PROXY STATEMENT

The enclosed Proxy is solicited on behalf of the Board of Directors of Sutron Corporation (the "Company") for use at its Annual Meeting of Shareholders to be held on Wednesday, May 17, 2006 at 1:30 p.m., local time, and at any adjournments thereof. The purposes of the meeting are set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The meeting will be held at the principal executive offices of the Company, 21300 Ridgetop Circle, Sterling, Virginia 20166. The approximate date on which this Proxy Statement and the Proxy Card were first sent to shareholders of the Company is April 24, 2006.

After the enclosed Proxy Card is duly executed and returned, a shareholder may revoke the proxy at any time by written request that is received by the Secretary of the Company prior to the meeting or by voting in person at the meeting or by executing a later dated Proxy Card. The Proxy Card is in ballot form so that a specification may be made to vote for, or to withhold authority to vote for, the nominees for election as directors, or any of them, and to indicate whether the shareholder wishes to vote for or against, or abstain from voting upon the other proposal.

RECORD DATE AND VOTING RIGHTS

Edgar Filing: SUTRON CORP - Form DEF 14A

Shareholders of record at the close of business on Tuesday, March 28, 2006 are entitled to notice of and to vote at the meeting. On March 28, 2006, the Company had outstanding and entitled to vote 4,295,551 shares of Common Stock. Each share of Common Stock entitles the holder to one vote on each matter to be voted upon at the meeting.

The By-laws of the Company require that the holders of a majority of the outstanding shares of the Company's Common Stock entitled to vote at the Annual Meeting be present in person or represented by proxy in order for a quorum to exist for the transaction of business at that meeting. Abstentions and "broker non-votes" (which occur if a broker or other nominee does not have discretionary authority and has not received voting instructions from the beneficial owner with respect to the particular item) are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Assuming that a quorum is present for the Annual Meeting, the five nominees for director who receive the highest number of votes cast will be elected. Abstentions and broker non-votes will have no effect on the outcome of the election of directors.

The ratification of the appointment of the independent public accountants must be approved by the affirmative vote of a majority of the shares present in person or by proxy at the Annual Meeting and entitled to vote thereon. For purposes of this Proposal, abstentions are counted for purposes of calculating shares entitled to vote but are not counted as shares voting and therefore have the effect of a vote against such Proposal. For purposes of this Proposal, broker non-votes are not counted as shares entitled to vote and therefore have no effect with respect to such Proposal.

Any Proxy Card which is returned by a Shareholder properly completed and which is not revoked will be voted at the Annual Meeting in the manner specified therein. Unless contrary instructions are given, the persons designated as proxy holders in the accompanying Proxy Card (or their substitutes) will

Page 4

vote "FOR" the election of the Board of Directors' nominees and "FOR" the ratification of the appointment of Thompson, Greenspon & Co., P.C. as independent accountants, and in the proxy holders' discretion with regard to all other matters properly brought before the meeting. Any unmarked proxies, including those submitted by brokers (other than broker non-votes) or nominees will be voted in favor of the nominees for the Board of Directors and other proposals, as indicated in the accompanying Proxy Card. WE URGE YOU TO VOTE YOUR SHARES WITHOUT DELAY.

The Company will bear the cost of preparing this Proxy Statement and the other costs of soliciting Proxies for the 2006 Annual Shareholders Meeting. In addition to solicitation by mail, solicitations may be made by personal interview or telephone by officers and employees of the Company, acting without additional compensation. Sutron anticipates that banks, brokerage houses, and other custodians, nominees, and fiduciaries will forward this material to beneficial owners of shares of Common Stock entitled to vote at the Annual Meeting, and such persons will be reimbursed by Sutron for the out-of-pocket expenses incurred by them.

The Audit Committee's primary responsibilities are to provide oversight of the Company's accounting and financial controls, review the scope of and procedures to be used in the annual audit, review the financial statements and results of the annual audit, and retain and evaluate the performance of the independent accountants and the Company's financial and accounting personnel. The Audit Committee has a formal charter that is attached as Appendix "1" to this Proxy Statement.

COMPENSATION COMMITTEE Mr. Roberts, Mr. Lipman and Mr. Porter are the current members of the Compensation Committee. Mr. Roberts serves as the Chairman of the Compensation Committee and was appointed to that position in July 2005. The Compensation Committee met two times during fiscal 2005. Each current member of the Corporate Governance and Nominating Committee meets the independence and other requirements to serve on our Corporate Governance and Nominating Committee under the rules of the SEC and listing standards of The Nasdaq Stock Market. The Nominating Committee does have a formal charter that is available on the Company's web site at www.sutron.com under "Investor Information."

DIRECTOR NOMINATION PROCESS

The Company did not engage a third party to assist in identifying and evaluating the individuals nominated for election as directors at this meeting. Historically, the Board has relied on recommendations from its members to identify nominees. In considering whether to nominate any particular candidate for election to the Board, the Board uses various criteria to evaluate each candidate, including an evaluation of each candidate's integrity, business acumen, knowledge of the Company's business and industry, experience, diligence, conflicts of interest and the ability to act in the interests of the Company's shareholders. The Board evaluates biographical information and interviews selected candidates. The Board also considers whether a potential nominee would satisfy the Nasdaq listing standards for "independence" and the SEC's definition of "audit committee financial expert." The Board does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. The Company believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board

Edgar Filing: SUTRON CORP - Form DEF 14A

to fulfill its responsibilities.

The Company does not have a formal policy with regard to the consideration of director candidates recommended by its shareholders; however shareholder recommendations relating to director nominees may be submitted in accordance with the procedures set forth below under the heading "Communicating with the Board of Directors."

