RATIFICATION OF THE APPOINTMENT OF RSM US LLP AS INDEPENDENT AUDITORS (page 53)

Stockholders are asked to ratify the appointment of RSM US LLP as independent auditors of Five Star Senior Living Inc. for the Company's fiscal year ending December 31, 2018. The Company's Audit Committee evaluates the performance of the Company's independent auditors and determines whether to reengage the current independent auditors or consider other audit firms. In doing so, the Audit Committee considers the quality and efficiency of the services provided by the auditors, the auditors' technical expertise and knowledge of the Company's operations and industry, the auditors' independence, legal proceedings involving the auditors, the results of PCAOB inspections and peer quality reviews of the auditors and the auditors' reputation in the marketplace. Based on its consideration of these matters, the Audit Committee has appointed RSM US LLP to serve as the Company's independent auditors for the fiscal year ending December 31, 2018.

QUESTIONS AND ANSWERS

Proxy Materials and Voting Information

1. What is included in the proxy materials? What is a proxy statement and what is a proxy?

The proxy materials for the 2018 Annual Meeting include the Notice Regarding the Availability of Proxy Materials, Notice of 2018 Annual Meeting, this Proxy Statement and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017 (the "Annual Report" and, together with the other materials, the "proxy materials"). If you request a paper copy of these materials, the proxy materials will also include a proxy card or voting instruction form.

A proxy statement is a document that the Securities and Exchange Commission ("SEC") regulations require the Company to give you when it asks you to return a proxy designating individuals to vote on your behalf. A proxy is your legal designation of another person to vote the shares you own. That other person is called your proxy. We are asking you to designate the following three persons as your proxies for the 2018 Annual Meeting: Jennifer B. Clark, Secretary; Bruce J. Mackey Jr., President and Chief Executive Officer; and Adam D. Portnoy, Managing Director.

2. What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered directly in your name with the Company's registrar and transfer agent, Equiniti Trust Company (formerly known as Wells Fargo Shareowner Services), you are considered a stockholder of record of those shares. If you are a stockholder of record, you should receive only one notice or proxy card for all the Common Shares you hold in certificate form and in book entry form.

If your shares are held in an account you own at a bank or brokerage or you hold shares through another nominee, you are considered the "beneficial owner" of those shares. If you are a beneficial owner, you will receive voting instruction information from the bank, broker or other nominee through which you own your Common Shares.

If you hold some shares of record and some shares beneficially, you should receive a notice or proxy card for all the Common Shares you hold of record and a separate voting instruction form for the shares from the bank, broker or other nominee through which you own Common Shares.

3. What different methods can I use to vote?

By Written Proxy. All stockholders of record can submit voting instructions by written proxy card. If you are a stockholder of record and receive a Notice Regarding the Availability of Proxy Materials, you may request a written proxy card by following the instructions included in the notice. If you are a beneficial owner, you may request a written proxy card or a voting instruction form from your bank, broker or other nominee. Proxies submitted by mail must be received by 11:59 p.m., Eastern time, on May 16, 2018 or, if the meeting is postponed or adjourned to a later date, by 11:59 p.m., Eastern time, on the day immediately preceding the date of the reconvened meeting.

By Telephone or Internet. All stockholders of record also can authorize a proxy to vote their shares by touchtone telephone by calling 1-800-690-6903, or through the internet at www.proxyvote.com, using the procedures and instructions described in your Notice Regarding the Availability of Proxy Materials or proxy card. Beneficial owners may authorize a proxy by telephone or internet if their bank, broker or other

nominee makes those methods available, in which case the bank, broker or nominee will include the instructions with the proxy voting materials. To authorize a proxy by telephone or internet, you will need the 16 digit control number provided on your Notice Regarding the Availability of Proxy Materials, proxy card or voting instruction form. The telephone and internet proxy authorization procedures are designed to authenticate stockholder identities, to allow stockholders to vote their shares and to confirm that their instructions have been recorded properly. Proxies submitted by telephone or through the internet must be received by 11:59 p.m., Eastern time, on May 16, 2018 or, if the meeting is postponed or adjourned to a later date, by 11:59 p.m., Eastern time, on the day immediately preceding the date of the reconvened meeting.

In Person. All stockholders of record may vote in person at the meeting. Beneficial owners may vote in person at the meeting if they have a legal proxy, as described in the response to [question 15](#).

4. Who may vote at the 2018 Annual Meeting?

Holders of record of Common Shares as of the close of business on February 23, 2018, the Record Date, may vote at the meeting. Holders of Common Shares are entitled to one vote for each Common Share held on the Record Date.

5. What are my voting choices for each of the proposals to be voted on at the 2018 Annual Meeting and what are the voting standards?

Proposal	Voting Choices and Board Recommendation	Voting Standard
Item 1: Election of Directors	<p>vote in favor of both Director nominees;</p> <p>withhold your vote for both Director nominees; or</p> <p>vote in favor of one Director nominee and withhold your vote for the other Director nominee.</p> <p>The Board recommends a vote FOR both Director nominees.</p>	Plurality of all votes cast
Item 2: Ratification of the appointment of RSM US LLP as independent auditors*	<p>vote in favor of the ratification;</p> <p>vote against the ratification; or</p> <p>abstain from voting on the ratification.</p> <p>The Board recommends a vote FOR the ratification.</p>	Majority of all votes cast

*
Our Audit Committee, which is 100% comprised of Independent Directors, appoints the Company's independent auditors. Your vote will ratify prior action by the Audit Committee and will not be binding upon the Audit Committee. However, the Audit Committee values the opinions of the Company's stockholders and may reconsider its prior appointment of the independent auditors or consider the results of this stockholder vote, among other factors, when it determines to appoint the Company's independent auditors in the future.

6. What if I am a stockholder of record and do not specify a choice for a matter when returning a proxy card or authorizing a proxy by internet or telephone?

If you return a signed proxy card or authorize a proxy by internet or telephone and do not specify a choice for a matter, you will be instructing your proxy to vote in the manner recommended by the Board on that matter:

FOR the election of both Director nominees identified in this Proxy Statement; and

FOR the ratification of the appointment of RSM US LLP as independent auditors.

7. What if I am a beneficial owner and do not give voting instructions to my broker?

If you are a beneficial owner and do not provide voting instructions to your bank, broker or other nominee, the following applies:

Non-Discretionary Items. The election of Directors is a non-discretionary item and may not be voted on by brokers, banks or other nominees who have not received specific voting instructions from beneficial owners. The result of the inability of a broker, bank or other nominee to vote on a non-discretionary item for which it has not received specific voting instructions from beneficial owners is referred to as a broker non-vote.

