Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Shares were transferred to reporting person's ex-spouse pursuant to a divorce settlement. The reporting person no longer reports any of these transferred securities as beneficially owned.
The original Form 4 filed on December 17, 2013 included the disposition of 18,669 shares and inadvertently omitted the disposition of an additional 52,803. As a result of the omission in the original Form 4, the effect of the disposition of the additional 52,803 shares on the reporting person's beneficial ownership was not reflected in any of the subsequent Form 4 filings through April 2015.
- (3) Reflects the number of securities beneficially owned by the reporting person after the transaction reported on this line.
- (4)

Edgar Filing: RadNet, Inc. - Form 4/A

The original Form 4 filed on January 5, 2015, only included the net number of shares acquired by the reporting person after taking into account the disposition of shares to the reporting person's ex-spouse pursuant to a divorce settlement. The reporting person initially acquired 27,425 shares in connection with employment and such shares shall vest one third on issuance and in additional one-third increments over each of the next two years.

- (5) The original Form 4 filed on January 5, 2015, inadvertently subtracted the disposition of shares from the total acquired as reported in column 4 instead of reporting the acquisition and immediate subsequent disposition separately.

This line is being reported to correct the total number of shares directly held by the reporting person in column 5 immediately following the activity that took place on April 15, 2015, as reported on the Form 4 filed on April 17, 2015. In addition to the omitted dispositions described in this amendment, mathematical errors were discovered in the total number of shares directly held by the reporting person. The

- (6) mathematical errors resulted in an over-reporting of 55,300 shares on December 17, 2013 and the subsequent Form 4s filed through March 2014; 55,3066 shares on April 23, 2014; and 55,906 shares on January 5, 2015 and the subsequent Form 4s filed through April 2015. The Form 4 filed on May 22, 2015 correctly reported the total amount of shares directly held by the reporting person in column 5.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
