VOTING SECURITIES AND RECORD DATE

The close of business on May 20, 2009, is the record date for determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. As of May 20, 2009, there were 57,821,577 shares of Common Stock issued and outstanding, each entitled to one vote per share.

QUORUM; VOTING

The presence in person of two or more persons, representing throughout the Annual Meeting, in person or by proxy, at least a majority of the issued shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining whether a quorum is present. Broker non-votes are shares held by a broker or nominee that are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal. If a quorum is present, the eleven nominees for Directors receiving a majority of the votes cast at the Annual Meeting in person or by proxy shall be elected. The affirmative vote of the holders of a majority of the outstanding common stock shall be required for approval of Proposal 2. The affirmative vote of the majority of the votes cast at the Annual Meeting in person or by proxy shall be the act of the shareholders with respect to Proposal 3. Abstentions and broker non-votes are not counted in determining the total number of votes cast and will have no effect with respect to Proposals 1 through 3. If within half an hour from the time appointed for the Annual Meeting a quorum is not present in person or by proxy, the Annual Meeting shall stand adjourned to the same day one week later, at the same time and place or to such other day, time or place the Board of Directors may determine, provided that at least two persons are present at such adjourned meeting, representing throughout the meeting, in person or by proxy, at least a majority of the issued shares of Common Stock entitled to vote. At any such adjourned meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the Annual Meeting as originally called.

Shareholders may hold their shares either as a "shareholder of record" or as a "street name" holder. If your shares are registered directly in your name with our transfer agent, you are considered the shareholder of record with respect to those shares and this proxy statement is being sent directly to you by the Company. If your shares are held in a brokerage account or by another nominee, you are considered to be the beneficial owner of shares held in street name, and these proxy materials, together with a voting instruction card, are being forwarded to you by your broker, trustee or other nominee. As the beneficial owner of the shares, you have the right to direct your broker, trustee or other nominee how to vote.

ATTENDING THE ANNUAL MEETING

A person is entitled to attend the Annual Meeting only if that person was a shareholder or joint shareholder as of the close of business on the record date or that person holds a valid proxy for the Annual Meeting. If you hold your shares in street name and desire to vote your shares at the Annual Meeting, you must provide a signed proxy directly from the holder of record giving you the right to vote the shares or a letter from the broker or nominee appointing you as their proxy. The proxy card enclosed with this proxy statement is not sufficient to satisfy this requirement. You must also provide proof of beneficial ownership on the record date, such as your most recent account statement prior to the record date or other similar evidence of ownership. If you hold your shares in street name and desire to attend the Annual Meeting without voting your shares, you must provide proof of beneficial ownership on the record date and present photo identification. If you are the shareholder of record or hold a valid proxy for the Annual Meeting, your name or the name of the person on whose behalf you are proxy must be verified against the list of shareholders of record on the record date as shown on the list of shareholders of the Company prior to being admitted to and prior to voting at the Annual Meeting. All shareholders must present photo identification for admittance. If you do not provide photo identification or comply with the other procedures outlined above upon request, you will not be

admitted to the Annual Meeting and/or will not be permitted to vote, as applicable.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" EACH OF THE ELEVEN NOMINEES NAMED ABOVE.

CORPORATE GOVERNANCE, THE BOARD, BOARD COMMITTEES AND MEETINGS

Corporate Governance. Corporate governance is typically defined as the system that allocates duties and authority among a company's shareholders, Board of Directors and management. The shareholders elect the Board and vote on extraordinary matters.

Our Company believes that it is in compliance with the corporate governance requirements of the NASDAQ listing standards. The principal elements of these governance requirements as implemented by our Company are:

- affirmative determination by the Board of Directors that a majority of the Directors are independent;
- regularly scheduled executive sessions of independent Directors;

- Audit Committee, Nominating and Corporate Governance Committee, and Compensation Committee comprised of independent Directors and having the purposes and charters described below under the separate committee headings; and
- specific Audit Committee authority and procedures outlined in the charter of the Audit Committee.

Independence. The Board of Directors has determined that the following six Directors nominated for election at the Annual Meeting are independent Directors as defined in the NASDAQ listing standards: John McFadden, Yulin Hao, Ning Li, Shaoqui Xia, Shiyang Yang and Cosimo Patti. Therefore, a majority of the persons nominated to serve on our Company's Board of Directors are independent as so defined. The foregoing independence determination of our Board of Directors included the determination that each of these six nominated Board members, if elected and appointed to the Audit Committee, Nominating and Corporate Governance Committee, or Compensation Committee as discussed above, respectively, is:

- independent for purposes of membership on the Audit Committee under Rule 4350(d) of the NASDAQ listing standards, that includes the independence requirements of Rule 4200 and additional independence requirements under SEC Rule 10A-3(b);
- independent under the NASDAQ listing standards for purposes of membership on the Nominating and Corporate Governance Committee; and
- independent under the NASDAQ listing standards for purposes of membership on the Compensation Committee, as a "non-employee director" under SEC Rule 16b-3 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and an "outside director" as defined in regulations under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

Our Board and its committees meet throughout the year, and hold special meetings and act by written consent from time to time as appropriate. Independent Directors regularly meet without management present. Board members have access to all of our employees outside of Board meetings. Our Board of Directors has three committees: the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee. The following table shows the composition of these committees and the number of meetings held during the 2008 fiscal year:

Director	Audit	Compensation	Nominating and Corporate Governance
John McFadden	Chair	Member	
Cosimo Patti	Member	Chair	
Yulin Hao	Member		Chair
Shaoqui Xia		Member	
Shiyang Yang			Member
Ning Li			Member
Number of Meetings in 2008	3	1	1

M = Current Member during 2008

Audit Committee. Our Audit Committee is established in accordance with Section 3(a)(58)(A) of the Exchange Act. The primary purposes of this committee are to oversee, on behalf of the Company's Board of Directors: (1) the accounting and financial reporting processes and integrity of our Company's financial statements, (2) the audits of our Company's financial statements and appointment, compensation, qualifications, independence and performance of our independent registered public accounting firm, (3) our compliance with legal and regulatory requirements, and (4) the staffing and ongoing operation of our internal audit function. The Audit Committee meets periodically with our Chief Financial Officer and other appropriate officers in the discharge of its duties. The Audit Committee also reviews the

content and enforcement of the Company's Employee Code of Business Conduct and Ethics, consults with our legal counsel on various legal compliance matters and on other legal matters if those matters could materially affect our financial statements.

The Board of Directors has determined that each of the members of the Audit Committee are independent as previously described. In addition, the Board of Directors determined that Mr. McFadden qualifies as an “audit committee financial expert” as defined by the SEC in Item 407(d)(5) of Regulation S-K promulgated by the SEC. The Board of Directors also determined that all of the members of the Audit Committee meet the requirement of the NASDAQ listing standards that each member be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement, and cash flow statement.

Nominating and Corporate Governance Committee. The primary purposes of the committee are to (1) recommend to our Board of Directors individuals qualified to serve on our Board of Directors for election by shareholders at each Annual Meeting of shareholders and to fill vacancies on the Board of Directors, (2) implement the Board’s criteria for selecting new directors, (3) develop, recommend to the Board, and assess our corporate governance policies, and (4) oversee the evaluation of our Board. The Nominating and Corporate Governance Committee receives recommendations from its members or other members of the Board of Directors for candidates to be appointed to the Board or committee positions, reviews and evaluates such candidates and makes recommendations to the Board of Directors for nominations to fill Board and committee positions.

The committee’s current process for identifying and evaluating nominees for Director consists of general periodic evaluations of the size and composition of the Board of Directors, applicable listing standards and laws, and other appropriate factors with a goal of maintaining continuity of appropriate industry expertise and knowledge of our Company. The committee looks for a number of personal attributes in selecting candidates including: sound reputation and ethical conduct; business and professional activities that are complementary to those of the Company; the availability of time and a willingness to carry out their duties and responsibilities effectively; an active awareness of changes in the social, political and economic landscape; an absence of any conflicts of interest; limited service on other boards; and a commitment to contribute to the Company’s overall performance, placing it above personal interests.

