Item 5. Other Events

On July 24, 2003 ePlus inc. (the "Company") announced by press release that it had early renewed its credit facility and increased the maximum amount that can be borrowed to \$45 million from the current facility. This credit facility agreement will expire on July 21, 2006. The credit facility has three participants, National City Bank, Branch Banking and Trust Company and Bank of America. Each bank has committed \$15 million to the facility.

Purpose of the Credit Facility

We use the credit facility primarily for the short-term financing of inventory, receivables, and equipment prior to the sale or permanent financing provided by non-recourse loans obtained from third party lenders. As of July 24, 2004 there was no outstanding balance on this facility.

Principal Terms of the Credit Facility

Borrowings under the facility will bear interest at LIBOR plus 175 basis points or, at our option, at an alternative base rate which is the higher of (i) the prime commercial lending rate of the Administrative Agent, in its individual capacity as a bank, as announced from time to time at its head office, or (ii)

Edgar Filing: EPLUS INC - Form 8-K

the Federal Funds Rate plus 1/2 of 1% (one-half of one percent). The credit facility is secured by certain of Companys' assets such as chattel paper (including leases), receivables, inventory, and equipment. In addition, we have entered into pledge agreements for the stock of each of our Subsidiaries. The availability of the credit facility is subject to a borrowing base formula that consists of inventory, receivables, purchased assets, and leases. Availability under the credit facility may be limited by the asset value of equipment purchased by us or by terms and conditions in the credit facility agreement. If we are unable to sell the equipment or unable to finance the equipment on a permanent basis within a certain time period, the availability of credit under the facility could be diminished or eliminated. The credit facility contains covenants relating to the following: minimum tangible net worth; cash flow coverage ratios; maximum debt to equity ratio; maximum amount of guarantees of subsidiary obligations; mergers; acquisitions; and asset sales. The credit facility is a full recourse obligation and is secured by a first priority blanket lien on all of our assets.

Upon maturity, the Loans evidenced by each Bank's Note shall be due and payable. Each Bank shall maintain records of all Loans made by it and evidenced by its Note and of all payments thereon, which records shall be conclusive absent manifest error.

(b) The Swing Line Loans made by the Swing Line Bank shall be evidenced by a single promissory note of the Borrowers (such promissory note as it may be amended, extended, modified, restated, replaced, substituted for or renewed, being referred to herein as the "Swing Line Note") in principal face amount of \$5,000,000. The Swing Line Note shall be dated its date of issuance, shall bear interest at the rate per annum and be payable as to principal and interest in accordance with the terms hereof. The Swing Line Note shall mature on the earliest to occur of (ii) the tenth Business Day after the drawing thereof and (ii) the Credit Termination Date. Upon maturity, the Swing Line Loans evidenced by the Swing Line Note shall be due and payable. The Swing Line Bank shall maintain records of all Swing Line Loans made by it and evidenced by the Swing Line Note and of all payments thereon, which records shall be conclusive absent manifest error.

### 2.3 Funding Procedures.

(a) Requests for Advance. Each request for a Loan or the conversion or renewal of an interest rate with respect to a Loan shall be made not later than 11:00 a.m. on a Business Day by delivery to the Administrative Agent of a written request signed by the Borrowers or, in the alternative, a telephone request followed promptly by written confirmation of the request (a "Request for Advance"), specifying the date and amount of the Loan to be made, converted or renewed, selecting the interest rate option applicable thereto, and in the case of a LIBO Rate Loan, specifying the Interest Period applicable to such Loan. The form of request to be used in connection with the making, conversion or renewal of Loans shall be that form provided to the Borrowers by the Administrative Agent. Each request shall be received on the same Business Day of the date of the proposed borrowing, conversion or renewal in the case of Base Rate Loans and three London Business Days prior to the date of the proposed borrowing, conversion or renewal in the case of LIBO Rate Loans. No request shall be effective until actually received in writing by the Administrative Agent. Any request may be made by submission of such request by facsimile

transmission with the signed original being promptly transmitted to the

-19-

Administrative Agent. The Administrative Agent shall be entitled to rely on a facsimile of the signed original as fully as if it had received the signed original.

(b) Irrevocability. Upon receipt of a request for a Loan and if the conditions precedent provided herein shall be satisfied at the time of such request, the Administrative Agent promptly shall notify each Bank of such request and of such Bank's ratable share of such Loan. Upon receipt of a request for a Loan by the Administrative Agent, the request shall not be revocable by any Borrower.

(c) Availability of Funds. Not later than 1:00 p.m. EST on the date of each Loan, each Bank shall make available (except as provided in clause (d) below) its ratable share of such Loan, in immediately available funds, to the Administrative Agent at the address set forth opposite its name on the signature page hereof or at such account in London as the Administrative Agent shall specify to the Borrowers and the Banks. Unless the Administrative Agent knows that any applicable condition specified herein has not been satisfied, it will make funds so received from the Banks immediately available to the Borrowers on the date of each Loan by a credit to the account designated by the Borrowers at the Administrative Agent's address set forth opposite its name on the signature page hereof or at such other destination and in such other form as the Borrowers may request, in writing.

