Forward Looking Statements

Certain matters discussed in this press release constitute forward-looking statements within the meaning of the federal securities laws. Although we believe that the expectations reflected in such forward-looking statements are based upon reasonable assumptions, we can give no assurance that these expectations will be achieved. Factors that could cause actual results to differ materially from current expectations include changes in macro-economic conditions and the demand for retail space in Florida and Texas; the continuing financial success of our current and prospective tenants; continuing supply constraints in our geographic markets; the availability of properties for acquisition; the success of our efforts to lease up vacant properties; the effects of natural and other disasters; and other risks, which are described in our filings with the Securities and Exchange Commission.
