***NOTICE OF ANNUAL MEETING OF SHAREHOLDERS
TO THE SHAREHOLDERS OF THE YORK WATER COMPANY***

NOTICE IS HEREBY GIVEN that the Annual Meeting of the Shareholders of The York Water Company will be held at The Strand-Capital Performing Arts Center, 50 North George Street, York, Pennsylvania, on Monday, May 7, 2007, at 1:00 P.M. for the purpose of taking action upon the following proposals:

- (1) To elect three (3) Directors to three-year terms of office;
- (2) To appoint independent accountants to audit the financial statements of the Company for the year 2007; and
- (3) To transact such other business as may properly come before the meeting.

The Board of Directors has fixed the close of business on March 15, 2007, as the record date for the determination of shareholders entitled to notice of and to vote at the meeting, and at any adjournment or adjournments thereof.

You are cordially invited to attend the meeting. In the event you will be unable to attend, you are respectfully requested to sign, date and return the enclosed proxy at your earliest convenience in the enclosed stamped return envelope. Returning your proxy does not deprive you of the right to attend the meeting and vote your shares in person.

By order of the Board of Directors,

JEFFREY R. HINES
Secretary

THE YORK WATER COMPANY
130 EAST MARKET STREET
YORK, PENNSYLVANIA 17401

PROXY STATEMENT

This Proxy Statement and the accompanying form of proxy are being furnished to the shareholders of The York Water Company (hereinafter referred to as the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company, whereby shareholders would appoint John L. Finlayson, Thomas C. Norris, and Michael W. Gang, Esq., and each of them, as Proxies on behalf of the shareholders, to be used at the Annual Meeting of the Shareholders of the Company to be held at 1:00 p.m. at The Strand Capital Performing Arts Center, 50 North George Street, York, Pennsylvania, Monday, May 7, 2007 (the "Annual Meeting"), and at any adjournment thereof.

Solicitation of proxies will be made primarily by mail. Proxies may also be solicited personally and by telephone by employees of the Company. The expenses of the solicitation will be borne by the Company. Such expenses may also include ordinary charges and expenses of brokerage houses and other custodians, nominees and other fiduciaries for forwarding documents to shareholders. This Proxy Statement has been mailed to shareholders of the Company on or about April 2, 2007.

A shareholder who completes and forwards the enclosed proxy to the Company's transfer agent, American Stock Transfer & Trust Company, is not precluded from attending the Annual Meeting and voting his or her shares in person, and may revoke the proxy by delivering a later dated proxy or by written notification to the Company or to the transfer agent, at any time before the proxy is exercised.

PURPOSE OF THE MEETING

At the Annual Meeting, shareholders of the Company will consider and vote upon two proposals: (i) to elect three (3) Directors to serve for a term of three (3) years; and (ii) to ratify the appointment of Beard Miller Company LLP as independent public accountants for the fiscal year ending December 31, 2007. Shareholders may also consider and vote upon such other matters as may properly come before the Annual Meeting or any adjournment thereof.

VOTING AT THE MEETING

The outstanding securities of the Company entitled to vote at the meeting consist of 11,201,119 shares of Common Stock. The presence at the Annual Meeting in person or by proxy of shareholders entitled to cast a majority of the votes, which all shareholders are entitled to cast will constitute a quorum for the Annual Meeting.

The record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting or at any adjournment or adjournments thereof was the close of business on March 15, 2007. Shareholders are entitled to one vote for each share on all matters coming before the meeting, except that shareholders have cumulative voting rights with respect to the election of Directors. Cumulative voting rights permit each shareholder to cast as many votes in the election of each class of Directors to be elected as shall equal the number of such shareholder's shares of Common Stock multiplied by the number of Directors to be elected in such class of Directors, and each shareholder may cast all such votes for a single nominee or distribute such votes among two or more nominees in such class as the shareholder may see fit. Discretionary authority to cumulate votes is not being solicited.

