PROXY STATEMENT

2016 ANNUAL MEETING OF SHAREHOLDERS
June 17, 2016

GENERAL

This Proxy Statement is being furnished to the shareholders of LIFEWAY FOODS, INC. (the "Company" or "Lifeway") in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board"). The proxies are for use at the 2016 Annual Meeting of Shareholders of the Company to be held on Friday, June 17, 2016, at 2:00 p.m., local time, or at any adjournment thereof (the "Annual Meeting"). The Annual Meeting will be held at the Holiday Inn, 5300 W. Touhy Avenue, Skokie, Illinois 60077. The Company's telephone number is (847) 967-1010.

The shares represented by your proxy will be voted at the Annual Meeting as therein specified (if the proxy is properly executed and returned, and not revoked).

If no directions are given on the proxy, the shares represented by your proxy will be voted:

FOR the election of the director nominees named herein (Proposal One), unless you are a record holder of your shares and specifically withhold authority to vote for one or more of the director nominees. If you hold your shares through a broker in "street name," your broker will not be allowed to vote on Proposal One unless you direct your broker as to such vote.

FOR ratifying the appointment of Mayer Hoffman McCann P. C. as our independent registered public accounting firm for the fiscal year ending December 31, 2016 (Proposal Two).

FOR the approval of the non-binding advisory resolution approving the Company's compensation of our named Executive Officers (Proposal Three).

The Company knows of no other matters to be submitted to the Annual Meeting. If any other matters properly come before the Annual Meeting, it is the intention of the persons named in the accompanying form of proxy to vote the shares they represent as the Board may recommend.

VOTING SECURITIES

Shareholders of record at the close of business on April 18, 2016 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, 16,158,858 shares of the Company's Common Stock, no par value ("Common Stock"), were issued and outstanding.

Each holder of Common Stock is entitled to one vote for each share of Common Stock held as of the Record Date.

QUORUM; ABSTENTIONS; BROKER NON-VOTES

A majority of the aggregate voting power of the outstanding shares of Common Stock as of the Record Date must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. If the aggregate voting power of the shares of Common Stock present, in person and by proxy, at the Annual Meeting does not constitute the required quorum, the Annual Meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Shares of Common Stock that are voted "FOR," "AGAINST" or "ABSTAIN" are treated as being present at the Annual Meeting for purposes of establishing a quorum. Shares that are voted "FOR," "AGAINST" or "ABSTAIN" with respect to a matter will also be treated as shares entitled to vote at the Annual Meeting (the "Votes Cast") with respect to such matter. Abstentions will be counted for purposes of quorum and will have the same effect as a vote "AGAINST" a proposal.

Broker non-votes (i.e., votes from shares of Common Stock held as of the Record Date by brokers or other custodians as to which the beneficial owners have given no voting instructions) will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, but will not be counted for purposes of determining the number of Votes Cast with respect to a particular proposal on which the broker has expressly not voted. Accordingly, broker non-votes will not affect the outcome of the voting on a proposal.

DEADLINE FOR RECEIPT OF SHAREHOLDER PROPOSALS TO BE PRESENTED AT NEXT ANNUAL MEETING

In order for any shareholder proposal submitted pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), to be included in the Company's Proxy Statement to be issued in connection with the 2017 Annual Meeting of Shareholders, such shareholder proposal must be received by the Company no later than December 26, 2017. Any such shareholder proposal submitted, including any accompanying supporting statement, may not exceed 500 words, as per Rule 14a-8(d) of the Exchange Act. All shareholder proposals must be made in writing addressed to the Company's Secretary, Edward Smolyansky, at 6431 West Oakton, Morton Grove, Illinois 60053.

REVOCABILITY OF PROXY

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company's Secretary, Mr. Smolyansky, a written notice of revocation, a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Attending the Annual Meeting in and of itself will not constitute a revocation of a proxy.

DISSENTERS' RIGHT OF APPRAISAL

Under Illinois General Corporation Law and the Company's Certificate of Incorporation, shareholders are not entitled to any appraisal or similar rights of dissenters with respect to any of the proposals to be acted upon at the Annual Meeting.

2

SOLICITATION

Proxies may be solicited by certain of the Company's directors, executive officers and regular employees, without additional compensation, in person, or by telephone, e-mail or facsimile. The cost of soliciting proxies will be borne by the Company. The Company expects to reimburse brokerage firms, banks, custodians and other persons representing beneficial owners of shares of Common Stock for their reasonable out-of-pocket expenses in forwarding solicitation material to such beneficial owners.

Some banks, brokers and other record holders have begun the practice of "householding" notices, proxy statements and annual reports. "Householding" is the term used to describe the practice of delivering a single set of notices, proxy statements and annual reports to any household at which two or more shareholders reside if a company reasonably believes the shareholders are members of the same family. This procedure reduces the volume of duplicate information shareholders receive and also reduces a company's printing and mailing costs. The Company will promptly deliver an additional copy of any such document to any shareholder who writes or calls the Company. Alternatively, if you share an address with another shareholder and have received multiple copies of our notices, proxy statements and annual reports, you may contact us to request delivery of a single copy of these materials. Any such written request should be directed to the Secretary at 6431 West Oakton, Morton Grove, Illinois 60053, (847) 967-1010.

AVAILABILITY OF PROXY MATERIALS

Our proxy materials are first being mailed to shareholder on or about April 29, 2016. All of the costs and expenses in connection with the solicitation of proxies with respect to the matters described herein will be borne by the Company. In addition to solicitation of proxies by mail, the directors, officers and investor relations staff (who will receive no compensation in addition to their regular remuneration) of the Company named herein may solicit the return of proxies by telephone, telegram or personal interview. As of this date, the Company has retained Broadridge Financial Solutions, Inc. ("Broadridge"), an outside firm, to solicit proxies solely from individual shareholders of record and to print proxy notices and other related materials. The services provided by Broadridge to the Company are expected to cost approximately \$19,000. Action may be taken on the business to be transacted at the Meeting on the date specified in the Notice of Meeting or on any date or dates to which such Meeting may be adjourned.

