ITEM 4.01 Changes in Registrant's Certifying Accountant

On June 16, 2008, the Registrant was advised that its auditors, Williams and Webster, P.S., have resigned.

Edgar Filing: EYI INDUSTRIES INC. - Form 8-K

During the period of engagement of Williams and Webster, P.S. the auditor's reports issued by them did not contain an adverse opinion, a disclaimer of opinion, nor were the reports qualified or modified as to uncertainty, audit scope or accounting principles. However, the audit reports did reflect uncertainties regarding the ability of the registrant to continue as a going concern. During the engagement period, there were no disagreements between the Registrant and Williams and Webster on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of Williams and Webster would have caused them to make a reference to the matter in its reports on the Registrant's financial statements, had any such reports been issued. During the period of engagement, there were no reportable events as the term described in Item 304(a)(1)(iv) of Regulation S-K.

The Registrant has provided a copy of the disclosures in this report to Williams and Webster, P.S. and the Registrant has requested a letter from the auditors addressed to the COMmission confirming the statements made by the Registrant in this report.
