Since July 25, 2003, the members of the Compensation Committee for NEON have been Richard Holcomb and Loretta Cross. Ms. Cross has also served as the Chairman of the Compensation Committee since such time. Each member of the current Compensation Committee is a non-employee director. All decisions by the Compensation Committee relating to compensation of our executive officers are reviewed by the Board of Directors. Decisions with respect to awards under certain of NEON's employee benefit plans are made solely by the Compensation Committee in order for such awards to satisfy applicable legal and regulatory considerations. A draft of a Compensation Committee Charter is currently under consideration by the Compensation Committee.

Compensation Committee Interlocks and Insider Participation

Since July 25, 2003, the Compensation Committee members have been Richard Holcomb and Loretta Cross. Neither of these directors has served as officers or employees of NEON or any of its subsidiaries prior to or while serving on NEON's Compensation Committee. There are no interlocking directorates involving any of the executive officers or directors of NEON.

Audit Committee

Since July 25, 2003, the Audit Committee members have been Dave F. Cary, George Ellis and Loretta Cross. Each of these directors are qualified as independent under SEC rules. Mr. Cary is the Chairman of the Audit Committee and has been designated by the Audit Committee and the Board of Directors as the Audit Committee's financial expert. Please see Mr. Cary's biographical information for his qualifications. The Audit Committee adopted a new charter on December 5, 2002 and a copy of the Audit Committee Charter is attached to this Form 10-K/A as Exhibit 99.1.

Nominating and Governance Committee

Since May 4, 2005, NEON's Independent Committee was reconstituted as its Nominating and Governance Committee. The members of the Nominating and Governance Committee are Richard Holcomb, Dave Cary and George Ellis. Mr. Holcomb serves as the Chairman of the Nominating and Governance Committee. A draft of a Nominating and Governance Committee Charter is currently under consideration by the Nominating and Governance Committee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16 of the Securities Exchange Act of 1934, as amended, requires NEON's executive officers (as defined under Section 16), directors, and persons who beneficially own greater than 10% of a registered class of NEON's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Based solely on our review of these reports and written representations from NEON's executive officers and directors, we believe that each of NEON's executive officers, directors, and 10% securityholders filed all of the required reports during the fiscal year ended March 31, 2005, except as follows:

Beginning in September 2003, NEON began filing electronically the Section 16(a) reports of beneficial ownership and changes of beneficial ownership on Form 3, Form 4, and Form 5 on behalf of its officers and directors. Due to an administrative error, NEON failed to report the automatic grant of Annual Options to the non-employee independent directors pursuant to the 2002 Director Option Plan on September 22, 2003 and again on September 20, 2004.

Pursuant to the terms of the 2002 Director Option Plan, each independent director who is re-elected at NEON's annual meeting of stockholders is automatically granted an option to acquire 12,500 shares of NEON common stock (the Annual Options). Such Annual Options vest quarterly over a two year term, expire in 10 years and carry an exercise price of the closing price of NEON's

common stock on the NASDAQ Stock Market on the date of such Annual Meeting.

Upon the automatic grant to the independent directors on September 20, 2003 and again on September 20, 2004, NEON failed to file the requisite Forms 4 for each of George Ellis, Richard Holcomb, Dave Cary and Loretta Cross. Such grant of Annual Options for September 22, 2003 was subsequently reported by NEON on Forms 5 filed for such individuals on April 7, 2004. Such Annual Options carry an exercise price of \$4.23 and were properly reflected in NEON's Proxy Statement filed with the Securities and Exchange Commission on July 28, 2004. The Annual Options granted at NEON's most recent Annual Meeting on September 20, 2004 were reported on a Form 4 for each of such independent directors on October 29, 2004. Such Annual Options for the current fiscal year ending March 31, 2005 carry an exercise price of \$3.64. NEON has taken internal measures to ensure that future reports are filed on behalf of such independent directors in an accurate and timely manner.