The Nominating and Corporate Governance Committee will consider candidates recommended by shareholders. Any candidate recommended by shareholders must meet the same general requirements outlined in the previous paragraph to be considered for election. Any shareholder who intends to present a director nomination proposal for consideration at the 2010 Annual Meeting of shareholders and intends to have that proposal included in the proxy statement and related materials for the 2010 Annual Meeting, must deliver a written copy of the proposal to our Company’s principal executive offices no later than the deadline, and in accordance with the notice procedures specified under “Shareholder Proposals” in this proxy statement and in accordance with the applicable requirements of SEC Rule 14a-8.

If a shareholder does not comply with the Rule 14a-8 procedures, the Company would not be required to include the nomination proposal as a proposal in the proxy statement and proxy card mailed to shareholders. For a shareholder’s nominee to be considered for nomination as a Director, the shareholder should give timely notice of their nomination in writing to the Secretary of our Company. To be timely, written suggestions for candidates, accompanied by a written consent of the proposed candidate to serve as a director if nominated and elected, a description of his or her qualifications and other relevant biographical information, should be delivered for consideration by the Nominating and Corporate Governance Committee prior to the next Annual Meeting to the Secretary of the Company, 21 West 39th Street, Suite 2A, New York, NY 10018 not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year’s Annual Meeting. In the event that the date of the Annual Meeting is advanced by more than 30 days or delayed by more than 60 days from such anniversary date, notice by the shareholder to be timely should be so delivered not earlier than the 120th day prior to such Annual Meeting and not later than the close of business on the later of the 90th day prior to such Annual Meeting or the 10th day following the day on which public announcement of the date of such meeting is first made. The Nominating and Corporate Governance Committee may request that the

shareholder submitting the proposed nominee furnish additional information to determine the eligibility and qualifications of such candidate.

Under SEC Rule 14a-8 (and assuming consent to disclosure is given by the proponents and nominee), our Company must disclose any nominations for Director made by any person or group beneficially owning more than 5% of our outstanding Common Stock by the date that was 120 calendar days before the anniversary of the date on which its proxy statement was sent to its shareholders in connection with the previous year's Annual Meeting. Our Company did not receive any such nominations for the 2009 Annual Meeting.

Compensation Committee. The primary purposes of the committee are to (1) evaluate and approve the corporate goals and objectives set by the Chief Executive Officer (the "CEO"), (2) evaluate the CEO's performance in light of those goals and objectives, (3) make recommendations to the Board of Directors with respect to non-CEO compensation, incentive compensation plans and equity-based plans, (4) oversee the administration of our incentive compensation plans and equity-based plans, and (5) produce an annual report on executive compensation for inclusion in the Company's proxy statement. The Board of Directors has determined that the members of this committee are independent as previously described. For additional information regarding the operation and authority of the Compensation Committee, see "Compensation Discussion and Analysis."

Meetings of Board of Directors. The Board of Directors held nine meetings and acted by unanimous consent on nine occasions during 2008. Each of the directors attended at least 75% of the meetings. The Company does not expect the majority of the Board members to attend the Annual Meeting, as the majority of the Board members reside in the People's Republic of China (the "PRC").

SHAREHOLDER COMMUNICATIONS TO THE BOARD OF DIRECTORS

Any record or beneficial owner of our shares of Common Stock who has concerns about accounting, internal accounting controls, or auditing matters relating to our Company may contact the Audit Committee directly. Any record or beneficial owner of our Common Stock who wishes to communicate with the Board of Directors on any other matter should also contact the Audit Committee. The Audit Committee has undertaken on behalf of the Board of Directors to be the recipient of communications from shareholders relating to our Company. If particular communications are directed to the full Board, independent Directors as a group, or individual directors, the Audit Committee will route these communications to the appropriate directors or committees so long as the intended recipients are clearly stated.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors of the Company (the "Compensation Committee") has reviewed and discussed with management the Compensation Discussion and Analysis for 2008 to be included in the proxy statement for the Annual Meeting of shareholders filed pursuant to Section 14(a) of the Exchange Act. Based on its review and discussion referred to above, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the proxy statement for the Company's Annual Meeting.

Members of the Compensation Committee:

Cosimo Patti, Chairman
John McFadden
Shaoqui Xia

COMPENSATION DISCUSSION AND ANALYSIS

Throughout this proxy statement, the following individuals are collectively referred to as the "named executive officers":

- Zhiguo Fu, Chairman of the Board of Directors, Chief Executive Officer and President;
and
- Guohua Wan, Chief Financial Officer

Oversight of Our Executive Compensation Program

The Compensation Committee oversees the compensation of our named executive officers and is composed entirely of independent Directors as defined under the listing standards of NASDAQ. The Compensation Committee is responsible for reviewing, approving and evaluating the Chief Executive Officer's performance in light of the goals and objectives of the Company. It also makes compensation recommendations with respect to our other executive officers, including approval of awards for incentive compensation and equity-based plans. The Compensation Committee administers all of our stock-based and other incentive compensation plans. The committee also assists the Board of Directors in developing succession planning for our executive officers.

Objectives of Our Compensation Program

Our compensation program is designed to attract, motivate and retain key leaders and to align the long-term interests of the named executive officers with those of our shareholders. To date, the compensation paid to the named executive officers has been based on prevailing compensation norms in the PRC. The Compensation Committee is currently reviewing the Company's executive compensation practices with a view to enabling the Company to better attract qualified executives in the United States.

The Role of the Chief Executive Officer in Determining Executive Compensation

The Compensation Committee, working with the Chief Executive Officer, evaluates and approves all compensation regarding our named executive officers. Our named executive officers report directly to our Chief Executive Officer who supervises the day to day performance of those officers. Accordingly, the Chief Executive Officer makes recommendations to the Compensation Committee regarding salaries, bonuses and equity awards for the other named executive officers and is required to annually review our executive compensation program for the named executive officers (other than himself). The Compensation Committee strongly considers the compensation recommendations and the performance evaluations of the Chief Executive Officer in making its decisions and any recommendations to the Board of Directors with respect to non-CEO compensation, incentive compensation plans and equity-based plans that are required to be submitted to the Board. In deliberations or approvals regarding the compensation of the other named executive officers, the committee may elect to invite the Chief Executive Officer to be present but not vote. In any deliberations or approvals of the committee regarding the Chief Executive Officer's compensation, the Chief Executive Officer is not invited to be present.

Compensation Consultant

The Compensation Committee has the authority to hire compensation, accounting, legal or other advisors. In connection with any such hiring, the committee can determine the scope of the consultant's assignments and their fees. While the Compensation Committee has not, to date, retained an outside compensation consultant, the committee may retain a consultant in the future to provide the committee with data regarding compensation trends, to assist the committee in the preparation of market surveys or tally sheets or to otherwise help it evaluate compensation decisions.

Our Compensation Program for Our Chief Executive Officer

The Company has paid to our Chief Executive Officer cash compensation of \$77,500 in each of the past three years. Effective on January 1, 2009, the Compensation Committee awarded Mr. Fu a nonqualified option to purchase 300,000 shares of common stock at the market price on that date. The Company has not delivered any other compensation or benefits to Mr. Fu during the past three years.

The Compensation Committee is currently reviewing the compensation paid to Zhiguo Fu for his services as Chief Executive Officer. The Committee expects to recommend to the Board that the compensation paid by the Company to Mr. Fu should more closely approximate the amount of compensation paid to executives in similar positions with U.S.- based public companies.

Potential Post-Termination Benefits for our Chief Executive Officer

The Company has not adopted any provisions regarding the payment of post-termination benefits or severance pay to Zhiguo Fu.

The Company's Compensation Program for Named Executive Officers Other Than Our Chief Executive Officer

Guohua Wan, the other named executive officer, is not party to an employment agreement. As a result, her compensation is reviewed and determined by the Compensation Committee on an annual basis. The Compensation Committee may also review an executive officer's compensation if that executive officer is promoted or experiences a change in responsibilities.

