PROXY INFORMATION

Who is soliciting my proxy?

The Board is soliciting your proxy in order to provide you with an opportunity to vote on all matters scheduled to come before the Annual Meeting, whether or not you attend the Annual Meeting in person.

Who is entitled to vote?

Only stockholders of record at the close of business on August 15, 2014 (the “record date”) will be entitled to notice of, and to vote at, the Annual Meeting or any adjournments or postponements of the Annual Meeting. On the record date, there were issued and outstanding 52,596,063 shares of common stock entitled to vote at the Annual Meeting. The shares of common stock are the only outstanding voting securities of the Company.

A list of stockholders entitled to vote at the meeting will be available for examination for ten days before the Annual Meeting at our corporate offices in Lindon, Utah.

How do I vote?

There are two ways you can vote:

- (1) Sign and date each proxy card you receive and return it in the prepaid envelope; or
- (2) Vote in person at the Annual Meeting. If your shares are held of record by a broker, bank or other nominee and you wish to vote your shares at the Annual Meeting, you must contact your broker, bank or other nominee to obtain the proper documentation and bring it with you to the Annual Meeting.

How can I change my vote?

Registered stockholders can revoke their proxy at any time before it is voted at the Annual Meeting by either:

- Submitting another timely, later-dated proxy;
- Delivering timely written notice of revocation to the Corporate Secretary, at 321 South 1250 West, Suite 1, Lindon, Utah 84042; or
- Attending the Annual Meeting and voting in person.

If your shares are held in the name of a bank, broker or other nominee, you must obtain a proxy, executed in your favor, from the holder of record (that is, your bank, broker or nominee) to be able to change your vote at the Annual Meeting.

What are the quorum requirements for the Annual Meeting?

In order to hold the Annual Meeting and transact business, a majority of the outstanding shares of our common stock entitled to vote must be present in person at the Annual Meeting or represented by proxy.

Abstentions and broker non-votes (which occur when a broker indicates on a proxy card that it is not voting on a matter) are considered shares present at the Annual Meeting for the purpose of determining a quorum.

Abstentions and Broker Non-Votes

Shareholders may abstain from voting on any of the proposals. Because abstentions are not counted as votes cast for a proposal, abstentions will not affect Proposal 1 since directors who are elected will be those who receive the highest number of affirmative votes. Additionally, abstentions will not be counted as votes for or against Proposal 2, where approval of the matter requires that the number of votes cast in favor of the proposal exceed the number of votes cast in opposition of the proposal, or Proposals 3 and 4, which are non-binding advisory votes.

A broker non-vote occurs when a broker submits a Proxy Card with respect to shares of common stock held in a fiduciary capacity (typically referred to as being held in “street name”), but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Routine matters include the ratification of auditors. Non-routine matters include matters such as the election of directors, the approval of, and amendments to, stock plans and the approval of an amendment to a company’s certificate of incorporation. Therefore, if you do not give your broker or nominee specific instructions, your shares will not be voted on non-routine matters and may not be voted on routine matters. However, shares represented by such “broker non-votes” will be counted in determining whether there is a quorum present at the Annual Meeting for the purpose of transacting business. With regard to Proposal 1, broker non-votes and votes marked “withheld” will not be counted towards the tabulations of votes cast on such proposal presented to the stockholders, will not have the effect of negative votes and will not affect the outcome of the election of the directors. With regard to Proposals 2, 3 and 4, broker non-votes will not be counted for purposes of determining whether such proposal has been approved and will not have the effect of negative votes.

Who represents my proxy at the meeting?

If you do not vote in person at the Annual Meeting, but have submitted your proxy by signing and returning your proxy card, you have authorized certain members of the Company’s senior management designated by the Board and named on your proxy card to represent you and to vote your shares as instructed.

How many votes am I entitled to cast?

You are entitled to cast one vote for each share of common stock you own on the record date.

How many votes are required to approve matters to be presented?

Proposal 1: Election of Directors. The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors, provided a quorum is present in person or by proxy. A plurality means that the seven nominees receiving the most votes for election to a director position are elected as directors.

Proposal 2: Approval and Ratification of the 2014 Equity Incentive Plan. The proposal to approve and ratify our 2014 Equity Incentive Plan will be approved if the number of votes cast in favor of the proposal exceeds the number of votes cast in opposition of the proposal.

Proposal 3: Say-on-Pay. The proposal to approve, on an advisory basis, the Company's executive compensation will be approved if the number of votes cast in favor of the proposal exceeds the number of votes cast in opposition of the proposal.

Proposal 4: Ratification of Auditors. The proposal to ratify the appointment of Sadler, Gibb & Associates, LLC as the Company's independent registered public accounting firm for the year ended March 31, 2015 will be approved if the number of votes cast in favor of the proposal exceeds the number of votes cast in opposition of the proposal.

Will my shares be voted if I do not provide instructions to my broker?

If you are the beneficial owner of shares held in "street name" by a broker, the broker, as the record holder of the shares, is required to vote those shares in accordance with your instructions. If you do not give instructions to the broker, the broker is only permitted to vote on items that are considered routine.

What if I return a proxy card but do not provide specific voting instructions for the proposal?

All shares for which a proxy has been properly submitted and not revoked will be voted at the Annual Meeting in accordance with your instructions. If you sign your proxy card but do not give voting instructions, the senior executive acting as your proxy will vote the shares represented by that proxy in accordance with the recommendations of the Board.

How will proxies be voted on other items or matters that properly come before the meeting?

If any other items or matters properly come before the meeting, the proxies received will be voted on those items or matters in accordance with the discretion of the proxy holders.

Is the Company aware of any other item of business that will be presented at the meeting?

The Board does not intend to present, and does not have any reason to believe that others will present, any item of business at the Annual Meeting other than those specifically set forth in the Notice of Annual Meeting of Stockholders. However, if other matters are properly brought before the Annual Meeting, the persons named on the enclosed proxy will have discretionary authority to vote all proxies in accordance with their best judgment.

Where do I find the voting results of the meeting?

We intend to report the voting results in a Current Report on Form 8-K within four business days after the Annual Meeting.

Who bears the costs of soliciting these proxies?

We will bear the cost of soliciting proxies. In addition to the use of the mails, certain directors, officers or employees may solicit proxies by telephone, facsimile, e-mail, and in person, without additional compensation. Upon request, we will also reimburse brokerage houses and other custodians, nominees, and fiduciaries for their reasonable out-of-pocket expenses for distributing proxy materials to stockholders. All costs and expenses of any solicitation, including the cost of preparing this Proxy Statement and posting it on the Internet and mailing the proxy materials, will be borne by the Company.

Do I have dissenters' rights for any matters being presented at the meeting?

No dissenters' rights are available to any stockholder who dissents from any of the proposals set forth in the Proxy Statement under the Nevada Revised Statutes or under our current Articles of Incorporation or Bylaws.

