon death, or to a revocable trust where the participant is considered the sole beneficiary of the stock option while it is held in trust. In order to comply with Treasury Regulation Section 1.422-2(b), the Restated Plan provides that no more than 12,000,000 shares may be issued pursuant to the exercise of ISOs.

A stock option granted under the Restated Plan generally cannot be exercised until it becomes vested. The Restated Plan Administrator establishes the vesting schedule of each stock option at the time of grant. The maximum term for stock options granted under the Restated Plan may not exceed ten years from the date of grant although the Restated Plan Administrator may establish a shorter period at its discretion.

The exercise price of each stock option granted under the Restated Plan must be paid in full at the time of exercise, either with cash or through a broker-assisted “cashless” exercise and sale program, or net exercise, or through another method approved by the Restated Plan Administrator. The optionee must also make arrangements to pay any taxes that we are required to withhold at the time of exercise.

Stock Appreciation Rights. A SAR is the right to receive, upon exercise, an amount equal to the difference between the fair market value of the shares on the date of the SAR’s exercise and the aggregate exercise price of the shares covered by the exercised portion of the SAR. The Restated Plan Administrator determines the terms of SARs, including the exercise price (provided that such per share exercise price cannot be less than the fair market value of a share of our common stock on the date of grant), the vesting and the term of the SAR. The maximum term for SARs granted under the Restated Plan may not exceed ten years from the date of grant, subject to the discretion of the Restated Plan Administrator to establish a shorter period. Settlement of a SAR may be in shares of common stock or in cash, or any combination thereof, as the Restated Plan Administrator may determine. Stock appreciation rights may not be repriced or exchanged without stockholder approval.

Restricted Stock. A restricted stock award is the grant of shares of our common stock to an Awardee and such shares may be subject to a substantial risk of forfeiture until specific conditions or goals are met. The restricted shares may be issued with or without cash consideration being paid by the Awardee as determined by the Restated Plan Administrator. The Restated Plan Administrator also will determine any other terms and conditions of an award of restricted stock. In determining whether an award of restricted stock should be made, and/or the vesting schedule for any such award, the Restated Plan Administrator may impose whatever conditions to vesting it determines to be appropriate. During the period of vesting, the participant will not be permitted to transfer the restricted shares but will generally have voting and dividend rights (subject to vesting) with respect to such shares.

Restricted Stock Units. Restricted stock units are the right to receive an amount equal to the fair market value of the shares covered by the restricted stock unit at some future date after the grant. The Restated Plan Administrator will determine all of the terms and conditions of an award of restricted stock units, including the vesting period. Upon each vesting date of a restricted stock unit, an Awardee will become entitled to receive an amount equal to the number of shares indicated in the grant notice, or, if expressed in dollar terms, the fair market value of the shares on the settlement date. Payment for vested restricted stock units may be in shares of common stock or in cash, or any combination thereof, as the Restated Plan Administrator may determine. Settlement of vested stock units will generally occur at or around the time of vesting but the Restated Plan Administrator may permit a participant to defer such compensation until a later point in time. Stock units represent an unfunded and unsecured obligation for us, and a holder of a stock unit has no rights other than those of a general creditor.

Cash Awards and Conversion Awards. The Restated Plan also provides that cash awards, which will include performance based vesting conditions, may be awarded. And, substitute or conversion awards may be issued under the Restated Plan in assumption of or substitution for or exchange for awards previously granted by an entity which we (or an affiliate) acquire.

Limited Transferability of Awards. Awards granted under the Restated Plan generally are not transferrable other than by will or by the laws of descent and distribution. However, the Restated Plan Administrator may in its discretion permit the transfer of awards other than ISOs and the Restated Plan Administrator will establish the terms and conditions of any permitted transfers.

Termination of Employment, Death or Disability. The Restated Plan or award agreement generally determines the effect of the termination of employment on awards, which determination may be different depending on the nature of the termination, such as terminations due to cause, resignation, death, or disability and the status of the award as vested or unvested, unless the award agreement or an Awardee's employment agreement or other agreement provides otherwise.

Dividends and Dividend Equivalents. Any dividend equivalents distributed under the Restated Plan will not count against the Restated Plan's maximum share limit. The Restated Plan also provides that dividend equivalents will not be paid or accrue on unexercised stock options or unexercised stock appreciation rights. Dividends and dividend equivalents that may be paid or accrue with respect to unvested restricted shares and unvested restricted stock units shall be subject to the same vesting conditions as the underlying award and shall only be distributed to the extent that such vesting conditions are satisfied.

Adjustments upon Changes in Capitalization. In the event of the following actions:

· stock split of our outstanding common shares,

· consolidation,

· combination or exchange of shares,

· spin off or recapitalization of shares, or

· other similar occurrences,

then the following shall each be equitably and proportionately adjusted by the Restated Plan Administrator:

· maximum number of shares that can be issued under the Restated Plan (including the ISO share grant limit and per participant grant limits),

· number and class of shares issued under the Restated Plan and subject to each award,

· exercise prices of outstanding awards, and

number and class of shares available for issuance under the Restated Plan.

Change in Control. If there is a Change in Control, the Board, the Restated Plan Administrator, or board of directors of any surviving entity or acquiring entity may, in its discretion provide for:

the assumption, continuation or substitution (including an award to acquire substantially the same type of consideration paid to the stockholders in the transaction in which the Change in Control occurs) of, or adjustment to, all or any part of the Awards;

accelerating the vesting of all or any part of Options and SARs and terminate any restrictions on all or any part of the restricted stock and stock units;

the cancellation of all or any part of the Awards for a cash payment to the Participants; and

the cancellation (with or without consideration) of all or any part of the Awards as of the closing of the Change in Control; provided, that the Participants are notified that they must exercise or redeem their Awards (including, at the discretion of the Restated Plan Administrator, any unvested portion of such Award) at or before the closing of the Change in Control.

The Restated Plan Administrator may also include in an award agreement provisions designed to minimize potential negative income tax consequences for the participant or the Company that could be imposed under the golden parachute tax rules of Code Section 280G.

Term of the Restated Plan. If approved by stockholders, the Restated Plan will become effective upon such approval and will continue in effect until April 20, 2025, or until earlier terminated by the Board.

Governing Law. The Restated Plan shall be governed by the laws of the State of Delaware (which is the state of our incorporation) except for conflict of law provisions.

Amendment and Termination of the Restated Plan. The Board generally may amend or terminate the Restated Plan at any time and for any reason, except that it must obtain stockholder approval of amendments to the extent required by applicable laws, regulations or rules.

Request to Approve Material Terms of the Performance Goals under the Restated Plan for Purposes of Section 162(m).

For compensation to qualify as “performance-based compensation” under Section 162(m), one requirement is that a corporation’s stockholders approve the “material terms of the performance goal” under which performance-based compensation is to be paid, (i) at least every five (5) years if (as is the case under the Restated Plan) the plan’s committee has authority to change the specific targets under the stockholder approved performance goal(s) or (ii) if the Section 162(m) maximum payment amount limits are being increased. Under Section 162(m), the material terms of the performance goals (“Material Terms”) requiring stockholder approval are:

- The employees eligible to receive the performance-based compensation;

- A description of the business criteria on which each performance goal is based; and

· Either the formula used to calculate the performance-based compensation, or, alternatively, the maximum amount of such compensation that could be awarded or paid to any eligible employee if the applicable performance goals are met.

Participant Eligibility. Our employees, non-employee directors, and consultants, and those of certain of our subsidiaries and affiliated companies, are eligible to receive awards under the Restated Plan. The Restated Plan Administer determines, in its discretion, the Awardees to be granted awards under the Restated Plan.

Performance Condition Business Criteria. The Restated Plan specifies performance conditions that the Restated Plan Administrator may include in awards intended to qualify as performance-based compensation under Section 162(m). These performance criteria are limited to any one or more of the following performance criteria, applied to either the Company as a whole or to a business unit, affiliate, related corporation, or business segment, either individually, alternatively, or in any combination, and measured either annually or cumulatively over a period of years, on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as specified in the award by the Restated Plan Administrator: (i) cash flow, (ii) earnings (including gross margin, earnings before interest and taxes, earnings before taxes, and net earnings), (iii) earnings per share, (iv) growth in earnings or earnings per share, (v) stock price, (vi) return on equity or average stockholders' equity, (vii) total stockholder return, (viii) return on capital, (ix) return on assets or net assets, (x) return on investment, (xi) revenue, (xii) income or net income, (xiii) operating income or net operating income, (xiv) operating profit or net operating profit, (xv) operating margin, (xvi) return on operating revenue, (xvii) market share, (xviii) contract awards or backlog, (xix) overhead or other expense reduction, (xx) growth in stockholder value relative to the moving average of the S&P 500 Index or a peer group index, (xxi) credit rating, (xxii) strategic plan development and implementation, (xxiii) improvement in workforce diversity, (xxiv) EBITDA (earnings before interest, taxes, depreciation and amortization), and (xxv) any other similar criteria.

If this Proposal 4 is approved by stockholders, then each of the above performance criteria would be approved for use (until our annual meeting of stockholders in 2020), at the Restated Plan Administrator's discretion, in awards that are intended to qualify as performance-based compensation under Section 162(m). While the Restated Plan Administrator may include one or more of the foregoing performance conditions in awards of restricted stock and stock units to Covered Employees made under the Restated Plan, due to the complexities of Section 162(m) and technical requirements related thereto that may change from time to time, we can provide no assurance that such awards would qualify as "performance-based compensation" such that the Company would be able to claim a tax deduction for such awards without limitation under Section 162(m). Certain other awards, such as stock options, may also qualify as performance-based compensation under Section 162(m) without including any of the above performance conditions.