Ms. Wan reports directly to our Chief Executive Officer who supervises her day to day performance. Our Chief Executive Officer annually reviews our executive compensation program (other than for himself) and makes compensation recommendations to the Compensation Committee. The Compensation Committee strongly considers the recommendations of the Chief Executive Officer in making its decisions and any recommendations to the Board of Directors with respect to non-CEO compensation, incentive compensation plans and equity-based plans that are required to be submitted to the Board.

To date, the compensation paid to Guohua Wan has been based on prevailing compensation norms in the PRC. The Compensation Committee is currently reviewing the appropriateness of this compensation arrangement, and expects to recommend to the Board that the compensation paid by the Company to Ms. Wan should more closely approximate the amount of compensation paid to executives in similar positions with U.S.- based public companies.

Equity Compensation

The Company's 2006 Equity Incentive Plan (the "2006 Plan") is administered by the Compensation Committee as a long-term component of the Company's compensation package. The number of equity awards granted to each eligible named executive officer is made on a discretionary rather than formula basis by the Compensation Committee with the recommendation of the Chief Executive Officer.

The maximum number of shares that remain available to be issued by the Compensation Committee under the 2006 Plan is 1,180,000 shares. In addition, shares available for grant as a result of cancellation or termination of previously granted awards will also be available for grant. For a more detailed discussion of the material terms of the 1998 Plan, see "Executive Compensation – Equity Compensation Plan Information - 2006 Plan."

On May 7, 2009, the Board of Directors approved, subject to shareholder approval at the Annual Meeting, the Advanced Battery Technologies, Inc. 2009 Equity Incentive Plan. If approved by the Company's shareholders at the Annual Meeting, the total amount available for awards under the 2009 plan would be 5,000,000 shares of Common Stock. All of our executive officers, as well as employees and qualified consultants, will be eligible to receive awards under the 2009 Equity Incentive Plan. For a more detailed discussion of the material terms of the 2009 Equity Incentive Plan, see "Proposal 3: Approval of the Advanced Battery Technologies, Inc. 2009 Equity Incentive Plan."

Tax Implications of Executive Compensation

Section 162(m) of the Code places a limit of \$1,000,000 on the amount of compensation that a company may deduct in any one year with respect to its principal executive officer and each of its other three most highly paid executive officers. There is an exception to the \$1,000,000 limitation for performance-based compensation that meets certain requirements. Annual cash incentive compensation and stock option awards are generally forms of performance-based compensation that meet those requirements and, as such, are fully deductible.

Grants of stock options to our named executive officers under our 2006 Plan have not exceeded the \$1,000,000 threshold. Therefore, we expect to deduct compensation of our named executive officers related to compensation under the 2006 Plan.

The Compensation Committee has considered and will continue to consider tax deductibility in structuring compensation arrangements. However, the Compensation Committee retains discretion to establish executive compensation arrangements that it believes are consistent with the principles described earlier and in the best interests of our Company and its shareholders, even if those arrangements may not be fully deductible under Section 162(m).

The following table sets forth the summary of compensation earned during 2006 through 2008 by the Company's Chief Executive Officer. There were no other executive officers whose total salary and bonus for the fiscal year ended December 31, 2008 exceeded \$100,000.

EQUITY COMPENSATION PLAN INFORMATION

2006 Equity Incentive Plan

The 2006 Plan was adopted by the Board of Directors. It was not considered or approved by the Company's shareholders. The purpose of the 2006 Plan is (1) to offer selected employees of the Company or its subsidiaries an equity ownership interest in the financial success of the Company, (2) to provide the Company an opportunity to attract and retain the best available personnel for positions of substantial responsibility and (3) to encourage equity participation in the Company by eligible participants. As of May 26, 2009, 1,180,000 shares remain available for issuance under the 1998 Plan.

The Compensation Committee administers the 2006 Plan. Under the 2006 Plan, the Compensation Committee may grant incentive stock options, non-qualified options and restricted stock to our named executive officers and to other employees. The number and the nature of equity awards granted to each eligible employee is made on a discretionary rather than formula basis by the Compensation Committee with the recommendation of the Chief Executive Officer. The exercise price for any option granted under the 2006 Plan is at a price that the committee may determine, but cannot be less than the average of the highest and lowest sale price of our Common Stock on NASDAQ on the date of the grant. Any award granted under the 2006 Plan is exercisable or vests at such times, under such conditions and in such amounts and during such period or periods as the Compensation Committee determines on the date the award is granted.

Recipients of stock option awards may exercise their options at any time after they vest and before they expire, except that no awards may be exercised after ten years from the date of grant. Awards are generally not transferable by the recipient during the recipient's life. Awards granted under the plan are evidenced by either an agreement that is signed by us and the recipient or a confirming memorandum issued by us to the recipient setting forth the terms and conditions of the awards. Award recipients and beneficiaries of award recipients have no right, title or interest in or to any shares subject to any award or to any rights as a shareholder, unless and until shares are actually issued to the recipient.

CERTAIN RELATIONSHIPS - RELATED PERSON TRANSACTIONS

Procedures for the Approval of Related Person Transactions

The Audit Committee Charter provides that the Audit Committee has the authority to establish, and communicate to the full board and management, policies that restrict the Company and its affiliates from entering into related person transactions without the Audit Committee's prior review and approval. In accordance with these policies, the Audit Committee on a timely basis reviews and, if appropriate, approves all related person transactions.

At any time in which an executive officer, Director or nominee for Director becomes aware of any contemplated or existing transaction that, in that person's judgment may be a related person transaction, the executive officer, director or nominee for Director is expected to notify the Chairman of the Audit Committee of the transaction. Generally, the Chairman of the Audit Committee reviews any reported transaction and may consult with outside legal counsel regarding whether the transaction is, in fact, a related person transaction requiring approval by the Audit Committee. If the transaction is considered to be a related person transaction, then the Audit Committee will review the transaction at its next scheduled meeting or at a special meeting of the committee.

Related Person Transactions

During 2007 and the early portion of 2008, our Chairman, Zhiguo Fu, loaned money to the Company, primarily to fund the operations of the New York Office. The loans did not bear interest and were due on demand. The maximum amount of the loan, which was recorded as of September 30, 2008, was \$1,217,986. During the 4th quarter of 2008, all but \$17,236 of the loan was repaid to Mr. Fu.

REPORT OF THE AUDIT COMMITTEE

Composition. The Audit Committee of the Board of Directors of the Company (the “Audit Committee”) is composed of three directors, John McFadden, Cosimo Patti and Yulin Hao. Each member of the Audit Committee meets the independence and financial experience requirements under both SEC and NASDAQ rules. In addition, the Board has determined that John McFadden is an “audit committee financial expert” as defined by SEC rules.

Responsibilities. The Audit Committee operates under a written charter that has been adopted by the Board. The charter is reviewed annually for changes, as appropriate.

The Audit Committee is responsible for oversight, on behalf of the Board of Directors, of:

- The Company’s auditing, accounting and financial reporting processes, and the integrity of its financial statements;
- The audits of the Company’s financial statements and the appointment, compensation, qualifications, independence and performance of the Company’s auditor and independent registered public accounting firm;
 - The Company’s compliance with legal and regulatory requirements; and
 - The staffing and ongoing operation of the Company’s internal audit function.

The Company’s management is responsible for: (a) maintaining the Company’s books of account and preparing periodic financial statements based thereon; and (b) maintaining the system of internal controls. The independent registered public accounting firm is responsible for auditing the Company’s consolidated annual financial statements.

The Audit Committee’s function is one of oversight only and does not relieve management of its responsibilities for preparing financial statements that accurately and fairly present the Company’s financial results and condition, nor the independent registered public accounting firm of their responsibilities relating to the audit or review of the financial statements.

In accordance with Audit Committee policy and the requirements of law, the Audit Committee pre-approves all services to be provided by the Company’s auditor and independent registered public accounting firm. Pre-approved services include audit services, audit-related services, tax services and other services. To avoid potential conflicts of interest, the law prohibits a publicly traded company from obtaining certain non-audit services from its independent registered public accounting firm. The Company obtains these services from other service providers as needed.

