PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

General Information

We have made this proxy statement available to you on or about April [], 2016 as a holder of common stock of Altisource Portfolio Solutions S.A. ("Altisource" or the "Company") because our Board of Directors is soliciting your proxy to be used at our 2016 Annual Meeting of Shareholders (the "Annual Meeting") and at any adjournment or postponement thereof. The Annual Meeting will be held at our registered office located at 40, avenue Monterey, L-2163 Luxembourg City, Grand Duchy of Luxembourg on Wednesday, May 18, 2016, at 9:00 a.m., Central European Time for the purposes listed in the Notice of Annual Meeting of Shareholders.

Who May Vote

You are entitled to vote at the Annual Meeting, or any adjournment or postponement thereof, if you are a holder of our common stock at the close of business on March 21, 2016. At the close of business on March 21, 2016, there were 18,802,623 shares of common stock issued, outstanding and able to be voted and no other class of equity securities outstanding. Each share of our common stock is entitled to one (1) vote at the Annual Meeting on all matters properly presented.

Voting Procedures

If you are a shareholder of record, you will receive a proxy card that will tell you how to vote your shares via the Internet, telephone or mail.

If the shares you own are held in "street name" by a bank, brokerage firm or other nominee, you will need to follow the directions such nominee provides you. As in prior years, we have elected to provide access to our proxy materials over the Internet by mailing a Notice of Internet Availability of Proxy Materials (the "Notice") to the majority of our shareholders. Shareholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice.

Shareholders may also vote in person at the Annual Meeting. If you are a shareholder of record, you must present valid government-issued photo identification to vote at the meeting. If your shares are held by a bank, brokerage firm or other nominee, you will also need to obtain a "legal proxy" from the holder of record to vote at the meeting. For specific instructions, please refer to the instruction on the proxy card or Notice you receive.

Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance of the meeting in one of the manners described above so that your vote will be counted if you later are unable to attend the Annual Meeting.

How a Proxy Works

If you properly submit your proxy to Altisource and do not revoke it prior to its use, it will be voted in accordance with your instructions. Other than as discussed below with respect to broker "non-votes," if no contrary instructions are given, each proxy received will be voted for each of the nominees for Director; for the approval of the appointment of Mayer Hoffman McCann P.C. to be our independent registered certified public accounting firm for the year ending December 31, 2016 and Atwell S.à r.l. to be our certified auditor for all statutory accounts as required by Luxembourg law for the same period; for the approval of

If the shares you own are held by a bank, brokerage firm or other nominee and you do not provide specific voting instructions to such nominee on a non-routine item as defined by the New York Stock Exchange, the nominee will be prohibited from voting your shares. This is commonly referred to as a "broker non-vote."

How to Revoke a Proxy

Your proxy may be used only at the Annual Meeting and any adjournment or postponement of this meeting and will not be used for any other meeting. You have the power to revoke your proxy at any time before it is exercised by:

filing written notice with our Corporate Secretary at the following address:

Kevin J. Wilcox, Corporate Secretary
Altisource Portfolio Solutions S.A.
40, avenue Monterey
L-2163 Luxembourg City
Grand Duchy of Luxembourg

submitting a properly executed proxy bearing a later date; or

appearing at the Annual Meeting and giving the Corporate Secretary notice of your intention to vote in person.

Quorum and Voting Information

Although Luxembourg law does not require a quorum for the conduct of business at annual meetings of shareholders, in accordance with the requirements of the NASDAQ listing standards, the Company has established that the presence at the Annual Meeting of holders of thirty-three and one-third percent (33 $\frac{1}{3}$ %) of the votes of our common stock entitled to be cast, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker "non-votes" will be treated as present for purposes of a quorum.

Pursuant to Luxembourg law and assuming a quorum, the four (4) nominees for Director will be elected as Directors of Altisource at the Annual Meeting so long as the votes cast in favor of each such person exceed the votes cast against such person. You may vote in favor of, against or abstain from voting for one (1) or more nominees for Director.