Limitations on the Magnitude of Grants. With respect to awards which are intended to qualify as performance-based compensation under Section 162(m), the Restated Plan imposes the following fiscal year individual grant limits on awards:

	Grant Limit Per Person Per Fiscal Year
Equity Compensation Awards	250,000 shares
Cash Awards	\$2,000,000

The above numerical share limit is increased to 500,000 shares with respect to equity awards granted to an Awardee during the fiscal year of the Awardee's commencement of employment with the Company or during the first fiscal year that the Awardee becomes a Covered Employee.

It is impossible to be certain that all Restated Plan awards or any other compensation paid by the Company to Covered Employees will be tax deductible, and not all awards granted under the Restated Plan to Covered Employees or other participants include qualified performance-based conditions. Further, the Restated Plan does not preclude the Restated Plan Administrator from making other compensation payments outside of the Restated Plan to Covered Employees, even if such payments do not qualify for tax deductibility under Section 162(m). See also the section under the heading "*Internal Revenue Code Section 162(m)*" below for further information on Section 162(m).

Certain Federal Income Tax Information

The following is a brief general summary, as of March 31, 2015, of the federal income tax consequences to us and to U.S. participants for awards granted under the Restated Plan. The federal tax laws may change and the federal, state and local tax consequences for any participant will depend upon his or her individual circumstances. This summary is not intended to be exhaustive and does not discuss the tax consequences of a participant's death or provisions of income tax laws of any municipality, state or other country. We advise participants to consult with a tax advisor regarding the tax implications of their awards under the Restated Plan.

Incentive Stock Options. For federal income tax purposes, the holder of an ISO has no taxable income at the time of the grant or exercise of the ISO. If such person retains the common stock acquired under the ISO for a period of at least two years after the stock option is granted and one year after the stock option is exercised, any gain upon the subsequent sale of the common stock will be taxed as a long-term capital gain. If the participant disposes of the shares within the two-year or one-year periods referred to above, the participant will recognize ordinary income equal to the lesser of (i) the excess of the fair market value over the exercise price of the shares on the date of exercise, or (ii) the excess of the amount realized on the disposition over the exercise price for the shares. Any remaining gain or loss will

be long-term or short-term capital gain or loss depending on whether the participant held the shares for more than one year. Utilization of losses is subject to special rules and limitations. The difference between the option exercise price and the fair market value of the shares on the exercise date of an ISO is an adjustment in computing the holder's alternative minimum taxable income and may be subject to an alternative minimum tax which is paid if such tax exceeds the participant's regular income tax for the year.

Nonstatutory Stock Options. A participant who receives an NQSO generally will not realize taxable income on the grant of such option, but will realize ordinary income at the time of exercise of the stock option equal to the difference between the option exercise price and the fair market value of the stock on the date of exercise. Any additional gain or loss recognized upon any later disposition of the shares would be short- or long-term capital gain or loss, depending on whether the shares had been held by the participant for more than one year.

Stock Appreciation Rights. No taxable income is generally reportable when a stock appreciation right is granted to a participant. Upon exercise, the participant will recognize ordinary income in an amount equal to the amount of cash received plus the fair market value of any shares received. Any additional gain or loss recognized upon any later disposition of any shares received would be a short- or long-term capital gain or loss, depending on whether the shares had been held by the participant for more than one year.

Restricted Stock. A participant will generally not have taxable income upon grant of unvested restricted shares unless he or she elects to be taxed at that time pursuant to an election under Code Section 83(b). Instead, the participant will recognize ordinary income at the time(s) of vesting equal to the fair market value (on each vesting date) of the shares minus any amount paid for the shares.

Restricted Stock Units. No taxable income is generally reportable when unvested restricted stock units are granted to a participant. Upon settlement of restricted stock units which have vested, the participant will recognize ordinary income at the time(s) of settlement equal to the sum of the fair market value (on each settlement date) of any shares issued to the participant plus any cash received by the participant.

Cash Awards. No taxable income is generally recognized by the participant until his/her receipt of payment of any earned cash award. The participant will recognize ordinary income at the time of payment equal to the amount of such cash payment.

Income Tax Effects for the Company. We generally will be entitled to a tax deduction in connection with an award under the Restated Plan in an amount equal to the ordinary income realized by a participant at the time the participant recognizes such income (for example, upon the exercise of an NQSO).

Internal Revenue Code Section 162(m). Section 162(m) generally does not allow a publicly-held corporation to claim a federal income tax deduction for compensation that exceeds \$1 million paid in any tax year to a Covered Employee. However, “performance-based compensation” is specifically exempt from the Section 162(m) \$1 million annual tax deduction limit. The Restated Plan is intended to enable certain awards to constitute qualified performance-based compensation not subject to the annual deduction limitations of Section 162(m) of the Code. However, to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Board has not adopted a policy that all compensation must be tax deductible.

Internal Revenue Code Section 409A. Section 409A of the Code governs the federal income taxation of certain types of nonqualified deferred compensation arrangements. A violation of Section 409A of the Code generally results in an acceleration of the recognition of income of amounts intended to be deferred and the imposition of a federal excise tax of 20% on the employee over and above the income tax owed, plus possible penalties and interest. The types of arrangements covered by Section 409A of the Code are broad and may apply to certain awards available under the Restated Plan (such as restricted stock units). The intent is for the Restated Plan, including any awards available thereunder, to comply with the requirements of Section 409A of the Code to the extent applicable. As required by Code Section 409A, certain nonqualified deferred compensation payments to specified employees may be delayed to the seventh month after such employee’s separation from service.

Internal Revenue Code Section 280G. For certain employees, if a change in control of the Company causes an award to vest or become newly payable or if the award was granted within one year of a change in control of the Company and the value of such award or vesting or payment, when combined with all other payments in the nature of compensation contingent on such change in control, equals or exceeds the dollar limit provided in Code Section 280G (generally, this dollar limit is equal to three times the five year historical average of the employee's annual compensation as reported on Form W-2), then the entire amount exceeding the employee's average annual compensation will be considered to be an excess parachute payment. The recipient of an excess parachute payment must pay a 20% excise tax on this excess amount, for which the Company must withhold, and the Company cannot deduct the excess amount from its taxable income.

New Plan Benefits

All Restated Plan awards will be granted at the Restated Plan Administrator's discretion, subject to the limitations described in the Restated Plan. Therefore, the specific benefits and amounts that will be received or allocated to certain participants under the Restated Plan are not presently determinable. Awards that were granted under the Current Plan in fiscal year 2014 to our named executive officers and non-employee directors are described elsewhere in this proxy statement

Existing Plan Benefits

The following table sets forth the number of shares subject to all stock options granted through the Record Date under the Current Plan. These share numbers do not take into account the effect of options that have been exercised or were cancelled or that expired unexercised and do not reflect shares subject to other types of awards that have been granted to participants under the Current Plan.

Name and Position	Number of Option Shares
Howard G. Berger, M.D., President and Chief Executive Officer	-0-
Mark D. Stolper, Executive Vice President and Chief Financial Officer	575,000

Required Vote

We are asking you to approve (1) the amendment and restatement of the Current Plan into the Restated Plan and (2) the material terms of the performance goals under the Restated Plan. This approval will require the affirmative vote of a majority of the voting power of all outstanding shares of our common stock present or represented by proxy at the Annual Meeting and entitled to be voted on Proposal 4. Abstentions will be included in the number of shares present and entitled to vote on this Proposal 4 and, accordingly, will have the effect of a vote "AGAINST" Proposal 4. Broker non-votes will not be considered as present and entitled to vote on this Proposal 4. Therefore, a broker non-vote will not be counted and will have no effect on this proposal to approve the Restated Plan other than to reduce the number of affirmative votes required to approve this proposal. In the event that stockholder approval is not obtained, we will be unable to make awards under the Restated Plan and the Current Plan will continue to remain in effect as is for the future grant of equity compensation awards.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE AMENDMENT AND RESTATEMENT OF THE 2006 EQUITY INCENTIVE PLAN AND THE MATERIAL TERMS OF THE PERFORMANCE GOALS UNDER THE 2006 EQUITY INCENTIVE PLAN.

HOUSEHOLDING

Some banks, brokers and other nominee record holders may be participating in the practice of “householding” proxy statements and annual reports. This means that only one Notice of Internet Availability of Proxy Materials or, if you have requested paper copies, only one set of proxy materials is delivered to multiple stockholders sharing an address. If you are a stockholder sharing an address and wish to receive a separate Notice of Internet Availability of Proxy Materials or copy of the proxy materials, you may so request by contacting the Broadridge Householding Department by phone at 1-800-542-1061 or by mail to Broadridge Householding Department, 51 Mercedes Way, Edgewood, NY 11717. A separate copy will be promptly provided following receipt of your request, and you will receive separate materials in the future. If you currently share an address with another stockholder but are nonetheless receiving separate copies of the materials, you may request delivery of a single copy in the future by contacting the Broadridge Householding Department at the number or address shown above.

OTHER MATTERS

We know of no other matters to be submitted at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the proxy card for the Annual Meeting to exercise their discretionary authority to vote the shares that they represent in accordance with their judgment.