Review with Management and Independent Registered Public Accounting Firm. In this context, the Audit Committee hereby reports as follows:

1. The Audit Committee has reviewed and discussed with management and the independent registered public accounting firm the Company's audited consolidated financial statements contained in the Company's Annual Report on Form 10-K for the 2008 fiscal year.
2. The Audit Committee has discussed with the auditor and independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).
3. The Audit Committee has received from the auditor and independent registered public accounting firm the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee has held such discussions regarding independence with its auditor and independent registered public accounting firm.
4. The Audit Committee has considered whether the provision of services covered by fees paid to the independent registered public accounting firm are compatible with maintaining the independence of that firm.

Based on the review and discussions referred to in paragraphs 1-4 above, the Audit Committee recommended to the Board, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for fiscal 2008 for filing with the SEC.

PROPOSAL 2: APPROVAL OF AN AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

On May 7, 2009, Advanced Battery Technologies' Board of Directors approved an amendment to Advanced Battery Technologies' Certificate of Incorporation, subject to approval of the amendment by the Company's shareholders. On that date, 57,821,577 of the currently authorized 60,000,000 common shares were issued and are outstanding, leaving only 2,178,423 available for issuance. The effect of the amendment will be to increase the number of authorized shares of common stock, \$0.001 par value, from 60,000,000 to 150,000,000.

The Board of Directors has approved the increase in authorized common stock in order to provide Advanced Battery Technologies with flexibility in pursuing its long-term business objectives. The primary long-term reasons for the increase are:

- Management expects that in the future it will pursue opportunities to obtain the capital Advanced Battery Technologies needs in order to fully implement its business plan. A reserve of both common and preferred shares available for issuance from time-to-time will enable Advanced Battery Technologies to entertain a broad variety of financing proposals.
 - Management may utilize the additional shares in connection with corporate acquisitions, joint venture arrangements, or for other corporate purposes, including the solicitation and compensation of key personnel. Advanced Battery Technologies is not, at this time, engaged in negotiating or effecting any acquisitions or similar transactions.

At present, Advanced Battery Technologies has no contractual or other obligation to issue any of its common stock, except upon exercise of either (a) outstanding stock options issued to employees pursuant to the 2006 Equity Incentive Plan or (b) warrants issued in August 2008 in a private placement of securities. The following table shows the derivative securities currently outstanding:

Derivative Security	Exercise Shares	
	Price	Issuable
	\$2.66	380,000

Employee Stock Options		
Warrants	\$5.51	2,652,945
		3,032,945

All of the foregoing derivative securities are currently exercisable. In the event that the foregoing derivative securities were exercised for more than 2,178,423 shares, Advanced Battery Technologies would not be able to issue the requisite common stock, and would be in default, unless the number of authorized common shares is increased.

The amendment of the Certificate of Incorporation will increase the number of common shares available for issuance by the Board of Directors from 2,178,423 to 92,178,423. The Board of Directors will be authorized to issue the additional common shares without having to obtain the approval of Advanced Battery Technologies' shareholders. Delaware law requires that the Board use its reasonable business judgment to assure that Advanced Battery Technologies obtains "fair value" when it issues shares. Nevertheless, the issuance of the additional shares would dilute the proportionate interest of current shareholders in Advanced Battery Technologies. The issuance of the additional shares could also result in the dilution of the value of shares now outstanding, if the terms on which the shares were issued were less favorable than the current market value of Advanced Battery Technologies common stock.

The amendment of the Certificate of Incorporation is not being done for the purpose of impeding any takeover attempt, and Management is not aware of any person who is acquiring or plans to acquire control of Advanced Battery Technologies. Nevertheless, the power of the Board of Directors to provide for the issuance of shares of common stock without shareholder approval has potential utility as a device to discourage or impede a takeover of Advanced Battery Technologies. In the event that a non-negotiated takeover were attempted, the private placement of stock into “friendly” hands, for example, could make Advanced Battery Technologies unattractive to the party seeking control of Advanced Battery Technologies. This would have a detrimental effect on the interests of any stockholder who wanted to tender his or her shares to the party seeking control or who would favor a change in control.

Vote Required for Approval and Recommendation

The affirmative vote by the holders of a majority of the outstanding shares of common stock is required to approve the amendment of the Certificate of Incorporation.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THIS PROPOSAL

PROPOSAL 3: APPROVAL OF THE ADVANCED BATTERY TECHNOLOGIES, INC. 2009 EQUITY INCENTIVE PLAN

On May 7, 2009, the Company’s Board of Directors adopted, subject to approval by the Company’s shareholders, the Advanced Battery Technologies, Inc. 2009 Equity Incentive Plan (the “2009 Plan”) and reserved 5,000,000 shares of Common Stock for awards under the plan. The text of the 2009 Plan is attached hereto as Appendix A. The material features of the 2009 Plan are discussed below, but the description is subject to, and is qualified in its entirety by, the full text of the 2009 Plan.

The purpose of the 2009 Plan is to (i) aid the Company and its subsidiaries and affiliates in attracting, securing and retaining employees of outstanding ability, (ii) attract consultants to provide services to the Company and its subsidiaries and affiliates, as needed, and (iii) motivate such persons to exert their best efforts on behalf of the Company and its subsidiaries and its affiliates by providing incentives through the granting of awards under the plan. The Company expects that it will benefit from the added interest, which such persons will have in the welfare of the Company as a result of their proprietary interest in the Company’s success. Equity-based compensation and ownership will also give the recipients of equity awards under the 2009 Plan a continuing stake in the long-term success of the Company, and the delayed vesting of equity awards will help to encourage retention. The Compensation Committee and the Board of Directors believe that the efforts of these individuals contributed significantly to the sustained growth since 2004 in sales, earnings and earnings per share. The Compensation Committee and the Board of Directors believe that the executive officers and employees of the Company should be rewarded for earnings performance that may result from their efforts and believes this is best accomplished by awarding equity compensation to these individuals.

General

The 2009 Plan permits the granting of any or all of the following types of awards:

- incentive stock options (“ISOs”);
- non-qualified stock options; and
- restricted stock;

The 2009 Plan currently provides that the maximum number of shares of Common Stock with respect to which awards may be granted is 5,000,000 shares (subject to adjustment in accordance with the provisions under the caption “Adjustments Upon Certain Events” below), whether pursuant to ISOs or otherwise.

Eligibility

Employees of the Company and its subsidiaries, and consultants to the Company and its subsidiaries (provided that the nature of their services is such that the grant can be made pursuant to a Form S-8 registration statement), are eligible to participate in the 2009 Plan. As of May 26, 2009, the Company, its subsidiaries and affiliates, had approximately 909 employees that are eligible to receive awards under the 2009 Plan.

Administration

The 2009 Plan is administered by the Compensation Committee of the Board of Directors. The Compensation Committee has the authority to, among other things, select employees or consultants to whom awards are to be granted, to determine the number of options or shares to be granted to such employees or consultants and to establish the terms and conditions of such awards. The Compensation Committee has the authority to interpret the 2009 Plan, to establish, amend and rescind any rules and regulations relating to the 2009 Plan, and to otherwise make any determination that it deems necessary or desirable for the administration of the 2009 Plan. If necessary to satisfy the requirements of Rule 16b-3 of the Exchange Act and/or Section 162(m) of the Code, members of the Compensation Committee must be “non-employee directors” within the meaning of Rule 16b-3 of the Exchange Act and “outside directors” within the meaning of Section 162(m) of the Code.

Adjustments Upon Certain Events

Subject to any required action by the shareholders of the Company, the number and type of shares covered by each outstanding award, and the number and type of shares which have been authorized for issuance under the 2009 Plan but as to which no awards have yet been granted or which have been returned to the 2009 Plan upon cancellation, expiration or forfeiture of an award, as well as the exercise or purchase price, will be proportionately adjusted for any increase or decrease in the number of issued shares resulting from a stock split, reverse stock split or combination or the payment of a stock dividend (but only on the Common Stock) or reclassification of the Common Stock or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company. Except as expressly provided in the 2009 Plan, no issuance by the Company of shares of stock of any class or securities convertible into shares of stock of any class, will affect, and no adjustment by reason thereof will be made with respect to, the number or price of shares subject to the 2009 Plan or an award.