PROPOSAL ONE

ELECTION OF DIRECTORS

Our Bylaws provide that the Board will consist of such number of directors to be fixed from time-to-time by resolution of the Board. Currently, the Board has been set at seven members. Historically, the Board has consisted of only three members, but during the 2014 fiscal year, the Board expanded the number of directorships to seven. To fill these four vacancies, the Board appointed Arlen B. Crouch, Stephen E. Pirnat, Daren J. Shaw, and Ronald R. Spoehel to serve as directors of the Company, each of whom qualifies as an independent director as described below in the section "Director Independence." With these independent directors added to the Board, we have formed an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee consisting of independent directors, which is consistent with corporate governance requirements of the listing standards of The Nasdaq Stock Market.

Upon the recommendation of our Nominating and Corporate Governance Committee, the board has identified and nominated seven individuals to serve as directors for a one-year term expiring on the date of our next Annual Meeting, and until their successors are duly elected and qualified. Brenton W. Hatch, Harold Albert, Andrew W. Limpert, Arlen B. Crouch, Stephen E. Pirnat, Daren J. Shaw, and Ronald R. Spoehel have been nominated by the Nominating and Corporate Governance Committee to stand for election as directors. Messrs. Hatch, Albert, Limpert, Crouch, Pirnat, Shaw and Spoehel currently serve as directors of the Company.

We intend that the proxies solicited by us will be voted for the election of the nominees named above. Each of the nominees has agreed to serve as a director if elected, and we believe each nominee will be available to serve. However, the proxy holders have discretionary authority to cast votes for the election of a substitute should any nominee not be available to serve as a director.

Involvement in Certain Legal Proceedings

During 2012, Mr. Limpert entered into a settlement agreement with the Securities and Exchange Commission (the "Commission") in connection with administrative proceedings commenced against him in 2011 for alleged events occurring between 2004 and 2008. After a comprehensive investigation and full cooperation with the Commission, Mr. Limpert, based on the advice of his private SEC counsel, believed the settlement was in his best interest under the circumstances. While not admitting to or denying the Commission's findings, Mr. Limpert consented to disgorgement, penalties and interest for certain fees earned. The penalties assessed were within the lowest tier statutorily allowed. Mr. Limpert also agreed not to engage in violations of U.S. securities laws and to be barred from certain specific activities such as association or employment with any broker, dealer, investment adviser, investment company, etc., and from participating in an offering of penny stock as a collateral bar. The settlement agreement provides that Mr. Limpert may reapply for licensure for any of the above after one calendar year, subject to compliance with the terms and conditions set out in the settlement agreement. None of the violations alleged against Mr. Limpert related to his involvement with the Company.

- overseeing financial and feasibility analyses of all material projects, especially in entering new regions and making significant personnel decisions,

- overseeing engagements and communication with the financial community (e.g., stockholders, brokers, fund managers, etc.),
- managing corporate sales strategies, and
- other responsibilities, as assigned by the CEO or Board of Directors. To our knowledge, none of our officers, directors or affiliates or any owner of record of 5% or more of our common stock, or any associate of any of the foregoing, is a party adverse to the Company or any of our subsidiaries or has a material interest adverse to the Company or any of our subsidiaries.

Related Party Transactions

Our Audit Committee Charter requires that the Audit Committee review, approve or oversee any transaction between the Company and any related person (as defined in Item 404 of Regulation S-K) and any other potential conflict of interest situations on an ongoing basis, and to develop policies and procedures for the Committee's approval of transactions with related persons. Prior to establishing our Audit Committee, our Board monitored and reviewed issues involving potential conflicts of interests and related party transactions. The responsibility has now been assumed by our Audit Committee in accordance with our written policies and procedures.

Brenton Hatch's son, Justin Hatch, is employed by the Company, for which he was paid a salary of \$123,426, a discretionary performance-based bonus of \$3,000 during fiscal year 2014, and other perquisites totaling approximately \$10,000 for total compensation of approximately \$137,000. He also was issued a restricted stock award agreement for 8,333 shares of our Common Stock in May 2014. It is expected that his compensation will be similar for fiscal year 2015.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and any persons who own more than 10% of the common stock of the Company to file with the Commission reports of beneficial ownership and changes in beneficial ownership of common stock. Officers and directors are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. Based solely on review of the copies of such reports furnished to us or written representations that no other reports were required, we believe that during the fiscal year ended March 31, 2014 all filing requirements applicable to our officers, directors, greater than 10% stockholders or any other person subject to Section 16 of the Exchange Act were met on a timely basis.

Director Independence

The Board has determined that of the current directors or nominees, Messrs. Crouch, Pirnat, Shaw and Spoehel qualify as independent directors as that term is defined in the listing standards of The Nasdaq Stock Market. Such independence definition includes a series of objective tests, including that the director is not an employee of the Company and has not engaged in various types of business dealings with the Company. As Messrs. Hatch, Albert and Limpert are also employed by the Company, the Board has determined that none of them are currently independent.

Board Committees

Audit Committee. During the second quarter of fiscal year 2014, our Board formed an Audit Committee that is responsible for the selection, review and oversight of the Company's independent registered public accounting firm; approval of all audit, review and attest services provided by the independent registered public accounting firm; the integrity of our reporting practices and the evaluation of our internal controls and accounting procedures. The Audit Committee is also responsible for the pre-approval of all non-audit services provided by its independent registered public accounting firm. Non-audit services are only provided by our independent registered public accounting firm to the extent permitted by law. Further, all related party transactions are reviewed and approved by the Audit Committee.

The Audit Committee is chaired by Daren J. Shaw and consists of Messrs. Shaw, Spoehel and Crouch, all of whom qualify as independent directors. The Board believes that Daren J. Shaw qualifies as an audit committee financial expert as defined in Item 407(d)(5)(ii) of Regulation S-K. The Board has adopted a written charter to govern the activities of the Audit Committee, which is available on our website at www.profireenergy.com. During the fiscal year ended March 31, 2014, the Audit Committee did not hold any separate Audit Committee meetings but, rather, covered various Audit Committee business at general Board meetings and during Board calls. The Audit Committee began holding separate Audit Committee meetings in this fiscal year.

Nominating and Corporate Governance Committee. During the second quarter of fiscal year 2014, our Board also formed a Nominating and Corporate Governance Committee (the "Nominating Committee") that is responsible for identifying and recommending director candidates for nomination by the Board. The Nominating Committee is chaired by Arlen B. Crouch and consists of Messrs. Shaw, Spoehel and Crouch, all of whom qualify as independent directors. In general, when the Board determines that expansion of the board or replacement of a director is necessary or appropriate, the Nominating Committee will identify candidates through candidate interviews with members of management, consultation with the candidate's associates and through other means to determine a candidate's qualifications to serve on our Board.

Each candidate to serve on the Board must possess the highest personal and professional ethics, integrity and values, and be committed to serving the long-term interests of our stockholders. Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating Committee may consider such other factors as it may deem appropriate, which may include, without limitation, professional experience, diversity of backgrounds, skills and experience at policy-making levels in business, government, financial, and in other areas relevant to our global operations, experience and history with our company, and stock ownership.

