**PROXY STATEMENT
FOR THE 2014 ANNUAL GENERAL MEETING OF THE SHAREHOLDERS TO BE
HELD ON DECEMBER 11, 2014**

THE ANNUAL GENERAL MEETING

General

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors (the **Board of Directors**) of Passport Potash Inc. (**we**, the **Company** or **Passport**) for use in connection with Company's 2014 Annual General Meeting of shareholders (the **Annual Meeting**) to be held on December 11, 2014 at 10:00 a.m. (Pacific Time) at the offices of McMillan LLP, Suite 1500, 1055 West Georgia Street, Vancouver, British Columbia, Canada, and at any adjournment or postponement thereof, for the purposes set forth in the accompanying notice of Annual Meeting.

This proxy statement, the notice of Annual Meeting and the enclosed form of proxy are expected to be mailed to our shareholders on or about November 13, 2014. Our annual report on Form 10-K for the fiscal year ended February 28, 2014, including financial statements for the fiscal year ended February 28, 2014, will also be mailed to our shareholders with this proxy statement, but such annual report does not constitute a part of this proxy statement.

Our principal executive office is located at 608 1199 West Pender Street, Vancouver, British Columbia, Canada V6E 2R1.

Manner of Solicitation and Expenses

This proxy solicitation is made on behalf of our Board of Directors. Solicitation of proxies may be made by our directors, officers and employees personally, by telephone, mail, facsimile, e-mail, internet or otherwise, but they will not be specifically compensated for these services. We will bear the expenses incurred in connection with the solicitation of proxies for the Annual Meeting. Upon request, we will also reimburse brokers, dealers, banks or similar entities acting as nominees for their reasonable expenses incurred in forwarding copies of the proxy materials to the beneficial owners of the shares of our common stock as of November 3, 2014 (the **Record Date**).

Record Date and Voting Shares

Our Board of Directors has fixed the close of business on November 3, 2014, as the Record Date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting. As of the Record Date there were 109,490,859 shares of our common stock issued, outstanding and entitled to vote at the Annual Meeting. Holders of common stock are entitled to one vote at the Annual Meeting for each share of common stock held of record as of the Record Date. There is no cumulative voting in the election of directors.

Quorum

A quorum is necessary to hold a valid meeting of our shareholders. The required quorum for the transaction of business at the Annual Meeting is at least one person who is, or who represents by proxy, one or more shareholders who, in the aggregate, hold at least 5% of the issued shares as of the Record Date.

In order to be counted for purposes of determining whether a quorum exists at the Annual Meeting, shares must be present at the Annual Meeting either in person or represented by proxy. Shares that will be counted for purposes of determining whether a quorum exists will include:

- shares represented by properly executed proxies for which voting instructions have been given, including proxies which are marked "Abstain" or "Withhold" for any matter;
- shares represented by properly executed proxies for which no voting instruction has been given; and
- broker non-votes.

Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker does not have discretionary authority to vote such shares.

Entitlement to Vote

If you are a registered holder of shares of our common stock on the Record Date, you may vote those shares of our common stock in person at the Annual Meeting or by proxy in the manner described below under Voting of Proxies. If you hold shares of our common stock in street name through a broker or other financial institution, you must follow the instructions provided by your broker or other financial institution regarding how to instruct your broker or financial institution to vote your shares.

Voting of Proxies

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Annual Meeting in person. Registered Shareholders electing to submit a proxy may do so by:

- (a) completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc., by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9;
- (b) using a touch-tone phone to transmit voting choices to a toll free number at 1-866- 732-8683 and following the instructions of the voice response system by providing the Holder ID and Holder Code located beside your name on the proxy form on the lower left hand side. If the Holder ID and Holder Code are not on the proxy, it will be on the back of the flyer enclosed with this material. Instructions are then conveyed by use of the touchtone selections over the telephone; or
- (c) using the internet through the website of Computershare Investor Services Inc. at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the Holder ID and Holder Code and the proxy access number;

in all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Annual Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold shares of Company's common stock (Common Shares) in their own name (each a Beneficial Shareholder). Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Annual Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of intermediaries. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called **OBOs** for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called **NOBOs** for Non-Objecting Beneficial Owners).

The Company is taking advantage of the provisions of The Canadian Securities Administrators National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer that permit it to deliver proxy-related materials directly to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form (**VIF**) from our transfer agent, Computershare Investor Services Inc. (**Computershare**). The VIF is to be completed and returned to Computershare as set out in the instructions provided on the VIF. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Annual Meeting with respect to the shares represented by the VIFs they receive.

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Annual Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (**Broadridge**) in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Annual Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Annual Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Annual Meeting and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Annual Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Annual Meeting and vote your Common Shares at the Annual Meeting.**

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time in so far as it has not been exercised. A proxy may be revoked, as to any matter on which a vote shall not already have been cast pursuant to the authority conferred by such proxy, by instrument in writing executed by the shareholder or by his attorney authorized in writing or, if the shareholder is a body corporate, by an officer or attorney thereof duly authorized, and deposited either with the Company or to **Computershare Investor Services Inc., 510 Burrard Street, Vancouver, B.C. V6C 3B9** at any time up to and including 48 hours preceding the Meeting (excluding Saturdays, Sundays, and holidays), or any adjournment thereof, at which the proxy is to be used or with the Chairman of such Annual Meeting preceding the commencement of such Annual Meeting or any adjournment thereof, and upon either of such deposits the proxy is revoked. A proxy may also be revoked in any other manner permitted by law.

Exercise of Discretion by Proxies

The persons named in the enclosed form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the shareholders appointing them on any ballot that may be called for. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Annual Meeting.

In respect of a matter for which a choice is not specified in the proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified on the proxy and, if applicable, for the nominees of management for directors and auditors as identified in the proxy.

Votes Required

Proposal One Number of Directors: The affirmative vote of the holders of a majority of our common stock represented at the Annual Meeting in person or by proxy is required for the approval of the number of directors. Shareholders may vote in favor or against this proposal, or they may abstain. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Abstentions are deemed to be votes cast, and have the same effect as a vote against this proposal. Broker non-votes are not deemed to be votes cast and, therefore, have no effect on the vote with respect to this proposal.

Proposal Two Election of Directors: The affirmative vote of the holders of a plurality of our shares of common stock represented at the Annual Meeting in person or by proxy is required for the election of our directors. This means that the nominees who receive the greatest number of votes for each open seat will be elected. Votes may be cast in favor of the election of directors or withheld. A vote is withheld when a properly executed proxy is marked WITHHOLD for the election of one or more directors. Votes that are withheld and broker non-votes will be counted for the purposes of determining the presence or absence of a quorum but will have no other effect on the election of directors. Further, brokers may not cast discretionary uninstructed votes in any election of directors.

Proposal Three Appointment of Accountants: The affirmative vote of the holders of a majority of our common stock represented at the Annual Meeting in person or by proxy is required for the ratification of the appointment of our independent registered public accountants. Shareholders may vote in favor or against this proposal, or they may abstain. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Abstentions are deemed to be votes cast, and have the same effect as a vote against this proposal. Broker non-votes are not deemed to be votes cast and, therefore, have no effect on the vote with respect to this proposal.

Shareholder Proposals

No proposals have been received from any shareholder to be considered at the Annual Meeting.

Other Matters

It is not expected that any matters other than those referred to in this proxy statement will be brought before the Annual Meeting. If other matters are properly presented, however, the persons named as proxy appointees will vote in accordance with their best judgment on such matters. The grant of a proxy also will confer discretionary authority on the persons named as proxy appointees to vote in accordance with their best judgment on matters incident to the conduct of the Annual Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the following persons has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Annual Meeting, except in so far as they may be elected to office:

- each person who has been one of our directors or executive officers at any time since the beginning of our last fiscal year;
- each nominee for election as one of our directors; or
- any associate of any of the foregoing persons.