Discretionary Items. The ratification of the appointment of RSM US LLP as independent auditors is a discretionary item. Generally, banks, brokers and other nominees that do not receive voting instructions from beneficial owners may vote on this proposal in their discretion.

8. What is a quorum? How are abstentions and broker non-votes counted?

A quorum of stockholders is required for stockholders to take action at the 2018 Annual Meeting. The presence, in person or by proxy, of stockholders entitled to cast one-third of all the votes entitled to be cast at the 2018 Annual Meeting constitutes a quorum.

Abstentions and broker non-votes are included in determining whether a quorum is present. Abstentions are not votes cast and, therefore, will not be included in vote totals and will have no effect on the outcome of any Item to be voted on at the 2018 Annual Meeting. A proxy marked "WITHHOLD" with respect to Item 1 will have the same effect as an abstention. Broker non-votes are not votes cast and, therefore, will not be included in vote totals and will have no effect on the outcome of Item 1. There can be no broker non-votes on Item 2 as it is a matter on which, if you hold your shares in street name and do not provide voting instructions to the broker, bank or other nominee that holds your shares, the nominee has discretionary authority to vote on your behalf.

9. What may I do if I change my mind after I authorize a proxy to vote my shares?

Stockholders have the right to revoke a proxy at any time before it is voted at the 2018 Annual Meeting, subject to the proxy voting deadlines described above. Stockholders may revoke a proxy by authorizing a proxy again on a later date by internet or by telephone (only the last internet or telephone proxy submitted prior to the meeting will be counted) or by signing and returning a later dated proxy card or by attending the meeting and voting in person. If you are a beneficial owner, see the response to [question 15](#).

A stockholder's attendance at the 2018 Annual Meeting will not revoke that stockholder's proxy unless that stockholder votes again at the meeting or sends an original written statement to the Secretary of the Company revoking the prior proxy. An original written notice of revocation or subsequent proxy should be delivered to Five Star Senior Living Inc., Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458, Attention: Secretary, or hand delivered to the Secretary before the taking of the vote at the 2018 Annual Meeting.

Beneficial owners who wish to change their votes should contact the organization that holds their shares.

10. Can I access the proxy materials on the internet? How can I sign up for the electronic proxy delivery service?

The Notice of 2018 Annual Meeting, this Proxy Statement and the Annual Report are available at www.proxyvote.com. You may access these proxy materials on the internet through the conclusion of the 2018 Annual Meeting.

Instead of receiving future copies of the Company's proxy materials by mail, stockholders of record and most beneficial owners may elect to receive these materials electronically. Opting to receive your future proxy materials electronically will save us the cost of printing and mailing documents, and also will give you an electronic link to our proxy voting site. Your Notice Regarding the Availability of Proxy Materials instructs you as to how you may request electronic delivery of future proxy materials.

11. When will the Company announce the voting results?

The Company will report the final results in a Current Report on Form 8-K filed with the SEC following the completion of the 2018 Annual Meeting.

12. How are proxies solicited and what is the cost?

The Company bears all expenses incurred in connection with the solicitation of proxies. We will request banks, brokers and other nominees to forward proxy materials to the beneficial owners of Common Shares and to obtain their voting instructions. We will reimburse those firms for their expenses of forwarding proxy materials.

Proxies may also be solicited, without additional compensation, by the Company's Directors, officers and employees, and by The RMR Group LLC ("RMR LLC"), its officers and employees and its parent's and subsidiaries' directors, officers and employees, by mail, telephone or other electronic means or in person.

13. What is householding?

As permitted by the Securities Exchange Act of 1934, as amended (the "Exchange Act"), we may deliver only one copy of the Notice Regarding the Availability of Proxy Materials, Notice of 2018 Annual Meeting, this Proxy Statement and the Annual Report to Stockholders residing at the same address, unless the stockholders have notified us of their desire to receive multiple copies of those documents. This practice is known as "householding."

We will deliver a separate copy of any of those documents to you if you write to the Company at Investor Relations, Five Star Senior Living Inc., Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458, or call the Company at (617) 796-8245. If you want to receive separate copies of our notices regarding the availability of proxy materials, notices of annual meetings, proxy statements and annual reports in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee, or you may contact us at the above address or telephone number.

15. How can I vote in person at the meeting if I am a beneficial owner?

If you are a beneficial owner and want to vote your shares at the 2018 Annual Meeting, you need a legal proxy from your bank, broker or other nominee. ELECTION OF DIRECTORS (ITEM 1)

The Board serves as the decision making body of the Company, except for those matters reserved to the stockholders. The Board selects and oversees the Company's officers, who are charged by the Board with conducting the day to day business of the Company.

Election Process

In accordance with our Articles of Amendment and Restatement (our "Charter") and our Bylaws, the Board currently consists of five Directors, three of whom are Independent Directors and two of whom are Managing Directors. Our Charter provides that the Board is divided into three groups, with Directors of each group serving for a term that expires at the third annual meeting of stockholders following his or her election and until his or her successor is elected and qualifies. In accordance with our Charter and Bylaws, on March 20, 2018, pursuant to a recommendation of the Nominating and Governance Committee, the Board elected Adam D. Portnoy as a Managing Director in Group I to fill the vacancy created by the death of Barry M. Portnoy on February 25, 2018 and to serve the remainder of the full term of the Group I Directors, the Group of Directors which stands for election at the 2020 annual meeting of shareholders.

Assuming a quorum is present at the meeting, a plurality of all the votes cast is required to elect a Director at the 2018 Annual Meeting.

Director Nominations

The Nominating and Governance Committee is responsible for identifying and evaluating nominees for Director and for recommending to the Board nominees for election at each annual meeting of stockholders. The Nominating and Governance Committee may consider candidates suggested by the Company's Directors, officers or stockholders or by others.

Stockholder Recommendations for Nominees. Stockholders who would like to recommend a nominee for the position of Director should submit their recommendations in writing by mail to the Chair of the Nominating and Governance Committee, c/o Five Star Senior Living Inc., Secretary, at Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458 or by email to secretary@5ssl.com. A stockholder's recommendation should include any information that the recommending stockholder believes relevant to the Nominating and Governance Committee's consideration. The Nominating and Governance Committee may request additional information about the stockholder recommended nominee or about the stockholder recommending the nominee. Recommendations by stockholders will be considered by the Nominating and Governance Committee in its discretion using the same criteria as other candidates it considers.

Stockholder Nominations for Directors. Our Bylaws also provide that a stockholder of the Company may nominate a person for election to the Board provided the stockholder complies with the advance notice provisions set forth in our Bylaws, which include, among other things, requirements as to the proposing stockholder's timely delivery of advance notice, continuous requisite ownership of Common Shares and submission of specified documentation and information. For more information on how stockholders can nominate Directors for election to the Board, see "Stockholder Nominations and Other Proposals" beginning on page 34.

