Our principal executive office is located at 1 West Wetmore Road, Suite 203, Tucson, Arizona, 85705.

Entitlement to Vote

If you are a registered holder of shares of our common stock on the record date, you may vote those shares of our common stock in person at the annual meeting or by proxy in the manner described below under Voting of Proxies. If you hold shares of our common stock in street name through a broker or other financial institution, you must follow the instructions provided by your broker or other financial institution regarding how to instruct your broker or financial institution to vote your shares.

Voting of Proxies

You can vote the shares that you own of record on the record date by either attending the annual meeting in person or by filling out and sending in a proxy in respect of the shares that you own. Your execution of a proxy will not affect your right to attend the annual meeting and to vote in person.

You may revoke your proxy at any time before it is voted by:

- (a) filing a written notice of revocation of proxy with our corporate secretary at any time before the taking of the vote at the annual meeting;
- (b) executing a later-dated proxy relating to the same shares and delivering it to our corporate secretary at any time before the taking of the vote at the annual meeting; or
- (c) attending at the annual meeting, giving affirmative notice at the annual meeting that you intend to revoke your proxy and voting in person. Please note that your attendance at the annual meeting will not, in and of itself, revoke your proxy.

All shares of common stock represented by properly executed proxies received at or prior to the annual meeting that have not been revoked will be voted in accordance with the instructions of the stockholder who has executed the proxy. If no choice is specified in a proxy, the shares represented by the proxy will be voted FOR the election of all the nominees to serve as our directors and FOR the approval of all of the other proposals set forth in the accompanying notice of meeting. The shares represented by each proxy will also be voted for or against such other matters as may properly come before the annual meeting in the discretion of the persons named in the proxy as proxy holders. We are not aware of any other matters to be presented for action at the annual meeting other than those described herein.

Any written revocation of proxy or subsequent later-dated proxy should be delivered to Nord Resources Corporation, 1 West Wetmore Road, Suite 203, Tucson, Arizona, 85705, Attention: John T. Perry, President.

Record Date And Shares Entitled To Vote

Our Board of Directors has fixed the close of business on September 6, 2007 as the record date for the determination of stockholders entitled to notice of and to vote at the annual meeting. At the record date, there were approximately <>35,271,685 shares of our common stock issued, outstanding, and entitled to vote at the annual meeting. Holders of common stock are entitled to one vote at the annual meeting for each share of common stock held of record at the record date. There are no separate voting groups or separate series of stock. There is no cumulative voting in the election of directors.

Quorum

A quorum is necessary to hold a valid meeting of our stockholders. The required quorum for the transaction of business at the annual meeting is one-third of our issued and outstanding shares as of the record date.

In order to be counted for purposes of determining whether a quorum exists at the annual meeting, shares must be present at the annual meeting either in person or represented by proxy. Shares that will be counted for purposes of determining whether a quorum exists will include:

1. shares represented by properly executed proxies for which voting instructions have been given, including proxies which are marked Abstain or Withhold for any matter;
2. shares represented by properly executed proxies for which no instruction has been given; and
3. broker non-votes.

Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker does not have discretionary authority to vote such shares.

Votes Required

Proposal One Election of Directors: The affirmative vote of the holders of a plurality of the shares of common stock voting is required for the election of our directors. This means that the nominees who receive the greatest number of votes for each open seat will be elected. Votes may be cast in favor of the election of directors or withheld. A vote is withheld when a properly executed proxy is marked WITHHOLD for the election of one or more directors. Votes that are withheld and broker non-votes will

be counted for the purposes of determining the presence or absence of a quorum but will have no other effect on the election of directors.

Proposal Two Changes to Amended Certificate of Incorporation: The affirmative vote of the holders of a majority of the shares of our common stock outstanding on the record date is required for the approval of the amendment to our Amended Certificate of Incorporation to increase the authorized number of shares of our common stock. Stockholders may vote in favor of or against this proposal, or they may abstain. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum, and will have the same effect as a vote against this proposal.

Proposal Three Appointment of Accountants: The affirmative vote of the holders of a majority of our common stock represented at the annual meeting in person or by proxy is required for the ratification of the appointment of our independent registered public accountants. Stockholders may vote in favor or against any proposal, or they may abstain. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Abstentions are deemed to be votes cast , and have the same effect as a vote against this proposal. Broker non-votes are not deemed to be votes cast and, therefore, have no effect on the vote with respect to this proposal.

Stockholder Proposals

No proposals have been received from any stockholder to be considered at the annual meeting.

Other Matters

It is not expected that any matters other than those referred to in this proxy statement will be brought before the annual meeting. If other matters are properly presented, however, the persons named as proxy appointees will vote in accordance with their best judgment on such matters. The grant of a proxy also will confer discretionary authority on the persons named as proxy appointees to vote in accordance with their best judgment on matters incident to the conduct of the annual meeting.

Solicitation of Proxies

This proxy solicitation is being made on behalf of our Board of Directors. We will solicit proxies initially by mail. Further solicitation may be made by our directors, officers and employees personally, by telephone, facsimile, e-mail, Internet or otherwise, but they will not be specifically compensated for these services. Upon request, we will reimburse brokers, dealers, banks or similar entities acting as nominees for their reasonable expenses incurred in forwarding copies of the proxy materials to the beneficial owners of the shares of our common stock they hold as of the record date. We will bear the expenses incurred in connection with printing, filing and mailing of this proxy statement.

Mr. Anderson holds a degree in Civil Engineering Technology from Michigan Technological University and is a

member of the Society for Mining, Metallurgy, and Exploration of the American Institute of Mining, Metallurgical, and Petroleum Engineers.

Our directors hold office until the next annual meeting of the stockholders and the election and qualification of their successors. Officers are elected annually by the Board of Directors and serve at the direction of the Board of Directors.

Meetings of Directors During the Last Fiscal Year

The Company's Board of Directors held 22 meetings during the fiscal year ended December 31, 2006. Each director except Wade Nesmith attended at least 75% of the aggregate of: (i) the total number of board meetings held while he was a director; and (ii) total meetings held by committees on which he served during the periods that he served. Mr. Nesmith attended 73% of the board and committee meetings held during the fiscal year ended December 31, 2006.

The Company does not have a formal policy with respect to director attendance at annual stockholders meetings, however, all directors are encouraged to attend. A total of three directors from the Board of Directors as it was comprised at the time attended the annual stockholders meeting last year.

Board Independence

The Board of Directors determined that Douglas P. Hamilton, John F. Cook, Stephen Seymour and T. Sean Harvey each qualify as independent directors under the listing standards of the American Stock Exchange (the AMEX). Our former director, Mr. Wade Nesmith, was also determined to be independent under these standards during his service on the Board of Directors until his resignation in March of 2007.

In determining Mr. Stephen Seymour's independence, the Board of Directors considered certain loans and advances that Mr. Seymour had previously made to the Corporation and which have been repaid by the Corporation. For further details on these transactions, please refer to the section entitled "Certain Relationships and Related Transactions" under the headings "TMD Acquisition", "Revolving Line of Credit" and "Convertible Promissory Notes". The Board of Directors determined that since these transactions relate to the repayment of outstanding loans or advances made by Mr. Seymour to or on behalf of the Corporation, that such transactions were not compensatory in nature and do not interfere with Mr. Seymour's ability to exercise independent judgment.

Committees of the Board of Directors

Our Board of Directors currently has three board committees: an Audit Committee, a Compensation Committee and a Corporate Governance and Nominating Committee. These Committees were established in February 2006.

The information below sets out the current members of each of the Company's board committees and summarizes the functions of each of the committees.

