**Item 2.01 Completion of Acquisition or Disposition of Assets**

*Purchase of Bayside Distribution Center, Norcross facilities, C&L facilities and the Foothill Business Center*

We previously filed two Form 8-K's on November 8, 2004, dated November 3, 2004, and on December 8, 2004, dated December 3, 2004, with regard to the following acquisitions: i) Bayside Distribution Center located in San Francisco, California, ii) two distribution facilities located in Atlanta, Georgia (herein referred to as the "Norcross" facilities) and iii) two industrial facilities located in Fort Worth, Texas and Atlanta, Georgia (herein referred to as the "C&L" facilities). In addition, we filed a Form 8-K on December 14, 2004, dated December 9, 2004, with regard to the acquisition of Foothill Business Center located in Los Angeles, California. The aforementioned Form 8-K's were filed without the requisite financial information. Accordingly, we are filing this Form 8-K/A to include that financial information. Due to the non-related party nature of this transaction, only audited statements for the year ended December 31, 2003, are required. The Company is not aware of any material factors relating to the acquisitions, except as disclosed in the audited reports, which would cause the reported financial information not to be necessarily indicative of future operating results. Audited financial information is not being presented for C&L because these facilities were newly constructed and had no operating history in 2003. However, limited operating history for C&L is included in the requisite pro forma financial information.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Board of Directors and Stockholders  
Dividend Capital Trust Inc.

We have audited the accompanying statement of revenues and certain expenses of Bayside Distribution Center ("Bayside") for the year ended December 31, 2003. This financial statement is the responsibility of Bayside's management. Our responsibility is to express an opinion on the financial statement based upon our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and for inclusion in the Current Report on Form 8-K of Dividend Capital Trust Inc., as described in Note 1. The presentation is not intended to be a complete presentation of Bayside's revenues and expenses.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the revenues and certain expenses of Bayside Distribution Center for the year ended December 31, 2003, on the basis of accounting described in Note 1.

**Notes to Statements of Revenues and Certain Expenses  
(Information for September 30, 2004 is Unaudited)**

**Note 1 Description of Business and Summary of Significant Accounting Policies**

The accompanying statements of revenues and certain expenses reflect the operations of Bayside Distribution Center ("Bayside") for the nine months ended September 30, 2004 (unaudited) and for the year ended December 31, 2003. Bayside consists of two buildings located in Hayward, California comprising approximately 340,765 aggregate rentable square feet. As of December 31, 2003, Bayside had an occupancy percentage of 100%.

Bayside was acquired by Dividend Capital Trust Inc. ("the Company") from an unrelated party on November 3, 2004 for a total cost of approximately \$22.1 million (which includes an acquisition fee of \$218,000 paid to Dividend Capital Advisors LLC, an affiliate), which was paid using net proceeds from the Company's public offering.

The accounting records of Bayside are maintained on the accrual basis. The accompanying statements of revenues and certain expenses were prepared pursuant to Rule 3-14 of the Securities and Exchange Commission, and exclude certain expenses such as mortgage interest, depreciation and amortization, professional fees and other costs not directly related to future operations of Bayside.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. The results of operations can be significantly impacted by the rental market of the Hayward and San Francisco, California region.

**Interim Information (unaudited)**

In the opinion of management, the unaudited information as of September 30, 2004, included herein contains all the adjustments necessary, which are of a normal recurring nature, to present fairly the revenues and certain expenses for the nine months ended September 30, 2004. Results of interim periods are not necessarily indicative of results to be expected for the year. Management is not aware of any material factors that would cause the information included herein to not be indicative of future operating results.

**Note 2 Operating Leases**

Bayside's revenues are primarily obtained from tenant rental payments as provided for under non-cancelable operating leases. Bayside records rental revenues for the full term of the lease on a straight-line basis. In the case where the minimum rental payments increase over the life of the lease, Bayside records a receivable due from tenants for the difference between the amount of revenue recorded and the amount of cash received. This accounting treatment resulted in a (decrease) increase in rental revenue of \$(3,378) and \$33,868 for the nine months ended September 30, 2004, and the year ended December 31, 2003, respectively.

**Note 2 Operating Leases (continued)**

Future minimum lease payments due under these leases for the next five years, excluding tenant reimbursements of operating expenses, as of December 31, 2003, are as follows:

Year Ending December 31,	
2004	\$ 1,772,960
2005	1,689,854
2006	1,716,098
2007	1,488,959
2008	1,315,644
Thereafter	1,681,253
	\$ 9,664,768

Tenant reimbursements of operating expenses are included in other revenues in the accompanying statements of revenues and certain expenses.

The following table exhibits those tenants who accounted for greater than 10% of the rental revenues for the year ended December 31, 2003, and the corresponding percentage of the future minimum revenues above:

Tenant	Industry	Lease Expiration	Percentage of 2003 Revenues	Percentage of Future Minimum Revenues
A	Publisher of Graphic Arts	April 2009	40%	41%
B	Linen Rentals and Envelope Manufacturer	May 2007	25%	15%
C	Biomed Holding Company	May 2009	20%	18%
D	International Corporate Relocation Company	October 2013	15%	26%

The leases above contain tenant lease renewal options for various periods under various terms that may or may not be similar to the existing leases.

The accompanying statements of revenues and certain expenses reflect the operations of the Norcross facilities ("Norcross") for the nine months ended September 30, 2004 (unaudited) and for the year ended December 31, 2003. Norcross consists of two buildings located in Atlanta, Georgia comprising approximately 458,426 aggregate rentable square feet. As of December 31, 2003, Norcross had an occupancy percentage of 65%, which subsequently increased to 100% through the addition of a new tenant.

Norcross was acquired by Dividend Capital Trust Inc. ("the Company") from an unrelated party on November 5, 2004, for a total cost of approximately \$17.7 million (which includes an acquisition fee of approximately \$172,000 paid to Dividend Capital Advisors LLC, an affiliate), which was paid with proceeds from the issuance of debt and net proceeds from the Company's public offering

**Interim Information (unaudited)**

In the opinion of management, the unaudited information as of September 30, 2004, included herein contains all the adjustments necessary, which are of a normal recurring nature, to present fairly the revenues and certain expenses for the nine months ended September 30, 2004. Results of interim periods are not necessarily indicative of results to be expected for the year. Except for the rental rebates described below, management is not aware of any material factors that would cause the information included herein to not be indicative of future operating results.

**Note 2 Operating Leases**

Norcross' revenues are primarily obtained from tenant rental payments as provided for under non-cancelable operating leases. Norcross records rental revenues for the full term of the lease on a straight-line basis. In the case where the minimum rental payments increase over the life of the lease, Norcross records a receivable due from tenants for the difference between the amount of revenue recorded and the amount of cash received. This accounting treatment resulted in an increase (decrease) in rental revenues of \$272,191 and \$(47,844) for the periods ended September 30, 2004, and December 31, 2003, respectively.

Revenues are presented net of rental rebates of approximately \$10,000 per month which will not be an obligation of the Company in future periods.
