Item 7.01 Regulation FD Disclosure.

Nu Skin Enterprises, Inc. (the "Company") has reached a resolution with the U.S. Securities and Exchange Commission (the "SEC"), which fully resolves the Company's previously disclosed SEC investigation in its entirety. Pursuant to the settlement, the SEC found that the Company's books and records and internal controls related to a charitable contribution in China in 2013 were insufficient, and the Company agreed to pay \$765,688 to the SEC. In agreeing to the settlement, the Company neither admitted nor denied the SEC's findings.

Based in part on the success of recent product introductions and favorable currency trends, the Company currently anticipates delivering third-quarter revenue at the high end of, or slightly above, its previous guidance of \$560 to \$580 million.

The information furnished pursuant to this Item 7.01 shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and shall not be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act except as shall be expressly set forth by specific reference in such filing.
