PART III

Item 10. Directors, Executive Officers and Corporate Governance

Based on the recommendations of our nominating and governance committee, our board of directors (the "Board") has identified certain desired attributes for directors and director nominees. Each of the directors has demonstrated high character and integrity, superior credentials and recognition in his or her respective field and the relevant expertise and experience upon which to be able to offer advice and guidance to the Company's management. Each of the directors also has sufficient time available to devote to the affairs of the Company, is able to work with the other members of the Board and contribute to the success of the Company and can represent the long-term interests of the Company's stockholders as a whole. The directors have been selected such that the Board represents a range of backgrounds and experience.

Currently, the Board is comprised of nine members, which are divided into three classes serving staggered terms. Each director generally serves until the annual meeting of stockholders held in the third year following the year of his or her election and until a successor is duly elected and qualified. Our Bylaws provide that a majority of the entire Board may at any time increase or decrease the number of directors. However, unless our Bylaws are amended, the number of directors may never be less than the minimum required by the Maryland General Corporation Law, or more than 15.

The Company divides its directors into two groups interested directors and independent directors. Independent directors are directors that the Board has affirmatively determined satisfy the requirements of Rule 303A.02 of the NYSE Listed Company Manual. Directors for which no such determination has been made are considered interested directors.

The information set forth below was furnished to the Company by each currently serving director, each executive officer and each other listed officer, and sets forth as of April 26, 2013, the name, age, principal occupation or employment of each such person, all positions and offices such person has held with the Company, and the period during which he or she has served as a director, executive officer or other listed officer of the Company. No director, executive officer or other listed officer of the Company has been selected as a director, executive officer or other listed officer of the Company pursuant to any agreement or understanding with the Company or any other person, provided that, in connection with Ares Management LLC's ("Ares Management") acquisition of Wrightwood Capital LLC, Ares Management agreed to use its commercially reasonable efforts to ensure that Bruce R. Cohen served as President and Chief Operating Officer of the Company upon the consummation of its operations.

Based solely upon a review of Forms 3, 4 and 5 filed by such persons, the Company believes that each of its directors and executive officers and any persons holding 10% or more of its common stock complied with all Section 16(a) filing requirements applicable to them during the fiscal year ended December 31, 2012 with the exception of: (1) the purchase by Bruce R. Cohen of 10,000 shares of the Company's common stock on June 7, 2012, which was reported to the SEC on June 20, 2012; (2) the purchases by Robert L. Rosen of 1,900 and 3,100 shares of the Company's common stock on June 7, 2012 and June 8, 2012, respectively, which were reported to the SEC on June 14, 2012; and (3) the sales by John Hope Bryant of 304 and 650 shares of the Company's common stock on July 30, 2012 and October 23, 2012, respectively, and the purchase of 2.133 shares of the Company's common stock on October 11, 2012, which were reported to the SEC on February 14, 2013. The purchase by Mr. Bryant of 2.133 shares of the Company's common stock was an inadvertent purchase not directed by Mr. Bryant through an automatic broker-administered dividend reinvestment plan. This purchase constituted a "matching" transaction under Section 16(b) of the Exchange Act with respect to his sales of 304 shares of the Company's common stock on July 30, 2012 and 650 shares of the Company's common stock on October 23, 2012. These purchase and sale transactions resulted in a short swing profit of \$0.02, which has been disgorged in full by Mr. Bryant to the Company. The dividend reinvestment feature of Mr. Bryant's account has since been removed.

Item 11. Executive Compensation

Compensation Discussion and Analysis

Overview

We are externally managed and advised by our Manager, which is an affiliate of Ares Management. Each of our officers is an employee of our Manager or one of its affiliates. We do not have any employees and we rely completely on our Manager to provide us with investment advisory services. We do not provide cash compensation to any of our officers or employees, including any of our named executive officers.

We do, however, reimburse our Manager for our allocable share of the salaries and other compensation paid by the Manager or its affiliates to the Company's (a) Chief Financial Officer, based on the percentage of his time spent on the Company's affairs and (b) other corporate finance, tax, accounting, internal audit, legal, risk management, operations, compliance and other non-investment professional personnel of our Manager or its affiliates who spend all or a portion of their time managing the our affairs based on the percentage of their time spent on the Company's affairs. However, we do not determine the compensation payable by our Manager to our Chief Financial Officer or the other personnel described above.