(d) Funding Assumptions. Unless the Administrative Agent shall have been notified by any Bank at least one Business Day prior to the date of the making, conversion or renewal of any LIBO Rate Loan, or by 11:00 a.m. EST on the date of the making, conversion or renewal of any Base Rate Loan, that such Bank does not intend to make available to the Administrative Agent such Bank's portion of the total amount of the Loan to be made, converted or renewed on such date, the Administrative Agent may assume that such Bank has made or will make such amount available to the Administrative Agent on the date of the Loan and the Administrative Agent may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. If and to the extent such Bank shall not have so made such funds available to the Administrative Agent, such Bank agrees to repay the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrowers until the date such amount is repaid to the Administrative Agent, at the Federal Funds Rate plus 50 basis points for three Business Days, and thereafter at the Alternate Base Rate plus the Applicable Borrowing Margin. If such Bank shall repay to the Administrative Agent such corresponding amount, such amounts so repaid shall constitute such Bank's Loan for purposes of this Agreement. If such Bank does not repay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrowers, and the Borrowers shall immediately pay such corresponding amount to the Administrative Agent, without any prepayment penalty or premium, but with interest on the amount repaid, for each day from the date such amount is made available to the Borrowers until the date such amount is repaid to the Administrative Agent, at the rate of interest applicable at the time to such Loan. Nothing herein shall be deemed to relieve any Bank of its obligation to fulfill its Loan Commitment hereunder or to prejudice any rights which the Borrowers may have against any Bank as a result of any default by such Bank hereunder.

(e) Funding of Net Amount. If the Banks make a Loan on a day on which all or any part of an outstanding Loan from the Banks is to be repaid, each Bank shall apply the proceeds of its new Loan to make such repayment and only an amount equal to the difference (if any) between the amount being borrowed and the amount being repaid shall be made available by such Bank to the Borrowers as provided in clause (c).

2.4 Interest. The following interest rates may be applicable to any Loan or Loans, as requested by the Borrowers from time to time.

(a) Alternate Base Rate. Each Base Rate Loan shall bear interest on the principal amount thereof from the date made until such Loan is paid in full or converted, at a rate per annum equal to the Alternate Base Rate plus the Applicable Borrowing Margin.

(b) LIBO Rate. Each LIBO Rate Loan shall bear interest on the principal amount thereof from the date made until such Loan is paid in full, renewed, or converted, at a rate per annum equal to the LIBO Rate plus the Applicable Borrowing Margin. After receipt of a request for a LIBO Rate Loan, the Administrative Agent shall proceed to determine the LIBO Rate to be applicable thereto. The Administrative Agent shall give prompt notice by telephone or facsimile to the Borrowers of the LIBO Rate thus determined in respect of each LIBO Rate Loan or any change therein.

(c) Renewals and Conversions of Loans. On the last day of each Interest Period, the LIBO Rate Loan then maturing shall automatically be renewed for a new Interest Period of like duration, unless the Borrowers shall have given the Administrative Agent notice of a permitted conversion or renewal for an Interest Period of different duration as provided in ss. 2.4 hereof, or an Event of Default or Potential Default exists or would thereby occur. If no Event of Default or Potential Default exists or would thereby occur, the Borrowers shall have the right to convert Base Rate Loans into LIBO Rate Loans, to convert LIBO Rate Loans into Base Rate Loans, and to renew LIBO Rate Loans for Interest Periods of different duration, from time to time, provided that they shall give the Administrative Agent notice of each permitted conversion or renewal as provided in ss. 2.4 hereof, and LIBO Rate Loans may be converted or renewed for different Interest Periods only as of the last day of the applicable Interest Period for such Loans. The Administrative Agent shall use reasonable commercial efforts to notify the Borrowers of the effectiveness of such conversion or renewal (automatic or not automatic), and the new interest rate to which the converted or renewed Loan is subject, as soon as practicable after the conversion or renewal; provided, however, that any failure to give such notice shall not affect the Borrowers' obligations or the Banks' rights and remedies hereunder in any way whatsoever. In the event a LIBO Rate Loan is not automatically renewed as provided herein and the Borrowers shall not have selected an alternative Interest Period for any LIBO Rate Loan maturing as provided herein, such Loan shall be automatically converted into a Base Rate Loan on the last day of the Interest Period for such Loan.

(d) Automatic Reinstatement. The joint and several liability of the Borrowers under this ss. 2.4 shall continue to be effective or be automatically reinstated, as the case may be, if at any time any payment, in whole or in part, to the Banks is rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Borrower or any other Person, or upon or as a result of the appointment of a custodian, receiver, trustee or

other officer with similar powers with respect to any Borrower or any other Person or any substantial part of its property, or otherwise, all as though such payment had not been made.

(e) Default Rate. From and after the date of an Event of Default shall have occurred and for so long as an Event of Default shall be continuing, the Loans and the Swing Line Loans shall bear interest at the Default Rate.

#### 2.5 Swing Line Loans.

(a) Subject to the terms and conditions hereof, the Swing Line Bank agrees to make a portion of the credit otherwise available to the Borrowers under the Aggregate Loan Commitment from time to time during the Commitment Period by making swing line loans ("Swing Line Loans") to any Borrower; provided that (i) the aggregate principal amount of Swing Line Loans outstanding at any time shall not exceed the Swing Line Commitment then in effect (notwithstanding that the Swing Line Loans outstanding at any time, when aggregated with the Swing Line Bank's other outstanding Loans hereunder, may exceed the Swing Line Commitment then in effect) and (ii) no Borrower shall request, and the Swing Line Bank shall not make, any Swing Line Loan if, after giving effect to the making of such Swing Line Loan, the aggregate amount of the Available Credit Commitments for any Bank would be less than zero. During the Commitment Period, such Borrower may use the Swing Line Commitment by borrowing, repaying and reborrowing, all in accordance with the terms and conditions hereof. Swing Line Loans shall be Base Rate Loans only.