We do not have a formal policy with regard to the consideration of diversity in identifying Board nominees, but the Nominating Committee strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills, and expertise to oversee our business.

The Nominating Committee will consider director candidates recommended by the Company's stockholders pursuant to the procedures described in this proxy statement or validly made in accordance with applicable laws, rules and regulations and the provisions of our Bylaws. Stockholders wishing to recommend candidates should do so in writing to the Nominating and Corporate Governance Committee, c/o Corporate Secretary, Profire Energy, Inc., 321 South 1250 West, Suite 1, Lindon, UT 84042. Please refer to the section below entitled "Stockholder Proposals and Director Nominees for Next Annual Meeting" for further information. The Nominating Committee may also consider candidates proposed by current directors, management, employees and others. All such candidates who, after evaluation, are then recommended by the Nominating Committee and approved by the Board, will be included in our recommended slate of director nominees in our proxy statement.

To date, we have not paid any fee to any third party to identify or evaluate, or to assist in identifying or evaluating, potential director candidates, but we may consider doing so in the future if the nominating committee determines that engaging a consultant is in the best interests of the Company. The Board has adopted a written charter to govern the activities of the Nominating Committee, which is available on our website at www.profireenergy.com. During the fiscal year ended March 31, 2014, the Nominating Committee did not hold any separate Nominating Committee meetings but, rather, covered various Nominating Committee business at general Board meetings and during Board calls. The Nominating Committee began holding separate Nominating Committee meetings in this fiscal year.

Compensation Committee. During the second quarter of fiscal year 2014, our Board formed a Compensation Committee to review and advise upon executive compensation. The Compensation Committee is chaired by Ronald R. Spoehel and consists of Messrs. Shaw, Spoehel and Crouch, all of whom qualify as independent directors.

The Compensation Committee oversees all aspects of our executive compensation program and incentive compensation. It reviews and advises the Board on the corporate goals and objectives applicable to the compensation of our Chief Executive Officer, recommends to the full Board for approval compensation amounts for the Chief Executive Officer and all other executive officers, reviews and makes recommendations to our Board relating to incentive compensation plans and equity-based plans, and reviews and makes recommendations to the full Board regarding employment agreements and severance agreements or plans for the Chief Executive Officer and other executive officers.

To date, we have not utilized the services of a compensation consultant, but we may do so in the future should the Compensation Committee deem it advisable. Pursuant to its charter, the Compensation Committee may delegate its authority to a subcommittee or subcommittees. The Board has adopted a written charter to govern the activities of the Compensation Committee, which is available on our website at www.profireenergy.com. During the fiscal year ended March 31, 2014, the Compensation Committee held one meeting.

Board Leadership Structure and Role in Risk Oversight

Currently our Chief Executive Officer also serves as the Chairman of our Board and we do not have an independent lead director. Given our current size, resources and access to potential qualified director candidates, the Board believes the most effective leadership structure for the Company at this time and with our current Chief Executive Officer is to have a combined Chairman of the Board and Chief Executive Officer. Our current combined structure promotes unified leadership, a cohesive vision and strategy for the Company and clear and direct communication to the board.

We do not have a policy regarding the separation or combination of the roles of the Chairman and Chief Executive Officer and believe that the separation or combination of these offices is a matter for discussion and determination by the Board. The Board believes that it should be able to select the Chairman of the Board based on the criteria that the Board deems to be in the best interests of the Company and its stockholders.

Board-level risk oversight is performed by our full Board. Our risk oversight process includes an ongoing dialogue between management and the Board, intended to identify and analyze risks that the Company faces. Through these discussions with management and their own business experience and knowledge, our directors are able to identify material risks for which a full analysis and risk mitigation planning are necessary. The Board monitors risk mitigation action plans developed by management in order to ensure such plans are implemented and are effective in reducing the targeted risks.

Report of Audit Committee Regarding 2014 Audited Financial Statements

The Audit Committee has reviewed and discussed with management the Company's audited consolidated financial statements as of and for the year ended March 31, 2014. The Audit Committee has discussed with our independent registered public accounting firm the matters required to be discussed by Statement of Accounting Standards 61, Communication with Audit Committees, as modified or supplemented, by the Auditing Standards Board of the American Institute of Certified Public Accountants and the Public Company Accounting Oversight Board ("PCAOB").

The Audit Committee has received and reviewed the written disclosures from our independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the audit committee concerning independence and has discussed with our independent registered public accounting firm its independence.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements referred to above be included in our Annual Report on Form 10-K for the year ended March 31, 2014.

Board Meetings and Attendance at Annual Meetings

The Board held six meetings during our fiscal year ended March 31, 2014, all of which were attended by all members of the Board who were members of the Board at the time of each meeting.

Although it is not mandatory for directors to attend annual meetings, each director is encouraged to attend meetings of stockholders. The Company held its annual meeting of stockholders for the 2013 fiscal year on February 6, 2014, and all of the directors were in attendance.

Communications with Directors

Stockholders and other parties interested in communicating with the Board may do so by writing to the Chairman of the Board of Directors, Profire Energy, Inc., 321 South 1250 West, Suite 1, Lindon, Utah 84042. The Chairman of the Board will review and forward to the appropriate members of the board copies of all such correspondence that, in the opinion of the Chairman, deals with the functions of the board or that he otherwise determines requires their attention.

Salary

Salary is used to recognize the experience, skills, knowledge and responsibilities required of all our employees, including our named executive officers. The salary for each named executive officer is typically set at the time the individual is hired based on the factors discussed in the preceding sentence and the negotiation process between the Company and the named executive officer. Thereafter, changes to annual salary, if any, are determined based on several factors, including evaluation of performance, anticipated financial performance, economic condition and local market and labor conditions. During the 2013 fiscal year, the employment agreements of Mr. Hatch, Mr. Albert and Mr. Limpert provided for a full-time monthly salary of \$17,000 per month. During fiscal 2013, Mr. Limpert was not employed by the Company on a full-time basis. His salary was adjusted to reflect the amount of time dedicated to his employment with the Company. As discussed in more detail below under the heading “Employment Agreements,” in June 2013 the Company executed new employment agreements with Messrs. Hatch, Albert and Limpert, retroactive to May 1, 2013. The new employment agreements provide that Messrs. Hatch and Albert will each receive an annual salary of \$270,000 per year and Mr. Limpert will receive an annual salary of \$240,000 per year. These salaries may be adjusted upward by the Company’s Board at their discretion.

Bonuses

We may also make cash awards to our named executive officers and employees that are not part of any pre-established, performance-based criteria. Awards of this type are completely discretionary and subjectively determined by our Board at the time they are awarded. In the event this type of cash award is made, it is reflected in the “Summary Compensation Table” under a separate column entitled “Bonus.” During the 2014 fiscal year, bonuses were paid to executives in the following amounts: \$10,000 to Mr. Hatch, \$9,498 to Mr. Albert and \$10,000 to Mr.