CODE OF CONDUCT

In May 2004, NEON's Board of Directors adopted a Code of Conduct, which applies to the ethical conduct of all employees of NEON. The Code of Conduct was filed as Exhibit 14.1 to NEON's Form 10-K for the fiscal year ended March 31, 2004, which was filed with the Securities Exchange Commission on June 29, 2004. Changes to, or waivers of, the Code of Conduct that apply to the officers or activities of the officers which are covered by the Code of Conduct will be disclosed by NEON on the Investor Relations section of its website at the following address: <http://www.neonsys.com>. A copy of the Code of Conduct may be downloaded from the Investor Relation section of the website and NEON will also mail a copy of the Code of Conduct upon written request to the Chief Financial Officer at 14100 Southwest Freeway, Suite 500, Sugar Land, Texas 77478.

(3) Options granted have a ten-year term and vest over a four-year period with one-fourth of the options vesting one year from the date of grant and one forty-eighth of the options vesting each month thereafter. (2) Options granted have a ten-year term and vest over a four-year period with one-fourth of the options vesting one year from the date of grant and one forty-eighth of the options vesting each month thereafter. Options may terminate before their expiration date upon death, disability or

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE IN CONTROL ARRANGEMENTS

All of NEON's Stock Plans provide that in the event of a merger of NEON with or into another corporation, or a change in control of NEON, each outstanding option and stock purchase right will be assumed or an equivalent option or right substituted by the successor corporation or a parent or subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the option or stock purchase right, NEON optionees will fully vest in and have the right to exercise the option or stock purchase right as to all of the optioned stock, including shares as to which it would not otherwise be vested or exercisable. If an option or stock purchase right becomes fully vested and exercisable in lieu of assumption or substitution in the event of a merger or Change in Control, the NEON Plan Administrator must notify the Optionee in writing or electronically that the option or stock purchase right will be fully vested and exercisable for a period of fifteen (15) days from the date of such notice, and the option or stock purchase right shall terminate upon the expiration of such period if unexercised.

In connection with their initial employment offers, NEON entered into change of control severance arrangements with Brian D. Helman and Shelby R. Fike.

In October 2003, the Board of Directors engaged KPMG to do a review of the compensation of the executive officers and to prepare a compensation study to be delivered to the Compensation Committee. Based on the recommendations derived from the compensation study, the Compensation Committee recommended that the Board of Directors establish a new compensation plan for the executive officers and negotiate standardized employment agreements with such officers which contain non-compete protection for NEON. In January 2004, each of the then-current executive officers of NEON entered into an Executive Employment Agreement with NEON. Such Executive Employment Agreement provides the following: (i) Severance on termination without cause of six months' total compensation (twelve months for Mr. Helman); and (ii) in the event of a change in control of NEON, (a) acceleration of the vesting on unvested options and (b) if such executive officer's employment is terminated or constructively terminated, payment of severance in the amount of six months' total compensation (twelve months for Mr. Helman).

On May 26, 2005, the Compensation Committee amended the employment agreements of Mark Cresswell, NEON's President and Chief Executive Officer, and Shelby R. Fike, NEON's Senior Vice President and General Counsel, to increase the severance amount referenced above to twelve months' total compensation and to clarify the severance payments on constructive termination on a change in control.

COMPENSATION OF DIRECTORS

On August 11, 2003, directors not seeking re-election at the September 22nd annual meeting approved a change in director compensation, to be effective as of the adjournment of the annual meeting to be held September 22, 2003. Pursuant to such change, beginning September 23, 2003, all non-employee directors receive an annual fee of \$20,000, paid on a quarterly basis. The fee for attending Board of Directors meetings remains \$1,000 per meeting. The fee for attending committee meetings was reduced from \$1,000 per meeting to \$500 per meeting. The presiding director also receives an additional \$10,000 fee, paid quarterly, and the Chairman of each Committee receives an additional \$5,000 fee, paid quarterly. In fiscal year 2005, the Board of Directors met 10 times, the Audit Committee met 6 times, the Compensation Committee met 4 times, and the Special Committee met 2 times. In addition, in the fiscal year ending March 31, 2005, directors may now participate in NEON's health benefit plans, which are available to all employees, officers and directors of NEON.