RADNET, INC.

2006 EQUITY INCENTIVE PLAN

(Amended and Restated as of April 20, 2015)

1. Purpose of the Plan. The purpose of this Plan is to encourage ownership in the Company by key personnel whose long-term service the Company considers essential to its continued progress and, thereby, encourage recipients to act in the stockholders' interest and share in the Company's success.

2. Definitions. As used herein, the following definitions shall apply. However, if a Participant's employment agreement or Award Agreement (or other written agreement executed by and between Participant and the Company) expressly includes defined terms that are different from and/or conflict with the defined terms contained in this Plan then the defined terms contained in the employment agreement or Award Agreement (or other written agreement executed by and between Participant and the Company) shall govern and shall supersede the definitions provided in this Plan:

“2015 Annual Meeting” shall mean the date of the consummation of the Company's regular annual meeting of its stockholders in 2015.

“Act” shall mean the Securities Act of 1933, as amended.

“Administrator” shall mean the Board, any Committees, or such delegates as shall be administering the Plan in accordance with Section 4 of the Plan.

“Affiliate” shall mean any entity that is directly or indirectly in control of or controlled by the Company, or any entity in which the Company has a significant ownership interest as determined by the Administrator.

“Applicable Laws” shall mean the requirements relating to the administration of stock plans under federal and state laws; any stock exchange or quotation system on which the Company has listed or submitted for quotation the Common Stock to the extent provided under the terms of the Company’s agreement with such exchange or quotation system; and, with respect to Awards subject to the laws of any foreign jurisdiction where Awards are, or will be, granted under the Plan, to the laws of such jurisdiction.

“Award” shall mean, individually or collectively, a grant under the Plan of an Option, Stock Award, SAR, or Cash Award.

“Award Agreement” shall mean an Option Agreement, Stock Award Agreement, SAR Agreement, or Cash Award Agreement, which may be in written or electronic format, in such form and with such terms as may be specified by the Administrator, evidencing the terms and conditions of an individual Award. “Awardee” shall mean a Service Provider who has been granted an Award under the Plan.

“Board” shall mean the Board of Directors of the Company.

“Cash Award” shall mean a bonus opportunity awarded under Section 13 pursuant to which a Participant may become entitled to receive an amount based on the satisfaction of such performance criteria as are specified in the agreement or other documents evidencing the Award (the “Cash Award Agreement”).

“Cashless Exercise” shall mean, to the extent that an Option Agreement so provides and as permitted by Applicable Laws and in accordance with any procedures established by the Committee, an arrangement whereby payment of some or all of the aggregate Exercise Price may be made all or in part by delivery of an irrevocable direction to a securities broker to sell Shares and to deliver all or part of the sale proceeds to the Company. The number of Shares delivered to the Participant may be further reduced if Cashless Exercise is utilized to satisfy applicable tax withholding obligations arising from the exercise of the Option.

“Cause” shall mean, with respect to a Participant, the occurrence of any of the following: (i) Participant’s personal dishonesty, willful misconduct, or breach of fiduciary duty involving personal profit, (ii) Participant’s continuing intentional or habitual failure to perform stated duties, (iii) Participant’s violation of any law (other than minor traffic violations or similar misdemeanor offenses not involving moral turpitude), (iv) Participant’s material breach of any provision of an employment or independent contractor agreement with the Company, or (v) any other act or omission by a Participant that, in the opinion of the Committee, could reasonably be expected to adversely affect the Company’s or a Subsidiary’s or an Affiliate’s business, financial condition, prospects and/or reputation. In each of the foregoing subclauses (i) through (v), whether or not a “Cause” event has occurred will be determined by the Committee in its sole discretion or, in the case of Participants who are Directors or Officers, the Board, each of whose determination shall be final, conclusive and binding. A Participant’s service shall be deemed to have terminated for Cause if, after the Participant’s service has terminated, facts and circumstances are discovered that would have justified a termination for Cause, including, without limitation, violation of material Company policies or breach of noncompetition, confidentiality or other restrictive covenants that may apply to the Participant.

“Change in Control” shall mean any of the following, unless the Administrator provides otherwise:

- (i) any merger or consolidation in which the Company shall not be the surviving entity (or survives only as a subsidiary of another entity whose stockholders did not own all or substantially all of the Common Stock in substantially the same proportions as immediately before such transaction);
- (ii) the sale of all or substantially all of the Company’s assets to any other person or entity (other than a wholly-owned subsidiary of the Company);
- (iii) the acquisition of beneficial ownership of a controlling interest (including power to vote) in the outstanding shares of Common Stock by any person or entity (including a “group” as defined by or under Section 13(d)(3) of the Exchange Act);
- (iv) the dissolution or liquidation of the Company;
- (v) a contested election of Directors, as a result of which or in connection with which the persons who were Directors before such election or their nominees cease to constitute a majority of the Board; or
- (vi) any other event specified, at the time an Award is granted or thereafter, by the Board or a Committee. Notwithstanding the foregoing, the term “Change in Control” shall not include any underwritten public offering of

Shares registered under the Act.

“Code” shall mean the Internal Revenue Code of 1986, as amended.

“Committee” shall mean a committee of Directors appointed by the Board in accordance with Section 4 of the Plan.

“Disability” shall mean permanent and total disability as defined in Section 22(e)(3) of the Code.

A-2

“Employee” shall mean an employee of the Company or any Affiliate, and may include an Officer or Director. Within the limitations of Applicable Laws, the Administrator shall have the discretion to determine the effect upon an Award and upon an individual’s status as an Employee in the case of (i) any individual who is classified by the Company or its Affiliate as leased from or otherwise employed by a third party or as intermittent or temporary, even if any such classification is changed retroactively as a result of an audit, litigation or otherwise; (ii) any leave of absence approved by the Company or an Affiliate; (iii) any transfer between locations of employment with the Company or an Affiliate or between the Company and any Affiliate or between any Affiliates; (iv) any change in the Awardee’s status from an employee to a Consultant or Director; and (v) an employee who, at the request of the Company or an Affiliate, becomes employed by any partnership, joint venture, or corporation not meeting the requirements of an Affiliate in which the Company or an Affiliate is a party.

“Exchange Act” shall mean the Securities Exchange Act of 1934, as amended.

“Exercise Price” shall mean, in the case of an Option, the amount for which a Share may be purchased upon exercise of such Option, as specified in the applicable Option Agreement. “Exercise Price,” in the case of a SAR, means an amount, as specified in the applicable SAR Agreement, which is subtracted from the Fair Market Value in determining the amount payable to a Participant upon exercise of such SAR.

“Fair Market Value” shall mean, unless the Administrator determines otherwise, as of any date, the per Share closing price for such Common Stock as of such date (or if no sales were reported on such date, the per Share closing price on the last preceding day for which a sale was reported), as reported in such source as the Administrator shall determine.

Upon such a net exercise of an Option, the Participant will receive a net number of Shares that is equal to (i) the number of Shares as to which the Option is being exercised minus (ii) the quotient (rounded down to the nearest whole number) of the

aggregate Exercise Price of the Shares being exercised divided by the Fair Market Value of a Share on the Option exercise date. The number of Shares covered by clause (ii) will be retained by the Company and not delivered to the Participant. No fractional Shares will be created as a result of a Net Exercise and the Participant must contemporaneously pay for any portion of the aggregate Exercise Price that is not covered by the Shares retained by the Company under clause (ii). The number of Shares delivered to the Participant may be further reduced if Net Exercise is utilized to satisfy applicable tax withholding obligations arising from the exercise of the Option.

“Non-Employee Director” shall mean a member of the Board who is not an Employee.

“Nonstatutory Stock Option” shall mean an Option not intended to qualify as an Incentive Stock Option.

“Officer” shall mean a person who is an officer of the Company within the meaning of Section 16 of the Exchange Act.

“Option” shall mean a right granted under Section 8 of the Plan to purchase a certain number of Shares at such Exercise Price, at such times, and on such other terms and conditions as are specified in the agreement or other documents evidencing the Award (the “Option Agreement”). Both Options intended to qualify as Incentive Stock Options and Nonstatutory Stock Options may be granted under the Plan.

“Participant” shall mean the Awardee or any person (including any estate) to whom an Award has been assigned or transferred as permitted hereunder.

“Plan” shall mean this RadNet, Inc. 2006 Equity Incentive Plan as amended and restated herein and as may be amended from time to time.

“Qualifying Performance Criteria” shall have the meaning set forth in Section 22 of the Plan.

“Related Corporation” shall mean any parent or subsidiary (as those terms are defined in Section 424(e) and (f) of the Code) of the Company.

“Re-Load Option” means a new Option or SAR that is automatically granted to a Participant as result of such Participant’s exercise of an Option or SAR.

“Restatement Date” shall mean April 20, 2015.

“Separation From Service” shall have the meaning provided to “separation from service” by Code Section 409A and the regulations promulgated thereunder.

“Service Provider” shall mean an Employee, Officer, Director, or Consultant.

“Share” shall mean a share of the Common Stock, as adjusted in accordance with Section 15 of the Plan.

“Specified Employee” shall mean a Participant who is considered a “specified employee” within the meaning of Code Section 409A and the regulations promulgated thereunder.

“Stock Appreciation Right” or “SAR” shall mean an Award, granted alone or in connection with an Option, that pursuant to Section 12 of the Plan is designated as a SAR. The terms of the SAR are expressed in the agreement or other documents evidencing the Award (the “SAR Agreement”).