Audit Committee

Our Audit Committee has been structured to comply with Rule 10A-3 under the *Securities Exchange Act of 1934*, as amended. Our Audit Committee is comprised of Douglas P. Hamilton, John F. Cook, and T. Sean Harvey, all of whom qualify as independent directors under the rules of the AMEX. Douglas P. Hamilton is the Chairman of the Audit Committee and our Board of Directors has determined

that he satisfies the criteria for an audit committee financial expert under Item 407(d)(5) of Regulation S-B of the rules of the Securities and Exchange Commission (SEC). Each Audit Committee member is able to read and understand fundamental financial statements, including the Company s consolidated balance sheet, consolidated statement of operations and consolidated statement of cash flows.

The Audit Committee will meet with management and our external auditors to review matters affecting the Company s financial reporting, the system of internal accounting and financial controls and procedures and the audit procedures and audit plans. The Audit Committee will review our significant financial risks, will be involved in the appointment of senior financial executives and will annually review our insurance coverage and any off balance sheet transactions.

The Audit Committee is mandated to monitor our Company s audit and the preparation of financial statements and to review and recommend to the Board of Directors all financial disclosure contained in our company s public documents. The Audit Committee is also mandated to appoint external auditors, monitor their qualifications and independence and determine the appropriate level of their remuneration. The external auditors report directly to the Audit Committee and to the Board of Directors. The Audit Committee and Board of Directors each have the authority to terminate the external auditor s engagement (subject to confirmation by our stockholders). The Audit Committee will also approve in advance any permitted services to be provided by the external auditors which are not related to the audit.

We will provide appropriate funding as determined by the Audit Committee to permit the Audit Committee to perform its duties and to compensate its advisors. The Audit Committee, at its discretion, has the authority to initiate special investigations, and if appropriate, hire special legal, accounting or other outside advisors or experts to assist the Audit Committee to fulfill its duties.

The Audit Committee operates pursuant to a written charter, which complies with the applicable provisions of the *Sarbanes-Oxley Act of 2002* and related rules of the SEC and the AMEX. A copy of the Audit Committee charter was attached as an exhibit to our proxy statement for the 2006 annual meeting of stockholders.

The Audit Committee discharged its mandate in respect of the financial year ended December 31, 2006, including the review and recommendation to the Board all financial disclosure contained in our company s public documents. The Audit Committee held one meeting during the year ended December 31, 2006, and also acted through the adoption of written consent resolutions as permitted under the Delaware General Corporation Law and our company s Amended and Restated Bylaws.

Report of the Audit Committee

The Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2006 with the Company s management. In addition, the Audit Committee has discussed with the Company s independent registered public accounting firm, Mayer Hoffman McCann P.C., the matters required by Statement on Auditing Standards No. 61, *Communication with Audit Committees*. The Audit Committee has received the written disclosures and the letter from Mayer Hoffman McCann P.C. required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and has discussed, with Mayer Hoffman McCann P.C., their independence. The Audit Committee considered the compatibility of non-audit services with the auditors independence. Based on the discussions and reviews referenced above, the Audit Committee recommended to the Company s Board of Directors that the audited financial statements for the year ended December 31, 2006 be included in the Company s Annual Report on Form 10-KSB for the year ended December 31, 2006. The Audit Committee has selected Mayer Hoffman McCann P.C. to serve as the Company s Independent Registered Public Accounting Firm for the year 2007.

The Audit Committee of the Board of Directors of Nord Resources Corporation:

Douglas P. Hamilton (Chairman)

T. Sean Harvey

John F. Cook

Compensation Committee

The Compensation Committee is comprised of Douglas P. Hamilton, John F. Cook and T. Sean Harvey, all of whom qualify as independent directors under the rules of the AMEX. John F. Cook is the Chairman of the Compensation Committee. The Compensation Committee is responsible for considering and authorizing terms of employment and compensation of directors, executive officers and providing advice on compensation structures in the various jurisdictions in which our Company operates. In addition, the Compensation Committee reviews our overall salary objectives and any significant modifications made to employee benefit plans, including those applicable to directors and executive officers, and proposes any awards of stock options and incentive and deferred compensation benefits.

The Compensation Committee does not currently have a written charter.

The Compensation Committee held no meetings during the year ended December 31, 2006.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee is comprised of Stephen Seymour, Douglas P. Hamilton and John F. Cook, each of whom qualify as independent directors under the rules of the AMEX. Mr. Seymour is the Chairman of the Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is responsible for developing our approach to corporate governance issues and compliance with governance rules. The Corporate Governance and Nominating Committee is also mandated to plan for the succession of our company, including recommending director candidates, review of board procedures, size and organization, and monitoring of senior management with respect to governance issues. The Committee is responsible for the development and implementation of corporate communications to ensure the integrity of our disclosure controls and procedures, internal control over financial reporting and management information systems. The purview of the Corporate Governance and Nominating Committee also includes the administration of our Board of Directors relationship with our management.

The Corporate Governance and Nominating Committee identifies individuals believed to be qualified to become board members and recommends individuals to fill vacancies. There are no minimum qualifications for consideration for nomination to be a director of the Company. The Committee will assess all nominees using the same criteria. In nominating candidates, the Committee takes into consideration such factors as it deems appropriate, including judgment, experience, skills and personal character, as well as the needs of the Company. The Corporate Governance and Nominating Committee will consider nominees recommended by stockholders if such recommendations are made in writing to the Committee and will evaluate nominees for election in the same manner whether the nominee has been recommended by a stockholder or otherwise. To recommend a nominee, please write to the Corporate Governance and Nominating Committee c/o Nord Resources Corporation, Attn: Secretary, 1 West Wetmore Road, Suite 203, Tucson, Arizona, 85705.

The Corporate Governance and Nominating Committee does not currently have a written charter.

The Corporate Governance and Nominating Committee held no meetings during the year ended December 31, 2006.

Executive Committee

We determined that it was no longer necessary to have an Executive Committee on the basis that the entire Board of Directors as it is currently comprised will oversee the matters previously delegated to the Executive Committee.

Stockholder Communications

Stockholders may contact an individual director, the Board of Directors as a group, or a specified board committee or group, including the non-employee directors as a group, either by: (a) writing to Nord Resources Corporation, 1 West Wetmore Road, Suite 203, Tucson, Arizona, 85705, Attn: Board of Directors; or (b) sending an e-mail message to info@nordresources.com.

Our Secretary will conduct an initial review of all such stockholder communications and will forward the communications to the persons to whom it is addressed, or if no addressee is specified, to the appropriate committee of the Board of Directors or the entire Board of Directors depending on the nature of the communication. Such communications will be assessed by the recipients as soon as reasonably practical taking into consideration the nature of the communication and whether expedited review is appropriate.

Code of Ethics

We have a Code of Ethics that applies to all directors and officers. This code summarizes the legal, ethical and regulatory standards that must be followed and is a reminder to the directors and officers of the seriousness of that commitment. Compliance with this Code of Ethics and high standards of business conduct is mandatory for each director and officer. As adopted, the Code of Ethics sets forth written standards that are designed to deter wrongdoing and to promote:

1. honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
2. compliance with applicable governmental laws, rules and regulations;
3. the prompt internal reporting of violations of the Code of Ethics to the appropriate person or persons identified in the Code of Ethics; and
4. accountability for adherence to the Code of Ethics.

The Company will provide a copy of the Code of Ethics to any person without charge, upon request. Requests can be sent to: Nord Resources Corporation, at 1 West Wetmore Road, Suite 203, Tucson, Arizona, 85705.