PROPOSAL ONE ELECTION OF DIRECTORS

The Board currently consists of eight (8) directors, all of whom have been nominated for re-election. Shareholders and their proxies cannot vote for more than eight (8) persons at the Annual Meeting. Each nominee has consented to being named as a nominee for election as a director and has agreed to serve if elected. At the Annual Meeting, directors will be elected to serve one-year terms expiring at the next annual meeting of shareholders or until their successors are elected or until their earlier resignation or removal.

The directors shall be elected by a plurality of the Votes Cast at the Annual Meeting. A "plurality" means that the individuals who receive the largest number of Votes Cast are elected as directors up to the maximum number of directors to be elected at the Annual Meeting. If any nominee is not available for election at the time of the Annual Meeting (which is not anticipated), the proxy holders named in the proxy, unless specifically instructed otherwise in the proxy, will vote for the election of such other person as the existing Board may recommend, unless the Board decides to reduce the number of directors of the Company. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF THE NOMINEES NAMED ABOVE.

PROPOSAL TWO

RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board has selected the firm of Mayer Hoffman McCann P. C. ("MHM") as our independent registered public accounting firm for the fiscal year ending December 31, 2016, subject to ratification by our shareholders at the Annual Meeting. MHM has been our independent registered public accounting firm for periods ended after December 31, 2014. A representative of MHM is expected to be present at the Annual Meeting and will have an opportunity to make a statement, if desired, and respond to appropriate questions.

More information about our independent registered public accounting firm is available under the heading "Independent Registered Public Accounting Firm" on page 23 below.

The approval of the ratification of the appointment of MHM as our independent auditors for the fiscal year ending December 31, 2016 requires the affirmative vote of a majority of the Votes Cast.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF MHM AS OUR INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2016.

PROPOSAL THREE

ADVISORY RESOLUTION APPROVING EXECUTIVE COMPENSATION

Shareholders have an opportunity to cast an advisory vote on compensation of our named executive officers, as disclosed in this Proxy Statement. This proposal, commonly known as "Say on Pay," gives shareholders the opportunity to approve, reject or abstain from voting on the proposed resolution regarding our fiscal year 2015 executive compensation program.

Our compensation philosophy policies are comprehensively described in the Director and Executive Officer Compensation section, and the accompanying tables (including all footnotes) and narrative, beginning on page 12 of this Proxy Statement. Our Compensation Committee designs our compensation policies for our named executive officers to create executive compensation arrangements that are linked both to the creation of long-term growth, sustained shareholder value and individual and corporate performance, and are competitive with peer companies of similar size, value and complexity and encourage stock ownership by our senior management. Based on its review of the total compensation of our named executive officers for fiscal year 2015, the Board believes that the total

compensation for each of the named executive officers is reasonable and effectively achieves the designed objectives of driving superior business and financial performance, attracting, retaining and motivating our people, aligning our executives with shareholders' long-term interests, focusing on the long-term and creating balanced program elements that discourage excessive risk taking.

5

Our Board of Directors values the opinions that our shareholders express in their votes and will consider the outcome of the vote when making future executive compensation decisions as it deems appropriate. The approval of the non-binding resolution approving the compensation of our named executive officers requires that the votes cast in favor of the proposal exceed the number of votes cast in opposition to the proposal. However, neither the approval nor the disapproval of this resolution will be binding on the Board of Directors or us nor construed as overruling a decision by the Board of Directors or us. Neither the approval nor the disapproval of this resolution will create or imply any change to our fiduciary duties or create or imply any additional fiduciary duties for the Board of Directors or us.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE APPROVAL OF THE NON-BINDING ADVISORY RESOLUTION APPROVING THE COMPANY'S COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS:

"RESOLVED, that the Company's shareholders APPROVE, on a non-binding advisory basis, the compensation paid to the Company's named executive officers as disclosed in this Proxy Statement pursuant to the SEC's compensation disclosure rules, including the compensation tables and narrative discussion."

OTHER MATTERS

The Board does not know of any other matters that may be brought before the Annual Meeting. However, if any such other matters are properly brought before the Annual Meeting, the proxies may use their own judgment to determine how to vote your shares.

MATTERS RELATING TO OUR GOVERNANCE

Board of Directors

The Board oversees the Company's risk management including understanding the risks the Company faces and what steps management is taking to manage those risks, as well as understanding what level of risk is appropriate for the Company. The Board's role in the Company's risk oversight process includes receiving regular updates from members of senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, human resources, employment, and strategic risks.

The Board of Directors determines annually the best board leadership structure for the Company. The Board of Directors recognizes that different board leadership structures may be appropriate for companies in different situations. Since 2002, the positions of Chairperson of the Board of the Company and Chief Executive of the Company have been held by different individuals. Currently, Ludmila Smolyansky serves as Chairperson of the Board of the Company and Julie Smolyansky as Chief Executive Officer of the Company. We believe that our leadership structure, with a separate Chief Executive Officer and Chairman of the Board, is the optimal structure for the Company at this time. The Chief Executive Officer and the Chairman of the Board have an excellent working relationship and offer the Company a complementary array of skills, knowledge and abilities.

The Board intends to meet at least quarterly and the independent directors serving on the Board intend to meet in executive session (i.e., without the presence of any non-independent directors and management) immediately following at least two regularly scheduled Board meetings. During the fiscal year ended December 31, 2015 (the "Last Fiscal Year"), the Board held eight (8) meetings. Each current member of the Board, who was then serving, attended at least 75% of the total number of meetings of the Board and of the committees of the Board on which they served in the Last Fiscal Year, except for Renzo Bernardi and Mariano Lozano. Paul Lee, Jason Scher, Pol Sikar and Renzo Bernardi are considered "independent" under the rules of the SEC and Nasdaq.