In addition, we have entered into indemnification agreements with each of our current officers and certain members of our Manager's Investment Committee and intend to enter into indemnification agreements with each of our future officers and certain future members of our Manager's Investment Committee. The indemnification agreements provide these officers and other persons the maximum indemnification permitted under Maryland law. The agreements provide, among other things, for the advancement of expenses and indemnification for liabilities which such person may incur by reason of his or her status as a present or former officer of the Company or member of our Manager's Investment Committee in any action or proceeding arising out of the performance of such person's services as a present or former officer of the Company or member of our Manager's Investment Committee.

Equity Compensation

Pursuant to our 2012 Equity Incentive Plan, the audit committee may, from time to time, grant awards consisting of restricted shares of our common stock, restricted stock units and/or other equity-based awards to qualified directors, officers, advisors, consultants and other personnel, including our named executive officers. These equity-based awards create incentives to improve long-term stock price performance and focus on long-term business objectives, create substantial retention incentives for award recipients and enhance the Company's ability to pay compensation based on the Company's overall performance, each of which further align the interests of the awardees with our stockholders. These equity-based awards are generally subject to time-based vesting requirements designed to achieve strong performance for our Company.

The Board has delegated its administrative responsibilities under our 2012 Equity Incentive Plan to the audit committee. The charter of the audit committee provides that it shall approve all awards granted under the plan.

2012 Equity Grants to Named Executive Officers

On July 9, 2012, in connection with his appointment as our Chief Financial Officer, Tae-Sik Yoon was granted 25,000 restricted shares of our common stock as an award granted pursuant to our 2012 Equity Incentive Plan. These shares vest ratably on a quarterly basis over a four-year period that began on October 1, 2012, subject to certain conditions. As of April 26, 2013, no equity-based compensation

has been awarded to, earned by or paid to any of our named executive officers other than the 25,000 restricted shares of common stock awarded to Mr. Yoon.

2012 Summary Compensation Table

The following table shows the amounts reimbursed to our Manager with respect to the annual compensation received by the Company's named executive officers for the fiscal year ended December 31, 2012 that were allocable to the Company, except that no disclosure is provided for any named executive officer, other than our principal executive officer and former principal financial officer, whose total compensation did not exceed \$100,000. No other executive officers are included as named executive officers in the table below because we did not reimburse our Manager for any amounts in excess of \$100,000 with respect to any compensation received by any other executive officer for the fiscal year ended December 31, 2012. As noted elsewhere herein, our named executive officers do not receive any direct compensation from us. No compensation was awarded to, earned by or paid to our named executive officers, and no payments were made to our Manager as reimbursement for our allocable portion of the salaries and other compensation of our named executive officers for the fiscal year ended December 31, 2011.

Potential Payments Upon Termination or Change in Control

Our named executive officers are employees of our Manager or its affiliates and therefore we generally have no obligation to pay them any form of compensation upon their termination of employment, except with respect to any restricted stock agreement entered into between such named executive officer and the Company. These agreements provide that any unvested portion of the award shall be immediately and irrevocably forfeited upon a termination of employment. For information

Table of Contents

about how a change in control relates to our 2012 Equity Incentive Plan, see "2012 Equity Incentive Plan Change in Control" below.

2012 Equity Incentive Plan

Our 2012 Equity Incentive Plan provides incentive compensation to attract and retain qualified directors, officers, advisors, consultants and other personnel, including our outside directors, our Chief Financial Officer and our Manager. It is administered by a committee appointed by the Board, which is currently our audit committee. Our 2012 Equity Incentive Plan permits the granting of stock options, restricted shares of common stock, restricted stock units, phantom shares, dividend equivalent rights and other equity-based awards, subject to an aggregate limitation of 690,000 shares of common stock (7.5% of the issued and outstanding shares of our common stock immediately after giving effect to the issuance of the shares sold in the IPO). The charter of the audit committee provides that it approves all awards granted under the plan.

Administration

The audit committee has the authority to administer and interpret the plan, to authorize the granting of awards, to determine who is eligible to receive an award, to determine the number of shares of common stock to be covered by each award (subject to the individual participant limitations provided in the plan), to determine the terms, provisions and conditions of each award (which may not be inconsistent with the terms of the plan), to prescribe the form of instruments evidencing awards and to take any other actions and make all other determinations that it deems necessary or appropriate in connection with the plan or the administration or interpretation thereof. In connection with this authority, the audit committee may, among other things, establish performance goals that must be met in order for awards to be granted or to vest, or for the restrictions on any such awards to lapse. Our 2012 Equity Incentive Plan is administered by the audit committee, which is comprised of three non-employee directors, each of whom is (i) to the extent required by Rule 16b-3 under the Exchange Act, a non-employee director, (ii) at such times as we are subject to Section 162(m) of the Internal Revenue Code (the "Code") and intend that grants be exempt from the restriction of Section 162(m), an outside director for purposes of Section 162(m) of the Code, and (iii) an "independent director" as defined under Section 303A.02 of the NYSE Listed Company Manual or other applicable stock exchange rules.