In accordance with Pennsylvania law, a shareholder can withhold authority to vote for all nominees for Directors or can withhold authority to vote for certain nominees for Directors. Directors will be elected by a plurality of the votes cast. Votes that are withheld will be excluded from the vote and will have no effect.

Any votes that are withheld on the proposal to ratify the selection of the independent accountants will have no effect because this proposal requires the affirmative vote of a majority of the votes cast by all shareholders entitled to vote.

Brokers who have received no voting instructions from their customers will have discretion to vote with respect to election of directors and the proposal to ratify the Company's auditors.

ELECTION OF DIRECTORS

At the Annual Meeting, all the nominees, each of whom is currently serving as Director, are to be elected to serve for the ensuing three (3) years and until their respective successors have been elected and qualified. The bylaws of the Company provide that the Board of Directors will consist of not less than a total of nine Directors, who are elected to staggered three-year terms of office. Each share represented by the enclosed proxy will be voted for each of the nominees listed, unless authority to do so is withheld. If any nominee becomes unavailable for any reason or if a vacancy should occur before the election (which events are not anticipated), the shares represented by the enclosed proxy may be voted as may be determined by the Proxies.

The three Directors are to be elected by a plurality of the votes cast at the Annual Meeting. The Board of Directors unanimously recommends a vote "**FOR**" each of the nominees.

We have reviewed the related party transactions between Director Michael W. Gang, Esquire and Post & Schell PC, counsel to the Company, and have determined that these interests are not material.

The Board of Directors has determined each of the following directors to be an "independent director" as such term is defined in Marketplace Rule 4200(a)(15) of the National Association of Securities Dealers ("NASD"):

C h l o é R . G e o r g e W .

The Company believes that during the year ended December 31, 2006, all directors and executive officers complied with all applicable filing requirements of Section 16(a) of the Securities Exchange Act of 1934. The foregoing statement is based solely upon a review of copies of reports on Forms 3, 4 and 5 furnished to the Company and written representations of its Directors and executive officers that no other reports were required.

Any communication so withheld will nevertheless be made available to any non-management Director who wishes to review it.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

COMPENSATION DISCUSSION AND ANALYSIS

Our Named Executive Officers. This section discusses the compensation we paid to our named executive officers (as defined by SEC rules) in 2006. They are:

Name	Title
Jeffrey S. Osman	President, Chief Executive Officer and Director
Kathleen M. Miller	Chief Financial Officer
Jeffrey R. Hines	Chief Operating Officer
Duane R. Close	Vice President-Operations
Bruce C. McIntosh	Vice President-Human Resources

General Philosophy. We compensate our senior management through a combination of base salary and cash incentives designed to be competitive with comparable employers and to align management's incentives with the long-term interests of our customers. Our compensation setting process consists of establishing a base salary for each senior manager and designing an annual cash incentive for such manager to reward the achievement of specific operational goals.

Base Salary. To assist us in establishing base salary in 2006, the Compensation and Nomination Committee engaged SJAE, a nationally recognized consulting firm, to provide a survey of the compensation of senior management at York and at ten comparable investor-owned water utilities. These comparables included American Water, Aqua America, Inc., Aquarion Water Company, Baton Rouge Water, California Water Service Company, Middlesex Water Company, Pennichuck Water, San Jose Water Company, Suburban Water Systems and United Water. SJAE also is asked to determine relative measures of the relationship between the size and compensation of the companies included in the survey.

Based upon our analysis of the base salary levels and trend lines developed using regression analysis reflected in the survey, we establish base salaries for our senior management. The base salary of the President and Chief Executive Officer and other Named Executive Officers is below the 25th percentile of the ten comparable investor-owned water utilities.

Bonuses and Equity Compensation. We do not provide bonuses or equity compensation to senior management.

Cash Incentives. Our practice is to use cash awards to incentivize our senior managers to create value for our customers. To that end, we adopted a Cash Incentive Plan in 2005, pursuant to which our Compensation and Nomination Committee sets annual performance objectives and target incentive payment amounts. All of our managers participate in the plan, including our senior managers.

