Fund (RFR), RMR Preferred Dividend Fund (RDR), RMR Asia Pacific Real Estate Fund (RAP), RMR Asia Real Estate Fund (RAF) and RMR Dividend Capture Fund (RCR), each a Massachusetts business trust (each a "fund", and collectively, the "funds"), of proxies to be voted at the annual meeting of shareholders of the funds to be held at 400 Centre Street, Newton, Massachusetts 02458 on Monday, April 7, 2008, at 9:30 a.m. (Eastern Daylight Savings Time) and at any and all adjournments or postponements thereof (for each fund, an "annual meeting" and collectively, the "annual meetings").

The following table indicates the proposals in respect of which votes are solicited by this joint proxy statement and the class of shares solicited for each proposal:

<b>Proposal</b>	<b>Description</b>	<b>Class of Shares Voting</b>
Proposal 1	To elect one trustee	Preferred shares and common shares of the applicable fund, voting together as a single class, with respect to RMR, RHR, RFR and RDR; and common shares of the applicable fund with respect to RAP, RAF and RCR.

This joint proxy statement and the enclosed proxy cards are being first sent to shareholders on or about February 22, 2008. Each fund will furnish, without charge, a copy of its most recent annual report and the most recent semi-annual report succeeding the annual report, if any, to any shareholder upon request. annual meetings and any postponement or adjournment thereof. As of the record date, each fund had the following outstanding shares:

Fund	AMEX Symbol	Number of Common Shares	Series and Number of Preferred Shares
RMR Real Estate Fund	RMR	6,824,000	Series T: 2,000
RMR Hospitality and Real Estate Fund	RHR	2,485,000	Series Th: 1,120
RMR F.I.R.E. Fund	RFR	1,484,000	Series W: 640

RMR Asia Pacific Real Estate Fund	RAP	1,755,000	None
RMR Asia Real Estate Fund	RAF	4,755,000	None
RMR Dividend Capture Fund	RCR	1,255,000	None(1)

The common shares of each Fund are listed for trading on the American Stock Exchange, or AMEX. The preferred shares of each fund are not listed for trading on any national securities exchange.

(1)

On February 6, 2008, the pricing committee of RCR's board of trustees designated a new series of RCR preferred shares as Series F and authorized 400 shares of that new series. On February 6, 2008, RCR issued all its currently authorized Series 400 preferred shares. As that date of issuance was after the February 1, 2008 record date for the annual meeting for RCR, RCR preferred shareholders will not be entitled to vote at the annual meeting for RCR.

The principal executive offices of the funds are located at 400 Centre Street, Newton, Massachusetts 02458.

A quorum of shareholders is required to take action at each annual meeting. Thirty three and one third percent (33<sup>1</sup>/<sub>3</sub>%) of the shares of a fund entitled to vote on a particular matter at that fund's annual meeting, represented in person or by proxy, will constitute a quorum for voting on that particular matter. Common shares and preferred shares, if any, of a fund represented by valid proxies or in person will count for the purpose of determining the presence of a quorum for that fund's annual meeting. Votes cast by proxy or in person at each annual meeting will be tabulated by the inspector of election appointed for that annual meeting.

Broker non-votes are shares held in street name for which instructions on a particular proposal have not been received from the beneficial owners or other persons entitled to vote and for which the broker does not have discretionary voting authority. There will be no broker non-votes with respect to proposal 1 as brokers will have discretionary authority to vote on that proposal.

Shares represented by proxies which are marked "WITHHOLD" with regard to proposal 1 will be counted as shares present for purposes of determining whether a quorum is present at that fund's annual meeting but will have no effect on the outcome of the vote on proposal 1.

Failure of a quorum to be present at any annual meeting will necessitate adjournment of that meeting and will subject that fund to additional expense. An adjournment of an annual meeting will require the affirmative vote of a majority of the shares of that fund present in person or represented by proxy at the meeting.

The holders of the outstanding common and preferred shares, if any, of each fund are entitled to one vote per share with respect to proposals of that fund upon which such holders are entitled to vote.

Approval of proposal 1 for RMR, RHR, RFR, RDR, RAP and RAF requires the affirmative vote of a plurality of the respective fund's shares voting on such proposal.

Approval of proposal 1 for RCR requires the affirmative vote of a majority of the votes cast at the annual meeting for RCR on such proposal.

## Edgar Filing: RMR DIVIDEND CAPTURE FUND - Form DEF 14A

The individuals named as proxies on the enclosed proxy cards will vote in accordance with your directions with respect to a fund as indicated thereon if your proxy is received properly executed. If you properly execute your proxy card and give no voting instructions, your shares will be voted FOR proposal 1 to the extent that your shares are entitled to be voted on the proposal. If other matters properly come before the annual meetings or any postponement or adjournment thereof and if discretionary authority to vote with respect thereto has been conferred by the applicable enclosed proxy, the persons named in the proxy will vote the proxy in accordance with their discretion on those matters.