Director Qualifications

Directors are responsible for overseeing the Company's business. This significant responsibility requires highly skilled individuals with various qualities, attributes and professional experience. The Board believes that there are general requirements that are applicable to all Directors, qualifications applicable to

Independent Directors and other skills and experience that should be represented on the Board as a whole, but not necessarily by each Director. In accordance with our Charter and Bylaws, the Board currently consists of five Directors: two Managing Directors and three Independent Directors. As set forth in our Bylaws, Independent Directors are Directors who are not employees of the Company or RMR LLC, who are not involved in the Company's day to day activities and who meet the qualifications of independent directors under the applicable rules of The Nasdaq Stock Market LLC (the "Nasdaq") and the SEC. As set forth in our Bylaws, Managing Directors are Directors who have been employees, officers or directors of the Company or RMR LLC or who have been involved in the Company's day to day activities for at least one year prior to their election as Directors. The Board and the Nominating and Governance Committee consider the qualifications of Directors and Director candidates individually and in the broader context of the Board's overall composition and the Company's current and future needs.

Qualifications for All Directors

In its assessment of each potential candidate, including those recommended by stockholders, the Nominating and Governance Committee considers the potential nominee's integrity, experience, achievements, judgment, intelligence, competence, personal character, likelihood that a candidate will be able to serve on the Board for an extended period and other matters that the Nominating and Governance Committee deems appropriate. The Nominating and Governance Committee also takes into account the ability of a potential nominee to devote the time and effort necessary to fulfill his or her responsibilities to the Company.

The Board and Nominating and Governance Committee require that each Director candidate be a person of high integrity with a proven record of success in his or her field. In addition, the Nominating and Governance Committee may conduct interviews of potential Director candidates to assess intangible qualities, including the individual's ability to ask appropriate questions and to work collegially. DIRECTOR COMPENSATION

The Compensation Committee is responsible for reviewing and determining the Common Share awards granted to Directors and making recommendations to the Board regarding cash compensation paid to Directors, in each case, for Board, committee and committee chair services. Managing Directors do not receive cash compensation for their services as Directors but do receive Common Share awards for their Board service. The number of Common Shares awarded to each Managing Director for Board service is the same as the number awarded to each Independent Director.

All Directors receive compensation in Common Shares to align the interests of Directors with those of the Company's stockholders. To this end, the Company's Governance Guidelines codify our expectation that, subject to certain exemptions, each Director retain at least 50,000 Common Shares by the later of: (i) the date of the 2019 annual meeting of stockholders of the Company and (ii) five years from the annual meeting of stockholders of the Company at which the Director was initially elected or, if earlier, the first annual meeting of stockholders of the Company following the initial appointment of the Director to the Board.

In determining the amount and composition of our Directors' compensation, the Compensation Committee and the Board take various factors into consideration, including, but not limited to, the responsibilities of Directors generally, as well as for service on committees and as committee chairs, and the forms of compensation paid to directors or trustees by comparable companies, including the compensation of directors and trustees of other companies managed by RMR LLC or its subsidiaries. The Board reviews the Compensation Committee's recommendations regarding Director cash compensation and determines the amount of such compensation.

2017 Annual Director Compensation

In 2017, each Independent Director received an annual fee of \$40,000 for services as a Director, plus a fee of \$1,250 for each meeting attended. Up to two \$1,250 fees were paid if a Board meeting and one or more Board committee meetings, or two or more Board committee meetings, were held on the same date. Each Independent Director and Managing Director received an award of 12,500 Common Shares in 2017.

Each Independent Director who served as a committee chair of the Board's Audit, Quality of Care, Compensation or Nominating and Governance Committees received an additional annual fee of \$20,000, \$20,000, \$10,000 and \$10,000, respectively. Directors were reimbursed for travel expenses they incurred in connection with their duties as Directors and for out of pocket costs they incurred in connection with their attending certain continuing education programs.

The following table details the total compensation of the Directors for the year ended December 31, 2017 for services as a Director.

CORPORATE GOVERNANCE

The Board is committed to corporate governance that promotes the long term interests of our stockholders. The Board has established Governance Guidelines that provide a framework for effective governance. The guidelines address matters such as general qualification standards for the Board, Director responsibilities, Board meetings and communications, Board committees, Director access to management and independent advisers, Director compensation and share ownership guidelines, Director orientation and continuing education, executive development and succession planning, related person transactions, annual performance evaluation of the Board and other matters. The Board regularly reviews developments in corporate governance and updates our Governance Guidelines and other governance materials as it deems necessary and appropriate.

The governance section of our website makes available our corporate governance materials, including the Governance Guidelines, the charter for each Board committee, the Code and information about how to report matters directly to management, the Board or the Audit Committee. To access these documents on the Company's website, www.fivestarseniorliving.com, click on "Investor Relations" and then click on "Corporate Governance." In addition, instructions on how to obtain copies of the Company's corporate governance materials are included in the response to [question 16](#) in the "Questions and Answers" section on page 5.

Board Leadership Structure

In accordance with our Charter and Bylaws, the Board is comprised of five Directors, including three Independent Directors and two Managing Directors. All Directors play an active role in overseeing the Company's business both at the Board and committee levels. As set forth in the Company's Governance Guidelines, the core responsibility of our Directors is to exercise sound, informed and independent business judgment in overseeing the Company and its strategic direction. Our Directors are skilled and experienced leaders and currently serve or have served as members of senior management in public and private for profit organizations and law firms, and have also served in academia. Our Directors may be called upon to provide solutions to various complex issues and are expected to, and do, ask hard questions of the Company's officers and advisors. The Board is small, which facilitates informal discussions and communication from management to the Board and among Directors.

We do not have a Chairman of the Board or a lead Independent Director. Our President and Chief Executive Officer, Chief Financial Officer and Treasurer, Senior Vice President and Chief Operating Officer and Senior Vice President and General Counsel are not members of the Board, but they regularly attend Board and Board committee meetings, as does our Director of Internal Audit. Other officers of the Company may also sometimes attend Board and Board committee meetings as, on occasion, may officers of RMR LLC, in each case, at the invitation of the Board or Board committees. The Company's President and Chief Executive Officer, any Managing Director or any two Independent Directors may call a special meeting of the Board. Our Managing Directors, in consultation with the Company's management and the Director of Internal Audit, sets the agenda for Board meetings. Other Directors may suggest agenda items. Discussions at Board meetings are led by the Managing Director or Independent Director who is most knowledgeable on a subject.