(b) Such Borrower shall repay all outstanding Swing Line Loans no later than the earlier to occur of (i) the tenth Business Day after the drawing thereof and (ii) the Credit Termination Date.

#### 2.6 Procedure for Swing Line Borrowing; Refunding of Swing Line Loans.

(a) Whenever such Borrower desires that the Swing Line Bank make Swing Line Loans it shall give the Swing Line Bank irrevocable telephonic notice confirmed promptly in writing (which telephonic notice must be received by the Swing Line Bank not later than 11:00 A.M. on a Business Day on the proposed borrowing date), specifying (i) the amount to be borrowed and (ii) the requested borrowing date (which shall be a Business Day during the Commitment Period). Each borrowing under the Swing Line Commitment shall be in an amount equal to \$250,000 or a whole multiple of \$250,000 in excess thereof. Not later than 1:00 P.M. on a Business Day on the borrowing date specified in a notice in respect of Swing Line Loans, the Swing Line Bank shall make available to the Administrative Agent, at the address set forth opposite the Administrative Agent's name on the signature page hereof or at such account in London as the Administrative Agent shall specify to such Borrower and the Banks, an amount in immediately available funds equal to the amount of the Swing Line Loan to be made by the Swing Line Bank. The Administrative Agent shall make the proceeds of such Swing Line Loan available to such Borrower on such borrowing date in immediately available funds.

(b) The Swing Line Bank, at any time and from time to time in its sole and absolute discretion may, on behalf of such Borrower (which hereby

## Edgar Filing: EPLUS INC - Form 8-K

irrevocably directs the Swing Line Bank to act on its behalf), on one Business Day's notice given by the Swing Line Bank no later than 11:00 A.M. on a Business Day, request each Bank to make, and each Bank hereby agrees to make, a Loan in an amount equal to such Bank's Commitment Percentage of the aggregate amount of the Swing Line Loans (the "Refunded Swing Line Loans") outstanding on the date of such notice, to repay the Swing Line Bank. Each Bank shall make the amount of such Loan available to the Administrative Agent at the Administrative Agent's funding office in immediately available funds, not later than 1:00 on a Business Day, one Business Day after the date of such notice. The proceeds of such Loans shall be immediately made available by the Administrative Agent to the Swing Line Bank for application by the Swing Line Bank to the repayment of the Refunded Swing Line Loans. Such Borrower irrevocably authorizes the Swing Line Bank to charge such Borrower's accounts with the Administrative Agent (up to the amount available in each such account) in order to immediately pay the amount of such Refunded Swing Line Loans to the extent amounts received from the Banks are not sufficient to repay in full such Refunded Swing Line Loans.

(c) If prior to the time a Loan would have otherwise been made pursuant to Section 2.6(b), one of the events described in Section 8(d) shall have occurred and be continuing with respect to such Borrower or if for any other reason, as determined by the Swing Line Bank in its sole discretion, Loans may not be made as contemplated by Section 2.6(b), each Bank shall, on the date such Loan was to have been made pursuant to the notice referred to in Section 2.6(b) (the "Refunding Date"), purchase for cash an undivided participating interest in the then outstanding Swing Line Loans by paying to the Swing Line Bank an amount (the "Swing Line Participation Amount") equal to (i) such Bank's Commitment Percentage times (ii) the sum of the aggregate principal amount of Swing Line Loans then outstanding which were to have been repaid with such Loans.

(d) Whenever, at any time after the Swing Line Bank has received from any Bank such Bank's Swing Line Participation Amount, the Swing Line Bank receives any payment on account of the Swing Line Loans, the Swing Line Bank will distribute to such Bank its Swing Line Participation Amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Bank's participating interest was outstanding and funded and, in the case of principal and interest payments, to reflect such Bank's pro rata portion of such payment if such payment is not sufficient to pay the principal of and interest on all Swing Line Loans then due); provided, however, that in the event that such payment received by the Swing Line Bank is required to be returned, such Bank will return to the Swing Line Bank any portion thereof previously distributed to it by the Swing Line Bank.

(e) Each Bank's obligation to make the Loans referred to in Section 2.6(b) and to purchase participating interests pursuant to Section 2.6(c) shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, (i) any setoff, counterclaim, recoupment, defense or other right which such Bank or such Borrower may have against the Swing Line Bank, such Borrower or any other Person for any reason whatsoever; (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 5; (iii) any adverse change in the condition (financial or otherwise) of such Borrower; (iv) any breach of this Agreement or any other Loan Document by such Borrower, any other party to this credit facility or any other Bank; or (v) any other circumstance,

happening or event whatsoever, whether or not similar to any of the foregoing.

### 2.7 Fees.

(a) Structuring and Arranging Fee; Administrative Fee; Upfront Fee. A structuring and arranging fee as well as an administrative fee shall be payable to the Administrative Agent as set forth in the Fee Letter. The Borrowers also agree, jointly and severally, to pay to the Administrative Agent and the other Banks all reasonable fees and expenses, including upfront fees, as determined by the Administrative Agent as set forth in the Fee Letter.