Available Shares

Our 2012 Equity Incentive Plan provides that, subject to adjustments for recapitalizations and other corporate transactions, no grant under the plan may cause the total number of shares of common stock subject to all outstanding awards to exceed 690,000 shares of common stock (7.5% of the issued and outstanding shares of our common stock immediately after giving effect to the issuance of the shares sold in the IPO). Subject to the foregoing limit, if an option or other award or any portion thereof granted under our 2012 Equity Incentive Plan expires or terminates without having been exercised or paid, as the case may be, the shares subject to such portion will again become available for the issuance of additional awards. No new award may be granted under our 2012 Equity Incentive Plan after the tenth anniversary of the date that such plan was initially approved by (i) the Board and (ii) our stockholders (which occurred on April 23, 2012). No award may be granted under our 2012 Equity Incentive Plan to any person who, assuming exercise of all options and payment of all awards held by such person would own or be deemed to own more than 9.8% of the outstanding shares of our common stock. Any restricted shares of our common stock and restricted stock units will be accounted for under FASB ASC Topic 718, *Stock Compensation*, resulting in share-based compensation expense equal to the grant date fair value of the underlying restricted shares of common stock or restricted stock units.

Table of Contents

Awards Under the Plan

Stock Options. The terms of specific options shall be determined by the audit committee. The exercise price of an option shall be determined by the audit committee and reflected in the applicable award agreement, and may not be lower than 100% of the fair market value of our common stock on the date of grant. Options will be exercisable at such times and subject to such terms as determined by the audit committee. Options generally will expire not later than ten years after the date of grant.

Restricted Shares of Common Stock. A restricted stock award is an award of shares of common stock that are subject to restrictions on transferability and such other restrictions, if any, as the audit committee may impose. Grants of restricted shares of common stock will be subject to vesting schedules as determined by the audit committee. The restrictions may lapse separately or in combination at such times, under such circumstances, including, without limitation, a specified period of employment or the satisfaction of pre-established performance criteria, in installments or otherwise, as the audit committee may determine. Unless otherwise stated in the applicable award agreement, a participant granted restricted shares of common stock has all of the rights of a stockholder, including, without limitation, the right to vote and the right to receive dividends on the shares.

Restricted Stock Units. Restricted stock units are bookkeeping entries, each of which represents the equivalent of one share of common stock, and which may be settled in cash or shares of common stock as the audit committee may designate in an award agreement or otherwise. Restricted stock units shall be subject to vesting based on continued employment or service or the satisfaction of pre-established performance criteria, or such other restrictions as the audit committee shall determine.

Phantom Shares. A phantom share represents a right to receive the fair market value of a share of common stock, or, if provided by the audit committee, the right to receive the fair market value of a share of common stock in excess of a base value established by the audit committee at the time of grant. Phantom shares shall be subject to vesting based on continued employment or service or the satisfaction of pre-established performance criteria, or such other restrictions as the audit committee shall determine. Phantom shares may generally be settled in cash or by transfer of shares of common stock (as may be elected by the participant or the audit committee, or as may be provided by the audit committee at grant).

Dividend Equivalents. A dividend equivalent is a right to receive (or have credited) the equivalent value (in cash or shares of common stock) of dividends paid on shares of common stock otherwise subject to an award. The audit committee may provide that amounts payable with respect to dividend equivalents shall be converted into cash or additional shares of common stock. The audit committee will establish all other limitations and conditions of awards of dividend equivalents as it deems appropriate.

Other Share-Based Awards. Our 2012 Equity Incentive Plan authorizes the granting of other awards based upon shares of our common stock (including the grant of securities convertible into shares of common stock and share appreciation rights), subject to terms and conditions established at the time of grant.

Change in Control

Upon a change in control (as defined in our 2012 Equity Incentive Plan), the audit committee may make such adjustments as it, in its discretion, determines are necessary or appropriate in light of the change in control, but only if the audit committee determines that the adjustments do not have a substantial adverse economic impact on the participants (as determined at the time of the adjustments).

