**ITEM 1.01            Entry into a Material Definitive Agreement**

On April 4, 2006, Timberstar Southwest LLC ( TSSW ) entered into a contract (the Agreement ) to purchase approximately 900,000 acres of forestland and related assets in Arkansas, Louisiana and Texas from International Paper Co. The aggregate purchase price is expected to be \$1.17 billion. TSSW has received a commitment from two investment banks to provide financing for 60% of the purchase price. iStar Financial, through a subsidiary, is currently committed to provide the approximate \$468 million balance of the purchase price to TSSW. The Company is currently negotiating with equity partners that may invest in TSSW, which would reduce the Company s commitment to TSSW. However, the Company does not yet have commitments from equity partners and there can be no assurance that such commitments will be obtained. The closing is anticipated to occur in the third quarter of 2006.

The Company anticipates that its subsidiary s contribution to the venture will be funded from borrowings under the Company s unsecured revolving credit facility.