Involvement in Certain Legal Proceedings

Except as disclosed in this proxy, during the past five years none of our directors or executive officers is, or has been, a general partner or executive officer of any business that filed a bankruptcy petition (or had a bankruptcy petition filed against it), either at the time of filing or within two years prior to such time.

None of our directors or executive officers has, within the past five years, been convicted in a criminal proceeding or been the subject of a pending criminal proceeding (excluding traffic violations and other minor offenses).

None of our directors or executive officers has, within the past five years, been subject to any order, judgment, or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction, permanently or temporarily enjoining, barring, suspending or otherwise limiting his involvement in any type of business, securities or banking activities.

None of our directors or executive officers has, within the past five years, been found by a court of competent jurisdiction (in a civil action), the Securities and Exchange Commission or the Commodity Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgment has not been reversed, suspended or vacated.

There are currently no legal proceedings to which any of our directors or officers is a party adverse to us or in which any of our directors or officers has a material interest adverse to us.

Certain Relationships and Related Transactions

Except for the transactions described below, since the beginning of our last fiscal year, none of our directors, nominees, officers or principal stockholders, nor any immediate family member of the foregoing, have any material interest, direct or indirect, in any transaction, or in any proposed transaction, in which our company was or is to be a participant and in which the amount involved exceeds the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last three completed fiscal years.

TMD Acquisition

In May 2004, we commenced pursuing an opportunity to acquire assets comprising ASARCO Inc.'s Tennessee Mines Division zinc business. Ronald Hirsch, the Chairman of our Board of Directors, and Stephen Seymour, a director of our company, subsequently agreed to assist us to preserve this opportunity by assuming the right to acquire ASARCO's zinc assets, and assigning such right to TMD Acquisition, a corporation formed specifically to facilitate an asset purchase agreement with ASARCO dated March 21, 2005 in respect of the zinc assets. The principals of TMD Acquisition are Ronald Hirsch and Stephen Seymour.

Pursuant to a Settlement Agreement and a related Assignment Agreement dated as of October 18, 2006 between our company and TMD Acquisition, we took an assignment of the asset purchase agreement between TMD Acquisition and ASARCO. We also agreed to reimburse TMD Acquisition for certain expenses in the aggregate amount of \$365,000, and to assume certain accounts payable in the aggregate amount of \$101,442, which had been incurred by TMD Acquisition in the preservation of the opportunity to acquire ASARCO's zinc assets. We had previously advanced to TMD Acquisition the aggregate amount of \$50,000 (evidenced by demand promissory notes dated February 27, 2006 and May 8, 2006, each in the principal amount of \$25,000) to cover certain expenses that TMD Acquisition has incurred in preserving the opportunity to acquire ASARCO's zinc assets. The loan was repaid by TMD Acquisition on December 27, 2006.

Although ASARCO's trustee in bankruptcy sold the zinc assets, we instructed counsel to preserve any right of action that we might have against ASARCO and ASARCO's trustee in bankruptcy. On December 12, 2006 we entered into a settlement agreement with ASARCO pursuant to which ASARCO paid us \$475,000 in consideration of the execution and delivery by the parties of mutual general releases.

The TMD Settlement Agreement provided that we would reimburse the \$365,000 in expenses incurred by TMD Acquisition upon the earlier of certain specified events but no later than December 22, 2006. In addition, if we received any cash payment on account of the claim against ASARCO, we were required to first remit such portion of the cash payment to TMD Acquisition as will be required to fully pay the outstanding balance of TMD's expenses. However, TMD Acquisition agreed to defer reimbursement of its expenses until our company's financial position had improved. We repaid all outstanding amounts owed to TMD Acquisition on June 13, 2007, out of the net proceeds of the special warrant financing which closed on June 5, 2007.

Revolving Line of Credit

On June 21, 2005, we entered into a \$600,000 revolving line of credit agreement with Ronald Hirsch and Stephen Seymour. The line of credit was subject to interest at 6.0% per annum, and was to have matured on December 31, 2005. It was collateralized by accounts receivable, inventory, property and equipment, and other assets, but was later subordinated to our secured bridge loan from Nedbank. The maturity date was extended several times and ultimately was agreed to be the earlier of: (a) July 12, 2007; or (b) the closing of (i) an equity offering in which our company raised not less than \$20,000,000, or (ii) a significant corporate transaction which resulted in a change of control of our company, or which involved a sale, lease, exchange or other transfer of all or substantially all of our company's assets or assets valued at \$12,000,000 or greater. In addition, commencing May 1, 2006, the interest rate was changed from 6.0% per annum to M&T Bank's prime rate.

In consideration for the issuance of the line of credit, our company agreed to issue to the lenders four shares of common stock and four warrants for every \$1 loaned to our company. Each warrant entitles the lender to purchase one share of common stock at an exercise price of \$0.25 for a period of three years. We drew down a total of \$564,812 in principal, and we issued a total of 2,260,000 fully paid and non-assessable shares of common stock and 2,260,000 common stock warrants, under this facility. These shares, and the shares issuable upon exercise of these warrants, were made subject to registration rights.

We repaid the outstanding principal and interest under this facility, totaling \$569,664, on June 7, 2007.

Convertible Promissory Notes

We issued a convertible promissory note dated August 19, 2004 to Stephen Seymour in the principal amount of \$66,000, and a convertible promissory note dated October 4, 2004 to Ronald Hirsch in the principal amount of \$106,000. We applied the proceeds from the loans evidenced by these notes to our working capital. The loans were subject to interest at 10% per annum, were unsecured and were extended several times, but ultimately were extended to mature on the earlier of: (a) July 12, 2007; or (b) the closing of (i) a registered equity offering and/or a debt project financing in which we raise not less than \$25,000,000, or (ii) a significant corporate transaction which results in a change of control of our company, or which involves a sale, lease, exchange or other transfer of all or substantially all of our company's assets or assets valued at \$12,000,000 or greater. These loans were repayable upon maturity: (a) in the case of an equity offering or a debt financing, as to 50% in cash and as to the balance in fully paid shares of common stock at a deemed price of \$0.20 per share; (b) in the case of a significant corporate transaction or a sale, lease or transfer of assets, solely in fully paid shares of common stock at a deemed price of \$0.20 per share; and (c) in any other case, in such mix of cash and/or fully paid shares of common stock at a deemed price of \$0.20 per share as the holder could determine. These loans were subordinated to our bridge loan from Nedbank Limited.

On June 29, 2004, Ronald Hirsch exercised 1,750,000 stock options at an exercise price of \$0.02 per share, for a total of \$35,000. Subsequently, during April 2005, we agreed to rescind this stock option exercise and to reinstate the original 1,750,000 options at the exercise price and with the expiration date of the options under the original grant, in order to facilitate tax planning by Mr. Hirsch. Mr. Hirsch agreed that we could retain the \$35,000 that he had paid to exercise the stock options as working capital, and we issued Mr. Hirsch a convertible promissory note for \$35,000, dated as of June 29, 2004, being the date of the rescinded option exercise. The promissory note was subject to interest at 10% per annum, was unsecured and was extended several times, but ultimately was extended to mature on the earlier of: (a) July 12, 2007; or (b) the closing of (i) a registered equity offering and/or a debt project financing in which we raise not less than \$25,000,000, or (ii) a significant corporate transaction which results in a change of control of our company, or which involves a sale, lease, exchange or other transfer of all or substantially all of our company's assets or assets valued at \$12,000,000 or greater. This loan was repayable upon maturity: (a) in the case of an equity offering or a debt financing, as to 50% in cash and as to the balance in fully paid shares of common stock at a deemed price of \$0.175 per share; (b) in the case of a significant corporate transaction or a sale, lease or transfer of assets, solely in fully paid shares of common stock at a deemed price of \$0.175 per share; and (c) in any other case, in such mix of cash and/or fully paid shares of common stock at a deemed price of \$0.175 per share as the holder may determine. This loan was subordinated to the Bridge Loan with Nedbank Limited.