The plan is administered by the Compensation and Nomination Committee, which has complete and final authority to, among other things, select participants, to determine the goals and circumstances under which incentive awards are granted, to grant awards and to construe and interpret the Plan. Decisions of the Compensation and Nomination Committee with respect to the administration and interpretation of the Plan are final, conclusive and binding upon all participants.

The Compensation and Nomination Committee has discretion to determine all performance objectives and standards for incentive awards. An example of possible standards is strategic business criteria, consisting of meeting specified water quality standards, environmental or safety standards, affordability or rates and customer satisfaction standards. The Compensation and Nomination Committee may exercise its discretion to eliminate, reduce or increase the amounts payable as incentive, subject to such business criteria or other measures of performance.

Under the plan, annual performance objectives are established no later than ninety (90) days after the beginning of any annual incentive period, which is usually a calendar year. Each performance objective carries with it a score of five (5) points. No points are awarded for partial achievement of performance objectives. Incentive awards are granted only if an overall score of seventy-five (75) percent of the available performance objective points are achieved. The Compensation and Nomination Committee believes that achieving performance objectives should be the shared responsibility of management. Accordingly, if an overall score of seventy-five (75) percent of the available performance objective points is achieved, all participants receive their target incentive awards. If an overall score of less than seventy-five (75) percent of the available performance objectives is achieved, no participant receives any award.

The Compensation and Nomination Committee set the performance objectives and target incentive awards for 2006 on February 27, 2006. For 2006, the Compensation and Nomination Committee determined that the amount of the target cash incentive award would be 5% of the base salary for each management employee, including senior management employees. The 2006 performance objectives as determined by the Compensation and Nomination Committee were install radio-frequency network links, construct traveling screen house, install enterprise-wide software, upgrade rapid mix and flocculator, design and permit dam spillway, complete internal control report, install residual handling facilities, install radio-frequency drive-by meter reading system, rehabilitate infrastructure, issue tax exempt debt, change current maturities financial reporting, complete a follow-on stock offering, implement a cash preservation program, complete a major rate case filing, establish a customer service call center, conduct a physical capacities analysis and integrate the Abbottstown acquisition.

On January 22, 2007, the Compensation and Nomination Committee determined that our management had achieved the performance objectives for 2006 and awarded the senior managers the amounts set forth on the 2006 Grants of Plan Based Awards Table below, which was the target incentive amount for each senior manager.

On January 22, 2007, the Compensation and Nomination Committee determined performance objectives and target incentive amounts to be awarded under the plan for 2007. The performance objectives were develop mobile home hook-up template, construct distribution center addition, install filter plant back-up generator, install pumping station generator, obtain regulatory approval of municipal contract, design and permit dam spillway, design and permit residual handling facilities, install radio-frequency drive-by meter reading system, rehabilitate infrastructure, design and permit filter expansion, select pension plan asset manager, establish retail lockbox service, conduct customer demand feasibility study, establish disaster recovery alternate site, consolidate billing cycles and renegotiate labor contract. The target incentive amounts for 2007, as determined by the Compensation and Nomination Committee are 5% of senior managers' annual salary for 2007.

Severance Benefits. Other than Change in Control payments described below, we do not provide severance benefits to employees.

Retirement Plans. We provide a traditional defined benefit pension plan. Senior management is entitled to benefits under the defined benefit pension plan upon retirement after the age of 55 on the same terms as other employees. The pension benefit is based on the years of service times the sum of \$18.50 and 1-1/2% of that portion of the final average monthly earnings which are in excess of \$400. The final average monthly earnings are the average of the employee's earnings for the 60 months immediately preceding the date the pension benefit calculation is made. Employees who terminate their employment prior to age 55 may elect to collect benefits upon attaining age 55.

