Item 7.01

Regulation FD Disclosure

Today, j2 Global Communications, Inc. (“j2”) is announcing a revised policy regarding the release of its financial guidance. The policy provides as follows:

To keep our investors, the public and employees abreast of our expectations with regard to j2’s financial performance, we issue quarterly and annual financial estimates. These estimates include revenues and earnings per share and are expressed as ranges. Outside of our quarterly earnings call, it has been our policy to comment on our financial guidance only in a public forum where we are discussing j2 - typically an Investor Conference - or as required by applicable laws or regulations. In addition, we have adopted the following new policies: (a) we only comment on whether we expect to fall within or outside of our financial guidance ranges, not where within those ranges we expect to perform and (b) following the close of business on the 7th day of the third month of every quarter (i.e., March 7, June 7, September 7 and December 7), we will not comment on our financial performance for that quarter until public release of our financial results for the quarter.

We will post a copy of our current Policy on Publicly Released Financial Guidance on the Investor Relations portion of our Website www.j2global.com.

Note: The information in this report is furnished pursuant to Item 7.01 and shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that Section.