We repaid the loans evidenced by these convertible promissory notes on June 29, 2007. We repaid 50% of the outstanding principal and interest, amounting in total to \$132,636, in cash, and we issued: (a) 130,000 fully paid and non-assessable shares of common stock to Mr. Hirsch upon conversion of 50 percent of the outstanding principal and interest under the \$35,000 convertible promissory note dated June 29, 2004, at a conversion price of \$0.175 per share; (b) 212,195 fully paid and non-assessable shares of common stock to Mr. Seymour upon conversion of 50 percent of the outstanding principal and interest under the \$66,000 convertible promissory note dated August 19, 2004, at a conversion price of \$0.20 per share; (c) 337,458 fully paid and non-assessable shares of common stock to Mr. Hirsch upon conversion of 50 percent of the outstanding principal and interest under the \$106,000 convertible promissory note dated October 4, 2004, at a conversion price of \$0.20 per share. These shares were issued subject to registration rights.

Participation By Officers and Directors in Private Placements

In September 2005, we commenced a private placement of equity securities up to a maximum of 1,428,571 units, whereby one unit, consisting of one share of common stock and a warrant to purchase one share of common stock, was offered for \$0.35 per unit. We sold 899,644 units for a total of \$314,875. The stock purchase warrants have an exercise price of \$0.40 and expire in three years. We issued these securities to accredited investors, relying on Rule 506 of Regulation D and/or Section 4(2) of the Securities Act of 1933, as amended. Certain of our executive officers and former or current directors participated in the private placement as follows: Nicholas Tintor (57,143 units), Wade D. Nesmith (30,000 units), John T. Perry (142,857 units) and Tormin Resources Limited, a company owned and controlled by John F. Cook, (71,429 units). All insiders participated on the same terms as third party purchasers.

In June 2007, we completed an unregistered private placement offering of 30,666,700 special warrants. The special warrants were offered and sold at a price of \$0.75 per special warrant, for aggregate gross proceeds of \$23,000,025. Each special warrant is convertible into one fully-paid and non-assessable share of common stock and one-half of one common share purchase warrant for no additional consideration. The special warrants are governed by the terms of a special warrant indenture among the Company, Computershare Trust Company of Canada, as the special warrant trustee, and Blackmont Capital Inc., dated June 5, 2007. The holder of a special warrant will not be deemed a holder of the underlying common stock or warrants until the special warrant is converted.

Under the terms of the special warrant indenture, we are required to:

- (a) file and obtain a receipt for a Canadian non-offering prospectus to qualify the issuance in Canada of (i) the shares of common stock and the warrants issuable upon conversion of the special warrants, and (ii) the shares of common stock issuable upon exercise of the warrants, and
- (b) file a registration statement under the *Securities Act of 1933*, as amended, in order to register the resale of (i) the shares issuable upon conversion of the special warrants, and (ii) the shares issuable upon exercise of the warrants.

If we fail to obtain a receipt for a final Canadian prospectus and effectiveness of the U.S. registration statement no later than 5:00 p.m. (Pacific time) on December 3, 2007, being the 180th day following the closing date of the special warrant offering, we will be liable for a liquidity incentive payment to the investors equal to 1% per month (pro-rated), subject to a maximum liquidity incentive payment equal to an aggregate of 12% of the gross proceeds of the offering.

The special warrants will expire at 5:00 p.m. (Pacific time) on the earlier of:

- (a) the third business day following the date on which we obtain a receipt for the final Canadian prospectus;
 - (b) the date that is four months and one day following the date on which we become a reporting issuer under the securities legislation of any province or territory of Canada; and
 - (c) June 5, 2009, being the date which is two years following the date of the special warrant indenture.
-

The holder of a special warrant that has not expired in accordance with its terms may elect to convert its special warrant into the underlying shares of common stock and warrants at any time after 5:00 p.m. (Pacific time) on December 3, 2007. Each special warrant that has not been converted by the holder will be converted by the special warrant trustee immediately prior to the time of its expiry without the need for any action on the part of the holder.

A total of 15,333,350 warrants are issuable upon conversion of the special warrants. Each warrant, when issued, will entitle the holder to purchase one share of common stock until 5:00 p.m. (Pacific time) on June 5, 2012 at a price of \$1.10 per share. The warrants are governed by the terms of a warrant indenture between us and Computershare Trust Company of Canada, as the warrant agent, dated June 5, 2007.

Mr. Harvey purchased 187,500 Special Warrants. He was subsequently appointed to our Board of Directors on June 11, 2007, and has agreed to stand for re-election as a director for the ensuing year.

Other than compensatory arrangements described under Executive Compensation, we have no other transactions, directly or indirectly, with our promoters, directors, senior officers or principal stockholders, which have materially affected or will materially affect us.

Conflicts of Interest

To our knowledge, and other than as disclosed in this proxy, there are no known existing or potential conflicts of interest among us, our promoters, directors and officers, or other members of management, or any proposed director, officer or other member of management as a result of their outside business interests except that certain of the directors and officers serve as directors and officers of other companies, and therefore it is possible that a conflict may arise between their duties to us and their duties as a director or officer of such other companies.

Compliance with Section 16(A) of the Securities Exchange Act

Section 16(a) of the *Securities Exchange Act of 1934*, as amended, requires our executive officers and directors, and persons who beneficially own more than ten percent of our equity securities, to file initial reports of ownership and reports of changes in ownership of our common stock and our other equity securities with the SEC. Based on our review of the reports furnished to us by our officers, directors and greater than ten percent stockholders, during the fiscal year ended December 31, 2006, all such reports were timely filed.

Employment Contracts and Termination of Employment and Change-In-Control Arrangements***Ronald Hirsch***

On January 2, 2004, we entered into an Executive Employment Agreement with Ronald Hirsch to serve as our CEO. The term of this agreement is for three years, and the agreement is subject to automatic renewals for successive one year periods unless cancelled by either of the parties. Mr. Hirsch's base salary under the agreement is \$200,000 annually. Mr. Hirsch is also entitled to participate in a formal incentive stock option plan, once adopted by us. In addition, Mr. Hirsch is entitled to participate

- 20 -

in all health, insurance, retirement and other benefits provided to our other senior executives pursuant to authorization by our Board of Directors.

The Executive Employment Agreement provides that, absent a change in control, if we terminate Mr. Hirsch for any reason not for cause (other than due to death or disability), we must pay to Mr. Hirsch (i) accrued unpaid salary, bonuses and expenses, if any, (ii) his base salary for the greater of the remaining term and 12 months, and (iii) his health insurance premiums until the earlier of the expiration of 12 months and the date he is eligible for similar health benefits with another employer. Following a change in control, in the event we terminate Mr. Hirsch for any reason other than for death/disability or cause, we are required to pay Mr. Hirsch all accrued unpaid salary, bonuses, and expenses, a lump sum equal to three times his base salary, and we are required to pay for his health, medical, and disability insurance premiums for 18 months. Mr. Hirsch may also elect to terminate his employment following a change of control and receive these payments.

In connection with his employment by our company, Mr. Hirsch received stock options for the purchase of up to 3,000,000 shares of our common stock with an exercise price of \$0.02 per share, which was the market price at the time of grant.