None of the above persons has received any extra or special benefit in their capacity as a security holder of the Company.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information as of November 3, 2014 regarding the beneficial ownership of our common stock by:

PROPOSAL NUMBER TWO:

ELECTION OF DIRECTORS TO OUR BOARD OF DIRECTORS

Election of Directors

We propose to elect five directors, each to hold office until each director's successor is elected and qualified at our next Annual Meeting.

The persons named in the enclosed proxy will vote for the election of the nominees listed under "Nominees for Election of Directors" below unless you instruct them otherwise, or unless a nominee is unwilling to serve as a director of our Company. Our Board of Directors has no reason to believe that any nominee will be unwilling to serve, but if a nominee should determine not to serve, the persons named in the proxy may vote for another candidate nominated by our Board of Directors.

The affirmative vote of a plurality of the votes present in person or by proxy at the Annual Meeting and entitled to vote on the election of directors is required for the election of each nominee as a director.

Advance Notice Provision

On September 12, 2013, the shareholders of the Company approved the alteration of the Company's articles for the purpose of adopting advance notice provisions (the "Advance Notice Provision"). The Advance Notice Provision provides for advance notice to the Company in circumstances where nominations of persons for election to the Board of directors of the Company (the "Board") are made by shareholders of the Company other than pursuant to (i) a requisition of a meeting made pursuant to the provisions of the BCA or (ii) a shareholder proposal made pursuant to the provisions of the BCA.

The purpose of the Advance Notice Provision is to foster a variety of interests of the shareholders and the Company by ensuring that all shareholders - including those participating in a meeting by proxy rather than in person - receive adequate notice of the nominations to be considered at a meeting and can thereby exercise their voting rights in an informed manner. Among other things, the Advance Notice Provision fixes a deadline by which holders of Common Shares must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the minimum information that a shareholder must include in the notice to the Company for the notice to be in proper written form.

The Advance Notice Provision also requires all proposed director nominees to deliver a written representation and agreement that such candidate for nomination, if elected as a director of the Company, will comply with all applicable corporate governance, conflict of interest, confidentiality, share ownership, majority voting and insider trading policies and other policies and guidelines of the Company applicable to directors and in effect during such person's term in office as a director.

The foregoing is merely a summary of the Advance Notice Provision, is not comprehensive and is qualified by the full text of such provision which is available in Schedule "C" of the Company's Information Circular filed on August 14, 2013 under the Company's profile on SEDAR at www.sedar.com.

The Company has not received notice of a nomination in compliance with the Advance Notice Provision and, as such, any nominations other than nominations by or at the direction of the Board of Directors or an authorized officer of the Company will be disregarded at the Annual Meeting.

Nominees for Election as Directors

Joshua Bleak, Ali Rahimtula, David J. Salisbury, John Eckersley and Frank Högel, each of whom is a current director, have been nominated by our Board of Directors for election. It is the intention of the persons named in the accompanying form of proxy to vote proxies for the election of these individuals and each of the nominees has consented to being named in this proxy statement and to serve, if elected. In the event that any or all of these individuals should for some reason, presently unknown, become unavailable for election, the persons named in the form of proxy intend to vote for substitute nominees.

Meetings of Directors During the Last Fiscal Year

The Company's Board of Directors held four meetings during the fiscal year ended February 28, 2014. Each director attended at least 75% of the aggregate of: (i) the total number of board meetings held while he or she was a director; and (ii) the total number of meetings held by committees on which he or she served during the periods that he or she served.

The Company does not have a formal policy with respect to director attendance at annual shareholders meetings, however, all directors are encouraged to attend. A total of one director from the Board of Directors as it was comprised at the time attended the annual shareholders meeting last year.

Committees of the Board of Directors

Our Board of Directors currently only has an audit committee. The audit committee was established in August, 2007.

The following provides information regarding the Company's audit committee and summarizes the functions of such committee.

Audit Committee

National Instrument 52-110 of the Canadian Securities Administrators (**NI 52-110**) requires the Company, as a venture issuer, to disclose annually in its information circular (proxy statement) certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth in the following.

The Company's audit committee is governed by an audit committee charter, the text of which is attached as Schedule A to this Proxy Statement.

The Company's audit committee is currently comprised of three directors, David Salisbury, Frank Högel and John Eckersley. Mr. Eckersley is not independent as he is the Vice President of the Company. All of the audit committee members are financially literate. The Company is relying upon the exemption in section 6.1 of NI 52-110 in respect of the composition of its audit committee and in respect of its reporting obligations under NI 52-110 for the year ended February 28, 2014. This exemption exempts a venture issuer from the requirement to have 100% of the members of its audit committee independent, as would otherwise be required by NI 52-110. Our Board has determined that David Salisbury qualifies as an audit committee financial expert as defined under applicable SEC rules and also meets the additional criteria for independence of audit committee members set forth in Rule 10A-3(b)(1) under the Exchange Act.

See heading *Election of Directors* for disclosure on relevant experience for each member of the audit committee. Each member of the audit committee has

- an understanding of the accounting principles used by the issuer to prepare its financial statements, and the ability to assess the general application of those principles in connection with estimates, accruals and reserves;
- experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the issuer's financial statements, or experience actively supervising individuals engaged in such activities; and
- an understanding of internal controls and procedures for financial reporting.

Since the commencement of the Company's most recently completed financial year, the Company's Board has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

The Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 which provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

The audit committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Company's Board of Directors, and where applicable the audit committee, on a case-by-case basis.

The audit committee discharged its mandate in respect of the financial year ended February 28, 2014, including the review and recommendation to the Board of Directors in respect of all financial disclosure contained in our Company's public documents.

The audit committee held one meetings during the year ended February 28, 2014, and also acted through the adoption of written consent resolutions.

Report of the Audit Committee

The audit committee has reviewed and discussed the audited consolidated financial statements for the year ended February 28, 2014 with the Company's management. In addition, the audit committee has discussed with the Company's independent registered public accounting firm, Dale Matheson Carr-Hilton Labonte, LLP, the matters required by Statement on Auditing Standards No. 61, *Communication with Audit Committees*. The audit committee has received the written disclosures and the letter from Dale Matheson Carr-Hilton Labonte, LLP required by Public Accounting Oversight Board Rule No. 3526, *Communications with Audit Committees Concerning Independence*, and has discussed, with Dale Matheson Carr-Hilton Labonte, LLP, their independence. The audit committee considered the compatibility of non-audit services with the auditors' independence. Based on the discussions and reviews referenced above, the audit committee recommended to the Company's Board of Directors that the audited consolidated financial statements for the year ended February 28, 2014 be included in the Company's Annual Report on Form 10-K. The audit committee has selected Dale Matheson Carr-Hilton Labonte, LLP to serve as the Company's Independent Registered Public Accounting Firm for the year 2014.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Board has not appointed a compensation committee and the responsibilities relating to executive and director compensation, including reviewing and recommending director compensation, overseeing the Company's base compensation structure and equity-based compensation program, recommending compensation of the Company's officers and employees, and evaluating the performance of officers generally and in light of annual goals and objectives, is performed by the Board as a whole.

The Board also assumes responsibility for reviewing and monitoring the long-range compensation strategy for the Company's senior management. The Board reviews the compensation of senior management on a semi-annual basis taking into account compensation paid by other issuers of similar size and activity.

Compensation Philosophy and Objectives

The Company is a smaller reporting company as defined by Rule 12b-2 of the U.S. Securities Exchange Act of 1934, as amended, is a junior resource company and has limited resources. The compensation program for the senior management of the Company is designed within this context with a view that the level and form of compensation achieves certain objectives, including:

- (a) attracting and retaining qualified executives;
- (b) motivating the short and long-term performance of these executives; and
- (c) better aligning their interests with those of the Company's shareholders.

In compensating its senior management, the Company has arranged for equity participation through its stock option plan.

Bonus Incentive Compensation

The Company's objective is to achieve certain strategic objectives and milestones. The Board will consider executive bonus compensation dependent upon the Company meeting those strategic objectives and milestones and sufficient cash resources being available for the granting of bonuses. The Board approves executive bonus compensation dependent upon compensation levels based on recommendations of the Chief Executive Officer. Such recommendations are generally based on information provided by issuers that are similar in size and scope to the Company's operations.

Equity Participation Option-Based Awards

The Company believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation is accomplished through the Company's stock option plan. Stock options are granted to executives and employees taking into account a number of factors, including the amount and term of options previously granted, base salary and bonuses and competitive factors. The amounts and terms of options granted are determined by the Board of Directors based on recommendations put forward by the Chief Executive Officer. Due to the Company's limited financial resources, the Company emphasizes the provisions of option grants to maintain executive motivation.

Approach to Risk

The Company is aware that compensation practices can have unintended risk consequences. At the present time, the Board is satisfied that the current executive compensation program does not encourage the executives to expose the business to inappropriate risk.

Hedging Policy

Although the Company has not adopted a policy disallowing insiders from purchasing financial instruments designed to hedge or offset any decrease in market value of Common Shares or any other securities of the Company, the Company is not aware of any insiders having adopted such practice.

Actions, Decisions or Policies Made After February 28, 2014

Given the evolving nature of the Company's business, the Board continues to review and redesign the overall compensation plan for senior management so as to continue to address the objectives identified above.

Effective March 1, 2014, Mr. Allred replaced Ms. Shaffer as Chief Financial Officer. (Ms. Schaffer resigned as Chief Financial Officer and Secretary on February 19, 2014).

Equity Compensation Plans**2014 Fixed Share Option Plan**

On October 31, 2014, our Board of Directors approved the adoption of a new fixed share option plan (the **2014 Plan**), which complies with the current policies of the TSXV and the amendments to the Income Tax Act (Canada) which impose withholding obligations on taxable benefits arising at the time options are exercised, since our shareholders voted against our previous 2011 rolling stock option plan and the TSXV requires that all listed issuers must implement a stock option plan. The 2014 Plan is subject to approval of the TSXV, however, such plan is not subject to approval of our shareholders as the 2014 Plan will not result at any time in the number of shares reserved

for issuance under stock options exceeding 10% of our issued shares. On November 5, 2014, the TSXV approved the 2014 Plan.

The purpose of the 2014 Plan is to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The 2014 Plan is administered by the Board of Directors. The 2014 Plan provides that options may be issued to directors, officers, employees or consultants of the Company or a subsidiary of the Company. The 2014 Plan also provides that the maximum aggregate number of Common Shares that may be reserved for issuance under the 2014 Plan at any point in time is 9,180,969, which represents 10% of the Company's issued and outstanding Common Shares as at the date of the Company's last shareholders meeting on September 12, 2013 (considered to be a fixed stock option plan). Pursuant to the 2014 Plan all options expire on a date not later than 10 years after the date of grant of an option. All options outstanding under the previous 2011 rolling stock option plan were rolled into the 2014 Plan.

The 2014 Plan is subject to the following restrictions:

- (a) The Company must not grant an option to a director, employee, consultant, or consultant company (the **Service Provider**) in any 12 month period that exceeds 5% of the outstanding shares, unless the Company has obtained approval by a majority of the votes cast by the shareholders of the Company eligible to vote at a shareholders meeting, excluding votes attaching to shares beneficially owned by insiders and their associates (**Disinterested Shareholder Approval**);
- (b) The aggregate number of options granted to a Service Provider conducting investor relations activities in any 12 month period must not exceed 2% of the outstanding shares calculated at the date of the grant, without the prior consent of the TSXV;
- (d) The Company must not grant an option to a consultant in any 12 month period that exceeds 2% of the outstanding shares calculated at the date of the grant of the option;
- (e) The number of optioned shares issued to insiders in any 12 month period must not exceed 10% of the outstanding shares (in the event that the 2014 Plan is amended to reserve for issuance more than 10% of the outstanding shares) unless the Company has obtained Disinterested Shareholder Approval to do so;
- (f) The exercise price of an option previously granted to an insider must not be reduced, unless the Company has obtained Disinterested Shareholder Approval to do so.