Pursuant to the Company's Governance Guidelines, the Company's Independent Directors are expected to meet in regularly scheduled meetings at which only Independent Directors are present. It is expected that these executive sessions may occur at least twice per year. Our Independent Directors also meet separately with the Company's officers, with the Company's Director of Internal Audit and with the Company's independent auditors. The presiding Director for purposes of leading Independent Director sessions is the Chair of the Audit Committee unless the Independent Directors determine otherwise.

In 2017, the Board held seven meetings. In 2017, each then Director attended 75% or more of the aggregate of all meetings of the Board and the committees on which he or she served. All of the then

Directors attended last year's annual meeting of stockholders. The Company's policy with respect to Board members' attendance at meetings of the Board and annual meetings of stockholders can be found in the Company's Governance Guidelines, the full text of which appears at the Company's website, www.fivestarseniorliving.com.

Independence of Directors

Under the corporate governance listing standards of the Nasdaq, the Board must consist of a majority of Independent Directors. To be considered independent:

a director must not have a disqualifying relationship, as defined in the corporate governance section of the Nasdaq rules; and

the Board must affirmatively determine that the director otherwise has no relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. To facilitate the director independence assessment process, the Board has adopted written Governance Guidelines as described below.

Our Bylaws also require that a majority of the Board be Independent Directors. Under our Bylaws, Independent Directors are Directors who are not employees of the Company or RMR LLC, who are not involved in the Company's day to day activities and who meet the qualifications of independent directors under the applicable rules of the Nasdaq and the SEC.

The Board affirmatively determines whether Directors have a direct or indirect material relationship with the Company, including the Company's subsidiaries, other than serving as the Company's Directors or directors or trustees of the Company's subsidiaries. In making independence determinations, the Board observes the Nasdaq and SEC criteria, as well as the criteria set forth in our Bylaws. When assessing a Director's relationship with the Company, the Board considers all relevant facts and circumstances, not merely from the Director's standpoint, but also from that of the persons or organizations with which the Director has an affiliation. Based on this review, the Board has determined that Barbara D. Gilmore, Donna D. Fraiche and Bruce M. Gans, M.D. currently qualify as independent directors under applicable Nasdaq and SEC criteria and as Independent Directors under our Bylaws. In making these independence determinations, the Board reviewed and discussed additional information provided by the Directors and the Company with regard to each of the Directors' relationships with the Company, RMR Inc. or RMR LLC and the other companies to which RMR LLC or its subsidiaries provide management and advisory services. The Board has concluded that none of these three Directors possessed or currently possesses any relationship that could impair his or her judgment in connection with his or her duties and responsibilities as a Director or that could otherwise be a direct or indirect material relationship under applicable Nasdaq and SEC standards.

Board Committees

The Board has an Audit Committee, Compensation Committee, Nominating and Governance Committee and Quality of Care Committee. The Audit Committee, Compensation Committee, Nominating and Governance Committee and Quality of Care Committee have each adopted a written charter, which is available on the Company's website, www.fivestarseniorliving.com, by clicking on "Investor Relations" and then clicking on "Corporate Governance." Stockholders may also request copies free of charge by writing to Investor Relations, Five Star Senior Living Inc., Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458.

Our Audit Committee, Compensation Committee and Nominating and Governance Committee are comprised entirely of Independent Directors and an Independent Director serves as Chair of each committee. The Director of Internal Audit, with the assistance of Company management, proposes the agenda for meetings of the Audit Committee, Compensation Committee and Nominating and Governance

Committee under the oversight and direction of the Committee Chairs. The Company's management proposes the agenda for meetings of the Quality of Care Committee under the oversight and direction of the Committee's Chair. Additionally, the charter of each of our Audit Committee, Compensation Committee, Nominating and Governance Committee and Quality of Care Committee provides that the committee may form and delegate authority to subcommittees of one or more members when appropriate. Purpose and Primary Responsibilities:

The primary function of the Quality of Care Committee is to review and monitor the quality of healthcare and senior living services the Company provides to its residents, patients and customers. The Quality of Care Committee also periodically makes recommendations to management to improve the quality of the Company's services and periodically reports to the Board regarding its activities.

Board Oversight of Risk

The Board is elected by stockholders to oversee the Company's business and long term strategy. As part of fulfilling its responsibilities, the Board oversees the safeguarding of the assets of the Company, the maintenance of appropriate financial and other internal controls and the Company's compliance with applicable laws and regulations. Inherent in these responsibilities is the Board's understanding and oversight of the various risks facing the Company. The Board considers that risks should not be viewed in isolation and should be considered in virtually every business decision and as part of the Company's business strategy.

Oversight of Risk

The Board oversees risk management.

Board committees play significant roles in carrying out the risk oversight function.

Management implements risk management and RMR LLC and the Company's Director of Internal Audit help management evaluate and implement risk management.

The Board oversees risk as part of its general oversight of the Company. Oversight of risk is addressed as part of various Board and Board committee activities and through regular and special Board and Board committee meetings. The actual day to day business of the Company is conducted by management, and management implements risk management in its activities. The Company's Director of Internal Audit provides the Company advice and assistance with the Company's risk management function.

In discharging their oversight responsibilities, the Board and Board committees review regularly a wide range of reports provided to them by management, RMR LLC and other service providers, including:

reports on market and industry conditions;

operating and regulatory compliance reports;

reports on the Company's clinical operations;

financial reports;

reports on risk management activities;

regulatory and legislative updates that may impact the Company;

reports on the security of the Company's information technology processes and the Company's data; and

legal proceedings updates and reports on other business related matters.

The Board and Board committees discuss these matters among themselves and with representatives of RMR LLC, management of the Company, the Director of Internal Audit, counsel and the Company's independent auditors.

The Audit Committee takes a leading role in helping the Board fulfill its responsibilities for oversight of the Company's financial reporting, internal audit function, risk management and the Company's compliance with legal and regulatory requirements. The Audit Committee meets at least quarterly and reports its findings to the Board. The Board and Audit Committee review periodic reports from the Company's independent auditors regarding potential risks, including risks related to the Company's internal control over financial reporting. The Audit Committee also

Edgar Filing: FIVE STAR SENIOR LIVING INC. - Form DEF 14A

reviews annually, approves and oversees an internal audit plan developed by the Company's Director of Internal Audit and a compliance program developed by the Company's General Counsel and its Chief Compliance Officer with the goal of helping the Company systematically evaluate the effectiveness of its risk management, control, compliance and governance processes. The Audit Committee also meets periodically with the Company's Director of Internal Audit to review the results of the Company's internal audits, and directs or recommends to the Board actions or

changes it determines appropriate to enhance or improve the effectiveness of the Company's risk management.

The Quality of Care Committee reviews management reports on the Company's clinical operations and directs or recommends to management and the Board actions or changes it determines appropriate to improve the Company's clinical operations and to reduce risks arising from those operations.

