**Item 8.01 Other Events.**

Delta Air Lines, Inc. (“Delta”) today announced it reached agreement with GOL Linhas Aéreas Inteligentes SA (“GOL”), the low-cost Brazilian carrier, and its controlling shareholder to enter into transactions that will improve GOL’s financial position and liquidity and extend Delta’s commercial agreements with GOL.

GOL announced plans to issue up to \$146 million of preferred shares and enter into a term loan with third parties for up to \$300 million. Delta intends to acquire up to \$56 million of the preferred shares and guarantee the borrowings under the term loan. These transactions are subject to the execution and delivery of definitive documentation and customary closing conditions, including receipt of required regulatory approvals. Delta’s guarantee will be secured by GOL’s share ownership in SMILES (GOL’s publicly traded loyalty program). The equity investment will increase Delta’s existing investment in GOL.

The extended commercial agreements will further strengthen the strategic alliance between the airlines.