“Stock Award” shall mean an award or issuance of Shares or Stock Units made under Section 11 of the Plan, the grant, issuance, retention, vesting, and transferability of which may be subject during specified periods to such conditions (including continued service or performance conditions) and terms as are expressed in the agreement or other documents evidencing the Award (the “Stock Award Agreement”).

“Stock Unit” shall mean a bookkeeping entry representing an amount equivalent to the fair market value of one Share, payable in cash, property or Shares. Stock Units represent an unfunded and unsecured obligation of the Company, except as otherwise provided for by the Administrator.

“Stockholder Approval Date” shall mean the date (if any) that the Company’s stockholders approve this Plan; provided however that such stockholder approval must occur on or before the 2015 Annual Meeting or else this Plan will automatically terminate without force or effect on the day after the 2015 Annual Meeting.

“Ten-Percent Stockholder” shall mean the owner of stock (as determined under Section 424(d) of the Code) possessing more than 10% of the total combined voting power of all classes of stock of the Company (or any Related Corporation).

“Termination Date” shall mean the date of a Participant’s Termination of Service, as determined by the Administrator in its sole discretion.

“Termination of Service” shall mean ceasing to be a Service Provider. However, for Incentive Stock Option purposes, Termination of Service will occur when the Awardee ceases to be an employee (as determined in accordance with Section 422 of the Code and the regulations promulgated thereunder) of the Company or one of its Related Corporations. The Administrator shall determine whether any corporate transaction, such as a sale or spin-off of a division or business unit, or a joint venture, shall be deemed to result in a Termination of Service.

3. Stock Subject to the Plan.

(a) Aggregate Limits.

(i) The maximum aggregate number of Shares that may be issued under the Plan through Awards is 12,000,000 Shares. The maximum aggregate number of Shares that may be issued under the Plan through the exercise of Incentive Stock Options is 12,000,000 Shares. The limitations of this Section 3(a)(i) shall be subject to the adjustments provided for in Section 15 of the Plan. In no event shall the Company be required to issue fractional Shares under this Plan.

(ii) Upon payment in Shares pursuant to the exercise of an Award, the number of Shares available for issuance under the Plan shall be reduced only by the number of Shares actually issued in such payment. If any outstanding Award expires or is terminated or canceled without having been exercised or settled in full, or if Shares acquired pursuant to an Award subject to forfeiture or repurchase are forfeited or repurchased by the Company (for a repurchase price that is not greater than any original purchase price paid by the Awardee or Participant), the Shares allocable to the terminated portion of such Award or such forfeited or repurchased Shares shall again be available to grant under the Plan. Notwithstanding the foregoing, the aggregate number of shares of Common Stock that may be issued under the Plan upon the exercise of Incentive Stock Options shall not be increased for restricted Shares that are forfeited or repurchased. Notwithstanding anything in the Plan, or any Award Agreement to the contrary, Shares attributable to Awards transferred under any Award transfer program shall not be again available for grant under the Plan. The Shares subject to the Plan may be either Shares reacquired by the Company, including Shares purchased in the open market, or authorized but unissued Shares. Any Conversion Awards including without limitation any Shares that are delivered and any Awards that are granted by, or become obligations of, the Company, as a result of the assumption by the Company of, or in substitution for, outstanding awards previously granted by another entity (as provided below) shall not be counted toward the limits set forth in Section 3(a)(i).

(iii)

4. Administration of the Plan.

(a) Procedure.

(i) Multiple Administrative Bodies. The Plan shall be administered by the Board, the Administrator, or one or more Committees, including such delegates as may be appointed under paragraph (a)(iv) of this Section 4.

(ii) Section 162(m). To the extent that the Administrator determines it to be desirable to qualify Awards granted hereunder as “performance-based compensation” within the meaning of Section 162(m) of the Code, Awards to Covered Employees shall be made by a Committee composed solely of two or more “outside directors” within the meaning of Section 162(m) of the Code.

(iii) Rule 16b-3. To the extent desirable to qualify transactions hereunder as exempt under Rule 16b-3 promulgated under the Exchange Act (“Rule 16b-3”), Awards to Officers and Directors shall be made in such a manner to satisfy the requirement for exemption from Exchange Act Section 16(b) liability under Rule 16b-3.

(iv) Other Administration. The Board or a Committee may delegate to an authorized Officer or Officers of the Company the power to grant Awards (to the extent permitted by Applicable Laws and in accordance with grant

parameters and limitations established by the Board) to Awardees who are not (A) subject to Section 16 of the Exchange Act or (B) Covered Employees.

(v) Delegation of Authority for the Day-to-Day Administration of the Plan. Except to the extent prohibited by Applicable Laws, the Administrator may delegate to one or more individuals the day-to-day administration of the Plan and any of the functions assigned to it in this Plan. Such delegation may be revoked at any time by the Administrator.

(b) Powers of the Administrator. Subject to the provisions of the Plan and, in the case of a Committee or delegates acting as the Administrator, subject to the specific duties delegated to such Committee or delegates, the Administrator shall have the authority, in its sole discretion:

(i) to select the Service Providers of the Company or its Affiliates to whom Awards are to be granted hereunder;

(ii) to determine the number of shares of Common Stock to be covered by each Award granted hereunder;

(iii) to determine the type of Award to be granted to the selected Service Provider;

(iv) to determine and approve the forms of Award Agreements for use under the Plan;

- (v) to determine the terms and conditions, consistent with the terms of the Plan, of any Award granted hereunder. Such terms and conditions include the exercise or purchase price, the time or times when an Award may be exercised (which may or may not be based on performance criteria), the vesting schedule, any vesting or exercisability acceleration or waiver of forfeiture restrictions, the acceptable forms of consideration, the term, and any restriction or limitation regarding any Award or the Shares relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine and may be established at the time an Award is granted or thereafter;

- (vi) to correct administrative errors;

- (vii) to construe and interpret the terms of the Plan (including sub-plans and Plan addenda) and Awards granted pursuant to the Plan;

- (viii) to adopt rules and procedures relating to the operation and administration of the Plan to accommodate the specific requirements of local laws and procedures. Without limiting the generality of the foregoing, the Administrator is specifically authorized (A) to adopt the rules and procedures regarding the conversion of local currency, withholding procedures, and handling of stock certificates that vary with local requirements; and (B) to adopt sub-plans and Plan addenda as the Administrator deems desirable, to accommodate foreign laws, regulations and practice;

- (ix) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans and Plan addenda;

- (x) to modify or amend each Award, including the acceleration of vesting, exercisability, or both; provided, however, that any modification or amendment of an Award is subject to Section 16 of the Plan and may not materially impair any outstanding Award unless agreed to by the Participant;

- (xi) to allow Participants to satisfy withholding tax amounts by electing to have the Company withhold from the Shares to be issued pursuant to an Award that number of Shares having a Fair Market Value equal to the amount required to be withheld. The Fair Market Value of the Shares to be withheld shall be determined in such manner and on such date that the Administrator shall determine or, in the absence of provision otherwise, on the date that the amount of tax to be withheld is to be determined. All elections by a Participant to have Shares withheld for this purpose shall be made in such form and under such conditions as the Administrator may provide;

- (xii) to authorize conversion or substitution under the Plan of any or all stock options, stock appreciation rights, or other stock awards held by service providers of an entity acquired by the Company (the "Conversion Awards"). Any conversion or substitution shall be effective as of the close of the merger or acquisition. The Conversion Awards may be Nonstatutory Stock Options or Incentive Stock Options, as determined by the Administrator, with respect to options granted by the acquired entity. Unless otherwise determined by the Administrator at the time of conversion or substitution, all Conversion Awards shall have the same terms and conditions as Awards generally granted by the Company under the Plan;

- (xiii) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator;

- (xiv) to determine whether Awards will be settled in Shares, cash, or in any combination thereof;

- (xv) to determine whether to provide for the right to receive dividends or dividend equivalents;

- (xvi) to establish a program whereby Service Providers designated by the Administrator can reduce compensation otherwise payable in cash in exchange for Awards under the Plan;

- (xvii) to impose such restrictions, conditions, or limitations as it determines appropriate as to the timing and manner of any resales by a Participant or other subsequent transfers by the Participant of any Shares issued as a result of or under an Award, including (A) restrictions under an insider trading policy, and (B) restrictions as to the use of a specified brokerage firm for such resales or other transfers;

- (xviii) to provide, either at the time an Award is granted or by subsequent action, that an Award shall contain as a term thereof, a right, either in tandem with the other rights under the Award or as an alternative thereto, of the Participant to receive, without payment to the Company, a number of Shares, cash, or a combination of both, the amount of which is determined by reference to the value of the Award; and

(xix) to make all other determinations deemed necessary or advisable for administering the Plan and any Award granted hereunder.

(c) Effect of Administrator's Decision. All decisions, determinations and interpretations by the Administrator regarding the Plan, any rules and regulations under the Plan and the terms and conditions of any Award granted hereunder, shall be final and binding on all Participants. The Administrator shall consider such factors as it deems relevant, in its sole and absolute discretion, to making such decisions, determinations and interpretations, including the recommendations or advice of any officer or other employee of the Company and such attorneys, consultants and accountants as it may select. The Administrator's decisions and determinations will be afforded the maximum deference provided by Applicable Laws.