In the event of the dissolution or liquidation of the Company, any option or restricted stock unit granted under the 2009 Plan will terminate immediately prior to the date of dissolution or liquidation.

In the event of any reorganization, recapitalization, merger, consolidation, combination or exchange of stock or other corporate exchange, then, unless assumed by the surviving entity, all options or restricted shares will vest prior to the effective date of the transaction, and will terminate on the effective date of the transaction unless previously exercised.

Stock Options

The 2009 Plan provides that the option price pursuant to which Common Stock may be purchased will be determined by the Compensation Committee, but will not be less than the fair market value of the Common Stock on the date the option is granted (110% of the fair market value if the option is granted to an individual who holds 10% or more of the Company’s outstanding shares). The Compensation Committee will determine the term of each option, but no option will be exercisable more than 10 years after the date of grant (5 years in the case of a 10% shareholder). Payment of the purchase price will be in cash, or, at the discretion of the Board, in shares of Common Stock held for at least six months.

If a participant's service terminates by reason of death, to the extent the participant was entitled to exercise the option on the date of death, the option may be exercised within eighteen months after the date of death. If a participant's service terminates by reason of Disability (as defined in the 2009 Plan), to the extent the participant was entitled to exercise the option on the date of Disability, the option may be exercised within one year after the date of Disability. If a participant's service with the Company terminates for Cause (as defined in the 2009 Plan), each option then held by the participant will terminate immediately. If a participant's service with the Company terminates for any other reason, each option then held by the participant may be exercised within 3 months after the date of such termination, but only to the extent such option was exercisable at the time of termination of service.

Restricted Stock

The 2009 Plan provides for certain terms and conditions pursuant to which restricted stock may be granted under the 2009 Plan. Each grant of restricted stock must be evidenced by an award agreement in a form approved by the Compensation Committee. The vesting of a restricted stock award granted under the 2009 Plan may be conditioned upon the completion of a specified period of employment with the Company or a subsidiary, upon attainment of specified performance goals, and/or upon such other criteria as the Compensation Committee may determine in its sole discretion. If a participant's service is terminated for any reason, the participant will only be entitled to the restricted stock vested at the time of such termination of service. The participant's unvested restricted stock will be forfeited. Notwithstanding the foregoing, the Compensation Committee may accelerate the vesting of unvested restricted stock held by a participant if the participant is terminated without "cause" (as determined by the Compensation Committee) by the Company. Except as provided in the applicable award agreement, no shares of restricted stock may be assigned, transferred or otherwise encumbered or disposed of by the participant until such shares have vested in accordance with the terms of such award agreement. A participant will have the right to vote and receive dividends on the shares of restricted stock granted to him or her under the 2009 Plan.

Transferability

Options and restricted shares awarded under the 2009 Plan are not transferable otherwise than by will or by the laws of descent or distribution, except that the Compensation Committee may authorize stock options (other than ISOs) to be granted on terms which permit transfer.

Federal Income Tax Consequences

The following is a discussion of certain U.S. federal income tax consequences relevant to participants in the 2009 Plan who are subject to federal income tax and the Company. It is not intended to be a complete description of all possible tax consequences with respect to awards granted under the 2009 Plan and does not address state, local or foreign tax consequences.

A participant who is granted a non-qualified stock option will not recognize income at the time the option is granted. Upon the exercise of the option, however, the excess, if any, of the market value of the stock on the date of exercise over the option exercise price will be treated as ordinary income to the participant, and the Company will generally be entitled to an income tax deduction in the same year in an amount measured by the amount of ordinary income taxable to the participant. The participant will be entitled to a cost basis for the stock for income tax purposes equal to the amount paid for the stock plus the amount of ordinary income taxable at the time of exercise. Upon a subsequent sale of such stock, the participant will recognize short-term or long-term capital gain or loss, depending upon his or her holding period for such stock.

A participant who is granted an ISO satisfying the requirements of the Code will not recognize income at the time the option is granted or exercised. The excess of the fair market value of the stock on the date of exercise over the option exercise price is, however, included as an adjustment in determining the participant's alternative minimum tax for the year in which the exercise occurs. If the participant does not dispose of shares received upon exercise of the option for one year after exercise and two years after grant of the option (the "Holding Period"), upon the disposition of such shares the participant will recognize long-term capital gain or loss based on the difference between the option exercise price and the fair market value of shares on the date of disposition. In such event, the Company is not entitled to a deduction for income tax purposes in connection with the exercise of the option. If the participant disposes of the shares received upon exercise of the ISO without satisfying the Holding Period requirement, the participant must generally recognize ordinary income equal to the lesser of (i) the fair market value of the shares at the date of exercise of the option over the exercise price or (ii) the amount realized upon the disposition of such shares over the exercise price. Any further appreciation is taxed as short-term or long-term capital gain, depending on the participant's holding period. In such event, the Company would be entitled to an income tax deduction in the same year in an amount measured by the amount of ordinary income taxable to the participant.

Generally, a participant will not recognize any income at the time an award of restricted stock is granted, nor will the Company be entitled to a deduction at that time. In the year in which restrictions on shares of restricted stock lapse, the participant will recognize ordinary income in an amount equal to the excess of the fair market value of the shares on the date of vesting over the amount, if any, the participant paid for the shares. A participant may, however, elect within 30 days after receiving an award of restricted stock to recognize ordinary income in the year of receipt, instead of the year of vesting, equal to the excess of the fair market value of the shares on the date of receipt over the amount, if any, the participant paid for the shares.

The Compensation Committee will require payment of any amount it may determine to be necessary to withhold for federal, state, local or other taxes as a result of the grant, vesting or the exercise of an award. In compliance with the American Jobs Creation Act of 2004, the maximum federal withholding rate will be used for supplemental wage payments in excess of \$1,000,000 during any taxable year.

Section 162(m) of the Code

Section 162(m) of the Code generally disallows a federal income tax deduction to any publicly held corporation for compensation paid in excess of \$1,000,000 in any taxable year to the chief executive officer or any named executive officer by the corporation on the last day of the taxable year, but exempts from this limitation “performance-based” compensation the material terms of which are disclosed and approved by shareholders.

Tax Summary

The foregoing discussion is intended only as a summary of certain federal income tax consequences and does not purport to be a complete discussion of all the tax consequences of participation in the 2009 Plan. Accordingly, holders of awards granted under the 2009 Plan should consult their own tax advisers for specific advice with respect to all federal, state or local tax effects before exercising any options, and before disposing of any shares of stock acquired pursuant to an award. Moreover, the Company does not represent that the foregoing tax consequences apply to any particular award holder’s specific circumstances or will continue to apply in the future and makes no undertaking to maintain the tax status (e.g., as an ISO) of any award.

The 2009 Plan is not subject to any provision of ERISA, nor is it a qualified employee benefit plan under Section 401(a) of the Code.

For proposals that shareholders intend to present at the 2010 Annual Meeting of shareholders outside the processes of Rule 14a-8 of the Exchange Act, unless the shareholder notifies the Company of

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's Directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Directors, executive officers and greater than 10% shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Except as noted below, to the Company's knowledge, based solely on review of the copies of such reports furnished to the Company, during fiscal 2008, all Section 16(a) filing requirements applicable to the Directors, executive officers and greater than 10% shareholders were satisfied, except that none of the members of the Board of Directors other than Zhiguo Fu and John McFadden have filed initial reports on Form 3.

OTHER MATTERS

If other matters properly come before the Annual Meeting or any adjournment thereof, the holders of the proxies are authorized to vote on these matters in accordance with management's discretion.

HOUSEHOLDING OF MATERIALS

Some banks, brokers, and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the Company's proxy statement or annual report may have been sent to multiple shareholders in the same household. The Company will promptly deliver a separate copy of either document to any shareholder upon request by writing the Company at the following address: Advanced Battery Technologies, Inc., 21 West 39th Street, Suite 2A, New York, New York 10018, Attention: Investor Relations; or by calling the Company at the following phone number: (212) 391-2752. Any shareholder who wants to receive separate copies of the annual report and proxy statement in the future, or who is currently receiving multiple copies and would like to receive only one copy for his or her household, should contact his or her bank, broker, or other nominee record holder, or contact the Company at the above address and phone number.

