Item 2.02 Results of Operations and Financial Condition.

On March 15, 2007, Linens Holding Co. (Linens) announced its consolidated financial results for the fiscal fourth quarter and fiscal year ended December 30, 2006. The press release included a reference to net loss, which should have been net earnings. Specifically, in the fifth paragraph of the press release, Linens referred to The net loss for the fourth quarter of 2005 is after an impairment charge of \$4.1 million, net of associated income tax benefits of \$1.5 million. The sentence should have read, The net earnings for the fourth quarter of 2005 is after an impairment charge of \$4.1 million, net of an associated income tax benefit of \$1.5 million. The error was a clerical oversight by Linens and does not affect its financial results as reported in the original press release.

Subsequently on March 15, 2007, Linens issued a correcting press release, which restated the original press release, with the correction noted above, in its entirety. A copy of the correcting press release is attached as Exhibit 99.1 and is incorporated herein by reference.

The information contained in this report and the exhibit hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of Section 18, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