(d) Indemnification. To the maximum extent permitted by applicable law, the Administrator shall be indemnified and held harmless by the Company against and from (i) any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan or any Award agreement, and (ii) from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such claim, action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, by contract, as a matter of law, or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

(e) Suspension of Termination of Awards. If at any time (including after a notice of exercise has been delivered) the Committee (or the Board), reasonably believes that a Participant has committed an act of Cause (which includes a failure to act), the Committee (or Board) may suspend the Participant's right to exercise any Award (or vesting or settlement of any Award) pending a determination of whether there was in fact an act of Cause. If a Participant's service is terminated by the Company for Cause or the Committee (or the Board) determines a Participant has committed an act of Cause, neither the Participant nor his or her estate shall be entitled to exercise any outstanding Award whatsoever and all of Participant's outstanding Awards shall then terminate without consideration (except for repayment of any amounts the Participant had paid to the Company to acquire unvested Shares underlying the forfeited Awards). Any determination by the Committee (or the Board) with respect to the foregoing shall be final, conclusive and binding on all interested parties.

5. Eligibility. Awards may be granted to Service Providers of the Company or any of its Affiliates.

6. Effective Date and Term of the Plan. On the Restatement Date, the Board approved the amendment and restatement of the Prior Plan into this Plan subject to and conditioned upon obtaining Company stockholder approval on or before the 2015 Annual Meeting. The Prior Plan will remain in effect for issuing new Awards until the Stockholder Approval Date and the Prior Plan will continue to govern Awards that were issued under the Prior Plan before the Stockholder Approval Date. If Company stockholders do not approve this Plan, then this Plan will terminate without force or effect as of the day after the 2015 Annual Meeting and the Prior Plan shall continue to remain in effect for issuing Awards. If this Plan is approved by Company stockholders, then unless the Plan is previously terminated by the Administrator, no further Awards may be issued under this Plan after the day before the tenth anniversary of the Restatement Date.

7. Term of Award. The term of each Award shall be determined by the Administrator and stated in the Award Agreement. In the case of an Option or SAR, the term shall be ten years from the Grant Date or such shorter term as may be provided in the Award Agreement.

8. Options. The Administrator may grant an Option or provide for the grant of an Option, from time to time in the discretion of the Administrator or automatically upon the occurrence of specified events, including the achievement of performance goals, and for the satisfaction of an event or condition within the control of the Awardee or within the control of others.

(a) **Option Agreement.** Each Option Agreement shall contain provisions regarding (i) the number of Shares that may be issued upon exercise of the Option; (ii) the type of Option (if the Option is not expressly designated to be an ISO then such Option shall be a Nonstatutory Stock Option); (iii) the Exercise Price for the Shares and the means of payment for the Shares; (iv) the term of the Option; (v) such terms and conditions on the vesting or exercisability of an Option, or both, as may be determined from time to time by the Administrator; (vi) restrictions on the transfer of the Option and forfeiture provisions; and (vii) such further terms and conditions, in each case not inconsistent with this Plan, as may be determined from time to time by the Administrator.

(b) Exercise Price. The Exercise Price for the Shares to be issued pursuant to exercise of an Option shall be determined by the Administrator, subject to the following:

(i) In the case of an Incentive Stock Option, the Exercise Price shall be no less than 100% of the Fair Market Value per Share on the Grant Date. Notwithstanding the foregoing, if any Incentive Stock Option is granted to a Ten-Percent Stockholder, then the Exercise Price shall not be less than 110% of the Fair Market Value of a share of Common Stock on the Grant Date.

(ii) In the case of a Nonstatutory Stock Option, the Exercise Price shall be no less than 100% of the Fair Market Value per Share on the Grant Date. The Exercise Price may also vary according to a predetermined formula; provided, that the Exercise Price never falls below 100% of the Fair Market Value per Share on the Grant Date.

(iii) Notwithstanding the foregoing, at the Administrator's discretion, Conversion Awards may be granted in substitution or conversion of options of an acquired entity, with an Exercise Price of less than 100% of the Fair Market Value per Share on the date of such substitution or conversion.

(c) Vesting Period and Exercise Dates. Options granted under this Plan shall vest, be exercisable, or both, at such times and in such installments during the Option's term as determined by the Administrator. The Administrator shall have the right to make the timing of the ability to exercise any Option granted under this Plan subject to continued service, the passage of time, or such performance requirements as deemed appropriate by the Administrator. At any time after the grant of an Option, the Administrator may reduce or eliminate any restrictions surrounding any Participant's right to exercise all or part of the Option.

(d) Form of Consideration. The Administrator shall determine the acceptable form of consideration for exercising an Option, including the method of payment, either through the terms of the Option Agreement or at the time of exercise of an Option. The consideration, determined by the Administrator (or pursuant to authority expressly delegated by the Board, a Committee, or other person), and in the form and amount required by Applicable Laws, shall be actually received before issuing any Shares pursuant to the Plan; which consideration shall have a value, as determined by the Board, not less than the par value of such Shares. Acceptable forms of consideration may include:

(i) cash;

- (ii) check or wire transfer;

- (iii) subject to any conditions or limitations established by the Administrator, other Shares that have a Fair Market Value on the date of surrender or attestation that does not exceed the aggregate Exercise Price of the Shares as to which said Option shall be exercised;

- (iv) consideration received by the Company under a Cashless Exercise to the extent that the Cashless Exercise would not violate Section 402 of the Sarbanes-Oxley Act of 2002, as amended, and subject to any conditions or limitations established by the Administrator;

- (v) Net Exercise, subject to any conditions or limitations established by the Administrator;

- (vi) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws; or

- (vii) any combination of the foregoing methods of payment.

9. Incentive Stock Option Limitations.

- (a) **Eligibility.** Only employees (as determined in accordance with Section 422 of the Code and the regulations promulgated thereunder) of the Company or any of its Related Corporations may be granted Incentive Stock Options.

- (b) **\$100,000 Limitation.** Notwithstanding the designation “Incentive Stock Option” in an Option Agreement, if the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Awardee during any calendar year (under all plans of the Company and any of its Related Corporations) exceeds \$100,000, then the portion of such Options that exceeds \$100,000 shall be treated as Nonstatutory Stock Options. An Incentive Stock Option is considered to be first exercisable during a calendar year if the Incentive Stock Option will become exercisable at any time during the year, assuming that any condition on the Awardee’s ability to exercise the Incentive Stock Option related to the performance of services is satisfied. If the Awardee’s ability to exercise the Incentive Stock Option in the year is subject to an acceleration provision, then the Incentive Stock Option is considered first exercisable in the calendar year in which the acceleration provision is triggered. For purposes of this Section 9(b), Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the Shares shall be determined as of the Grant Date.

(c) Leave of Absence. For purposes of a Participant's outstanding Option retaining its status as an Incentive Stock Option, no leave of absence for such Participant may exceed three months, unless the right to reemployment upon expiration of such leave is provided by statute or contract. If the period of leave exceeds three months and the Participant's right to reemployment is not provided by statute or contract, the Participant's employment with the Company shall be deemed to terminate for purposes of income tax treatment on the first day immediately following such three-month period, and any Incentive Stock Option granted to the Participant shall cease to be treated as an Incentive Stock Option upon the expiration of the three-month period starting on the date the employment relationship is deemed terminated.

(d) Transferability. The Option Agreement must provide that an Incentive Stock Option cannot be transferable by the Awardee otherwise than by will or the laws of descent and distribution, and, during the lifetime of such Awardee, must not be exercisable by any other person. Notwithstanding the foregoing, the Administrator, in its sole discretion, may allow the Awardee to transfer his or her Incentive Stock Option to a trust where under Section 671 of the Code and other Applicable Laws, the Awardee is considered the sole beneficial owner of the Option while it is held in the trust. If the terms of an Incentive Stock Option are amended to permit transferability, the Option will be treated for tax purposes as a Nonstatutory Stock Option.

(e) Exercise Price. The Exercise Price of an Incentive Stock Option shall be determined by the Administrator in accordance with Section 8(b)(i) of the Plan.

(f) Ten-Percent Stockholder. If any Incentive Stock Option is granted to a Ten-Percent Stockholder, then the Option term shall not exceed five years measured from the Grant Date of such Option.

(g) Other Terms. Option Agreements evidencing Incentive Stock Options shall contain such other terms and conditions as may be necessary to qualify as Incentive Stock Options, to the extent determined desirable by the Administrator, under the applicable provisions of Section 422 of the Code.

10. Exercise of Option.

(a) Procedure for Exercise; Rights as a Stockholder.

- (i) Any Option granted hereunder shall be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the respective Award Agreement.
- (ii) An Option shall be deemed exercised when the Company receives (A) written or electronic notice of exercise (in accordance with the Award Agreement) from the person entitled to exercise the Option; (B) full payment for the Shares with respect to which the related Option is exercised; and (C) full payment of all applicable withholding taxes.
- (iii) Shares issued upon exercise of an Option shall be issued in the name of the Participant or, if requested by the Participant, in the name of the Participant and his or her spouse. Unless provided otherwise by the Administrator or pursuant to this Plan, until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Shares subject to an Option, notwithstanding the exercise of the Option.
- (iv) The Company shall issue (or cause to be issued) such Shares as soon as administratively practicable after the Option is exercised. An Option may not be exercised for a fraction of a Share.

(b) Effect of Termination of Service on Options.