The Board currently does not provide a formal process for shareholders to send communications to the Board. In the opinion of the Board, it is appropriate for the Company not to have such a process in place because the Board believes there is currently not a need for a formal policy due to, among other things, the limited number of shareholders of the Company. While the Board will, from time to time, review the need for a formal policy, at the present time, shareholders who wish to contact the Board may do so by submitting any communications to the Company's Secretary, Edward Smolyansky, at 6431 West Oakton, Morton Grove, Illinois 60053, (847) 967-1010, with an instruction to forward the communication to a particular director or the Board as a whole. Mr. Smolyansky will receive the correspondence and forward it to any individual director or directors to whom the communication is directed.

The Company does not currently have a policy in place regarding attendance by Board members at the Company's annual meetings. However, each of the current directors who was then serving, other than Renzo Bernardi, attended the 2015 Annual Meeting of Shareholders, and each director who is standing for re-election currently intends to attend this Annual Meeting.

The Board has three standing committees, consisting of an Audit Committee, a Compensation Committee and a Nominating Committee.

Audit Committee

The Audit Committee consisted of Messrs. Sikar, Lee and Scher in the Last Fiscal Year. Mr. Lee is the Chairman of the Audit Committee. The Audit Committee held fifteen (15) meetings in the Last Fiscal Year. The Audit Committee has met with the Company's management and the Company's independent registered public accounting firm to review and help ensure the adequacy of its internal controls and to review the results and scope of the auditors' engagement and other financial reporting and control matters. Mr. Lee is financially literate and financially sophisticated, as those terms are defined under the rules of Nasdaq. Mr. Lee is also a financial expert, as such term is defined under the Sarbanes-Oxley Act of 2002. Messrs. Sikar, Lee and Scher are considered "independent" under the rules of the SEC and Nasdaq.

The Audit Committee has adopted an amended and restated charter effective as of March 12, 2015 (the "Audit Charter"). The Audit Committee oversees the adequacy and effectiveness of the Company's internal controls and is required to meet with the Company's auditors to review these internal controls and to discuss other financial reporting matters. The Audit Committee is also responsible for the selection, appointment, compensation and oversight of the auditors. The Audit Committee reviews the financial reporting and accounting principles and standards and the audited financial statements to be included in the annual report. They also review the quarterly financial results and related disclosures. Additionally, the Audit Committee is responsible for the review and oversight of all related party transactions and other potential conflict of interest situations between the Company and its officers, directors, employees and principal shareholders. The Audit Charter is available on the Company's Internet website at www.lifeway.net.

Compensation Committee

The Compensation Committee consisted of Messrs. Scher and Lee in the Last Fiscal Year. Mr. Scher is the Chairman of the Compensation Committee. The Compensation Committee held six (6) meetings during the Last Fiscal Year. The Compensation Committee approves the compensation package of the Company's Chief Executive Officer and, based on recommendations by the Company's Chief Executive Officer, approves the levels of compensation and benefits payable to the Company's other executive officers, reviews general policy matters relating to employee compensation and benefits. The Compensation Committee also approves the compensation of the Company's directors. The Compensation Committee has the authority to appoint and delegate to a sub-committee the authority to make grants and administer bonus and compensation plans and programs. Messrs. Scher and Lee are considered "independent" under the rules of the SEC and the Nasdaq.

The Compensation Committee has adopted a revised charter effective as of April 17, 2015 (the "Compensation Charter"). The Compensation Charter sets forth the duties, authorities and responsibilities of the Compensation Committee. The Compensation Charter is available on the Company's Internet website at www.lifeway.net.

Pursuant to the authority granted under its charter, our Compensation Committee hired Towers Watson Delaware, Inc. ("Towers Watson") to advise on executive compensation matters, which included: benchmarking of pay levels for select executives and non-employee directors, incentive design, certain compensation policies and practices, equity plan authorization, and other ad-hoc requests that related to compensation and governance issues. Prior to making its decisions for an executive officer other than the CEO, the Compensation Committee receives recommendations from the CEO as to the amounts and types of compensation and other awards for such executive officer.

The Compensation Committee believes that there is no conflict of interest based on any prior relationship with Towers Watson. In reaching this conclusion, our Compensation Committee considered the factors set forth in the SEC and NASDAQ rules regarding compensation advisor independence.

Nominating Committee

The Nominating Committee consisted of Messrs. Lee and Scher in the Last Fiscal Year. Mr. Scher is the Chairman of the Nominating Committee. The Nominating Committee held one (1) meeting during the Last Fiscal Year. The Nominating Committee evaluates and approves nominations for annual election to, and to fill any vacancies in, the Board and recommends to the Board the directors to serve on committees of the Board. Messrs. Lee and Scher are considered "independent" under the rules of the SEC and the Nasdaq.

The Nominating Committee has adopted a formal written charter effective as of December 19, 2014 (the "Nominating Charter"). The Nominating Charter sets forth the duties and responsibilities of the Nominating Committee and the general skills and characteristics that the Nominating Committee employs to determine the individuals to nominate for election to the Board. The Nominating Charter is available on the Company's Internet website at www.lifeway.net.

The Nominating Committee will consider any candidates recommended by shareholders. In considering a candidate submitted by shareholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. Nevertheless, the Board may choose not to consider an unsolicited recommendation if no vacancy exists on the Board and/or the Board does not perceive a need to increase the size of the Board. Shareholders should submit any recommendations of director candidates for the Company's 2017 Annual Meeting of Shareholders to the Company's Secretary, Mr. Smolyansky, at 6431 West Oakton, Morton Grove, Illinois 60053, (847) 967-1010 in accordance with the procedures set forth above under the heading "Deadline for Receipt of Shareholder Proposals to be Presented at Next Annual Meeting."

