NOTES TO FINANCIAL STATEMENTS  
DECEMBER 30, 2002 AND DECEMBER 31, 2001

1. DESCRIPTION OF PLAN

The following description of the Universal Outdoor, Inc. (the Company) Salary Reduction Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL -- The Plan is a defined contribution plan generally covering all eligible employees of the Company who have one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974.

Effective December 31, 1999, the Plan froze employer and employee contributions. Active participants were required to leave their assets in the Plan and allowed to contribute to a new account established under the participant's name in the Clear Channel Communications, Inc. 401(k) Savings Plan. All participants in the Plan became 100% vested in their account balance on the date the Plan was frozen.

Effective December 30, 2002, the Plan merged into the Clear Channel Communications, Inc. 401(k) Savings Plan.

CONTRIBUTIONS -- Effective December 31, 1999, the Plan froze new participation and employer and employee contributions. As a result, no contributions were made to the Plan for the period ended December 30, 2002.

Participants may reallocate their accounts among investment options offered by the Plan. The Plan previously offered ten registered investment funds and one sponsored stock fund in which participants may invest their funds.

PARTICIPANT ACCOUNTS -- Each participant's account is credited with an allocation of the Plan earnings and charged with an allocation of administrative expenses. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING -- All participants of the Plan became 100% vested as of December 31, 1999.

PARTICIPANT LOANS -- Participants may borrow \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a fixed rate determined by the Plan Sponsor.

PAYMENT OF BENEFITS -- On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a period not to exceed the joint life expectancy of the participant and his or her spouse. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

2. SUMMARY OF ACCOUNTING POLICIES

**BASIS OF ACCOUNTING** -- The financial statements of the Plan are prepared using the accrual method of accounting.

**INVESTMENT VALUATION AND INCOME RECOGNITION** -- The Plan's investments are stated at fair value. The Plan's investments in the common stock are reported at fair value based on quoted market prices. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Participant loans are valued at cost which approximates fair value.

**PAYMENTS OF BENEFITS** -- Benefits are recorded when paid.

**USE OF ESTIMATES** -- The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

3. PLAN INTEREST IN CLEAR CHANNEL COMMUNICATIONS, INC. - MASTER TRUST

Effective December 31, 1999, the Plan transferred all investments to the Clear Channel Communications, Inc. - Master Trust (Master Trust), which is held by Fidelity Management Trust Company (Trustee). The Master Trust was established for the investment of assets of the Plan and four other Clear Channel Communications, Inc. sponsored retirement plans. As such, certain previous investments were liquidated and redirected to other available investment options. The investments in the Master Trust consist primarily of registered investment companies and Company sponsored stock.

The purpose of the Master Trust is the collective investment of the assets of participating employee benefit plans of Clear Channel Communications, Inc. The Master Trust's assets are allocated among participating plans by assigning to each plan those transactions (primarily contributions and benefit payments) which can be specifically identified and allocating among all plans (in proportion to the fair value of the assets of each plan) the income and expenses resulting from the collective investment of the assets.

The proportionate interest of the Plan in the Master Trust at December 30, 2002 and December 31, 2001, was approximately 0% and 3.7%, respectively.