We also provide a supplemental retirement program, which provides senior management with a retirement benefit after the age of 55 in addition to the defined benefit pension. The supplemental retirement program is designed to encourage senior management to stay with the Company until retirement. Supplemental retirement benefits are made available to senior management and are payable to the executive or his or her beneficiary over 15 years. The annual benefit payable under the supplemental retirement program is calculated by multiplying the number of years of service subsequent to December 31, 1983 by a predetermined annual retirement benefit unit as shown below:

Mr. Osman	\$1,389
Ms. Miller	1,394
Mr. Hines	1,444
Mr. Close	1,235
Mr. McIntosh	1,754

The estimated annual benefit payable to Mr. Osman, Ms. Miller, Mr. Close and Mr. McIntosh at normal retirement age under the supplemental retirement program is \$33,333. The estimated annual benefit payable to Mr. Hines at normal retirement age under the supplemental retirement program is \$53,333. Benefits are paid monthly. Senior managers who terminate their employment prior to age 55 forfeit their supplemental retirement benefits.

The pension value of our traditional defined benefit pension and supplemental retirement pension are based upon a 5.90% discount rate.

We also provide a deferred compensation program to senior management. The deferred compensation program permits senior managers to defer up to 5% of salary over an eight (8) year period, with the Company matching the deferment up to 2-1/2% of salary. Ms. Miller is the only senior management member currently deferring salary and in 2006, she received annual matching benefits of \$1,276. Our deferred compensation program does not provide above-market or preferential earnings. Payouts from this plan on retirement, termination, disability or death are described in detail below in the narrative discussion accompanying the 2006 Nonqualified Deferred Compensation Table.

All senior managers participate in our 401(k) savings plan on the same terms as other employees. We provide an annual maximum matching contribution of \$1,950 per employee. All senior managers have elected to receive the maximum matching contribution of \$1,950.

Change in Control. Our senior management has built York into the successful business that it is today. We believe that it is important to protect them in the event of a change of control and to protect the company from the distractions senior managers often suffer as a result of the uncertainties that frequently surround changes in control. Accordingly, in 2003 we entered into agreements with each of our senior managers that provide for certain payments upon changes of control in consideration of such senior managers agreeing not to compete with us for a period of time following the termination of their employment. Most change in control payments are only paid if the senior manager in question is terminated in connection with a change in control of us. In certain circumstances, however, payments may be made to senior managers who do not terminate their employment for one year following a change in control of us. These payments incentivize our senior managers to continue their employment amid the uncertainty that often follows changes in control and thereby promotes stability for the company during such times. Change in control benefits are paid lump sum and are based on a multiple of base salary and cash incentive compensation. In the event of a change of control, we also continue health and other insurance benefits for between one-half and one years corresponding to termination benefits. These agreements are described in more detail below under the heading "Potential Payments upon Termination or Change in Control."

Perquisites and Other Benefits. The primary perquisite for senior management is the use of York's vehicles for personal use. The most common personal use of York's vehicles by senior management is commuting to and from work. No member of senior management receives perquisites valued in the aggregate at \$10,000 or more.

Senior management also participates in York's other benefit plans on the same terms as other employees. These plans include medical and health insurance, life insurance and employee stock plan discount.

Board Process. The Compensation and Nomination Committee of the Board of Directors approves all compensation and awards to executive officers, which include the Chief Executive, Chief Financial Officer, Chief Operating Officer and three vice presidents. The Compensation and Nomination Committee reviews the performance and compensation of the Chief Executive and, following discussions with that individual, and a review of the data provided by SJAE, establishes his compensation level. For the remaining executive officers, the Chief Executive Officer makes recommendations to the Compensation and Nomination Committee that generally are approved. With respect to the cash incentive awards, the Compensation and Nomination Committee grants cash incentives, generally based upon the recommendation of the Chief Executive Officer.

COMPENSATION COMMITTEE REPORT

The Compensation and Nomination Committee has reviewed and discussed the foregoing Compensation Discussion and Analysis with management, and based on that review and discussion, the Compensation and Nomination Committee recommended to the board of directors that the Compensation Discussion and Analysis be included in this proxy statement.