(b) Commitment Fee. The Borrowers agree, jointly and severally, to pay to the Administrative Agent for the account of each Bank as compensation for the Aggregate Loan Commitment, a fee ("Commitment Fee") computed at the rate per annum set forth in Schedule 2 attached to this Agreement on the average daily amount of the unused portion of the Aggregate Loan Commitment accrued from and after the date hereof. The unused portion of the Aggregate Loan Commitment shall mean the Aggregate Loan Commitment less the aggregate principal amount of the outstanding Loans hereunder, but shall not include any amounts due under Swing Line Loans. The Commitment Fee shall be calculated and be payable quarterly in arrears and on the Credit Termination Date. The Commitment Fee shall be calculated on the basis of a 360-day year for the actual number of days elapsed.

### 2.8 Reduction or Termination of Commitment.

(a) Voluntary Reduction or Termination. The Borrowers may at any time, on not less than three Business Days' written notice, (i) permanently reduce the Aggregate Loan Commitment, provided that any reduction shall be in the amount of \$1,000,000 or a multiple thereof and that no such reduction shall cause the aggregate principal amount of Loans outstanding to exceed the Aggregate Loan Commitment as reduced, or (ii) terminate the Aggregate Loan Commitment.

(b) Credit Termination Date Acceleration. In the event the Aggregate Loan Commitment is terminated, the Credit Termination Date shall accelerate to such date of termination and the Borrowers shall, simultaneously with such termination, repay the Base Rate Loans and LIBO Rate Loans in accordance with ss. 2.10.

### 2.9 Loan Prepayments (Optional and Mandatory).

(a) Base Rate Loans. On two Business Day's notice to the Administrative Agent and the Banks, the Borrowers may, at their option, prepay any Base Rate Loan in whole at any time or in part from time to time, provided that each partial prepayment shall be in the principal amount of \$1,000,000 or, if greater, then in multiples thereof and, if less than \$1,000,000 shall be outstanding, in principal amount equal to the aggregate principal amount remaining outstanding.

(b) LIBO Rate Loans. On three Business Day's notice to the Administrative Agent and the Banks, the Borrowers may, at their option

prepay any LIBO Rate Loan provided that if they shall prepay a LIBO Rate Loan prior to the last day of the applicable Interest Period, or shall fail to borrow any LIBO Rate Loan on the date such Loan is to be made, they shall pay to each Bank, in addition to the principal and interest then to

## Edgar Filing: EPLUS INC - Form 8-K

be paid in the case of a prepayment, on such date of prepayment, the Additional Amount incurred or sustained by such Bank as a result of such prepayment or failure to borrow.

(c) Mandatory Prepayments. The Borrower shall prepay Base Rate Loans and LIBO Rate Loans, in such order and combination as it may elect, in an amount equal to (1) 100% of the net proceeds received by it from the sale of any material assets which sale was not made in the ordinary course of the Borrower's business, (2) 100% of the net cash proceeds, if any, from any Capital Stock issued by the Borrower or Debt incurred by the Borrower (other than Indebtedness for Borrowed Money) and (3) 100% of the net proceeds of any Recovery Event.

### 2.10 Payments.

(a) Base Rate Loans. Accrued interest on all Base Rate Loans shall be due and payable on the last Business Day of each calendar month and upon the Credit Termination Date.

(b) LIBO Rate Loans. Accrued interest on LIBO Rate Loans with Interest Periods of one, two, three or six months shall be due and payable on the last day of such Interest Period. Accrued interest on LIBO Rate Loans with Interest Periods of six months shall be due and payable at the end of the third month and on the last day of the Interest Period.

(c) Form of Payments, Application of Payments, Payment Administration, Etc. Provided that no Event of Default or Potential Default then exists, all payments and prepayments shall be applied to the Loans in such order and to such extent as shall be specified by the Borrowers, by written notice to the Administrative Agent at the time of such payment or prepayment. Except as otherwise provided herein, all payments of principal, interest, fees, or other amounts payable by the Borrowers hereunder shall be remitted to the Administrative Agent on behalf of the Banks at the address set forth opposite its name on the signature page hereof or at such office or account as the Administrative Agent shall specify to the Borrowers, in immediately available funds not later than 2:00 p.m. on the day when due. Whenever any payment is stated as due on a day which is not a Business Day, the maturity of such payment shall, except as otherwise provided in the definition of "Interest Period," be extended to the next succeeding Business Day and interest shall continue to accrue during such extension. Each Borrower authorizes the Administrative Agent to deduct from any account of any Borrower maintained at the Administrative Agent or over which the Administrative Agent has control any amount payable under this Agreement, the Notes or any other Loan Document. The Administrative Agent's failure to deliver any bill, statement or invoice with respect to amounts due under this Section or under any Loan Document shall not affect the Borrowers' joint and several obligation to pay any installment of principal, interest or any other amount under this Agreement when due and payable.

