**Item 8.01. Other Events**

The press release attached as exhibit 99.1 to the Form 8-K previously filed on February 14, 2008 that announced approved changes to natural gas base rates and distribution charges for Indiana Gas Company, Inc. (Vectren Energy Delivery of Indiana-North) contained an error.

The second sentence in the second paragraph of that release read:

“Today’s order, which approves that settlement agreement, provides for a \$27.5 million increase, including the recovery of certain costs totaling \$10.6 million that will be recovered through separate recovery mechanisms rather than base rates.”

That sentence should have read:

“Today’s order, which approves that settlement agreement, provides for a \$26.9 million increase, including the recovery of certain costs totaling \$10.6 million that will be recovered through separate recovery mechanisms rather than base rates.”