PAYOUT OF DEFERRED COMPENSATION ACCOUNTS

Payouts upon Retirement. Following a senior manager's retirement, a monthly retirement benefit will be paid to him or her for 120 months. This benefit will be equal to a percentage of his or her deferred income account immediately prior to retirement divided by the following factor (1 minus the corporate marginal Federal and State income tax bracket for the Company's fiscal year ending immediately prior to retirement). Assuming a federal income tax rate of 34% and state income tax rate of 9.99% for 2006, and assuming all senior managers were eligible for retirement as of December 31, 2006, the senior managers would receive the following monthly benefits:

Name and Principal Position	Deferred Income Account Percentage (%)	Monthly Retirement Amount (\$)
Jeffrey S. Osman, President, Chief Executive Officer and Director	2.039	1,330
Kathleen M. Miller, Chief Financial Officer	0.651	261
Jeffrey R. Hines, Chief Operating Officer	1.110	870
Duane R. Close Vice President-Operations	2.032	1,428
Bruce C. McIntosh Vice President-Human Resources	0.664	273

Payouts Upon Termination of Employment. If a senior manager's employment with the Company is terminated other than by death or disability before he or she is eligible for retirement, the amount of his or her contributions plus accumulated interest, if any, without the Company's matching contribution credited to the deferred income account shall be distributed to such senior manager immediately upon his or her termination in a lump sum. Assuming each senior manager were terminated as of December 31, 2006, such senior managers would be entitled to receive the following lump sum payments:

Name and Principal Position	Lump Sum Payment Upon Termination (\$)
Jeffrey S. Osman, President, Chief Executive Officer and Director	41,588
Kathleen M. Miller, Chief Financial Officer	13,840
Jeffrey R. Hines, Chief Operating Officer	37,432
Duane R. Close Vice President-Operations	28,270

Bruce C. McIntosh Vice President-Human Resources	14,440
--	--------

Payouts Upon Disability. If a senior manager becomes disabled before his or her deferred income account has been distributed, he or she may request, and be granted an acceleration of the payments due to the senior manager, to the extent necessary to relieve any financial hardship caused by such disability. The amount of the deferred income account will be equal to the amount of the cash value of the insurance policy maintained by the Company for the senior manager at the date that he or she is found to be disabled. Assuming each senior manager became disabled as of December 31, 2006 and was granted an acceleration of all payments due him or her due to the resulting financial hardship, such senior managers would be entitled to receive the following lump sum payments:

Name and Principal Position	Lump Sum Payment Upon Becoming Disabled (\$)
Jeffrey S. Osman, President, Chief Executive Officer and Director	56,036
Kathleen M. Miller, Chief Financial Officer	17,815
Jeffrey R. Hines, Chief Operating Officer	37,501
Duane R. Close Vice President-Operations	51,069
Bruce C. McIntosh Vice President-Human Resources	19,576

Payouts Upon Death. If a senior manager were to die before distribution of his or her deferred income account has commenced, his or her beneficiary would receive a death benefit in an amount equal to the proceeds of the insurance policy maintained by the Company on his or her life as an investment of the amounts credited to the account, plus an amount which, when added to the proceeds of such insurance policy or policies, would be deductible by the Company for federal corporation income tax purposes at the corporate tax rate in effect in the year of the senior manager's death, and, at such rate, would reduce the Company's net after-tax cost of the death benefit to the proceeds of such insurance policy or policies. The death benefit determined as above will be paid to beneficiaries in a lump sum or in ten annual installments. Assuming death benefits for each senior manager become payable as of December 31, 2006, such senior managers' respective beneficiaries would be entitled to receive the following lump sum payments:

Name and Principal Position	Beneficiary Death Benefit (\$)
Jeffrey S. Osman, President, Chief Executive Officer and Director	189,900
Kathleen M. Miller, Chief Financial Officer	240,039
Jeffrey R. Hines, Chief Operating Officer	425,014
Duane R. Close Vice President-Operations	190,497
Bruce C. McIntosh Vice President-Human Resources	155,226

POTENTIAL PAYMENTS UPON TERMINATION OR A CHANGE IN CONTROL

Description of Change in Control Agreements. We have entered into Change in Control Agreements with each member of senior management that provide for payments to them under certain circumstances in connection with a change in control in consideration of such senior managers agreeing not to compete with us for a period of time following the termination of their employment.