In 1999 we adopted the Stock Option Plan for Non-Employee Directors for compensation of our non-employee directors and reserved 100,000 shares of our common stock for issuance thereunder. Under such plan, non-employee directors on the Board of Directors would be granted an option to purchase 7,500 shares of our common stock in connection with their respective appointments to our Board. The options granted under the Stock Option Plan for Non-Employee Directors vest equally in 33 1/3% increments on the date of each successive annual meeting during the three-year period following the date of grant.

Edgar Filing: NEON SYSTEMS INC - Form 10-K/A

At the annual meeting commenced on March 26, 2002 and reconvened on April 5, 2002, the 2002 Director Option Plan was

approved by our stockholders to replace the Stock Option Plan for Non-Employee Directors. Each current non-employee director who was serving on the Board of Directors immediately following the Annual Meeting of Stockholders commenced on March 26, 2002 and who served on the Board of Directors in any of the last three fiscal years ended March 31, 2001, received a one-time initial Election option grant to purchase 12,500 shares of common stock for each of such three previous fiscal years, up to a maximum grant of 37,500 shares of common stock of NEON. Non-employee directors subsequently joining the Board of Directors, whether by appointment or election, receive a one-time initial Election option grant to purchase 12,500 shares of common stock under the 2002 Director Option Plan. The Election options granted under the 2002 Director Option Plan vests equally in quarterly increments during the three-year period following the date of grant.

Additionally, all non-employee directors serving on the Board of Directors of NEON immediately following any subsequent annual meeting of stockholders after the adoption of the 2002 Director Option Plan who have served as a director of NEON for at least the preceding six months will receive an Annual grant of an option to purchase 12,500 shares of common stock under the 2002 Director Option Plan. The Annual options granted will vest equally in quarterly increments during a two-year period following the date of grant.

All stock options granted pursuant to the Stock Option Plan for Non-Employee Directors are non-qualified stock options and will remain exercisable for a period of ten years from the date of grant or, if sooner, six months after the option holder ceases to be a director of NEON. In the event of a change in control of NEON or certain other significant events, all options outstanding under the Stock Option Plan for Non-Employee Directors would terminate, provided that immediately before the effective date of such transaction each holder of an outstanding option under the Stock Option Plan for Non-Employee Directors would be entitled to purchase the total number of shares of common stock that such option holder would have been entitled to purchase during the entire remaining term of the option.

All stock options granted pursuant to the 2002 Director Option Plan are and will be nonqualified stock options and will remain exercisable for a period of ten years from the date of grant. If a non-employee director's status as a director terminates for any reason (excluding death and disability), then all options held by him or her under the 2002 Director Option Plan will expire three months following the termination. If the non-employee director's status as a director terminates due to death or disability, then all options held by him or her under the 2002 Director Option Plan expire twelve months following the termination. In the event of any proposed dissolution or liquidation of NEON, any unexercised option would terminate immediately prior to the consummation of such proposed action. In the event of our merger or the sale of substantially all of our assets, each option may be assumed or an equivalent option substituted for by the successor corporation. If following such assumption or substitution a non-employee director's status as a director terminates other than by his or her voluntary resignation, the option will become fully vested and exercisable. If the successor corporation does not agree to assume or substitute for the option, each option will become fully vested and exercisable for a period of 30 days from the date our Board of Directors notifies the non-employee director of that the option is fully vested and exercisable, after which the option will terminate.

The percentage of shares owned provided in the table is based on **9,534,986** shares outstanding as of July 15, 2005. The determination of whether these persons have sole voting and investment power is based on information provided by them. In computing an individual's beneficial ownership, the number of shares of common stock subject to options held by that individual that are exercisable within 60 days of July 15, 2005 are also deemed outstanding. ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Certain former members of NEON's Board of Directors and certain former executive officers of NEON were shareholders and/or directors in other companies with which NEON had business relationships. Transactions between NEON and these other companies have been described in the Related Party Transactions disclosure in our Form 10-K filed on June 28, 2005. Notwithstanding such disclosures, no current director or executive officer of NEON are shareholders and/or directors or employees of any other companies with which NEON has business relationships.

OTHER DIRECTORSHIPS

Some members of our Board of Directors may also serve as officers or directors of other software or computing companies. NEON and such companies, despite each being software companies, are not sufficiently similar in their operations to be competitors.