- (i) Generally. Unless otherwise provided for by the Administrator, if a Participant ceases to be a Service Provider, other than upon the Participant's death or Disability, the Participant may exercise his or her Option within such period as is specified in the Award Agreement to the extent that the Option is vested on the Termination Date (but in no event later than the earlier of the expiration of the term of such Option as set forth in the Award Agreement or the date of a Change in Control in which the Option is not being assumed or otherwise continued after the Change in Control). In the absence of a specified time in the Award Agreement, the vested portion of the Option will remain exercisable for three months following the Participant's Termination Date. Unless otherwise provided by the Administrator, if on the Termination Date the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will automatically revert to the Plan. If after the Termination of Service the Participant does not exercise his or her Option within the time specified by the Administrator, the Option will automatically terminate, and the Shares covered by such Option will revert to the Plan.

(ii) Disability of Participant. Unless otherwise provided for by the Administrator, if a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within such period as is specified in the Award Agreement to the extent the Option is vested on the Termination Date (but in no event later than the earlier of the expiration of the term of such Option as set forth in the Award Agreement or the date of a Change in Control in which the Option is not being assumed or otherwise continued after the Change in Control). In the absence of a specified time in the Award Agreement, the Option will remain exercisable for twelve months following the Participant's Termination Date. Unless otherwise provided by the Administrator, if at the time of Disability the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will automatically revert to the Plan. If the Option is not so exercised within the time specified herein, the Option will terminate, and the Shares covered by such Option will automatically revert to the Plan.

(iii) Death of Participant. Unless otherwise provided for by the Administrator, if a Participant dies while a Service Provider, the Option may be exercised following the Participant's death within such period as is specified in the Award Agreement to the extent that the Option is vested on the date of death (but in no event later than the earlier of the expiration of the term of such Option as set forth in the Award Agreement or the date of a Change in Control in which the Option is not being assumed or otherwise continued after the Change in Control) by the Participant's designated beneficiary, provided such beneficiary has been designated before the Participant's death in a form acceptable to the Administrator. If no such beneficiary has been designated by the Participant, then such Option may be exercised by the personal representative of the Participant's estate or by the person or persons to whom the Option is transferred pursuant to the Participant's will or in accordance with the laws of descent and distribution. In the absence of a specified time in the Award Agreement, the Option will remain exercisable for twelve months following Participant's death. Unless otherwise provided by the Administrator, if at the time of death Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will revert to the Plan. If the Option is not so exercised within the time specified herein, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

11. Stock Awards.

(a) Stock Award Agreement. Each Stock Award Agreement shall contain provisions regarding (i) the number of Shares subject to such Stock Award or a formula for determining such number; (ii) the purchase price, if any, of the Shares, and the means of payment for the Shares; (iii) the performance criteria, if any, and level of achievement versus these criteria that shall determine the number of Shares granted, issued, retained, or vested, as applicable; (iv) such terms and conditions on the grant, issuance, vesting, or forfeiture of the Shares, as applicable, as may be determined from time to time by the Administrator; (v) restrictions on the transferability of the Stock Award; and (vi) such further terms and conditions in each case not inconsistent with this Plan as may be determined from time to time by the Administrator.

(b) Restrictions and Performance Criteria. The grant, issuance, retention, and vesting of each Stock Award may be subject to such performance criteria and level of achievement versus these criteria as the Administrator shall determine, which criteria may be based on financial performance, personal performance evaluations, or completion of service by the Awardee.

(c) Forfeiture. Unless otherwise provided for by the Administrator, upon the Awardee's Termination of Service, the unvested Stock Award and the Shares subject thereto shall be forfeited, provided that to the extent that the Participant purchased any Shares pursuant to such Stock Award, the Company shall have a right to repurchase the unvested portion of such Shares at the original price paid by the Participant.

(d) Rights as a Stockholder. Unless otherwise provided by the Administrator, the Participant shall have the rights equivalent to those of a stockholder and shall be a stockholder only after Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) to the Participant. Unless otherwise provided by the Administrator, a Participant holding a vested Stock Award shall be entitled to receive dividend payments as if he or she were an actual stockholder and a Participant holding an unvested Stock Award shall be entitled to receive dividends declared while the Stock Award is not vested to the extent (and when) the underlying Stock Award becomes vested.

(e) **Stock Units.** Settlement of vested Stock Units may be made in the form of (a) cash, (b) Shares or (c) any combination of both, as determined by the Committee. The actual number of Stock Units eligible for settlement may be larger or smaller than the number included in the original Award. Methods of converting Stock Units into cash may include (without limitation) a method based on the average Fair Market Value of Shares over a series of trading days. Except as otherwise provided in a Stock Award Agreement or a timely completed deferral election, vested Stock Units shall be settled within thirty days after vesting. The Stock Award Agreement may provide that distribution may occur or commence when all vesting conditions applicable to the Stock Units have been satisfied or have lapsed, or it may be deferred, in accordance with Applicable Laws, to a later specified date. The amount of a deferred distribution may be increased by an interest factor or by dividend equivalents. Until an Award of Stock Units is settled, the number of such Stock Units shall be subject to adjustment pursuant to Section 15. A holder of Stock Units shall have no rights other than those of a general creditor of the Company. Stock Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the applicable Stock Award Agreement.

12. Stock Appreciation Rights. Subject to the terms and conditions of the Plan, a SAR may be granted to a Service Provider at any time and from time to time as determined by the Administrator in its sole discretion.

(a) **Number of SARs.** The Administrator shall have complete discretion to determine the number of SARs granted to any Service Provider.

(b) **Exercise Price and Other Terms.** The Exercise Price shall be no less than 100% of the Fair Market Value per Share on the Grant Date. The Administrator, subject to the provisions of the Plan, shall have complete discretion to determine the other terms and conditions of SARs granted under the Plan.

(c) **Exercise of SARs.** SARs shall be exercisable on such terms and conditions as the Administrator, in its sole discretion, shall determine.

(d) **SAR Agreement.** Each SAR grant shall be evidenced by a SAR Agreement that will specify the Exercise Price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Administrator, in its sole discretion, shall determine.

(e) **Expiration of SARs.** A SAR granted under the Plan shall expire upon the date determined by the Administrator, in its sole discretion, and set forth in the SAR Agreement. Notwithstanding the foregoing, the rules of Section 10(b) will also apply to SARs.

(f) Payment of SAR Amount. Upon exercise of a SAR, the Participant shall be entitled to receive a payment from the Company, for each Share exercised, in an amount equal to the difference between the Fair Market Value of a Share on the date of exercise over the Exercise Price of the SAR less the amount of applicable tax withholding amounts due as a result of such exercise. This amount shall be paid in cash, Shares of equivalent value, or a combination of both, as the Administrator shall determine.

13. Cash Awards. Each Cash Award will confer upon the Participant the opportunity to earn a future payment tied to the level of achievement with respect to one or more performance criteria established by the Administrator for a performance period.

(a) Cash Award. Each Cash Award shall contain provisions regarding (i) the performance goal or goals and maximum amount payable to the Participant as a Cash Award; (ii) the performance criteria and level of achievement versus these criteria that shall determine the amount of such payment; (iii) the period as to which performance shall be measured for establishing the amount of any payment; (iv) the timing of any payment earned by virtue of performance; (v) restrictions on the alienation or transfer of the Cash Award before actual payment; (vi) forfeiture provisions; and (vii) such further terms and conditions, in each case not inconsistent with the Plan, as may be determined from time to time by the Administrator. The maximum amount payable as a Cash Award that is settled for cash may be a multiple of the target amount payable.

(b) Performance Criteria. The Administrator shall establish the performance criteria and level of achievement versus these criteria that shall determine the target and the minimum and maximum amount payable under a Cash Award, which criteria may be based on financial performance or personal performance evaluations or both. The Administrator may specify the percentage of the target Cash Award that is intended to satisfy the requirements for “performance-based compensation” under Section 162(m) of the Code.

(c) Timing and Form of Payment. The Administrator shall determine the timing of payment of any Cash Award. The Administrator may specify the form of payment of Cash Awards, which may be cash, Shares or other property, or may provide for an Awardee to have the option for his or her Cash Award, or such portion thereof as the Administrator may specify, to be paid in whole or in part in cash or other property.

(d) Termination of Service. The Administrator shall have the discretion to determine the effect of a Termination of Service on any Cash Award due to (i) Disability, (ii) retirement, (iii) death, (iv) participation in a voluntary severance program, or (v) participation in a work force restructuring.

14. Other Provisions Applicable to Awards.

(a) Non-Transferability of Awards. Unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution, and may be exercised, during the lifetime of the Participant, only by the Participant. If the Administrator makes an Award transferable, either at the time of grant or thereafter, such Award shall contain such additional terms and conditions as the Administrator deems appropriate, and any transferee shall be bound by such terms upon acceptance of such transfer.