Table of Contents

Other Changes

The Board may amend, alter, suspend or discontinue our 2012 Equity Incentive Plan but cannot take any action that would impair the rights of a participant in existing grants without such participant's consent. NYSE rules or other applicable regulations may require approval of our stockholders for any amendment that would:

other than through adjustment as provided in our 2012 Equity Incentive Plan, increase the total number of shares of common stock available for issuance under our 2012 Equity Incentive Plan; or

change the class of officers, directors, employees, consultants and advisors eligible to participate in our 2012 Equity Incentive Plan.

The audit committee or the Board may amend the terms of any award granted under our 2012 Equity Incentive Plan, prospectively or retroactively, but generally may not impair the rights of any participant in existing grants without his or her consent.

Compensation of Directors

Our independent directors generally receive an annual fee of \$75,000, payable 50% in restricted common stock and 50% in cash. They are also entitled to reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each Board meeting and each committee meeting. Mr. Rosen, an outside director, receives an annual fee of approximately \$37,500 payable in restricted stock so that he receives a number of shares of restricted common stock equal to that received by the independent directors in respect of their annual fee. In addition, the chairperson of the audit committee receives an additional annual fee of \$15,000 in cash, and each chairperson of any other committee receives an additional annual fee of \$5,000 in cash for his or her additional services in these capacities. In addition, each audit committee member other than the chairperson receives an additional annual fee of \$10,000 in cash, and each member of any other committee (other than the chairperson of such committee) receives an additional annual fee of \$2,000 in cash for his or her services in these capacities. In addition, the Company purchases directors' and officers' liability insurance on behalf of its directors and officers.

On May 1, 2012, in connection with the initial public offering of our common stock (the "IPO") we granted 5,000 restricted shares of our common stock to each of our five independent directors. In addition, on June 18, 2012, Mr. Rosen, an outside director, was granted 5,000 restricted shares of our common stock as an award granted pursuant to our 2012 Equity Incentive Plan. These awards of 5,000 restricted shares vest ratably on a quarterly basis over a three year period beginning on July 1, 2012. In addition, on May 1, 2012, each of our five independent directors were granted approximately 2,027 restricted shares of our common stock as 2012 annual compensation awards granted pursuant to our 2012 Equity Incentive Plan. On June 18, 2012, Mr. Rosen was also granted 2,027 restricted shares of our common stock as a 2012 annual compensation award granted pursuant to our 2012 Equity Incentive Plan. These awards of 2,027 restricted shares in respect of annual directors fees vest ratably on a quarterly basis over a one year period beginning on July 1, 2012.

In addition, we have entered into indemnification agreements with each of our current directors and intend to enter into indemnification agreements with each of our future directors. The indemnification agreements provide these directors the maximum indemnification permitted under Maryland law. The agreements provide, among other things, for the advancement of expenses and indemnification for liabilities which such person may incur by reason of his or her status as a present or former director of the Company in any action or proceeding arising out of the performance of such person's services as a present or former director of the Company.

Table of Contents

The following table shows information regarding the compensation received by the Company's outside directors for the fiscal year ended December 31, 2012. No cash compensation is paid by the Company to any director that is not an "independent director" as defined under Section 303A.02 of the NYSE Listed Company Manual or other applicable stock exchange rules.

(1) Amounts in this column represent annual Board and committee fees paid to independent directors in 2012.

(2) Amounts in this column represent the aggregate grant date fair value of awards of restricted stock calculated in accordance with FASB ASC Topic 718. The aggregate grant date fair value shown for the 5,000 restricted shares granted to each of our five independent directors in connection with the IPO and the 2,027 restricted shares granted as 2012 annual compensation were each calculated using the \$18.00 per share price of our common stock on the day we consummated our IPO and the grants became effective. The aggregate grant date fair value of the 5,000 restricted shares and the 2,027 restricted shares granted to Mr. Rosen on June 18, 2012 were each calculated based on the closing price of our common stock on June 18, 2012 of \$17.52 per share.

(3) Mr. White became a director in April 2013.

In connection with certain trades by Mr. Bryant described earlier in this Amendment under the section entitled "Section 16(A) Beneficial Ownership Reporting Compliance," it was determined that Mr. Bryant unintentionally failed to comply with the Company's Insider Trading Policy and the Company's Code of Business Conduct and Ethics by allowing trades in small amounts of the Company's securities to occur outside of the Company's trading window. As a penalty, the Board determined that Mr. Bryant would forfeit one quarter of the cash portion of his annual fee for his board and committee service. The Company has carefully reviewed its applicable policies with Mr. Bryant.

