This current report on Form 8-K of Vornado Realty Trust (the "Company") updates Part II, Items 6, 7 and 8 of the Company's annual report on Form 10-K for the year ended December 31, 2005. The Company is electing to re-issue in an updated format the presentation of its historical financial statements to reclassify the income and expenses of three properties (33 North Dearborn Street, 424 Sixth Avenue, and 1919 South Eads Street) to discontinued operations on the consolidated statements of income and the related assets and liabilities to assets and liabilities related to discontinued operations on the consolidated balance sheets. During the first quarter of 2006, 33 North Dearborn Street and 424 Sixth Avenue met the criteria for such classification and were classified as such in the Company's quarterly report on Form 10-Q for the three months ended March 31, 2006. During the second quarter of 2006, 1919 South Eads Street met the criteria for such classification and was classified as such in the Company's quarterly report on Form 10-Q for the three and six months ended June 30, 2006. These reclassifications have no effect on the Company's reported net income or funds from operations.

The information contained in this current report on Form 8-K is presented as of December 31, 2005, and other than as indicated above, has not been updated to reflect developments subsequent to this date.