(d) Net Payments. All payments made to the Banks by the Borrowers hereunder, under the Notes or under any other Loan Document will be made without set off, counterclaim or other defense. All such payments will be

-25-

made free and clear of, and without deduction or withholding for, any present or future taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any jurisdiction or any political subdivision or taxing authority thereof or therein (but excluding any tax imposed on or measured by the gross or net

## Edgar Filing: EPLUS INC - Form 8-K

income of a Bank (including all interest, penalties or similar liabilities related thereto) pursuant to the laws of the United States of America or any political subdivision thereof, or taxing authority of the United States of America or any political subdivision thereof, in which the principal office or applicable lending office of a Bank is located), and all interest, penalties or similar liabilities with respect thereto (collectively, together with any amounts payable pursuant to the next sentence, "Taxes"). If any Taxes are so levied or imposed, the Borrowers agree to pay the full amount of such Taxes, and such additional amounts as may be necessary so that every payment of all amounts due hereunder, under each Note or under any other Loan Document, after withholding or deduction for or on account of any Taxes, will not be less than the amount provided for herein or in such Note. The Borrowers will furnish to each Bank upon request certified copies of tax receipts evidencing such payment by the Borrowers. The Borrowers will indemnify and hold harmless each Bank, and reimburse each Bank upon its written request, for the amount of any Taxes so levied or imposed and paid or withheld by each Bank.

(e) Prepayment of LIBO Rate Loans. If any principal of a LIBO Rate Loan shall be repaid (whether upon prepayment, reduction of the Loan Commitment after acceleration or for any other reason) or converted to a Base Rate Loan prior to the last day of the Interest Period applicable to such LIBO Rate Loan or if the Borrowers fail for any reason to borrow a LIBO Rate Loan after giving irrevocable notice pursuant to ss. 2.3, the Borrowers shall pay to the Administrative Agent on behalf of the Banks, in addition to the principal and interest then to be paid, such additional amounts as may be necessary to compensate each Bank for all direct and indirect costs and losses (including losses resulting from redeployment of prepaid or unborrowed funds at rates lower than the cost of such funds to each Bank, and including lost profits incurred or sustained by each Bank) as a result of such repayment or failure to borrow (the "Additional Amount"). The Additional Amount (which each Bank shall take reasonable measures to minimize) shall be specified in a written notice or certificate delivered to the Borrowers by the Administrative Agent. Such notice or certificate shall contain a calculation in reasonable detail of the Additional Amount to be compensated and shall be conclusive as to the facts and the amounts stated therein, absent manifest error.

(f) Demand Deposit Account. The Borrowers shall maintain at least one demand deposit account with the Administrative Agent for purposes of this Agreement. Each Borrower authorizes the Administrative Agent (but the Administrative Agent shall not be obligated) to deposit into said account all amounts to be advanced to the Borrowers hereunder. Further, each Borrower authorizes the Administrative Agent (but the Administrative Agent shall not be obligated) to deduct from said account, or any other account maintained by the Borrowers at the Administrative Agent any amount payable hereunder on or after the date upon which it is due and payable. Such authorization shall include but not be limited to amounts payable with respect to principal, interest, fees and expenses.

-26-

### 2.11 Changes in Circumstances; Yield Protection.

(a) If any Regulatory Change or compliance by any Bank with any request made after the date of the 2001 Credit Agreement by the Board of Governors of the Federal Reserve System or by any Federal Reserve Bank or other central bank or fiscal, monetary or similar authority (in each case whether or not having the force of law) shall:

## Edgar Filing: EPLUS INC - Form 8-K

(i) impose, modify or make applicable any reserve, special deposit, Federal Deposit Insurance Corporation premium or similar requirement or imposition against assets held by, or deposits in or for the account of, or loans made by, or any other acquisition of funds for loans or advances by, any Bank;

(ii) impose on any Bank any other condition regarding its Note;

(iii) subject any Bank to, or cause the withdrawal or termination of any previously granted exemption with respect to, any tax (including any withholding tax but not including any income tax not currently causing such Bank to be subject to withholding) or any other levy, impost, duty, charge, fee or deduction on or from any payments due from any Borrower; or

(iv) change the basis of taxation of payments from any Borrower to such Bank (other than by reason of a change in the method of taxation of such Bank's net income);

and the result of any of the foregoing events is to increase the cost to any Bank of making or maintaining any Loan or to reduce the amount of principal, interest or fees to be received by any Bank hereunder in respect of any Loan, such Bank will immediately so notify the Administrative Agent and the Borrowers. If such Bank determines in good faith that the effects of the change resulting in such increased cost or reduced amount cannot reasonably be avoided or the cost thereof mitigated, then upon notice by such Bank to the Administrative Agent and the Borrowers, the Borrowers shall pay to such Bank on each interest payment date of the Loan, such additional amount as shall be necessary to compensate such Bank for such increased cost or reduced amount.

(b) If any Bank shall determine that any Regulation regarding capital adequacy or the adoption of any Regulation regarding capital adequacy, which Regulation is applicable to banks (or their holding companies) generally and a specific bank (or its holding company) specifically, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by such Bank (or its holding company) with any such request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has the effect of reducing the rate of return on such Bank's capital as a consequence of its obligations hereunder to a level below that which such Bank could have achieved but for such adoption, change or compliance (taking into consideration such Bank's policies with respect to capital adequacy) by an amount deemed by such Bank to be material, the Borrowers shall promptly pay

-27-

to such Bank, upon the demand of such Bank, such additional amount or amounts as will compensate such Bank for such reduction.

