Item 2.02 Results of Operation and Financial Condition

YUM! BRANDS, INC. RELEASES ESTIMATED AUGUST AND THIRD-QUARTER  
SAME-STORE SALES FOR CHINA BUSINESS

Louisville, KY (September 6, 2013) - Yum! Brands, Inc. (NYSE: YUM) August same-store sales declined an estimated 10% for the China Division. This included an estimated decline of 12% at KFC and 5% growth at Pizza Hut Casual Dining.

KFC sales were negatively impacted by the residual effects of adverse publicity surrounding the December poultry supply incident. We expect China Division same-store sales will continue to improve, and expect to report positive same-store sales growth for the fourth quarter.

For the third quarter, same-store sales declined an estimated 11% for the China Division. This included an estimated decline of 14% at KFC and 4% growth at Pizza Hut Casual Dining. As a reminder, the third quarter for the China Division includes the months of June, July and August. We will release September same-store sales for our China Division in conjunction with Yum!'s third-quarter earnings release on Tuesday, October 8<sup>th</sup>, 2013, after market hours.

Yum!'s China Investor & Analyst Conference will be hosted on Monday, September 9<sup>th</sup> in Shanghai, China. The conference presentations will be posted to Yum!'s website at [www.yum.com](http://www.yum.com) under "Investors" on Monday, September 9<sup>th</sup>.

This announcement, any related announcements and the related webcast may contain "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. We intend all forward-looking statements to be covered by the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by the fact that they do not relate strictly to historical or current facts. Our forward-looking statements are subject to risks and uncertainties, which may cause actual results to differ materially from those projected. Factors that can cause our actual results to differ materially include, but are not limited to: food safety and food borne-illness issues; economic conditions, consumer preferences, adverse publicity, tax rates, the regulatory environment, increased competition and other risks in China, where a significant and growing portion of our restaurants are located; economic and political conditions in the other countries where we operate; the success of our international development strategy; commodity, labor and other operating costs; our ability to secure and maintain distribution and adequate supply to our restaurants; the continued viability and success of our franchise and license operators; publicity that may impact our business and/or industry; pending or future litigation and legal claims or proceedings; the impact or threat of any widespread illness or outbreaks of viruses or other diseases; consumer preferences and perceptions of our brands; the success of our refranchising strategy; significant changes in global economic conditions, including consumer spending, consumer confidence and unemployment; new and changing government regulations; our effective tax rates and disagreements with taxing authorities; our ability to protect the integrity and security of individually identifiable data of our customers and employees; competition within the retail food industry, including with respect to price and quality of food products, new product development, advertising levels and promotional initiatives, customer service, reputation, restaurant location, and attractiveness and maintenance of properties; and risks associated with the Little Sheep business. You

should consult our filings with the Securities and Exchange Commission (including the information set forth under the captions “Risk Factors” and “Forward-Looking Statements” in our Annual Report on Form 10-K) for additional

---

detail about factors that could affect our financial and other results. Forward-looking statements are based on current expectations and assumptions and currently available data and are neither predictions nor guarantees of future events or performance. You should not place undue reliance on forward-looking statements, which speak only as of the date hereof. We are not undertaking to update any of these statements.

Yum! Brands, Inc., based in Louisville, Kentucky, has over 39,000 restaurants in more than 130 countries and territories. Yum! is ranked #201 on the Fortune 500 List with revenues of over \$13 billion in 2012 and in 2013 was named among the top 100 Corporate Citizens by Corporate Responsibility Magazine. The Company's restaurant brands - KFC, Pizza Hut and Taco Bell - are the global leaders of the chicken, pizza and Mexican-style food categories. Outside the United States, the Yum! Brands system opened over five new restaurants per day, making it a leader in international retail development.