Any proxies may be revoked at any time before they are voted at a fund's annual meeting by timely filing with that fund a written notice of revocation, by timely delivering to that fund a duly executed proxy bearing a later date or by attending that fund's annual meeting and voting in person. If you hold shares in the name of a brokerage firm, bank, nominee or other institution, you must provide a legal proxy from that institution in order to vote your shares at the meeting.

**IMPORTANT: If your shares are held in "street name" through a brokerage firm, bank, nominee or other institution, please contact the person responsible for your account and give instructions on how to vote your shares.**

**If you have any questions or need assistance in voting your shares, please call the firm assisting the funds in the solicitation of proxies:**

### INFORMATION RELATING TO TRUSTEES.

Each fund's board is divided into three classes. For each fund, there is one trustee (Mr. Harrington) in class I whose current term expires in 2008 and who is being proposed for re-election. For each fund, there are two trustees in class II (Messrs. Bailey and Martin) whose current terms expire in 2009. For each fund, there are two trustees in class III (Messrs. Portnoy and Koumantzelis) whose current terms expire in 2010. Trustees in each class of a fund are elected and hold office for a term expiring at the fund's annual meeting held in the third year following the year of their election, with each trustee holding office until the expiration of the term of the relevant class and the election and qualification of his or her successor, or until he or she sooner dies, resigns, retires, or is disqualified or removed from office. Pursuant to the Investment Company Act of 1940, as amended, or the "1940 Act", and the organizational documents of each of RMR, RHR, RFR, RDR and RCR, generally holders of preferred shares of RMR, RHR, RFR, RDR and RCR, voting separately as a single class, elect two trustees (Messrs. Portnoy and Martin presently represent the holders of each of those fund's preferred shares) to the applicable fund, and the remaining trustees of those funds are elected by the applicable holders of the common shares and preferred shares of RMR, RHR, RFR, RDR and RCR, voting together as a single class. The applicable holders of common shares of RAP and RAF elect all of the trustees to those funds.

A majority of the trustees of each fund's board are not "interested persons" within the meaning of the 1940 Act. Messrs. Harrington, Bailey and Koumantzelis are not "interested persons" of any of the funds within the meaning of the 1940 Act, and are sometimes referred to herein as "disinterested trustees".

## Edgar Filing: RMR DIVIDEND CAPTURE FUND - Form DEF 14A

The board of each fund has determined that a majority of the trustees of its fund's board are independent trustees pursuant to the corporate governance standards for companies listed on the AMEX. In determining independence pursuant to AMEX standards, each year each fund's board affirmatively determines whether trustees have a direct or indirect material relationship with that fund or its affiliates. When assessing a trustee's relationship with a fund or its affiliates, each board considers all relevant facts and circumstances, not merely from the trustee's standpoint but also from that of the persons or organizations with which the trustee has an affiliation. Material relationships can include commercial, banking, consulting, legal, accounting, charitable and familial relationships. The board of each fund has determined that, with respect to its fund, Messrs. Harrington, Bailey and Koumantzelis currently qualify as independent under AMEX rules. Additional information regarding the nominee and trustees is included in this joint proxy statement under the heading "Information Regarding Nominee and Trustees of the Funds".

**Proposal 1: Election of one trustee in class I of each fund's board of trustees by holders of common shares and preferred shares of the applicable fund, voting together as a single class, with respect to each of RMR, RHR, RFR and RDR, and by holders of common shares of the applicable fund with respect to each of RAP, RAF and RCR.**

### ELECTION OF TRUSTEE

In proposal 1, holders of common shares and preferred shares of each of RMR, RHR, RFR and RDR, voting together as a single class, and holders of common shares of each of RAP, RAF and RCR, respectively, are being asked to elect Mr. Harrington as a class I trustee of their fund when his term as a class I trustee of their fund expires in 2008.

In making their recommendation below, the nominating committee of each fund considered Mr. Harrington's qualifications for service on the board of the applicable fund. The nominating committees considered the quality of his past services to the fund, his business and personal experience and reputation for integrity, intelligence, sound judgment and ability to understand complex financial issues and to make meaningful inquiries; his willingness and ability to devote sufficient time to board business; his familiarity with the responsibilities of service on the board of a publicly owned company; his status as a person who would qualify as an independent trustee; and other matters that the nominating committees deemed appropriate. Mr. Harrington has been designated as a class I trustee by the board of each respective fund and is the nominee of the nominating committees of each of RMR, RHR, RFR and RDR for election by common shareholders and preferred shareholders of the applicable funds, and the nominating committees of each of RAP, RAF and RCR for election by the common shareholders of the applicable funds, at the respective fund's annual meeting to serve until the respective fund's 2011 annual meeting, and to hold office until the expiration of the term of the class I trustee and the election and qualification of his successor, or until he sooner dies, resigns, retires, or is disqualified or removed from office.