Compensation Committee Interlocks and Insider Participation

We determined not to form a separate compensation committee because our executive officers are not expected to receive any direct compensation from us other than certain grants made to the Chief Financial Officer under our 2012 Equity Incentive Plan. Our audit committee, which is responsible for administering our 2012 Equity Incentive Plan and approving the compensation payable to our Manager pursuant to the Management Agreement, is presently comprised of Messrs. Hinson, Joubert and Schuster, none of whom were officers or employees of the Company during the fiscal year ended December 31, 2012, and none of whom had any relationship requiring disclosure by the Company under Item 404 of Regulation S-K.

Table of Contents

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act or the Exchange Act that might incorporate future filings, including this Amendment, in whole or in part, the following Compensation Committee Report shall not be deemed to be "soliciting material" or to be "filed" with the SEC, nor shall such information be incorporated by reference into any such filings under the Securities Act or the Exchange Act.

COMPENSATION COMMITTEE REPORT

As noted above, Ares Commercial Real Estate Corporation (the "Company") determined not to form a separate compensation committee because the Company's executive officers are not expected to receive any direct compensation from the Company other than certain grants made to the Chief Financial Officer under the Company's 2012 Equity Incentive Plan. The audit committee (the "Audit Committee") of the board of directors (the "Board") of the Company is responsible for administering the Company's 2012 Equity Incentive Plan and approving the compensation payable to the Company's external manager, Ares Commercial Real Estate Management LLC (the "Manager"), pursuant to the Management Agreement between the Company and the Manager dated April 25, 2012. The directors that served on the Audit Committee during the fiscal year ended December 31, 2012 (the "2012 Audit Committee") have reviewed and discussed with management the Compensation Discussion and Analysis included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2012 (the "Annual Report"). Based on that review and discussion, the 2012 Audit Committee recommended to the Board that the Compensation Discussion and Analysis be included in the Annual Report.

Item 13. Certain Relationships and Related Transactions, and Director Independence

The Company has procedures in place for the review, approval and monitoring of transactions involving the Company and certain persons related to it. For example, the Company has a Code of Business Conduct and Ethics that generally prohibits any employee, officer or director of the Company from engaging in any transaction where there is a conflict between such individual's personal interest and the interests of the Company. Waivers to the Code of Business Conduct and Ethics for officers and directors of the Company can only be obtained from the Board and can otherwise only be obtained from the audit committee. Such waivers are publicly disclosed as required by applicable law and regulations. In addition, the audit committee is required to review and approve or ratify all related party transactions (as defined in Item 404 of Regulation S-K). In determining whether to approve or ratify a transaction, the audit committee will take into account such factors as it deems appropriate. The charter for the audit committee and the Company's Code of Business Conduct and Ethics can be accessed via the Company's website at www.arescre.com.

Management Agreement

We are party to the Management Agreement, pursuant to which our Manager provides the day-to-day management of our operations. The Management Agreement requires our Manager to manage our business affairs in conformity with the policies and the investment guidelines that may be approved and monitored by the Board. The Management Agreement has an initial three-year term that expires on May 1, 2015, and will be automatically renewed for one-year terms thereafter unless terminated by either us or our Manager. Our Manager is entitled to receive a termination fee from us under certain circumstances.

We do not reimburse our Manager for the salaries and other compensation of its personnel, except for the allocable share of the salaries and other compensation of our (a) Chief Financial Officer, based on the percentage of his time spent on the Company's affairs and (b) other corporate finance, tax, accounting, internal audit, legal, risk management, operations, compliance and other non-investment professional personnel of our Manager or its affiliates who spend all or a portion of their time managing our affairs based on the percentage of their time spent on the Company's affairs. In addition, we are required to pay our pro rata portion of rent, telephone, utilities, office furniture, equipment, machinery and other office, internal and overhead expenses of our Manager and its affiliates required for our operations.

For the fiscal year ended December 31, 2012, we incurred approximately \$1.7 million in base management fees payable to our Manager pursuant to the Management Agreement. In addition, we reimbursed our Manager for approximately \$1.6 million, which amount represented the portion of the allocable expenses payable by the Company under the Management Agreement for which our Manager sought reimbursement. Our Manager did not earn any incentive compensation under the Management Agreement for the fiscal year ended December 31, 2012.