The Compensation Committee evaluates the performance of the Company's Director of Internal Audit and RMR LLC's performance under the Company's business management agreement, including any perceived risks created by compensation arrangements. Also, the Compensation Committee and the Board consider that the Company has a share award program that requires share awards to executive officers to vest over a period of years. The Company believes that the use of share awards vesting over time rather than stock options mitigates the incentives for the Company's management to undertake undue risks and encourages management to make longer term and appropriately risk balanced decisions.

It is not possible to identify all of the risks that may affect the Company or to develop processes and controls to eliminate all risks and their possible effects, and processes and controls employed to address risks may be limited in their effectiveness. Moreover, it is necessary for the Company to bear certain risks to achieve its objectives. As a result of the foregoing and other factors, the Company's ability to manage risk is subject to substantial limitations.

To learn more about the risks facing the Company, you can review the matters discussed in Part I, "Item 1A. Risk Factors" and "Warning Concerning Forward Looking Statements" in our Annual Report. The risks described in the Annual Report are not the only risks facing the Company. Additional risks and uncertainties not currently known or that may currently be deemed to be immaterial also may materially adversely affect the Company's business, financial condition or results of operations in future periods.

Director Share Ownership Policy

All Directors receive compensation in Common Shares to align the interests of Directors with those of the Company's stockholders. The Company's Governance Guidelines codify our expectation that, subject to certain exemptions, each Director retain at least 50,000 Common Shares by the later of: (i) the date of the 2019 annual meeting of stockholders of the Company and (ii) five years from the annual meeting of stockholders of the Company at which the Director was initially elected or, if earlier, the first annual meeting of stockholders of the Company following the initial appointment of the Director to the Board.

Pursuant to the Company's insider trading policy, Directors and executive officers are required to obtain pre-approval from at least two designated individuals before trading or agreeing to trade in, including by entering into a share trading plan such as a 10b5-1 trading plan, with respect to any Company security.

The Company's insider trading policy generally prohibits (i) the Company's Directors and officers, (ii) the directors and officers of the Company's subsidiaries, (iii) RMR Inc. and its directors and officers, (iv) other employees of the Company and its subsidiaries and (v) RMR LLC and its officers and employees, to the extent they are involved in RMR LLC's services to the Company, from, directly or indirectly through family members or others, purchasing or selling Common Shares or the Company's other equity or debt securities while in possession of material, non-public information concerning the Company. Similar prohibitions also apply to trading in the securities of RMR Inc. and the other public companies to which RMR LLC provides management or advisory services on the basis of material, non-public information learned in the course of performing services for those companies.

Sustainability

The Company's business strategy incorporates and values environmental sustainability principles. The Company seeks to operate its properties in a manner that improves the environmental efficiency of their operations. The Company regularly considers ways to improve the Company's internal culture and the communities in which it operates. The Company's environmental sustainability and community engagement strategies are primarily implemented by its operations personnel and focus on a complementary set of objectives, including the following:

Environmental Stewardship: The Company seeks to lessen its environmental footprint of its properties, including by reducing energy consumption and water usage at the Company's properties, especially when doing so may reduce operating costs and improve the properties' competitive positions.

Corporate Citizenship: The Company seeks to be a responsible corporate citizen and to strengthen the communities in which it operates properties. The Company regularly encourages its employees to engage in a variety of charitable and community programs, including participation in a service day.

Related Person Transactions

The descriptions of agreements in this "Related Person Transactions" section do not purport to be complete and are subject to, and qualified in their entirety by, reference to the actual agreements, copies of certain of which are filed as exhibits to the Annual Report.

A "related person transaction" is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) or a proposed transaction in which (i) the Company was, is or will be a participant, (ii) the amount involved exceeds the lesser of \$120,000 or 1.0% of the average of the Company's total assets at year end for the last two completed fiscal years and (iii) any related person had, has or will have a direct or indirect material interest.

A "related person" means any person who is, or at any time since January 1, 2017 was:

a Director, a nominee for Director or an executive officer of the Company;

known to the Company to be the beneficial owner of more than 5.0% of the outstanding Common Shares when a transaction in which such person had a direct or indirect material interest occurred or existed;

an immediate family member of any of the persons referenced in the preceding two bullets, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of any of the persons referenced in the preceding two bullets, and any person (other than a tenant or employee) sharing the household of any of the persons referenced in the preceding two bullets; or

Certain Related Person Transactions

Relationship with SNH. The Company was formerly a 100% owned subsidiary of SNH until SNH distributed the Common Shares it then owned to its shareholders in 2001. SNH is currently one of the Company's largest stockholders, owning, as of December 31, 2017, 4,235,000 Common Shares, or 8.4% of the outstanding Common Shares. SNH is the Company's largest landlord and the Company manages certain senior living communities for SNH.

One of the Company's former Managing Directors, Barry M. Portnoy, was a managing trustee of SNH until his death on February 25, 2018. One of the Company's current Managing Directors, Adam D. Portnoy, Barry M. Portnoy's son, also serves as a managing trustee of SNH. The Company's Chief Financial Officer and Treasurer was formerly SNH's chief financial officer and treasurer from 2007 through 2015. RMR LLC provides management services to both the Company and SNH. RMR Inc., the managing member of RMR LLC, is controlled by ABP Trust, which is controlled by its current sole trustee, Adam D. Portnoy. SNH's executive officers are officers of RMR LLC. The Company's President and Chief Executive Officer, Chief Financial Officer and Treasurer and Senior Vice President and General Counsel are officers of RMR LLC.

In order to effect SNH's distribution of Common Shares to its shareholders in 2001 and to govern relations with SNH thereafter, the Company entered agreements with SNH and others, including RMR LLC. Since then, the Company has entered various leases, management agreements and other

Edgar Filing: FIVE STAR SENIOR LIVING INC. - Form DEF 14A

agreements with SNH that include provisions that confirm and modify these undertakings. Among other things, these agreements provide that:

so long as SNH remains a REIT, the Company may not waive the share ownership restrictions in our Charter that prohibit any person or group from acquiring more than 9.8% (in value or number of shares, whichever is more restrictive) of the outstanding shares of any class of the Company's stock without SNH's consent;

so long as the Company is a tenant of, or manager for, SNH, the Company will not permit nor take any action that, in the reasonable judgment of SNH, might jeopardize SNH's qualification for taxation as a REIT;

SNH has the right to terminate the Company's leases and management agreements upon the acquisition by a person or group of more than 9.8% of the Company's voting stock or other change in control events affecting the Company, as defined therein, including the adoption of any stockholder proposal (other than a precatory proposal) or the election to the Board of any individual if such proposal or individual was not approved, nominated or appointed, as the case may be, by a majority of the Company's Directors in office immediately prior to the making of such proposal or the nomination or appointment of such individual; and

so long as the Company is a tenant of, or manager for, SNH or has a business management agreement with RMR LLC, the Company will not acquire or finance any real estate of a type then owned or financed by SNH or any other company managed by RMR LLC without first giving SNH or such other company managed by RMR LLC, as applicable, the opportunity to acquire or finance that real estate.