It is the intention of the persons named in the enclosed proxies to vote the shares represented thereby FOR the election of Mr. Harrington, unless a proxy is marked otherwise. Mr. Harrington has agreed to serve as trustee of each fund if elected. However, if Mr. Harrington becomes unable or unwilling to accept nomination for election to the board of any fund, the proxies will be voted for a substitute nominee designated by that fund's board or nominating committee. The boards have no reason to believe that Mr. Harrington will be unable to serve.

**EACH BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF MR. HARRINGTON.**

**SOLICITATION OF PROXIES**

The funds will bear the cost of the solicitation of proxies, including the preparation, printing and mailing of proxy materials. In addition to the solicitation of proxies by mail, the funds' trustees, officers and other employees may solicit proxies by personal interview, telephone, facsimile, email or otherwise. They will not be paid any additional compensation for such solicitation. The funds will request banks, brokers and other custodians, nominees and fiduciaries to forward proxy materials to the beneficial owners of the shares of the funds and obtain their voting instructions. The funds will reimburse those firms for their expenses. In addition, the funds have retained Innisfree M&A Incorporated ("Innisfree") to assist in the solicitation of proxies for a fee not to exceed \$37,000 plus reimbursement for out of pocket expenses. The funds have agreed to indemnify Innisfree against certain liabilities arising out of the funds' agreement with Innisfree.

**INFORMATION REGARDING NOMINEE AND TRUSTEES OF THE FUNDS**

Certain information concerning the nominee and trustees of the funds is set forth below. The nominee for each fund is currently a trustee of those funds. Each fund is a closed end registered investment management company advised by RMR Advisors, Inc. ("RMR Advisors"). MacarthurCook Investment Managers Limited serves as a subadvisor to RAP and RAF. The "interested persons" (as defined by Section 2(a)(19) of the 1940 Act) who are trustees of the funds are noted as "interested trustees". Unless otherwise specified, the business address of the nominee and trustees of the funds, and of RMR Advisors, is 400 Centre Street, Newton, Massachusetts 02458. The business address of MacarthurCook Investment Managers Limited is Level 4, 30 Collins Street, Melbourne, Victoria 3000, Australia.

During 2007, the boards of RMR, RHR, RFR, RDR and RAP each held eight meetings, and the board of RAF held four meetings. The board of RCR held one meeting in 2007. RAF and RCR commenced operations in May 2007 and December 2007, respectively. No trustee attended less than 75% of the meetings of any fund's board or board committee on which he served. All members of the board of a fund are encouraged, but not required, to attend that fund's annual meeting of shareholders. All members of the board of each of RMR, RHR, RFR, RDR and RAP attended that fund's annual meeting of shareholders held in 2007. Neither RAF nor RCR held an annual meeting of shareholders in 2007 as RAF and RCR each had only a partial year of operations in 2007.

**COMPENSATION OF TRUSTEES**

Trustees who are "interested persons", as defined by the 1940 Act, receive no compensation for services as a trustee from any fund. The following table sets forth the compensation of the disinterested trustees from each of the funds for service to the funds for the fiscal year ended December 31, 2007.

	<u>RMR</u>	<u>RHR</u>	<u>RFR</u>	<u>RDR</u>
Frank J. Bailey	\$ 7,350	\$ 28,350	\$ 7,350	\$ 7,350
John L. Harrington	\$ 7,000	\$ 10,500	\$ 7,000	\$ 7,000
Arthur G. Koumantzelis	\$ 7,000	\$ 10,500	\$ 7,000	\$ 7,000
				<b>Total compensation from the fund complex#</b>
	<u>RAP</u>	<u>RAF</u>		
Frank J. Bailey	\$ 7,350	\$ 5,600		\$ 63,350
John L. Harrington	\$ 7,000	\$ 5,250		\$ 43,750
Arthur G. Koumantzelis	\$ 7,000	\$ 5,250		\$ 43,750

#

The amounts in this column represent the aggregate compensation paid by the RMR Funds to each disinterested trustee of each of the funds. RCR did not commence operations until December 2007 and did not pay any compensation to the disinterested trustees for the fiscal year ended December 31, 2007. As of January 31, 2008, RAF and RCR have not paid any fees to any of the

## Edgar Filing: RMR DIVIDEND CAPTURE FUND - Form DEF 14A

disinterested trustees for service to those funds in 2008. RAF and RCR expect to make future payments to each of the disinterested trustees in the amounts set forth below. Compensation from RMR Real Estate Securities Fund (a series of RMR Funds Series Trust), which is part of the same fund complex as each of the funds and which together comprise the RMR Funds, is not included in this column because RMR Real Estate Securities Fund did not commence operations until January 2008.