Effective February 15, 2006, Mr. Hirsch resigned as our Chief Executive Officer but has continued to serve as Chairman of our Board of Directors. On February 15, 2006, our company and Mr. Hirsch entered into a waiver and amendment to the Executive Employment Agreement whereby Mr. Hirsch agreed, among other things, to work with Mr. Tintor for six months as part of the Company's transition to our new Chief Executive Officer, and to continue to act as Chairman for a period of two years after we have received funding of at least \$25,000,000.

Effective October 18, 2006, we entered into an Amended and Restated Waiver Agreement And Amendment Of Employment Agreement with Mr. Hirsch which superseded and replaced the waiver and amendment to the Executive Employment Agreement. Its provisions included the requirement that we pay to Mr. Hirsch all of his accrued consulting fees for services provided by Mr. Hirsch to our company between May 1, 2001 and October 19, 2003 (totaling \$295,000), and all of his accrued and unpaid salary (totaling \$600,000 as of December 31, 2006), on the earlier of the closing date of: (a) a registered equity offering and/or a debt project financing in which we raised not less than the aggregate of \$25,000,000; or (b) a Significant Transaction, which is defined to mean a significant transaction in which (i) any person, together with all affiliates and associates of such person, becomes the beneficial owner, directly or indirectly, of securities of Nord representing or convertible into 51% or more of the common stock of Nord, or (ii) there is a sale, lease, exchange or other transfer (in one transaction or a series of transactions contemplated or arranged by any party as a single plan) of all or substantially all of the assets of Nord or of assets of Nord valued at \$12,000,000 or greater. The provision automatically terminated on February 15, 2007, and the accrued salary and accrued consulting fees continue to be an amount payable by our company to Mr. Hirsch on demand.

The Amended and Restated Waiver Agreement And Amendment Of Employment Agreement also provides that:

- Mr. Hirsch's base salary in his capacity as Chairman from February 15, 2006, to February 15, 2007 continued at \$200,000 per annum, and was reduced to \$100,000 per annum thereafter.
- Notwithstanding Mr. Hirsch's retirement, resignation or termination for any reason other than for Cause (as defined in the Executive Employment Agreement) or as a result of a Significant Transaction in which any person, together with all affiliates and associates of such person, becomes the beneficial owner, directly or indirectly, of securities of Nord representing or

convertible into 51% or more of the common stock of Nord, Nord shall continue to provide health insurance benefits to Mr. Hirsch until he reaches the age of 65.

- Since a Significant Transaction did not occur by February 15, 2007, Mr. Hirsch has the right, subject to the approval of our board of directors, to be appointed the President and Chief Executive Officer on the terms and subject to payment of an annual salary to be agreed between Nord and Mr. Hirsch.
- If Nord enters into an agreement with respect to a Significant Transaction in which any person, together with all affiliates and associates of such person, shall become the beneficial owner, directly or indirectly, of securities of Nord representing or convertible into 51% or more of the common stock of Nord, Mr. Hirsch will voluntarily resign as Chairman or, if applicable, as the President and Chief Executive Officer, effective immediately prior to the completion of the Significant Transaction.
- In the event that Mr. Hirsch ceases to be employed by Nord (other than by way of termination for Cause) in connection with the completion of a Significant Transaction other than one in which any person, together with all affiliates and associates of such person, becomes the beneficial owner, directly or indirectly, of securities of Nord representing or convertible into 51% or more of the common stock of Nord, Nord shall provide to Mr. Hirsch the payments and benefits set forth in the following sections of the Executive Employment Agreement, subject to execution and delivery by Mr. Hirsch to our company of a mutual and general release of claims:
 - (a) Section 7(g)(i)(A), which requires our company to pay the Accrued Obligations (as defined in the Executive Employment Agreement) in a lump sum within sixty (60) days following termination of employment,
 - (b) Section 7(g)(i)(B), which contemplates the payment to Mr. Hirsch of an amount equal to three times the Mr. Hirsch's Base Salary (as defined in the Executive Employment Agreement), payable in a lump sum within sixty (60) days following termination of employment,
 - (c) Section 7(g)(i)(C), which provides that if Nord elects continuation of coverage of medical and dental benefits under the *Consolidated Omnibus Budget Reconciliation Act of 1985*, Nord will pay 100% of such premiums for the first 18 months of coverage, and
 - (d) Section 7(g)(i)(D), which contemplates payment of premiums necessary for continuation of any Supplemental Disability Policy (as defined in the Executive Employment Agreement) or, at the election of Nord, a lump sum amount equal to the aggregate premiums to be paid thereon, in either case for a period of 18 months following the effective date of termination; provided, however, that in lieu of the payments and benefits set forth in sections 7(g)(i)(C) and Section 7(g)(i)(D) of the Executive Employment Agreement, and in full payment and satisfaction Nord's obligations to Mr. Hirsch in respect thereof, Nord may in its sole discretion elect to pay to Mr. Hirsch the sum of \$9,000 in cash no later than the closing date of the Significant Transaction.
- In the event of the completion of a Significant Transaction in which any person, together with all affiliates and associates of such person, becomes the beneficial owner, directly or indirectly, of securities of Nord representing or convertible into 51% or more of the common stock of Nord, Mr. Hirsch will not be entitled to receive the compensation contemplated by Section 7(g)(i)(B) of the Executive Employment Agreement, but Mr. Hirsch will be entitled to receive the payments and benefits set out in the following sections of the Employment Agreement: Section 7(g)(i)(A), Section 7(g)(i)(C), and Section 7(g)(i)(D); provided, however, that in lieu of the payments and

benefits set forth in sections 7(g)(i)(C) and Section 7(g)(i)(D) of the Executive Employment Agreement, and in full payment and satisfaction our company's obligations to Mr. Hirsch in respect thereof, Nord may in its sole discretion elect to pay to Mr. Hirsch the sum of \$9,000 in cash no later than the closing date of the Significant Transaction.

Nicholas Tintor

On February 15, 2006, Nicholas Tintor accepted our offer to serve as President and Chief Executive Officer of our Company pursuant to a letter agreement that contemplated the execution and delivery of a definitive Executive Employment Agreement between our company and Mr. Tintor within 30 days of the date of his acceptance of our offer.

We agreed to pay Mr. Tintor a signing bonus of \$150,000, payable as to \$75,000 as soon as practicable following the adoption of a formal stock incentive plan and \$75,000 on the one-year anniversary of his acceptance. The bonus was to be paid in shares of common stock, to be issued as fully paid and non-assessable at a deemed issue price per share equal to the market price of our common stock, less a 15% discount to reflect their status as restricted securities with the meaning assigned in Rule 144 under the *Securities Act of 1933*, as amended. On May 12, 2006, we issued 176,471 shares of our common stock to Mr. Tintor in payment of the initial \$75,000 installment of the signing bonus; the shares were valued at \$88,236 at the time of issuance. Additionally, we granted Mr. Tintor 500,000 options to purchase shares of common stock with a term of three years.

Mr. Tintor resigned as our President and Chief Executive Officer effective August 21, 2006, and we subsequently entered into a settlement agreement with Mr. Tintor. At the time of his resignation, we and Mr. Tintor had been negotiating the terms of the definitive Executive Employment Agreement in good faith. The term of his Executive Employment Agreement was to have been for three years and his initial salary was fixed at \$6,000 per month, increasing to \$200,000 per annum contingent and effective upon our receiving funding of at least \$25,000,000. Mr. Tintor's salary was being accrued but unpaid until such time as our company received such funding.