Senior Living Communities Leased from SNH. SNH is the Company's largest landlord and the Company is SNH's largest tenant. As of December 31, 2017, the Company leased 185 senior living communities from SNH pursuant to five leases with SNH.

The Company's total annual rent payable to SNH was \$207.0 million as of December 31, 2017. The Company's total rent expense under all of the Company's leases with SNH, net of lease inducement amortization and the amortization of the deferred gain from certain properties the Company sold to SNH was \$203.6 million for the year ended December 31, 2017, which amount included \$5.5 million, of percentage rent.

Edgar Filing: FIVE STAR SENIOR LIVING INC. - Form DEF 14A

The following table is a summary of the Company's leases with SNH as of December 31, 2017:

Lease	Number of Properties	Annual Minimum Rent as of December 31, 2017	Current Expiration Date	Remaining Renewal Options
1. Lease No. 1 for skilled nursing facilities ("SNFs") and independent and assisted living communities	83	\$ 59.7 million	December 31, 2024	Two 15-year renewal options.
2. Lease No. 2 for SNFs and independent and assisted living communities	47	\$ 66.4 million	June 30, 2026	Two 10-year renewal options.
3. Lease No. 3 for independent and assisted living communities	17	\$ 35.6 million	December 31, 2028	Two 15-year renewal options.
4. Lease No. 4 for SNFs and independent and assisted living communities	29	\$ 35.5 million	April 30, 2032	Two 15-year renewal options.
5. Lease No. 5 for independent and assisted living communities	9	\$ 9.8 million	December 31, 2028	Two 15-year renewal options.

Under the Company's leases with SNH, the Company pays SNH annual rent plus percentage rent equal to 4.0% of the increase in gross revenues at certain of SNH's senior living communities over base year gross revenues as specified in the applicable lease. The Company's obligation to pay percentage rent under Lease No. 5 commences in 2018. Under the leases with SNH, the Company has the option to extend the lease term for two consecutive 10 or 15 year terms. SNH has the right, in connection with a financing or other capital raising transaction, to reassign one or more of the communities covered by Lease No. 3 or Lease No. 5 to another of the long term lease agreements with SNH.

The Company's leases with SNH are "triple net" leases, which generally require the Company to pay rent and all property operating expenses, to indemnify SNH from liability which may arise by reason of SNH's ownership of the properties, to maintain the properties at the Company's expense, to remove and dispose of hazardous substances on the properties in compliance with applicable law and to maintain insurance on the properties for the Company's and SNH's benefit. In the event of any damage, or immaterial condemnation, of a leased property, the Company is generally required to rebuild with insurance or condemnation proceeds or, if such proceeds are insufficient, other amounts made available by SNH, if any, but if other amounts are made available by SNH, the Company's rent will be increased accordingly. In the event of any material or total condemnation of a leased property, the lease will terminate with respect to that leased property, in which event SNH will be entitled to the condemnation proceeds and the Company's rent will be reduced accordingly. In the event of any material or total destruction of the leased property, the Company may terminate the lease with respect to that leased property, in which event the Company is required to pay to SNH any shortfall in the amount of proceeds SNH receives from insurance compared to the replacement cost of that leased property and the Company's rent will be reduced accordingly.

Under the Company's leases with SNH, the Company may request that SNH purchase certain improvements to the leased communities in return for rent increases in accordance with a formula specified in the applicable lease; however, SNH is not obligated to purchase such improvements and the Company is not obligated to sell them to SNH. During the year ended December 31, 2017, the Company sold \$39.8 million of such improvements and the Company's annual rent payable to SNH increased by approximately \$3.2 million in accordance with the terms of the applicable leases.

During the quarter ended June 30, 2017, the Company and SNH agreed to amend the applicable lease for certain construction, expansion and development projects at two senior living communities the

Company leases from SNH. If and when the Company requests that SNH purchase improvements related to these specific projects from them, the Company's annual rent payable to SNH will increase by an amount equal to the interest rate then applicable to SNH's borrowings under its revolving credit facility plus 2.0% per annum of the amount SNH purchased. This amount of increased rent will apply until 12 months after a certificate of occupancy is issued with respect to the project; thereafter, the Company's annual rent payable to SNH will be revised to equal the amount otherwise determined pursuant to the capital improvement formula specified in the applicable lease.

In August 2017, the Company sold to SNH a land parcel adjacent to a senior living community located in Delaware that SNH leases to the Company for approximately \$750,000, excluding closing costs. This land parcel was added to the applicable lease and the Company's annual minimum rent payable to SNH increased by approximately \$33,000 in accordance with the terms of that lease.

Senior Living Communities Managed for the Account of SNH. As of December 31, 2017, the Company managed 70 senior living communities for SNH's account. The Company earned base management fees from SNH of \$13.0 million for the year ended December 31, 2017. In addition, the Company earned incentive fees of \$0 and fees for the Company's management of capital expenditure projects at the communities the Company managed for the account of SNH of \$0.8 million for the year ended December 31, 2017.

The Company and SNH have 12 pooling agreements that currently combine most of the Company's management agreements with SNH that include assisted living units (the "AL Management Agreements"). The pooling agreements combine various calculations of revenues and expenses from the operations of the applicable communities covered by such agreements. The Company's AL Management Agreements and pooling agreements generally provide that the Company receives from SNH:

a management fee equal to either 3.0% or 5.0% of the gross revenues realized at the applicable communities,

reimbursement for the Company's direct costs and expenses related to such communities,

an annual incentive fee equal to either 35.0% or 20.0% of the annual net operating income of such communities remaining after SNH realizes an annual minimum return equal to either 8.0% or 7.0% of its invested capital, or, in the case of certain of the communities, a specified amount plus 7.0% of the Company's invested capital since December 31, 2015, and

a fee for the Company's management of capital expenditure projects equal to 3.0% of amounts funded by SNH.

The Company's management agreements with SNH for the part of the senior living community owned by SNH and located in Yonkers, New York that is not subject to the requirements of New York healthcare licensing laws, as described elsewhere herein, and for the assisted living community owned by SNH and located in Villa Valencia, California, are not currently included in any of the Company's pooling agreements with SNH.

The Company also has a pooling agreement with SNH that combines all of the Company's management agreements with SNH for senior living communities consisting only of independent living units.