The differences in compensation paid to the disinterested trustees from each of RMR, RHR, RFR, RDR, RAP, RAF and RCR are a reflection of two factors. First, RAF and RCR each had only a partial year of operation in 2007. Second, additional meetings were held in 2007 by the disinterested trustees of RHR comprising the special committee of the RHR board which was established by the RHR board in connection with RHR's litigation with its shareholder Bulldog Investors General Partnership, a hedge fund controlled by Mr. Phillip Goldstein and various affiliated entities and persons. This litigation relates to the enforceability of the provision in RHR's declaration of trust that restricts any one person or group of persons from owning more than 9.8% of RHR's shares. Additional information regarding this litigation is included in this joint proxy statement under the heading "Security Ownership of Certain Beneficial Owners".

Until changed by a vote of the respective fund's boards, the compensation payable to each disinterested trustee by each fund in the fund complex is as follows:

<b>Timing and Description</b>	<b>Amount</b>
At the first meeting of the board of trustees following the annual meeting of shareholders, an annual retainer	\$ 3,500
For each meeting of the board of trustees or a board committee which is attended, an attendance fee*	\$ 350

RMR Real Estate Securities Fund, which is part of the same fund complex as each of the funds and which together comprise the RMR funds, will pay its disinterested trustees an annual retainer of \$3,500 but will not hold annual meetings of shareholders.

\*

Only one attendance fee is payable if more than one meeting for a fund is held on the same day.

In addition to the compensation paid to disinterested trustees, each fund in the fund complex reimburses all its trustees for expenses incurred in connection with their duties as trustees.

### COMMUNICATIONS WITH TRUSTEES

Any shareholder of a fund or other interested party of a fund who desires to communicate with the fund's trustees, individually or as a group, may do so by visiting the website of the funds ([www.rmrfunds.com](http://www.rmrfunds.com)), by calling the fund's toll free confidential message system at (866) 511-5038, or by writing to the party for whom the communication is intended, in care of the Chief Compliance Officer and Director of Internal Audit, RMR Funds, 400 Centre Street, Newton, MA 02458. The Chief Compliance Officer and Director of Internal Audit will deliver communications to the appropriate persons.

### BOARD COMMITTEES

Each fund has an audit committee, a compensation committee and a nominating committee. Each board has adopted charters for each of these committees with respect to its fund. A copy of the respective charters of the audit committees, compensation committees and nominating committees are available on the funds' website at [www.rmrfunds.com](http://www.rmrfunds.com). Each of these board committees is comprised of Messrs. Harrington, Bailey and Koumantzelis, the disinterested trustees, who are independent under applicable AMEX listing standards.

## Edgar Filing: RMR DIVIDEND CAPTURE FUND - Form DEF 14A

The primary function of each audit committee is to assist its board's oversight of matters relating to: integrity of financial statements; legal and regulatory compliance; qualifications, independence, performance and fees of independent accountants; accounting, financial reporting and internal control processes; and the appointment, duties and compensation of internal audit personnel. Each audit committee is directly responsible for the selection of independent accountants. Each board determined that Mr. Koumantzelis is "independent" as defined by the rules of the Securities and Exchange Commission, or SEC, and the AMEX, and based upon his education and experience, possessed the requisite qualifications for designation, and so designated him as each fund's audit committee financial expert. During 2007, the audit committees of RMR, RHR, RFR, RDR and RAP each held four meetings. The RAF audit committee held three meetings in 2007. The audit committee of RCR held one meeting in 2007. RAF and RCR commenced operations in May 2007 and December 2007, respectively.

The primary function of each compensation committee is to determine and review the fees paid by its fund to its trustees and to recommend to its fund's board the compensation payable to the Chief Compliance Officer and Director of Internal Audit of the fund. In 2007, the compensation committees of RMR, RHR, RFR, RDR, RAP and RAF each held two meetings. The compensation committee of RCR held one meeting in 2007.

The primary function of each fund's nominating committee is to (i) identify individuals qualified to become trustees and select, or recommend that the board selects, disinterested trustee nominees for each annual meeting of the fund's shareholders or when vacancies occur and (ii) consider nominations of persons for election to the board by its fund's shareholders. During 2007, the nominating committees of RMR, RFR, RDR and RAP each held two meetings. The RHR nominating committee held one meeting in 2007. The nominating committees of RAF and RCR did not hold any meetings in 2007.

### SHAREHOLDER NOMINATIONS AND PROPOSALS

Each fund's declaration of trust requires compliance with certain procedures for a fund shareholder to properly make a nomination for election to the board or to propose other business for the fund. If a shareholder who is entitled to do so under a fund's declaration of trust wishes to nominate a person or persons for election to the board or propose other business for the fund, that shareholder must provide a written notice to the fund's Secretary at 400 Centre Street, Newton, MA 02458. The notice must set forth specified information about the nominee, the shareholder making the nomination and associates of that shareholder, and provide to the extent known by the shareholder giving the notice, the name and address of any other shareholder supporting the shareholder's nomination or proposal. In addition, at the same time as or prior to the submission of a shareholder proposal of business at a meeting of the fund's shareholders that, if approved and implemented by the fund, would cause the fund to be in breach of any covenant in any existing or proposed debt instrument of the fund or agreement of the fund with any lender or if approved cannot be implemented by the fund without obtaining the consent or approval of a regulatory body, the shareholder must submit to the fund's secretary (i) evidence satisfactory to the board of the lender's willingness to waive the breach of covenant or that the required regulatory notices, consents or approvals have been given or obtained, as applicable, or (ii) a plan for repayment of the applicable indebtedness and related amounts or a plan to make the requisite notices or obtain the requisite consents or approvals, as applicable, and in each case to the board's satisfaction. If the notice pertains to a nomination, the notice must include a written consent to being named in the proxy statement as a nominee and to serving as a trustee if elected.