Limpert. The bonuses in 2014 were awarded in recognition of the efforts of the named executive officers for revenue expansion, leadership and product innovation. We were under no obligation to award the cash bonuses and we are not under an obligation to award future cash bonuses.

Employer Benefit Plans

At the current time, we do not provide any retirement, pension, or other benefit plans to our named executive officers; however, the Board may adopt plans as it deems reasonable under the circumstances.

Say-on-Pay

At our annual stockholder meeting held on January 29, 2013, we solicited an advisory vote of our stockholders to approve the compensation packages proposed to be paid to our named executive officers and to determine how frequently the Company should conduct such advisory votes. Of the 40,257,159 shares represented at the meeting by valid proxies and ballots, 35,442,908 voted to approve the compensation proposals. 35,424,808 shares voted to conduct advisory votes on executive compensation every two years. Consistent with the majority of stockholder votes cast, we are conducting an advisory vote on executive compensation at the Annual Meeting and will conduct our next advisory vote on executive compensation in two years. See Proposal 3 for more information.

Employment Agreements

On June 28, 2013, we executed employment agreements with Messrs. Hatch, Albert and Limpert (the "Employment Agreements"), which were retroactively effective to May 1, 2013.

The Employment Agreements of Messrs. Hatch, Albert, and Limpert provide that they will devote, on a full-time basis, their best ability and talents to the business of the Company. The agreements prohibit the individuals from providing consulting services or accepting employment with any other party unless pre-approved by the Company.

The Employment Agreements provide that Messrs. Hatch, Albert and Limpert are entitled to:

- an automobile allowance of up to \$1,200 per month;
- payment of or reimbursement for certain reasonable and necessary out-of-pocket expenses incurred in the performance of their duties, as detailed in the new employment agreements, subject to presentment of appropriate vouchers or receipts;
- a \$2,000 per month personal allowance;
- payment of the employee's medical and dental insurance premiums; and
- four weeks of paid vacation or leave time each year.

The Employment Agreements also allow the Board to consider the award of a year-end annual cash bonus based on performance. No specific performance criteria are set forth in the Employment Agreements.

The Employment Agreements contain confidentiality, non-disclosure, non-compete, non-solicitation and intellectual property assignment provisions.

Termination and Change in Control

The Employment Agreements of the named executive officers contain provisions for payment in the event of termination of employment. Under the Employment Agreements, Messrs. Hatch, Albert or Limpert are entitled to the following payments in the event of termination of employment:

- Without cause. The employee may be terminated without cause by the Company at any time, but with 90 days prior written notice. If terminated without cause, the Company shall pay the employee, as a severance allowance, his then current monthly base salary, and health and other benefits for the two-week period following the month of termination and including the month in which notice of termination occurs if employed for a continuous period of six months or more.
- For cause upon prior written notice. If terminated for cause the individual shall be entitled to receive his then current monthly base salary and any employee rights or compensation which would vest in the month of termination pro-rated through the date of termination but off-set by any amounts which have been appropriated or wrongfully taken by the employee or which arise out of damages to the Company through the errors or omissions of the employee.
- By resignation. If the employee resigns, he shall be entitled to receive his current monthly base salary and any other compensation or right which would vest in the month the resignation becomes effective, pro-rated to the date of last service. In the event of a resignation, employment shall terminate on the earlier of 30 days following the written submission of resignation or the date the resignation is accepted by the Company.
- For disability or death. The Company shall have the option to terminate the employment agreement should the employee no longer be able to perform his essential functions. In the event of termination for death or disability the employee shall be entitled to the same compensation and benefits as if the agreement had been terminated without cause.

We do not have agreements, plans or arrangements, written or unwritten, with any of our named executive officers that would provide for payments or other benefits to any of our named executive officers in the event of a change in control of the Company or a change in the responsibilities of any named executive officer following a change in control of the Company.

Outstanding Equity Awards at Fiscal Year End

None of our named executive officers held outstanding equity awards at March 31, 2014.

Director Compensation

Three of our current directors, Messrs. Hatch, Albert and Limpert, are also named executive officers and employees of the Company. All compensation earned by Messrs. Hatch, Albert and Limpert, respectively, was compensation for services rendered in their capacity as employees of the Company. They received no compensation for serving on our Board during the 2014 or 2013 fiscal years. For details regarding the compensation received by each of these directors please see the "Summary Compensation Table" on page 11 of this Proxy Statement.

Each of our non-employee directors receives monthly cash remuneration of \$2,000 for his service, as well as a stock-option grant of 100,000 shares at the commencement of his service (of which 50% vests at the beginning of their service and the remaining 50% vesting at the one-year anniversary of the date of grant). The following table describes the components of the compensation for our independent directors who served during our 2014 fiscal year:

Instead, the amounts reflect the aggregate grant date fair value, computed in accordance with Financial Accounting Standards Board Accounting Standards Codification (“ASC”) 718, of awards of stock options made to non-employee directors for the fiscal year ended March 31, 2014 but exclude an estimate for forfeitures. The fair value of each option award is estimated on the date of grant using the Black-Scholes option pricing model. Additional information about the assumptions used in the calculation of these amounts is included in footnote 6 to our audited financial statements for the fiscal year ended March 31, 2014 included in our Annual Report on Form 10-K filed with the Commission on June 30, 2014.

PROPOSAL TWO

APPROVAL AND RATIFICATION OF THE 2014 EQUITY INCENTIVE PLAN

We are seeking stockholder approval to adopt our 2014 Equity Incentive Plan (the “Plan”).

On August 7, 2014, the Board of Directors adopted, subject to stockholder approval, the Profire Energy, Inc. 2014 Equity Incentive Plan (the “2014 Stock Plan”). The purpose of the 2014 Stock Plan is to aid us in attracting and retaining employees, officers, consultants, advisors and non-employee directors capable of assuring our future success. The 2014 Stock Plan is also intended to incentivize such service providers to put forth maximum efforts and to compensate such persons through stock or cash-based arrangements. Recipients of awards under the 2014 Stock Plan may be provided with opportunities for ownership of our stock, thereby aligning the interests of participants with those of our stockholders.

We currently award stock-based compensation, including stock options and restricted stock under the 2010 Equity Incentive Plan. As of March 31, 2014, there were (i) 2,903,715 shares subject to outstanding stock options with a weighted average exercise price of \$1.319 and a weighted average remaining term of 4.14 years under the 2010 Equity Incentive Plan, and (ii) 0 shares of restricted stock awards outstanding. As of March 31, 2014, there were 997,000 shares available for future grants under the 2010 Equity Incentive Plan. No further awards will be made pursuant to our 2010 Equity Incentive Plan following stockholder approval of the 2014 Stock Plan.

The Compensation Committee and the Board believe that equity incentive grants are vital to our interests and our stockholders, as they play an important role in our ability to attract and retain key management, align a significant percentage of our executives’ compensation to her or his performance, as well as ours, and generate in our executives a strategic long-term interest in our performance. As discussed below, the 2014 Stock Plan will allow for the continued use of stock-based compensation and will permit us significant flexibility in determining the types and specific terms of awards made to participants. This flexibility will allow us to make future awards based on the then-current objectives for aligning compensation with stockholder value.

A copy of the 2014 Stock Plan is attached as Appendix A to this proxy statement. The following summary of the material terms of the 2014 Stock Plan is qualified in its entirety by reference to the full text of the 2014 Stock Plan.

Administration

The Compensation Committee or the Board administers the 2014 Stock Plan and has full power and authority to determine when and to whom awards will be granted, and the type, amount and other terms and conditions of each award, consistent with the provisions of the 2014 Stock Plan. Subject to the provisions of the 2014 Stock Plan, the Compensation Committee or the Board may amend the terms of, or accelerate the exercisability of, an outstanding award. The Compensation Committee or the Board has authority to interpret the 2014 Stock Plan and establish rules and regulations for the administration of the 2014 Stock Plan.

The Compensation Committee may delegate its powers under the 2014 Stock Plan to one or more officers, except that such delegated officers will not be permitted to grant awards to any members of the Board or executive officers who are subject to Section 16 of the Exchange Act or Section 162(m) of the Internal Revenue Code.

Under the 2014 Stock Plan, the Board may, at any time and from time to time, without any further action of the Committee, exercise the powers and duties of the Committee under the Plan, and the Board currently anticipates administering the plan pursuant to this option for the foreseeable future, with the Committee advising the Board regarding the administration of the 2014 Stock Plan.

Eligibility

Any employee, officer, non-employee director, consultant, independent contractor or advisor providing services to Profire Energy, Inc. or an affiliate, or any person to whom an offer of employment has been made, and who is selected by the Compensation Committee or the Board to participate, is eligible to receive an award under the 2014 Stock Plan. As of August 15, 2014, approximately 108 persons were eligible as a class to be selected by the Compensation Committee or the Board to receive awards under the 2014 Stock Plan.

Shares Available for Awards

The aggregate number of shares that may be issued under all stock-based awards made under the 2014 Stock Plan will be (i) the sum of 4,000,000, (ii) 812,100 (the remaining shares available for future awards under the 2010 Equity Incentive Plan as of August 7, 2014) and (iii) any shares subject to any outstanding award under the 2010 Equity Incentive Plan that, after August 7, 2014, are not purchased, are forfeited or are reacquired by the Company due to termination or cancellation of such award. In addition, for stock options and stock appreciation rights ("SARs"), the aggregate number of shares with respect to which such awards are exercised, rather than the number of shares actually issued upon exercise, will be counted against the number of shares available for awards under the 2014 Stock Plan. If awards under the 2014 Stock Plan or, after August 7, 2014, awards under the 2010 Equity Incentive Plan, expire or otherwise terminate without being exercised, the shares of common stock not acquired pursuant to such awards again become available for issuance under the 2014 Stock Plan. However, under the following circumstances, shares will not again be available for issuance under the 2014 Stock Plan: (i) shares unissued due to a "net exercise" of a stock option, (ii) any shares withheld or shares tendered to satisfy tax withholding obligations with respect to a stock option or SAR, (iii) shares covered by a SAR that is not settled in shares upon exercise and (iv) shares repurchased using stock option exercise proceeds. In addition, awards that do not entitle the recipient to receive or purchase shares shall not be counted against the number of shares available for issuance under the 2014 Stock Plan.

Certain awards under the 2014 Stock Plan are subject to limitations. No person may be granted awards under the 2014 Stock Plan for more than 250,000 shares of our common stock in any calendar year. The maximum amount payable to a participant within any taxable year under all performance awards denominated in cash may not exceed \$1,000,000. Non-employee directors may not be granted awards in any calendar year of more than 100,000 shares.

The Compensation Committee or the Board will adjust (i) the number of shares available under the 2014 Stock Plan, (ii) the number of shares subject to outstanding awards and (iii) the share limits described above in the case of a stock dividend, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-off, repurchase or exchange of shares, or other similar corporate transaction where such an adjustment is necessary to prevent dilution or enlargement of the benefits available under the 2014 Stock Plan. Any adjustment determination made by the Compensation Committee or the Board shall be final, binding and conclusive.

Dilution Discussion

In setting the amount of shares authorized under the 2014 Stock Plan for which stockholder approval is being sought, the Compensation Committee and the Board considered, among other factors, the historical amounts of equity awards granted by the Company, and the potential future grants over the next several years. The Committee and the Board also consider recommendations by the CEO for the other named executive officers. Neither the Committee nor the Board has authorized specific grants of awards to be made under the 2014 Stock Plan, subject to stockholder approval. However, the Compensation Committee and the Board believe that the shares being requested should be sufficient for awards under the 2014 Stock Plan for approximately the next three years.

To reduce the dilutive impact of our equity award grants on our stockholders' interests, we actively administer our equity grant program to make use of our resources as effective as possible. Equity awards are generally limited to (1) those positions deemed critical to our future success, (2) individuals whose personal performance makes them highly valuable to us, and (3) essential new hires.

Type of Awards and Terms and Conditions

The 2014 Stock Plan provides that the Compensation Committee or the Board may grant awards to eligible participants in any of the following forms, subject to such terms, conditions and provisions as the Compensation Committee or the Board may determine to be necessary or desirable:

- stock options, including both incentive stock options (“ISOs”) and non-qualified stock options (together with ISOs, “options”);
- stock appreciation rights;
- restricted stock;
- restricted stock units;
- performance awards; and
- dividend equivalents.

Options and SARs

The holder of an option is entitled to purchase a number of shares of our common stock at a specified exercise price during a specified time period, all as determined by the Compensation Committee or the Board. The holder of a SAR is entitled to receive the excess of the fair market value (calculated as of the exercise date) of a specified number of shares of our common stock over the grant price of the SAR.

Exercise Price. The Compensation Committee or the Board has the discretion to determine the exercise price and other terms of options and SARs, except that the exercise price will in no event be less than 100% of the fair market value per share of our common stock underlying the award on the date of grant, unless such option or SAR is granted in substitution for an option or SAR previously granted by a merged or acquired entity. Without the approval of stockholders, we will not amend or replace previously granted options or SARs in a transaction that constitutes a “repricing” as discussed in the 2014 Stock Plan.

Vesting. The Compensation Committee or the Board has the discretion to determine when and under what circumstances an option or SAR will vest.

Exercise. The Compensation Committee or the Board has the discretion to determine the method or methods by which an option or SAR may be exercised, which methods may include a net exercise. The Compensation Committee and the Board are not authorized under the 2014 Stock Plan to accept a promissory note as consideration. Unless the award agreement associated with an Option provides otherwise, if on the last day of the term of an Option, the fair market value of one share of common stock is greater than the option exercise price and the Option is exercisable but has not been exercised, the Option shall be deemed to have been exercised on such day with payment made by withholding shares of common stock otherwise issuable in connection with the exercise of the Option.

Expiration. Options and SARs will expire at such time as the Compensation Committee or the Board determines; provided, however, that no option or SAR may be exercised more than ten years from the date of grant, except that, in the case of an ISO held by a 10% stockholder, the option may not be exercised more than five years from the date of grant.

Special Limitations on ISOs. In the case of a grant of an option intended to qualify as an ISO, no such option may be granted to a participant who owns, at the time of the grant, stock representing more than 10% of the total combined voting power of all classes of our stock or our subsidiaries unless the exercise price per share of our common stock subject to such ISO is at least 110% of the fair market value per share of our common stock on the date of grant, and such ISO award is not exercisable more than five years after its date of grant. In addition, options designated as ISOs shall not be eligible for treatment under the Internal Revenue Code as ISOs to the extent that either: (i) the aggregate fair market value of shares of common stock (determined as of the time of grant) with respect to which such ISOs are exercisable for the first time by the participant during any calendar year exceeds \$100,000 or (ii) such ISOs otherwise remain exercisable but are not exercised within three months after termination of employment (or such other period of time provided in Section 422 of the Internal Revenue Code).

Restricted Stock and Restricted Stock Units

The holder of restricted stock will own shares of our common stock subject to restrictions imposed by the Compensation Committee or the Board for a specified time period determined by the Compensation Committee or the Board. The holder of restricted stock units will have the right, subject to restrictions imposed by the Compensation Committee or the Board, to receive shares of our common stock at some future date determined by the Compensation Committee or the Board. The grant, issuance, retention, vesting and/or settlement of restricted stock and restricted stock units will occur at such times and in such installments as determined by the Compensation Committee or the Board. The Compensation Committee or the Board will have the right to make the timing of the grant and/or the issuance, ability to retain, vesting and/or settlement of restricted stock and restricted stock units subject to continued employment, passage of time and/or such performance conditions as are deemed appropriate by the Compensation Committee or the Board. Unless otherwise specified by the Compensation Committee or the Board, upon a participant ceasing to provide service as an employee or a non-employee director, all unvested shares of restricted stock and restricted stock units shall be forfeited and reacquired by us.

Dividend Equivalents

The holder of a dividend equivalent will be entitled to receive payments (in cash, shares of our common stock, other securities or other property) equivalent to the amount of cash dividends paid by us to our stockholders, with respect to the number of shares determined by the Compensation Committee or the Board. Dividend equivalents will be subject to other terms and conditions determined by the Compensation Committee or the Board, but neither the Compensation Committee nor the Board may (i) grant dividend equivalents in connection with options or SARs or (ii) pay a dividend equivalent with respect to an award prior to the date on which all performance-based conditions or restrictions on such award have been satisfied, waived or lapsed.

Performance Awards

Option and SAR awards under the 2014 Stock Plan qualify as “performance-based compensation” within the meaning of Section 162(m) of the Internal Revenue Code (“Section 162(m)”). In addition, the Compensation Committee or the Board may grant performance awards denominated or payable in cash, shares (including restricted stock and restricted stock unit awards), other securities, other awards or other property under the 2014 Stock Plan that are intended to qualify as “performance-based compensation” within the meaning of Section 162(m) (“performance awards”). A performance award will be conditioned solely upon the achievement of one or more objective performance goals

established by the Compensation Committee or the Board in compliance with Section 162(m). The Compensation Committee or the Board must determine the length of the performance period, establish the performance goals for the performance period, and determine the amounts of the performance awards for each participant no later than 90 days after the beginning of each performance period according to the requirements of Section 162(m).

Performance goals must be based solely on one or more of the following, either individually, alternatively or in any combination, applied on a corporate, subsidiary, business unit, channel, merchandise category or line of business basis: economic value added (EVA); sales or revenue; costs or expenses; net profit after tax; gross profit; income; cash flow; earnings; earnings per share (EPS); earnings per share from continuing from continuing operations; returns; margins; ratios; budget comparisons; unit volume; stock price; stockholders' equity; net working capital; value creation; market share; market capitalization; debt levels and debt reduction; capital expenditures; workforce satisfaction and diversity goals; employee retention; production metrics; user satisfaction; billings; bookings; development; implementation or completion of key projects; or strategic plan development and implementation. Such goals may reflect absolute results of individual performance or that of the Company or a subsidiary, division, business segment or business unit performance. When establishing performance criteria, the Compensation Committee or the Board may allow the exclusion of charges related to an event or occurrence that the Compensation Committee or the Board determines should properly be excluded.

Under the 2014 Stock Plan, the Compensation Committee or the Board is required to certify that the applicable performance goals have been met prior to payment of any performance awards to participants.

Duration, Termination and Amendment

The 2014 Stock Plan has a term of ten years expiring on August 7, 2024, unless terminated earlier by the Board. The Board may at any time and from time to time and in any respect amend or modify the 2014 Stock Plan. The Board shall require the approval of any amendment or modification of the 2014 Stock Plan that would: (i) be required under the listing requirements of The NASDAQ Stock Market or another exchange or securities market on which our shares are then listed for trading, (ii) increase the number of shares authorized under the 2014 Stock Plan, (iii) increase the annual participant share limits or annual cash award limits, (iv) permit a repricing of options or SARs, (v) permit the award of options or SARs with an exercise price less than 100% of the fair market value of a share on the date of grant, or (vi) increase the maximum term of options or SARs. No amendment or modification of the 2014 Stock Plan may be made that would adversely affect any outstanding award without the consent of the participant or the current holder of the award.

Effect of Corporate Transaction

Awards under the 2014 Stock Plan are generally subject to special provisions upon the occurrence of any reorganization, merger, consolidation, split-up, spin-off, combination, plan of arrangement, take-over bid or tender offer, repurchase or exchange of Shares, or any other similar corporate transaction with respect to us. In the event of such a corporate transaction, the Compensation Committee or the Board may provide for one or more of the following to occur upon the occurrence of the event (or immediately prior to such event, provided the event is consummated):

- termination of any award, whether vested or not, in exchange for an amount of cash and/or other property equal to the amount that would have been received upon exercise of the award or the realization of the participant's rights under the award. Awards may be terminated without payment if the Compensation Committee or the Board determines that no amount is realizable under the award as of the time of the transaction;
- replacement of any award with other rights or property selected by the Compensation Committee or the Board;
- the assumption of any award by the successor entity (or its parent or subsidiary) or the arrangement for the substitution for similar awards covering the stock of such successor entity;
- acceleration of the exercisability or vesting of any award, notwithstanding the language in the participant's award agreement; or
- require that the award cannot vest, be exercised or become payable until after a future date, which may be the effective date of the corporate transaction.

Clawback or Recoupment

All awards under the 2014 Stock Plan will be subject to forfeiture or other penalties pursuant to any clawback policy we may adopt or amend from time to time, as determined by the Compensation Committee or the Board.

Income Tax Withholding

In order to comply with all applicable income tax laws and regulations, we may take appropriate action to ensure that all applicable taxes, which are the sole responsibility of the participant, are withheld or collected. The Compensation Committee or the Board may allow the participant to satisfy any tax obligation by (a) electing to have a portion of the

shares withheld that otherwise would be delivered upon exercise, receipt or the lapse of restrictions with respect to the award, or (b) electing to deliver to us shares of Profire Energy, Inc. other than shares received pursuant to the award with a fair market value equal to the amount of the tax obligation. Any election, if allowed, must be made on or before the date that the amount of tax to be withheld is determined.

Limited Transferability of Awards

Except as otherwise provided by the Compensation Committee or the Board, no award or other right or interest of a participant under the 2014 Stock Plan (other than fully vested and unrestricted shares issued pursuant to an award) shall be transferable by a participant other than by will or by the laws of descent and distribution, and no right or award may be pledged, alienated, attached or otherwise encumbered, and any purported pledge, alienation, attachment or encumbrance shall be void and unenforceable. If a transfer is allowed by the Compensation Committee or the Board (other than for fully vested and unrestricted shares), the transfer will be for no value and shall comply with the Form S-8 rules. The Compensation Committee or the Board may establish procedures to allow a named beneficiary to exercise the rights of the participant and receive any property distributable with respect to any award upon the participant's death.

Federal Income Tax Consequences

Grant of Options and SARs

The grant of a stock option or SAR is not expected to result in any taxable income to the recipient.

Exercise of Options and SARs

Upon exercising a non-qualified stock option, the optionee must recognize ordinary income equal to the excess of the fair market value of the shares of our common stock acquired on the date of exercise over the exercise price, and we generally will be entitled at that time to an income tax deduction for the same amount. The holder of an ISO generally will have no taxable income upon exercising the option (except that an alternative minimum tax liability may arise), and we will not be entitled to an income tax deduction. Upon exercising a SAR, the amount of any cash received and the fair market value on the exercise date of any shares of our common stock received are taxable to the recipient as ordinary income and generally are deductible by us.

Disposition of Shares Acquired Upon Exercise of Options and SARs

The tax consequence upon a disposition of shares acquired through the exercise of an option or SAR will depend on how long the shares have been held and whether the shares were acquired by exercising an ISO or by exercising a non-qualified stock option or SAR. Generally, there will be no tax consequence to us in connection with the disposition of shares acquired under an option or SAR, except that we may be entitled to an income tax deduction in the case of the disposition of shares acquired under an ISO before the applicable ISO holding periods set forth in the Internal Revenue Code have been satisfied.

Awards Other than Options and SARs

If an award is payable in shares of our common stock that are subject to substantial risk of forfeiture, unless a special election is made by the holder of the award under the Internal Revenue Code, the holder must recognize ordinary income equal to the excess of: (i) the fair market value of the shares received (determined as of the first time the shares become transferable or not subject to substantial risk of forfeiture, whichever occurs earlier) over (ii) the amount (if any) paid for the shares by the holder of the award. We will generally be entitled at that time to an income tax deduction for the same amount. As to awards other than options and SARs granted under the 2014 Stock Plan that are payable either in cash or shares of our common stock not subject to substantial risk of forfeiture, the holder of the award must recognize ordinary income equal to: (a) the amount of cash received or, as applicable, (b) the excess of (i) the fair market value of the shares received (determined as of the date such shares are received) over (ii) the amount (if any) paid for the shares by the holder of the award. We generally will be entitled at that time to an income tax deduction for the same amount, subject to the rules of Section 162(m).

Income Tax Deduction

Subject to the tax rules requiring that compensation be reasonable in order to be deductible, our obligation to withhold or otherwise collect certain income and payroll taxes, and assuming that, as expected, stock options, SARs and certain other performance awards paid under the 2014 Stock Plan are “qualified performance-based compensation” within the meaning of Section 162(m), we generally will be entitled to a corresponding income tax deduction at the time a participant recognizes ordinary income from awards made under the 2014 Stock Plan. However, nothing in the 2014 Stock Plan prevents the Compensation Committee or the Board from making awards that do not qualify for tax deductibility under Section 162(m).

Special Rules for Executive Officers Subject to Section 16 of the Exchange Act

Special rules may apply to individuals subject to Section 16 of the Exchange Act. In particular, unless a special election is made pursuant to the Internal Revenue Code, shares received through the exercise or settlement of an award may be treated as restricted as to transferability and subject to a substantial risk of forfeiture for a period of up to six months after the date of exercise. Accordingly, the amount of any ordinary income recognized and the amount of our income tax deduction will be determined as of the end of that period.

Section 409A of the Internal Revenue Code

The Compensation Committee and the Board intend to administer and interpret the 2014 Stock Plan and all award agreements in a manner consistent to satisfy the requirements of Section 409A of the Internal Revenue Code to avoid any adverse tax results thereunder to a holder of an award.

New Plan Benefits

No awards have yet been granted under the 2014 Stock Plan, as it will only take effect upon stockholder approval at the 2014 Annual Meeting. The number and types of awards that will be granted under the 2014 Stock Plan in the future are not determinable, as the Compensation Committee or the Board will make these determinations in their sole discretion. Although we cannot predict the number and types of awards that will be granted in the future, our non-employee directors historically received a stock-option grant of 100,000 shares at the commencement of their service and similar grants may be given in the future.

The proposal to approve the 2014 Equity Incentive Plan will be approved if the number of votes cast in favor of the proposal exceeds the number of votes cast in opposition of the proposal.

The Board recommends that stockholders vote “FOR” the approval of the 2014 Equity Incentive Plan.

PROPOSAL THREE

SAY-ON-PAY—AN ADVISORY VOTE TO APPROVE
THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) enables our stockholders to vote to approve, on a non-binding advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with applicable SEC rules. This proposal, commonly known as a “Say-on-Pay” proposal, gives you, as a stockholder, the opportunity to express your views on our named executive officers’ compensation. Your vote is not intended to address any specific item of our compensation program, but rather to address our overall approach to the compensation of our named executive officers described in this proxy statement.

As described in more detail above under “Compensation of Directors and Executive Officers” our executive compensation programs are designed to attract, retain and motivate talented executives, reward performance, and link the interest of the Company’s senior executives to the interests of the Company’s stockholders. The Board oversees our executive compensation, including the compensation of our named executive officers.

We review our compensation plans and programs on an ongoing basis and periodically make adjustments taking into account competitive conditions and other factors. Please read “Compensation of Directors and Executive Officers” beginning on page 11 for additional details about our executive compensation programs, including information about the fiscal year 2014 compensation of our named executive officers.