The Company's management agreements with SNH generally expire between 2030 and 2041, and are subject to automatic renewal for two consecutive 15 year terms, unless earlier terminated or timely notice of nonrenewal is delivered. These management agreements also generally provide that the Company, in some cases, and SNH each have the option to terminate the agreements upon the acquisition by a person or group of more than 9.8% of the other's voting stock and upon certain change in control events affecting the other party, as defined in the applicable agreements, including the adoption of any stockholder proposal (other than a precatory proposal) with respect to the other party, or the election to the board of directors or trustees, as applicable, of the other party of any individual, if such proposal or

individual was not approved, nominated or appointed, as the case may be, by a majority of the other party's board of directors or board of trustees, as applicable, in office immediately prior to the making of such proposal or the nomination or appointment of such individual.

In June 2017, the Company and SNH agreed to amend the applicable management and pooling agreements for a construction, expansion and development project at a senior living community that SNH owns and that is managed by the Company. SNH's minimum return on invested capital for this specific project will increase by an amount equal to the interest rate then applicable to its borrowings under its revolving credit facility plus 2.0% per annum. This amount of increased minimum return will apply until 12 months after a certificate of occupancy is issued with respect to the project; thereafter, the amount of annual minimum return on invested capital will be revised to equal the amount otherwise determined pursuant to the applicable management and pooling agreements. The Company and SNH also agreed that the commencement of the measurement period for determining whether the specified annual minimum return under the applicable management and pooling agreements has been achieved will be deferred until 12 months after a certificate of occupancy is issued with respect to the project.

In November 2017, the Company entered a transaction agreement with SNH pursuant to which the Company agreed to sell six senior living communities to SNH. Pursuant to this transaction agreement, the Company also agreed that, as the sales of these communities occur, (i) the Company and SNH would enter new management agreements for the Company to manage these senior living communities for SNH and (ii) the new management agreements would be combined pursuant to two new pooling agreements to be entered between the Company and SNH. In December 2017, January 2018 and February 2018, the Company sold to, and began managing for the account of, SNH, two of these senior living communities located in Alabama and Indiana, one of these senior living communities located in Tennessee and another one of these senior living communities located in Arizona, respectively, and in connection with those sales entered management agreements with SNH for each of these senior living communities and two pooling agreements with SNH. The first pooling agreement combines the management agreements for five of these senior living communities. Pursuant to the terms of the management and pooling agreements for five of these senior living communities, SNH will pay the Company a management fee equal to 5.0% of the gross revenues realized at these communities plus reimbursement for the Company's direct costs and expenses related to the Company's operation of these communities, as well as an annual incentive fee equal to 20.0% of the annual net operating income of such communities remaining after SNH realizes an annual minimum return equal to 7.0% of its invested capital for these senior living communities. The second pooling agreement includes one management agreement for one of these senior living communities that is subject to an ongoing construction, expansion and development project. The terms of the Company's management and pooling agreements entered for this senior living community are substantially the same as the terms of the management and pooling agreements for the other five senior living communities, except that SNH's annual minimum return on invested capital related to the ongoing, construction and development project at this community will be an amount equal to the interest rate then applicable to borrowings under SNH's revolving credit facility plus 2.0% per annum. This amount of minimum return will apply until the earlier of 12 months after a certificate of occupancy is issued with respect to the project and the third anniversary of the Company's sale of this community; thereafter, the amount of annual minimum return on invested capital related to this project will be 7.0% of SNH's invested capital. Also pursuant to the terms of the management and pooling agreements for these senior living communities, SNH will pay the Company a fee for its management of capital expenditure projects at these senior living communities equal to 3.0% of amounts funded by SNH. The terms of these management and pooling agreements will expire in 2041 and will be subject to automatic renewals for two 15 year periods thereafter, unless earlier terminated or timely notices of nonrenewal are delivered. The remaining sales under the transaction agreement are subject to conditions, including SNH's assumption of certain applicable mortgage debt and receipt of any applicable regulatory approvals. The conditions to these sales may not be met and some or all of these sales may not be completed, may be delayed or the terms of these sales or the management and pooling agreements for these communities may change.

Also in November 2017, the Company amended the Company's preexisting pooling agreements with SNH, among other things, to provide that, with respect to SNH's right to terminate all of the management agreements covered by a preexisting pooling agreement if it does not receive its annual minimum return

under such agreement in each of three consecutive years, the commencement year for the measurement period for determining whether the specified annual minimum return under the applicable pooling agreement has been achieved will be 2017.

In addition to management services, the Company also provides certain other services to residents at some of the senior living communities the Company manages for SNH, such as rehabilitation services. At senior living communities the Company manages for the account of SNH where the Company provides rehabilitation services on an outpatient basis, the residents, third party payers or government programs pay the Company for those rehabilitation services. At senior living communities the Company manages for the account of SNH where the Company provides both inpatient and outpatient rehabilitation services, SNH generally pays the Company for these services and charges for such services are included in amounts charged to residents, third party payers or government programs. The Company earned revenues of \$7.5 million for the year ended December 31, 2017 for rehabilitation services the Company provided at senior living communities the Company manages for the account of SNH and that are payable by SNH.

D&R Yonkers LLC. In order to accommodate certain requirements of New York healthcare licensing laws, a part of the senior living community SNH owns and the Company manages that is located in Yonkers, New York is subleased by a subsidiary of SNH to D&R Yonkers LLC. D&R Yonkers LLC is owned by the Company's Chief Financial Officer and Treasurer and SNH's president and chief operating officer. The Company manages this part of the community pursuant to a long term management agreement with D&R Yonkers LLC under which the Company earns a management fee equal to 3.0% of the gross revenues realized at that part of the community and no incentive fee is payable to the Company. The Company's management agreement with D&R Yonkers LLC expires on August 31, 2022, and is subject to renewal for eight consecutive five year terms, unless earlier terminated or timely notice of nonrenewal is delivered. Pursuant to the Company's management agreement with D&R Yonkers LLC, the Company earned management fees of approximately \$0.3 million for the year ended December 31, 2017.

Relationships with RMR LLC and Others Related to It. RMR LLC provides business management services to the Company pursuant to a business management agreement. The Company has relationships and historical and continuing transactions with RMR LLC, RMR Inc. and others related to them. RMR LLC is a majority owned subsidiary of RMR Inc. ABP Trust is the controlling shareholder of RMR Inc. One of the Company's Managing Directors, Adam D. Portnoy, is the current sole trustee of, and owns beneficial interest in, ABP Trust. ABP Acquisition LLC, the Company's largest stockholder, is a subsidiary of ABP Trust. Adam D. Portnoy is a managing director and an officer and, as the current sole trustee of ABP Trust, is the controlling shareholder of RMR Inc. and is an officer of RMR LLC. Adam D. Messrs. Mackey and Doyle and Ms. Potter are also eligible to participate in certain RMR LLC benefit plans and to receive

Edgar Filing: FIVE STAR SENIOR LIVING INC. - Form DEF 14A

share awards from RMR Inc. and other companies to which RMR LLC or its subsidiaries provide management services. The Company believes the compensation it paid to these officers reasonably reflected their division of business time and efforts; however, periodically, these individuals may divide their business time and efforts differently than they do currently and their compensation from the Company may become disproportionate to this division.