Under the settlement agreement, in consideration of a mutual release of claims, we paid Mr. Tintor \$70,000 in cash upon execution of the agreement on September 29, 2006, and we paid an additional \$163,000 to Mr. Tintor by issuing a total of 139,880 fully paid and non-assessable shares of common stock to him on January 7, 2007. The 500,000 options that had been granted to Mr. Tintor were cancelled on September 29, 2006 pursuant to the settlement agreement.

Erland A. Anderson

On January 2, 2004, we entered into an Executive Employment Agreement with Erland A. Anderson to serve as our President. The term of this agreement is for three years, and the agreement is subject to automatic renewal for successive one year periods unless cancelled by either of the parties. Mr. Anderson's base salary under the agreement is \$150,000 annually. Mr. Anderson is also entitled to participate in a formal incentive stock option plan, once adopted by us. Additionally, Mr. Anderson is entitled to participate in all health, insurance, retirement and other benefits provided to our other senior executives pursuant to authorization by our Board of Directors. Absent a change in control, if we terminate Mr. Anderson for any reason not for cause (other than due to death or disability), we must pay to Mr. Anderson (i) accrued unpaid salary, bonuses and expenses, if any, (ii) his base salary for the greater of the remaining term and 12 months, and (iii) his health insurance premiums until the earlier of the expiration of 12 months and the date he is eligible for similar health benefits with another employer. Following a change in control, in the event we terminate Mr. Anderson for any reason other than for death/disability or cause, we are required to pay Mr. Anderson all accrued unpaid salary, bonuses, and

expenses, a lump sum equal to three times his base salary, and we are required to pay for his health, dental, and disability insurance premiums for 18 months. Mr. Anderson may also elect to terminate his employment following a change of control and receive these payments.

In connection with his employment with our company, Mr. Anderson received stock options for the purchase of up to 1,500,000 shares of our common stock with an exercise price of \$0.02 per share, which was the market price at the time of grant. In January 2006, Mr. Anderson voluntarily surrendered half of these options for cancellation, and received in exchange 675,000 options with a grant date of February 1, 2006 and exercisable for five years at a price of \$0.50 per share.

Effective February 15, 2006, Mr. Anderson resigned as our President and was appointed as Executive Vice President and Chief Operating Officer. On February 15, 2006, we entered into a waiver and amendment to the Executive Employment Agreement with Mr. Anderson to revise the Executive Employment Agreement in light of Mr. Anderson's new appointments and to confirm the waiver of any rights that he may have had under such Agreement in respect of Nicholas Tintor's appointment as President and the changes to the composition of the Board of Directors.

In light of Mr. Tintor's resignation as an officer of our company, Mr. Anderson was appointed as our President and Chief Executive Officer on an interim basis.

Effective October 18, 2006, we entered into an Amended and Restated Waiver Agreement And Amendment Of Employment Agreement with Mr. Anderson which supersedes and replaces the waiver and amendment to the Executive Employment Agreement. It provides for, among other things, an amendment to section 3(a) of the Executive Employment Agreement such that it provided that Mr. Anderson shall serve as the President and Chief Executive Officer; provided, however, that Mr. Anderson was to resign as President and Chief Executive Officer and assume the office of Chief Operating Officer in the event that Mr. Hirsch exercised his rights to be appointed at the President and Chief Executive Officer subject to the approval of the Board of Directors. Its provisions also included the requirement that we pay to Mr. Anderson all of his accrued and unpaid salary (totaling \$385,833 as of December 31, 2006), on the earlier of the closing date of: (a) a registered equity offering and/or a debt project financing in which we raise not less than the aggregate of \$25,000,000; or (b) a Significant Transaction. The provision automatically terminated on February 15, 2007, and the accrued salary continues to be an amount payable by our company to Mr. Anderson on demand.

The Amended and Restated Waiver Agreement And Amendment Of Employment Agreement also provides that:

- If Nord enters into an agreement with respect to a Significant Transaction in which any person, together with all affiliates and associates of such person, shall become the beneficial owner, directly or indirectly, of securities of Nord representing or convertible into 51% or more of the common stock of Nord, Mr. Anderson will voluntarily resign as the President and Chief Executive Officer, or, if applicable, as the Chief Operating Officer, effective immediately prior to the completion of the Significant Transaction.
- In the event that Mr. Anderson ceases to be employed by Nord (other than by way of termination for Cause) in connection with the completion of a Significant Transaction other than one in which any person, together with all affiliates and associates of such person, becomes the beneficial owner, directly or indirectly, of securities of Nord representing or convertible into 51% or more of the common stock of Nord, Nord shall provide to Mr. Anderson the payments and benefits set forth in the following sections of the Executive Employment Agreement, subject to execution and delivery by Mr. Anderson to Nord of a mutual and general release of claims:

(a) Section 7(g)(i)(A), which requires Nord to pay the Accrued Obligations (as defined in the Executive Employment Agreement) in a lump sum within sixty (60) days following termination of employment,

(b) Section 7(g)(i)(B), which contemplates the payment to Mr. Anderson of an amount equal to three times the Mr. Anderson's Base Salary (as defined in the Executive Employment Agreement), payable in a lump sum within sixty (60) days following termination of employment,

(c) Section 7(g)(i)(C), which provides that if Nord elects continuation of coverage of medical and dental benefits under the *Consolidated Omnibus Budget Reconciliation Act of 1985*, Nord will pay 100% of such premiums for the first 18 months of coverage, and

(d) Section 7(g)(i) (D), which contemplates payment of premiums necessary for continuation of any Supplemental Disability Policy (as defined in the Executive Employment Agreement) or, at the election of our company, a lump sum amount equal to the aggregate premiums to be paid thereon, in either case for a period of 18 months following the effective date of termination;

provided, however, that in lieu of the payments and benefits set forth in sections 7(g)(i)(C) and Section 7(g)(i)(D) of the Executive Employment Agreement, and in full payment and satisfaction Nord's obligations to Mr. Anderson in respect thereof, Nord may in its sole discretion elect to pay to Mr. Anderson the sum of \$24,000 in cash no later than the closing date of the Significant Transaction.

- In the event of the completion of a Significant Transaction in which any person, together with all affiliates and associates of such person, becomes the beneficial owner, directly or indirectly, of securities of Nord representing or convertible into 51% or more of the common stock of Nord, Mr. Anderson will not be entitled to receive the compensation contemplated by Section 7(g)(i)(B) of the Executive Employment Agreement, but Mr. Anderson will be entitled to receive \$150,000 and the payments and benefits set out in the following sections of the Employment Agreement: Section 7(g)(i)(A), Section 7(g)(i)(C), and Section 7(g)(i) (D); provided, however, that in lieu of the payments and benefits set forth in sections 7(g)(i)(C) and Section 7(g)(i)(D) of the Executive Employment Agreement, and in full payment and satisfaction our company's obligations to Mr. Anderson in respect thereof, Nord may in its sole discretion elect to pay to Mr. Anderson the sum of \$24,000 in cash no later than the closing date of the Significant Transaction.

Mr. Anderson was appointed Executive Vice President and Chief Operating Officer effective April 23, 2007. Given his increased responsibilities, the Board of Directors authorized an increase in his salary to \$175,000 effective July 9, 2007.

John T. Perry

Effective April 1, 2005, we hired John Perry as our Senior Vice President and Chief Financial Officer. In connection with his hiring, we executed a memorandum of understanding with Mr. Perry which states that for employment services rendered, Mr. Perry will be compensated on a monthly basis with 20,000 shares of common stock until such time that we receive funding of at least \$10,000,000. Additionally, we agreed to issue 500,000 shares of common stock to Mr. Perry as a signing bonus, of which 250,000 were issued upon the execution of the memorandum of understanding, and the remaining 250,000 was issued in April 2006. We also issued stock options to Mr. Perry entitling him to purchase up to 500,000 shares of our common stock, exercisable for a term of five years, as follows: (a) 200,000 shares at an exercise price of \$0.30 per share; (b) 100,000 at an exercise price of \$0.40 per share; (c) 100,000 at an exercise price of \$0.50 per share; and (d) 100,000 at an exercise price of \$0.60 per share.

