Item 2.06 Material Impairments

Peoples Financial Services Corp. (the “Company”) recorded a before tax other than temporary impairment (OTTI) charge related to security positions in FHLMC (“Freddie Mac”) preferred equity and debt securities issued by Lehman Brothers Holdings (Lehman). The before tax loss on the Freddie Mac preferred equity positions totals \$2,289,000 and the before tax loss on the Lehman debt totals \$2,580,000. The net of tax effect to earnings is a loss of \$3,214,000 or \$1.03 per share. The OTTI became necessary as the result of recent Treasury Department actions as well as the overall credit crisis and deterioration within the financial markets. At the present time, management cannot determine if or when the financial condition of Freddie Mac will improve, nor can it be reasonably determined if the value of the Lehman debt will improve. The Company and its subsidiary Peoples National Bank remain well-capitalized under regulatory standards.