(b) Powers of Board. The Board shall have the power, subject to, and within the limitations of, the express provisions of this Plan:

(i) To determine from time to time which of the persons eligible under this Plan shall be granted an Equity Award; when and how each Equity Award shall be granted; what type or combination of types of Equity Award shall be granted; the terms and provisions of each Equity Award granted (which need not be identical), including, without limitation, the time or times when a person shall be permitted to receive Common Stock pursuant to an Equity Award, the exercise, base or purchase price of an Equity Award (if any), the time or times at which an Equity Award will become vested, exercisable or payable, the performance goals and other conditions of an Equity Award, the duration of an Equity Award and all other terms of an Equity Award; and the number of shares of Common Stock with respect to which an Equity Award shall be granted to each such person.

A-3

(ii) To construe and interpret this Plan and Equity Awards granted under it, and to establish, amend and revoke rules and regulations for its administration. The Board, in the exercise of this power, may correct any defect, omission or inconsistency in this Plan or in any Equity Award Agreement, in a manner and to the extent it shall deem necessary or expedient to make this Plan fully effective.

(iii) To amend this Plan or any Equity Award as provided in Section 12 of this Plan.

(iv) To terminate or suspend this Plan as provided in Section 13 of this Plan.

(v) Generally, to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company which are not in conflict with the provisions of this Plan.

(c) Delegation to Committee.

(i) General. The Board may delegate administration of this Plan to a Committee or Committees of one (1) or more members of the Board, and the term "Committee" shall apply to any person or persons to whom such authority has been delegated. If administration is delegated to a Committee, the Committee shall have, in connection with the administration of this Plan, the powers theretofore possessed by the Board, including the power to delegate to a subcommittee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board shall thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of this Plan, as may be adopted from time to time by the Board. The Board may abolish the Committee at any time and revert in the Board the administration of the Plan.

(ii) Committee Composition when Common Stock is Publicly Traded. At such time as the Common Stock is publicly traded, in the discretion of the Board, a Committee may consist solely of two or more Outside Directors, in accordance with Section 162(m) of the Code, and/or solely of two or more Non-Employee Directors, in accordance with Rule 16b-3. Within the scope of such authority, the Board or the Committee may (1) delegate to a committee of one or more members of the Board who are not Outside Directors the authority to grant Equity Awards to eligible persons who are either (a) not then Covered Employees and are not expected to be Covered Employees at the time of recognition of income resulting from such Equity Award or (b) not persons with respect to whom the Company wishes to comply with Section 162(m)(4)(C) of the Code, and/or (2) delegate to a committee of one or more members of the Board who are not Non-Employee Directors the authority to grant Equity Awards to eligible persons who are not then subject to Section 16 of the Exchange Act.

(d) Effect of Board's Decision. With respect to this Plan or any Equity Award, all determinations, interpretations and constructions made by the Board in good faith shall not be subject to review by any person and shall be final, binding and conclusive on all persons.

4. SHARES SUBJECT TO THE PLAN.

(a) Share Reserve. Subject to the provisions of Section 11 of this Plan relating to adjustments upon changes in Common Stock, the Common Stock that may be issued pursuant to Equity Awards shall not exceed in the aggregate five million (5,000,000) shares of Common Stock.

(b) Reversion of Shares to the Share Reserve. If any Equity Award shall for any reason expire or otherwise terminate, in whole or in part, without having been exercised in full, the shares of Common Stock not acquired under such Equity Award shall revert to and again become available for issuance under this Plan.

(c) Source of Shares. The shares of Common Stock subject to this Plan may be unissued shares or reacquired shares, bought on the market or otherwise.

5. ELIGIBILITY.

(a) Eligibility for Specific Equity Awards. Incentive Stock Options may be granted only to Employees. Equity Awards other than Incentive Stock Options may be granted to Employees, Directors and Consultants.

(b) Ten Percent Stockholders. A Ten Percent Stockholder shall not be granted an Incentive Stock Option unless the exercise price of such Option is at least one hundred ten percent (110%) of the Fair Market Value of the Common Stock at the date of grant and the Option is not exercisable after the expiration of five (5) years from the date of grant.

A-4

(c) Consultants. A Consultant shall not be eligible for the grant of an Equity Award if, at the time of grant, a Form S-8 Registration Statement under the Securities Act (“Form S-8”) is not available to register either the offer or the sale of the Company’s securities to such Consultant because of the nature of the services that the Consultant is providing to the Company, or because the Consultant is not a natural person, or as otherwise provided by the rules governing the use of Form S-8, unless the Company determines both (i) that such grant (A) shall be registered in another manner under the Securities Act (e.g., on a Form S-3 Registration Statement) or (B) does not require registration under the Securities Act in order to comply with the requirements of the Securities Act, if applicable, and (ii) that such grant complies with the securities laws of all other relevant jurisdictions.

6. OPTION PROVISIONS.

Each Option shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. All Options shall be separately designated Incentive Stock Options or Nonstatutory Stock Options at the time of grant, and, if certificates are issued, a separate certificate or certificates will be issued for shares of Common Stock purchased on exercise of each type of Option. The provisions of separate Options need not be identical, but each Option shall include (through incorporation of provisions hereof by reference in the Option or otherwise) the substance of each of the following provisions:

(a) Term. Subject to the provisions of Section 5(b) regarding Ten Percent Stockholders, no Incentive Stock Option shall be exercisable after the expiration of ten (10) years from the date it was granted.

(b) Exercise Price of an Option. Subject to the provisions of Section 5(b) regarding Ten Percent Stockholders, the exercise price of each Incentive Stock Option and Nonstatutory Stock Option shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted.

(c) Exercise; Consideration. Subject to the terms and conditions of this Plan and the applicable Option Agreement, vested Options may be exercised in whole or in part by giving written notice of exercise to the Company, specifying the number shares to be purchased, accompanied by payment of the applicable exercise or purchase price. The exercise or purchase price of Common Stock acquired pursuant to an Option shall be paid, to the extent permitted by applicable statutes and regulations, either (i) in cash at the time the Option is exercised or (ii) at the discretion of the Board determined at the time of the grant of the Option (1) by delivery to the Company of other Common Stock, (2) according to a deferred payment or other similar arrangement with the Optionholder, or (3) in any other form of legal consideration that may be acceptable to the Board. Unless otherwise specifically provided in the Option Agreement, the exercise or purchase price of Common Stock acquired pursuant to an Option that is paid by delivery to the Company of other Common Stock acquired, directly or indirectly from the Company, shall be paid only by shares of the Common Stock of the Company that have been held for more than six (6) months (or such longer or shorter period of time required to avoid a charge to earnings for financial accounting purposes).

In the case of any deferred payment arrangement, interest shall be compounded at least annually and shall be charged at the minimum rate of interest necessary to avoid the treatment as interest, under any applicable provisions of the Code, of any amounts other than amounts stated to be interest under the deferred payment arrangement.

(d) Transferability of an Incentive Stock Option. An Incentive Stock Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder. Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.

(e) Transferability of a Nonstatutory Stock Option. A Nonstatutory Stock Option shall be transferable to the extent provided in the Option Agreement. If the Option Agreement pertaining to the Nonstatutory Stock Option does not provide for transferability, then the Nonstatutory Stock Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder. Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.

A-5

(f) Vesting Generally. The total number of shares of Common Stock subject to an Option may, but need not, vest and therefore become exercisable in periodic installments that may, but need not, be equal. The Option may be subject to such other terms and conditions on the time or times when it may be exercised (which may be based on performance or other criteria) as the Board may deem appropriate. The vesting provisions of individual Options may vary and shall be determined by the Board.

