INFORMATION STATEMENT FOR STOCKHOLDERS ACTION

The Majority Stockholders submitted their consents to the stockholder resolution described in this Information Statement on or about February 19, 2008, and again on June 1, 2008, to be effective upon the satisfaction by the Company of all applicable filing and notification requirements of the Securities and Exchange Commission and Delaware law. As of June 1, 2008, the Majority Stockholders were entitled to vote 1,567,748 shares of the Company's common stock, par value \$0.01 per share, or approximately 57% of the total issued and outstanding common stock of the Company. The remaining outstanding shares of common stock are held by approximately 90 other stockholders of record.

The Majority Stockholders consist of Sardar Biglari, the Chairman, Chief Executive Officer and President of the Company and Jonathan Dash, a director of the Company. See "**Security Ownership of Directors, Officers and Certain Beneficial Owners**"

Holders of the common stock of record as of June 1, 2008 are entitled to submit their consent to the stockholder resolution described in this Information Statement, although no stockholder consents other than that of the Majority Stockholders are required to be submitted in order for the resolution to be adopted. The Company is not soliciting consents or proxies and stockholders have no obligation to submit either of them. The Majority Stockholders have consented to the stockholder resolution described in this Information Statement. Other stockholders who desire to submit their consents must do so by July 3, 2008. Each share of common stock is entitled to one vote. The affirmative vote of the holders of a majority of the outstanding common stock of the Company is required to adopt the resolution described in this Information Statement. Delaware law does not require that the proposed resolution be approved by a majority of the disinterested stockholders. A total of 2,754,821 shares of common stock were outstanding as of June 1, 2008. This Information Statement is expected to be mailed to stockholders on or about June 13, 2008.

The Company and The Proposed Stockholder Resolution

The Company has its executive offices at 416 South Jefferson Street, Suite 600, Roanoke, VA 24011, and its telephone number is (540) 345-3195. As described in the accompanying NOTICE OF ACTION TO BE TAKEN BY THE STOCKHOLDERS, the Company proposes to adopt a resolution amending and restating Article IV of its Restated Certificate of Incorporation, as previously amended, in order to increase the number of authorized shares of common stock from 4,000,000, par value \$0.01, to 10,000,000, par value \$0.01 (the "Amendment"). The full text of the Amendment is set forth on Exhibit A to this Information Statement.

At a meeting held on November 28, 2007, the Board of Directors of the Company voted unanimously to recommend the Amendment. As noted above, the Majority Stockholders consented to the resolution on February 28, 2008 and again on June 1, 2008.

Upon issuance, the additional shares of authorized common stock would have rights identical to the currently outstanding shares of common stock. Adoption of the Amendment would not have any immediate dilutive effect on the proportionate voting power or other rights of existing stockholders.

To the extent that the additional authorized shares of common stock are issued in the future and not purchased by existing stockholders then they will decrease existing stockholders' percentage equity ownership and will be dilutive to the voting rights of existing stockholders and may have a negative effect on the market price of the common stock. Current stockholders have no preemptive or similar

rights, which means that the current stockholders do not have a prior right to purchase any new issue of capital stock in order to maintain their proportionate ownership thereof.

The Company had reserved unissued shares of its common stock required to consummate the offer to acquire common stock of ITEX Corporation in exchange for shares of the Company's common stock. Accordingly, the Amendment was not required for that transaction. However, the Company would prefer to have additional authorized but unissued common stock available for use in other potential strategic transactions including, among other things, acquisitions, spin-offs, strategic partnerships, joint ventures, restructurings, divestitures, business combinations and investments, although the Company has no present plans for other such transactions. The Company cannot provide assurances that any such transactions will be consummated on favorable terms or at all, that they will enhance stockholder value or that they will not adversely affect the Company's business, its operations or the trading price of the common stock.

Additional information regarding the Company, its business, its capital stock, and its financial condition are included in the Company's Annual Report on Form 10-K, as amended, and its Quarterly Reports on Form 10-Q. Copies of the Company's Form 10-K, as amended, for its fiscal year ended December 31, 2007, as well as the Company's Form 10-Q for the quarter ended March 31, 2008 are available upon request to: Robin B. Mabe, Chief Financial Officer, 416 South Jefferson Street, Suite 600, Roanoke, VA 24011.