Management Agreement with RMR LLC. RMR LLC provides business management services to the Company pursuant to a business management agreement. These business management services may include, but are not limited to, services related to compliance with various laws and rules applicable to the Company's status as a public company, maintenance of the Company's senior living communities, evaluation of business opportunities, accounting and financial reporting, capital markets and financing activities, investor relations and general oversight of the Company's daily business activities, including legal matters, human resources, insurance programs and the like.

Fees. The Company pays RMR LLC an annual business management fee equal to 0.6% of the Company's revenues. Revenues are defined as the Company's total revenues from all sources reportable under generally accepted accounting principles ("GAAP"), less any revenues reportable by the Company with respect to communities for which the Company provides management services plus the gross revenues at those communities determined in accordance with GAAP. Pursuant to the business management agreement with RMR LLC, the Company recognized business management fees of \$9.3 million for the year ended December 31, 2017.

Term and Termination. The current term of the Company's business management agreement with RMR LLC ends on December 31, 2018 and automatically renews for successive one year terms unless the Company or RMR LLC gives notice of nonrenewal before the end of an applicable term. RMR LLC may terminate the business management agreement upon 120 days' written notice, and the Company has the right to terminate the business management agreement upon 60 days' written notice, subject to approval by a majority vote of the Company's Independent Directors. If the Company terminates or elects not to renew the business management agreement other than for cause, as defined, the Company is obligated to pay RMR LLC a termination fee equal to 2.875 times the sum of the annual base management fee and the annual internal audit services expense, which amounts are based on averages during the 24 consecutive calendar months prior to the date of notice of nonrenewal or termination.

Expense Reimbursement. Pursuant to the Company's business management agreement, the Company is generally responsible for all of its operating expenses, including certain expenses incurred by RMR LLC on the Company's behalf. Under the Company's business management agreement, the Company reimburses RMR LLC for the Company's allocable costs for the Company's internal audit function. The Audit Committee appoints the Company's Director of Internal Audit and the Compensation Committee approves the costs of the Company's internal audit function. Vendors. Pursuant to the Company's business management agreement with RMR LLC, RMR LLC may from time to time negotiate on the Company's behalf with certain third party vendors and suppliers for the procurement of goods and services to the Company. During the year ended December 31, 2017, the Company granted annual share awards of 92,800 Common Shares to such persons. Those share awards had an aggregate value of approximately \$0.1 million, based upon the closing price of the Common Shares on the Nasdaq on the date of grant. One fifth of those share awards vested on the grant date and one fifth vests on each

of the next four anniversaries of the grant date. These share awards to such RMR LLC employees are in addition to the fees the Company pays to RMR LLC and the Company's share awards to its Directors, officers and employees. In 2017, the Company purchased 13,379 Common Shares, at the closing price of the Common Shares on the Nasdaq on the date of purchase, from certain of the Company's officers and employees and other officers and employees of RMR LLC who are not also Directors, officers or employees of the Company in satisfaction of tax withholding and payment obligations in connection with the vesting of awards of Common Shares.

On occasion, the Company has entered into arrangements with former employees of RMR LLC in connection with the termination of their employment with RMR LLC, providing for the acceleration of vesting of Common Share awards previously granted to them under the Company's equity compensation plan. Additionally, each of the Company's President and Chief Executive Officer, Chief Financial Officer and Treasurer and Senior Vice President and General Counsel during 2017 received share awards from RMR Inc. and other companies to which RMR LLC or its subsidiaries provide management services, including SNH, in their capacities as officers of RMR LLC.

Portnoy, and the remainder was owned by Barry M. Portnoy until his death, and which manages certain hotels owned by HPT, and the Company's Directors, officers and employees have in the past stayed, and are likely in the future to stay, overnight at hotels operated by Sonesta when traveling for Company business. The Company pays Sonesta for the use of meeting space and related services and pays Sonesta or reimburses the Company's Directors, officers and employees for the costs of these hotel stays.

Relationship with ABP Trust. The Company's rent expense for its headquarters, including utilities and real estate taxes that it pays as additional rent, was \$1.6 million for the year ended December 31, 2017.

Relationship with AIC. The Company, ABP Trust, SNH and four other companies to which RMR LLC provides management services currently own AIC, an Indiana insurance company, in equal amounts, and are parties to a shareholders agreement regarding AIC.

Our Charter and other agreements to which the Company is a party place restrictions on the ability of any person or group to acquire beneficial ownership of more than 9.8% of any class of the Company's equity shares. Additionally, the terms of the Company's leases with SNH contain provisions whereby the Company's rights under these agreements may be cancelled by SNH upon the acquisition by any person or group of more than 9.8% of the Company's voting stock or upon other change in

control events, as defined. If the violation of these ownership limitations causes a lease or contract default, stockholders causing the default may become liable to the Company or to other stockholders for damages. The ABP Parties received (i) exceptions to the ownership restrictions set forth in our Charter that would allow the ABP Parties and certain related persons to acquire and own, in aggregate, up to 38.0% of the issued and outstanding Common Shares and (ii) waivers for any default or event of default under any lease, management or other agreement between or among the Company and SNH, or any of the Company's or SNH's subsidiaries, arising or resulting from the grant of such exceptions or the acquisition by the ABP Parties, in aggregate, of up to 18,000,000 Common Shares. In addition, in order to help the Company preserve the tax treatment of the Company's net operating losses and other tax benefits, our Bylaws generally provide that transfers of the Company's shares to a person, entity or group that is then, or would become as a result, an owner of 5.0% or more of the Company's outstanding shares under applicable standards would be void in total for transferees then already owning 5.0% or more of the Company's shares, and for transferees that would otherwise become owners of 5.0% or more of the Company's shares, to the extent the transfer would so result in such level of ownership by the proposed transferee and to the extent not approved by the Company. The 5.0% ownership limitation under our Bylaws is determined based on applicable tax rules. Each of the ABP Parties, SNH, W.F. Thomas, R.D. Thomas and Gemini have represented to the Company that they do not own 5.0% or more of the Company's shares under those applicable tax rules or in violation of the 5.0% ownership limitation under our Bylaws. The percentages indicated are based on approximately 50,524,424 Common Shares outstanding as of the Record Date, February 23, 2018.