(g) Termination of Continuous Service. In the event an Optionholder's Continuous Service terminates (other than for Cause and other than upon the Optionholder's death or Disability), the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination (i.e., to the extent that such Option is vested)) but only within such period of time ending on the earlier of (i) the date three (3) months following the termination of the Optionholder's Continuous Service (or such longer or shorter period specified in the Option Agreement), or (ii) the expiration of the term of the vested Option as set forth in the Option Agreement. If, after termination, the Optionholder does not exercise his or her vested Option(s) (if any) within the time specified in the Option Agreement, the vested Option(s) shall terminate.

(h) Extension of Termination Date. An Optionholder's Option Agreement may also provide that if the exercise of the vested Option following the termination of the Optionholder's Continuous Service (other than for Cause and other than upon the Optionholder's death or Disability) would be prohibited at any time solely because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act, then the vested Option shall terminate on the earlier of (i) the expiration of the term of the vested Option set forth in Section 6(a) or (ii) the expiration of a period of three (3) months after the termination of the Optionholder's Continuous Service during which the exercise of the vested Option would not be in violation of such registration requirements.

(i) Disability of Optionholder. In the event that an Optionholder's Continuous Service terminates as a result of the Optionholder's Disability, the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination (i.e., to the extent that such Option is vested)), but only within such period of time ending on the earlier of (i) the date twelve (12) months following such termination (or such longer or shorter period specified in the Option Agreement) or (ii) the expiration of the term of the vested Option as set forth in the Option Agreement. If, after termination, the Optionholder does not exercise his or her vested Option(s) (if any) within the time specified herein, the vested Option(s) shall terminate.

(j) Death of Optionholder. In the event (i) an Optionholder's Continuous Service terminates as a result of the Optionholder's death or (ii) the Optionholder dies within the period (if any) specified in the Option Agreement after the termination of the Optionholder's Continuous Service for a reason other than death or for Cause, then the Option may be exercised (to the extent the Optionholder was entitled to exercise such Option as of the date of death (i.e., to the extent that such Option is vested)) by the Optionholder's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by a person designated to exercise the option upon the Optionholder's death pursuant to Section 6(d) or 6(e), but only within the period ending on the earlier of (1) the date eighteen (18) months following the date of death (or such longer or shorter period specified in the Option Agreement) or (2) the expiration of the term of such Option as set forth in the Option Agreement. If, after death, the vested Option(s) (if any) is not exercised within the time specified herein, the vested Option(s) shall terminate.

(k) Termination of Continuous Service for Cause. Except as otherwise provided in the Option Agreement, in the event that an Optionholder's Continuous Service terminates for Cause (which determination shall be made in the sole discretion of the Board), any and all outstanding Options (whether vested or not vested at such time) held by such Optionholder shall immediately terminate and be forfeited to the Company upon the relevant date of termination of Continuous Service for Cause, as determined by the Board.

For purposes of this Plan, “Cause” shall, subject to the following sentence, mean a determination by the Board that an Optionholder (i) has been convicted of, or entered into a plea of nolo contendere to, a crime that constitutes a felony under Federal or state law, (ii) has engaged in willful gross misconduct in the performance of the Optionholder’s duties to the Company or any Affiliate, or (iii) has committed a material breach of any written agreement with the Company or any Affiliate with respect to confidentiality, noncompetition, nonsolicitation or similar restrictive covenant. In the event that the Optionholder is a party to an employment agreement with the Company or any Affiliate that defined a termination on account of “Cause” (or a term having a similar meaning), such definition shall apply as the definition of a termination on account of “Cause” for purposes hereof.

A-6

(l) Options not Vested at Termination. Any and all Options held by the Participant which are not vested on or before the effective date of termination of Continuous Service of the Optionholder shall immediately be forfeited to the Company (and shall once again become available for grant under this Plan).

7. PROVISIONS OF STOCK GRANTS.

(a) Stock Grants. Subject to the terms and provisions of this Plan, the Board, at any time and from time to time, may make Stock Grants to persons in such amounts and upon such terms and conditions as the Board shall determine.

(i) Stock Award Agreement. The Board may require, as a condition to a Stock Grant, that a recipient of a Stock Grant enter into a Stock Award Agreement, setting forth the terms and conditions of the Stock Grant. In lieu of a Stock Award Agreement, the Board may provide the terms and conditions of a Stock Grant in a notice to the Participant of the Stock Grant, on the Stock certificate representing the Stock Grant, in the resolution approving the Stock Grant, or in such other manner as it deems appropriate.

(ii) Transferability. Except as otherwise provided in this Section 7, the Common Stock granted pursuant to the Stock Grant may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Restriction Period (as hereinafter defined), if any. For purposes of this Plan, "Restriction Period" means the applicable period during which the Common Stock granted pursuant to the Stock Grant are subject to any restrictions or conditions established by the Board. Except as otherwise provided in this Section 7, shares of Common Stock covered by each Stock Grant made under this Plan shall become freely transferable by the Participant after the last day of the Restriction Period, if any, and completion of all conditions to vesting, if any.

(iii) Other Restrictions. The Board may impose such other conditions and/or restrictions on any shares of Common Stock granted pursuant to a Stock Grant under this Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each share of Common Stock granted and/or restrictions under applicable Federal or state securities laws; and may legend the certificates representing the Common Stock to give appropriate notice of such restrictions.

The Company shall also have the right to retain the certificates representing shares of Stock Grants in the Company's possession until such time as all conditions and/or restrictions applicable to such shares have been satisfied.

(iv) Termination of Participant's Continuous Service. In the event a Participant's Continuous Service terminates, the Company may reacquire any or all of the shares of Common Stock held by the Participant which have not vested as of the date of termination under the terms of the Stock Grant.

(v) Voting Rights, Dividends and Other Distributions. During the Restriction Period (if any), Participants holding shares of Common Stock granted pursuant to Stock Grants may exercise full voting rights and shall receive all regular cash dividends paid with respect to such shares.

8. COVENANTS OF THE COMPANY.

(a) Availability of Shares. During the terms of the Equity Awards, the Company shall keep available at all times the number of shares of Common Stock required to satisfy such Equity Awards.

(b) Securities Law Compliance. The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over this Plan such authority as may be required to grant Equity Awards and to issue and sell

shares of Common Stock upon exercise of the Equity Awards; provided, however, that this undertaking shall not require the Company to register under the Securities Act this Plan, any Equity Award or any Common Stock issued or issuable pursuant to any such Equity Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority which counsel for the Company deems necessary for the lawful issuance and sale of Common Stock under this Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock upon exercise of such Equity Awards unless and until such authority is obtained.

A-7

9. USE OF PROCEEDS FROM STOCK.

Proceeds from the sale of Common Stock pursuant to Equity Awards shall constitute general funds of the Company.

10. MISCELLANEOUS

(a) **Stockholder Rights.** No Optionholder shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to the Option unless and until such Participant has satisfied all requirements for exercise of, and has exercised, the Option pursuant to its terms.

(b) **No Employment or other Service Rights.** Nothing in this Plan or any instrument executed or Equity Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Equity Award was granted or shall affect the right of the Company or an Affiliate to terminate (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate or (iii) the service of a Director pursuant to the bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be. No Employee, Consultant or Director shall have the right to be selected as a participant in this Plan, or having been so selected, to be selected again as a Participant in this Plan.

(c) **Incentive Stock Option \$100,000 Limitation.** To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and its Affiliates) exceeds one hundred thousand dollars (\$100,000), the Options or portions thereof which exceed such limit (according to the order in which they were granted) shall be treated as Nonstatutory Stock Options.

(d) **Investment Assurances.** The Company may require a Participant, as a condition of exercising or acquiring Common Stock under any Equity Award, (i) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Equity Award; and (ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring Common Stock subject to the Equity Award for the Participant's own account and not with any present intention of selling or otherwise distributing the Common Stock. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (1) the issuance of the shares of Common Stock upon the exercise or acquisition of Common Stock under the Equity Award has been registered under a then currently effective registration statement under the Securities Act or (2) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under this Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Common Stock.

(e) **Withholding Obligations.**

(i) **Payment by Participant.** Each Participant shall, no later than the date as of which the value of an Equity Award or other amounts received thereunder first becomes includable in the gross income of the Participant for Federal income tax purposes, pay to the Company, or make arrangements satisfactory to the Board regarding payment of, any federal, state, or local taxes of any kind required by law to be withheld with respect to such income. The Company and any

Affiliate shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the Participant.

