Item 2.02 Results of Operations and Financial Condition.

On February 8, 2006, Nu Skin Enterprises, Inc. (the "Company") issued a press release announcing its financial results for the fourth quarter and year ended December 31, 2005, and certain other information. A copy of the Company's press release is attached as Exhibit 99.1 to this report and incorporated by reference.

Edgar Filing: NU SKIN ENTERPRISES INC - Form 8-K

The information furnished pursuant to this Item 2.02 and the exhibit hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), and shall not be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act except as shall be expressly set forth by specific reference in such filing.

In the press release furnished herewith in Exhibit 99.1, the Company provides earnings per share projections for the first quarter and for the year 2006 that exclude certain restructuring charges that are expected to be incurred in the first quarter as described in the press release. These projections adjust estimated GAAP earnings per share to remove the impact of these anticipated charges that are unusual in nature and unlikely to impact results of operations going forward. Management believes these non-GAAP financial measures assist management and investors in evaluating, and comparing from period to period, results from ongoing operations in a more meaningful and consistent manner while also highlighting more meaningful trends in the results of operations. A reconciliation of projected earnings per share, excluding the anticipated restructuring charges, to projected earnings per share, on a GAAP basis, is provided in the press release furnished herewith.

Item 9.01 Financial Statements and Exhibits.