There are no specific minimum qualifications that the Nominating Committee believes must be met by a Nominating Committee-recommended director nominee. However, the Nominating Committee believes that director candidates should, among other things, possess high degrees of integrity and honesty; have literacy in financial and business matters; have no material affiliations with direct competitors, suppliers or vendors of the Company; and preferably have experience in the Company's business and other relevant business fields (for example, finance, accounting, law and banking). The Nominating Committee considers diversity together with the other factors considered when evaluating candidates but does not have a specific policy in place with respect to diversity.

Members of the Nominating Committee meet in advance of each of the Company's annual meetings of shareholders to identify and evaluate the skills and characteristics of each director candidate for nomination for election as a director of the Company. The Nominating Committee reviews the candidates in accordance with the skills and qualifications set forth in the Nominating Charter and the rules of the Nasdaq. There are no differences in the manner in which the Nominating Committee evaluates director nominees based on whether or not the nominee is recommended by a shareholder.

Code of Business Conduct and Ethics

We have adopted a code of ethics applicable to all members of the Board, executive officers and employees. Such code of ethics is available on our Internet website, www.lifeway.net. We intend to disclose any amendment to, or waiver of, a provision of our code of ethics by filing a Current Report on Form 8-K with the SEC.

Certain Relationships and Related Transactions

We have determined that there were no related party transactions in excess of \$120,000 for each of 2013, 2014, 2015, or currently proposed, involving the Company except for the consulting arrangement with Ludmila Smolyansky, the Company's Chairperson of the Board and Executive Chairperson of the Board, as further discussed in footnote 1 to the Directors' Compensation table and as set forth below.

On December 14, 2015, the Company entered into a stock purchase agreement (the "Stock Purchase Agreement") with Ludmila Smolyansky, the Company's Chairman of the Board, pursuant to which Ms. Smolyansky agreed to sell to the Company 30,000 and the Company agreed to purchase such shares under its previously disclosed repurchase plan at a purchase price equal to the product of (a) 30,000 multiplied by (b) the average of the last reported closing sale price of the Common Stock on the Nasdaq Global Market for each of the five (5) Trading Days (as defined in the Stock Purchase Agreement) immediately preceding the date of the Stock Purchase Agreement. The transaction was consummated on December 15, 2015.

On March 14, 2016, the Company entered into an endorsement agreement (the "Endorsement Agreement") with Ms. Smolyansky. On March 18, 2016, the Company entered into a consulting agreement (the "Consulting Agreement") with Ms. Smolyansky. Under the terms and conditions of the Agreement, Ms. Smolyansky will continue to provide consulting services with respect to our business strategy, international expansion and product management and expansion for which the Company will pay Ms. Smolyansky an aggregate of \$1,000,000 annually and pro rated amounts for periods shorter than a year. Board Leadership Structure and Role in Risk Oversight

The leadership of the Board is currently structured such that the Chairperson of the Board of Directors and Chief Executive Officer positions are separated. Our corporate governance guidelines do not require our Board of Directors to choose an independent chair or to separate the roles of chair and chief executive officer, but our Board believes this leadership structure is the appropriate structure for our Company at this time, and plans to keep the roles separated.

The Board oversees the Company's risk directly and through its committees. The Board is assisted by its Audit Committee in performing its risk management oversight responsibilities with respect to financial reporting, internal controls and legal and regulatory requirements. The Board is assisted by its Compensation Committee in performing its risk management oversight responsibilities with respect to risk relating to compensation programs and policies. The Board, with the assistance of its Nominating Committee, oversees risk management with respect to Board membership, structure and organization. The Company's management is responsible for day-to-day management risk.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

As of April 18, 2016, the Company's directors and named executive officers beneficially own, directly or indirectly, in the aggregate, approximately 49.9% of its outstanding Common Stock. These shareholders have significant influence over the Company's business affairs, with the ability to control matters requiring approval by the Company's shareholders, including the two proposals set forth in this Proxy Statement as well as approvals of mergers or other business combinations.

The following table sets forth as of April 18, 2016, certain information with respect to the beneficial ownership of the Common Stock as to (i) each person known by the Company to beneficially own more than 5% of the outstanding shares of the Company's Common Stock, (ii) each of the Company's directors, (iii) each of the Company's Chief Executive Officer and its two other most highly compensated individuals who were serving as executive officers at the end of the Last Fiscal Year, for services rendered in all capacities during the Last Fiscal Year (the "Named Executives"), and (iv) all of the Company's directors and executive officers as a group.

The Compensation Committee reviews, analyzes and approves the compensation of our executive officers, including the "Named Executive Officers" listed in the tables that follow this Compensation Discussion and Analysis. Our Named Executive Officers for 2015 were:

Julie Smolyansky, President and Chief Executive Officer; and

Edward Smolyansky, Chief Operating Officer, Chief Accounting Officer, Treasurer and Secretary; and

John Waldron, Chief Financial Officer.

12

The Company had no other executive officers during 2015. The tables that follow this Compensation Discussion and Analysis contain specific data about the compensation earned in 2015 to the Named Executive Officers. The discussion below is intended to help readers understand the detailed information provided in the compensation tables and put that information into the context of our overall compensation program.

Summary

In general, we operate in a marketplace where competition for talented executives is intense and significant. The dairy health food industry is highly competitive. We are engaged in the manufacture of probiotic, cultured, functional dairy health food products. Our primary product is kefir, a dairy beverage similar to but distinct from yogurt, in several flavors and in several packages. In addition to kefir, Lifeway manufactures "Lifeway Farmer Cheese," a line of various farmer cheeses.