On April 18, 2005, we entered into an employment agreement with Mr. Perry to serve as our Senior Vice President and Chief Financial Officer. The term of this agreement is for two years, and the agreement is subject to automatic renewal for successive one year periods unless cancelled by either of the parties. Mr. Perry's base salary under the agreement is \$175,000 annually, although Mr. Perry has agreed to accept 20,000 shares of common stock per month under his memorandum of understanding with us, in lieu of cash salary, until we have received funding of at least \$10,000,000. The agreement also confirms that Mr. Perry will be compensated in the form of common shares of our company until such time as we complete a financing of at least \$10,000,000. Given our completion of an unregistered offering of special warrants in June 2007, Mr. Perry now receives his salary in cash. In addition, Mr. Perry is entitled to participate in any formal incentive stock option plan adopted by us, including the 2006 Stock Incentive Plan. Mr. Perry is also entitled to participate in all health, insurance, retirement and other benefits provided to our other senior executives pursuant to authorization by our Board of Directors. Absent a change in control, if we terminate Mr. Perry for any reason not for cause, we must pay Mr. Perry's salary and health and dental insurance premiums for the greater of the remainder of the term or 12 months. Following a change in control, in the event we terminate Mr. Perry for any reason other than for death/disability or cause, we are required to pay Mr. Perry all accrued unpaid salary, bonuses, expenses, a lump sum equal to three times his base salary, and we are required to pay for his health, dental, and disability insurance premiums for 18 months. Mr. Perry may also elect to terminate his employment following a change of control and receive these payments.

On February 15, 2006, we entered into a waiver agreement with Mr. Perry to confirm the waiver of any rights that he may have had under his Executive Employment Agreement with respect to the changes to the composition of the Board of Directors.

Effective October 18, 2006, our company entered into an Amendment Of Employment Agreement with Mr. Perry. Its provisions include the following:

- If we enter into an agreement with respect to a Significant Transaction in which any person, together with all affiliates and associates of such person, shall become the beneficial owner, directly or indirectly, of securities of Nord representing or convertible into 51% or more of the common stock of Nord, Mr. Perry will voluntarily resign as Senior Vice President and Chief Financial Officer, effective immediately prior to the completion of the Significant Transaction.
- In the event that Mr. Perry ceases to be employed by Nord (other than by way of termination for Cause) in connection with a Significant Transaction other than one in which any person, together with all affiliates and associates of such person, becomes the beneficial owner, directly or indirectly, of securities of Nord representing or convertible into 51% or more of the common stock of Nord, Nord shall provide to Mr. Perry the payments and benefits set forth in the following sections of the Executive Employment Agreement, subject to execution and delivery by Mr. Perry to Nord of a mutual and general release of claims:
 - (a) Section 7(g)(i)(A), which requires Nord to pay the Accrued Obligations (as defined in the Executive Employment Agreement) in a lump sum within sixty (60) days following termination of employment,
 - (b) Section 7(g)(i)(B), which contemplates the payment to Mr. Perry of an amount equal to three times the Mr. Perry's Base Salary (as defined in the Executive Employment Agreement), payable in a lump sum within sixty (60) days following termination of employment,

(c) Section 7(g)(i)(C), which provides that if Nord elects continuation of coverage of medical and dental benefits under the *Consolidated Omnibus Budget Reconciliation Act of 1985*, Nord will pay 100% of such premiums for the first 18 months of coverage, and

(d) Section 7(g)(i) (D), which contemplates payment of premiums necessary for continuation of any Supplemental Disability Policy (as defined in the Executive Employment Agreement) or, at the election of our company, a lump sum amount equal to the aggregate premiums to be paid thereon, in either case for a period of 18 months following the effective date of termination;

provided, however, that in lieu of the payments and benefits set forth in sections 7(g)(i)(C) and Section 7(g)(i)(D) of the Executive Employment Agreement, and in full payment and satisfaction Nord's obligations to Mr. Perry in respect thereof, Nord may in its sole discretion elect to pay to Mr. Perry a lump sum in cash equal to the aggregate of the premiums that would have been payable during the 18 months following the closing date of the Significant Transaction on the assumption that the premiums would be assessed and charged during that period at the same respective rates in force on the date of such payment.

- In the event of the completion of a Significant Transaction in which any person, together with all affiliates and associates of such person, becomes the beneficial owner, directly or indirectly, of securities of Nord representing or convertible into 51% or more of the common stock of Nord, Mr. Perry will not be entitled to receive the compensation contemplated by Section 7(g)(i)(B) of the Executive Employment Agreement, but Mr. Perry will be entitled to receive \$225,000 and the payments and benefits set out in the following sections of the Employment Agreement: Section 7(g)(i)(A), Section 7(g)(i)(C), and Section 7(g)(i) (D); provided, however, that in lieu of the payments and benefits set forth in sections 7(g)(i)(C) and Section 7(g)(i)(D) of the Executive Employment Agreement, and in full payment and satisfaction Nord's obligations to Mr. Perry in respect thereof, Nord may in its sole discretion elect to pay to Mr. Perry a lump sum in cash equal to the aggregate of the premiums that would have been payable during the 18 months following the closing date of the Significant Transaction on the assumption that the premiums would be assessed and charged during that period at the same respective rates in force on the date of such payment.

Mr. Perry was appointed President and Chief Executive Officer effective April 23, 2007. Given his increased responsibilities, the Board of Directors authorized an increase in his salary to \$200,000 effective June 1, 2007.

Effect of Recent Financing Transactions

Our company entered into a Credit Agreement dated as of June 28, 2007 with Nedbank Limited, as administrative agent and lead arranger. The Credit Agreement provides for a \$25 million secured term loan credit facility that will be used by our company to assist in financing the construction, start-up and operation of the Johnson Camp Mine. The Credit Agreement contemplates a series of term loans to be funded from time to time by a syndicate of lenders in response to draw-down requests by our company, with the aggregate amount of all term loans being \$25 million.

The availability of the loan facility contemplated by the Credit Agreement, and the special warrant financing completed by our company on June 5, 2007, has permitted us to repay all amounts accrued and outstanding under our executive employment agreements with Mr. Hirsch, Mr. Anderson and Mr. Perry. In addition, Mr. Perry is now entitled to be paid his salary in cash rather than in shares of common stock.

Performance Incentive Plan

On July 31, 2007, we adopted a performance incentive plan (the Performance Plan) for the purpose of retaining and providing an incentive to certain key employees involved in restarting and commissioning the Johnson Camp Mine (the JCM). The Performance Plan covers the period of time from July 1, 2007 to December 31, 2008 and bases its payouts on the achievement of certain key targets and milestones associated with the restart and commissioning of the JCM. The key targets and milestones are as follows:

<u>Target or Milestone</u>	Weight %
First production of cathode	20%
Commencement of mining operations	10%
Completion of mining construction	10%
Achievement of the production of approximately 1,000,000 lbs of cathode, on a monthly basis	10%
Achievement of the production of approximately 2,000,000 lbs of cathode, on a monthly basis	20%
Restart and commissioning capital expenditure of less than a certain amount	20%
- Self funding upside of 150% if capital expenditures are equal to or less than a certain amount	
Safety # of Lost Time Incidents during plan period	10%

Our Compensation Committee is responsible for administering the Plan, including selecting employees eligible to participate in the Performance Plan, determining their participation level and establishing key target dates for payments to be made under the Performance Plan.