Table of Contents

The following proposals will be approved if the votes cast in favor of the action exceed the votes cast against the action: the proposal to approve the appointment of Mayer Hoffman McCann P.C. to be our independent registered certified public accounting firm for the year ending December 31, 2016 and Atwell S.à r.l. to be our certified auditor for all statutory accounts as required by Luxembourg law for the same period; the proposal to approve Altisource Portfolio Solutions S.A.'s annual accounts prepared in accordance with Luxembourg GAAP for the year ended December 31, 2015 (the "Luxembourg Annual Accounts") and its consolidated financial statements prepared in accordance with U.S. GAAP including a footnote reconciliation of equity and net income to IFRS as of and for the year ended December 31, 2015 (the "Consolidated Accounts") (together, the "Luxembourg Statutory Accounts"); the proposal to receive and approve the Directors' reports for the Luxembourg Statutory Accounts; the proposal to allocate the results in the Luxembourg Annual Accounts for the year ended December 31, 2015; the proposal to approve the discharge of each of the current and past Directors of Altisource Portfolio Solutions S.A. for the performance of their mandate during the year ended December 31, 2015; the proposal to approve changes to non-management Directors' compensation; the proposal to approve a share repurchase program whereby Altisource Portfolio Solutions S.A. is authorized, for a period of five years, to repurchase up to twenty-five percent (25%) of the outstanding shares of its common stock (as of the close of business on the date of shareholder approval) at a minimum price of one dollar (\$1.00) per share and a maximum price of five hundred dollars (\$500.00) per share; and any other matter properly submitted for your consideration at the Annual Meeting (other than the election of Directors).

Abstentions will not be counted in determining the votes cast in connection with the foregoing matters. Banks, brokerage firms or other nominees may not vote on behalf of their clients in connection with the proposal regarding the election of Directors, so any broker "non-votes" will not be counted in determining the votes cast in connection with this proposal.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Meetings of the Board of Directors

The Board of Directors plays an active role in overseeing the Company's business and representing the interests of the shareholders. Directors are expected to attend all meetings of the Board of Directors, the meetings of committees on which they serve and the Annual Meeting. Directors are also consulted for advice and counsel between formal meetings.

Our Board of Directors held eleven (11) meetings and took action pursuant to written consent three (3) times in 2015. Each incumbent Director attended 100% of these meetings as well as the meetings held by all committees of our Board of Directors on which they served during the period. Although we do not have a formal policy regarding Director attendance at the Annual Meeting, our Directors are expected to attend. All of the incumbent members of our Board of Directors attended our 2015 Annual Meeting of Shareholders.

Independence of Directors

Our Corporate Governance Guidelines provide that our Board of Directors must be comprised of a majority of Directors who qualify as independent Directors under NASDAQ listing standards and applicable law.

Our Board of Directors annually reviews the direct and indirect relationships that we have with each Director. The purpose of this review is to determine whether any transactions or relationships are inconsistent with a determination that the Director is independent. Only those Directors who are determined by our Board of Directors to have no material relationship with Altisource are considered independent. This determination is based in part on the analysis of questionnaire responses that follow the independence standards and qualifications established by NASDAQ and applicable law. The Board of Directors also considers beneficial ownership of our common stock by each of the Directors, as set forth under "Security Ownership of Certain Beneficial Owners and Related Shareholder Matters," although our Board of Directors generally believes that stock ownership tends to further align a Director's interests with those of our other shareholders. Our current Board of Directors has determined that Messrs. Vättö, Linn and Müller-Ineichen are independent Directors.

Our Corporate Governance Guidelines also provide that the Board shall annually elect a lead independent director unless the Chairperson of the Board is an independent director, in which case the Chairperson of the Board will perform the functions of a lead independent director. Mr. Vättö, an independent director, is the Chairman and, as a result, we do not currently have a lead independent director.

Executive Sessions of Independent Directors

Independent Directors met in executive session of the Board of Directors without management four (4) times in 2015.

Board Leadership Structure

Our Board of Directors has no fixed policy with respect to the separation of the offices of Chairman of the Board of Directors and Chief Executive Officer. Our Board of Directors retains the discretion to make this determination on a case-by-case basis from time to time as it deems to be in the best interests of the Company and our shareholders at any given time. The Board of Directors currently believes that separating the positions of Chief Executive Officer and Chairman is the best structure to fit the Company's needs.

The Chief Executive Officer is responsible for our day-to-day operations and for formulating and executing our long-term strategy in collaboration with the Board of Directors. The Chairman of the Board leads the Board and oversees meetings of the Board of Directors, ensures the delivery of information necessary for the Board's informed decision-making and, together with the Board, approves the strategy for Altisource.

Table of Contents

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee, a Compliance Committee, a Nomination/Governance Committee and an Executive Committee. A brief description of these committees is provided below.

Audit Committee. The Audit Committee of our Board of Directors oversees the relationship with our independent registered certified public accounting firm; provides assistance to our Board of Directors with respect to matters involving the accounting, auditing, financial reporting and internal control functions; establishes procedures for the receipt, retention and treatment of complaints received by the Company relating to the financial reporting process and our system of accounting, internal controls, auditing and federal securities law matters; reviews and approves transactions with "Related Persons," as defined by SEC Regulation S-K, in accordance with the Company's Related Persons Transactions Policy; reviews the scope and results of the annual audit conducted by the independent registered certified public accounting firm, including any significant matters regarding internal controls over financial reporting; and reviews the Company's internal audit plan, internal audit budget and enterprise risk assessment.