Net sales declined by 0.3% in the year ended December 31, 2015, reflecting a 5.4% increase in gross sales offset by significantly higher discounts and promotional allowances given to customers. Gross profit as a percent of net sales increased to 26.6% during the year ended December 31, 2015 from 24.3% during the same period in 2014 reflecting lower input costs partially offset by higher labor costs and the elevated level of promotional allowances and discounts given to customers. The Board of Directors recognizes that the continued growth of the Company is a result of the efforts, skill and experience of the Company's management, specifically the Chief Executive Officer, Chief Operating Officer and Chief Financial Officer, the experience, knowledge and guidance of the Chairperson of the Board, and the oversight of the Board of Directors.

Continuity of personnel across multi-disciplinary functions is critical to the success and continued growth of our business. Furthermore, since we have relatively few employees, each must perform a broad scope of functions, and there is very little redundancy in skills. The unique production process for Kefir, which is not widely known, requires specific knowledge and skills, as well as the multiple functions that our executives perform and may make it difficult to attract and retain talented executives. The Company considers the specific challenges and achievements of the Company and the Company's financial performance and growth when approving Named Executive Officer compensation. In addition, the Compensation Committee has established performance targets and a performance based bonus program and specific performance targets for 2016 for each of Julie Smolyansky, the Company's President and Chief Executive Officer and Edward Smolyansky, the Company's Chief Operating Officer, Chief Accounting Officer, Treasurer and Secretary for fiscal year 2016, as summarized below. John Waldron, the Company's Chief Financial Officer is also eligible for a performance based bonus target of 10% of his salary and is eligible for certain equity and other long-term incentive awards, in the sole discretion of the Board pursuant to his employment agreement as more fully described below.

The Compensation Committee, pursuant to the powers granted in its charter, evaluated the past compensation of our Named Executive Officers through 2015 and determined that different elements of compensation should be included in order to achieve the most effective combination in motivating and retaining our Named Executive Officers relative to our stage of development and to ensure that our compensation procedures, policies and awards are commensurate with market standards and appropriately aligned with stockholder interests. The structure of compensation in 2016 is more fully described below.

In 2015, the Compensation Committee engaged Towers Watson to advise on executive compensation matters, which included: benchmarking of pay levels for select executives and non-employee directors, incentive design, certain compensation policies and practices, equity plan authorization, and other ad hoc request that related to compensation and governance issues, the compensation structure and awards, including whether and how to use equity as compensation, adopting a performance-based incentive plan, and to provide market data and other analysis for compensation of Named Executive Officers and members of our Board of Directors as well as to provide advice in connection with other compensation related policies and procedures.

Objectives of Our Compensation Program

The objectives of our compensation program for our Named Executive Officers and other employees are to (i) attract and retain those executives and employees critical to our overall success, (ii) ensure compensation procedures, policies and awards are commensurate with market standards and appropriately aligned with stockholder interests, (iii) align financial and operating imperatives and (iv) remain competitive within our industry and beyond with respect to design and level of pay.

In the past, individual performance was measured subjectively taking into account Company and individual progress toward overall corporate goals, as well as each individual's skills, experience, and responsibilities, together with corporate and individual progress in the areas of regulatory compliance, business development, employee development, and other values designed to build a culture of high performance. In 2015, the base salary compensation of the Named executive Officers was set at the same level as 2014 while the Compensation Committee reviewed and assessed the Company's compensation procedures, policies and practices. Going forward, beginning with 2016, the Compensation Committee will assess performance of the Named Executive Officers objectively based on specific performance targets set by the Compensation Committee.

Role of the Compensation Committee

Our Compensation Committee assists our Board of Directors by discharging responsibilities relating to the compensation of our Named Executive Officers. As such, the Compensation Committee has responsibility over certain matters relating to the reasonable and competitive compensation of our executives, employees and directors (only non-employee directors are compensated as directors) as well as matters relating to equity-based benefit plans, if any. Each member of our Compensation Committee is independent in accordance with the criteria of independence set forth in Rule 5605(a)(2) of the Nasdaq Listing Rules. We believe that their independence from management allows the members of the Compensation Committee to provide unbiased consideration of various elements that could be included in an executive compensation program and apply independent judgment about which elements best achieve our compensation objectives.

Pursuant to the charter of the Compensation Committee, the Compensation Committee is responsible for, among other things:

- reviewing the Company's overall compensation philosophy and strategy;
- evaluating and determining the compensation of the Chief Executive Officer;
- evaluating and setting, in conjunction with the Chief Executive Officer, the compensation of other Named Executive Officers;
- reviewing and approving the annual Compensation Discussion and Analysis;
- evaluating and approving the components and amounts of compensation of the Company's employees;
- evaluating, considering and approving, in its discretion, grants and awards made under the Company's equity-based compensation plans, if any, subject to any limitations prescribed by the Board and subject to any authority delegated by the Committee to any subcommittee;
- evaluating, considering and approving, in its discretion, compensation for non-employee members of the Board of Directors; and
- managing and controlling the operation and administration of the Company's equity incentive plans.

Pursuant to its charter, the Compensation Committee is authorized to retain and terminate, without Board or management approval, the services of an independent compensation consultant to provide advice and assistance. The Compensation Committee has the sole authority to approve the consultant's fees and other retention terms, and reviews the independence of the consultant and any other services that the consultant or the consultant's firm may provide to the company. The chair of the Compensation Committee reviews, negotiates and executes an engagement letter with the compensation consultant. The compensation consultant directly reports to the Compensation Committee.

