On August 18, 2005, Marvell Technology Group Ltd. ( Marvell ) issued a press release regarding its financial results for its second fiscal quarter ended July 30, 2005. The full text of Marvell s press release is furnished herewith as Exhibit 99.1.

The following non-GAAP financial measures are included in the press release: pro forma net income and basic and diluted net income per share. These non-GAAP measures exclude the effects of acquisition-related expenses, amortization of stock-based compensation and charges related to facilities consolidation. A reconciliation to the most directly comparable GAAP measure is included in the financial statements portion of the press release.

Marvell s management believes this non-GAAP information is useful because it can enhance the understanding of the company s ongoing economic performance, and Marvell therefore uses pro forma reporting internally to evaluate and manage the company s operations. Marvell has chosen to provide this information to investors to enable them to perform comparisons of operating results in a manner similar to how company management analyzes operating results.