Our Manager's sole member is Ares Management, an entity in which certain directors and officers of the Company and members of the Investment Committee of our Manager have indirect ownership and financial interests. Our Manager and Ares Management have agreed that for so long as our Manager is managing us, neither Ares Management nor any of its affiliates will sponsor or manage any other U.S. publicly traded REIT that invests primarily in the same asset classes as us. Ares Management and its affiliates may sponsor or manage another U.S. publicly traded REIT that invests generally in real estate assets but not primarily in our target investments. Other than as described in the immediately preceding sentence, neither Ares Management nor any of our affiliates are otherwise restricted from sponsoring or managing other funds or any other investment vehicles that are managed by Ares Management. In general, investment opportunities are allocated taking into consideration various factors, including, among others, the relevant investment vehicles' available capital, diversification, their investment objectives or strategies, their risk profiles and their existing or prior positions in an issuer/security, as well as potential conflicts of interest, the nature of the opportunity and market conditions. The investment allocation policy may be amended by Ares Management at any time without our consent.

Servicing Agreements

Certain of our subsidiaries, along with our lenders under our secured funding facilities arranged by Wells Fargo Bank, National Association and Citibank, N.A., have entered into various servicing agreements with our Manager's servicer, which is a Standard & Poor's-ranked commercial primary servicer and commercial special servicer that is included on Standard & Poor's Select Servicer List. Our Manager's servicer has agreed that no servicing fees pursuant to these servicing agreements would be charged for so long as the Management Agreement remains in effect, but that our Manager's servicer will continue to receive reimbursement for overhead related to servicing and operational activities pursuant to the terms of the Management Agreement.

Purchases of Common Stock by Affiliates and Registration Rights Agreement

During the period from December 9, 2011 through February 6, 2012, Ares Investments Holdings LLC ("Ares Investments") purchased 1,500,000 shares of our common stock for \$30.0 million (an effective per share price of \$20) in order to fund certain investments. In addition, upon completion of our IPO on May 1, 2012, Ares Investments purchased an additional 500,000 shares of our common stock at the IPO price of \$18.50 per share.

We are a party to a registration rights agreement with regard to shares held from time to time by Ares Investments and its affiliates, which we refer to as the registrable shares. Pursuant to the registration rights agreement, we granted Ares Investments and its direct and indirect transferees:

unlimited demand registration rights to have the registrable shares registered for resale; and

in certain circumstances, the right to "piggy-back" the registrable shares in registration statements we might file in connection with any future public offering.

Notwithstanding the foregoing, any registration is subject to cutback provisions, and we are permitted to suspend the use, from time to time, of the prospectus that is part of the registration statement (and therefore suspend sales under the registration statement) for certain periods, referred to as "blackout periods."

Purchases of 2015 Convertible Notes by Affiliates

On December 19, 2012, the Company issued \$69 million aggregate principal amount of the 2015 Convertible Notes. Of this amount, \$8.5 million aggregate principal amount was sold directly to certain directors, officers and other affiliates of the Company in a private placement in reliance on the exemption from registration provided by Rule 501(a) of Regulation D under the Securities Act. The Company relied on this exemption from registration based in part on representations made by these affiliate purchasers in the subscription agreements executed in connection with the sale of such 2015 Convertible Notes.

"Ares" License Agreement

We have entered into a license agreement with Ares Management, pursuant to which it granted us a non-exclusive, royalty-free license to use the name "Ares." Under this agreement, we have a right to use this name for so long as Ares Commercial Real Estate Management LLC remains our Manager. This license agreement may be terminated by either party without penalty upon 180 days' written notice to the other.

Director Independence

A majority of the Board is independent under the listing standards of the New York Stock Exchange. Based upon information requested from each director concerning his or her background, employment and affiliations, the Board has affirmatively determined that the following directors are independent: Messrs. The audit committee, or the chairperson of the audit committee to whom such authority was delegated by the audit committee, must pre-approve all services provided by the independent registered public accounting firm. Any such pre-approval by the chairperson must be presented to the audit committee at its next regular quarterly meeting. The audit committee has also adopted policies and procedures for pre-approving certain non-prohibited work performed by the Company's independent registered public accounting firm. Specifically, the committee has pre-approved the use of Ernst & Young LLP for specific types of services within the following categories: audit, audit-related, tax and other. In each case, the committee has also set a specific annual limit, which can be updated, on the amount of such services which the Company may obtain from the Company's independent registered public accounting firm.