The following is a summary of the material terms of the 2014 Plan:

- (a) Persons who are Service Providers to the Company or its affiliates, or who are providing services to the Company or its affiliates, are eligible to receive grants of options under the 2014 Plan;
- (b) Options granted under the 2014 Plan are non-assignable and non-transferable and are issuable for a period of up to 10 years;
- (c) For options granted to Service Providers, the Company must ensure that the proposed optionee is a bona fide Service Provider of the Company or its affiliates;
- (d) An option granted to any Service Provider will expire within 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the optionee at any time prior to expiry of the option), after the date the optionee ceases to be employed by or provide services to the Company, but only to the extent that such option was vested at the date the optionee ceased to be so employed by or to provide services to the Company;
- (e) If an optionee dies, any vested option held by him or her at the date of death will become exercisable by the optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such optionee and the date of expiration of the term otherwise applicable to such option;

- (f) In the case of an optionee being dismissed from employment or service for cause, such optionee's options, whether or not vested at the date of dismissal, will immediately terminate without right to exercise same;
- (g) The exercise price of each option will be set by the Board on the effective date of the option and will not be less than the Discounted Market Price (as defined in the 2014 Plan);
- (h) Vesting of options shall be at the discretion of the Board, and will generally be subject to: (i) the Service Provider remaining employed by or continuing to provide services to the Company or its affiliates, as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or its affiliates during the vesting period; or (ii) the Service Provider remaining as a Director of the Company or its affiliates during the vesting period; and
- (i) The Board reserves the right in its absolute discretion to amend, suspend, terminate or discontinue the 2014 Plan with respect to all 2014 Plan shares in respect of options which have not yet been granted under the 2014 Plan.

The Board has determined that, in order to reasonably protect the rights of participants, as a matter of administration, it is necessary to clarify when amendments to the 2014 Plan may be made by the Board without shareholder approval. Accordingly, the Board may, without shareholder approval:

- (i) amend the 2014 Plan to correct typographical, grammatical or clerical errors;
- (ii) change the vesting provisions of an option granted under the 2014 Plan, subject to prior written approval of the TSXV, if applicable;
- (iii) change the termination provision of an option granted under the 2014 Plan if it does not entail an extension beyond the original expiry date of such option;
- (iv) make such amendments to the 2014 Plan as are necessary or desirable to reflect changes to securities laws applicable to the Company;
- (v) if the Company becomes listed or quoted on a stock exchange or stock market senior to the TSXV, make such amendments as may be required by the policies of such senior stock exchange or stock market; and
- (vi) amend the 2014 Plan to reduce the benefits that may be granted to Service Providers.

Grants of option awards under the 2014 Plan are at the discretion of the Board of Directors. Accordingly, allocation of future benefits under the 2014 Plan among individual Service Providers, or among groups of Service Providers (such as executive officers, non-executive directors and non-executive employees), is not determinable at this time. The Service Providers who will be eligible to receive option awards under the 2014 Plan include: (a) our Chief Executive Officer; (b) our Chief Financial Officer; (c) our Executive Vice President; (d) our Chief Operating Officer; (e) our directors (including our three non-executive directors); and (f) our employees and consultants (we currently have one employee, and we engage various individuals from time to time to perform non-executive functions on a consulting basis; each is eligible to receive option awards under the 2014 Plan at the discretion of our Board of Directors).