Elements of Compensation

To achieve the objectives described above, the three primary compensation elements used for Named Executive Officers have been base salary, cash bonus and payment of certain perquisites. The Compensation Committee has restructured compensation programs for Julie Smolyansky and Edward Smolyansky for 2016 to include a base salary and performance based cash bonus and equity award opportunities under the Lifeway Food, Inc. 2015 Omnibus Incentive Plan (the "Plan").

| Element | Form | Description |
|----------------------|---|--|
| Base Salary | Cash (Fixed) | <p>The fixed amount of compensation for performing day-to-day responsibilities.</p> <p>Named Executive Officers are generally eligible for increases annually, depending on Company and individual performance.</p> <p>The fixed amount of compensation provides our Named Executive Officers with a degree of retention and stability.</p> |
| Annual Bonus | Cash (Variable) | <p>Provides annual incentive awards for achieving corporate goals and objectives.</p> <p>Generally, every employee is eligible to earn an annual cash incentive award, promoting alignment and pay-for-performance at all levels of the organization.</p> <p>The Company has implemented for 2016 a formalized performance based cash incentive award plan for certain of its Named Executive Officers. This new program will provide participants with an opportunity to earn a bonus for 2016 based on achievement of critical financial performance goals that were reviewed and approved by the Compensation Committee. More details on the 2016 bonus program will be disclosed in the 2017 proxy statement, as required.</p> |
| Perquisites | Variable | <p>Provides perquisites to facilitate the operation of the Company's business and assist the Company in recruiting and retaining key executives.</p> <p>Perquisites for the Named Executive Officers have in the past included automobile allowances, 401(k) matching, and other items discussed below.</p> |
| Long Term Incentives | Variable equity based and cash based compensation | <p>The Board and stockholders have previously approved the Lifeway Foods, Inc. 2015 Omnibus Incentive Plan on October 30, 2015 (the "Plan"). In 2015, no awards were granted under the Plan.</p> |

Setting Executive Compensation

Historically, we have not used quantitative methods in setting any element of executive compensation, nor have we utilized other companies for benchmarking purposes. We used discretion, guided in large part by the concept of pay-for-performance, and we consider all elements of an executive's compensation package when setting each portion of compensation. Year-to-year changes in base salary have usually been relatively modest based on past and projected growth of the Company.

When determining compensation for a new executive officer, and when annually reviewing the compensation for our executive officers, factors taken into consideration include:

the individual's skills, knowledge and experience;

the individual's past and potential future impact on our short-term and long-term success;

the individual's recent compensation levels in other positions; and

any present and expected compensation information obtained from other prospective candidates interviewed during the recruitment process, if applicable.

In 2015, the Compensation Committee worked with Towers Watson to review the historical method of setting compensation, and to develop some reasonable approaches to benchmark Named Executive Officer compensation to market on a going forward basis. Beginning with compensation for fiscal year 2016, the Compensation Committee has determined it will apply market data in setting elements of executive compensation. The Committee anticipates that it will consider market data from two sources as it sets Named Executive Officer compensation opportunities:

Published survey compensation data from similarly-sized general industry companies

Proxy compensation data from a group of similarly-sized peer group companies

Based on consultation with Towers Watson, the Committee determined it was reasonable and appropriate to define market practice from two data sources - both inside and outside Lifeway's industry – so as to have a range of credible data points that reflect Lifeway's market for senior talent and business. Published survey data are beneficial as they contain benchmarks from hundreds of companies, and the data can be adjusted to align with Lifeway's size. Also, Lifeway may not necessarily seek to fill all executive roles from the food and beverage industry, which is another reason these data are utilized. Proxy data are useful as the Compensation Committee is able to review executive specific compensation details from an industry perspective, while also controlling for size on the basis of revenue. The section below provides insights on how a peer group was developed in 2015, and who Lifeway considers to be peers from a pay benchmarking perspective. As noted earlier, not all of Lifeway's competitors are public, and the peer group is intended to be a reasonable representation of market practice.

The peer group below reflects 18 companies in the food and beverage industry with revenues that were comparable to Lifeway. Additional consideration was given to market capitalization and assets. Particular emphasis was given to companies that are currently in a growth stage, with similar business complexity to Lifeway.

We consider the growth of the Company, its financial performance, changes in stockholder value and all elements of an executive's compensation package when setting each portion of compensation.

In setting executive compensation for 2015, no specific benchmarking activities were undertaken.

The Compensation Committee will review and determine annually the compensation for our Chief Executive Officer. Each year, recommendations for the compensation for other executive officers (other than herself) will be prepared by the Chief Executive Officer and reviewed with the Compensation Committee and modified by it where appropriate.

2015 Executive Compensation

The amount of compensation earned by each of the Named Executive Officers during fiscal 2015, 2014 and 2013 is shown in the Summary Compensation Table below.

The Compensation Committee determined to continue the 2014 levels of base salary in 2015, while the Compensation Committee completed its review of market standards and current Company practices.

Julie Smolyansky. Ms. Smolyansky serves as our President and Chief Executive Officer pursuant to an employment agreement effective December 12, 2002. In 2015, the Compensation Committee awarded a cash bonus award of \$146,244 to Ms. Smolyansky. Ms. Smolyansky's base salary in 2015 was \$1,338,789.

In 2015, the Compensation Committee awarded a cash bonus award of \$144,165 to Mr. Smolyansky. Mr. Smolyansky's base salary in 2015 was \$1,340,849.

John Waldron. Mr. Waldron serves as our Chief Financial Officer pursuant to an employment agreement effective as of July 20, 2015. In 2015, Mr. Waldron's annual base salary was \$325,000 pro rated for the portion of the year in which Mr. Waldron was an employee of the Company. In 2015, a cash bonus of \$37,000 was awarded to Mr. Waldron. As discussed above, Mr. Waldron was paid a prorated salary in 2015 in the amount of \$137,500.

Benefits Provided to Executive Officers

We provide our executive officers with certain benefits that the Compensation Committee believes are reasonable and consistent with our overall compensation program. The Compensation Committee will periodically review the levels of benefits provided to our executive officers.

The Named Executive Officers are eligible for health insurance and 401(k) benefits to the same extent and subject to the same conditions as provided to all other employees. The amounts shown in the Summary Compensation Table under the heading "All Other Compensation" include the value of the Company's matching contributions to the 401(k) accounts of the Named Executive Officers as well as other perquisites itemized therein.

