- (e) **Civil Proceedings:**

Item 3. Source and Amount of Funds or Other Consideration
The 9,606,671 shares of Common Stock beneficially owned by the Reporting Persons were purchased by TCL pursuant to a Share Exchange Agreement (Share Exchange Agreement) which is more fully described in the original Schedule 13D filed with the Securities and Exchange Commission on April 25, 2001. On September 18, 2001, the 12,000,000 shares of Common Stock were transferred to LIHL by certain shareholders of the issuer to compensate TCL for losses it incurred from the share swap under the terms of the Share Exchange Agreement. No further consideration was paid by TCL or LIHL for the 12,000,000 shares. The 9,606,671 shares of Common Stock, together with the 12,000,000 shares of Common Stock transferred to LIHL, and the 12,000,000 shares of Common Stock purchased by LIHL on 10/20/04 may be referred to collectively as the Shares. LIHL used reserve funds for the 10/20/04 purchase and did not borrow any funds for such purchase.

As previously reported in the Issuer's Schedule 14C and Schedule 13E-3 filed on July 8, 2005, Amendments No. 1 to Schedule 14C and Schedule 13E-3 filed on August 3, 2005 and Amendments No. 2 to Schedule 14C and Schedule 13E-3 on October 3, 2005, the Issuer is working toward completing its going private transaction. If such going private transaction is completed and stockholders holding less than 5,000 shares of the Issuer receive cash in exchange for any resulting fractional interests, the aggregate ownership percentage of the Reporting Persons would likely increase from the current percentage of approximately 51.2% to 53.2%.

Item 4. Purpose of Transaction
The purpose of the purchase of the Common Stock by LIHL was to acquire the securities for investment purposes.

On June 17, 2005 and August 2, 2005, the Issuer's Board of Directors adopted resolutions proposing and approving a merger (the Merger) of a newly-formed wholly-owned subsidiary of the Issuer (the Subsidiary), with and into the Issuer with the separate corporate existence of the Subsidiary ceasing and the Issuer being the surviving corporation (the Surviving Corporation) and each outstanding share of Common Stock and Preferred Stock of the Issuer, without any action on the part of the holder thereof, being converted into one-five-thousandth (1/5000) of a share of Common Stock of the Surviving Corporation, with holders of less than 5000 shares of a Common Stock or Preferred Stock of the Issuer before the Merger having their resulting fractional share interests cancelled and converted into the right to receive \$0.13 in cash for each of such pre-Merger shares, and immediately following the Merger, any surviving fractional interests attached to whole shares will be reconverted in a 5000-for-1 forward stock split of the Surviving Corporation's then outstanding Common Stock into the same number of whole shares owned by those holders before the Merger (the Transaction). The purpose and effect of the Transaction would be to reduce the number of the Issuer's stockholders to fewer than 300 and allowing the Issuer to suspend its status as a reporting company as long as the Issuer continues to have less than the threshold number of holders as required by Rule 12h-3 of the regulations promulgated under the Securities Exchange Act of 1934 on the first day of each subsequent fiscal year.

On August 2, 2005, a majority of the outstanding shares of Common Stock and Preferred Stock of the Issuer, including the Reporting Persons, approved the proposed Transaction by written consent pursuant to Section 228 of the General Corporation Law of Delaware. Nonetheless, the Board of Directors may abandon the Transaction at any time before its effectiveness if for any reason the Board of Directors deems it advisable to do so. If effected, the Transaction would increase the voting power of the Reporting Persons.

According to the preliminary information statement filed by the Issuer with the Securities and Exchange Commission with respect to approval of the Transaction, the Issuer estimates that, if effected, the Transaction would result in the cancellation of approximately 1,930,000 shares of the Common Stock and 4,300 shares of the Preferred Stock; none of the shares held by the Reporting Persons would be cancelled in the proposed Transaction. Consequently, if the Transaction is effected, the percentage ownership by the Reporting Persons of the Common Stock would increase slightly due to the decrease in the numbers of shares of such class outstanding.

LIHL, depending upon market conditions and other factors, in the future may acquire beneficial ownership of additional shares of Common Stock or dispose of all or a portion of the Common Stock that LIHL beneficially owns or hereafter may acquire. Other than as discussed herein, including the effects of the Transaction discussed above, the Reporting Persons currently have no plans to effect:

- (a) the acquisition of additional securities of the Issuer, or the disposition of securities of the Issuer;
- (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;
- (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;
- (d) any change in the present Board of Directors or management of the Issuer, including any plans or proposals to change the number or term of directors or the to fill any existing vacancies on the Board of Directors;
- (e) any material change in the present capitalization or dividend policy of the Issuer;
- (f) any other material change in the Issuer's business or corporate structure;
- (g) changes in the Issuer's articles of incorporation, by-laws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person; or
- (h) any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer

Edgar Filing: OPTA CORP - Form SC 13D/A

- (a) Each of the Reporting Persons beneficially owns the Shares, which represent 51.2% of the outstanding shares of Common Stock.

- (b) Each of the Reporting Persons has the power to vote, direct the voting of, dispose of and direct the disposition of the Shares.

- (c) None of the Reporting Persons and, to the best knowledge of the Reporting Persons, none of the persons referred to in Annex 1 attached hereto have effected any transactions in the Common Stock during the past 60 days.

(d) The Reporting Persons have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Shares.

(e) Not Applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Except as described herein, none of the Reporting Persons and none of the persons referred to in Annex 1 attached hereto, has any contracts, arrangement, understandings or relationships (legal or otherwise) with any person with respect to the securities of the Issuer, including but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangement, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.

Item 7. Material to Be Filed as Exhibits

1. Letter of Responsibility Concerning Authorization of TCL Holdings Co., Ltd. as a Trial Enterprise to Operate State-Owned Assets dated May 12, 1997 (filed as Exhibit 1 to the original Schedule 13D filed with the Securities and Exchange Commission on April 25, 2001).