The members of the Audit Committee for 2015 were Messrs. Müller-Ineichen, Linn and Vättö, with Mr. Müller-Ineichen serving as the Chairman. Each member of our Audit Committee is independent as defined in regulations adopted by the SEC and NASDAQ listing standards. Our Board of Directors has determined that all members of our Audit Committee are financially literate, possess accounting or related financial management experience that results in the individual's financial sophistication within the meaning of NASDAQ listing standards and qualify as audit committee financial experts as that term is defined in SEC rules.

Our Audit Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisource.com and is available in print to any shareholder who requests it. On an annual basis, the Audit Committee reviews its charter and presents any recommendations for amendments to the Board. The Audit Committee also evaluates its performance under its charter and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter. The charter was last reviewed by the Audit Committee in February 2016. The Audit Committee met fourteen (14) times and took action pursuant to written consent one (1) time in 2015. The Compensation Committee is also empowered to retain independent compensation consultants, counsel or other advisors as it deems necessary in connection with its responsibilities at the Company's expense. In determining whether a compensation consultant, counsel or other advisor is independent, the Compensation Committee considers all factors set forth in SEC rules and the NASDAQ listing standards with respect to advisor independence, as well as any other factors the Compensation Committee deems relevant. The Compensation Committee may request that any of our Directors, officers, employees or other persons attend its meetings to provide advice, counsel or pertinent information as the Committee requests.

The Nomination/Governance Committee regularly assesses the appropriate size of the Board of Directors and whether any vacancies on the Board of Directors are anticipated. Various potential candidates for Director are then identified. Candidates may come to the attention of the Nomination/Governance Committee through current members of the Board of Directors, professional search firms, shareholders or industry sources.

In evaluating all nominees for Director, our Nomination/Governance Committee takes into account the applicable requirements for Directors under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and NASDAQ listing standards. In addition, our Nomination/Governance Committee takes into account Altisource's best interests as well as such factors as knowledge, experience, skills, expertise, diversity and the interplay of the candidate's experience with the background of other members of our Board of Directors.

Pursuant to the Company's Diversity Policy, the Nomination/Governance Committee will consider diversity when it recommends Director nominees to the Board of Directors, viewing diversity in an expansive way to include differences in prior work experience, viewpoint, education and skill set. In particular, the Nomination/Governance Committee considers diversity in professional experience, skills, expertise, training, broad-based business knowledge and understanding of the Company's business environment when recommending Director nominees to the Board of Directors, with the objective of achieving a Board with diverse business and educational backgrounds. The Nomination/Governance Committee periodically reviews the skills and attributes of Directors within the context of the current make-up of the full Board of Directors as the Nomination/Governance Committee deems appropriate. The Nomination/Governance Committee does not discriminate against candidates for the Board of Directors based on race, color, religion, sex, sexual orientation, national origin, or any other personal attribute that does not speak to a person's ability to serve as a Director.

In evaluating a particular candidate, the Nomination/Governance Committee will also consider factors other than the candidate's qualifications including the current composition of the Board of Directors, the balance

Risk Management and Oversight Process

Our Board of Directors and each of its committees play a key role in the oversight of the Company's risk management.

Through regular reviews with management and internal and external auditors, the Board of Directors and the Audit Committee monitor Altisource's credit risk, liquidity risk, operational risk, legal and regulatory risk and enterprise risk. In its periodic meetings with internal and external auditors, the Audit Committee discusses the scope and plan for the internal audit department and, in conjunction with management, considers whether accounting and financial controls are aligned with business risks. In its periodic meetings with the external auditors, the Audit Committee reviews the external audit scope, the external auditors' responsibilities and independence under the Standards of the Public Company Accounting Oversight Board ("PCAOB"), accounting policies and practices and other required communications.

The Board of Directors and the Compliance Committee monitor Altisource's overall compliance function, including the compliance management system, and Altisource's compliance with legal and regulatory requirements and related risks, through regular reviews with both management and internal auditors. At least quarterly, the Compliance Committee reviews and discusses with management the Company's compliance with legal and regulatory requirements and compliance programs.

In addition, working closely with management, the Nomination/Governance Committee assists the Board of Directors in monitoring the Company's governance and succession risks, and the Compensation Committee assists the Board of Directors in monitoring the Company's compensation policies and related risks.

The role of the Board of Directors in risk oversight is consistent with the Company's leadership structure, with the Chief Executive Officer and other members of management having responsibility for assessing and managing the Company's risk exposure, and our Chairman, the Board of Directors and its committees providing oversight in connection with these efforts.