(c) If any Bank shall determine (which determination shall be, in the absence of fraud or manifest error, conclusive and binding upon all parties hereto) that by reason of abnormal circumstances affecting the interbank Eurodollar or applicable eurocurrency market, adequate and reasonable means do not exist for ascertaining the LIBO Rate to be applicable to the requested LIBO Rate Loan or that Eurodollar or eurocurrency funds in amounts sufficient to fund all the LIBO Rate Loans are not obtainable on reasonable terms, such Bank shall give notice of such inability or determination by telephone and thereupon the obligations of the Banks to

## Edgar Filing: EPLUS INC - Form 8-K

make, convert other Loans to, or renew such LIBO Rate Loan shall be excused, subject, however, to the right of the Borrowers at any time thereafter to submit another request.

(d) Determination by any Bank for purposes of this ss. 2.11 of the effect of any Regulatory Change or other change or circumstance referred to above on its costs of making or maintaining Loans or on amounts receivable by it in respect of the Loans and of the additional amounts required to compensate such Bank in respect of any additional costs, shall be made in good faith and shall be evidenced by a certificate, signed by an officer of such Bank and delivered to the Borrowers, as to the fact and amount of the increased cost incurred by or the reduced amount accruing to such Bank owing to such event or events. Such certificate shall be prepared in reasonable detail and shall be conclusive as to the facts and amounts stated therein, absent manifest error.

(e) Each Bank will notify the Borrowers of any event that will entitle such Bank to compensation pursuant to this Section as promptly as practicable after it obtains knowledge thereof and determines to request such compensation. Said notice shall be in writing, shall specify the applicable Section or Sections of this Agreement to which it relates and shall set forth the amount or amounts then payable pursuant to this Section. The Borrowers shall pay such Bank the amount shown as due on such notice within 30 days after its receipt of the same.

2.12 Illegality. Notwithstanding any other provision in this Agreement, if the adoption of any applicable Regulation, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, central bank, or comparable agency charged with the interpretation or administration thereof, or compliance by any Bank with any request or directive (whether or not having the force of law) of any such authority, central bank, or comparable agency shall make it unlawful or impossible for such Bank to (1) maintain its Loan Commitment, then upon notice to the Borrowers and the Administrative Agent by such Bank, the Loan Commitment shall terminate; or (2) maintain or fund its LIBO Rate Loans, then upon notice to the Borrowers of such event, the Borrowers' outstanding LIBO Rate Loans shall be converted into Base Rate Loans.

10.3 The Administrative Agent as a Bank. With respect to its Loan Commitment and the Loans and Swing Line Loans made and to be made by it, the Administrative Agent shall have the same rights and powers under this Agreement and all other Loan Documents as the other Banks and may exercise the same as if it were not the Administrative Agent. Each Bank also acknowledges that it will, independently or through other advisers and representatives but without reliance upon the Administrative Agent or any other Bank, and based upon such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or refraining from taking any action under this Agreement or any Loan Document.

-49-

10.5 Indemnification. The Banks agree to indemnify the Administrative Agent (to the extent not previously reimbursed by the Borrowers), ratably in proportion to each Bank's Commitment Percentage, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against the Administrative Agent in its capacity as Administrative Agent in any way relating to or arising out of this Agreement or any Loan Document or any action taken or omitted to be taken by the Administrative Agent in its capacity as Administrative Agent hereunder or under any Loan Document; provided that none of the Banks shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's gross negligence or willful misconduct. Without limiting the generality of the foregoing, each Bank agrees to reimburse the Administrative Agent, promptly on demand, for such Bank's ratable share (based upon the aforesaid apportionment) of any out-of-pocket expenses (including reasonable counsel fees and disbursements) incurred by the Administrative Agent in connection with the preparation, execution, administration or enforcement of, or the preservation of any rights under, this Agreement and the Loan Documents to the extent that the Administrative Agent is not reimbursed for such expenses by the Borrowers.

10.6 Successor Administrative Agent. The Administrative Agent may resign at any time by giving written notice of such resignation to the Banks and the Borrowers, such resignation to be effective only upon the appointment of a successor Administrative Agent as hereinafter provided. Upon any such notice of resignation, the Banks shall jointly appoint a successor Administrative Agent upon written notice to the Borrowers and the Administrative Agent. ## Edgar Filing: EPLUS INC - Form 8-K

jointly appointed by such Banks and shall have accepted such appointment within thirty (30) days after the Administrative Agent shall have given notice of resignation, the Administrative Agent may, upon notice to the Borrowers and the Banks, appoint a successor Administrative Agent. Upon its acceptance of any appointment as Administrative Agent hereunder, the successor Administrative Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the Administrative Agent, and the Administrative Agent shall be discharged from its duties and obligations as Administrative Agent under this Agreement and the Loan Documents. No failure or delay on the part of the Administrative Agent or any Bank or any holder of any Note in exercising any right, power or remedy under any Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy under any Loan Document. The remedies provided under the Loan Documents are cumulative and not exclusive of any remedies provided by law.