Under all agreements, generally a “change in control” will occur if:

- Any person or affiliated group (with limited exceptions) becomes the beneficial owner in the aggregate of 50 percent or more of all of our voting securities;
- A majority of our Board of Directors is involuntarily removed or defeated for re-election to our Board of Directors (for example, as a result of a proxy contest);
- We are party to a merger or reorganization pursuant to which the holders of our voting securities prior to such transaction become the holders of 50 percent or less of the voting securities of the new merged or reorganized company; or
- The Company is liquidated or dissolved, or all of its assets are sold to a third party;

In each circumstance described above, our Board of Directors may make a determination that the circumstances do not warrant the implementation of the provisions of the agreement, and in such case, the change in control will not trigger any payments under the agreements.

All payments under the agreements are triggered by the occurrence of a change in control of us, and most payments also require that the relevant senior manager's employment also be terminated. The amounts of payments to our senior managers under these agreements vary depending on the timing of the change in control and the timing and manner of the termination of employment. Generally, the manner of termination is divided into four categories.

A "for cause" termination results from:

- misappropriation of funds or any act of common law fraud;
 - habitual insobriety or substance abuse;
- conviction of a felony or any crime involving moral turpitude;
- willful misconduct or gross negligence by the senior manager in the performance of his duties;
 - the willful failure of the senior manager to perform a material function of his duties; or
 - the senior manager engaging in a conflict of interest or other breach of fiduciary duty.

A "good reason" termination occurs when the senior manager terminates his own employment following a change in control and after one or more of the following has occurred:

- the Company has breached the change in control agreement;
- the Company has significantly reduced the authority, duties or responsibilities of the senior manager or reduced his base compensation or annual bonus compensation opportunity;
- the Company has reduced the senior manager from the employment grade or officer positions which he or she holds; or
- the Company has transferred the senior manager, without his or her express written consent, to a location that is more than 50 miles from his or her principal place of business immediately preceding the change of control.

A voluntary termination is the termination by the senior manager of his or her own employment under circumstances that would not be a "good reason" termination. Examples are ordinary retirement or leaving the Company to seek other job opportunities.

An involuntary termination is a termination in connection with a change in control that is not a for cause termination, a good reason termination or a voluntary termination.

Payouts under Change in Control Agreements. Under the agreements, all senior managers are entitled to payment in the case of an involuntary termination or a good reason termination within some time period surrounding a change in control of us (generally six months prior to or one year following a change in control). Payments are paid in lump sums and are based on a multiple of base salary and cash incentive compensation earned by the senior manager in the preceding 12 months. We call this amount "base pay." Additionally, Messrs. Hines, Close and McIntosh, and Ms. Miller are entitled to payment of "stay bonuses" if they remain employed by us for one year following a change in control, and smaller stay bonuses if they remain employed for at least three months following a change in control and then voluntarily terminate their employment more than three months but less than one year following a change in control. Finally, our senior managers are entitled to have their health and welfare benefits continue for periods of up to one year following the termination of their employment (subject to such benefits terminating the such senior manager becoming covered by the benefit plans of another employer).

The table below sets forth the relevant base pay multiples, lump sum payout amounts and the value of continued benefits our senior managers would receive under various circumstances under their change in control agreements. For the purposes of this table, we have assumed that a change in control occurred on December 31, 2006.

(1) The value of health benefits was determined using the estimated rates applicable under the Comprehensive Omnibus Budget Reconciliation Act (COBRA) for terminated employees.

(2) Mr. Osman's change in control agreement generally provides for payments to him upon an involuntary termination in connection with a change in control at a 2.99 multiple of his base pay and continuing benefits coverage for 36 months following a termination. Under his agreement, however, all payout amounts are limited pursuant to a phase-out formula that is based on the occurrence of Mr. Osman's 65th birthday. Because Mr. Osman is currently 64, the amounts reported above have been limited in accordance with the phase-out formula in his agreement.