(b) Section 409A. Notwithstanding anything in the Plan to the contrary, the Plan and Awards granted hereunder are intended to be exempt from or comply with the requirements of Code Section 409A and shall be interpreted in a manner consistent with such intention. In the event that any provision of the Plan or an Award Agreement is determined by the Administrator to not comply with the applicable requirements of Code Section 409A or the applicable regulations and other guidance issued thereunder, the Administrator shall have the authority (but not an affirmative obligation) to take such actions and to make such changes to the Plan or an Award Agreement as the Administrator deems necessary to comply with such requirements. Any payment made pursuant to any Award shall be considered a separate payment and not one of a series of payments for purposes of Code Section 409A. Notwithstanding the foregoing or anything elsewhere in the Plan or an Award Agreement to the contrary, if upon a Participant’s Separation From Service he/she is then a Specified Employee, then solely to the extent necessary to comply with Code Section 409A and avoid the imposition of taxes under Code Section 409A, the Company shall defer payment of “nonqualified deferred compensation” subject to Code Section 409A payable as a result of and within

six (6) months following such Separation From Service under this Plan until the earlier of (i) the first business day of the seventh month following the Participant's Separation From Service, or (ii) ten (10) days after the Company receives written confirmation of the Participant's death. Any such delayed payments shall be made without interest. While it is intended that all payments and benefits provided under the Plan or an Award will be exempt from or comply with Code Section 409A, the Company makes no representation or covenant to ensure that the payments under the Plan or an Award are exempt from or compliant with Code Section 409A. In no event whatsoever shall the Company be liable if a payment or benefit under the Plan or an Award is challenged by any taxing authority or for any additional tax, interest or penalties that may be imposed on a Participant by Code Section 409A or any damages for failing to comply with Code Section 409A. The Participant will be entirely responsible for any and all taxes on any benefits payable to such Participant as a result of the Plan or an Award. If the applicable Award Agreement or Participant's employment agreement provides for Code Section 409A related provisions other than what is specified above in this Section 14(b), then such provisions in the Award Agreement or employment agreement shall govern.

(c) Clawback Policy. Notwithstanding anything in the Plan to the contrary, the Company may (i) cause the cancellation of any Award, (ii) require reimbursement of any Award by a Participant and (iii) effect any other right of recoupment of equity or other compensation provided under this Plan or otherwise in accordance with Company policies as may be adopted and/or modified from time to time by the Company and/or Applicable Laws (each, a "Clawback Policy"). In addition, a Participant may be required to repay to the Company certain previously paid compensation, whether provided under this Plan or an Award Agreement or otherwise, in accordance with the Clawback Policy. By accepting an Award, a Participant is also agreeing to be bound by the Company's Clawback Policy which may be amended from time to time by the Company in its discretion (including without limitation to comply with Applicable Laws or stock exchange requirements) and is further agreeing that all of the Participant's Awards (and/or awards issued under the Prior Plan) may be unilaterally amended by the Company to the extent needed to comply with the Clawback Policy.

(d) No Repricing or Re-Load Options. Notwithstanding anything to the contrary in the Plan, and except for an adjustment pursuant to Section 15 or a repricing approved by the stockholders, in no case may the Administrator (1) amend an outstanding stock option or SAR to reduce the Exercise Price or base price of the Award, (2) cancel, exchange or surrender an outstanding stock option or SAR in exchange for cash or other awards for the purpose of repricing the Award, or (3) cancel, exchange, or surrender an outstanding stock option or SAR in exchange for an option or SAR with an Exercise Price or base price that is less than the Exercise Price or base price of the original Award. Re-Load Options may not be awarded without the approval of Company stockholders.

(e) No Rights as a Stockholder. A Participant, or a transferee of a Participant, shall have no rights as a stockholder (including without limitation voting rights or dividend or distribution rights) with respect to any Common Stock covered by an Award until such person becomes entitled to receive such Common Stock, has satisfied any applicable withholding or tax obligations relating to the Award and the Common Stock has been issued to the Participant. No adjustment shall be made for cash or stock dividends or other rights for which the record date is prior to the date when such Common Stock is issued, except as expressly provided in Section 15.

(f) Dividends. Any dividends or dividend equivalents distributed under the Plan shall not be counted against the Section 3(a)(i) Share grant limit. Dividends and dividend equivalents will not be paid (or accrue) on unexercised Options or unexercised SARs.

15. Adjustments upon Changes in Capitalization, Dissolution, Merger or Asset Sale.

(a) Changes in Capitalization.

(i) The limitations set forth in Section 3 and 22(c), the number and kind of Shares covered by each outstanding Award, and the price per Share (but not the total price) subject to each outstanding Award shall be proportionally adjusted to prevent dilution or enlargement of rights under the Plan for any change in the outstanding Common Stock subject to the Plan, or subject to any Award, resulting from any stock splits, combination or exchange of Shares, consolidation, spin-off or recapitalization of Shares or any capital adjustment or transaction similar to the foregoing or any distribution to holders of Common Stock other than regular cash dividends.

(ii) The Administrator shall make such adjustment in such manner as it may deem equitable and appropriate, subject to compliance with Applicable Laws. Any determination, substitution or adjustment made by the Administrator under this Section shall be conclusive and binding on all persons. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class,

shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an Award.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Participant as soon as practicable before the effective date of such proposed transaction. The Administrator in its discretion may provide for an Option or SAR to be fully vested and exercisable until ten days before such proposed transaction. In addition, the Administrator may provide that any restrictions on any Award shall lapse before the proposed transaction, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised or settled, an Award will terminate immediately before the consummation of such proposed transaction.

(c) Change in Control. If there is a Change in Control, the Board, the Administrator, or Committee, or board of directors of any surviving entity or acquiring entity may, in its discretion, (i) provide for the assumption, continuation or substitution (including an award to acquire substantially the same type of consideration paid to the stockholders in the transaction in which the Change in Control occurs) of, or adjustment to, all or any part of the Awards; (ii) accelerate the vesting of all or any part of the Options and SARs and terminate any restrictions on all or any part of the Stock Awards or Cash Awards; (iii) provide for the cancellation of all or any part of the Awards for a cash payment to the Participants; and (iv) provide for the cancellation (with or without consideration) of all or any part of the Awards as of the closing of the Change in Control; provided, that the Participants are notified that they must exercise or redeem their Awards (including, at the discretion of the Board or Committee, any unvested portion of such Award) at or before the closing of the Change in Control. The Administrator may also in its discretion include in an Award Agreement a requirement that, under certain circumstances, acceleration of vesting (or compensation payable) with respect to such Award shall be reduced (or eliminated) to the extent that such reduction (or elimination) would, after taking into account any other payments in the nature of compensation to which the Participant would have a right to receive from the Company and any other person contingent upon the occurrence of a Change in Control, prevent the occurrence of a “parachute payment” as defined under Code Section 280G. Any Award Agreement shall be subject to the provision of the applicable Change in Control transaction agreement(s).

16. Amendment and Termination of the Plan.

(a) Amendment and Termination. The Administrator may amend, alter, or discontinue the Plan or any Award Agreement, but any such amendment shall be subject to approval of the stockholders of the Company in the manner and to the extent required by Applicable Laws.

(b) Effect of Amendment or Termination. No amendment, suspension, or termination of the Plan shall materially impair the rights of any Award, unless agreed otherwise between the Participant and the Administrator. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan before the date of such termination.

(c) Effect of the Plan on Other Arrangements. Neither the adoption of the Plan by the Board or a Committee nor the submission of the Plan to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board or any Committee to adopt such other incentive arrangements as it or they may deem desirable, including the granting of restricted stock or stock options otherwise than under the Plan, and such arrangements may be either generally applicable or applicable only in specific cases.

17. Designation of Beneficiary.

(a) An Awardee may file a written designation of a beneficiary who is to receive the Awardee's rights pursuant to Awardee's Award or the Awardee may include his or her Awards in an omnibus beneficiary designation for all rights under the Awardee's Awards and all benefits under the Plan. To the extent that Awardee has completed a designation of beneficiary such beneficiary designation shall remain in effect with respect to any Award hereunder until changed by the Awardee to the extent enforceable under Applicable Laws.

(b) The Awardee may change such designation of beneficiary at any time by written notice. If an Awardee dies and no beneficiary is validly designated under the Plan who is living at the time of such Awardee's death, the Company shall allow the executor or administrator of the estate of the Awardee to receive the Awardee's rights under the Awardee's Awards and all benefits under the Plan, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may allow the spouse or one or more dependents or relatives of the Awardee to receive the Awardee's rights under the Awardee's Awards and all benefits under the Plan to the extent permissible under Applicable Laws.

18. No Right to Awards or to Service. No person shall have any claim or right to be granted an Award and the grant of any Award shall not be construed as giving an Awardee the right to continue in the service of the Company or its Affiliates. Further, the Company and its Affiliates expressly reserve the right, at any time, to dismiss any Service Provider or Awardee or Participant at any time without liability or any claim under the Plan, except as provided herein or in any Award Agreement entered into hereunder.

19. Preemptive Rights. No Shares will be issued under the Plan in violation of any preemptive rights held by any stockholder of the Company.

20. Legal Compliance. No Share will be issued pursuant to an Award under the Plan unless the issuance and delivery of such Share, as well as the exercise of such Award, if applicable, will comply with Applicable Laws. Issuance of Shares under the Plan shall be subject to the approval of counsel for the Company with respect to such compliance.

21. Inability to Obtain Authority. To the extent the Company is unable to or the Administrator deems that it is not feasible to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, the Company shall be relieved of any liability with respect to the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

22. Code Section 162(m)

(a) Applicability. The provisions of Sections 22(b) and 22(c) shall apply to an Award if and only if all of the following items (i) through (iii) in this Section 22(a) are true as of the Grant Date of such Award:

(i) the Company is a “publicly held corporation” within the meaning of Code Section 162(m);

(ii) the deduction limitations of Code Section 162(m) are applicable to Awards granted to Covered Employees under this Plan; and

(iii) the Award is intended to qualify as “performance-based compensation” under Code Section 162(m).