11.2 Amendments. No amendment, modification, termination or waiver of any Loan Document or any provision thereof nor any consent to any departure by the Borrowers therefrom shall be effective, except for the addition of an Additional Bank to this Agreement, unless the same shall have been approved in writing by the Required Banks, be in writing and be signed by the Administrative Agent, the Required Banks and the Borrowers, and then any such waiver or consent shall be effective only in the instance and for the specific purpose for which given, provided, however, that unanimous written consent of all of the Banks shall be required for: (a) any increase in the amount of the Aggregate Loan Commitment; (b) any reduction in principal, interest, or fees payable by the Borrowers under this Agreement; (c) any extension of the Credit Termination Date or the maturity date of any Loan; (d) any extension of the due date for payment of any principal, interest or fees to be collected on behalf of the Banks; (e) any release of all or substantially all of the Collateral; (f) any change in the definition of Required Banks and (g) any release of a Borrower or a guarantor of principal, interest, or fees payable by the Borrowers under this Agreement. (a) If any Bank, by exercising any right of set-off, counterclaim or foreclosure against trade collateral or otherwise, receives payment of principal or interest or other amount due on any Note which is greater than the percentage share of such Bank (determined as set forth below), the Bank

receiving such proportionately greater payment shall purchase such participations in the Loans held by the other Banks, and such other adjustments shall be made as may be required, so that all such payments shall be shared by the Banks on the basis of their percentage shares; provided that if all or any portion of such proportionately greater payment of such indebtedness is thereafter recovered from, or must otherwise be restored by, such purchasing Bank, the purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest being paid by such purchasing Bank. The percentage share of each Bank shall be based on the portion of the outstanding Loans of such Bank (prior to receiving any payment for which an adjustment must be made under this Section) in relation to the aggregate outstanding Loans of all the Banks. Each Borrower agrees, to the fullest extent may effectively do so under applicable law, that any holder of a participation in a Loan or reimbursement obligation, whether or not acquired pursuant to the foregoing arrangements, may exercise rights of set-off or counterclaim and other rights with respect to such participation as fully as if such holder of a participation were a direct creditor of any Borrower in the amount of such participation. If under any applicable bankruptcy, insolvency or other similar law, any Bank receives a secured claim in lieu of a set-off to which this Section would apply, such Bank shall, to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights of the Banks entitled under this Section to share in the benefits of any recovery on such secured claim.

(b) If an Event of Default or Potential Default shall have occurred and be continuing the Administrative Agent and each Bank and each Borrower agree that all payments on account of the Loans shall be applied by the Administrative Agent and the Banks as follows:

First, to the Administrative Agent for any Administrative Agent fees then due and payable under this Agreement until such fees are paid in full;

Second, to the Administrative Agent for any fees, costs or expenses (including expenses described in ss. 11.8) incurred by the Administrative Agent under any of the Loan Documents or this Agreement, then due and payable and not reimbursed by the Borrowers or the Banks until such fees, costs and expenses are paid in full;

Third, to the Banks for their percentage shares of the Commitment Fee then due and payable under this Agreement until such fee is paid in full;

Fourth, to the Banks for their respective shares of all costs, expenses and fees then due and payable from the Borrowers until such costs, expenses and fees are paid in full;

Fifth, to the Banks for their percentage shares of all interest then due and payable from the Borrowers until such interest is paid in full, which percentage shares shall be calculated by determining each Bank's percentage share of the amounts allocated in (a) above determined as set forth in said clause (a); and

Sixth, to the Banks for their percentage shares of the principal amount of the Loans then due and payable from the Borrowers until such principal is paid in full, which percentage shares shall be calculated by determining each Bank's percentage share of the amounts allocated

in (a) above determined as set forth in said clause (a).

11.8 Expenses; Indemnification. The Borrowers will from time to time reimburse the Administrative Agent promptly following demand for all reasonable out-of-pocket expenses (including the reasonable fees and expenses of legal counsel) in connection with (i) the preparation of the Loan Documents, (ii) the making of any Loans, and (iii) the administration of the Loan Documents, including but not limited to all amendments, waivers and advice concerning the Loan Documents. The Borrowers also will from time to time reimburse the Administrative Agent and each Bank for all out-of-pocket expenses (including the reasonable fees and expenses of legal counsel) in connection with the enforcement of the Loan Documents. In addition to the payment of the foregoing expenses, each Borrower hereby agrees to indemnify, protect and hold the Administrative Agent, each Bank and any holder of any Note and the officers, directors, employees, agents, affiliates and attorneys of the Administrative Agent, each Bank and such holder (collectively, the "Indemnitees") harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses and disbursements of any kind or nature, including reasonable fees and expenses of legal counsel, which may be imposed on, incurred by, or asserted against such Indemnitee by any Borrower or other third parties and arise out of or relate to this Agreement or the other Loan Documents or any other matter whatsoever related to the transactions contemplated by or referred to in this Agreement or the other Loan Documents; provided, however, that the Borrowers shall have no obligation to an Indemnitee hereunder to the extent that the liability incurred by such Indemnitee has been determined by a

-53-

court of competent jurisdiction to be the result of gross negligence or willful misconduct of such Indemnitee.

11.9 Survival of Warranties and Certain Agreements. All agreements, representations and warranties made or deemed made herein shall survive the execution and delivery of this Agreement, the making of the Loans hereunder and the execution and delivery of the Note. Notwithstanding anything in this Agreement or implied by law to the contrary, the agreements of the Borrowers set forth in ss.ss. 2.10(d), 2.10(e), 2.11 and 11.8 shall survive the payment of the Loans and the termination of this Agreement. This Agreement shall remain in full force and effect until the repayment in full of all amounts owed by the Borrowers under the Notes or any other Loan Document.