The Company provides a Company-leased vehicle to each of Julie Smolyansky and Edward Smolyansky, as their positions require frequent offsite travel to locations. The Company vehicle may be used for personal use as well. The Company treats the costs of such vehicles as taxable compensation to the Named Executive Officer.

In exploring, planning and implementing the expansion of the Company's distribution of products and in supporting and developing the Lifeway brand, the Chief Executive Officer and Chief Operating Officer roles require extensive

travel, on-camera and personal appearances and requires them to be in the public eye. We pay for a number of expenses to assist Ms. Smolyansky and Mr. Smolyansky in fulfilling these responsibilities. Under SEC regulations, these expenses are required to be included in the All Other Compensation column of the Summary Compensation Table set forth below. In order to simplify the reimbursement of certain non-delineated expenses to the Chief Executive Officer and Chief Financial Officer, the Company has allowed the use of the corporate credit card by each of them in lieu of individual expense reimbursement. In 2015, certain amounts charged on corporate credit cards by the Named Executive Officers were included in the non-accountable expense plan and treated as compensation to the applicable Named Executive Officer.

Pursuant to its discretion, the Compensation Committee, with the counsel of its outside advisors, will continue to review the Company's expense reimbursement practices and policies for the executive officers and other employees and may revise, amend, limit or add to the current practices and policies of the Company with respect to perquisites and personal benefits.

In 2015, the Company paid \$61,696 and \$105,846 in income taxes on additional compensation on behalf of Julie Smolyansky and Edward Smolyansky, respectively. The Company also paid \$7,500 to John Waldron to reimburse Mr. Waldron for certain legal fees pursuant to the terms of his employment agreement.

All such amounts are included in the All Other Compensation column of the Summary Compensation Table set forth below.

Chairperson of the Board

Ludmila Smolyansky has been and continues to be an important part of the Company's success and growth through her roles as Chairperson of the Board and consultant to the Company's management. Ms. Smolyansky has been involved in the health food market for over 40 years. Her knowledge of the history of the Company and the industry is invaluable to the Company. Additionally, Ms. Smolyansky has a vast knowledge of markets outside of the United States and products related to the Company's current product line.

As Chairperson of the Board, Ms. Smolyansky guides the Board in the analysis of strategic development of the Company. She brings to bear her historical knowledge of the Company and industry to advise the Board on what has and can be successful strategies and what strategies have not been successful and why. Ms. Smolyansky's business acumen allows her to lead the Board in successful long term strategic planning. Ms. Smolyansky did not receive any retainer fees or other meeting attendance fees in her capacity as a director.

Ms. Smolyansky has also been a consultant to Company's management. Ms. Smolyansky uses her experience and expertise to assist management in more detailed and specific strategic planning and management of such strategies. Specifically, in 2015, Ms. Smolyansky assisted management with recent efforts to expand production and distribution outside of the United States, including developing plans and strategies for geographic expansion in Canada, Europe, Mexico, the Caribbean, and other locations, and developing plans for increasing distribution in those locations in an efficient and productive way. Ms. Smolyansky provided advice to management about when and where to expand, the most efficient and effective methods for distribution in different geographic areas, guidance relating to negotiating with parties outside of the United States and establishing plans for future expansion in the coming years. Ms. Smolyansky also assists in the development of recipes and new products, and new product and facility acquisition. In 2015, Ms. Smolyansky was paid \$1,000,000 in cash. Ms. Smolyansky was also provided the opportunity to participate in the Company's health benefit plan and 401(k) plan which amount is included in the "all other compensation" column of the Director Compensation table.

Recapture Policy

The Company has no formal policies and/or provisions with respect to the adjustment or recovery of awards or payments if the relative performance measures upon which they are based are restated or otherwise adjusted in a manner that would have reduced the size of an award or payment. The Company intends to recapture compensation as currently required under the Sarbanes-Oxley Act and as may be required by the rules promulgated in response to Dodd-Frank. However, there have been no instances to date where it needed to recapture any compensation.

Employment Agreements

Julie Smolyansky and John Waldron have employment agreements which are more fully described below under "Employment agreements and change-in-control arrangements between the Company and Named Executive Officers."

There are no employment agreements with other executive officers (written or unwritten).

Accounting and Tax Considerations

The company's ability to deduct compensation paid to covered employees (as defined in the Section 162(m) of the Code ("Section 162(m)"), including certain named executive officers, for tax purposes is generally limited by Section 162(m) to \$1.0 million annually. However, this limitation does not apply to "performance-based" compensation if certain conditions are satisfied as set forth in more detail in Section 162(m). We view preserving the tax deductibility of compensation, pursuant to Section 162(m), as an important objective, but not the only objective, in establishing executive compensation. For fiscal years after 2015, the Compensation Committee has designed our compensation programs with the goal of preserving the tax deductibility, pursuant to Section 162(m), of performance-based compensation granted to covered employees but may, in its discretion, award compensation that does not qualify for tax deductibility pursuant to Section 162(m). In addition, changes in tax laws (and interpretations of those laws), as well as other factors beyond our company's control, may affect the deductibility of any compensation paid to our employees.

The Compensation Committee will monitor the tax and other consequences of the Company's executive compensation program as part of its primary objective of ensuring that compensation paid to the Company's executive officers is appropriate, performance-based and consistent with the Company's goals and the goals of the Company's stockholders.

Employment agreements and change-in-control arrangements between the Company and Named Executive Officers

Julie Smolyansky has an employment agreement (the "Employment Agreement") with the Company pursuant to which she serves as Chief Executive Officer. Pursuant to the Employment Agreement, Ms. Smolyansky is entitled to an annual base salary and an annual bonus subject to such incentive bonus targets and plans which the Company may adopt from time to time. The Company historically has not set any such targets in advance or adopted any such plans. In lieu thereof, Ms. Smolyansky's salary and discretionary bonus are determined on an annual basis concurrently with determining amounts for other executive officers. However, the Company has implemented for 2016 a formalized performance based incentive award plan for Ms. Smolyansky. In the event that (a) Ms. Smolyansky is terminated other than for Cause (as defined therein) or (b) Ms. Smolyansky terminates her employment for Good Reason (as defined therein) or death, then Ms. Smolyansky is entitled to a lump sum payment consisting of (y) twice her then-current base salary and (z) the aggregate of the annual bonus for which she is then eligible under the Employment Agreement and any plans.