Payment of the lump sum payments under the change in control agreements is contingent upon the senior manager executing a standard release. The change in control agreements also contain non-competition provisions that generally require that, a senior manager will not, while he or she is employed by us and for one year following the termination of his or her employment by us:

- participate in the ownership, management, operation, control or financing of, or be connected as an officer, director, employee, partner, principal, agent, representative, consultant or otherwise with or use or permit his or her name to be used in connection with, any business or enterprise engaged in by us within our franchised territory;
 - solicit or attempt to convert any account or customer of the Company to another supplier; or
 - solicit or attempt to hire any employee of the Company.

Any breach of this non-competition agreement can result in damages being awarded to the Company, including in the amount of one-half of any lump sum payments described above.

Other Payouts. The senior managers will also be entitled to the payouts of their pension and supplemental retirement accounts upon retirement and payout of their deferred compensation accounts upon termination of their employment with us.

Using the assumptions described in Note 6 to the Company's Financial Statements included in our 2006 Annual Report to Shareholders, and assuming that all of our senior managers remain with the Company and retire upon reaching age 55 (or, for those who are currently older than age 55, assuming they retired as of December 31, 2006) upon retirement, our senior managers would be entitled to monthly benefits under the pension plan and supplemental retirement plan as follows:

Name	Plan Name	Monthly Benefit (\$)
Jeffrey S. Osman	General and Administrative Pension Plan	6,492
Jeffrey S. Osman	Supplemental Executive Retirement Plan	2,662
Kathleen M. Miller	General and Administrative Pension Plan	1,172

Duane R. Close	Supplemental Executive Retirement Plan	2,366
Bruce C. McIntosh	General and Administrative Pension Plan	1,234
Bruce C. McIntosh	Supplemental Executive Retirement Plan	1,170

Our senior managers will also be entitled to be paid the amounts described in the narrative discussion accompanying the 2006 Nonqualified Deferred Compensation Table above in the manner described in that section.

REPORT OF THE AUDIT COMMITTEE

The Company's Audit Committee (the "Committee") consists of four non-employee Directors who are "independent Directors" as defined in NASD Rule 4200 (a)(15). The Board of Directors has determined that each member of the Audit Committee is financially literate. In January 2003, the Board of Directors adopted an amended and restated written charter for the Audit Committee. A copy of the Charter is attached herein as Appendix A.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board, reports to the Securities and Exchange Commission on Forms 10-Q and 10-K and releases of earnings. In addition, the Committee selects, subject to stockholder ratification, the Company's independent public accountants.

The Board of Directors has determined that John L. Finlayson, Chairman of the Audit Committee, is an Audit Committee financial expert within the meaning of the applicable SEC rules. Mr. Finlayson is a Certified Public Accountant, and has an understanding of generally accepted accounting principles and financial statements, as well as the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves. Mr. Finlayson is experienced in the preparation and auditing of financial statements of public companies, and has an understanding of accounting estimates, internal control over financial reporting, and audit committee functions. He is independent of management.

There are no disagreements with Beard Miller Company LLP, the Company's principal accountants on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures. The audit reports of Beard Miller Company LLP do not contain any adverse opinion or disclaimer of opinion, nor are they qualified or modified as to uncertainty, audit scope or accounting principles.

Management is responsible for the Company's internal controls and the financial reporting process. The independent public accountants are responsible for performing an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The Committee's responsibility is to monitor and oversee these processes.

In this context, the Committee has met and held discussions with management and the independent public accountants. Management represented to the Committee that the Company's audited financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the audited financial statements with management and the independent public accountants. The Committee discussed with the independent public accountants the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

In addition, the Committee has discussed with the independent public accountants the auditor's independence from the Company and its management, and has received the written disclosures and the letter required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

The Committee discussed with the Company's independent public accountants the overall scope and plans for their audits. The Committee meets with the independent public accountants, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

Based upon the Committee's discussions with management and the independent public accountants and the Committee's review of the representations of management and the report of the independent public accountants to the Committee, the Committee recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the SEC.