11.10 Severability. The invalidity, illegality or unenforceability in any jurisdiction of any provision in or obligation under this Agreement, the Notes or other Loan Documents shall not affect or impair the validity, legality or enforceability of the remaining provisions or obligations under this Agreement, the Notes or other Loan Documents or of such provision or obligation in any other jurisdiction.

11.11 Banks' Obligations Several; Independent Nature of Banks' Rights. The obligation of each Bank hereunder is several and not joint and no Bank shall be the agent of any other (except to the extent the Administrative Agent is authorized to act as such hereunder). No Bank shall be responsible for the obligation or commitment of any other Bank hereunder. In the event that any Bank at any time should fail to make a Loan as herein provided, the other Banks, or any of them as may then be agreed upon, at their sole option, may make the Loan that was to have been made by the Bank so failing to make such Loan. Nothing contained in any Loan Document and no action taken by the Administrative Agent or any Bank pursuant hereto or thereto

shall be deemed to constitute the Banks to be a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Bank shall be a separate and independent debt, and, subject to the terms of this Agreement, each Bank shall be entitled to protect and enforce its rights arising out of this Agreement and it shall not be necessary for any other Bank to be joined as an additional party in any proceeding for such purpose.

11.12 No Fiduciary Relationship. No provision in this Agreement or in any of the other Loan Documents and no course of dealing between the parties shall be deemed to create any fiduciary duty by any Bank to any Borrower.

11.13 CONSENT TO JURISDICTION AND SERVICE OF PROCESS. EACH BORROWER, THE ADMINISTRATIVE AGENT AND EACH BANK HEREBY CONSENTS TO THE JURISDICTION OF ANY STATE OR FEDERAL COURT LOCATED WITHIN THE EASTERN DISTRICT OF PENNSYLVANIA AND IRREVOCABLY AGREES THAT, ANY ACTIONS OR PROCEEDINGS ARISING OUT OF OR RELATING TO THE NOTE, THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS MAYBE LITIGATED IN SUCH COURTS. EACH PARTY TO THIS AGREEMENT ACCEPTS FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, GENERALLY AND UNCONDITIONALLY, THE NONEXCLUSIVE JURISDICTION OF THE AFORESAID COURTS AND WAIVES ANY DEFENSE OF FORUM NON CONVENIENT, AND IRREVOCABLY AGREES TO BE

-54-

BOUND BY ANY JUDGMENT RENDERED THEREBY IN CONNECTION WITH THIS AGREEMENT, ANY NOTE, OR SUCH OTHER LOAN DOCUMENT.

11.14 WAIVER OF JURY TRIAL. EACH BORROWER, THE ADMINISTRATIVE AGENT AND EACH BANK HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT, ANY OF THE LOAN DOCUMENTS, OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT AND THE LENDER/BORROWER RELATIONSHIP ESTABLISHED HEREBY. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH BORROWER, THE ADMINISTRATIVE AGENT AND EACH BANK ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO THE TRANSACTION, THAT EACH HAS ALREADY RELIED ON THE WAIVER IN ENTERING INTO THIS AGREEMENT AND THAT EACH WILL CONTINUE TO RELY ON THE WAIVER IN THEIR RELATED FUTURE DEALINGS. EACH BORROWER, THE ADMINISTRATIVE AGENT AND EACH BANK FURTHER WARRANTS AND REPRESENTS THAT EACH HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT EACH KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, AND THE WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS, MODIFICATIONS, REPLACEMENTS OR RESTATEMENTS TO THIS AGREEMENT, THE LOAN DOCUMENTS, OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

11.15 Counterparts; Effectiveness. This Agreement and any amendment hereto or waiver hereof may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement and any amendments hereto or waivers hereof shall become effective when the Administrative Agent shall have received signed counterparts or notice by fax of the signature page that the counterpart has been signed and is being delivered to it or facsimile that such counterparts have been signed by all the parties hereto or thereto.

11.16 Use of Defined Terms. All words used herein in the singular or plural shall be deemed to have been used in the plural or singular where the context or construction so requires. Any defined term used in the singular preceded by "any" shall be taken to indicate any number of the members of the relevant class.

11.17 Offsets. Nothing in this Agreement shall be deemed a waiver or prohibition of any Bank's right of banker's lien or offset.

11.18 Entire Agreement. This Agreement, the Notes issued hereunder and the other Loan Documents constitute the entire understanding of the parties

-55-

hereto as of the date hereof with respect to the subject matter hereof and thereof and supersede any prior agreements, written or oral, with respect hereto or thereto.

11.19 Rights of Banks. Subject to the provisions of Section 11.7 hereof, each of the Banks and their respective Affiliates, without having to account to the other Banks or any other Person, may accept other compensation from the Borrowers and their Affiliates and may accept deposits from, lend money to and generally engage in any kind of banking, trust or other business with the Borrowers and their Affiliates to the same extent and under the same circumstances as though the Loan Documents had not been entered into; provided, however, that no such transaction shall be, or cause any Borrower to be, in violation of any Loan Documents as at the time any such transaction shall take place.

11.20 2001 Credit Agreement. This Agreement shall be deemed to, and does hereby, amend and restate in its entirety the 2001 Credit Agreement. Simultaneous with the execution and delivery of this Agreement, the commitment of each bank party under the 2001 Credit Agreement is hereby modified to be as set forth in Exhibit B to this Agreement.