Mr. Waldron serves the Company pursuant to an employment agreement dated as of July 20, 2015. Mr. Waldron's base salary is \$325,000 and is subject to annual review by the Board. Mr. Waldron is also eligible for an annual target bonus opportunity of ten percent (10%) of his base salary based on the satisfaction of certain pre-established performance goals established by the Board. Mr. Waldron is also eligible for certain equity and other long-term incentive awards, in the sole discretion of the Board. The Company may terminate Mr. Waldron's employment by reason of death or disability and for or without Cause, and Mr. Waldron may resign for or without Good Reason (each as defined in the employment agreement).

Pursuant to his employment agreement Mr. Waldron is entitled to the following payments upon termination of his employment:

(1) in the event of Mr. Waldron's death or Disability (as defined in the employment agreement), Mr. Waldron or his estate, as the case may be, is entitled to (i) any earned and unpaid Base Salary (as defined in the employment agreement) through the date of termination, (ii) any Annual Bonus (as defined in the employment agreement) earned but unpaid with respect to the fiscal year ending on or preceding the date of termination, (iii) reimbursement for any unreimbursed business expenses incurred through the date of termination in accordance with terms of the employment agreement, (iv) any accrued but unused vacation time in accordance with Company policy, and (v) all other accrued and vested payments and benefits to which Executive shall be entitled under the terms of any applicable compensation arrangement or benefit program, in each case, in accordance with their terms (collectively, the "Accrued Benefits").

(3) if Mr. Waldron (a) is terminated for Cause or (b) resigns without Good Reason, Mr. Waldron will be entitled to the Accrued Benefits other than the Annual Bonus earned but unpaid with respect to the fiscal year ending on or preceding the date of termination.

("MHM") as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015. During the fiscal years ended December 31, 2014 and 2013 through September 12, 2015 neither the Company nor anyone acting on the Company's behalf consulted with MHM in any capacity, nor consulted with any member of that firm, as to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered as to the financial statements, nor was a written report or oral advice rendered that was an important factor considered by the Company or any of its employees in reaching a decision as to an accounting, auditing or financial reporting issue, or any matter that was either the subject of a disagreement, as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions thereto, or a reportable event within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

On August 20, 2015, the Company was notified by its independent registered public accounting firm, Crowe Horwath LLP ("Crowe") that it would not stand for reappointment as its independent registered public accounting firm for 2015. The Company had engaged Crowe as the Company's independent registered public accounting firm for the year

ending December 31, 2014.

As disclosed in Item 9A of the Company's annual report on Form 10-K for its fiscal year ended December 31, 2015 (the "Form 10-K"), the Company's President and Chief Executive Officer and its Chief Financial Officer concluded that the Company's internal controls over financial reporting were not effective of because material weaknesses identified by the Company.

Edgar Filing: LIFEWAY FOODS INC - Form DEF 14A

The audit reports of MHM on the Company's consolidated financial statements as of and for the year ended December 31, 2015 did not contain an adverse opinion or disclaimer of opinion, and it was not qualified or modified as to uncertainty, audit scope or accounting principles.

The audit report of MHM on the effectiveness of the Company's internal control over financial reporting as of December 31, 2015 contained an adverse opinion, but did not contain a disclaimer of opinion nor was it modified or qualified as to the uncertainty, audit scope, or accounting principles. The adverse opinion as of December 31, 2015 was due to the effect of the material weaknesses.

The Company's Audit Committee has adopted policies and procedures for pre-approving all non-audit work performed by its auditors. There was not any non-audit work by MHM for the fiscal year ended December 31, 2015 or by Crowe for the fiscal year ended December 31, 2014. In determining whether to approve a particular audit or permitted non-audit service, the Audit Committee will consider, among other things, whether the service is consistent with maintaining the independence of the independent registered public accounting firm. The Audit Committee will also consider whether the independent registered public accounting firm is best positioned to provide the most effective and efficient service to our Company and whether the service might be expected to enhance our ability to manage or control risk or improve audit quality. Specifically, the Audit Committee has not pre-approved the use of MHM for non-audit services.

The aggregate fees billed for professional services by MHM, Crowe Horwath LLP and Plante Moran, PLLC for these various services were:

| Type of Fees | For the fiscal years ended December 31, | | |
|------------------------|--|-------------------------|--------------------------|

| | Mayer Hoffman McCann P.C. | Crowe Horwath LLP | Plante Moran, PLLC |
| (1) Audit Fees | \$ 533,499 | \$ 897,590 | \$ 24,470 |
| (2) Audit-Related Fees | — | — | — |
| (3) Tax Fees | — | — | — |
| (4) All Other Fees | — | — | — |
| | \$ 533,499 | \$ 897,590 | \$ 24,470 |

In the above table, in accordance with the SEC's definitions and rules, "audit fees" are fees the Company paid to its independent registered public accountant for professional services for the audit of the Company's consolidated financial statements for the fiscal years ended December 31, 2015 and 2014 included in Form 10-K and included in Form 10-Qs within those fiscal years and for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; "audit-related fees" are fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements; "tax fees" are fees for tax compliance, tax advice and tax planning; and "all other fees" are fees for any services not included in the first three categories. All of the services set forth in sections (1) through (4) above were approved by the Audit Committee in accordance with the Audit Committee Charter.

For the fiscal years ended December 31, 2015 and 2014, the Company retained a firm other than MHM, Crowe and Plante Moran, PLLC for tax compliance, tax advice and tax planning.
