**ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION**

On April 27, 2005, Sanmina-SCI Corporation issued a press release announcing financial results for its second fiscal quarter. The press release is furnished as Exhibit 99 to this Form 8-K.

**Non-GAAP Financial Information**

In the press release furnished as Exhibit 99, we present the following Non-GAAP financial measures: operating income, operating margin, net income and earnings per share. In computing each of these non-GAAP financial measures, including those presented in the attached financial statements, we exclude charges or gains relating to: restructuring (including employee severance and benefits costs and charges related to excess facilities and assets), integration costs (consisting of costs associated with the integration of acquired businesses into our operations), impairment charges for goodwill and intangible assets, amortization of intangible assets, extraordinary gains or losses, non-cash interest and amortization expense and other infrequent or unusual items, to the extent material, which we consider to be of a non-operational nature in the applicable period.

We have furnished these Non-GAAP financial measures because we believe they provide useful supplemental information to investors in that they eliminate certain financial items that are of a non-recurring, unusual or infrequent nature or are not related to the Company's regular, ongoing business. Our management also uses this information internally for forecasting, budgeting and other analytical purposes. Therefore, the non-GAAP financial measures enable investors to analyze the core financial and operating performance of our company and to facilitate period-to-period comparisons and analysis of operating trends.

We provide earnings guidance only on a non-GAAP basis due to the inherent uncertainties associated with forecasting the timing and amount of restructuring, impairment and other unusual and infrequent items.
