Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On April 27, 2016, the Board of Directors of Natural Gas Services Group, Inc. made a corporate governance enhancement to its Bylaws by amending the Bylaws to require a majority vote in connection with the uncontested elections of Directors.

Implementing Majority Voting

Section 10 of Article II of the Bylaws was amended to provide for a majority voting standard in uncontested director elections. Under the new majority voting standard, a nominee for director in an uncontested election shall be elected to the Board if the votes cast for such nominee's election exceed the votes cast against such nominee's election. For this purpose, abstentions and broker non-votes will not count as votes cast. Directors will continue to be elected by plurality vote at any meeting of shareholders where the number of director nominees exceeds the number of directors to be elected, commonly referred to as a contested election. In the event a director fails to receive a majority of the votes cast in an uncontested election, the Board of Directors may, within its powers, decrease the number of directors, fill the vacancy, or take other appropriate action.

Under Colorado law, the amendment to the Bylaws will not become effective until approved by our shareholders. We are seeking shareholder approval of the amendment at our annual meeting of shareholders scheduled on June 16, 2016. In connection with the amendment to the Company's Bylaws and if approved by our shareholders, the Board of Directors will revise its director resignation policy to provide that any incumbent director who does not receive a majority of the votes cast is required to tender his or her resignation.

The foregoing description of the amendment to the Company's Bylaws is qualified in its entirety by reference to the copy of the Bylaws, as amended, which is filed as Exhibit 3 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.