To be timely, the notice must be delivered to the fund's Secretary not later than the close of business on the 90th day nor earlier than the 120th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting of shareholders of the fund. If the date of mailing of the notice for the annual meeting is advanced or delayed by more than 30 days from the

anniversary date of the date of mailing of the notice for the preceding year's annual meeting of shareholders of the fund, notice by the shareholder must be delivered not earlier than the 120th day prior to the date of mailing of the notice for such annual meeting and not later than the close of business on the later of: (i) the 90th day prior to the date of mailing of the notice for such annual meeting or (ii) the 10th day following the day on which public announcement of the date of mailing of the notice for such meeting is first made by the fund. No shareholder may give notice to nominate or propose other business to the fund's secretary unless the shareholder holds a certificate for all fund shares owned by the shareholder, and a copy of each certificate held by the shareholder must accompany the shareholder's notice in order for the notice to be effective.

The foregoing description of the procedures for a fund shareholder to properly make a nomination for election to the board or to propose other business for the fund is only a summary and is not complete. Copies of each fund's declaration of trust, including the provisions which concern the requirements for shareholder nominations and proposals, may be obtained by writing to the fund's Secretary at 400 Centre Street, Newton, MA 02458. Any shareholder of a fund considering making a nomination or other proposal should carefully review and comply with those provisions of the fund's declaration of trust.

Shareholder proposals intended to be presented pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), at a fund's 2009 annual meeting of shareholders must be received at the fund's principal executive offices on or before October 25, 2008, in order to be considered for inclusion in the fund's proxy statement for its 2009 annual meeting of shareholders. The fund's declaration of trust requires that shareholder nominations and proposals made outside of Rule 14a-8 under the Exchange Act must be submitted, in accordance with the requirements of the fund's declaration of trust, not later than November 24, 2008 (which is also the date, after which, shareholder nominations and proposals made outside of Rule 14a-8 under the Exchange Act would be considered "untimely" within the meaning of Rule 14a-4(c) under the Exchange Act) and not earlier than October 25, 2008.

#### **SELECTION OF CANDIDATES FOR TRUSTEES**

The nominating committee of each fund selects, or recommends that the board selects, disinterested trustees to be elected by the fund's shareholders. The board nominates any individuals not considered to be disinterested persons (as determined under the 1940 Act) to be elected by shareholders as trustees. The nominating committee of each fund also selects, or recommends that the board selects, disinterested trustees to fill vacancies which may occur from time to time, and the board may also elect trustees not considered to be disinterested persons (as determined under the 1940 Act) to fill vacancies which may occur from time to time. In all instances where the nominating committee does not select and nominate trustees, each board will act upon recommendations made by its nominating committee.

A purpose of each fund's nominating committee is to consider candidates for election as trustees who are recommended by shareholders. To be considered by the fund's nominating committee, a shareholder nomination must be made in accordance with the provisions of the fund's declaration of trust, including the procedures referred to above under the heading "Shareholder Nominations and Proposals".

The nominating committee may request additional information about the shareholder nominee or about a recommending shareholder.

In considering candidates to serve as trustees, the nominating committee seeks individuals who have qualities which the committee believes may be effective in serving the fund's long term best interests. Among the characteristics which the nominating committee considers are the following: the quality of the candidate's past services to the fund, if any; the business and personal experience of the

candidate and their relevance to the fund's business; the reputation of the candidate for integrity; the reputation of the candidate for intelligence, sound judgment and the ability to understand complex financial issues and to make meaningful inquiries; the willingness and ability of the candidate to devote sufficient time to board business; the familiarity of the candidate with the responsibilities of service on the board of a publicly owned company; whether the candidate would be an independent trustee if elected as a trustee; and other matters that the nominating committee deems appropriate. In seeking candidates for trustee who have not previously served as a trustee of the fund, the nominating committee may use the business, professional and personal contacts of its members, it may accept recommendations from other trustees, and, if it considers it appropriate, it may engage a professional search firm. In 2007, none of the funds paid any third party to identify or to assist in the evaluation of any candidate for election to the board.

Shareholder recommendations which meet the requirements set forth above will be considered using the same criteria as other candidates considered by a nominating committee.