Page 8

All such letters must identify the author as a shareholder and must include the shareholder's full name, address and a valid telephone number. The name of any specific intended Board recipient should be noted in the communication. The Secretary will forward any such correspondence to the intended recipients; however, prior to forwarding any such correspondence, the Secretary or his designee will review such correspondence, and in his or her discretion, may not forward communications that relate to ordinary business affairs, communications that are primarily commercial in nature, personal grievances or communications that relate to an improper or irrelevant topic or are otherwise inappropriate for the Board's consideration.

DIRECTOR ATTENDANCE AT ANNUAL MEETING OF SHAREHOLDERS

COMPENSATION OF DIRECTORS

The Company has no arrangement by which any of its officers are compensated for their services as directors and, therefore, Mr. Farrell and Dr. McQuivey did not and will not receive any additional remuneration for their services as directors. On December 22, 2005, the Board of Directors of Sutron Corporation approved a compensation plan for its independent directors. The plan provides that each independent director will be paid an annual retainer through a grant of stock options in the amount of 5,000 shares of Common Stock of Sutron Corporation that will vest over a one-year period from the date of grant, which will be the date of the Annual Meeting of Shareholders. The grant date for 2005 stock options was not retroactive to the June 1, 2005, the date of the 2005 Annual Meeting of Shareholders, but became effective as of December 22, 2005 and the options vested immediately.

Each independent director is paid an attendance fee of \$1,500 for each meeting of the Board of Directors where the director is physically present and \$500 for each meeting attended telephonically. Also, each independent director is paid an attendance fee of \$1,000 for each committee meeting of the Board of Directors where the director is physically present and \$500 for each meeting attended telephonically. COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Under the securities laws of the United States, the Company's directors and its executive officers are required to report ownership of the company's Common Stock and any changes in that ownership to the Securities and Exchange Commission. Specific due dates for these reports have been established and the Company is required to disclose in this proxy statement any failure to file by these dates during 2005. Mr. Lipman, Mr. Porter and Mr. Roberts were subject to the reporting requirement of Section 16(a) and were delinquent in filing required reports on Form 4. Mr. McQuivey was delinquent in filing one required report on Form 4.

REPORT OF THE AUDIT COMMITTEE

This Report of the Audit Committee of the Company's Board of Directors (the "Audit Committee") is required by the Securities and Exchange Commission and shall not be deemed to be incorporated by reference into any filing under the Securities Act or under the Exchange Act by any general statement incorporating by reference this Proxy Statement, and shall only be incorporated into other filings to the extent that the Company specifically incorporates this

Edgar Filing: SUTRON CORP - Form DEF 14A

information by reference, and shall not be deemed soliciting material or filed under the Securities Act or Exchange Act.

The Audit Committee is composed of three independent directors and operates under a written charter approved by the Audit Committee and adopted by the Board. Thomas R. Porter, Andrew D. Lipman and Robert F. Roberts, Jr. are the current members of the Audit Committee. The Audit Committee's primary responsibilities are to provide oversight of the Company's accounting and financial controls, review the scope of and procedures to be used in the annual audit, review the financial statements and results of the annual audit, and retain and evaluate the performance of the independent accountants and the Company's financial and accounting personnel.

The Company's management has the primary responsibility for the financial statements and reporting process, which includes the Company's systems of internal control. Thompson, Greenspon & Co., the Company's independent auditor, is responsible for performing an independent audit of the Company's financial statements in accordance with standards established by the Public Company Accounting Oversight Board, expressing an opinion, based on its audit, as to the conformity of such financial statements with accounting principles generally accepted in the United States. The Audit Committee's responsibility is to monitor and oversee these processes, including by engaging in discussions with management and the Company's independent registered public accounting firm.

The Audit Committee members are not professional accountants or auditors, and their role is not intended to duplicate or certify the activities of management and the independent registered public accounting firm, nor can the Committee certify that the independent registered public accounting firm is "independent" under applicable rules. The Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the independent registered public accounting firm on the basis of the information it receives, discussions with management and the independent registered public accounting firm, and the experience of the Committee's members in business, financial and accounting matters.

In carrying out its oversight responsibilities, the Board met with management and reviewed with management the audited consolidated financial statements included in the Annual Report on Form 10-KSB for the fiscal year ended December 31, 2005. The review included a discussion of the quality and acceptability of the Company's financial reporting and controls, including the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements.

Page 14

The Board also reviewed with Thompson, Greenspon & Co., who are responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles, their judgments as to the quality and the acceptability of the Company's financial reporting and such other matters as are required to be discussed with the Board under generally accepted auditing standards and SAS (Statement on Auditing Standards) 61 as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications). In addition, the Board discussed with Thompson, Greenspon & Co. their independence from management and the Company, including the matters in their written disclosures required by the Independence Standards Board, including Standard No. 1, and received written disclosures required by that standard. The Board has considered whether the independent auditors' provision of non-audit services to the Company is compatible with the auditors' independence. The Board held a private session with the Company's independent

Edgar Filing: SUTRON CORP - Form DEF 14A

auditors, Thompson, Greenspon & Co., at which candid discussions of financial management, accounting and internal controls took place.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended that the audited consolidated financial statements be included in the Annual Report on Form 10-KSB for the fiscal year ended December 31, 2005 for filing with the Securities and Exchange Commission.

Any shareholder proposals intended to be presented at Sutron's 2007 Annual Meeting of Shareholders must be received by Sutron at its offices at 21300 Ridgetop Circle, Sterling, Virginia 20166, on or before December 6, 2006, for consideration for inclusion in the proxy material for such Meeting.

The Secretary must receive such notice by March 12, 2007, and if a shareholder fails to provide such timely notice of a proposal to be presented at the 2007 Annual Meeting, the proxies designated by the Company's Board of Directors will have discretionary authority to vote on any such proposal.