(ii) Payment in Stock. Subject to approval by the Board, a Participant may elect to have the minimum required tax withholding obligation satisfied, in whole or in part, by (i) authorizing the Company to withhold from shares of Common Stock to be issued pursuant to any Equity Award a number of shares with an aggregate Fair Market Value (as of the date the withholding is effected) that would satisfy such minimum withholding amount due, or (ii) transferring to the Company shares of Common Stock owned by the Participant with an aggregate Fair Market Value (as of the date the withholding is effected) that would satisfy such minimum withholding amount due.

A-8

(f) **Compliance with Laws and Regulations.** Notwithstanding anything in this Plan to the contrary, the Board, in its sole discretion, may bifurcate this Plan so as to restrict, limit or condition the use of any provision of this Plan to Participants who are officers or Directors subject to Section 16 of the Exchange Act without so restricting, limiting or conditioning this Plan with respect to other Participants. Additionally, in interpreting and applying the provisions of this Plan, any Option granted as an Incentive Stock Option pursuant to this Plan shall, to the extent permitted by law, be construed as an “incentive stock option” within the meaning of Section 422 of the Code.

(g) **Severability.** If any provision of this Plan or any Equity Award is determined to be invalid, illegal or unenforceable in any jurisdiction, or as to any person, or would disqualify this Plan or any Equity Award under any law deemed applicable by the Board, such provision shall be construed or deemed amended to conform to applicable laws, or, if it cannot be so construed or deemed amended without, in the Board’s determination, materially altering the intent of this Plan or the Equity Award, such provision shall be stricken as to such jurisdiction, person or Equity Award, and the remainder of this Plan and any such Equity Award shall remain in full force and effect.

(h) **Headings.** Any section, subsection, paragraph or other subdivision headings contained herein are for purpose of convenience only and are not intended to expand, limit or otherwise define the content of such subdivisions.

(i) **Requirement of Notification of Election under Section 83(b) of the Code.** If any Participant shall, in connection with the acquisition of shares of Common Stock under this Plan, make the election permitted under section 83(b) of the Code (i.e., an election to include in gross income in the year of transfer the amounts specified in Section 83(b) of the Code), such Participant shall notify the Company of such election within ten (10) days of filing notice of the election with the Internal Revenue Service, in addition to any filing and notification required pursuant to regulations issued under the authority of Code Section 83(b).

(j) **Requirement of Notification Upon Disqualifying Disposition.** In order to obtain certain tax benefits afforded to Incentive Stock Options under Section 422 of the Code, the Participant must hold the shares acquired upon the exercise of an Incentive Stock Option for two (2) years after the applicable grant date and one (1) year after the applicable date of exercise. The Participant shall give the Company prompt notice of any disposition of shares acquired on the exercise of an Incentive Stock Option prior to the expiration of such holding periods.

11. ADJUSTMENTS UPON CHANGES IN STOCK.

(a) **Capitalization Adjustments.** If any change is made in, or other event occurs with respect to, the Common Stock subject to this Plan, or subject to any Equity Award, without the receipt of consideration by the Company (through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or other transaction not involving the receipt of consideration by the Company), the Plan will be appropriately adjusted in the class(es) and maximum number of securities subject to this Plan pursuant to Section 4(a), and the outstanding Equity Awards will be appropriately adjusted in the class(es) and number of securities and price per share of Common Stock subject to such outstanding Equity Awards. The Board shall make such adjustments, and its determination shall be final, binding and conclusive. The conversion of any convertible securities of the Company shall not be treated as a transaction “without receipt of consideration” by the Company.

(b) **Dissolution or Liquidation.** In the event of a dissolution or liquidation of the Company, then all outstanding Equity Awards shall terminate immediately prior to the completion of such dissolution or liquidation.

(c) **Corporate Transaction.** In the event of a Corporate Transaction, any surviving corporation or acquiring corporation may assume any or all Equity Awards outstanding under the Plan or may substitute similar stock awards for Equity

Awards outstanding under the Plan (it being understood that similar stock awards include awards to acquire the same consideration paid to the stockholders or the Company, as the case may be, pursuant to the Corporate Transaction). In the event any surviving corporation or acquiring corporation does not assume any or all such outstanding Equity Awards or substitute similar stock awards for such outstanding Equity Awards, then with respect to Equity Awards that have been neither assumed nor substituted and that are held by Participants whose Continuous Service has not terminated prior to the effective time of the Corporate Transaction, the vesting of such Equity Awards (and, if applicable, the time at which such Equity Awards may be exercised) shall (contingent upon consummation of such Corporate Transaction) be accelerated in full to a date prior to the consummation of such Corporate Transaction as the Board shall determine (or, if the Board shall not determine such a date, to the date that is five (5) days prior to the consummation of the Corporate Transaction), and the Equity Awards shall terminate if not exercised (if applicable) at or prior to such event effective time. With respect to any other Equity Awards outstanding under the Plan, that have been neither assumed nor substituted, the vesting of such Equity Awards (and, if applicable, the time at which such Equity Award may be exercised) shall not be accelerated unless otherwise provided in a written agreement between the Company or any Affiliate and the holder of such Equity Award, and such Equity Awards shall terminate if not exercised (if applicable) prior to the effective time of the Corporate Transaction.

A-9

12. AMENDMENT OF THE PLAN AND EQUITY AWARDS.

(a) Amendment of Plan. The Board at any time, and from time to time, may amend this Plan. However, except as provided in Section 11 relating to adjustments upon changes in Common Stock, no amendment shall be effective unless approved by the stockholders of the Company to the extent stockholder approval is necessary to satisfy the requirements of Section 422 of the Code.

(b) Stockholder Approval. The Board may, in its sole discretion, submit any other amendment to this Plan for stockholder approval, including, but not limited to, amendments to the Plan intended to satisfy the requirements of Section 162(m) of the Code and the regulations thereunder regarding the exclusion of performance-based compensation from the limit on corporate deductibility of compensation paid to certain executive officers.

(c) Contemplated Amendments. It is expressly contemplated that the Board may amend this Plan in any respect the Board deems necessary or advisable to provide eligible Employees with the maximum benefits provided or to be provided under the provisions of the Code and the regulations promulgated thereunder relating to Incentive Stock Options and/or to bring the Plan and/or Incentive Stock Options granted under it into compliance therewith.

(d) No Impairment of Rights. Rights under any Equity Award granted before amendment of this Plan shall not be materially impaired by any amendment of this Plan unless (i) the Company requests the consent of the Participant and (ii) the Participant consents in writing.

(e) Amendment of Equity Awards. The Board at any time, and from time to time, may amend the terms of any one or more Equity Awards; provided, however, that the rights under any Equity Award shall not be materially impaired by any such amendment unless (i) the Company requests the consent of the Participant and (ii) the Participant consents in writing.

(f) Code Section 409A. Any action of the Board that in any way alters or affects the tax treatment of any Equity Award or that in the sole discretion of the Board is necessary to prevent an Equity Award from being subject to tax under Code Section 409A shall not be considered to materially impair any rights of any Participant. Any modification or amendment of this Plan or any Equity Award in a manner that would cause this Plan or any Equity Award to be subject to tax under Section 409A shall be deemed null and void.

13. TERMINATION OR SUSPENSION OF THE PLAN.

(a) Plan Term. The Board may suspend or terminate this Plan at any time. Unless sooner terminated, this Plan shall terminate on the day before the tenth (10th) anniversary of the date this Plan is adopted by the Board or approved by the stockholders of the Company, whichever is earlier. No Equity Awards may be granted under this Plan while the Plan is suspended or after it is terminated.

(b) No Impairment of Rights. Suspension or termination of this Plan shall not impair rights and obligations under any Equity Award granted while this Plan is in effect except with the written consent of the Participant.

14. CHOICE OF LAW.

The law of the State of Delaware shall govern all questions concerning the construction, validity and interpretation of this Plan, without regard to such state's conflict of laws rules.