## Edgar Filing: RMR DIVIDEND CAPTURE FUND - Form DEF 14A

In addition to shares of RAP and RCR held personally by Mr. Adam D. Portnoy, RMR Advisors, of which he is President and a shareholder, owns 5,333 shares of RAP and 5,000 shares of RCR. Share amounts listed as beneficially owned by RMR Advisors do not include fractional share amounts. Mr. Portnoy disclaims beneficial ownership of those shares held by RMR Advisors, except to the extent that he may have a pecuniary interest therein.

RHR is currently involved in litigation with its shareholder Bulldog Investors General Partnership, a hedge fund controlled by Mr. Phillip Goldstein, and various affiliated entities and persons. Among other matters, this litigation relates to the enforceability of the provision in RHR's declaration of trust that restricts any one person or group of persons from owning more than 9.8% of RHR's shares. Pursuant to RHR's declaration of trust, shares owned in excess of the ownership limitation are subject to transfer to a charitable trust, and the charitable trust acquires certain rights with respect to those excess shares. Based on the Schedule 13D and amendments to Schedule 13D filed with the SEC by Bulldog Investors General Partnership with respect to RHR, Bulldog Investors General Partnership claimed to have beneficial ownership of at least 124,870 RHR common shares in excess of the ownership limitation as of the record date, December 11, 2006, for RHR's 2007 annual meeting of shareholders, which was held on March 8, 2007. On December 6, 2006, pursuant to RHR's declaration of trust, RHR appointed Adrian Overstreet as charitable trustee of the charitable trust with respect to the RHR shares Bulldog Investors General Partnership claimed to beneficially own in excess of the ownership limitation. Pursuant to RHR's declaration of trust, the charitable trustee voted those 124,870 excess RHR common shares at RHR's 2007 annual meeting of shareholders. Subsequent to the record date for the RHR 2007 annual meeting of shareholders, on February 5, 2007, Bulldog Investors General Partnership filed an Amendment No. 4 to Schedule 13D with the SEC on behalf of Bulldog Investors General Partnership with respect to RHR. In that filing, Bulldog Investors General Partnership reported that it had sold 125,000 RHR common shares on February 2, 2007, which exceeded the 124,870 RHR common shares Bulldog Investors General Partnership previously reported beneficially owning in excess of the ownership limitation. As there were not any additional RHR shareholder record dates from December 11, 2006 through February 2, 2007, as of immediately following RHR's 2007 annual meeting of shareholders, the charitable trustee ceased to have any voting power over any of the shares reported by Bulldog Investors General Partnership as being sold by it on February 2, 2007. As the charitable trustee does not possess any voting or dispositive power over any of those sold RHR common shares, it does not beneficially own those shares within the meaning of Rule 13d-3 under the Exchange Act. RHR understands that Samuels Asset Management Inc. and certain of its affiliates (collectively, the "Samuels Group") may beneficially own RHR common shares and RHR believes that the Samuels Group may be affiliated or act as a member of a group with Bulldog Investors General Partnership and its affiliates but that RHR common shares beneficially owned by the Samuels Group may not be included in the number of RHR common shares claimed to be beneficially owned by Bulldog Investors General Partnership in its Schedule 13D and amendments to Schedule 13D filings with the SEC with respect to RHR. The number of RHR common shares beneficially owned by the charitable trustee within the meaning of Rule 13d-3 under the Exchange Act is, therefore, uncertain but in any event is not known by RHR to exceed five percent of RHR's outstanding common shares.

### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that fund trustees, executive officers, and persons who own more than 10% of a registered class of a fund's equity securities, as well as the funds' investment advisors and their officers and directors, file reports of ownership and changes in ownership of securities with the SEC and AMEX. A fund's executive officers, trustees, and greater than 10% shareholders, as well as the funds' investment advisors and their officers and directors, are required to furnish the fund with copies of all forms they file pursuant to Section 16(a). Based solely on review of the copies of these reports furnished or written representations that no such reports were required, each fund believes that, during 2007, except as discussed below, all filing requirements applicable to its executive officers, trustees, and greater than 10% shareholders, as well as RMR Advisors and its officers and directors (and with respect to RAP and RAF, their subadvisor and the subadvisor's officers and directors), were timely met.

RHR has not received any reports filed pursuant to Section 16(a) of the Exchange Act by Bulldog Investors General Partnership or Mr. Phillip Goldstein, nor has Bulldog Investors General Partnership or Mr. Goldstein represented to RHR that no such reports were required. Also, the information in public filings made by Bulldog Investors General Partnership appears to contradict information in letters RHR has received from Mr. Goldstein and Bulldog Investors General Partnership. RHR is not aware of any basis for Bulldog Investors General Partnership or Mr. Goldstein to have been exempted from the requirement to file reports pursuant to Section 16(a) of the Exchange Act or from the requirement to provide copies of such reports to RHR. Accordingly, RHR believes that Bulldog Investors General Partnership and Mr. Goldstein have violated the requirements under Section 16(a) of the Exchange Act.

State Street Bank and Trust Company, located at Two Avenue de Lafayette, Boston, Massachusetts 02111, is each fund's sub-administrator. MacarthurCook Investment Managers Limited serves as a subadvisor to RAP and RAF and its business address is Level 4, 30 Collins Street, Melbourne, Victoria 3000, Australia.

## Edgar Filing: RMR DIVIDEND CAPTURE FUND - Form DEF 14A

The fund advisory agreements with RMR Advisors were initially approved by the shareholders of RMR, RHR, RFR, RDR, RAP, RAF and RCR in 2003, 2004, 2004, 2005, 2006, 2007 and 2007, respectively. On October 11, 2007, the trustees of each of RMR, RHR, RFR, RDR and RAP approved the continuation of the investment advisory agreement with RMR Advisors and the continuation of the administration agreement with RMR Advisors. The trustees of RAF and RCR approved each fund's investment advisory agreement with RMR Advisors and each fund's administration agreement with RMR Advisors for a two year period on February 12, 2007 and July 12, 2007, respectively. Each advisory agreement calls for fees to RMR Advisors equal to an annual percentage of each fund's managed assets of 0.85% for each of RMR, RHR, RFR and RDR and 1.00% for each of RAP, RAF and RCR. As of December 31, 2007, the managed assets of RMR, RHR, RFR, RDR, RAP, RAF and RCR were approximately \$137 million, \$69 million, \$38 million, \$50 million, \$36 million \$86 million and \$23 million, respectively. A fund's managed assets are equal to the net asset value of that fund's common shares plus the liquidation preference of that fund's preferred shares and the principal amount of that fund's borrowings outstanding, if any. For the first five years following the closing of RMR's, RHR's, RFR's, RAP's, RAF's and RDR's first public offering of common shares, RMR Advisors has contractually agreed to waive fees equal to an annual percentage of 0.25% of the managed assets of RMR, RHR, RFR, RAP and RAF, and 0.55% of RDR's managed assets. During 2007, advisory fees, net of contractual waivers, were \$1,028,910, \$513,427, \$308,006, \$190,255, \$343,016, \$387,533 and \$7,853 for RMR, RHR, RFR, RDR, RAP, RAF and RCR, respectively. Neither RMR Advisors nor any of its affiliated companies receive compensation from any of the funds other than pursuant to the advisory fees described herein and each fund's administration agreement.

The trustees of each of RAP and RAF approved the investment subadvisory agreement among its respective fund, RMR Advisors and its respective fund's subadvisor on October 11, 2007 and May 23, 2007, respectively. RAP and RAF do not pay their subadvisor for services under their respective investment subadvisory agreements, but RMR Advisors pays the subadvisor monthly fees equal to an annual rate of 0.375% of each of RAP's and RAF's average daily managed assets. However, the fees payable by RMR Advisors to the subadvisor will be equal to 0.25% of each of RAP's and RAF's average daily managed assets until May 25, 2011 and May 25, 2012, respectively.

To date, amounts paid or payable to RMR Advisors under the administration agreements have been limited to reimbursement of the fees charged to RMR Advisors for each fund by State Street Bank and Trust Company that totaled \$109,271, \$108,000, \$108,000, \$108,007, \$107,769, \$63,793, and \$7,500 for RMR, RHR, RFR, RDR, RAP, RAF and RCR, respectively, in 2007. Each fund's board of trustees, and separately each fund's disinterested trustees, authorized (i) reimbursement payments to RMR Advisors by its fund for services of a chief compliance officer and internal audit services that totaled \$29,725, \$29,725, \$29,725, \$29,725, \$29,725, \$17,781, and \$0 for RMR, RHR, RFR, RDR, RAP, RAF and RCR, respectively, for 2007; and (ii) the joint participation of RMR Advisors and the funds in certain insurance policies, for which payments were made by RMR, RHR, RFR, RDR, RAP, RAF and RCR that totaled \$17,892, \$15,409, \$17,892, \$15,044, \$17,892, \$10,834, and \$0, respectively, during the fiscal year ended December 31, 2007.

Under the terms of the funds' advisory agreements with RMR Advisors, RMR Advisors provides each fund with an investment program, makes investment decisions for each fund (other than RAP and RAF) and manages (except as referred to below) each fund's business affairs in accordance with that fund's investment objectives and policies, subject to the general supervision of that fund's board. RMR Advisors also provides persons satisfactory to each board to serve as the fund's officers. The advisory agreements for RMR, RHR, RFR, RDR and RAP continue from year to year, but only so long as such continuation is approved in the manner prescribed by the 1940 Act. After the initial two-year term, the advisory agreements for RAF and RCR continue from year to year, but only so long as such continuation is approved in the manner prescribed by the 1940 Act. Generally, a fund's advisory agreement may be terminated by a majority of that fund's trustees or by proper vote of that fund's

shareholders, at any time upon sixty days' notice and payment of compensation earned prior to such termination. The advisory agreement of each fund terminates automatically on its assignment.