Under the Performance Plan, the achievement of targets or milestones is not on an all or nothing basis. If a milestone is achieved later than the target date set by the Compensation Committee, it will still have been achieved; however, it will have been achieved at less than 100%. The level of achievement reached with respect to the established targets or milestones will be determined by the Chief Executive Officer and President, subject to approval by the Compensation Committee

In August of 2007, the Compensation Committee selected the employees entitled to participate in the Performance Plan and set the key target dates and payout levels under the Performance Plan. John Perry, our President and Chief Executive Officer, and Erland A. Anderson, our Executive Vice President and Chief Operating Officer, are both participants under the Performance Plan and are entitled to a maximum payout of up to 110% of their base salary during the plan period if all targets or milestones are met at 100%.

On June 11, 2007, the Board of Directors granted 150,000 common stock purchase options to each of Ronald Hirsch, John Perry, Stephen Seymour, Douglas Hamilton, John Cook and Sean Harvey. These options were granted pursuant to our 2006 Stock Incentive Plan, and are exercisable for a period of ten years at a price of \$0.68 per share. One-third of the options vested on the grant date and the remaining options will vest as to one-third on each of the first and second anniversaries of the grant date.

On July 11, 2007 the Board of Directors granted options to acquire 125,000 and 275,000 shares of common stock to Stephen Seymour and Ronald Hirsch, respectively. These options were granted pursuant to our 2006 Stock Incentive Plan, and are exercisable for a period of ten years at a price of \$0.85

per share. One-third of the options vested on the grant date and the remaining options will vest as to one-third on each of the first and second anniversaries of the grant date.

The Board of Directors has approved a compensation structure for our non-executive directors which is designed to fairly pay non-executive directors for work required while aligning the interests of the non-executive directors with the long-term interests of stockholders.

Non-executive directors are entitled to receive a \$25,000 annual retainer, with an additional \$15,000 payable annually to the Chairman of the Audit Committee and \$7,500 payable annually to the Chairman of the Compensation Committee and the Chairman of the Nominating and Corporate Governance Committee. All of these fees are payable in stock, restricted stock, restricted stock units, or such other equity-based compensation as the Board of Directors determines.

To date, the equity-based fees have been payable in common stock pursuant to our 2006 Stock Incentive Plan. The non-executive directors have limited rights, exercisable within applicable time limits, to elect to have any percentage of such awards, and any percentage of cash fees, payable in deferred stock units (the DSUs). Each of our non-executive directors exercised such rights in respect of the equity-based fees payable to him for the 2006 fiscal year. Accordingly, all retainer fees paid during fiscal 2006 were paid in DSUs. The DSUs are subject to the 2006 Stock Incentive Plan. DSUs are awarded on a quarterly basis at the end of March, June, September and December, or as otherwise determined by the administrator of the 2006 Stock Incentive Plan. The number of DSUs awarded each quarter is calculated by dividing the total fees payable to each director for that quarter by the fair market value of our common stock, determined in accordance with the 2006 Stock Incentive Plan. Each DSU is the economic equivalent of one share of our common stock. The DSUs will be converted into shares of common stock upon the director's termination of service, or as otherwise provided in their individual deferral election.

The non-executive directors are also entitled to receive attendance fees of \$1,500 per meeting for each board and committee meeting (except for members of the Executive Committee who will not receive additional attendance fees), payable in cash.

We paid cash fees to our non-executive directors totaling \$31,500 during the year ended December 31, 2006, as follows:

<u>Name</u>	<u>Amount of Cash Fees Paid</u>
Wade Nesmith	\$22,500
Doug Hamilton	4,500
Stephen Seymour	<u>4,500</u>
	<u>\$31,500</u>

PROPOSAL NUMBER TWO:

APPROVAL OF AMENDMENT TO AMENDED CERTIFICATE OF INCORPORATION TO INCREASE AUTHORIZED SHARES OF COMMON STOCK

The stockholders are being asked to approve an amendment to the Company's Amended Certificate of Incorporation (the Amended Certificate) to increase the number of authorized shares of common stock from 100,000,000 to 200,000,000. On August 15, 2007, the Company's Board of Directors adopted resolutions approving and authorizing the amendment and directing that the amendment be submitted to a vote of the stockholders at the Annual Meeting. A copy of the proposed amendment to our Amended Certificate effecting the increase in our authorized shares is attached hereto as Exhibit A. The Board of Directors determined that the amendment is in the best interests of the Company and its stockholders and unanimously recommends approval by the stockholders.

If this proposed amendment is approved by the stockholders, the Board of Directors may proceed to file the amendment at any future time, thereby making the increase in authorized capital effective. The Board of Directors may, in its discretion, abandon the amendment to increase the authorized capital at any future time. If stockholder approval is obtained and the Board of Directors determines that it is in the best interests of the Company and its stockholders to proceed with the increase in authorized capital, the Board of Directors will, at its discretion, file with the Secretary of State of the State of Delaware a Certificate of Amendment to the Amended Certificate increasing the Company's authorized capital as set forth in this proposal.

The Amended Certificate currently authorizes the issuance of up to 100,000,000 shares of stock, of which 100,000,000 shares are designated as common stock, \$.01 par value per share. Of the 100,000,000 shares of common stock currently authorized, as of the close of business on July 31, 2007, there were 35,271,685 shares of common stock issued and outstanding. In addition, as of July 31, 2007, the Company has reserved up to approximately 58,043,659 shares of common stock for issuance pursuant to outstanding options, warrants and special warrants.

Reasons for Increase

The Board of Directors has proposed this amendment to ensure that the Company has sufficient shares available for general corporate purposes including, without limitation, equity financings, acquisitions, establishing strategic relationships with corporate partners, providing equity incentives to employees, and payments of stock dividends, stock splits or other recapitalizations. The Company considers from time to time acquisitions, equity financings, strategic relationships and other transactions as market conditions or other opportunities arise. Without an increase in the shares of common stock authorized for issuance, the Company might not be able to conclude any such transaction in a timely fashion. The Company has not entered into any acquisition agreement, financing agreement or other arrangement whereby it is obligated to issue additional shares of its common stock which could not be completed without the contemplated increase to the Company's authorized capital that is the subject of this proposal.

Effect of Increase

If the stockholders approve the proposed amendment, the Board of Directors may cause the issuance of additional shares of common stock without further vote of the stockholders of the Company, except as may be required in particular cases by the Company's charter documents, applicable law or the rules of any national securities exchange on which shares of common stock of the Company may then be listed. Under the Company's Amended Certificate, the Company's stockholders do not have preemptive rights to subscribe to additional securities that may be issued by the Company, which means that current stockholders do not have a prior right to purchase any new issue of capital stock of the Company in order

to maintain their proportionate ownership of common stock. In addition, if the Board of Directors elects to cause the Company to issue additional shares of common stock or securities convertible into or exercisable for common stock, such issuance could have a dilutive effect on the voting power and earnings per share of existing stockholders.

The increase in the number of authorized shares of common stock could have an anti-takeover effect, although this is not the intent of the Board of Directors in proposing the amendment. For example, if the Board of Directors issues additional shares in the future, such issuance could dilute the voting power of a person seeking control of the Company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary transaction opposed by the Board of Directors. As of the date of this Proxy Statement, the Board of Directors is not aware of any attempt or plan to obtain control of the Company.