(b) Administration. Awards issued in accordance with this Section 22 shall be granted by and administered by a Committee whose composition satisfies the outside director requirements under Code Section 162(m) with respect to performance-based compensation. If Qualifying Performance Criteria are included in Awards in order to enable such Awards to qualify as performance-based compensation under Code Section 162(m), then such Awards will be subject to the achievement of such Qualifying Performance Criteria that will be established and administered pursuant to the requirements of Code Section 162(m) and as described in this Section 22(b). To the extent required by Code Section 162(m), the Committee shall certify in writing the degree to which the Qualifying Performance Criteria have been satisfied before any Shares underlying an Award or any Award payments are released to a Covered Employee with respect to a performance period. Without limitation, the approved minutes of a Committee meeting shall constitute such written certification.

Notwithstanding satisfaction of any completion of any Qualifying Performance Criteria, to the extent specified at the time of grant of an Award, the number of Shares, Options, SARs, Stock Awards, or the value of a Cash Award or any other benefits granted, issued, retainable and/or vested under an Award on account of satisfaction of such Qualifying Performance Criteria may be reduced by the Committee on the basis of such further considerations as the Committee in its sole discretion shall determine. For avoidance of doubt, Awards with Qualifying Performance Criteria or performance objectives (if any) that are granted to Awardees who are not Covered Employees or any Awards to Covered Employees which are not intended to qualify as performance-based compensation under Code Section 162(m) need not comply with the requirements of Code Section 162(m) or this Section 22.

If compensation is payable upon or after the attainment of Qualifying Performance Criteria, and a change is made by the Committee to accelerate the payment of compensation to an earlier date after the attainment of the goal, the change

will be treated as an increase in the amount of compensation, unless the amount of compensation paid is discounted to reasonably reflect the time value of money.

(c) Limits. Awards intended to qualify as performance-based compensation under Code Section 162(m) will be limited to the following. Subject to the provisions of Section 15 of the Plan, the aggregate number of Shares subject to Awards granted under this Plan during any Fiscal Year to any one Awardee shall not exceed 250,000 except that for the Fiscal Year of the Awardee's commencement of employment with the Company or for the first Fiscal Year that the Awardee becomes a Covered Employee, an Awardee may be granted Awards covering up to 500,000 Shares. The maximum amount payable pursuant to that portion of a Cash Award granted under this Plan for any Fiscal Year to any Awardee that is intended to satisfy the requirements for "performance-based compensation" under Section 162(m) of the Code shall not exceed \$2,000,000. Notwithstanding anything to the contrary in the Plan, the limitations set forth in this Section 22(c) shall be subject to adjustment under Section 15 of the Plan only to the extent that such adjustment will not affect the status of any Award intended to qualify as "performance-based compensation" under Section 162(m) of the Code.

(d) **Qualifying Performance Criteria.** For purposes of this Plan, the term “Qualifying Performance Criteria” shall mean any one or more of the following performance criteria, applied to either the Company as a whole or to a business unit, Affiliate, Related Corporation, or business segment, either individually, alternatively, or in any combination, and measured either annually or cumulatively over a period of years, on an absolute basis or relative to a pre-established target, to previous years’ results or to a designated comparison group, in each case as specified in the Award by the Committee: (i) cash flow, (ii) earnings (including gross margin, earnings before interest and taxes, earnings before taxes, and net earnings), (iii) earnings per share, (iv) growth in earnings or earnings per share, (v) stock price, (vi) return on equity or average stockholders’ equity, (vii) total stockholder return, (viii) return on capital, (ix) return on assets or net assets, (x) return on investment, (xi) revenue, (xii) income or net income, (xiii) operating income or net operating income, (xiv) operating profit or net operating profit, (xv) operating margin, (xvi) return on operating revenue, (xvii) market share, (xviii) contract awards or backlog, (xix) overhead or other expense reduction, (xx) growth in stockholder value relative to the moving average of the S&P 500 Index or a peer group index, (xxi) credit rating, (xxii) strategic plan development and implementation, (xxiii) improvement in workforce diversity, (xxiv) EBITDA (earnings before interest, taxes, depreciation and amortization), and (xxv) any other similar criteria.

(e) **Adjustments.** The Committee may, in its sole discretion, provide that one or more objectively determinable adjustments shall be made to one or more of the Qualifying Performance Criteria. Such adjustments may include one or more of the following: (i) items related to a change in or provisions under tax law, accounting principles or other such laws or provisions affecting reported results; (ii) items relating to financing activities; (iii) expenses for restructuring or productivity initiatives; (iv) other non-operating items; (v) items related to reorganizations or restructuring programs or divestitures or acquisitions; (vi) items attributable to the business operations of any entity acquired by the Company during the performance period; (vii) items related to asset write-downs or the disposal of a business or segment of a business; (viii) items related to discontinued operations that do not qualify as a segment of a business under Generally Accepted Accounting Principles (“GAAP”); (ix) items attributable to any stock dividend, stock split, combination or exchange of shares occurring during the performance period; (x) any other items of significant income or expense which are determined to be appropriate adjustments; (xi) items relating to unusual or extraordinary corporate transactions, events or developments, (xii) items related to amortization of acquired intangible assets; (xiii) items that are outside the scope of the Company’s core, on-going business activities; (xiv) items relating to any other unusual or nonrecurring events or changes in Applicable Laws, accounting principles or business conditions and/or items of gain, loss or expense determined to be extraordinary or unusual in nature or infrequent in occurrence; or (xv) litigation or claim judgments or settlements. For all Awards intended to qualify as performance-based compensation, such determinations shall be made within the time prescribed by, and otherwise in compliance with, Section 162(m) of the Code.

23. Notice. Any written notice to the Company required by any provisions of this Plan shall be addressed to the Secretary of the Company and shall be effective when received. Subject to compliance with Applicable Laws and/or regulations, an Award Agreement or other documentation or notices relating to the Plan and/or Awards may be communicated to Participants (and executed by Participants) by electronic media.

24. Governing Law; Interpretation of Plan and Awards.

(a) Governing Law. This Plan and all determinations made and actions taken pursuant hereto shall be governed by the substantive laws, but not the choice of law rules, of the state of Delaware. The Committee may provide that any dispute as to any Award shall be presented and determined in such forum as the Committee may specify, including through binding arbitration. Unless otherwise provided in the Award Agreement, recipients of an Award under the Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of California to resolve any and all issues that may arise out of or relate to the Plan or any related Award Agreement.

(b) Enforceability. If any provision of the Plan or any Award granted under the Plan is declared to be illegal, invalid, or otherwise unenforceable by a court of competent jurisdiction, such provision shall be reformed, if possible, to the extent necessary to render it legal, valid, and enforceable, or otherwise deleted, and the remainder of the terms of the Plan and Award shall not be affected except to the extent necessary to reform or delete such illegal, invalid, or unenforceable provision. In the event of any conflict in terms between the Plan and any Award Agreement, the terms of the Plan shall prevail and govern.

(c) **Headings.** The headings preceding the text of the sections hereof are inserted solely for convenience of reference, and shall not constitute a part of the Plan, nor shall they affect its meaning, construction or effect.

(d) **Binding Provisions; Successor Provisions.** The terms of the Plan and any Award shall inure to the benefit of and be binding upon the parties hereto and their respective permitted heirs, beneficiaries, successors, and assigns. Any reference to a statute, rule or regulation, or to a section of a statute, rule or regulation, is a reference to that statute, rule, regulation, or section as amended from time to time, both before and after the Restatement Date and including any successor provisions.

(e) **Administrator Decisions.** All questions arising under the Plan or under any Award shall be decided by the Administrator in its total and absolute discretion. If the Participant believes that a decision by the Administrator with respect to such person was arbitrary or capricious, the Participant may request arbitration with respect to such decision. The review by the arbitrator shall be limited to determining whether the Administrator's decision was arbitrary or capricious. This arbitration shall be the sole and exclusive review permitted of the Administrator's decision, and the Awardee shall as a condition to the receipt of an Award be deemed to waive explicitly any right to judicial review.

25. Limitation on Liability. The Company and any Affiliate or Related Corporation that is in existence or hereafter comes into existence shall not be liable to a Participant, an Employee, an Awardee, or any other persons as to:

(a) **The Non-Issuance of Shares.** The non-issuance or sale of Shares as to which the Company has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Company's counsel to be necessary to the lawful issuance and sale of any shares hereunder; and

(b) **Tax Consequences.** Any tax consequence expected, but not realized, by any Participant, Employee, Awardee or other person due to the receipt, exercise or settlement of any Option or other Award granted hereunder.

26. Unfunded Plan. Insofar as it provides for Awards, the Plan shall be unfunded. Although bookkeeping accounts may be established with respect to Awardees who are granted Stock Awards under this Plan, any such accounts will be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets that may at any time be represented by Awards, nor shall this Plan be construed as providing for such segregation, nor shall the Company or the Administrator be deemed a trustee of stock or cash to be awarded under the Plan. Any liability of the Company to any Participant with respect to an Award shall be based solely upon any contractual obligations that may be created by the Plan; no such obligation of the Company shall be deemed secured by any pledge or other encumbrance on any property of the Company. Neither the Company nor the Administrator

shall be required to give any security or bond for the performance of any obligation that may be created by this Plan.