Pursuant to each of RAP's and RAF's investment subadvisory agreements with RMR Advisors and the subadvisor, the subadvisor makes investment decisions for each of those funds and generally manages their respective assets in accordance with their investment objectives and policies, subject to the general supervision of RMR Advisors and the fund's board. The investment subadvisory agreements will remain in effect until December 12, 2008 and May 22, 2009 for RAP and RAF, respectively, and from year to year thereafter if approved annually (i) by the respective fund's board or by the holders of a majority of the respective fund's outstanding voting securities and (ii) by a majority of the trustees who are not "interested persons", as defined in the 1940 Act, of any party to each investment subadvisory agreement. So long as the 1940 Act requires such, each subadvisory investment agreement may be terminated (i) by RAP and RAF at any time upon giving the subadvisor sixty days' notice and payment of compensation earned prior to such termination, provided that the termination by RAP or RAF is approved by the vote of a majority of the respective fund's trustees or by the vote of a majority of the respective fund's voting securities, as determined by the 1940 Act, or (ii) by the subadvisor on 120 days' prior notice to the respective fund. The investment subadvisory agreement of each of RAP and RAF terminates automatically on its assignment.

RMR Advisors is an affiliate of Reit Management, a company principally engaged in providing management services to public companies which own or operate real estate. Together, as of December 31, 2007, the entities managed by RMR Advisors and Reit Management have a total market capitalization of approximately \$14 billion.

**AUDIT COMMITTEE REPORT**

In the course of its oversight of the fund's financial reporting process, the audit committee of each fund has: (1) reviewed and discussed with management each fund's 2007 audited financial statements for the period ended December 31, 2007; (2) discussed with Ernst & Young LLP, each fund's independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended; (3) received the written disclosures and the letter from the auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*; (4) discussed with the auditors their independence; and (5) considered whether the provision of non-audit services by the auditors is compatible with maintaining their independence and has concluded that it is compatible at this time. Based on the foregoing review and discussions, each audit committee recommended to its respective board that its respective fund's audited financial statements be included in the fund's 2007 annual report to shareholders and filed with the SEC.

**INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS**

Each board at its respective meeting on February 20, 2008, appointed Ernst & Young LLP as the respective fund's independent registered public accountants for 2008. A representative of Ernst & Young LLP is expected to be present at the annual meetings, with the opportunity to make a statement if he or she desires to do so. This representative will be available to respond to appropriate questions from shareholders who are present at the annual meetings.

The fees for services provided by Ernst & Young LLP for each fund for the last two years (each fund's fiscal year is a calendar year) were as follows:

RAF and RCR had no operations in 2006.

Each fund's audit committee has established policies and procedures which are intended to control the services provided and charges by its independent registered public accountants and to monitor their continuing independence. Under these policies, no services may be undertaken by the fund's independent registered public accountants unless the engagement is specifically pre-approved by the audit committee of the affected fund or the services are included within a category which has been generally approved by the audit committee of the affected fund. The maximum charge for services is established by the audit committees when the specific engagement or the category of services is pre-approved or approved. In certain circumstances, RMR Advisors is required to notify the concerned audit committee when pre-approved services are undertaken and the committee or its chairman may approve amendments or modifications to the engagement or the maximum fees. The Director of Internal Audit of each of the funds is responsible to report to the applicable audit committee regarding compliance with these policies.

The audit committee of a fund will not approve engagements of the fund's independent registered public accountants to perform non-audit services if doing so will cause the independent registered public accountants to cease to be independent within the meaning of applicable SEC or AMEX rules. In other circumstances, the audit committee considers, among other things, whether the fund's independent registered public accountants are able to provide the required services in a more or less effective and efficient manner than other available service providers.

There were no non-audit fees billed by Ernst & Young LLP for services rendered to RMR Advisors or any entity controlling, controlled by or under common control with RMR Advisors that provides ongoing services to the funds in 2007 or 2006.

All services in 2006 and 2007 for which a fund engaged its independent registered public accountants were approved by the fund's audit committee. The audit related services provided by Ernst & Young LLP to the funds in 2006 and 2007 were for the issuance of agreed upon procedure reports to rating agencies. The only non-audit services provided by Ernst & Young LLP to the funds in 2006 and 2007 were for tax services. These tax services involved reviewing the funds' tax reporting and tax compliance procedures. Each audit committee of the funds determined that the non-audit services provided by Ernst & Young LLP to the applicable fund, RMR Advisors and any entity controlling, controlled by or under common control with RMR Advisors that provides ongoing services to the funds were compatible with the rules on auditor independence promulgated by the SEC and the audit and non-audit services policies and procedures of each of the funds. When considering the engagement of Ernst & Young LLP, each audit committee of the funds considered the working relationship of its fund with Ernst & Young LLP, determined the fees for audit and non-audit services to its fund to be appropriate and approved the engagement of Ernst & Young LLP to provide the audit and non-audit services to its fund. The total fees for audit and non-audit services provided by Ernst & Young LLP in 2006 and 2007 are set forth above.
