## PART I

### Plan Information

We are offering up to 800,000 Shares pursuant to our Plan titled 2003 Consultant Stock Grant Plan.

### Plan Purpose

We will issue common stock to certain Consultants in accordance with written Consulting Agreements and the 2003 Consultant Stock Grant Plan, which have been approved by our Board of Directors. The written Consulting Agreements and the 2003 Consultant Stock Grant Plan are intended to provide a method whereby we may compensate Consultants for services rendered to us in lieu of cash compensation due to our limited cash resources. The Consultants who will participate in the Plan have agreed or will agree in the future to provide their expertise and advice to us for the purposes and consideration set forth in their written Consulting Agreements and the 2003 Consultant Stock Grant Plan. The services to be provided by the Consultants under the Plan do not relate to the offer or sale of our securities in a capital raising transaction or the direct or indirect promotion or maintenance of a market for our common stock. The Plan will be administered by our Board of Directors.

Employee Retirement Income Security Act of 1975 ("ERISA").

The 2003 Consultant Stock Grant Plan is not qualified under ERISA.

### Additional Information

Participants may obtain additional information about the 2003 Consultant Stock Grant Plan without charge and upon written or oral request. Such request should

be directed to: Gerald E. Davis 10920 West Alameda Avenue, Suite 205, Lakewood, Co 80226, Telephone Number 303-292-1299.

All other documents required to be delivered to participants are also available without charge, upon written or oral request, at the same address and telephone number.

### Securities to be Offered

Our Board of Directors has authorized the issuance of up to 800,000 shares of our common stock to Consultants upon effectiveness of this Registration Statement.

Purchase of Securities Pursuant to the Plan and Payment for Shares Offered  
Consultants shall have shares issued to them as full consideration for their services; as such, Consultants shall be deemed to have paid in full for the shares as compensation for the consulting services under our 2003 Consultant Stock Grant Plan. Consultants are permitted to receive a total of 800,000 shares of our common stock. The shares issued pursuant to our 2003 Consultant Stock Grant Plan will be issued directly from our treasury and no fees, commissions or other charges will be paid by us to any party.

### Restrictions on Resales

In the event that a person or entity that is an affiliate of ours acquires shares of our common stock hereunder, the affiliate will be subject to Section 16(b) of the Securities Exchange Act of 1934 ("the Exchange Act"). Further, in the event that any affiliate acquiring shares hereunder has sold or sells any shares of common stock in the six months preceding or following the receipt of shares hereunder, any so called "profit," as computed under Section 16(b) of the Exchange Act, would be required to be disgorged from the recipient to us. Services rendered have been recognized as valid consideration for the "purchase" of shares in connection with the "profit" computation under Section 16(b) of the Exchange Act. We have agreed that for the purpose of any "profit" computation under Section 16(b), the price paid for the common stock issued to affiliates is equal to the value of services rendered. Shares of common stock acquired hereunder by persons other than affiliates are not subject to Section 16(b) of the Exchange Act.

### Tax Effects of Consultants Who Participate in the Plan

Consultants will realize income when they receive the shares, based on their agreement with us, and will realize a gain when they sell the shares, based on the sale price they receive versus the purchase price. We do not foresee a tax consequence for ourselves. The Plan does not, to the best of our knowledge, qualify under Section 401(a) of the Internal Revenue Code.

### Tax Treatment to Us

The amount of income recognized by any recipient hereunder in accordance with the foregoing discussion will be a tax deductible expense by us for federal income tax purposes in the taxable year during which we recognize income.

### Investment of Funds

We will not receive funds in consideration of the shares. The shares are being issued in consideration for services rendered to us. We will not receive proceeds from the sale of the shares by the Consultants.

### Withdrawal From the Plan; Assignment of Interest

No withdrawal or termination terms are currently contemplated. No assignment or hypothecation terms are currently contemplated, but we will permit an assignment of the interests if Consultants choose to assign their interest to a third party.

## Edgar Filing: ATLAS MINERALS INC - Form S-8

### Forfeitures and Penalties

There is currently no contemplated forfeiture or penalty event.

### Charges, Deductions and Liens

There are no charges or deductions currently contemplated. There are no creations of lien terms currently contemplated.

### INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

#### Incorporation of Documents by Reference

The Securities and Exchange Commission allows us to "incorporate by reference" the information we file with it, which means that we can disclose important information to you by referring you to documents we file with the Securities and Exchange Commission. The information incorporated by reference is considered to be part of this Registration Statement. Information that we file later with the Securities and

Exchange Commission will automatically update and supersede this information. We incorporate by reference the documents listed below and any future filings we will make with the Securities and Exchange Commission under Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act until all of the shares covered by this Registration Statement have been sold or deregistered:

a) Our Annual Report on Form 10-KSB for the fiscal year ended December 31, 2002, which was filed on March 28, 2003;

(b) The description of our Common Stock contained in our Registration Statement on Form 10, including any amendments or reports filed for the purpose of updating such description;

(c) Our Quarterly Report on Form 10-QSB for the quarterly period ended June 30, 2003, which was filed on August 14, 2003;

(d) Our Quarterly Report on Form 10-QSB for the quarterly period ended March 31, 2003, which was filed on May 13, 2003; and

(e) Our Forms 8-K which were filed on July 9, 2003, August 7, 2003, and September 26, 2003 and amended on October 6, 2003.

(f) All other documents and reports filed by us under Section 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, prior to the filing of a post-effective amendment to this Registration Statement that registers securities covered hereunder that remain unsold.

#### Description of Securities

The class of securities to be offered hereby is subject to the reporting requirements of the Exchange Act, as amended. Our authorized capitalization is 100,000,000 shares. all of which are common stock, \$0.01 par value. As of November 12, 2003, there were 6,165,236 shares of Common Stock issued and outstanding.

Holders of our common stock are entitled to one vote per share on each matter submitted to vote at any meeting of shareholders. Shares of common stock do not carry cumulative voting rights; therefore, holders of a majority of the outstanding shares of common stock will be able to elect the entire Board of

## Edgar Filing: ATLAS MINERALS INC - Form S-8

Directors and, if they do so, minority shareholders would not be able to elect any members to the Board of Directors. Our Board of Directors has authority, without action by our shareholders, to issue all or any portion of the authorized but unissued shares of common stock, which would reduce the percentage ownership of our shareholders and which would dilute the book value of the common stock.

Our shareholders have no preemptive rights to acquire additional shares of common stock. Our common stock is not subject to redemption and carries no subscription or conversion rights. In the event of our liquidation, the holders of common stock are entitled to share equally in corporate assets after the satisfaction of all liabilities. Holders of common stock are entitled to receive such dividends as the Board of Directors may from time to time declare out of funds legally available for the payment of dividends. During the last two fiscal years we have not paid cash dividends on our common stock and we do not anticipate that we will pay cash dividends in the foreseeable future.

### Interests of Named Experts and Counsel

Certain legal matters in connection with this Registration Statement will be passed upon for review by Hamilton, Lehrer & Dargan, P.A., which will, after effectiveness of this Registration Statement, be a shareholder of 100,000 shares of our common stock. Our 2003 Consultant Stock Grant Plan registers 100,000 shares of our common stock which will be issued for legal services previously rendered to us by Hamilton, Lehrer & Dargan, P.A.

### Indemnification of Directors and Officers

Our Articles of Incorporation provide for indemnification of directors to the full extent permitted by Colorado Law and, to the extent permitted by such law, eliminate or limit the personal liability of our directors to our shareholders for monetary damages for certain breaches of fiduciary duty and the duty of care. Such indemnification may be available for liabilities arising in connection with this offering. Pursuant

to our Articles of Incorporation, we may indemnify our officers, employees, agents and other persons to the fullest extent permitted by Colorado Law. We have entered into indemnification agreements with our directors and executive officers pursuant to which we have agreed to indemnify such persons in certain circumstances.

Our Bylaws also provide that we shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, partner, trustee, employee, fiduciary or agent of ours, or who, while a director, officer, partner, trustee, employee, fiduciary or agent, is or was serving as a director, officer, partner, trustee, employee, fiduciary or agent of one of our subsidiaries or, at our Request of any other organization, against any liability asserted against such person or incurred by such person in any such capacity, whether we would have the power to indemnify such person against such liability under Colorado Law. We intend to purchase and maintain insurance on behalf of all of our directors and executive officers.

Indemnification of officers or persons controlling the corporation for liabilities arising under the Securities Act of 1933, as amended, is held to be against public policy by the Securities and Exchange Commission and therefore, unenforceable.

Exemption from Registration Claimed  
Not Applicable.

Undertakings (a) We hereby undertake:
