PARTICIPATION IN THE FONINVEMEM

Edgar Filing: PETROBRAS ENERGIA PARTICIPACIONES SA - Form 6-K

Buenos Aires, December 27, 2004 Petrobras Energía Participaciones S.A. (Buenos Aires: PBE, NYSE:PZE), controlling company with a 98.21% stake in Petrobras Energía S.A. (Buenos Aires: PESA), informs that Petrobras Energía S.A. has decided to participate in the Fund for Investments required to Increase the Supply of Electric Power in the Wholesale Electricity Market (Fondo para Inversiones Necesarias que Permitan Incrementar la Oferta de Energía Eléctrica en el Mercado Eléctrico Mayorista (FONINVEMEM)) created under Resolution N. 712/04 of the Argentine Secretariat of Energy.

In view of the need to increase the available supply of electric power generation in Argentina, the FONINVEMEM funds will be used to build a new combined cycle generation plant with commercial operations estimated to begin by the year 2007.

The Company has accepted to participate with 65% of the credit balances resulting from the 2004-2006 period between Genelba and Hidroeléctrica Pichi Picún Leufú electric power generation plants and Compañía Administradora del Mercado Eléctrico Mayorista S.A. (CAMMESA) with respect to the margin between the energy sale price and the variable generation cost attributable to each unit in the market.

Total credit balances for 2004 fiscal year amount to US\$7.5 million. Likewise, the total contribution estimated for the 2004-2006 period would amount to US\$35 million, accounting for approximately 8% of the principal of the fund. The final amount will depend, among other factors, on the dispatch by CAMMESA of the Company's generation units.