We are asking our stockholders to support our named executive officer compensation as described in this proxy statement. Accordingly, we ask you to vote “FOR” the following resolution at our Annual Meeting:

“RESOLVED, that the compensation paid to the named executive officers of Profire Energy, Inc., as disclosed in the Profire Energy, Inc. proxy statement for the Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC, is hereby APPROVED.”

This vote on the named executive officer compensation is advisory, and therefore will not be binding on the Company and will not affect, limit or augment any existing compensation or awards. However, we value our stockholders’ opinions and the board of directors will take into account the outcome of the vote when considering future compensation arrangements.

Vote Sought

The proposal to approve, on a non-binding advisory basis, the compensation of our named executive officers as disclosed in this proxy statement will be approved if the number of votes cast in favor of the proposal exceed the number of votes cast in opposition of the proposal.

The Board recommends that stockholders vote “FOR” the approval of this proposal.

PROPOSAL FOUR

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected Sadler, Gibb & Associates, LLC, Certified Public Accountants (“SGA”) as the Company’s independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending March 31, 2015 and recommends that the stockholders vote to ratify such selection. Stockholder ratification of such selection is not required by our Bylaws or other applicable legal requirement. However, our Board is submitting the selection of SGA to stockholders for ratification as a matter of good corporate practice. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection. Even if the selection is ratified, our Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if our Audit Committee believes that such a change would be in our and our stockholders’ best interests. SGA conducted our most recent audit of our financial statements for the fiscal year ended March 31, 2014.

During each of our last two fiscal years we were billed the following fees for professional services rendered by SGA:

	Fiscal 2014	Fiscal 2013
Audit	\$ 53,750	\$ 45,000
Audit related	-0-	-0-
Tax	-0-	-0-
All other	-0-	-0-

Total	\$ 53,750	\$ 45,000
-------	-----------	-----------

Audit Fees. Audit fees were for professional services rendered in connection with the audit of our annual financial statements included in our annual reports on Form 10-K, review of financial statements included in our quarterly reports on Form 10-Q and for services that are normally provided by independent registered public accounting firms in connection with statutory and regulatory filings or engagements.

Audit Committee Pre-Approval Policies and Procedures. Prior to the second quarter of fiscal year 2014, we did not have a standing audit committee and, as a result, our Board considered and pre-approved any audit and non-audit services to be performed by our independent registered public accounting firm at its regularly scheduled and special meetings. During the second quarter of fiscal year 2014 we established our Audit Committee and subsequent to that time, our Audit Committee has considered and pre-approved such audit and non-audit services to be performed by our independent registered public accounting firm. In our Audit Committee's charter, the Board has delegated authority for pre-approving audit or permissible non-audit services performed by our independent auditors.

The Audit Committee has determined that the services provided by the Company's independent registered public accounting firms described above are compatible with maintaining independence as our independent registered public accounting firm.

A representative of SGA will be present at the Annual Meeting. He or she will be given an opportunity to make a statement if he or she desires and will be available to respond to appropriate questions.

Vote Sought

The proposal to ratify the appointment of Sadler, Gibb & Associates, LLC as the Company's independent registered public accounting firm for the year ended March 31, 2015 will be approved if the number of votes cast in favor of the proposal exceeds the number of votes cast in opposition of the proposal.

The Board recommends a vote "FOR" ratification of the selection of Sadler, Gibb & Associates, LLC, as our independent registered public accounting firm for the fiscal year ending March 31, 2015.

STOCKHOLDER PROPOSALS AND DIRECTOR NOMINEES FOR NEXT ANNUAL MEETING

Stockholders may present proposals for action at a future meeting if they comply with SEC rules, state law and our Bylaws.

Pursuant to Rule 14a-8 under the Exchange Act, some stockholder proposals, including stockholder nominations to the Board of Directors, may be eligible for inclusion in the proxy statement for our 2015 Annual Meeting of Stockholders (the "2015 Annual Meeting"). These stockholder proposals, along with proof of ownership of our stock in accordance with Rule 14a-8(b)(2), must be received by us not later than April 22, 2015, which is 120 calendar days prior to the anniversary date of the mailing of this proxy statement. Stockholders are also advised to review our Bylaws which contain additional advance notice requirements, including requirements with respect to advance notice of stockholder proposals (other than non-binding proposals presented under Rule 14a-8) and director nominations.

Our Bylaws provide that, except in the case of proposals made in accordance with Rule 14a-8, for stockholder nominations to the Board of Directors or other proposals to be considered at an annual meeting of stockholders, the stockholder must have given timely notice thereof in writing to us not less than 60 nor more than 90 calendar days prior to the anniversary date of the preceding year's annual meeting. To be timely for the 2015 Annual Meeting of Stockholders, a stockholder's notice must be delivered or mailed to and received by us between June 20, 2015 and July 20, 2015. However, in the event that the date of the annual meeting is advanced more than 30 days prior to or delayed by more than 30 days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so received not later than the close of business on the 10 day following the day on which public announcement of the date of such meeting is first made.

Stockholder proposals should be mailed by certified mail, return receipt requested, and must comply in all respects with applicable rules and regulations of the Commission, the laws of the State of Nevada and our Bylaws. Stockholder proposals may be mailed to the Corporate Secretary, 321 South 1250 West, Suite 1, Linton, Utah 84042.

INFORMATION TO BE FURNISHED TO SECURITYHOLDERS

Our annual report on Form 10-K for our fiscal year ended March 31, 2014, as well as our other SEC filings, are available without charge. If you would like to request copies of any documents, requests should be sent in writing to Profire Energy, Inc., ATTN Corporate Secretary, 321 South 1250 West, Suite 1, Linton, Utah 84042.

HOUSEHOLDING

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This practice, known as "householding," is designed to reduce the volume of duplicate information and reduce printing and postage costs.

If you and others who share your mailing address own our common stock in street name, meaning through bank or brokerage accounts, you may have received a notice that your household will receive only one annual report and proxy statement from each company whose stock is held in such accounts. Unless you responded that you did not want to participate in householding, you were deemed to have consented to it and a single copy of our proxy statement and annual report have been sent to your address.

We will promptly deliver separate copies of our proxy statement and annual report at the request of any stockholder who is in a household that participates in the householding of our proxy materials. You may send your request by mail to: Profire Energy, Inc., 321 South 1250 West, Suite 1, Lindon, Utah 84042 or by telephone at (801) 796-5127. If you currently receive multiple copies of our proxy materials and would like to participate in householding, please contact our Corporate Secretary at the address or phone number described above.

OTHER MATTERS

We know of no other matters that are to be presented for action at the Annual Meeting other than those set forth above. If any other matters properly come before the Annual Meeting, the persons named in the enclosed proxy will vote the shares represented by proxies in accordance with their best judgment on such matters.

It is important that your shares be represented at the Annual Meeting, regardless of the number of shares you hold. Therefore, you are urged to execute and return the accompanying proxy in the enclosed envelope at your earliest convenience.
