Glass Lewis Recommends Vote FOR the Executive Compensation Advisory Proposal**

BURLINGAME, Calif., April 28, 2015. – AeroCentury Corp. (NYSE MKT: ACY), an independent aircraft leasing company, announced today that Glass Lewis & Co., LLC ("Glass Lewis"), a leading independent proxy advisory firm, has issued its comprehensive report recommending that the Company stockholders vote on the WHITE proxy card FOR AeroCentury's nominees, Thomas W. Orr and David P. Wilson, and reject the nomination by stockholder Lee G. Beaumont of himself for election to the Board of Directors. Glass Lewis concluded that Beaumont had failed to make a compelling case that the Board of Directors of the Company has "mismanaged or failed to properly oversee the Company's direction, or suffers from serious governance concerns." Glass Lewis also recommended that stockholders vote FOR the advisory proposal approving executive compensation.

"We are very pleased that Glass Lewis, one of the leading independent proxy advisory firms, agrees with the Company, and has recommended management's nominees over Beaumont after taking the time to carefully review the executive compensation arrangements and corporate governance issues that Beaumont has challenged and raised," said Neal D. Crispin, President and Chief Executive Officer.
