EXPLANATORY NOTE

This amendment to the Annual Report on Form 10-K for Peoples Financial Services Corp. (the “Company”) for the fiscal year ended December 31, 2004 (initially filed on March 15, 2005, the “Original Filing”), is being filed to include *Management’s annual report on internal control over financial reporting* required by Item 308(a) of Regulation S-K and the related *Attestation report of the registered public accounting firm* required by Item 308(b). As permitted by SEC Release No. 34-50754 dated November 30, 2004, the initial filing of the Company’s Form 10-K did not include those items. However, in order for the Company’s Form 10-K to be deemed as “timely filed”, those items must be included in a Form 10-K Amendment to be filed within 45 days of the filing deadline otherwise specified for the Original Filing.

This Amendment is specifically intended to make only the following changes to the Company’s 10-K for the year ended December 31, 2004: 1) to modify Part II Item 9A to include the information required by Items 308(a) and 308(b) of Regulation S-K; 2) to update the requisite Section 302 and Section 906 certifications and the signature page to reflect the filing date of this Amendment; and 3) to modify the list of exhibits to reflect the updated certifications and auditor’s consent and to incorporate by reference any other exhibits filed with the Original Filing. All other information presented in the Original Filing is unaffected by this Amendment, and has thus not been reiterated herein. All information in this Amendment is as of the date of the Original Filing and does not reflect any subsequent information or events occurring after the date of the Original Filing.

There were no changes in the Company's internal controls over financial reporting that occurred during the fourth fiscal quarter ending December 31, 2004 that have materially affected, or are reasonably likely to materially affect, the Company's internal controls over financial reporting.

Report of Independent Registered Public Accounting Firm

The Board of Directors

Peoples Financial Services Corp.

Hallstead, Pennsylvania

We have audited management's assessment, included in the accompanying Management's Report on Internal Controls, that Peoples Financial Services Corp. maintained effective internal control over financial reporting as of December 31, 2004, based on criteria established in Internal Control -- Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Peoples Financial Services Corp.'s management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting. Our responsibility is to express an opinion on management's assessment and an opinion on the effectiveness of the company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, evaluating management's assessment, testing and evaluating the design and operating effectiveness of internal control, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become

inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, management's assessment that Peoples Financial Services Corp. maintained effective internal control over financial reporting as of December 31, 2004, is fairly stated, in all material respects, based on criteria established in Internal Control -- Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Also in our opinion, Peoples Financial Services Corp. maintained, in all material respects, effective internal control over financial reporting as of December 31, 2004, based on criteria established in Internal Control -- Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheets of Peoples Financial Services Corp. and its subsidiary as of December 31, 2004 and 2003, and the related consolidated statements of income, stockholders' equity, and cash flows for each of the years in the three year period ended December 31, 2004, and our report dated February 25, 2005, expressed an unqualified opinion on those consolidated financial statements.
